

WEBVTT

NOTE duration: "01:02:14.912"

NOTE Confidence: 0.9735921

00:00:00.240 --> 00:00:02.399 Alright. So good afternoon. Welcome,

NOTE Confidence: 0.9735921

00:00:02.399 --> 00:00:02.899 everyone.

NOTE Confidence: 1

00:00:04.240 --> 00:00:04.740 And

NOTE Confidence: 1

00:00:05.200 --> 00:00:06.500 we are in for

NOTE Confidence: 1

00:00:07.359 --> 00:00:08.340 a very special

NOTE Confidence: 0.94091797

00:00:09.760 --> 00:00:10.900 Grand Rounds today.

NOTE Confidence: 0.99239093

00:00:11.280 --> 00:00:12.960 I will briefly introduce what

NOTE Confidence: 0.99239093

00:00:12.960 --> 00:00:14.400 this Grand Rounds is a

NOTE Confidence: 0.99239093

00:00:14.400 --> 00:00:16.335 part of, and that's a

NOTE Confidence: 0.99239093

00:00:16.335 --> 00:00:17.954 truly special thing.

NOTE Confidence: 0.98521423

00:00:18.415 --> 00:00:19.614 And then Linda will introduce

NOTE Confidence: 0.98521423

00:00:19.614 --> 00:00:20.975 our speaker who's also truly

NOTE Confidence: 0.98521423

00:00:20.975 --> 00:00:22.815 special. Lots of specialty today.

NOTE Confidence: 0.98521423

00:00:22.815 --> 00:00:23.315 So

NOTE Confidence: 0.97062176

00:00:23.775 --> 00:00:26.095 the the program that, that
NOTE Confidence: 0.97062176

00:00:26.095 --> 00:00:27.695 we're hosting today is the
NOTE Confidence: 0.97062176

00:00:27.695 --> 00:00:28.515 Max Ridvo,
NOTE Confidence: 0.97631836

00:00:29.055 --> 00:00:30.115 class of thirteen,
NOTE Confidence: 0.93162316

00:00:31.030 --> 00:00:32.790 and Alan Slifka, class of
NOTE Confidence: 0.93162316

00:00:32.790 --> 00:00:33.610 fifty one,
NOTE Confidence: 0.9699041

00:00:34.070 --> 00:00:35.750 program for the medical humanities
NOTE Confidence: 0.9699041

00:00:35.750 --> 00:00:36.790 of the Yale Child Study
NOTE Confidence: 0.9699041

00:00:36.790 --> 00:00:37.290 Center.
NOTE Confidence: 0.99986047

00:00:38.070 --> 00:00:39.510 This is a program that
NOTE Confidence: 0.99986047

00:00:39.510 --> 00:00:40.570 was endowed
NOTE Confidence: 0.9996745

00:00:40.950 --> 00:00:42.010 eight years ago
NOTE Confidence: 0.99487305

00:00:42.790 --> 00:00:44.070 by the president of the
NOTE Confidence: 0.99487305

00:00:44.070 --> 00:00:44.570 Slifka
NOTE Confidence: 0.955392

00:00:45.455 --> 00:00:47.055 Foundation, who's a dear friend
NOTE Confidence: 0.955392

00:00:47.055 --> 00:00:47.875 and colleague,

NOTE Confidence: 0.86897904
00:00:48.335 --> 00:00:49.775 Riva Ariel Aritvo, who I
NOTE Confidence: 0.86897904
00:00:49.775 --> 00:00:50.815 think is joining us from
NOTE Confidence: 0.86897904
00:00:50.815 --> 00:00:52.575 LA. Hello, Ari, wherever you
NOTE Confidence: 0.86897904
00:00:52.575 --> 00:00:53.235 you are.
NOTE Confidence: 0.9354137
00:00:54.335 --> 00:00:56.495 And this program is, named
NOTE Confidence: 0.9354137
00:00:56.495 --> 00:00:58.175 in loving memory of her
NOTE Confidence: 0.9354137
00:00:58.175 --> 00:00:58.675 late,
NOTE Confidence: 0.92700195
00:00:59.210 --> 00:01:00.350 son, who was
NOTE Confidence: 0.9445343
00:01:00.809 --> 00:01:02.090 a college student here at
NOTE Confidence: 0.9445343
00:01:02.090 --> 00:01:03.770 Yale and a brilliant young
NOTE Confidence: 0.9445343
00:01:03.770 --> 00:01:05.450 poet who died way too
NOTE Confidence: 0.9445343
00:01:05.450 --> 00:01:05.950 young,
NOTE Confidence: 0.9197252
00:01:06.409 --> 00:01:07.850 and her late husband, Alan
NOTE Confidence: 0.9197252
00:01:07.850 --> 00:01:09.310 Slifka, who was a
NOTE Confidence: 0.9995117
00:01:09.610 --> 00:01:10.430 major philanthropist
NOTE Confidence: 0.9053548

00:01:12.584 --> 00:01:14.525 and, brilliant businessman.
NOTE Confidence: 0.99970704

00:01:15.785 --> 00:01:16.825 The the idea of this
NOTE Confidence: 0.99970704

00:01:16.825 --> 00:01:18.365 program is to bring together
NOTE Confidence: 0.99121094

00:01:19.865 --> 00:01:20.685 the humanities
NOTE Confidence: 0.92163086

00:01:20.985 --> 00:01:21.965 broadly defined
NOTE Confidence: 0.88076174

00:01:22.505 --> 00:01:23.785 and the child study center
NOTE Confidence: 0.88076174

00:01:23.785 --> 00:01:25.805 with its focus on children
NOTE Confidence: 0.99698895

00:01:26.369 --> 00:01:27.829 also broadly defined.
NOTE Confidence: 0.97770184

00:01:28.689 --> 00:01:30.149 In its, initial,
NOTE Confidence: 0.94962156

00:01:31.170 --> 00:01:32.610 words, the Max Ridvo and
NOTE Confidence: 0.94962156

00:01:32.610 --> 00:01:33.969 Alice Lifka fifty one program
NOTE Confidence: 0.94962156

00:01:33.969 --> 00:01:35.409 for the medical humanities at
NOTE Confidence: 0.94962156

00:01:35.409 --> 00:01:36.950 the Yale Child Study Center
NOTE Confidence: 0.995752

00:01:37.409 --> 00:01:38.850 brings an artist to campus
NOTE Confidence: 0.995752

00:01:38.850 --> 00:01:40.549 annually as a guest speaker
NOTE Confidence: 0.99525285

00:01:40.985 --> 00:01:42.505 and as a visiting scholar

NOTE Confidence: 0.99525285

00:01:42.505 --> 00:01:43.865 to explore and support the

NOTE Confidence: 0.99525285

00:01:43.865 --> 00:01:45.625 experience of psychiatric and medical

NOTE Confidence: 0.99525285

00:01:45.625 --> 00:01:46.685 illness in youth.

NOTE Confidence: 0.95610774

00:01:47.705 --> 00:01:48.745 We have worked with the,

NOTE Confidence: 0.95610774

00:01:49.065 --> 00:01:50.505 Arts for Healing program at

NOTE Confidence: 0.95610774

00:01:50.505 --> 00:01:51.865 Yale New Haven Hall Children's

NOTE Confidence: 0.95610774

00:01:51.865 --> 00:01:53.545 Hospital to support artists and

NOTE Confidence: 0.95610774

00:01:53.545 --> 00:01:55.085 creative arts therapists

NOTE Confidence: 0.9716797

00:01:55.800 --> 00:01:57.080 who help patients and their

NOTE Confidence: 0.9716797

00:01:57.080 --> 00:01:58.700 families with the artistic expression,

NOTE Confidence: 0.96914065

00:01:59.240 --> 00:02:00.680 other struggles with illness in

NOTE Confidence: 0.96914065

00:02:00.680 --> 00:02:02.540 a variety of clinical settings.

NOTE Confidence: 0.9434299

00:02:03.000 --> 00:02:04.120 As I mentioned, this program

NOTE Confidence: 0.9434299

00:02:04.120 --> 00:02:05.320 was endowed in two thousand

NOTE Confidence: 0.9434299

00:02:05.320 --> 00:02:07.420 eighteen by doctor Rivarilla Ridvoslivka

NOTE Confidence: 0.81917316

00:02:08.360 --> 00:02:09.820 and the Alan b. Slavka
NOTE Confidence: 0.81917316

00:02:09.880 --> 00:02:11.660 Foundation in loving memory.
NOTE Confidence: 0.99801636

00:02:11.985 --> 00:02:12.784 And just to give you
NOTE Confidence: 0.99801636

00:02:12.784 --> 00:02:13.584 a sense of what we
NOTE Confidence: 0.99801636

00:02:13.584 --> 00:02:15.025 have accomplished during these eight
NOTE Confidence: 0.99801636

00:02:15.025 --> 00:02:15.525 years,
NOTE Confidence: 0.9022396

00:02:16.625 --> 00:02:17.825 the very first year, we
NOTE Confidence: 0.9022396

00:02:17.825 --> 00:02:18.705 had not one, but we
NOTE Confidence: 0.9022396

00:02:18.705 --> 00:02:20.065 had two speakers. We had
NOTE Confidence: 0.9022396

00:02:20.065 --> 00:02:20.885 Aaron Shaferris,
NOTE Confidence: 0.96855164

00:02:21.345 --> 00:02:23.025 who's a spoken word artist
NOTE Confidence: 0.96855164

00:02:23.025 --> 00:02:23.790 and a beatboxer,
NOTE Confidence: 0.99397784

00:02:24.349 --> 00:02:25.650 and we had here beatboxing
NOTE Confidence: 0.99397784

00:02:25.790 --> 00:02:26.930 happening. It was amazing.
NOTE Confidence: 0.97680664

00:02:27.709 --> 00:02:29.489 Kendra Carlson is a photographer.
NOTE Confidence: 0.9511719

00:02:30.430 --> 00:02:31.409 The second year,

NOTE Confidence: 0.9605869
00:02:31.709 --> 00:02:32.909 in the pandemic, we had
NOTE Confidence: 0.9605869
00:02:32.909 --> 00:02:33.709 to skip the first year
NOTE Confidence: 0.9605869
00:02:33.709 --> 00:02:34.450 of the pandemic.
NOTE Confidence: 0.9868001
00:02:35.069 --> 00:02:36.269 But in two thousand twenty
NOTE Confidence: 0.9868001
00:02:36.269 --> 00:02:37.489 one, also in the pandemic,
NOTE Confidence: 0.76888025
00:02:37.790 --> 00:02:38.769 Sarah Reuel,
NOTE Confidence: 0.9508735
00:02:39.845 --> 00:02:41.365 playwright and professor here in
NOTE Confidence: 0.9508735
00:02:41.365 --> 00:02:42.585 the School of Drama,
NOTE Confidence: 0.96146065
00:02:43.205 --> 00:02:44.725 she put together a play,
NOTE Confidence: 0.96146065
00:02:44.725 --> 00:02:46.325 a two people play, two
NOTE Confidence: 0.96146065
00:02:46.325 --> 00:02:48.025 person play on Zoom,
NOTE Confidence: 0.9634719
00:02:48.485 --> 00:02:49.764 which by then was, like,
NOTE Confidence: 0.9634719
00:02:49.764 --> 00:02:51.125 unheard of. And it was
NOTE Confidence: 0.9634719
00:02:51.125 --> 00:02:52.565 so powerful that it want
NOTE Confidence: 0.9634719
00:02:52.645 --> 00:02:53.605 went on to be a
NOTE Confidence: 0.9634719

00:02:53.605 --> 00:02:54.084 play,
NOTE Confidence: 0.79919434
00:02:54.485 --> 00:02:55.145 off Broadway.
NOTE Confidence: 0.9610087
00:02:55.740 --> 00:02:57.020 And that play is based
NOTE Confidence: 0.9610087
00:02:57.020 --> 00:02:58.620 on the letters between Max
NOTE Confidence: 0.9610087
00:02:58.620 --> 00:03:00.860 Ridvo and Sarah Ruhl and
NOTE Confidence: 0.9610087
00:03:00.860 --> 00:03:02.139 the book that she then
NOTE Confidence: 0.9610087
00:03:02.139 --> 00:03:03.919 wrote letters to Max.
NOTE Confidence: 0.9849679
00:03:05.820 --> 00:03:07.260 The third year, two thousand
NOTE Confidence: 0.9849679
00:03:07.260 --> 00:03:08.160 twenty two,
NOTE Confidence: 0.92777514
00:03:09.405 --> 00:03:11.344 we had the Nobel laureate
NOTE Confidence: 0.92777514
00:03:11.485 --> 00:03:14.044 poet, Louise Gluck, who has
NOTE Confidence: 0.92777514
00:03:14.044 --> 00:03:14.544 since,
NOTE Confidence: 0.9970703
00:03:14.924 --> 00:03:15.424 passed
NOTE Confidence: 0.98569334
00:03:15.885 --> 00:03:17.084 and who was a professor
NOTE Confidence: 0.98569334
00:03:17.084 --> 00:03:18.385 here at Yale as well.
NOTE Confidence: 0.9713615
00:03:19.004 --> 00:03:20.125 The fourth year, we had

NOTE Confidence: 0.9713615

00:03:20.125 --> 00:03:21.405 Eva Ridvo, who is a

NOTE Confidence: 0.9713615

00:03:21.405 --> 00:03:21.905 photographer.

NOTE Confidence: 0.9880859

00:03:24.230 --> 00:03:25.670 The fifth year, we had,

NOTE Confidence: 0.97060543

00:03:26.230 --> 00:03:26.950 the first time that we

NOTE Confidence: 0.97060543

00:03:26.950 --> 00:03:28.090 had one of our trainees,

NOTE Confidence: 0.97060543

00:03:28.150 --> 00:03:29.210 Ayobelo Ayotunde,

NOTE Confidence: 0.9995117

00:03:29.750 --> 00:03:31.510 who did a magnificent portrait

NOTE Confidence: 0.9995117

00:03:31.510 --> 00:03:33.210 that's hanging one floor upstairs.

NOTE Confidence: 0.98672485

00:03:34.150 --> 00:03:35.770 Last year, we had Elizabeth

NOTE Confidence: 0.98672485

00:03:35.830 --> 00:03:37.130 Metzger, a poet.

NOTE Confidence: 0.9861382

00:03:37.625 --> 00:03:39.145 And this year, I won't

NOTE Confidence: 0.9861382

00:03:39.145 --> 00:03:40.045 give it all away,

NOTE Confidence: 0.96409255

00:03:40.745 --> 00:03:41.785 but Linda will give it

NOTE Confidence: 0.96409255

00:03:41.785 --> 00:03:42.665 all away. And we're so

NOTE Confidence: 0.96409255

00:03:42.665 --> 00:03:44.505 delighted that, we're bringing this

NOTE Confidence: 0.96409255

00:03:44.505 --> 00:03:46.025 partnership with MoMA and Francesca

NOTE Confidence: 0.96409255

00:03:46.025 --> 00:03:47.224 as the ambassador. So please,

NOTE Confidence: 0.96409255

00:03:47.224 --> 00:03:47.724 Linda.

NOTE Confidence: 0.9483355

00:03:53.140 --> 00:03:54.500 Thank you very much, Andres.

NOTE Confidence: 0.9483355

00:03:54.500 --> 00:03:55.700 And it's really a pleasure

NOTE Confidence: 0.9483355

00:03:55.700 --> 00:03:57.220 to was this the eighth

NOTE Confidence: 0.9483355

00:03:57.220 --> 00:03:58.819 year, you said? The eighth

NOTE Confidence: 0.9483355

00:03:58.819 --> 00:04:00.420 year is wonderful. And, really,

NOTE Confidence: 0.9483355

00:04:00.420 --> 00:04:02.260 to have Francesca Rosenberg from

NOTE Confidence: 0.9483355

00:04:02.260 --> 00:04:03.640 MoMA to join us.

NOTE Confidence: 0.97690356

00:04:04.355 --> 00:04:06.375 I am excited to introduce

NOTE Confidence: 0.97690356

00:04:06.435 --> 00:04:08.114 francesca to you, but also

NOTE Confidence: 0.97690356

00:04:08.114 --> 00:04:10.595 to really more publicly talk

NOTE Confidence: 0.97690356

00:04:10.595 --> 00:04:12.275 about this partnership with our

NOTE Confidence: 0.97690356

00:04:12.275 --> 00:04:12.775 colleagues

NOTE Confidence: 0.9855469

00:04:13.075 --> 00:04:14.614 the museum of modern art

NOTE Confidence: 0.9922389

00:04:14.995 --> 00:04:15.875 So as you can see

NOTE Confidence: 0.9922389

00:04:15.875 --> 00:04:17.235 on the slide francesca is

NOTE Confidence: 0.9922389

00:04:17.235 --> 00:04:18.914 the director of access programs

NOTE Confidence: 0.9922389

00:04:18.914 --> 00:04:20.599 and initiatives at MoMA,

NOTE Confidence: 0.97714233

00:04:21.860 --> 00:04:23.620 where you've been for thirty

NOTE Confidence: 0.97714233

00:04:23.620 --> 00:04:24.919 years, three decades,

NOTE Confidence: 0.95592153

00:04:26.020 --> 00:04:27.219 and looking really at the

NOTE Confidence: 0.95592153

00:04:27.219 --> 00:04:29.219 at the intersection of cultural

NOTE Confidence: 0.95592153

00:04:29.219 --> 00:04:29.719 engagement,

NOTE Confidence: 0.99780273

00:04:30.020 --> 00:04:30.759 of diversity,

NOTE Confidence: 0.98720706

00:04:31.060 --> 00:04:33.539 disability, equity, and public health.

NOTE Confidence: 0.98720706

00:04:33.539 --> 00:04:34.345 So So I think you'll

NOTE Confidence: 0.98720706

00:04:34.345 --> 00:04:35.544 start to see why this

NOTE Confidence: 0.98720706

00:04:35.544 --> 00:04:37.085 is really a very intuitive

NOTE Confidence: 0.9958496

00:04:37.544 --> 00:04:38.284 coming together.

NOTE Confidence: 0.9935547

00:04:39.705 --> 00:04:41.085 She was the first accessibility
NOTE Confidence: 0.9777832

00:04:41.464 --> 00:04:41.964 coordinator,
NOTE Confidence: 0.95963544

00:04:42.745 --> 00:04:43.564 at the museum.
NOTE Confidence: 0.89810616

00:04:44.664 --> 00:04:46.360 Really think about that, an
NOTE Confidence: 0.89810616

00:04:46.360 --> 00:04:48.440 accessibility coordinator, really the first
NOTE Confidence: 0.89810616

00:04:48.440 --> 00:04:49.820 person to start this,
NOTE Confidence: 0.9937337

00:04:50.279 --> 00:04:51.800 and has been instrumental in
NOTE Confidence: 0.9937337

00:04:51.800 --> 00:04:52.300 transforming
NOTE Confidence: 0.9539388

00:04:52.760 --> 00:04:53.260 MoMA,
NOTE Confidence: 0.9995117

00:04:54.040 --> 00:04:55.660 into a global network
NOTE Confidence: 1

00:04:56.120 --> 00:04:56.860 of inclusivity
NOTE Confidence: 0.99072266

00:04:57.895 --> 00:05:00.235 and conceptualizing and implementing programs
NOTE Confidence: 0.99072266

00:05:00.294 --> 00:05:01.435 that serve thousands
NOTE Confidence: 0.98876953

00:05:02.134 --> 00:05:03.594 of individuals, visitors,
NOTE Confidence: 0.9751325

00:05:03.895 --> 00:05:05.654 adults, and children alike through
NOTE Confidence: 0.9751325

00:05:05.654 --> 00:05:06.235 the year

NOTE Confidence: 0.9904785
00:05:06.615 --> 00:05:07.354 with disabilities.
NOTE Confidence: 0.9748047
00:05:08.615 --> 00:05:10.714 Francesca is also the designer
NOTE Confidence: 0.9980469
00:05:11.620 --> 00:05:12.440 of a pioneering
NOTE Confidence: 0.88836116
00:05:12.900 --> 00:05:14.680 meet me at MoMA program.
NOTE Confidence: 0.88836116
00:05:14.740 --> 00:05:15.940 I really like the the
NOTE Confidence: 0.88836116
00:05:15.940 --> 00:05:16.440 title.
NOTE Confidence: 0.9790372
00:05:16.819 --> 00:05:18.660 For individuals with dementia and
NOTE Confidence: 0.9790372
00:05:18.660 --> 00:05:20.339 their caregivers, and I've seen
NOTE Confidence: 0.9790372
00:05:20.339 --> 00:05:21.620 the books that you also
NOTE Confidence: 0.9790372
00:05:21.620 --> 00:05:22.900 created from that. They're they're
NOTE Confidence: 0.9790372
00:05:22.900 --> 00:05:23.720 just beautiful.
NOTE Confidence: 0.9856262
00:05:24.975 --> 00:05:26.335 That was launched in two
NOTE Confidence: 0.9856262
00:05:26.335 --> 00:05:27.315 thousand and six,
NOTE Confidence: 0.99833983
00:05:27.695 --> 00:05:29.154 and it's become an international
NOTE Confidence: 0.98946124
00:05:29.695 --> 00:05:30.975 model for how you the
NOTE Confidence: 0.98946124

00:05:30.975 --> 00:05:32.654 arts and health programming can
NOTE Confidence: 0.98946124

00:05:32.654 --> 00:05:33.395 come together
NOTE Confidence: 0.9758301

00:05:33.775 --> 00:05:34.735 and has earned a number
NOTE Confidence: 0.9758301

00:05:34.735 --> 00:05:36.675 of awards around the country
NOTE Confidence: 0.9758301

00:05:36.910 --> 00:05:38.930 for exactly that, the interface
NOTE Confidence: 0.9758301

00:05:38.990 --> 00:05:40.370 of art and health.
NOTE Confidence: 0.9541829

00:05:41.230 --> 00:05:42.050 And then currently,
NOTE Confidence: 0.9644847

00:05:42.510 --> 00:05:44.350 this is very, very great
NOTE Confidence: 0.9644847

00:05:44.350 --> 00:05:46.110 for us. You're championing the
NOTE Confidence: 0.9644847

00:05:46.110 --> 00:05:47.570 role of museums in adolescent
NOTE Confidence: 0.9644847

00:05:47.630 --> 00:05:48.450 mental health
NOTE Confidence: 0.9984654

00:05:49.245 --> 00:05:51.485 and investigating how targeted museum
NOTE Confidence: 0.9984654

00:05:51.485 --> 00:05:52.385 based interventions
NOTE Confidence: 1

00:05:52.765 --> 00:05:54.065 can offer support
NOTE Confidence: 0.9914202

00:05:54.365 --> 00:05:56.205 for adolescents in this critical
NOTE Confidence: 0.9914202

00:05:56.205 --> 00:05:57.425 developmental period.

NOTE Confidence: 0.9684041
00:05:57.965 --> 00:05:59.005 You may not know that
NOTE Confidence: 0.9684041
00:05:59.005 --> 00:06:00.925 MoMA actually has a long
NOTE Confidence: 0.9684041
00:06:00.925 --> 00:06:01.985 standing partnership
NOTE Confidence: 0.953342
00:06:02.520 --> 00:06:03.800 with New York City and
NOTE Confidence: 0.953342
00:06:03.800 --> 00:06:05.419 the district seventy five
NOTE Confidence: 0.9428817
00:06:05.800 --> 00:06:07.900 where they teach resident artist
NOTE Confidence: 0.9428817
00:06:07.960 --> 00:06:09.080 how to work with children
NOTE Confidence: 0.9428817
00:06:09.080 --> 00:06:11.180 and develop programs for children,
NOTE Confidence: 0.9428817
00:06:11.479 --> 00:06:13.560 children at all developmental ages,
NOTE Confidence: 0.9428817
00:06:13.560 --> 00:06:14.539 those with neurodevelopmental
NOTE Confidence: 0.97770184
00:06:15.240 --> 00:06:17.625 disabilities, but across across the
NOTE Confidence: 0.97770184
00:06:17.625 --> 00:06:18.125 developmental
NOTE Confidence: 0.9679393
00:06:20.504 --> 00:06:21.625 spectrum. So I'm really gonna
NOTE Confidence: 0.9679393
00:06:21.625 --> 00:06:23.065 give you the chance to
NOTE Confidence: 0.9679393
00:06:23.065 --> 00:06:24.664 to hear from Francesca just
NOTE Confidence: 0.9679393

00:06:24.664 --> 00:06:25.784 to say that it is
NOTE Confidence: 0.9679393

00:06:25.784 --> 00:06:27.384 been my pleasure and honor
NOTE Confidence: 0.9679393

00:06:27.384 --> 00:06:28.185 to have you as a
NOTE Confidence: 0.9679393

00:06:28.185 --> 00:06:29.384 colleague. And I hope this
NOTE Confidence: 0.9679393

00:06:29.384 --> 00:06:30.525 is just the beginning,
NOTE Confidence: 0.9536133

00:06:31.410 --> 00:06:32.150 the continuation
NOTE Confidence: 0.9986328

00:06:32.770 --> 00:06:34.370 of our partnership. So thank
NOTE Confidence: 0.9986328

00:06:34.370 --> 00:06:35.590 you so much for coming.
NOTE Confidence: 0.9980469

00:06:43.535 --> 00:06:44.035 Thank
NOTE Confidence: 0.9535551

00:06:44.574 --> 00:06:46.275 you, Andres. Thank you, Linda.
NOTE Confidence: 0.9535551

00:06:46.495 --> 00:06:47.315 So great,
NOTE Confidence: 0.99728733

00:06:48.255 --> 00:06:49.695 to be here today with
NOTE Confidence: 0.99728733

00:06:49.695 --> 00:06:51.154 all of you and,
NOTE Confidence: 0.99930245

00:06:52.014 --> 00:06:54.435 all of the attendees online
NOTE Confidence: 0.99930245

00:06:54.495 --> 00:06:55.235 as well.
NOTE Confidence: 0.9941406

00:06:57.040 --> 00:06:57.520 I

NOTE Confidence: 0.9821214

00:06:58.000 --> 00:06:59.040 as Linda said, I'm the

NOTE Confidence: 0.9821214

00:06:59.040 --> 00:07:00.800 director of access programs and

NOTE Confidence: 0.9821214

00:07:00.800 --> 00:07:02.180 initiatives at MoMA.

NOTE Confidence: 0.93847656

00:07:02.800 --> 00:07:03.700 And today,

NOTE Confidence: 0.97509766

00:07:04.080 --> 00:07:05.760 I'm here to talk about

NOTE Confidence: 0.97509766

00:07:05.760 --> 00:07:08.100 why art and the institutions

NOTE Confidence: 0.97509766

00:07:08.240 --> 00:07:09.555 that hold it have an

NOTE Confidence: 0.97509766

00:07:09.955 --> 00:07:10.455 unexpected

NOTE Confidence: 0.9930827

00:07:11.155 --> 00:07:13.095 and urgent role to play

NOTE Confidence: 0.9930827

00:07:13.395 --> 00:07:14.995 in how we connect with

NOTE Confidence: 0.9930827

00:07:14.995 --> 00:07:15.735 each other.

NOTE Confidence: 0.99253625

00:07:16.595 --> 00:07:17.895 This sits at the intersection

NOTE Confidence: 0.99253625

00:07:18.035 --> 00:07:18.775 of art,

NOTE Confidence: 0.96655273

00:07:19.155 --> 00:07:19.655 health,

NOTE Confidence: 0.98068035

00:07:20.514 --> 00:07:22.210 and human connection. And it's

NOTE Confidence: 0.98068035

00:07:22.210 --> 00:07:24.290 also the reason museums like
NOTE Confidence: 0.98068035

00:07:24.290 --> 00:07:26.710 MoMA are increasingly finding ourselves
NOTE Confidence: 0.9996745

00:07:27.169 --> 00:07:28.130 in the middle of a
NOTE Confidence: 0.9996745

00:07:28.130 --> 00:07:30.050 public health conversation we didn't
NOTE Confidence: 0.9996745

00:07:30.050 --> 00:07:32.150 expect to be part of.
NOTE Confidence: 0.9995117

00:07:32.930 --> 00:07:33.990 So before
NOTE Confidence: 0.99545896

00:07:35.415 --> 00:07:36.695 any of that, though, I
NOTE Confidence: 0.99545896

00:07:36.695 --> 00:07:37.915 want to show you something,
NOTE Confidence: 0.98254395

00:07:38.775 --> 00:07:40.235 that a child made.
NOTE Confidence: 0.99658203

00:07:40.855 --> 00:07:41.915 This is a sketchbook
NOTE Confidence: 0.98964846

00:07:42.455 --> 00:07:44.135 page made by a student.
NOTE Confidence: 0.98964846

00:07:44.135 --> 00:07:45.255 As Linda said, we work
NOTE Confidence: 0.98964846

00:07:45.255 --> 00:07:47.270 with district seventy five, and
NOTE Confidence: 0.98964846

00:07:47.270 --> 00:07:49.590 that's the city's network of,
NOTE Confidence: 0.99986047

00:07:50.070 --> 00:07:51.750 specialized schools and classes for
NOTE Confidence: 0.99986047

00:07:51.750 --> 00:07:52.650 students with

NOTE Confidence: 0.99872506
00:07:53.030 --> 00:07:55.290 disabilities across all five boroughs
NOTE Confidence: 0.99872506
00:07:55.350 --> 00:07:56.410 of New York City.
NOTE Confidence: 0.9970703
00:07:57.110 --> 00:07:58.730 We gave the students a
NOTE Confidence: 0.9581581
00:07:59.164 --> 00:08:00.444 simple prompt as you see
NOTE Confidence: 0.9581581
00:08:00.444 --> 00:08:01.884 at the top. Think of
NOTE Confidence: 0.9581581
00:08:01.884 --> 00:08:03.185 your greatest strength.
NOTE Confidence: 0.99869794
00:08:03.645 --> 00:08:05.104 Draw that trait.
NOTE Confidence: 0.99975586
00:08:06.205 --> 00:08:08.145 And this child drew
NOTE Confidence: 0.9995117
00:08:08.525 --> 00:08:09.345 their dad
NOTE Confidence: 0.96191406
00:08:10.525 --> 00:08:11.164 and wrote
NOTE Confidence: 0.986145
00:08:12.449 --> 00:08:13.729 now I'm getting choked up
NOTE Confidence: 0.986145
00:08:13.729 --> 00:08:14.630 about my dad.
NOTE Confidence: 0.97094727
00:08:15.970 --> 00:08:17.270 I didn't expect that.
NOTE Confidence: 0.9622803
00:08:18.449 --> 00:08:20.530 Wrote, my dad makes me
NOTE Confidence: 0.9622803
00:08:20.530 --> 00:08:22.870 happy. My greatest strength is
NOTE Confidence: 0.9992676

00:08:23.490 --> 00:08:24.550 my dad.
NOTE Confidence: 0.99902344

00:08:26.025 --> 00:08:26.525 So,
NOTE Confidence: 0.982308

00:08:27.785 --> 00:08:28.985 I've shown this drawing to
NOTE Confidence: 0.982308

00:08:28.985 --> 00:08:29.865 a lot of people, and
NOTE Confidence: 0.982308

00:08:29.865 --> 00:08:31.645 it stops them every time.
NOTE Confidence: 0.9799154

00:08:32.184 --> 00:08:34.125 Because this child didn't identify
NOTE Confidence: 0.9799154

00:08:34.425 --> 00:08:36.445 a skill or a talent
NOTE Confidence: 0.9799154

00:08:36.585 --> 00:08:38.845 or something they could do.
NOTE Confidence: 0.9995117

00:08:40.040 --> 00:08:40.939 They identified
NOTE Confidence: 0.9995117

00:08:41.319 --> 00:08:42.139 a relationship,
NOTE Confidence: 1

00:08:42.600 --> 00:08:43.420 a connection
NOTE Confidence: 0.890625

00:08:44.199 --> 00:08:45.259 as their greatest
NOTE Confidence: 0.91796875

00:08:45.800 --> 00:08:46.300 strength.
NOTE Confidence: 0.9875488

00:08:47.240 --> 00:08:48.519 And that is the whole
NOTE Confidence: 0.9875488

00:08:48.519 --> 00:08:50.860 message of my talk drawn
NOTE Confidence: 0.9875488

00:08:50.920 --> 00:08:51.660 in pencil

NOTE Confidence: 0.9992327

00:08:52.279 --> 00:08:53.480 by a student in New

NOTE Confidence: 0.9992327

00:08:53.480 --> 00:08:54.220 York City.

NOTE Confidence: 0.9987793

00:08:56.795 --> 00:08:58.394 The child was telling us

NOTE Confidence: 0.9987793

00:08:58.394 --> 00:09:00.735 something about what human beings

NOTE Confidence: 0.9987793

00:09:00.875 --> 00:09:01.855 actually need,

NOTE Confidence: 1

00:09:02.475 --> 00:09:04.235 and it turns out that

NOTE Confidence: 1

00:09:04.235 --> 00:09:04.894 the data

NOTE Confidence: 1

00:09:05.434 --> 00:09:05.934 agrees.

NOTE Confidence: 0.9996338

00:09:11.170 --> 00:09:12.870 In twenty twenty three,

NOTE Confidence: 0.9779785

00:09:14.050 --> 00:09:16.209 the US surgeon general, doctor

NOTE Confidence: 0.9779785

00:09:16.209 --> 00:09:18.550 Vivek Murthy, did something unusual.

NOTE Confidence: 1

00:09:19.490 --> 00:09:21.750 He issued a formal advisory

NOTE Confidence: 0.97753906

00:09:22.290 --> 00:09:23.429 declaring loneliness

NOTE Confidence: 0.94647217

00:09:23.809 --> 00:09:25.565 a public health crisis,

NOTE Confidence: 0.96824545

00:09:26.184 --> 00:09:28.285 not an unpleasant personal feeling,

NOTE Confidence: 0.96824545

00:09:28.425 --> 00:09:30.205 but a condition with measurable
NOTE Confidence: 0.96824545

00:09:30.505 --> 00:09:33.165 dangerous consequences for physical health.
NOTE Confidence: 0.99954927

00:09:34.265 --> 00:09:35.865 He did this because more
NOTE Confidence: 0.99954927

00:09:35.865 --> 00:09:37.705 than half of American adults
NOTE Confidence: 0.99954927

00:09:37.705 --> 00:09:39.725 report meaningful loneliness
NOTE Confidence: 0.9988839

00:09:40.890 --> 00:09:42.490 because the health impact of
NOTE Confidence: 0.9988839

00:09:42.490 --> 00:09:43.149 that loneliness
NOTE Confidence: 0.9975586

00:09:43.450 --> 00:09:44.589 across cardiovascular
NOTE Confidence: 0.98339844

00:09:45.210 --> 00:09:47.610 disease, stroke, depression, dementia is
NOTE Confidence: 0.98339844

00:09:47.610 --> 00:09:48.830 equivalent to smoking
NOTE Confidence: 0.93029785

00:09:49.450 --> 00:09:51.149 fifteen cigarettes a day.
NOTE Confidence: 0.9962891

00:09:52.025 --> 00:09:53.465 And because the problem is
NOTE Confidence: 0.9962891

00:09:53.465 --> 00:09:55.804 not concentrated in one demographic.
NOTE Confidence: 1

00:09:56.825 --> 00:09:57.565 It touches
NOTE Confidence: 0.99993896

00:09:58.184 --> 00:10:00.205 every age group, every region,
NOTE Confidence: 0.99993896

00:10:00.345 --> 00:10:01.804 every income bracket.

NOTE Confidence: 0.9987793
00:10:02.345 --> 00:10:03.785 This is not a small
NOTE Confidence: 0.9987793
00:10:03.785 --> 00:10:04.285 problem.
NOTE Confidence: 0.98183596
00:10:04.745 --> 00:10:07.245 It's a quiet structural crisis.
NOTE Confidence: 0.8650716
00:10:10.720 --> 00:10:12.179 Carl Jung said,
NOTE Confidence: 0.9956733
00:10:12.639 --> 00:10:14.339 loneliness is not the absence
NOTE Confidence: 0.9956733
00:10:14.559 --> 00:10:16.639 of people. Loneliness is the
NOTE Confidence: 0.9956733
00:10:16.639 --> 00:10:19.059 inability to express what matters
NOTE Confidence: 0.9956733
00:10:19.120 --> 00:10:20.100 to you most.
NOTE Confidence: 0.97233075
00:10:21.985 --> 00:10:24.225 What he's just describing isn't
NOTE Confidence: 0.97233075
00:10:24.225 --> 00:10:24.725 isolation.
NOTE Confidence: 0.99472654
00:10:25.985 --> 00:10:27.605 It's a failure of expression,
NOTE Confidence: 0.9850464
00:10:27.985 --> 00:10:29.845 a failure of meaning making
NOTE Confidence: 0.9850464
00:10:29.904 --> 00:10:31.345 in the company of others,
NOTE Confidence: 0.9850464
00:10:31.345 --> 00:10:33.045 and that, it turns out,
NOTE Confidence: 0.9850464
00:10:33.184 --> 00:10:35.365 is exactly the condition art
NOTE Confidence: 1

00:10:35.730 --> 00:10:36.790 can be designed
NOTE Confidence: 0.99902344

00:10:37.170 --> 00:10:37.910 to address.
NOTE Confidence: 0.943457

00:10:40.850 --> 00:10:42.470 Before we go any further,
NOTE Confidence: 0.99104816

00:10:43.490 --> 00:10:44.690 I just wanna draw a
NOTE Confidence: 0.99104816

00:10:44.690 --> 00:10:45.190 distinction
NOTE Confidence: 0.99658203

00:10:45.570 --> 00:10:46.529 that I think is quite
NOTE Confidence: 0.99658203

00:10:46.529 --> 00:10:47.029 important
NOTE Confidence: 0.9916992

00:10:47.649 --> 00:10:49.910 between loneliness and social isolation
NOTE Confidence: 0.94645184

00:10:50.235 --> 00:10:52.075 cause they're very often used
NOTE Confidence: 0.94645184

00:10:52.075 --> 00:10:52.575 interchangeably
NOTE Confidence: 0.94326174

00:10:52.954 --> 00:10:54.575 and they're quite different things.
NOTE Confidence: 0.99902344

00:10:55.995 --> 00:10:57.934 Social isolation is objective.
NOTE Confidence: 0.9998372

00:10:58.394 --> 00:10:59.834 It's the count of your
NOTE Confidence: 0.9998372

00:10:59.834 --> 00:11:00.334 relationships
NOTE Confidence: 0.968192

00:11:00.714 --> 00:11:02.154 and contacts, and you can
NOTE Confidence: 0.968192

00:11:02.154 --> 00:11:03.054 measure it.

NOTE Confidence: 0.99869794
00:11:03.630 --> 00:11:05.410 Loneliness is subjective.
NOTE Confidence: 0.99958146
00:11:06.270 --> 00:11:08.270 It's the felt gap between
NOTE Confidence: 0.99958146
00:11:08.270 --> 00:11:09.870 the connection you have and
NOTE Confidence: 0.99958146
00:11:09.870 --> 00:11:11.410 the connection you want.
NOTE Confidence: 0.98826444
00:11:12.429 --> 00:11:13.970 You can be socially isolated
NOTE Confidence: 0.98826444
00:11:14.110 --> 00:11:15.790 and not feel lonely, and
NOTE Confidence: 0.98826444
00:11:15.790 --> 00:11:17.765 this is the crucial part.
NOTE Confidence: 0.98826444
00:11:17.905 --> 00:11:19.505 You can be surrounded by
NOTE Confidence: 0.98826444
00:11:19.505 --> 00:11:20.804 lots and lots of people
NOTE Confidence: 0.98826444
00:11:21.025 --> 00:11:22.645 and still feel profoundly
NOTE Confidence: 1
00:11:23.105 --> 00:11:23.605 lonely.
NOTE Confidence: 0.949173
00:11:24.705 --> 00:11:26.465 Young's definition lines up with
NOTE Confidence: 0.949173
00:11:26.465 --> 00:11:27.445 the second one.
NOTE Confidence: 0.9842285
00:11:27.905 --> 00:11:29.684 Not the absence of company,
NOTE Confidence: 0.9934082
00:11:30.065 --> 00:11:31.684 the absence of meaningful
NOTE Confidence: 0.9966947

00:11:36.920 --> 00:11:39.259 expression. When the surgeon general

NOTE Confidence: 0.9966947

00:11:39.320 --> 00:11:41.240 published the twenty twenty three

NOTE Confidence: 0.9966947

00:11:41.240 --> 00:11:43.259 advisory, two demographic

NOTE Confidence: 0.989936

00:11:43.559 --> 00:11:45.000 groups stood out for the

NOTE Confidence: 0.989936

00:11:45.000 --> 00:11:46.300 highest rates of loneliness,

NOTE Confidence: 1

00:11:47.155 --> 00:11:48.054 older adults

NOTE Confidence: 0.9489746

00:11:48.434 --> 00:11:49.255 and teenagers.

NOTE Confidence: 0.99958146

00:11:50.275 --> 00:11:52.434 The single loneliness age on

NOTE Confidence: 0.99958146

00:11:52.434 --> 00:11:53.495 record is

NOTE Confidence: 0.77905273

00:11:54.515 --> 00:11:55.015 nineteen.

NOTE Confidence: 0.96655273

00:11:56.434 --> 00:11:58.434 Adolescence on the cusp of

NOTE Confidence: 0.96655273

00:11:58.434 --> 00:11:58.934 adulthood.

NOTE Confidence: 0.9973958

00:12:00.260 --> 00:12:01.400 Young adults today

NOTE Confidence: 0.99975586

00:12:01.860 --> 00:12:03.380 are nearly twice as likely

NOTE Confidence: 0.99975586

00:12:03.380 --> 00:12:04.920 to report feeling

NOTE Confidence: 1

00:12:05.540 --> 00:12:06.040 lonely

NOTE Confidence: 0.99923575

00:12:06.660 --> 00:12:08.760 as adults over sixty five.

NOTE Confidence: 0.99923575

00:12:09.059 --> 00:12:10.840 The rate of loneliness among

NOTE Confidence: 0.99923575

00:12:10.980 --> 00:12:12.835 young adults has risen every

NOTE Confidence: 0.99923575

00:12:12.835 --> 00:12:14.915 year between nineteen seventy six

NOTE Confidence: 0.99923575

00:12:14.915 --> 00:12:16.215 and twenty nineteen.

NOTE Confidence: 0.99523926

00:12:18.195 --> 00:12:19.554 And for the teenagers we

NOTE Confidence: 0.99523926

00:12:19.554 --> 00:12:20.835 work with at MoMA, the

NOTE Confidence: 0.99523926

00:12:20.835 --> 00:12:21.735 risk factors

NOTE Confidence: 0.99780273

00:12:22.355 --> 00:12:24.215 rarely occur in isolation.

NOTE Confidence: 0.99960935

00:12:25.709 --> 00:12:28.449 Disability, mental health conditions, financial

NOTE Confidence: 0.9807129

00:12:28.990 --> 00:12:29.490 insecurity,

NOTE Confidence: 0.9404297

00:12:29.870 --> 00:12:30.769 urban density,

NOTE Confidence: 0.9748535

00:12:32.110 --> 00:12:33.470 each of those on its

NOTE Confidence: 0.9748535

00:12:33.470 --> 00:12:33.970 own

NOTE Confidence: 0.9967448

00:12:34.350 --> 00:12:35.809 is a documented

NOTE Confidence: 1

00:12:36.189 --> 00:12:36.689 predictor
NOTE Confidence: 0.95927733

00:12:37.230 --> 00:12:39.410 of both isolation and loneliness.
NOTE Confidence: 0.99560547

00:12:40.015 --> 00:12:41.535 And together, they form a
NOTE Confidence: 0.99560547

00:12:41.535 --> 00:12:42.515 kind of stacked
NOTE Confidence: 1

00:12:43.214 --> 00:12:43.714 vulnerability
NOTE Confidence: 0.9988839

00:12:44.255 --> 00:12:46.115 that can be especially difficult
NOTE Confidence: 0.9988839

00:12:46.334 --> 00:12:46.995 to navigate.
NOTE Confidence: 1

00:12:48.654 --> 00:12:49.875 So that's the difficult
NOTE Confidence: 0.9483846

00:12:50.255 --> 00:12:51.795 half of the picture. And
NOTE Confidence: 0.9483846

00:12:51.855 --> 00:12:53.054 many of you, I know,
NOTE Confidence: 0.9483846

00:12:53.054 --> 00:12:53.714 are clinicians,
NOTE Confidence: 0.9210612

00:12:54.015 --> 00:12:55.235 and you are
NOTE Confidence: 1

00:12:55.750 --> 00:12:56.970 all too familiar
NOTE Confidence: 0.9901123

00:12:57.430 --> 00:12:58.090 with this.
NOTE Confidence: 0.96849227

00:12:58.710 --> 00:12:59.750 So I'm not going to
NOTE Confidence: 0.96849227

00:12:59.750 --> 00:13:01.270 dwell on it. I'm here

NOTE Confidence: 0.96849227

00:13:01.270 --> 00:13:03.290 to talk about what role

NOTE Confidence: 0.96849227

00:13:03.510 --> 00:13:04.890 art can play.

NOTE Confidence: 0.9934082

00:13:05.910 --> 00:13:07.270 And the photograph in this

NOTE Confidence: 0.9934082

00:13:07.270 --> 00:13:07.770 slide,

NOTE Confidence: 0.9619751

00:13:08.630 --> 00:13:10.230 is from a program called

NOTE Confidence: 0.9619751

00:13:10.230 --> 00:13:11.370 Act Your Age,

NOTE Confidence: 0.96993583

00:13:12.065 --> 00:13:13.365 that we did at MoMA

NOTE Confidence: 0.96993583

00:13:13.505 --> 00:13:15.285 where we paired older adults

NOTE Confidence: 0.96993583

00:13:15.345 --> 00:13:17.765 and teenagers in weekly photography

NOTE Confidence: 0.96993583

00:13:17.825 --> 00:13:20.225 classes to investigate perceptions of

NOTE Confidence: 0.96993583

00:13:20.225 --> 00:13:20.725 age,

NOTE Confidence: 0.9996745

00:13:21.105 --> 00:13:22.385 and it's one of several

NOTE Confidence: 0.9996745

00:13:22.385 --> 00:13:22.885 intergenerational

NOTE Confidence: 0.9998372

00:13:23.425 --> 00:13:25.184 programs we've offered over the

NOTE Confidence: 0.9998372

00:13:25.184 --> 00:13:25.684 years.

NOTE Confidence: 0.9048665

00:13:29.730 --> 00:13:32.290 Surgeon general Murphy put it
NOTE Confidence: 0.9048665

00:13:32.290 --> 00:13:32.790 plainly.
NOTE Confidence: 0.99956596

00:13:33.250 --> 00:13:35.350 Social connection is as essential
NOTE Confidence: 0.99956596

00:13:35.410 --> 00:13:37.029 to survival as food,
NOTE Confidence: 0.94662476

00:13:37.569 --> 00:13:39.649 water, and shelter. And it's
NOTE Confidence: 0.94662476

00:13:39.649 --> 00:13:40.470 not a metaphor.
NOTE Confidence: 0.99902344

00:13:41.089 --> 00:13:41.990 That's physiology.
NOTE Confidence: 0.99857587

00:13:42.905 --> 00:13:44.345 And if that's true, then
NOTE Confidence: 0.99857587

00:13:44.345 --> 00:13:46.265 the institutions that help people
NOTE Confidence: 0.99857587

00:13:46.265 --> 00:13:47.245 connect meaningfully
NOTE Confidence: 0.9433594

00:13:47.945 --> 00:13:49.005 are not a luxury.
NOTE Confidence: 0.939209

00:13:49.625 --> 00:13:50.525 They're infrastructure.
NOTE Confidence: 0.99782985

00:13:51.545 --> 00:13:53.325 And I'd argue that museums
NOTE Confidence: 0.99782985

00:13:53.465 --> 00:13:54.684 sit in that category
NOTE Confidence: 0.96298826

00:13:55.065 --> 00:13:57.645 doing real public health work.
NOTE Confidence: 0.99243164

00:13:59.960 --> 00:14:01.820 The surgeon general's framework

NOTE Confidence: 0.99902344

00:14:02.360 --> 00:14:02.860 identifies

NOTE Confidence: 1

00:14:03.399 --> 00:14:04.300 three components

NOTE Confidence: 0.9995117

00:14:05.559 --> 00:14:06.220 of social

NOTE Confidence: 0.90419227

00:14:06.600 --> 00:14:08.200 connection that all need to

NOTE Confidence: 0.90419227

00:14:08.200 --> 00:14:08.860 be working.

NOTE Confidence: 0.9848633

00:14:09.800 --> 00:14:10.300 Structure,

NOTE Confidence: 0.9525879

00:14:10.679 --> 00:14:12.700 how many relationships you have,

NOTE Confidence: 0.9975142

00:14:13.035 --> 00:14:15.355 function, what those relationships do

NOTE Confidence: 0.9975142

00:14:15.355 --> 00:14:16.954 for you, whether they offer

NOTE Confidence: 0.9975142

00:14:16.954 --> 00:14:17.454 support,

NOTE Confidence: 0.9671224

00:14:18.154 --> 00:14:18.654 mentorship,

NOTE Confidence: 0.9995117

00:14:19.115 --> 00:14:19.615 recognition,

NOTE Confidence: 0.9977051

00:14:20.075 --> 00:14:21.454 a sense of being known,

NOTE Confidence: 0.99780273

00:14:22.235 --> 00:14:23.055 and quality,

NOTE Confidence: 1

00:14:23.595 --> 00:14:24.654 whether the interactions

NOTE Confidence: 0.9996338

00:14:25.035 --> 00:14:26.975 are positive or negative.
NOTE Confidence: 0.9863194

00:14:28.279 --> 00:14:30.199 Moments programs are especially good
NOTE Confidence: 0.9863194

00:14:30.199 --> 00:14:31.639 at the middle one. We
NOTE Confidence: 0.9863194

00:14:31.639 --> 00:14:33.160 don't fix the size of
NOTE Confidence: 0.9863194

00:14:33.160 --> 00:14:35.480 someone's social network. We create
NOTE Confidence: 0.9863194

00:14:35.480 --> 00:14:37.720 the conditions in which the
NOTE Confidence: 0.9863194

00:14:37.720 --> 00:14:39.259 interactions feel meaningful,
NOTE Confidence: 0.9994507

00:14:39.560 --> 00:14:41.319 where people can express what
NOTE Confidence: 0.9994507

00:14:41.319 --> 00:14:42.459 matters to them,
NOTE Confidence: 0.9890544

00:14:43.055 --> 00:14:44.255 which takes us back to
NOTE Confidence: 0.9890544

00:14:44.255 --> 00:14:44.755 young.
NOTE Confidence: 0.9975098

00:14:46.175 --> 00:14:47.454 Let me show you what
NOTE Confidence: 0.9975098

00:14:47.454 --> 00:14:49.154 this looks like in practice.
NOTE Confidence: 0.9815267

00:14:50.894 --> 00:14:52.894 MoMA reaches children across a
NOTE Confidence: 0.9815267

00:14:52.894 --> 00:14:54.515 wide range of programs,
NOTE Confidence: 1

00:14:54.940 --> 00:14:56.960 school visits, community partnerships,

NOTE Confidence: 0.9490967

00:14:57.340 --> 00:14:58.400 family programs.

NOTE Confidence: 0.9584961

00:14:58.940 --> 00:14:59.500 And this,

NOTE Confidence: 0.9732361

00:15:00.460 --> 00:15:02.380 photograph is from a program

NOTE Confidence: 0.9732361

00:15:02.380 --> 00:15:03.840 called Create Ability,

NOTE Confidence: 0.9562988

00:15:04.940 --> 00:15:05.440 which,

NOTE Confidence: 1

00:15:06.140 --> 00:15:06.960 just celebrated

NOTE Confidence: 0.9980469

00:15:07.420 --> 00:15:08.800 its twentieth anniversary.

NOTE Confidence: 1

00:15:09.735 --> 00:15:11.495 It's designed for children with

NOTE Confidence: 1

00:15:11.495 --> 00:15:12.795 intellectual and developmental

NOTE Confidence: 0.9941406

00:15:13.095 --> 00:15:14.695 disabilities and the families who

NOTE Confidence: 0.9941406

00:15:14.695 --> 00:15:15.675 come with them.

NOTE Confidence: 0.9398891

00:15:16.135 --> 00:15:18.475 And, my colleague Teresa Rodewald,

NOTE Confidence: 0.9398891

00:15:18.615 --> 00:15:20.135 who stepped out of the

NOTE Confidence: 0.9398891

00:15:20.135 --> 00:15:22.155 room, oversees this program

NOTE Confidence: 0.99560547

00:15:22.775 --> 00:15:23.515 very beautifully.

NOTE Confidence: 0.98671025

00:15:24.740 --> 00:15:26.180 It runs once a month,
NOTE Confidence: 0.98671025

00:15:26.180 --> 00:15:27.620 year after year, and it's
NOTE Confidence: 0.98671025

00:15:27.620 --> 00:15:30.020 structured around three things, looking
NOTE Confidence: 0.98671025

00:15:30.020 --> 00:15:31.860 at art, talking about art,
NOTE Confidence: 0.98671025

00:15:31.860 --> 00:15:33.320 and building community.
NOTE Confidence: 0.8558757

00:15:35.700 --> 00:15:37.700 Our our teaching artists designed
NOTE Confidence: 0.8558757

00:15:37.700 --> 00:15:39.615 these sessions deliver deliberately.
NOTE Confidence: 0.9991361

00:15:39.915 --> 00:15:41.195 The activities are built to
NOTE Confidence: 0.9991361

00:15:41.195 --> 00:15:42.895 help children find their voice,
NOTE Confidence: 0.9991361

00:15:42.955 --> 00:15:44.415 exercise self expression,
NOTE Confidence: 0.9996745

00:15:45.515 --> 00:15:46.815 and build confidence.
NOTE Confidence: 0.996804

00:15:48.635 --> 00:15:50.715 Some projects are individual, the
NOTE Confidence: 0.996804

00:15:50.715 --> 00:15:52.315 work of one mind, one
NOTE Confidence: 0.996804

00:15:52.315 --> 00:15:52.815 vision.
NOTE Confidence: 0.99934894

00:15:53.195 --> 00:15:54.335 Others are collaborative,
NOTE Confidence: 0.9921875

00:15:54.860 --> 00:15:56.960 the kind that exercise patience,

NOTE Confidence: 0.9949951

00:15:57.420 --> 00:15:59.520 listening, and the practical mechanics

NOTE Confidence: 0.9949951

00:15:59.580 --> 00:16:01.760 of working alongside someone else.

NOTE Confidence: 0.98168945

00:16:02.220 --> 00:16:03.040 Both matter.

NOTE Confidence: 0.9937744

00:16:03.420 --> 00:16:04.640 So do the developmental

NOTE Confidence: 0.96552736

00:16:05.100 --> 00:16:07.520 gains that come along quietly.

NOTE Confidence: 0.9921875

00:16:08.535 --> 00:16:09.835 Fine motor skills,

NOTE Confidence: 0.98657227

00:16:10.295 --> 00:16:11.515 hand eye coordination,

NOTE Confidence: 0.9947754

00:16:12.055 --> 00:16:13.835 the early steps of writing.

NOTE Confidence: 0.94740516

00:16:15.015 --> 00:16:16.395 But the heart of createability

NOTE Confidence: 0.94740516

00:16:16.695 --> 00:16:17.595 isn't curriculum.

NOTE Confidence: 0.9944824

00:16:18.214 --> 00:16:19.895 It's that the children leave

NOTE Confidence: 0.9944824

00:16:19.895 --> 00:16:21.675 more confident than they arrived

NOTE Confidence: 0.987023

00:16:22.160 --> 00:16:23.200 in a setting where the

NOTE Confidence: 0.987023

00:16:23.200 --> 00:16:25.120 only standard is the joy

NOTE Confidence: 0.987023

00:16:25.120 --> 00:16:26.500 of personal success,

NOTE Confidence: 0.999907

00:16:27.040 --> 00:16:28.640 and it looks different to
NOTE Confidence: 0.999907

00:16:28.640 --> 00:16:29.700 each attendee.
NOTE Confidence: 0.995497

00:16:34.080 --> 00:16:36.000 Children producing work in the
NOTE Confidence: 0.995497

00:16:36.000 --> 00:16:37.860 same galleries where Matisse
NOTE Confidence: 0.98721313

00:16:38.525 --> 00:16:40.225 paintings hang on the wall,
NOTE Confidence: 0.98721313

00:16:40.445 --> 00:16:41.905 that proximity matters.
NOTE Confidence: 0.9987793

00:16:42.285 --> 00:16:43.725 It signals to a child
NOTE Confidence: 0.9987793

00:16:43.725 --> 00:16:44.625 that their expression
NOTE Confidence: 0.99902344

00:16:45.245 --> 00:16:45.745 belongs
NOTE Confidence: 0.9914551

00:16:46.125 --> 00:16:47.185 here too.
NOTE Confidence: 0.9995931

00:16:48.845 --> 00:16:50.225 It's also intergenerational.
NOTE Confidence: 0.9981445

00:16:51.779 --> 00:16:53.140 When children and adults look
NOTE Confidence: 0.9981445

00:16:53.140 --> 00:16:54.600 at art together, the usual
NOTE Confidence: 0.9635417

00:16:55.140 --> 00:16:56.519 power dynamic shifts.
NOTE Confidence: 0.9980281

00:16:57.060 --> 00:16:58.500 The child becomes the one
NOTE Confidence: 0.9980281

00:16:58.500 --> 00:17:00.740 with insight. The adult becomes

NOTE Confidence: 0.9980281

00:17:00.740 --> 00:17:01.720 the one listening.

NOTE Confidence: 0.9968262

00:17:02.899 --> 00:17:04.040 We know intuitively

NOTE Confidence: 0.9373372

00:17:04.500 --> 00:17:05.559 that this matters.

NOTE Confidence: 0.998291

00:17:06.565 --> 00:17:08.325 And the evidence backs it

NOTE Confidence: 0.998291

00:17:08.325 --> 00:17:09.945 up at scale.

NOTE Confidence: 0.8137207

00:17:14.565 --> 00:17:15.625 How about that?

NOTE Confidence: 0.999783

00:17:17.525 --> 00:17:18.565 Sorry. I don't know why

NOTE Confidence: 0.999783

00:17:18.565 --> 00:17:19.705 that looks like that.

NOTE Confidence: 0.9948033

00:17:22.020 --> 00:17:23.580 Well, I'll tell you what

NOTE Confidence: 0.9948033

00:17:23.580 --> 00:17:24.460 it says.

NOTE Confidence: 0.9819336

00:17:24.900 --> 00:17:25.400 So

NOTE Confidence: 0.99121094

00:17:26.500 --> 00:17:27.000 the

NOTE Confidence: 0.9951172

00:17:28.100 --> 00:17:29.400 World Health Organization

NOTE Confidence: 0.98126775

00:17:29.780 --> 00:17:31.859 in twenty nineteen published a

NOTE Confidence: 0.98126775

00:17:31.859 --> 00:17:34.580 landmark scoping review asking what

NOTE Confidence: 0.98126775

00:17:34.580 --> 00:17:35.080 role
NOTE Confidence: 0.99902344

00:17:35.455 --> 00:17:37.135 the arts play in health
NOTE Confidence: 0.99902344

00:17:37.135 --> 00:17:37.875 and well-being.
NOTE Confidence: 1

00:17:38.895 --> 00:17:39.715 The findings
NOTE Confidence: 0.9998373

00:17:40.175 --> 00:17:41.234 were unambiguous.
NOTE Confidence: 0.9857003

00:17:41.695 --> 00:17:43.155 The arts do not just
NOTE Confidence: 0.9857003

00:17:43.215 --> 00:17:44.035 feel good.
NOTE Confidence: 0.9996745

00:17:44.415 --> 00:17:46.335 They have measurable effects across
NOTE Confidence: 0.9996745

00:17:46.335 --> 00:17:47.955 mental and physical health
NOTE Confidence: 0.98028564

00:17:48.335 --> 00:17:50.195 along two broad pathways.
NOTE Confidence: 0.9994141

00:17:51.929 --> 00:17:53.710 And this first slide shows
NOTE Confidence: 0.9905599

00:17:54.010 --> 00:17:55.549 pillar one, prevention
NOTE Confidence: 0.99316406

00:17:56.010 --> 00:17:56.750 and promotion.
NOTE Confidence: 0.9897461

00:17:57.770 --> 00:17:59.390 Arts engagement supports
NOTE Confidence: 0.9876709

00:18:00.250 --> 00:18:02.490 child development. It encourages healthy
NOTE Confidence: 0.9876709

00:18:02.490 --> 00:18:02.990 behavior.

NOTE Confidence: 0.9838304

00:18:03.784 --> 00:18:05.885 It provides protection for caregivers,

NOTE Confidence: 0.9838304

00:18:06.105 --> 00:18:08.265 the unsung population of every

NOTE Confidence: 0.9838304

00:18:08.265 --> 00:18:09.404 health care system

NOTE Confidence: 0.9729492

00:18:09.945 --> 00:18:12.044 against burnout and ill health.

NOTE Confidence: 0.9729492

00:18:12.184 --> 00:18:14.605 It influences the social determinants

NOTE Confidence: 0.99624634

00:18:15.065 --> 00:18:17.244 of health long before clinical

NOTE Confidence: 0.99624634

00:18:17.385 --> 00:18:18.845 interventions are needed.

NOTE Confidence: 0.99957275

00:18:20.109 --> 00:18:21.630 And the second pillar is

NOTE Confidence: 0.99957275

00:18:21.630 --> 00:18:23.090 management and treatment.

NOTE Confidence: 0.9907924

00:18:23.950 --> 00:18:26.190 Arts engagement supports people living

NOTE Confidence: 0.9907924

00:18:26.190 --> 00:18:26.929 with mental

NOTE Confidence: 0.8988037

00:18:27.230 --> 00:18:29.010 health issues with neurological

NOTE Confidence: 0.9953613

00:18:29.390 --> 00:18:30.130 and neurodevelopmental

NOTE Confidence: 1

00:18:31.070 --> 00:18:31.570 disorders

NOTE Confidence: 0.9611003

00:18:31.950 --> 00:18:33.790 with chronic disease and with

NOTE Confidence: 0.9611003

00:18:33.790 --> 00:18:35.010 end of life care.
NOTE Confidence: 0.9968262

00:18:35.765 --> 00:18:37.304 The World Health Organization
NOTE Confidence: 0.9587751

00:18:37.605 --> 00:18:39.205 frames the arts not as
NOTE Confidence: 0.9587751

00:18:39.205 --> 00:18:39.945 an ornament,
NOTE Confidence: 1

00:18:40.325 --> 00:18:41.845 but as a component of
NOTE Confidence: 1

00:18:41.845 --> 00:18:42.585 a functioning
NOTE Confidence: 1

00:18:42.965 --> 00:18:44.184 health system.
NOTE Confidence: 0.95585126

00:18:46.565 --> 00:18:48.085 So back to district seventy
NOTE Confidence: 0.95585126

00:18:48.085 --> 00:18:48.585 five.
NOTE Confidence: 0.9968262

00:18:49.170 --> 00:18:49.910 I opened,
NOTE Confidence: 0.9718628

00:18:50.610 --> 00:18:52.869 with that child's drawing,
NOTE Confidence: 0.98902804

00:18:53.410 --> 00:18:55.270 and that came out of
NOTE Confidence: 0.98902804

00:18:55.330 --> 00:18:57.910 a social emotional learning curriculum
NOTE Confidence: 0.98902804

00:18:58.050 --> 00:19:00.290 that MoMA developed with district
NOTE Confidence: 0.98902804

00:19:00.290 --> 00:19:00.945 seventy five.
NOTE Confidence: 0.93998885

00:19:01.505 --> 00:19:03.024 The work was led on

NOTE Confidence: 0.93998885

00:19:03.024 --> 00:19:04.465 our side by my colleague

NOTE Confidence: 0.93998885

00:19:04.465 --> 00:19:05.445 Lara Schweller,

NOTE Confidence: 0.96912265

00:19:06.065 --> 00:19:07.764 and on theirs by Amanda

NOTE Confidence: 0.96912265

00:19:07.984 --> 00:19:09.505 McPhee, who is the director

NOTE Confidence: 0.96912265

00:19:09.505 --> 00:19:11.345 of arts education and programs

NOTE Confidence: 0.96912265

00:19:11.345 --> 00:19:12.884 for district seventy five.

NOTE Confidence: 0.99726564

00:19:13.505 --> 00:19:15.605 The curriculum includes something called

NOTE Confidence: 0.9794922

00:19:16.580 --> 00:19:17.720 sketch a day.

NOTE Confidence: 0.99225724

00:19:18.100 --> 00:19:19.859 Each morning, students take out

NOTE Confidence: 0.99225724

00:19:19.859 --> 00:19:20.520 a sketchbook

NOTE Confidence: 0.98838973

00:19:20.820 --> 00:19:22.180 that we provide, and they

NOTE Confidence: 0.98838973

00:19:22.180 --> 00:19:23.960 discuss a drawing prompt.

NOTE Confidence: 0.9965376

00:19:24.740 --> 00:19:26.100 Then there are five to

NOTE Confidence: 0.9965376

00:19:26.100 --> 00:19:27.859 ten minutes of quiet drawing

NOTE Confidence: 0.9965376

00:19:27.859 --> 00:19:28.359 time.

NOTE Confidence: 0.9960589

00:19:29.325 --> 00:19:30.524 The prompts give them an
NOTE Confidence: 0.9960589

00:19:30.524 --> 00:19:32.445 entry point. Maybe a student
NOTE Confidence: 0.9960589

00:19:32.445 --> 00:19:33.585 had a rough morning.
NOTE Confidence: 0.9998372

00:19:33.885 --> 00:19:35.325 Maybe they're anxious about a
NOTE Confidence: 0.9998372

00:19:35.325 --> 00:19:37.024 class. Maybe they're excited.
NOTE Confidence: 0.999783

00:19:37.885 --> 00:19:38.924 The page is a way
NOTE Confidence: 0.999783

00:19:38.924 --> 00:19:39.984 to put that somewhere.
NOTE Confidence: 0.993042

00:19:41.005 --> 00:19:42.524 The first prompt that you
NOTE Confidence: 0.993042

00:19:42.524 --> 00:19:44.284 see here is simple. Who
NOTE Confidence: 0.993042

00:19:44.284 --> 00:19:44.790 am I?
NOTE Confidence: 0.9727173

00:19:45.350 --> 00:19:46.550 Students were asked to draw
NOTE Confidence: 0.9727173

00:19:46.550 --> 00:19:47.369 a self portrait.
NOTE Confidence: 0.9883728

00:19:47.910 --> 00:19:49.530 Not a pretty picture necessarily,
NOTE Confidence: 0.9883728

00:19:49.750 --> 00:19:50.730 but an answer.
NOTE Confidence: 0.97987765

00:19:52.630 --> 00:19:54.070 The next one is draw
NOTE Confidence: 0.97987765

00:19:54.070 --> 00:19:56.010 a confident or proud line.

NOTE Confidence: 0.97987765

00:19:56.150 --> 00:19:57.270 And here you see the

NOTE Confidence: 0.97987765

00:19:57.270 --> 00:19:59.130 student responded with bold

NOTE Confidence: 0.7270508

00:19:59.510 --> 00:20:00.010 green

NOTE Confidence: 0.94003016

00:20:00.595 --> 00:20:02.355 strokes filling the page and

NOTE Confidence: 0.94003016

00:20:02.355 --> 00:20:04.775 wrote, I drew proud confident

NOTE Confidence: 0.94003016

00:20:04.835 --> 00:20:05.335 lines.

NOTE Confidence: 0.9958602

00:20:06.195 --> 00:20:07.395 The student found a way

NOTE Confidence: 0.9958602

00:20:07.395 --> 00:20:09.255 to express something about themselves

NOTE Confidence: 0.9958602

00:20:09.315 --> 00:20:10.275 they may not have had

NOTE Confidence: 0.9958602

00:20:10.275 --> 00:20:12.435 words for. That's exactly what

NOTE Confidence: 0.9958602

00:20:12.435 --> 00:20:13.575 Young was describing.

NOTE Confidence: 0.9618408

00:20:15.659 --> 00:20:17.179 We asked when you're feeling

NOTE Confidence: 0.9618408

00:20:17.179 --> 00:20:19.179 sad, what's something that makes

NOTE Confidence: 0.9618408

00:20:19.179 --> 00:20:21.119 you feel better? Draw it.

NOTE Confidence: 0.9618408

00:20:21.340 --> 00:20:23.039 And here, the the student,

NOTE Confidence: 0.49951172

00:20:24.059 --> 00:20:24.559 Drew
NOTE Confidence: 0.91484374
00:20:25.419 --> 00:20:27.759 Drew himself listening to music.
NOTE Confidence: 0.99971515
00:20:30.025 --> 00:20:31.145 If you could be anything
NOTE Confidence: 0.99971515
00:20:31.145 --> 00:20:32.185 in the world, what would
NOTE Confidence: 0.99971515
00:20:32.185 --> 00:20:32.845 you be?
NOTE Confidence: 0.9824219
00:20:33.945 --> 00:20:35.405 And this student
NOTE Confidence: 0.94262695
00:20:35.865 --> 00:20:36.105 drew,
NOTE Confidence: 0.98567706
00:20:36.984 --> 00:20:38.585 the an astronaut on the
NOTE Confidence: 0.98567706
00:20:38.585 --> 00:20:39.085 moon.
NOTE Confidence: 0.9857701
00:20:41.570 --> 00:20:42.770 And the notes that you're
NOTE Confidence: 0.9857701
00:20:42.770 --> 00:20:43.750 seeing alongside
NOTE Confidence: 0.98453295
00:20:44.050 --> 00:20:45.890 these drawings are written by
NOTE Confidence: 0.98453295
00:20:45.890 --> 00:20:48.150 teachers capturing what the students
NOTE Confidence: 0.98453295
00:20:48.369 --> 00:20:50.450 said about their work, and
NOTE Confidence: 0.98453295
00:20:50.450 --> 00:20:51.190 the conversations
NOTE Confidence: 0.99956596
00:20:51.570 --> 00:20:53.570 between teacher and student are

NOTE Confidence: 0.99956596
00:20:53.570 --> 00:20:54.790 part of the design.
NOTE Confidence: 0.99986047
00:20:55.544 --> 00:20:57.325 They lead to better understanding
NOTE Confidence: 0.99986047
00:20:57.544 --> 00:20:58.284 each other.
NOTE Confidence: 0.9413175
00:21:00.345 --> 00:21:01.465 How do you ask for
NOTE Confidence: 0.9413175
00:21:01.465 --> 00:21:03.625 help? Dry yourself asking for
NOTE Confidence: 0.9413175
00:21:03.625 --> 00:21:04.125 help.
NOTE Confidence: 0.9878802
00:21:04.585 --> 00:21:06.105 And this one says, this
NOTE Confidence: 0.9878802
00:21:06.105 --> 00:21:07.544 is me falling off my
NOTE Confidence: 0.9878802
00:21:07.544 --> 00:21:09.565 scooter asking for help.
NOTE Confidence: 0.9995117
00:21:14.010 --> 00:21:14.830 Other revelations
NOTE Confidence: 0.9274495
00:21:16.170 --> 00:21:18.170 come of this activity too.
NOTE Confidence: 0.9274495
00:21:18.170 --> 00:21:18.670 Parents
NOTE Confidence: 0.9971788
00:21:19.130 --> 00:21:20.270 see these sketchbooks.
NOTE Confidence: 0.9908142
00:21:20.810 --> 00:21:22.330 One said, I had no
NOTE Confidence: 0.9908142
00:21:22.330 --> 00:21:23.630 idea my child
NOTE Confidence: 0.9995117

00:21:24.355 --> 00:21:25.095 felt this way.
NOTE Confidence: 0.99454755

00:21:25.875 --> 00:21:27.315 Another said, we're gonna keep
NOTE Confidence: 0.99454755

00:21:27.315 --> 00:21:28.914 working on this journal over
NOTE Confidence: 0.99454755

00:21:28.914 --> 00:21:29.575 the summer.
NOTE Confidence: 0.99853516

00:21:31.715 --> 00:21:33.734 The sketchbooks went on view
NOTE Confidence: 0.99520874

00:21:34.274 --> 00:21:35.715 at MoMA as part of
NOTE Confidence: 0.99520874

00:21:35.715 --> 00:21:36.934 a larger exhibition
NOTE Confidence: 0.9014648

00:21:37.234 --> 00:21:39.570 in our Cullman Education Center.
NOTE Confidence: 0.9986708

00:21:40.450 --> 00:21:42.130 There was joy and pride
NOTE Confidence: 0.9986708

00:21:42.130 --> 00:21:43.590 in the room as families,
NOTE Confidence: 0.9986708

00:21:43.889 --> 00:21:46.289 teachers, and students gathered to
NOTE Confidence: 0.9986708

00:21:46.289 --> 00:21:47.590 see their work.
NOTE Confidence: 0.98118895

00:21:48.450 --> 00:21:49.570 And now that Teresa is
NOTE Confidence: 0.98118895

00:21:49.570 --> 00:21:50.529 back in the room, I'm
NOTE Confidence: 0.98118895

00:21:50.529 --> 00:21:52.130 going to embarrass her and,
NOTE Confidence: 0.98118895

00:21:52.450 --> 00:21:54.950 just recognize Teresa for organizing

NOTE Confidence: 0.89018553
00:21:55.494 --> 00:21:57.355 this exhibition and the CreatAbility
NOTE Confidence: 0.9861857
00:21:57.734 --> 00:21:59.755 program and so many wonderful
NOTE Confidence: 0.9861857
00:21:59.975 --> 00:22:01.195 programs at MoMA.
NOTE Confidence: 0.95372176
00:22:05.255 --> 00:22:06.955 So that opening at MoMA
NOTE Confidence: 0.95372176
00:22:07.174 --> 00:22:08.875 with kids and parents
NOTE Confidence: 0.98477644
00:22:09.480 --> 00:22:11.500 and art teachers and homeroom
NOTE Confidence: 0.98477644
00:22:11.560 --> 00:22:12.920 teachers in a room together
NOTE Confidence: 0.98477644
00:22:12.920 --> 00:22:15.420 looking at, the children's work
NOTE Confidence: 0.9798584
00:22:15.800 --> 00:22:17.260 is what social connection
NOTE Confidence: 0.9900716
00:22:17.560 --> 00:22:18.920 looks like when you build
NOTE Confidence: 0.9900716
00:22:18.920 --> 00:22:20.920 the conditions for it. It's
NOTE Confidence: 0.9900716
00:22:20.920 --> 00:22:22.440 also a small version of
NOTE Confidence: 0.9900716
00:22:22.440 --> 00:22:24.359 something researchers have begun to
NOTE Confidence: 0.9900716
00:22:24.359 --> 00:22:25.575 measure at at scale.
NOTE Confidence: 0.9746704
00:22:26.994 --> 00:22:29.715 And last year, doctor Jill
NOTE Confidence: 0.9746704

00:22:29.715 --> 00:22:31.315 Sonke and her team at
NOTE Confidence: 0.9746704

00:22:31.315 --> 00:22:31.975 the University
NOTE Confidence: 0.9981864

00:22:32.355 --> 00:22:34.215 of Florida published a study
NOTE Confidence: 0.9981864

00:22:34.515 --> 00:22:35.415 of eighteen
NOTE Confidence: 0.9996745

00:22:35.795 --> 00:22:37.415 US communities that
NOTE Confidence: 0.9935608

00:22:37.869 --> 00:22:39.630 puts a framework around what
NOTE Confidence: 0.9935608

00:22:39.630 --> 00:22:40.690 we've been seeing.
NOTE Confidence: 0.9080462

00:22:42.190 --> 00:22:43.490 And here is the framework.
NOTE Confidence: 0.9080462

00:22:43.789 --> 00:22:45.869 Sankey and her colleagues working
NOTE Confidence: 0.9080462

00:22:45.869 --> 00:22:47.090 under the one nation,
NOTE Confidence: 0.96078724

00:22:47.710 --> 00:22:49.869 one project initiative propose a
NOTE Confidence: 0.96078724

00:22:49.869 --> 00:22:51.549 theory of change that runs
NOTE Confidence: 0.96078724

00:22:51.549 --> 00:22:52.529 in three steps.
NOTE Confidence: 0.85335284

00:22:53.635 --> 00:22:54.934 Arts participation builds
NOTE Confidence: 0.9951172

00:22:55.875 --> 00:22:56.375 social
NOTE Confidence: 0.9372907

00:22:56.675 --> 00:22:59.075 cohesion, and social cohesion in

NOTE Confidence: 0.9372907
00:22:59.075 --> 00:22:59.975 turn enhances
NOTE Confidence: 0.8726196
00:23:00.515 --> 00:23:01.015 well-being,
NOTE Confidence: 0.99853516
00:23:02.035 --> 00:23:03.975 mental, emotional, physical.
NOTE Confidence: 0.99833983
00:23:05.155 --> 00:23:06.855 It's not that art directly
NOTE Confidence: 0.97843426
00:23:07.640 --> 00:23:09.580 heals. It's that art creates
NOTE Confidence: 0.97843426
00:23:09.799 --> 00:23:11.340 the conditions for connection,
NOTE Confidence: 1
00:23:12.200 --> 00:23:13.799 and connection is what does
NOTE Confidence: 1
00:23:13.799 --> 00:23:14.460 the work.
NOTE Confidence: 0.99162596
00:23:14.840 --> 00:23:16.859 The middle step, social cohesion,
NOTE Confidence: 0.99162596
00:23:17.080 --> 00:23:19.100 is the load bearing piece.
NOTE Confidence: 0.9994629
00:23:20.865 --> 00:23:22.565 This wasn't a small pilot.
NOTE Confidence: 0.9994629
00:23:22.705 --> 00:23:24.645 The research was a three
NOTE Confidence: 0.8996582
00:23:25.185 --> 00:23:27.605 part, two year mixed methods
NOTE Confidence: 0.99902344
00:23:27.905 --> 00:23:28.405 study
NOTE Confidence: 0.9812012
00:23:28.785 --> 00:23:29.845 spanning eighteen
NOTE Confidence: 0.9995117

00:23:30.225 --> 00:23:31.045 US communities.
NOTE Confidence: 0.9983259

00:23:31.585 --> 00:23:33.800 It used surveys, focus groups,
NOTE Confidence: 0.9983259

00:23:33.800 --> 00:23:34.540 and participatory
NOTE Confidence: 0.9980469

00:23:35.080 --> 00:23:35.580 murals
NOTE Confidence: 0.9941406

00:23:36.200 --> 00:23:38.060 to ask whether arts participation
NOTE Confidence: 0.99890137

00:23:38.440 --> 00:23:40.200 actually moves the needle on
NOTE Confidence: 0.99890137

00:23:40.200 --> 00:23:41.420 connection and health
NOTE Confidence: 0.92057294

00:23:41.880 --> 00:23:43.800 and to test whether social
NOTE Confidence: 0.92057294

00:23:43.800 --> 00:23:44.300 prescribing,
NOTE Confidence: 0.9964425

00:23:45.145 --> 00:23:46.425 which is the practice of
NOTE Confidence: 0.9964425

00:23:46.425 --> 00:23:47.565 clinicians prescribing
NOTE Confidence: 0.9845581

00:23:47.945 --> 00:23:50.105 arts and cultural engagement the
NOTE Confidence: 0.9845581

00:23:50.105 --> 00:23:51.165 way they prescribe
NOTE Confidence: 0.99731445

00:23:51.545 --> 00:23:52.684 physical activity,
NOTE Confidence: 0.9980469

00:23:53.785 --> 00:23:55.725 is feasible in this country.
NOTE Confidence: 0.9930531

00:23:56.920 --> 00:23:58.680 What's striking is that the

NOTE Confidence: 0.9930531
00:23:58.680 --> 00:24:00.680 effects show up across the
NOTE Confidence: 0.9930531
00:24:00.680 --> 00:24:01.180 lifespan.
NOTE Confidence: 0.9723075
00:24:01.800 --> 00:24:03.560 Older adults who participate in
NOTE Confidence: 0.9723075
00:24:03.560 --> 00:24:04.140 the arts
NOTE Confidence: 0.9984809
00:24:04.600 --> 00:24:06.600 reported a forty eight percent
NOTE Confidence: 0.9984809
00:24:06.600 --> 00:24:08.060 lower risk of depression
NOTE Confidence: 0.99261475
00:24:08.520 --> 00:24:10.060 and a forty four percent
NOTE Confidence: 0.99261475
00:24:10.119 --> 00:24:11.500 reduction in dementia.
NOTE Confidence: 0.9980469
00:24:12.465 --> 00:24:13.924 Young adults who participated
NOTE Confidence: 0.99902344
00:24:14.225 --> 00:24:15.125 are more likely
NOTE Confidence: 0.9975586
00:24:15.505 --> 00:24:16.725 to stay in school.
NOTE Confidence: 0.98306274
00:24:17.585 --> 00:24:19.585 The mechanism doesn't care how
NOTE Confidence: 0.98306274
00:24:19.585 --> 00:24:20.804 old you are.
NOTE Confidence: 0.90493166
00:24:22.065 --> 00:24:23.605 And here's how the community
NOTE Confidence: 0.90493166
00:24:23.744 --> 00:24:25.940 members describe their own arts
NOTE Confidence: 0.8828125

00:24:28.639 --> 00:24:29.139 in
NOTE Confidence: 0.88878286

00:24:29.440 --> 00:24:29.600 the past seven days, which
NOTE Confidence: 0.88878286

00:24:29.600 --> 00:24:30.639 tells you that most people
NOTE Confidence: 0.88878286

00:24:30.639 --> 00:24:31.139 already
NOTE Confidence: 0.90775555

00:24:32.799 --> 00:24:34.580 are doing this in some
NOTE Confidence: 0.90775555

00:24:34.799 --> 00:24:35.299 form.
NOTE Confidence: 0.8703962

00:24:35.759 --> 00:24:38.000 Ninety six percent agreed that
NOTE Confidence: 0.8703962

00:24:38.000 --> 00:24:38.580 arts participation
NOTE Confidence: 0.9585449

00:24:39.279 --> 00:24:41.139 improves well-being in their community.
NOTE Confidence: 0.94992065

00:24:41.975 --> 00:24:43.895 Ninety two agreed that it
NOTE Confidence: 0.94992065

00:24:43.895 --> 00:24:45.275 builds social cohesion,
NOTE Confidence: 0.99604493

00:24:45.734 --> 00:24:47.435 and ninety said they would,
NOTE Confidence: 0.9996227

00:24:47.975 --> 00:24:49.655 like to participate more in
NOTE Confidence: 0.9996227

00:24:49.655 --> 00:24:51.335 the arts to improve their
NOTE Confidence: 0.9996227

00:24:51.335 --> 00:24:51.835 well-being.
NOTE Confidence: 0.9668457

00:24:53.494 --> 00:24:54.955 So if you read those,

NOTE Confidence: 0.99731445

00:24:55.600 --> 00:24:57.600 last three numbers together, you

NOTE Confidence: 0.99731445

00:24:57.600 --> 00:25:00.000 notice a near universal belief

NOTE Confidence: 0.99731445

00:25:00.000 --> 00:25:01.779 that the arts improve life

NOTE Confidence: 0.9361572

00:25:02.880 --> 00:25:04.340 paired with an unmet

NOTE Confidence: 0.9852702

00:25:04.640 --> 00:25:06.320 appetite to do more of

NOTE Confidence: 0.9852702

00:25:06.320 --> 00:25:06.820 it.

NOTE Confidence: 0.9720792

00:25:07.405 --> 00:25:08.945 And that is the demand

NOTE Confidence: 0.9720792

00:25:09.005 --> 00:25:10.845 k demand side case for

NOTE Confidence: 0.9720792

00:25:10.845 --> 00:25:11.345 institutions

NOTE Confidence: 0.9703369

00:25:11.645 --> 00:25:12.385 like MoMA

NOTE Confidence: 0.9732259

00:25:12.765 --> 00:25:14.285 and for partnerships like the

NOTE Confidence: 0.9732259

00:25:14.285 --> 00:25:15.744 one we have with district

NOTE Confidence: 0.9732259

00:25:15.805 --> 00:25:16.785 seventy five.

NOTE Confidence: 0.9973958

00:25:19.085 --> 00:25:21.265 This framework makes the mechanism

NOTE Confidence: 0.9973958

00:25:21.565 --> 00:25:22.065 explicit.

NOTE Confidence: 0.94506836

00:25:22.750 --> 00:25:23.570 Arts participation,
NOTE Confidence: 0.9971191

00:25:24.190 --> 00:25:26.210 especially when it includes cocreation,
NOTE Confidence: 0.99161786

00:25:27.309 --> 00:25:29.010 culture sharing, physicality,
NOTE Confidence: 0.9437256

00:25:29.470 --> 00:25:30.289 and inclusivity,
NOTE Confidence: 0.9213867

00:25:31.230 --> 00:25:33.570 builds social social cohesion,
NOTE Confidence: 0.973999

00:25:34.270 --> 00:25:35.809 which in turn enhances
NOTE Confidence: 0.88500977

00:25:36.109 --> 00:25:36.609 well-being,
NOTE Confidence: 0.99960935

00:25:37.425 --> 00:25:39.365 And this holds across populations.
NOTE Confidence: 0.9997396

00:25:41.025 --> 00:25:42.705 Before we get into what
NOTE Confidence: 0.9997396

00:25:42.705 --> 00:25:43.665 to do about it, I
NOTE Confidence: 0.9997396

00:25:43.665 --> 00:25:45.605 want to widen the lens
NOTE Confidence: 0.98753005

00:25:46.145 --> 00:25:48.385 beyond children because the same
NOTE Confidence: 0.98753005

00:25:48.385 --> 00:25:50.065 mechanism holds at the other
NOTE Confidence: 0.98753005

00:25:50.065 --> 00:25:51.365 end of life.
NOTE Confidence: 0.9996745

00:25:55.600 --> 00:25:56.580 The same conditions
NOTE Confidence: 0.9508754

00:25:56.960 --> 00:25:58.799 that helped district seventy five

NOTE Confidence: 0.9508754
00:25:58.799 --> 00:25:59.940 students' acceptance,
NOTE Confidence: 1
00:26:00.559 --> 00:26:01.539 shared experience,
NOTE Confidence: 0.9970703
00:26:02.000 --> 00:26:02.500 intellectual
NOTE Confidence: 0.99902344
00:26:02.880 --> 00:26:03.380 stimulation
NOTE Confidence: 0.97382814
00:26:04.159 --> 00:26:05.460 show up in our work
NOTE Confidence: 0.9975586
00:26:05.760 --> 00:26:06.980 with older adults.
NOTE Confidence: 0.8512234
00:26:08.755 --> 00:26:10.195 Meet me at MoMA is
NOTE Confidence: 0.8512234
00:26:10.195 --> 00:26:11.335 one of our flagship
NOTE Confidence: 0.95706177
00:26:12.115 --> 00:26:13.635 programs, and it was designed
NOTE Confidence: 0.95706177
00:26:13.635 --> 00:26:15.255 for people living with dementia
NOTE Confidence: 0.95706177
00:26:15.395 --> 00:26:17.015 and their care partners. And
NOTE Confidence: 0.95706177
00:26:17.155 --> 00:26:18.195 as Linda said, it has
NOTE Confidence: 0.95706177
00:26:18.195 --> 00:26:19.335 been running for decades.
NOTE Confidence: 0.99554443
00:26:19.795 --> 00:26:21.175 The premise is simple.
NOTE Confidence: 0.98700917
00:26:21.529 --> 00:26:23.630 The museum and the conversations
NOTE Confidence: 0.98700917

00:26:23.690 --> 00:26:25.529 we have around artwork are
NOTE Confidence: 0.98700917

00:26:25.529 --> 00:26:27.289 a forum for dialogue. And
NOTE Confidence: 0.98700917

00:26:27.289 --> 00:26:28.750 in this case, dialogue
NOTE Confidence: 0.9555664

00:26:29.289 --> 00:26:30.649 is the route to social
NOTE Confidence: 0.9555664

00:26:30.649 --> 00:26:31.149 connection.
NOTE Confidence: 0.97862023

00:26:32.090 --> 00:26:33.450 Since two thousand and six,
NOTE Confidence: 0.97862023

00:26:33.450 --> 00:26:34.409 we've worked with more than
NOTE Confidence: 0.97862023

00:26:34.409 --> 00:26:35.470 a hundred and fifty
NOTE Confidence: 0.98876953

00:26:48.380 --> 00:26:49.280 We have a facilitator
NOTE Confidence: 0.9970703

00:26:49.740 --> 00:26:50.940 here leading a group of
NOTE Confidence: 0.9970703

00:26:50.940 --> 00:26:52.400 older adults in conversation
NOTE Confidence: 0.99516106

00:26:53.100 --> 00:26:54.140 in front of that same
NOTE Confidence: 0.99516106

00:26:54.140 --> 00:26:55.580 Matisse. It's a very popular
NOTE Confidence: 0.99516106

00:26:55.580 --> 00:26:56.400 work of art.
NOTE Confidence: 0.9941101

00:26:57.980 --> 00:26:59.820 And we found that art
NOTE Confidence: 0.9941101

00:26:59.820 --> 00:27:00.825 is the right tool for

NOTE Confidence: 0.9941101
00:27:00.825 --> 00:27:02.424 this work because it doesn't
NOTE Confidence: 0.9941101
00:27:02.424 --> 00:27:02.924 require
NOTE Confidence: 0.9995117
00:27:03.544 --> 00:27:04.044 memory.
NOTE Confidence: 1
00:27:04.984 --> 00:27:05.484 Sometimes
NOTE Confidence: 0.9746094
00:27:05.945 --> 00:27:07.784 a painting taps into long
NOTE Confidence: 0.9746094
00:27:07.784 --> 00:27:08.605 term memory,
NOTE Confidence: 0.98583984
00:27:08.905 --> 00:27:09.804 but mostly
NOTE Confidence: 0.97888184
00:27:10.424 --> 00:27:12.205 the work is about being
NOTE Confidence: 0.97888184
00:27:12.345 --> 00:27:13.164 in the moment
NOTE Confidence: 0.9956868
00:27:14.080 --> 00:27:15.840 with other people and sharing
NOTE Confidence: 0.9956868
00:27:15.840 --> 00:27:16.340 observations
NOTE Confidence: 0.97680664
00:27:16.960 --> 00:27:17.780 and interpretations
NOTE Confidence: 0.99088544
00:27:18.400 --> 00:27:19.940 and making connections.
NOTE Confidence: 0.99869794
00:27:21.600 --> 00:27:22.820 We use techniques
NOTE Confidence: 0.96739364
00:27:23.200 --> 00:27:24.960 like turn and talk, pairing
NOTE Confidence: 0.96739364

00:27:24.960 --> 00:27:26.560 each participant with the person

NOTE Confidence: 0.96739364

00:27:26.560 --> 00:27:28.320 they came with and offering

NOTE Confidence: 0.96739364

00:27:28.320 --> 00:27:29.300 them a prompt.

NOTE Confidence: 0.96514213

00:27:30.135 --> 00:27:32.055 We build group poems out

NOTE Confidence: 0.96514213

00:27:32.055 --> 00:27:33.595 of one word responses.

NOTE Confidence: 0.98689777

00:27:35.575 --> 00:27:36.635 And guess what?

NOTE Confidence: 0.9975586

00:27:38.055 --> 00:27:39.095 I'm gonna try it with

NOTE Confidence: 0.9975586

00:27:39.095 --> 00:27:40.075 you right now.

NOTE Confidence: 0.8713379

00:27:41.895 --> 00:27:43.015 So I promise that this

NOTE Confidence: 0.8713379

00:27:43.015 --> 00:27:44.155 was gonna be interactive,

NOTE Confidence: 0.9548165

00:27:44.990 --> 00:27:46.530 and now is your chance.

NOTE Confidence: 0.9548165

00:27:46.590 --> 00:27:47.970 Now is your chance, both

NOTE Confidence: 0.9548165

00:27:48.190 --> 00:27:49.650 in person and online.

NOTE Confidence: 0.99768066

00:27:50.350 --> 00:27:51.730 So for anyone online,

NOTE Confidence: 0.99890137

00:27:53.150 --> 00:27:54.770 please look at this.

NOTE Confidence: 0.9951869

00:27:55.950 --> 00:27:57.310 You feel like you know

NOTE Confidence: 0.9951869
00:27:57.310 --> 00:27:57.950 this painting
NOTE Confidence: 0.88079834
00:27:59.015 --> 00:28:00.795 Thank you. But really
NOTE Confidence: 0.984375
00:28:01.095 --> 00:28:01.595 look
NOTE Confidence: 0.9955241
00:28:01.975 --> 00:28:02.955 at this painting.
NOTE Confidence: 0.96831053
00:28:03.815 --> 00:28:05.575 It's on every t shirt,
NOTE Confidence: 0.96831053
00:28:05.575 --> 00:28:08.155 every mouse pad, every mug.
NOTE Confidence: 0.9946289
00:28:08.535 --> 00:28:09.035 Right?
NOTE Confidence: 0.99316406
00:28:09.895 --> 00:28:10.395 But
NOTE Confidence: 0.94611466
00:28:10.695 --> 00:28:12.135 stop and really look at
NOTE Confidence: 0.94611466
00:28:12.135 --> 00:28:13.095 it, and that's what we
NOTE Confidence: 0.94611466
00:28:13.095 --> 00:28:14.235 do during the program.
NOTE Confidence: 0.9818585
00:28:15.230 --> 00:28:17.070 And then we do these
NOTE Confidence: 0.9818585
00:28:17.070 --> 00:28:18.670 kind of simple activities. So
NOTE Confidence: 0.9818585
00:28:18.670 --> 00:28:19.890 my simple activity,
NOTE Confidence: 0.9958496
00:28:20.270 --> 00:28:21.170 don't be scared,
NOTE Confidence: 0.9593395

00:28:21.630 --> 00:28:22.830 is all I'm gonna ask
NOTE Confidence: 0.9593395

00:28:22.830 --> 00:28:24.510 you is to say one
NOTE Confidence: 0.9593395

00:28:24.510 --> 00:28:25.010 word,
NOTE Confidence: 0.9906413

00:28:25.470 --> 00:28:26.910 one word that comes to
NOTE Confidence: 0.9906413

00:28:26.910 --> 00:28:28.350 mind when you look at
NOTE Confidence: 0.9906413

00:28:28.350 --> 00:28:29.090 this painting.
NOTE Confidence: 0.9910191

00:28:29.595 --> 00:28:30.554 And if you want to
NOTE Confidence: 0.9910191

00:28:30.554 --> 00:28:31.775 put it in the chat,
NOTE Confidence: 0.9910191

00:28:31.915 --> 00:28:33.294 if you're online, please
NOTE Confidence: 0.9833306

00:28:33.595 --> 00:28:35.115 do. And maybe we can
NOTE Confidence: 0.9833306

00:28:35.115 --> 00:28:35.835 read them out. And we
NOTE Confidence: 0.9833306

00:28:35.835 --> 00:28:36.794 can do we can make
NOTE Confidence: 0.9833306

00:28:36.794 --> 00:28:37.775 a group poem.
NOTE Confidence: 0.9941406

00:28:38.715 --> 00:28:39.375 Oh, sure.
NOTE Confidence: 0.9424316

00:28:40.794 --> 00:28:42.815 Like, two volunteers. Right? Yes.
NOTE Confidence: 0.87352157

00:28:43.429 --> 00:28:45.270 So Volunteers like doctor Stan

NOTE Confidence: 0.87352157
00:28:45.270 --> 00:28:45.770 Posik.
NOTE Confidence: 0.9790039
00:28:46.390 --> 00:28:46.890 Swirls.
NOTE Confidence: 0.991333
00:28:47.429 --> 00:28:47.929 Swirls.
NOTE Confidence: 0.9038086
00:28:50.789 --> 00:28:51.289 Illuminating.
NOTE Confidence: 0.8757324
00:28:58.915 --> 00:28:59.415 Home.
NOTE Confidence: 0.9145508
00:29:00.115 --> 00:29:00.615 Home?
NOTE Confidence: 0.8154297
00:29:01.315 --> 00:29:01.815 Oh.
NOTE Confidence: 0.9379883
00:29:04.115 --> 00:29:04.615 Melancholic?
NOTE Confidence: 0.9725342
00:29:05.635 --> 00:29:06.135 Melancholic?
NOTE Confidence: 0.9104004
00:29:06.995 --> 00:29:07.495 Oh.
NOTE Confidence: 0.9506836
00:29:09.235 --> 00:29:09.735 Movement.
NOTE Confidence: 0.92057294
00:29:10.195 --> 00:29:10.695 Movements.
NOTE Confidence: 0.8366699
00:29:16.309 --> 00:29:16.809 Colors.
NOTE Confidence: 0.931543
00:29:17.429 --> 00:29:19.850 I didn't hear. Colors? Colors.
NOTE Confidence: 0.7023112
00:29:23.429 --> 00:29:23.929 Staple.
NOTE Confidence: 0.85782874

00:29:25.525 --> 00:29:26.345 The steeple.
NOTE Confidence: 0.9789632

00:29:26.725 --> 00:29:28.405 The steeple. I'll read some
NOTE Confidence: 0.9789632

00:29:28.405 --> 00:29:28.905 online.
NOTE Confidence: 0.99560547

00:29:29.285 --> 00:29:30.265 We have light,
NOTE Confidence: 0.99902344

00:29:30.885 --> 00:29:31.385 calm,
NOTE Confidence: 0.9975586

00:29:31.925 --> 00:29:32.425 blue,
NOTE Confidence: 0.99902344

00:29:33.045 --> 00:29:33.545 brush,
NOTE Confidence: 0.99853516

00:29:34.245 --> 00:29:34.745 glow,
NOTE Confidence: 0.99902344

00:29:35.205 --> 00:29:35.705 movement,
NOTE Confidence: 0.9938965

00:29:36.645 --> 00:29:37.945 village, mystery,
NOTE Confidence: 0.99902344

00:29:38.325 --> 00:29:38.825 waves.
NOTE Confidence: 0.973053

00:29:39.910 --> 00:29:41.030 What was the last one?
NOTE Confidence: 0.973053

00:29:41.030 --> 00:29:42.490 Waves. Waves. Linda.
NOTE Confidence: 0.8547363

00:29:45.830 --> 00:29:46.330 Infinite.
NOTE Confidence: 0.9951172

00:29:48.550 --> 00:29:49.050 Stars.
NOTE Confidence: 0.9975586

00:29:49.990 --> 00:29:50.490 Stars.

NOTE Confidence: 0.99039716
00:29:53.505 --> 00:29:54.005 Breeze.
NOTE Confidence: 0.9305013
00:29:54.465 --> 00:29:54.965 Breeze?
NOTE Confidence: 0.98876953
00:29:56.625 --> 00:29:57.125 Village.
NOTE Confidence: 0.9970703
00:29:57.585 --> 00:29:58.085 Village.
NOTE Confidence: 0.9884033
00:29:59.265 --> 00:30:00.245 Gift shop.
NOTE Confidence: 0.99609375
00:30:03.825 --> 00:30:04.325 Yellow.
NOTE Confidence: 0.91064453
00:30:06.705 --> 00:30:07.205 Serenity.
NOTE Confidence: 0.9884208
00:30:08.480 --> 00:30:09.440 I didn't hear that last
NOTE Confidence: 0.9884208
00:30:09.440 --> 00:30:10.500 one. Serenity.
NOTE Confidence: 0.98583984
00:30:11.200 --> 00:30:11.700 Serenity.
NOTE Confidence: 0.99072266
00:30:14.160 --> 00:30:14.660 Sleep.
NOTE Confidence: 0.8330078
00:30:15.200 --> 00:30:15.700 Sleep.
NOTE Confidence: 0.9864909
00:30:19.760 --> 00:30:20.260 Spooky.
NOTE Confidence: 0.9944661
00:30:20.640 --> 00:30:21.140 Spooky.
NOTE Confidence: 0.9902344
00:30:23.395 --> 00:30:23.895 Ominous.
NOTE Confidence: 0.9987793

00:30:24.675 --> 00:30:25.175 Ominous.
NOTE Confidence: 0.8684082
00:30:26.675 --> 00:30:27.175 Quiet.
NOTE Confidence: 0.9995117
00:30:27.635 --> 00:30:28.135 Quiet.
NOTE Confidence: 0.99698895
00:30:29.555 --> 00:30:30.434 It's gonna be a long
NOTE Confidence: 0.99698895
00:30:30.434 --> 00:30:30.934 poem.
NOTE Confidence: 0.67407227
00:30:34.115 --> 00:30:34.615 Calm.
NOTE Confidence: 0.99609375
00:30:34.995 --> 00:30:35.495 Calm.
NOTE Confidence: 0.99609375
00:30:36.250 --> 00:30:36.750 Timeless.
NOTE Confidence: 0.9938151
00:30:37.690 --> 00:30:38.990 I didn't hear that one.
NOTE Confidence: 0.9938151
00:30:39.049 --> 00:30:39.549 Timeless.
NOTE Confidence: 0.9977214
00:30:40.090 --> 00:30:40.590 Timeless.
NOTE Confidence: 0.96899414
00:30:43.929 --> 00:30:44.429 Flow.
NOTE Confidence: 0.99316406
00:30:45.049 --> 00:30:45.549 Flow.
NOTE Confidence: 0.7800293
00:30:47.529 --> 00:30:48.029 Texture.
NOTE Confidence: 0.9916992
00:30:50.155 --> 00:30:50.655 Texture.
NOTE Confidence: 0.9921875
00:30:53.035 --> 00:30:53.535 Grass.

NOTE Confidence: 0.9764404
00:30:55.835 --> 00:30:57.135 Grass. Grass.
NOTE Confidence: 0.9941406
00:30:58.955 --> 00:30:59.455 Ocean.
NOTE Confidence: 0.9975586
00:31:00.635 --> 00:31:01.135 Ocean.
NOTE Confidence: 0.8757324
00:31:02.990 --> 00:31:03.490 Pressure.
NOTE Confidence: 0.9025879
00:31:04.029 --> 00:31:04.529 Pressure?
NOTE Confidence: 0.93725586
00:31:05.309 --> 00:31:05.809 Pressure.
NOTE Confidence: 0.8635254
00:31:06.509 --> 00:31:07.009 Pressure.
NOTE Confidence: 0.9807739
00:31:07.389 --> 00:31:08.850 The last one, Alex.
NOTE Confidence: 0.74121094
00:31:09.389 --> 00:31:10.450 Wash Slumber.
NOTE Confidence: 0.99902344
00:31:11.149 --> 00:31:11.649 Slumber.
NOTE Confidence: 0.9926758
00:31:13.870 --> 00:31:14.370 Wow.
NOTE Confidence: 0.98531085
00:31:16.815 --> 00:31:18.735 No. Okay. Thank you. Thank
NOTE Confidence: 0.98531085
00:31:18.735 --> 00:31:19.235 you
NOTE Confidence: 0.9984654
00:31:19.615 --> 00:31:20.815 to everyone in the room
NOTE Confidence: 0.9984654
00:31:20.815 --> 00:31:21.635 for participating
NOTE Confidence: 0.97888184

00:31:22.255 --> 00:31:23.715 and for everybody online
NOTE Confidence: 0.9790039

00:31:24.095 --> 00:31:24.595 for,
NOTE Confidence: 0.9243164

00:31:25.375 --> 00:31:26.975 sharing your words and what
NOTE Confidence: 0.9243164

00:31:26.975 --> 00:31:27.475 wonderful,
NOTE Confidence: 0.98657227

00:31:28.654 --> 00:31:29.154 vivid,
NOTE Confidence: 0.80126953

00:31:29.695 --> 00:31:30.195 descriptive,
NOTE Confidence: 0.9970703

00:31:32.710 --> 00:31:33.930 words that
NOTE Confidence: 0.9626465

00:31:34.550 --> 00:31:35.590 I think make us think
NOTE Confidence: 0.9626465

00:31:35.590 --> 00:31:37.370 of of all different senses
NOTE Confidence: 0.9626465

00:31:37.670 --> 00:31:38.170 too.
NOTE Confidence: 0.99609375

00:31:40.150 --> 00:31:40.650 Slumber,
NOTE Confidence: 0.9946289

00:31:41.190 --> 00:31:41.690 stars,
NOTE Confidence: 0.7524414

00:31:42.470 --> 00:31:42.970 swirl,
NOTE Confidence: 0.9980469

00:31:43.670 --> 00:31:44.170 serenity,
NOTE Confidence: 0.99194336

00:31:45.350 --> 00:31:45.850 sleep,
NOTE Confidence: 0.9661458

00:31:46.870 --> 00:31:47.370 spooky,

NOTE Confidence: 0.9406738
00:31:49.725 --> 00:31:50.225 slow.
NOTE Confidence: 0.99658203
00:31:53.405 --> 00:31:53.905 Home,
NOTE Confidence: 0.99609375
00:31:54.525 --> 00:31:55.025 melancholy,
NOTE Confidence: 0.9616699
00:31:56.125 --> 00:31:56.625 movement,
NOTE Confidence: 0.9851074
00:31:58.765 --> 00:31:59.265 calm,
NOTE Confidence: 0.9916992
00:32:00.700 --> 00:32:01.200 village,
NOTE Confidence: 0.9641113
00:32:01.980 --> 00:32:02.480 waves,
NOTE Confidence: 0.8835449
00:32:03.660 --> 00:32:04.160 infinite,
NOTE Confidence: 0.9333496
00:32:06.300 --> 00:32:06.800 breeze,
NOTE Confidence: 0.9916992
00:32:08.780 --> 00:32:09.280 yellow,
NOTE Confidence: 0.9770508
00:32:10.380 --> 00:32:10.880 sleep,
NOTE Confidence: 0.9975586
00:32:12.825 --> 00:32:13.325 flow,
NOTE Confidence: 0.99853516
00:32:14.505 --> 00:32:15.005 texture,
NOTE Confidence: 0.99560547
00:32:15.865 --> 00:32:16.365 grass,
NOTE Confidence: 0.9980469
00:32:17.544 --> 00:32:18.044 ocean,
NOTE Confidence: 0.9935303

00:32:22.265 --> 00:32:23.164 pressure, gift
NOTE Confidence: 0.9980469

00:32:23.465 --> 00:32:23.965 shop.
NOTE Confidence: 0.93205565

00:32:27.600 --> 00:32:29.679 I do really love using
NOTE Confidence: 0.93205565

00:32:29.679 --> 00:32:31.299 this work, I must admit.
NOTE Confidence: 0.9949951

00:32:31.600 --> 00:32:32.179 I mean,
NOTE Confidence: 0.9987305

00:32:33.040 --> 00:32:34.340 I think it's kind of
NOTE Confidence: 0.9849064

00:32:34.960 --> 00:32:36.400 it's it's one of those
NOTE Confidence: 0.9849064

00:32:36.400 --> 00:32:38.320 where I'm sometimes embarrassed to
NOTE Confidence: 0.9849064

00:32:38.320 --> 00:32:40.080 say that this is my
NOTE Confidence: 0.9849064

00:32:40.080 --> 00:32:41.059 favorite painting,
NOTE Confidence: 0.99438477

00:32:41.404 --> 00:32:43.325 but it's honestly my favorite
NOTE Confidence: 0.99438477

00:32:43.325 --> 00:32:43.825 painting.
NOTE Confidence: 0.9996745

00:32:44.605 --> 00:32:45.985 It is so
NOTE Confidence: 0.92944336

00:32:46.684 --> 00:32:47.184 extraordinary.
NOTE Confidence: 0.99857

00:32:47.885 --> 00:32:49.325 And when you're in front
NOTE Confidence: 0.99857

00:32:49.325 --> 00:32:49.985 of it,

NOTE Confidence: 0.99593097

00:32:50.524 --> 00:32:51.745 you know, it's it's,

NOTE Confidence: 0.98902386

00:32:52.445 --> 00:32:54.764 it's so thickly painted, and

NOTE Confidence: 0.98902386

00:32:54.764 --> 00:32:56.760 it's so expressive, and it's

NOTE Confidence: 0.98902386

00:32:56.760 --> 00:32:58.760 so different than it is

NOTE Confidence: 0.98902386

00:32:58.760 --> 00:33:00.200 in reproduction. And I think

NOTE Confidence: 0.98902386

00:33:00.200 --> 00:33:01.260 all of those things

NOTE Confidence: 0.9580078

00:33:01.640 --> 00:33:02.460 come through,

NOTE Confidence: 0.9983724

00:33:03.320 --> 00:33:04.779 when a group

NOTE Confidence: 0.9819607

00:33:05.080 --> 00:33:06.200 of of us are in

NOTE Confidence: 0.9819607

00:33:06.200 --> 00:33:07.500 front of it. And,

NOTE Confidence: 0.8879242

00:33:09.425 --> 00:33:11.105 Van Gogh said it takes,

NOTE Confidence: 0.8879242

00:33:11.345 --> 00:33:12.725 you know, the the cypress

NOTE Confidence: 0.8879242

00:33:12.785 --> 00:33:14.065 tree is a symbol of

NOTE Confidence: 0.8879242

00:33:14.065 --> 00:33:14.565 death,

NOTE Confidence: 0.9504743

00:33:15.985 --> 00:33:17.585 and and Van Gogh said

NOTE Confidence: 0.9504743

00:33:17.585 --> 00:33:18.325 it takes
NOTE Confidence: 0.9970703

00:33:18.865 --> 00:33:21.045 death to reach a star.
NOTE Confidence: 0.95807755

00:33:22.669 --> 00:33:24.190 So sometimes we talk about
NOTE Confidence: 0.95807755

00:33:24.190 --> 00:33:24.929 that too.
NOTE Confidence: 1

00:33:25.549 --> 00:33:26.049 So
NOTE Confidence: 0.99487305

00:33:26.429 --> 00:33:27.390 thank you for,
NOTE Confidence: 0.9825287

00:33:28.110 --> 00:33:29.309 for playing along with me.
NOTE Confidence: 0.9825287

00:33:29.309 --> 00:33:30.190 But this gives you a
NOTE Confidence: 0.9825287

00:33:30.190 --> 00:33:31.549 sense of of what we
NOTE Confidence: 0.9825287

00:33:31.549 --> 00:33:32.049 do,
NOTE Confidence: 0.9868164

00:33:32.669 --> 00:33:33.730 during the program.
NOTE Confidence: 0.99121094

00:33:34.750 --> 00:33:35.250 And
NOTE Confidence: 0.99731445

00:33:38.075 --> 00:33:38.975 let's see.
NOTE Confidence: 0.99975586

00:33:39.995 --> 00:33:41.215 We did a study
NOTE Confidence: 0.9998047

00:33:41.515 --> 00:33:43.375 of this program with NYU
NOTE Confidence: 0.94453126

00:33:43.675 --> 00:33:45.755 Center of Excellence for Brain,

NOTE Confidence: 0.94453126
00:33:45.755 --> 00:33:47.695 Aging, and Dementia to study,
NOTE Confidence: 0.9995117
00:33:48.555 --> 00:33:49.295 the impact
NOTE Confidence: 0.9408366
00:33:49.675 --> 00:33:51.080 of of meet me at
NOTE Confidence: 0.9408366
00:33:51.080 --> 00:33:51.580 MoMA.
NOTE Confidence: 0.9572266
00:33:51.960 --> 00:33:53.740 We use self rating scales,
NOTE Confidence: 0.8852051
00:33:54.040 --> 00:33:56.780 observer rated scales, focus groups.
NOTE Confidence: 0.9980469
00:33:57.320 --> 00:33:57.820 And
NOTE Confidence: 0.9970703
00:33:58.840 --> 00:33:59.340 this
NOTE Confidence: 0.9123128
00:33:59.720 --> 00:34:00.920 slide shows some of the
NOTE Confidence: 0.9123128
00:34:00.920 --> 00:34:01.420 findings,
NOTE Confidence: 0.9966634
00:34:02.200 --> 00:34:03.180 that we learned.
NOTE Confidence: 0.9970703
00:34:04.365 --> 00:34:04.865 Participants
NOTE Confidence: 0.99938965
00:34:05.165 --> 00:34:07.425 reported fewer emotional problems,
NOTE Confidence: 0.9885254
00:34:08.364 --> 00:34:09.585 elevated mood,
NOTE Confidence: 0.9680176
00:34:10.285 --> 00:34:12.065 and elevated self esteem.
NOTE Confidence: 0.97860765

00:34:12.685 --> 00:34:14.125 And for the and that
NOTE Confidence: 0.97860765

00:34:14.125 --> 00:34:15.405 was for both in the
NOTE Confidence: 0.97860765

00:34:15.405 --> 00:34:17.885 dyad, the, person with dementia
NOTE Confidence: 0.97860765

00:34:17.885 --> 00:34:19.165 and their care partner. And
NOTE Confidence: 0.97860765

00:34:19.165 --> 00:34:20.065 the care partners
NOTE Confidence: 0.91064453

00:34:21.060 --> 00:34:21.300 also,
NOTE Confidence: 0.97398543

00:34:21.940 --> 00:34:23.700 reported an increase in the
NOTE Confidence: 0.97398543

00:34:23.700 --> 00:34:25.239 feeling of social support.
NOTE Confidence: 0.9921875

00:34:27.220 --> 00:34:27.720 And
NOTE Confidence: 0.9951172

00:34:28.100 --> 00:34:28.840 the findings
NOTE Confidence: 0.99902344

00:34:29.620 --> 00:34:30.120 were
NOTE Confidence: 0.8508301

00:34:30.980 --> 00:34:31.480 possible.
NOTE Confidence: 0.99960047

00:34:31.860 --> 00:34:33.060 It wasn't just the art,
NOTE Confidence: 0.99960047

00:34:33.060 --> 00:34:34.340 but it was these five
NOTE Confidence: 0.99960047

00:34:34.340 --> 00:34:34.840 conditions
NOTE Confidence: 0.98227537

00:34:35.465 --> 00:34:37.545 that made it made them

NOTE Confidence: 0.98227537

00:34:37.545 --> 00:34:39.565 feel this way. The educator

NOTE Confidence: 0.9675105

00:34:40.025 --> 00:34:41.305 and what, you know, what

NOTE Confidence: 0.9675105

00:34:41.305 --> 00:34:42.745 an important role that is

NOTE Confidence: 0.9675105

00:34:42.745 --> 00:34:43.565 in our programs,

NOTE Confidence: 0.9995117

00:34:44.344 --> 00:34:45.005 the intellectual

NOTE Confidence: 1

00:34:45.385 --> 00:34:45.885 stimulation

NOTE Confidence: 0.92626953

00:34:46.985 --> 00:34:48.285 and accepting environment,

NOTE Confidence: 0.97740823

00:34:49.200 --> 00:34:51.540 social interaction and shared experience,

NOTE Confidence: 0.97740823

00:34:51.760 --> 00:34:53.760 and what the researchers called

NOTE Confidence: 0.97740823

00:34:53.760 --> 00:34:56.180 emotional carryover, the sense that

NOTE Confidence: 0.97740823

00:34:56.400 --> 00:34:57.859 what happened in the program

NOTE Confidence: 0.97740823

00:34:58.000 --> 00:34:59.780 lasted beyond it.

NOTE Confidence: 0.99480647

00:35:01.935 --> 00:35:04.015 That research helped us see

NOTE Confidence: 0.99480647

00:35:04.015 --> 00:35:06.175 the older adult population more

NOTE Confidence: 0.99480647

00:35:06.175 --> 00:35:06.675 broadly.

NOTE Confidence: 0.9512193

00:35:08.255 --> 00:35:09.614 And the truth is that
NOTE Confidence: 0.9512193

00:35:09.614 --> 00:35:10.735 through that meet me at
NOTE Confidence: 0.9512193

00:35:10.735 --> 00:35:11.635 MOMA program,
NOTE Confidence: 0.99574786

00:35:11.935 --> 00:35:13.775 what happens is many of
NOTE Confidence: 0.99574786

00:35:13.775 --> 00:35:15.940 the same families come over
NOTE Confidence: 0.99574786

00:35:15.940 --> 00:35:16.680 and over.
NOTE Confidence: 1

00:35:17.460 --> 00:35:17.960 And
NOTE Confidence: 0.99975586

00:35:18.340 --> 00:35:19.480 what we were noticing
NOTE Confidence: 0.97940063

00:35:19.860 --> 00:35:22.020 was that when one person
NOTE Confidence: 0.97940063

00:35:22.020 --> 00:35:22.920 in the dyad
NOTE Confidence: 0.998291

00:35:23.700 --> 00:35:24.520 passed away,
NOTE Confidence: 0.9887858

00:35:25.140 --> 00:35:26.580 the other person was so
NOTE Confidence: 0.9887858

00:35:26.580 --> 00:35:28.020 connected to our program that
NOTE Confidence: 0.9887858

00:35:28.020 --> 00:35:29.560 they wanted to keep coming,
NOTE Confidence: 0.9983354

00:35:30.055 --> 00:35:31.335 but they didn't want to
NOTE Confidence: 0.9983354

00:35:31.335 --> 00:35:33.175 come necessarily to a program

NOTE Confidence: 0.9983354

00:35:33.175 --> 00:35:34.535 for people with dementia. And

NOTE Confidence: 0.9983354

00:35:34.535 --> 00:35:36.135 so that was how we

NOTE Confidence: 0.9983354

00:35:36.135 --> 00:35:37.114 ended up

NOTE Confidence: 1

00:35:37.415 --> 00:35:37.915 launching

NOTE Confidence: 1

00:35:38.535 --> 00:35:39.675 something more broadly

NOTE Confidence: 0.99232316

00:35:39.975 --> 00:35:41.415 for people sixty five and

NOTE Confidence: 0.99232316

00:35:41.415 --> 00:35:42.875 up, which is called,

NOTE Confidence: 0.78881836

00:35:43.495 --> 00:35:44.395 prime time.

NOTE Confidence: 0.8442383

00:35:46.480 --> 00:35:46.980 And

NOTE Confidence: 0.99477667

00:35:48.080 --> 00:35:49.920 we we launched it also

NOTE Confidence: 0.99477667

00:35:49.920 --> 00:35:51.280 in direct response to the

NOTE Confidence: 0.99477667

00:35:51.280 --> 00:35:53.680 loneliness already documented among older

NOTE Confidence: 0.99477667

00:35:53.680 --> 00:35:55.280 adults in New York. At

NOTE Confidence: 0.99477667

00:35:55.280 --> 00:35:57.040 that time, ninety seven percent

NOTE Confidence: 0.99477667

00:35:57.040 --> 00:35:58.720 of older adults lived alone,

NOTE Confidence: 0.99477667

00:35:58.720 --> 00:35:59.895 and many were at risk
NOTE Confidence: 0.99477667

00:35:59.975 --> 00:36:01.035 of social isolation
NOTE Confidence: 0.85595703

00:36:01.335 --> 00:36:02.715 often because they lacked
NOTE Confidence: 0.9980469

00:36:03.015 --> 00:36:03.515 opportunities
NOTE Confidence: 0.9784342

00:36:04.535 --> 00:36:05.355 for dignified,
NOTE Confidence: 0.9978841

00:36:05.815 --> 00:36:07.675 joyful, meaningful engagement.
NOTE Confidence: 0.92960614

00:36:09.415 --> 00:36:11.015 Prime time programs take all
NOTE Confidence: 0.92960614

00:36:11.015 --> 00:36:12.475 different shapes and sizes,
NOTE Confidence: 0.99975586

00:36:13.020 --> 00:36:14.380 just like the older adults
NOTE Confidence: 0.99975586

00:36:14.380 --> 00:36:15.360 that they serve.
NOTE Confidence: 0.9923096

00:36:15.660 --> 00:36:17.120 They include art making
NOTE Confidence: 0.8982747

00:36:20.140 --> 00:36:21.040 and art looking
NOTE Confidence: 0.9827474

00:36:21.900 --> 00:36:23.600 and film programs
NOTE Confidence: 0.9880371

00:36:24.300 --> 00:36:25.280 and more.
NOTE Confidence: 0.9805908

00:36:26.045 --> 00:36:27.725 And with Primetime, we also
NOTE Confidence: 0.9805908

00:36:27.725 --> 00:36:29.985 launched our first social prescription

NOTE Confidence: 0.99902344

00:36:30.285 --> 00:36:30.785 programs.

NOTE Confidence: 1

00:36:32.845 --> 00:36:33.585 We partnered

NOTE Confidence: 0.9949079

00:36:34.045 --> 00:36:35.885 with social workers and health

NOTE Confidence: 0.9949079

00:36:35.885 --> 00:36:36.705 care professionals

NOTE Confidence: 0.99975586

00:36:37.005 --> 00:36:38.925 to identify older adults at

NOTE Confidence: 0.99975586

00:36:38.925 --> 00:36:40.065 risk of isolation

NOTE Confidence: 0.9970703

00:36:40.940 --> 00:36:42.239 who were then referred

NOTE Confidence: 0.9996745

00:36:42.700 --> 00:36:44.860 to participate in gallery based

NOTE Confidence: 0.9996745

00:36:44.860 --> 00:36:45.360 conversations

NOTE Confidence: 0.9946289

00:36:45.660 --> 00:36:47.340 in small groups at the

NOTE Confidence: 0.9946289

00:36:47.340 --> 00:36:47.840 museum.

NOTE Confidence: 0.95332336

00:36:49.020 --> 00:36:50.300 Time and again, we watched

NOTE Confidence: 0.95332336

00:36:50.300 --> 00:36:52.400 people leave MoMA more connected

NOTE Confidence: 0.95332336

00:36:52.540 --> 00:36:54.160 than they arrived and developed

NOTE Confidence: 0.95332336

00:36:54.220 --> 00:36:54.720 friendships

NOTE Confidence: 0.9963867

00:36:55.275 --> 00:36:57.614 that continued outside our programs.

NOTE Confidence: 0.99319893

00:36:59.035 --> 00:37:00.234 And here's a number I

NOTE Confidence: 0.99319893

00:37:00.234 --> 00:37:01.055 find remarkable.

NOTE Confidence: 0.9975586

00:37:01.915 --> 00:37:02.415 Sixty

NOTE Confidence: 0.8633626

00:37:02.795 --> 00:37:03.855 or sorry. Seventy

NOTE Confidence: 0.99767125

00:37:04.234 --> 00:37:06.555 six percent of US adults

NOTE Confidence: 0.99767125

00:37:06.555 --> 00:37:08.415 said they would be somewhat

NOTE Confidence: 0.99767125

00:37:08.474 --> 00:37:09.694 or very likely

NOTE Confidence: 0.9998047

00:37:10.619 --> 00:37:12.559 to follow a doctor's recommendation

NOTE Confidence: 0.99594724

00:37:13.019 --> 00:37:14.559 to engage in the arts.

NOTE Confidence: 0.99560547

00:37:15.739 --> 00:37:16.640 So the

NOTE Confidence: 0.99173677

00:37:17.420 --> 00:37:19.500 infrastructure of trust is already

NOTE Confidence: 0.99173677

00:37:19.500 --> 00:37:21.180 there. What's missing are the

NOTE Confidence: 0.99173677

00:37:21.180 --> 00:37:23.119 formal referral pathways

NOTE Confidence: 0.9913737

00:37:23.664 --> 00:37:24.644 between health providers

NOTE Confidence: 0.9977214

00:37:25.265 --> 00:37:26.724 and cultural institutions.

NOTE Confidence: 0.97398543
00:37:32.545 --> 00:37:34.065 Wanna do one more interactive
NOTE Confidence: 0.97398543
00:37:34.065 --> 00:37:36.150 thing? Yeah. Okay. So here
NOTE Confidence: 0.97398543
00:37:36.150 --> 00:37:37.589 is one more interactive. I'm
NOTE Confidence: 0.97398543
00:37:37.589 --> 00:37:39.030 sorry that for the people
NOTE Confidence: 0.97398543
00:37:39.030 --> 00:37:40.790 online, this is gonna be
NOTE Confidence: 0.97398543
00:37:40.790 --> 00:37:41.450 a challenge,
NOTE Confidence: 0.99826884
00:37:42.230 --> 00:37:43.270 but we'll tell you what
NOTE Confidence: 0.99826884
00:37:43.270 --> 00:37:44.950 we're doing. So we're going
NOTE Confidence: 0.99826884
00:37:44.950 --> 00:37:45.450 to,
NOTE Confidence: 0.9707031
00:37:46.069 --> 00:37:47.609 look at an artwork together.
NOTE Confidence: 0.98236084
00:37:47.910 --> 00:37:49.130 And this is because,
NOTE Confidence: 0.9836426
00:37:50.545 --> 00:37:51.344 I want you to think
NOTE Confidence: 0.9836426
00:37:51.344 --> 00:37:52.545 about when was the last
NOTE Confidence: 0.9836426
00:37:52.545 --> 00:37:54.225 time that you went to
NOTE Confidence: 0.9836426
00:37:54.225 --> 00:37:56.305 an art museum or sat
NOTE Confidence: 0.9836426

00:37:56.305 --> 00:37:57.745 at home and looked at
NOTE Confidence: 0.9836426

00:37:57.745 --> 00:37:59.665 a painting on your wall
NOTE Confidence: 0.9836426

00:37:59.665 --> 00:38:00.405 and had
NOTE Confidence: 1

00:38:00.945 --> 00:38:01.685 a conversation
NOTE Confidence: 0.9388428

00:38:02.145 --> 00:38:02.885 with someone,
NOTE Confidence: 0.9487427

00:38:04.440 --> 00:38:05.400 where you didn't know the
NOTE Confidence: 0.9487427

00:38:05.400 --> 00:38:06.520 answer and they didn't know
NOTE Confidence: 0.9487427

00:38:06.520 --> 00:38:07.560 it either, and you kind
NOTE Confidence: 0.9487427

00:38:07.560 --> 00:38:09.420 of figured it out together.
NOTE Confidence: 0.9845703

00:38:11.239 --> 00:38:12.380 Has it been a while?
NOTE Confidence: 0.9528143

00:38:13.239 --> 00:38:14.200 Because neither has it been
NOTE Confidence: 0.9528143

00:38:14.200 --> 00:38:15.400 a while for you. Has
NOTE Confidence: 0.9528143

00:38:15.400 --> 00:38:16.280 it been a while for
NOTE Confidence: 0.9528143

00:38:16.280 --> 00:38:17.719 anybody? This is something you
NOTE Confidence: 0.9528143

00:38:17.719 --> 00:38:19.045 do all the time. Yes.
NOTE Confidence: 0.9528143

00:38:19.105 --> 00:38:20.545 Some people are nodding yes.

NOTE Confidence: 0.9528143

00:38:20.545 --> 00:38:21.685 Some people no.

NOTE Confidence: 0.9951869

00:38:22.785 --> 00:38:24.545 Well, here's a worksheet that

NOTE Confidence: 0.9951869

00:38:24.545 --> 00:38:25.285 we use,

NOTE Confidence: 0.9902344

00:38:26.385 --> 00:38:27.685 in some of our programs.

NOTE Confidence: 0.9683807

00:38:28.305 --> 00:38:29.505 Primarily, I would say, a

NOTE Confidence: 0.9683807

00:38:29.505 --> 00:38:30.945 prime time program, we would

NOTE Confidence: 0.9683807

00:38:30.945 --> 00:38:32.770 use this. And what I'm

NOTE Confidence: 0.9683807

00:38:32.770 --> 00:38:33.890 gonna ask you to do

NOTE Confidence: 0.9683807

00:38:33.890 --> 00:38:34.849 is I'm gonna ask you

NOTE Confidence: 0.9683807

00:38:34.849 --> 00:38:35.250 to,

NOTE Confidence: 0.984486

00:38:35.809 --> 00:38:37.089 look at the painting I'm

NOTE Confidence: 0.984486

00:38:37.089 --> 00:38:38.210 about to put on the

NOTE Confidence: 0.984486

00:38:38.210 --> 00:38:38.710 screen,

NOTE Confidence: 0.9831055

00:38:39.489 --> 00:38:40.289 and I want you to

NOTE Confidence: 0.9831055

00:38:40.289 --> 00:38:42.390 make a notch, just yourself,

NOTE Confidence: 0.99890137

00:38:42.770 --> 00:38:44.390 a notch on the worksheet
NOTE Confidence: 0.99890137

00:38:44.450 --> 00:38:45.809 of where you think this
NOTE Confidence: 0.99890137

00:38:45.809 --> 00:38:46.789 painting falls.
NOTE Confidence: 0.9736328

00:38:47.934 --> 00:38:48.734 Right? So,
NOTE Confidence: 0.99125534

00:38:50.015 --> 00:38:51.375 what's the top one, Linda?
NOTE Confidence: 0.99125534

00:38:51.375 --> 00:38:52.494 I can't remember. Oh, thank
NOTE Confidence: 0.99125534

00:38:52.494 --> 00:38:52.994 you.
NOTE Confidence: 0.9983317

00:38:53.535 --> 00:38:54.674 Oh, thank you. Figurative
NOTE Confidence: 0.9918213

00:38:55.214 --> 00:38:56.815 and abstract. And for people
NOTE Confidence: 0.9918213

00:38:56.815 --> 00:38:57.315 online,
NOTE Confidence: 0.99104816

00:38:57.694 --> 00:38:59.135 it the worksheet looks like
NOTE Confidence: 0.99104816

00:38:59.135 --> 00:39:00.190 this. This. It has,
NOTE Confidence: 0.9795685

00:39:00.510 --> 00:39:01.870 words on the left side,
NOTE Confidence: 0.9795685

00:39:01.870 --> 00:39:02.910 words on the right side,
NOTE Confidence: 0.9795685

00:39:02.910 --> 00:39:04.190 and a line across the
NOTE Confidence: 0.9795685

00:39:04.190 --> 00:39:04.690 middle.

NOTE Confidence: 0.9948033
00:39:05.070 --> 00:39:06.610 And the words are figurative
NOTE Confidence: 0.9948033
00:39:06.670 --> 00:39:07.489 and abstract,
NOTE Confidence: 0.9814453
00:39:07.870 --> 00:39:09.330 movement and calm,
NOTE Confidence: 0.96988934
00:39:10.030 --> 00:39:11.489 personal and universal,
NOTE Confidence: 1
00:39:12.174 --> 00:39:13.075 and loud
NOTE Confidence: 0.96950686
00:39:13.375 --> 00:39:15.295 and quiet. And so just
NOTE Confidence: 0.96950686
00:39:15.295 --> 00:39:16.755 take a moment and yourself
NOTE Confidence: 0.95151097
00:39:17.135 --> 00:39:18.494 make a notch of where
NOTE Confidence: 0.95151097
00:39:18.494 --> 00:39:19.855 you think this work of
NOTE Confidence: 0.95151097
00:39:19.855 --> 00:39:22.015 art fits for each of
NOTE Confidence: 0.95151097
00:39:22.015 --> 00:39:23.135 these cat these,
NOTE Confidence: 0.99853516
00:39:23.694 --> 00:39:24.194 words.
NOTE Confidence: 0.99853516
00:39:24.894 --> 00:39:26.515 Is that clear? Okay.
NOTE Confidence: 0.9975586
00:39:30.020 --> 00:39:30.820 Don't show it to the
NOTE Confidence: 0.9975586
00:39:30.820 --> 00:39:31.860 person next to you. Just
NOTE Confidence: 0.9975586

00:39:31.860 --> 00:39:32.680 write it yourself.
NOTE Confidence: 0.98173827

00:39:58.510 --> 00:40:00.130 Does anybody need a pen?
NOTE Confidence: 0.798584

00:40:01.950 --> 00:40:02.450 Yes?
NOTE Confidence: 0.98947483

00:40:17.975 --> 00:40:19.015 And, of course, this is
NOTE Confidence: 0.98947483

00:40:19.015 --> 00:40:19.895 not a test. There are
NOTE Confidence: 0.98947483

00:40:19.895 --> 00:40:21.335 no right answers. There are
NOTE Confidence: 0.98947483

00:40:21.335 --> 00:40:22.395 no wrong answers.
NOTE Confidence: 0.96691895

00:40:23.070 --> 00:40:24.670 It's really just, you know,
NOTE Confidence: 0.96691895

00:40:24.670 --> 00:40:25.170 your
NOTE Confidence: 0.8952637

00:40:25.790 --> 00:40:26.290 your,
NOTE Confidence: 0.99690753

00:40:28.190 --> 00:40:29.650 your thoughts, your
NOTE Confidence: 0.99560547

00:40:30.030 --> 00:40:31.310 way of looking at the
NOTE Confidence: 0.99560547

00:40:31.310 --> 00:40:32.930 painting and thinking about it.
NOTE Confidence: 0.98341876

00:40:40.444 --> 00:40:41.805 Alright. Does anybody else need
NOTE Confidence: 0.98341876

00:40:41.805 --> 00:40:42.925 a pen? Alex has some
NOTE Confidence: 0.98341876

00:40:42.925 --> 00:40:44.065 pens. Okay.

NOTE Confidence: 0.9875488
00:40:54.070 --> 00:40:55.370 We'll spend, like,
NOTE Confidence: 1
00:40:55.830 --> 00:40:57.290 another thirty seconds
NOTE Confidence: 0.993042
00:40:58.150 --> 00:40:58.969 doing this.
NOTE Confidence: 0.9937134
00:41:09.945 --> 00:41:10.985 And now what I'd like
NOTE Confidence: 0.9937134
00:41:10.985 --> 00:41:12.025 you to do is turn
NOTE Confidence: 0.9937134
00:41:12.025 --> 00:41:13.145 to the person next to
NOTE Confidence: 0.9937134
00:41:13.145 --> 00:41:13.645 you
NOTE Confidence: 0.888916
00:41:14.344 --> 00:41:15.165 and compare.
NOTE Confidence: 0.99609375
00:41:16.585 --> 00:41:17.085 And
NOTE Confidence: 0.9958984
00:41:17.465 --> 00:41:19.245 ask the person why they
NOTE Confidence: 0.97483915
00:41:19.599 --> 00:41:21.119 they made their notch where
NOTE Confidence: 0.97483915
00:41:21.119 --> 00:41:22.239 they did and see if
NOTE Confidence: 0.97483915
00:41:22.239 --> 00:41:24.560 you have similar responses or
NOTE Confidence: 0.97483915
00:41:24.560 --> 00:41:25.380 different responses.
NOTE Confidence: 0.76220703
00:42:54.350 --> 00:42:54.850 Okay.
NOTE Confidence: 0.9914551

00:42:58.750 --> 00:42:59.790 So how did this
NOTE Confidence: 0.99560547

00:43:00.705 --> 00:43:01.364 I'm gonna
NOTE Confidence: 0.9437561

00:43:01.665 --> 00:43:02.864 why don't you wrap up?
NOTE Confidence: 0.9437561

00:43:02.864 --> 00:43:04.165 Thirty seconds more.
NOTE Confidence: 0.965625

00:43:04.785 --> 00:43:06.085 I I don't wanna interrupt.
NOTE Confidence: 0.85595703

00:43:25.550 --> 00:43:26.050 Okay.
NOTE Confidence: 0.96813965

00:43:27.150 --> 00:43:28.670 So tell me, how did
NOTE Confidence: 0.96813965

00:43:28.670 --> 00:43:29.170 this
NOTE Confidence: 0.99869794

00:43:29.550 --> 00:43:30.750 how did this feel to
NOTE Confidence: 0.99869794

00:43:30.750 --> 00:43:31.250 you?
NOTE Confidence: 0.8489583

00:43:33.994 --> 00:43:34.494 Connective.
NOTE Confidence: 0.98372394

00:43:34.994 --> 00:43:35.494 Connective.
NOTE Confidence: 0.9838867

00:43:35.994 --> 00:43:37.674 Somebody said connective. Do you
NOTE Confidence: 0.9838867

00:43:37.674 --> 00:43:38.974 wanna say more about
NOTE Confidence: 0.8036728

00:43:39.275 --> 00:43:40.954 that? I felt connected, but
NOTE Confidence: 0.8036728

00:43:40.954 --> 00:43:41.934 first, I was.

NOTE Confidence: 0.9348584

00:43:44.150 --> 00:43:45.210 So I guess I'm participating.

NOTE Confidence: 0.9348584

00:43:45.430 --> 00:43:46.070 I didn't mean to be

NOTE Confidence: 0.9348584

00:43:46.070 --> 00:43:47.830 the how lame like the

NOTE Confidence: 0.9348584

00:43:47.830 --> 00:43:50.390 plant. No. But I I

NOTE Confidence: 0.9348584

00:43:50.390 --> 00:43:51.910 haven't done this activity before,

NOTE Confidence: 0.9348584

00:43:51.910 --> 00:43:53.030 actually, and it made me

NOTE Confidence: 0.9348584

00:43:53.030 --> 00:43:54.150 feel so connected with the

NOTE Confidence: 0.9348584

00:43:54.150 --> 00:43:55.190 person I was talking with.

NOTE Confidence: 0.9348584

00:43:55.190 --> 00:43:57.190 And ours really aligned in

NOTE Confidence: 0.9348584

00:43:57.190 --> 00:43:58.730 a funny way. And so

NOTE Confidence: 0.9324428

00:43:59.344 --> 00:44:00.625 I I felt connected with

NOTE Confidence: 0.9324428

00:44:00.625 --> 00:44:01.765 her. Yeah.

NOTE Confidence: 0.96416014

00:44:03.184 --> 00:44:04.464 It was eye opening for

NOTE Confidence: 0.96416014

00:44:04.464 --> 00:44:05.825 me. So I learned first

NOTE Confidence: 0.96416014

00:44:05.825 --> 00:44:06.464 of all, I learned a

NOTE Confidence: 0.96416014

00:44:06.464 --> 00:44:07.844 lot about Mike just in
NOTE Confidence: 0.9728446

00:44:08.224 --> 00:44:09.825 how you see things that,
NOTE Confidence: 0.9728446

00:44:09.825 --> 00:44:10.944 you know, we're both looking
NOTE Confidence: 0.9728446

00:44:10.944 --> 00:44:12.239 at the same time, but
NOTE Confidence: 0.9728446

00:44:12.239 --> 00:44:13.040 it made me see a
NOTE Confidence: 0.9728446

00:44:13.040 --> 00:44:13.760 piece of art in a
NOTE Confidence: 0.9728446

00:44:13.760 --> 00:44:15.040 way I wasn't seeing it
NOTE Confidence: 0.9728446

00:44:15.040 --> 00:44:16.420 just by talking about it.
NOTE Confidence: 0.9903041

00:44:16.800 --> 00:44:19.219 Thank you. Thank you. Anybody
NOTE Confidence: 0.9903041

00:44:19.280 --> 00:44:20.180 else wanna
NOTE Confidence: 0.9989258

00:44:20.880 --> 00:44:23.380 share what they felt? Yes.
NOTE Confidence: 0.9996745

00:44:27.775 --> 00:44:28.735 It made me feel very
NOTE Confidence: 0.9996745

00:44:28.735 --> 00:44:29.235 curious
NOTE Confidence: 0.9785156

00:44:29.615 --> 00:44:30.115 because,
NOTE Confidence: 0.9902751

00:44:30.575 --> 00:44:31.695 I feel like interpreting art
NOTE Confidence: 0.9902751

00:44:31.695 --> 00:44:32.975 doesn't come naturally to me.

NOTE Confidence: 0.9902751

00:44:32.975 --> 00:44:34.655 And whenever I go to

NOTE Confidence: 0.9902751

00:44:34.655 --> 00:44:35.775 art shows and talk to

NOTE Confidence: 0.9902751

00:44:35.775 --> 00:44:36.815 other people and hear their

NOTE Confidence: 0.9902751

00:44:36.815 --> 00:44:38.435 perspectives, it's really eye opening.

NOTE Confidence: 0.9938299

00:44:38.790 --> 00:44:39.590 And so it was fun

NOTE Confidence: 0.9938299

00:44:39.590 --> 00:44:41.110 to have these, like, very

NOTE Confidence: 0.9938299

00:44:41.110 --> 00:44:41.610 objective

NOTE Confidence: 0.971639

00:44:42.150 --> 00:44:43.989 not objective, subjective measures, but

NOTE Confidence: 0.971639

00:44:43.989 --> 00:44:44.489 then

NOTE Confidence: 0.97628903

00:44:44.790 --> 00:44:46.150 we had to interpret them

NOTE Confidence: 0.97628903

00:44:46.150 --> 00:44:47.350 based on these criteria and

NOTE Confidence: 0.97628903

00:44:47.350 --> 00:44:48.710 then to hear where people

NOTE Confidence: 0.97628903

00:44:48.710 --> 00:44:50.390 were coming from, especially on

NOTE Confidence: 0.97628903

00:44:50.390 --> 00:44:51.930 ones that we differed on.

NOTE Confidence: 0.99902344

00:44:52.790 --> 00:44:53.290 Yeah.

NOTE Confidence: 1

00:44:54.765 --> 00:44:55.505 Thank you.
NOTE Confidence: 0.9995117

00:44:55.964 --> 00:44:57.025 Anybody else?
NOTE Confidence: 0.96624756

00:45:00.125 --> 00:45:01.885 See, the conversation's still going.
NOTE Confidence: 0.96624756

00:45:01.885 --> 00:45:03.325 I love it. And what
NOTE Confidence: 0.96624756

00:45:03.325 --> 00:45:04.844 I was noticing was that
NOTE Confidence: 0.96624756

00:45:04.844 --> 00:45:06.464 the room got really lively,
NOTE Confidence: 0.98749185

00:45:06.930 --> 00:45:08.609 and people started talking to
NOTE Confidence: 0.98749185

00:45:08.609 --> 00:45:09.890 people that they knew and
NOTE Confidence: 0.98749185

00:45:09.890 --> 00:45:11.349 people that they didn't know.
NOTE Confidence: 0.98749185

00:45:11.489 --> 00:45:12.130 And there were a lot
NOTE Confidence: 0.98749185

00:45:12.130 --> 00:45:13.170 of heads nodding, and there
NOTE Confidence: 0.98749185

00:45:13.170 --> 00:45:14.310 was a lot of pointing.
NOTE Confidence: 0.9127752

00:45:16.369 --> 00:45:18.290 And, yeah, I felt that
NOTE Confidence: 0.9127752

00:45:18.290 --> 00:45:19.329 sort of, you know, the
NOTE Confidence: 0.9127752

00:45:19.329 --> 00:45:19.695 the
NOTE Confidence: 0.9939453

00:45:20.175 --> 00:45:21.775 the energy in the room,

NOTE Confidence: 0.9820002
00:45:22.175 --> 00:45:23.375 changed quite a bit, and
NOTE Confidence: 0.9820002
00:45:23.375 --> 00:45:24.575 I think that's another thing
NOTE Confidence: 0.9820002
00:45:24.575 --> 00:45:25.075 that,
NOTE Confidence: 0.9495739
00:45:25.935 --> 00:45:27.055 that art can do so
NOTE Confidence: 0.9495739
00:45:27.055 --> 00:45:28.895 well. It can connect people
NOTE Confidence: 0.9495739
00:45:28.895 --> 00:45:29.215 and,
NOTE Confidence: 0.99609375
00:45:30.495 --> 00:45:30.995 and
NOTE Confidence: 0.998291
00:45:31.614 --> 00:45:33.395 change change the energy.
NOTE Confidence: 0.9902344
00:45:34.960 --> 00:45:35.460 So
NOTE Confidence: 0.9970703
00:45:36.800 --> 00:45:37.540 thank you
NOTE Confidence: 0.98413086
00:45:37.840 --> 00:45:39.780 for participating in that too.
NOTE Confidence: 0.97875977
00:45:40.320 --> 00:45:40.820 And,
NOTE Confidence: 0.9883712
00:45:41.920 --> 00:45:43.440 I'm gonna wrap up here
NOTE Confidence: 0.9883712
00:45:43.440 --> 00:45:44.800 soon because we're gonna be
NOTE Confidence: 0.9883712
00:45:44.800 --> 00:45:45.840 out of time. But I
NOTE Confidence: 0.9883712

00:45:45.840 --> 00:45:47.114 wanted to tell you
NOTE Confidence: 0.94677734

00:45:47.675 --> 00:45:48.175 about,
NOTE Confidence: 0.9133545

00:45:48.475 --> 00:45:50.075 another story, a a prime
NOTE Confidence: 0.9133545

00:45:50.075 --> 00:45:51.775 time program that I lead,
NOTE Confidence: 0.9785156

00:45:52.795 --> 00:45:53.994 that has really stayed with
NOTE Confidence: 0.9785156

00:45:53.994 --> 00:45:56.015 me. We run a virtual
NOTE Confidence: 0.9785156

00:45:56.155 --> 00:45:58.795 partnership with Holocaust survivors who
NOTE Confidence: 0.9785156

00:45:58.795 --> 00:46:00.255 are experiencing profound
NOTE Confidence: 0.99975586

00:46:00.555 --> 00:46:01.375 social isolation.
NOTE Confidence: 0.9992676

00:46:02.070 --> 00:46:03.910 Most are upwards of eighty
NOTE Confidence: 0.9992676

00:46:03.910 --> 00:46:04.890 five years old.
NOTE Confidence: 0.9645299

00:46:05.270 --> 00:46:06.710 They're individuals who, for the
NOTE Confidence: 0.9645299

00:46:06.710 --> 00:46:07.530 most part,
NOTE Confidence: 0.98554146

00:46:07.830 --> 00:46:09.830 never leave their houses. The
NOTE Confidence: 0.98554146

00:46:09.830 --> 00:46:12.010 only exception being visits
NOTE Confidence: 0.9421387

00:46:12.310 --> 00:46:13.130 to the doctor.

NOTE Confidence: 0.9990845

00:46:14.005 --> 00:46:15.285 And they're connected through a

NOTE Confidence: 0.9990845

00:46:15.285 --> 00:46:16.825 virtual senior center

NOTE Confidence: 0.9926092

00:46:17.445 --> 00:46:18.724 that they rely on for

NOTE Confidence: 0.9926092

00:46:18.724 --> 00:46:20.724 the basics of survival, case

NOTE Confidence: 0.9926092

00:46:20.724 --> 00:46:21.224 management,

NOTE Confidence: 0.99666345

00:46:21.525 --> 00:46:23.385 home care, and help navigating

NOTE Confidence: 0.99666345

00:46:23.525 --> 00:46:24.585 German reparations.

NOTE Confidence: 0.99165225

00:46:25.844 --> 00:46:27.530 But week after week, over

NOTE Confidence: 0.99165225

00:46:27.530 --> 00:46:28.890 the last several months, we've

NOTE Confidence: 0.99165225

00:46:28.890 --> 00:46:30.730 come together online for something

NOTE Confidence: 0.99165225

00:46:30.730 --> 00:46:31.930 else, and that is to

NOTE Confidence: 0.99165225

00:46:31.930 --> 00:46:33.210 look at and talk about

NOTE Confidence: 0.99165225

00:46:33.210 --> 00:46:33.710 art.

NOTE Confidence: 0.9998372

00:46:34.489 --> 00:46:36.250 Many of these participants carry

NOTE Confidence: 0.9998372

00:46:36.250 --> 00:46:36.750 experiences

NOTE Confidence: 0.9913424

00:46:37.050 --> 00:46:38.250 that very few people in
NOTE Confidence: 0.9913424

00:46:38.250 --> 00:46:40.089 the world share, and that
NOTE Confidence: 0.9913424

00:46:40.089 --> 00:46:41.070 kind of singularity
NOTE Confidence: 0.9916992

00:46:41.450 --> 00:46:42.270 is in
NOTE Confidence: 0.9978376

00:46:42.714 --> 00:46:44.474 is its own form of
NOTE Confidence: 0.9978376

00:46:44.474 --> 00:46:45.994 loneliness. It's not just the
NOTE Confidence: 0.9978376

00:46:45.994 --> 00:46:47.434 absence of people, but the
NOTE Confidence: 0.9978376

00:46:47.434 --> 00:46:48.954 sense that what you carry
NOTE Confidence: 0.9978376

00:46:48.954 --> 00:46:50.795 cannot be expressed to anyone
NOTE Confidence: 0.9978376

00:46:50.795 --> 00:46:51.855 who wasn't there.
NOTE Confidence: 0.99902344

00:46:52.795 --> 00:46:53.694 But art
NOTE Confidence: 0.94189453

00:46:54.315 --> 00:46:55.755 art gave us a way
NOTE Confidence: 0.94189453

00:46:55.755 --> 00:46:56.895 in. And,
NOTE Confidence: 0.9995117

00:46:57.300 --> 00:46:57.800 eventually,
NOTE Confidence: 0.9954834

00:46:58.100 --> 00:46:58.760 we invited,
NOTE Confidence: 0.9961751

00:46:59.860 --> 00:47:01.380 the group to come to

NOTE Confidence: 0.9961751
00:47:01.380 --> 00:47:01.880 MoMA
NOTE Confidence: 0.9748535
00:47:02.660 --> 00:47:03.400 in person.
NOTE Confidence: 0.9876924
00:47:04.260 --> 00:47:05.780 For many for many, it
NOTE Confidence: 0.9876924
00:47:05.780 --> 00:47:06.660 was the first time they
NOTE Confidence: 0.9876924
00:47:06.660 --> 00:47:07.540 had been in the same
NOTE Confidence: 0.9876924
00:47:07.540 --> 00:47:08.360 room together,
NOTE Confidence: 0.9967448
00:47:09.344 --> 00:47:10.305 and they came in the
NOTE Confidence: 0.9967448
00:47:10.305 --> 00:47:10.805 fall
NOTE Confidence: 0.98419785
00:47:11.105 --> 00:47:12.785 of twenty twenty five. We
NOTE Confidence: 0.98419785
00:47:12.785 --> 00:47:14.465 toured the galleries. We looked
NOTE Confidence: 0.98419785
00:47:14.465 --> 00:47:15.984 at starry night. We looked
NOTE Confidence: 0.98419785
00:47:15.984 --> 00:47:16.725 at Matisse's
NOTE Confidence: 0.7524414
00:47:17.265 --> 00:47:17.765 dance.
NOTE Confidence: 0.9794922
00:47:19.425 --> 00:47:19.925 And,
NOTE Confidence: 0.9700928
00:47:20.705 --> 00:47:22.420 then we shared lunch. And
NOTE Confidence: 0.9700928

00:47:22.420 --> 00:47:23.560 we even celebrated
NOTE Confidence: 0.9628906

00:47:23.860 --> 00:47:26.180 Henry's ninety eighth birthday right
NOTE Confidence: 0.9628906

00:47:26.180 --> 00:47:26.680 there
NOTE Confidence: 0.9961751

00:47:27.219 --> 00:47:28.040 at the museum.
NOTE Confidence: 0.9699707

00:47:30.260 --> 00:47:32.200 So think about that transition
NOTE Confidence: 0.9699707

00:47:32.420 --> 00:47:34.120 from a life spent almost
NOTE Confidence: 0.9699707

00:47:34.180 --> 00:47:35.400 entirely inside,
NOTE Confidence: 0.98358154

00:47:36.204 --> 00:47:38.065 leaving only for medical necessity
NOTE Confidence: 0.98358154

00:47:38.204 --> 00:47:40.464 to celebrating a ninety eighth
NOTE Confidence: 0.98358154

00:47:40.525 --> 00:47:42.844 birthday surrounded by art and
NOTE Confidence: 0.98358154

00:47:42.844 --> 00:47:43.344 peers.
NOTE Confidence: 0.9744423

00:47:44.285 --> 00:47:45.964 Today, some are able to
NOTE Confidence: 0.9744423

00:47:45.964 --> 00:47:47.964 meet monthly on their own
NOTE Confidence: 0.9744423

00:47:47.964 --> 00:47:49.484 at a Jewish deli in
NOTE Confidence: 0.9744423

00:47:49.484 --> 00:47:51.184 the Bronx called Liebman's.
NOTE Confidence: 0.9991344

00:47:51.530 --> 00:47:52.250 I don't know if any

NOTE Confidence: 0.9991344

00:47:52.250 --> 00:47:53.050 of you have been there,

NOTE Confidence: 0.9991344

00:47:53.050 --> 00:47:54.650 but I highly recommend it.

NOTE Confidence: 0.9991344

00:47:54.650 --> 00:47:56.410 It is it is worth

NOTE Confidence: 0.9991344

00:47:56.410 --> 00:47:56.989 the trip.

NOTE Confidence: 0.97436523

00:47:58.329 --> 00:48:00.170 So MoMA started this, and

NOTE Confidence: 0.97436523

00:48:00.170 --> 00:48:02.750 the community is sustaining it.

NOTE Confidence: 0.92211914

00:48:05.725 --> 00:48:06.545 And finally,

NOTE Confidence: 0.97626954

00:48:07.325 --> 00:48:08.864 where this needs to go.

NOTE Confidence: 0.98535156

00:48:10.685 --> 00:48:11.185 So

NOTE Confidence: 0.9883735

00:48:11.965 --> 00:48:13.725 what does the path forward

NOTE Confidence: 0.9883735

00:48:13.725 --> 00:48:15.325 look like? And I'm going

NOTE Confidence: 0.9883735

00:48:15.325 --> 00:48:17.425 back to doctor Sankey's research,

NOTE Confidence: 0.9983724

00:48:17.885 --> 00:48:19.405 because it doesn't stop at

NOTE Confidence: 0.9983724

00:48:19.405 --> 00:48:19.905 documenting

NOTE Confidence: 0.96681213

00:48:20.380 --> 00:48:21.980 the pathway. It points at

NOTE Confidence: 0.96681213

00:48:21.980 --> 00:48:23.180 where the work needs to
NOTE Confidence: 0.96681213

00:48:23.180 --> 00:48:24.460 go, and these are the
NOTE Confidence: 0.96681213

00:48:24.460 --> 00:48:24.960 three
NOTE Confidence: 0.9995117

00:48:25.739 --> 00:48:26.239 recommendations.
NOTE Confidence: 1

00:48:27.020 --> 00:48:27.520 First,
NOTE Confidence: 1

00:48:27.900 --> 00:48:29.040 build stronger
NOTE Confidence: 0.9998047

00:48:29.340 --> 00:48:31.599 structures and mechanisms for collaboration
NOTE Confidence: 0.9995117

00:48:31.980 --> 00:48:33.119 between the culture,
NOTE Confidence: 0.98813474

00:48:33.945 --> 00:48:35.965 social care, and health sectors.
NOTE Confidence: 0.9995117

00:48:37.225 --> 00:48:38.985 These three have operated in
NOTE Confidence: 0.9995117

00:48:38.985 --> 00:48:39.485 parallel
NOTE Confidence: 0.99869794

00:48:39.785 --> 00:48:40.765 for too long.
NOTE Confidence: 0.99609375

00:48:42.265 --> 00:48:43.485 Second, introduce
NOTE Confidence: 0.9980469

00:48:43.864 --> 00:48:44.765 or strengthen
NOTE Confidence: 0.9996745

00:48:45.385 --> 00:48:46.685 lines of referral
NOTE Confidence: 0.9923096

00:48:47.380 --> 00:48:49.060 from health and social care

NOTE Confidence: 0.9923096

00:48:49.060 --> 00:48:50.520 into arts programs,

NOTE Confidence: 0.97769827

00:48:51.460 --> 00:48:54.280 including formal social prescribing schemes,

NOTE Confidence: 0.97769827

00:48:54.500 --> 00:48:56.340 a doctor prescribing a museum

NOTE Confidence: 0.97769827

00:48:56.340 --> 00:48:57.780 visit or a community art

NOTE Confidence: 0.97769827

00:48:57.780 --> 00:48:58.900 class the way they would

NOTE Confidence: 0.97769827

00:48:58.900 --> 00:49:00.359 prescribe physical therapy.

NOTE Confidence: 0.9984538

00:49:01.285 --> 00:49:03.445 And third, bring arts and

NOTE Confidence: 0.9984538

00:49:03.445 --> 00:49:03.945 humanities

NOTE Confidence: 0.97888184

00:49:04.325 --> 00:49:06.325 education into the training of

NOTE Confidence: 0.97888184

00:49:06.325 --> 00:49:08.485 health care professionals themselves, not

NOTE Confidence: 0.97888184

00:49:08.485 --> 00:49:09.145 as decoration,

NOTE Confidence: 0.9827745

00:49:10.085 --> 00:49:11.765 but really to sharpen their

NOTE Confidence: 0.9827745

00:49:11.765 --> 00:49:13.785 clinical, personal, and communication

NOTE Confidence: 1

00:49:14.245 --> 00:49:14.745 skills.

NOTE Confidence: 0.98624134

00:49:15.609 --> 00:49:16.650 So this is the road

NOTE Confidence: 0.98624134

00:49:16.650 --> 00:49:18.589 map. All three are doable.
NOTE Confidence: 0.98624134

00:49:18.650 --> 00:49:20.190 All three are more powerful
NOTE Confidence: 0.9970703

00:49:20.810 --> 00:49:22.109 when child development
NOTE Confidence: 0.9970703

00:49:22.410 --> 00:49:22.910 expertise
NOTE Confidence: 0.99798584

00:49:23.530 --> 00:49:25.530 and museum expertise are in
NOTE Confidence: 0.99798584

00:49:25.530 --> 00:49:26.830 the room together.
NOTE Confidence: 0.99890137

00:49:28.575 --> 00:49:30.015 And I'd like to end
NOTE Confidence: 0.99890137

00:49:30.015 --> 00:49:31.075 where we began.
NOTE Confidence: 0.9920283

00:49:31.614 --> 00:49:32.735 A child in New York
NOTE Confidence: 0.9920283

00:49:32.735 --> 00:49:34.015 City drew their dad and
NOTE Confidence: 0.9920283

00:49:34.015 --> 00:49:35.795 called him their greatest strength.
NOTE Confidence: 0.9920283

00:49:35.855 --> 00:49:37.295 A room of older adults
NOTE Confidence: 0.9920283

00:49:37.295 --> 00:49:38.515 at MoMA found
NOTE Confidence: 0.96433514

00:49:38.895 --> 00:49:40.255 in front of Matisse that
NOTE Confidence: 0.96433514

00:49:40.255 --> 00:49:42.015 they weren't as alone as
NOTE Confidence: 0.96433514

00:49:42.015 --> 00:49:42.835 they'd felt.

NOTE Confidence: 0.9687771
00:49:43.350 --> 00:49:45.050 A group of Holocaust survivors
NOTE Confidence: 0.9687771
00:49:45.190 --> 00:49:46.710 began meeting each month at
NOTE Confidence: 0.9687771
00:49:46.710 --> 00:49:48.090 a deli in the Bronx
NOTE Confidence: 0.9687771
00:49:48.230 --> 00:49:50.330 after a virtual gallery program
NOTE Confidence: 0.9687771
00:49:50.390 --> 00:49:51.670 gave them a way to
NOTE Confidence: 0.9687771
00:49:51.670 --> 00:49:52.489 get started.
NOTE Confidence: 0.9968262
00:49:53.430 --> 00:49:54.489 Different ages,
NOTE Confidence: 0.9959717
00:49:54.870 --> 00:49:55.850 different circumstances,
NOTE Confidence: 1
00:49:56.550 --> 00:49:57.770 the same fundamental
NOTE Confidence: 0.9980469
00:49:58.150 --> 00:49:58.635 need.
NOTE Confidence: 0.9988098
00:49:59.675 --> 00:50:01.835 Art didn't solve anything. It
NOTE Confidence: 0.9988098
00:50:01.835 --> 00:50:03.135 created the conditions
NOTE Confidence: 0.85457355
00:50:03.515 --> 00:50:04.335 for a connection.
NOTE Confidence: 0.9389106
00:50:05.195 --> 00:50:06.875 And the question is what
NOTE Confidence: 0.9389106
00:50:06.875 --> 00:50:08.815 we build from here.
NOTE Confidence: 0.9992676

00:50:09.355 --> 00:50:10.094 Thank you.
NOTE Confidence: 0.7541504

00:50:25.370 --> 00:50:25.870 Question.
NOTE Confidence: 0.95134276

00:50:30.675 --> 00:50:33.395 Oh, Ari. That's nice. Hi,
NOTE Confidence: 0.95134276

00:50:33.395 --> 00:50:34.614 Ari. Can you hear me?
NOTE Confidence: 0.9162212

00:50:38.515 --> 00:50:39.875 Yes. I can. There you
NOTE Confidence: 0.9162212

00:50:39.875 --> 00:50:41.155 go. Maybe can we make
NOTE Confidence: 0.9162212

00:50:41.155 --> 00:50:42.989 her pin her? K. Hold
NOTE Confidence: 0.9162212

00:50:42.989 --> 00:50:44.210 on one second, Ari.
NOTE Confidence: 0.68481445

00:50:44.989 --> 00:50:45.489 Ari.
NOTE Confidence: 0.98859864

00:50:45.790 --> 00:50:47.489 From LA. Mhmm. Hi, Ari.
NOTE Confidence: 0.9970703

00:50:48.270 --> 00:50:48.770 Hello.
NOTE Confidence: 0.9998372

00:50:49.390 --> 00:50:50.450 I'd like to
NOTE Confidence: 0.99620223

00:50:50.750 --> 00:50:52.110 first of all, I'm blown
NOTE Confidence: 0.99620223

00:50:52.110 --> 00:50:53.410 away by this presentation.
NOTE Confidence: 1

00:50:53.790 --> 00:50:54.290 It's
NOTE Confidence: 0.97875977

00:50:54.670 --> 00:50:55.570 as wonderful,

NOTE Confidence: 0.93977123
00:50:57.405 --> 00:50:59.405 more wonderful than I expected.
NOTE Confidence: 0.93977123
00:50:59.405 --> 00:51:01.005 So thank you, Franchesca so
NOTE Confidence: 0.93977123
00:51:01.005 --> 00:51:01.505 much,
NOTE Confidence: 1
00:51:02.925 --> 00:51:03.425 for
NOTE Confidence: 0.8269043
00:51:03.725 --> 00:51:04.785 this and
NOTE Confidence: 0.9415649
00:51:05.325 --> 00:51:06.864 Linda, this is an incredible
NOTE Confidence: 0.9415649
00:51:07.085 --> 00:51:09.005 collaboration. It, it really hits
NOTE Confidence: 0.9415649
00:51:09.005 --> 00:51:10.525 on the nail while, while,
NOTE Confidence: 0.9415649
00:51:10.525 --> 00:51:12.360 why we started doing this.
NOTE Confidence: 0.90645343
00:51:13.000 --> 00:51:14.200 And I didn't realize it's
NOTE Confidence: 0.90645343
00:51:14.200 --> 00:51:16.140 been eight years until Andreas
NOTE Confidence: 0.90645343
00:51:16.200 --> 00:51:16.940 said that.
NOTE Confidence: 0.86016846
00:51:17.560 --> 00:51:18.680 And that's kind of,
NOTE Confidence: 0.8880615
00:51:19.560 --> 00:51:21.020 a rude awakening to,
NOTE Confidence: 0.95411515
00:51:21.880 --> 00:51:23.960 I think the MoMA people
NOTE Confidence: 0.95411515

00:51:23.960 --> 00:51:25.739 probably know about the Slifka

NOTE Confidence: 0.95411515

00:51:25.800 --> 00:51:27.020 family's connection

NOTE Confidence: 0.9895833

00:51:27.785 --> 00:51:28.685 to the museum.

NOTE Confidence: 0.99785155

00:51:29.864 --> 00:51:30.925 My mother-in-law

NOTE Confidence: 1

00:51:31.385 --> 00:51:31.885 donated

NOTE Confidence: 0.993042

00:51:32.185 --> 00:51:33.225 quite a few of,

NOTE Confidence: 0.91296387

00:51:34.105 --> 00:51:35.245 important paintings.

NOTE Confidence: 0.9922363

00:51:35.705 --> 00:51:36.925 So we have a connection

NOTE Confidence: 0.9922363

00:51:36.985 --> 00:51:38.765 there and my own connection

NOTE Confidence: 0.8760579

00:51:39.145 --> 00:51:40.844 with the child study center

NOTE Confidence: 0.8760579

00:51:40.985 --> 00:51:41.225 and,

NOTE Confidence: 0.97403973

00:51:42.650 --> 00:51:44.650 and this program is very

NOTE Confidence: 0.97403973

00:51:44.650 --> 00:51:45.690 near and dear to my

NOTE Confidence: 0.97403973

00:51:45.690 --> 00:51:46.670 heart. And,

NOTE Confidence: 0.99986047

00:51:48.489 --> 00:51:50.730 every single thing that was

NOTE Confidence: 0.99986047

00:51:50.730 --> 00:51:51.870 portrayed here

NOTE Confidence: 0.99176896
00:51:52.250 --> 00:51:53.610 is so right on and
NOTE Confidence: 0.99176896
00:51:53.610 --> 00:51:54.750 and and
NOTE Confidence: 0.99886066
00:51:55.585 --> 00:51:57.505 illustrates why we we need
NOTE Confidence: 0.99886066
00:51:57.505 --> 00:51:58.005 to
NOTE Confidence: 1
00:51:58.465 --> 00:51:59.525 be more inclusive
NOTE Confidence: 0.98413086
00:51:59.985 --> 00:52:01.185 when we look at a
NOTE Confidence: 0.98413086
00:52:01.185 --> 00:52:01.685 patient,
NOTE Confidence: 0.8986003
00:52:02.864 --> 00:52:03.765 at a client.
NOTE Confidence: 0.9573903
00:52:04.305 --> 00:52:05.585 I also love that you
NOTE Confidence: 0.9573903
00:52:05.585 --> 00:52:07.125 took it throughout the lifespan
NOTE Confidence: 0.9573903
00:52:07.344 --> 00:52:09.185 that you that that you
NOTE Confidence: 0.9573903
00:52:09.185 --> 00:52:10.245 showed the
NOTE Confidence: 1
00:52:10.569 --> 00:52:11.069 children
NOTE Confidence: 0.9734497
00:52:11.530 --> 00:52:12.670 and how they benefit,
NOTE Confidence: 0.9687012
00:52:13.049 --> 00:52:14.829 but also the older people.
NOTE Confidence: 0.98516846

00:52:16.250 --> 00:52:18.430 Loneliness is definitely rising.
NOTE Confidence: 0.9980469

00:52:19.770 --> 00:52:20.829 Social isolation
NOTE Confidence: 0.9849121

00:52:21.130 --> 00:52:22.410 is too. I like the
NOTE Confidence: 0.9849121

00:52:22.410 --> 00:52:24.625 distinction between the two, and
NOTE Confidence: 0.9849121

00:52:24.625 --> 00:52:25.825 I think we find it
NOTE Confidence: 0.9849121

00:52:25.825 --> 00:52:27.185 a lot in certain groups
NOTE Confidence: 0.9849121

00:52:27.185 --> 00:52:28.725 of our patients. For instance,
NOTE Confidence: 0.99572754

00:52:29.665 --> 00:52:31.745 the autistic patients I've had
NOTE Confidence: 0.99572754

00:52:31.745 --> 00:52:32.805 throughout the years
NOTE Confidence: 0.8623047

00:52:33.344 --> 00:52:34.405 would so benefit,
NOTE Confidence: 0.9867554

00:52:34.945 --> 00:52:36.565 from something like that,
NOTE Confidence: 0.9432951

00:52:37.329 --> 00:52:39.109 a program like that. And
NOTE Confidence: 0.9432951

00:52:39.170 --> 00:52:40.290 who better to do it
NOTE Confidence: 0.9432951

00:52:40.290 --> 00:52:41.969 than MoMA and the Child
NOTE Confidence: 0.9432951

00:52:41.969 --> 00:52:43.750 Study Center together? That's
NOTE Confidence: 0.98083496

00:52:44.050 --> 00:52:45.750 a real whopping combination.

NOTE Confidence: 0.99853516

00:52:47.010 --> 00:52:48.630 I feel honored that,

NOTE Confidence: 1

00:52:49.250 --> 00:52:49.989 this happened

NOTE Confidence: 0.9482422

00:52:50.450 --> 00:52:52.150 in this particular venue,

NOTE Confidence: 0.93440753

00:52:52.755 --> 00:52:54.674 And I thank you and

NOTE Confidence: 0.93440753

00:52:54.674 --> 00:52:55.174 Linda,

NOTE Confidence: 0.9695638

00:52:56.035 --> 00:52:56.535 Andres,

NOTE Confidence: 0.96049803

00:52:56.835 --> 00:52:59.335 and my committee, our committee,

NOTE Confidence: 0.95093644

00:53:01.474 --> 00:53:02.994 for pushing through and and

NOTE Confidence: 0.95093644

00:53:02.994 --> 00:53:04.755 continuing to grow this program.

NOTE Confidence: 0.95093644

00:53:04.755 --> 00:53:05.875 I only wish we could

NOTE Confidence: 0.95093644

00:53:05.875 --> 00:53:07.820 have someone from MoMA in

NOTE Confidence: 0.95093644

00:53:07.820 --> 00:53:09.660 residence for a week a

NOTE Confidence: 0.95093644

00:53:09.660 --> 00:53:10.800 a year to

NOTE Confidence: 0.90982056

00:53:11.100 --> 00:53:12.140 to make this That is

NOTE Confidence: 0.90982056

00:53:12.140 --> 00:53:12.960 a good idea.

NOTE Confidence: 0.9958052

00:53:14.060 --> 00:53:15.420 Okay. If you're open to
NOTE Confidence: 0.9958052

00:53:15.420 --> 00:53:17.020 the idea, we can we
NOTE Confidence: 0.9958052

00:53:17.020 --> 00:53:17.520 can,
NOTE Confidence: 0.9958496

00:53:17.900 --> 00:53:18.860 you know, we can all
NOTE Confidence: 0.9958496

00:53:18.860 --> 00:53:19.305 talk.
NOTE Confidence: 0.9611281

00:53:19.864 --> 00:53:21.065 Mhmm. We know people. We
NOTE Confidence: 0.9611281

00:53:21.065 --> 00:53:22.665 know people. And, by the
NOTE Confidence: 0.9611281

00:53:22.665 --> 00:53:23.944 way, the the committee that
NOTE Confidence: 0.9611281

00:53:23.944 --> 00:53:25.145 you mentioned since they're here,
NOTE Confidence: 0.9611281

00:53:25.145 --> 00:53:25.704 I don't know if you
NOTE Confidence: 0.9611281

00:53:25.704 --> 00:53:26.665 can see them, but we
NOTE Confidence: 0.9611281

00:53:26.665 --> 00:53:27.944 have Lori Cardona and, of
NOTE Confidence: 0.9611281

00:53:27.944 --> 00:53:29.085 course, Stan Posik.
NOTE Confidence: 0.9560547

00:53:30.184 --> 00:53:31.484 Hello. Hi, Ari.
NOTE Confidence: 0.87972003

00:53:32.070 --> 00:53:33.750 Hi. Thomas. Those are my
NOTE Confidence: 0.87972003

00:53:33.750 --> 00:53:34.250 peeps.

NOTE Confidence: 0.9225667

00:53:35.989 --> 00:53:37.530 Ari, this is Laurie Cardona.

NOTE Confidence: 0.9225667

00:53:37.590 --> 00:53:38.950 I support the artist in

NOTE Confidence: 0.9225667

00:53:38.950 --> 00:53:40.950 residence from MoMA coming to

NOTE Confidence: 0.9225667

00:53:40.950 --> 00:53:42.230 the child study center and

NOTE Confidence: 0.9225667

00:53:42.230 --> 00:53:43.830 Winnie one and all our

NOTE Confidence: 0.9225667

00:53:43.830 --> 00:53:45.270 programs. I love that idea.

NOTE Confidence: 0.9225667

00:53:45.270 --> 00:53:46.250 Underline that.

NOTE Confidence: 0.8625895

00:53:47.175 --> 00:53:48.395 Underline. Good.

NOTE Confidence: 0.94437665

00:53:48.695 --> 00:53:50.055 Good. Good, Laurie. So I

NOTE Confidence: 0.94437665

00:53:50.135 --> 00:53:51.335 I'm sure Andreas will push

NOTE Confidence: 0.94437665

00:53:51.335 --> 00:53:51.995 it through.

NOTE Confidence: 0.95732117

00:53:53.655 --> 00:53:55.175 Great. I love it. And

NOTE Confidence: 0.95732117

00:53:55.175 --> 00:53:56.635 and I I don't really

NOTE Confidence: 0.95732117

00:53:56.695 --> 00:53:58.215 see Linda not loving it.

NOTE Confidence: 0.95732117

00:53:58.215 --> 00:53:58.715 So

NOTE Confidence: 0.79249793

00:54:00.295 --> 00:54:01.539 yeah. So I'm I'm very
NOTE Confidence: 0.79249793

00:54:01.539 --> 00:54:02.359 much aware.
NOTE Confidence: 0.948857

00:54:04.180 --> 00:54:05.219 You know you know, Ari,
NOTE Confidence: 0.948857

00:54:05.219 --> 00:54:06.019 we have and and I
NOTE Confidence: 0.948857

00:54:06.019 --> 00:54:07.539 had mentioned to Francesca, we
NOTE Confidence: 0.948857

00:54:07.539 --> 00:54:08.440 have some fellows
NOTE Confidence: 0.9912923

00:54:08.819 --> 00:54:09.940 who are, like, make not
NOTE Confidence: 0.9912923

00:54:09.940 --> 00:54:11.140 making eye contact with me
NOTE Confidence: 0.9912923

00:54:11.140 --> 00:54:11.880 right now,
NOTE Confidence: 0.998291

00:54:12.819 --> 00:54:14.039 but who are artists
NOTE Confidence: 0.97872925

00:54:14.660 --> 00:54:16.420 and whose thoughts I really
NOTE Confidence: 0.97872925

00:54:16.420 --> 00:54:17.355 want to know.
NOTE Confidence: 0.88887537

00:54:18.395 --> 00:54:19.215 Doctor. Chopra.
NOTE Confidence: 0.991333

00:54:19.835 --> 00:54:21.675 Yeah. Hi. That was amazing.
NOTE Confidence: 0.991333

00:54:21.675 --> 00:54:22.734 I had a great time.
NOTE Confidence: 0.98291016

00:54:24.475 --> 00:54:24.975 Actually

NOTE Confidence: 0.8691162

00:54:25.594 --> 00:54:27.195 kind of especially like the

NOTE Confidence: 0.8691162

00:54:27.195 --> 00:54:29.055 lifespan situation that you mentioned.

NOTE Confidence: 0.9813477

00:54:30.810 --> 00:54:32.170 Whenever I hear things like

NOTE Confidence: 0.9813477

00:54:32.170 --> 00:54:33.210 this because I love like

NOTE Confidence: 0.9813477

00:54:33.210 --> 00:54:34.330 I love to practice art

NOTE Confidence: 0.9813477

00:54:34.330 --> 00:54:35.050 and then I love to

NOTE Confidence: 0.9813477

00:54:35.050 --> 00:54:36.989 practice psychiatry and child psychiatry

NOTE Confidence: 0.9621804

00:54:37.370 --> 00:54:39.130 so whenever I hear something

NOTE Confidence: 0.9621804

00:54:39.130 --> 00:54:40.570 like this it's I I

NOTE Confidence: 0.9621804

00:54:40.570 --> 00:54:41.770 keep thinking about how I

NOTE Confidence: 0.9621804

00:54:41.770 --> 00:54:42.890 can be more involved in

NOTE Confidence: 0.9621804

00:54:42.890 --> 00:54:43.630 that like

NOTE Confidence: 0.99975586

00:54:44.035 --> 00:54:45.815 middle space of providing

NOTE Confidence: 0.9953613

00:54:46.114 --> 00:54:48.135 both art and psychiatry

NOTE Confidence: 0.989186

00:54:48.435 --> 00:54:49.655 because I feel like it's

NOTE Confidence: 0.989186

00:54:49.715 --> 00:54:51.235 it's so linked and art
NOTE Confidence: 0.989186

00:54:51.235 --> 00:54:52.594 is psychiatry as well in
NOTE Confidence: 0.989186

00:54:52.594 --> 00:54:53.175 a way
NOTE Confidence: 0.9811581

00:54:53.875 --> 00:54:55.555 so I appreciate you and
NOTE Confidence: 0.9811581

00:54:55.555 --> 00:54:56.995 I appreciate I'm like thinking
NOTE Confidence: 0.9811581

00:54:56.995 --> 00:54:58.275 about things now so I'm
NOTE Confidence: 0.9811581

00:54:58.275 --> 00:54:59.335 excited to
NOTE Confidence: 0.94451034

00:54:59.710 --> 00:55:01.150 get the wheels moving. But,
NOTE Confidence: 0.94451034

00:55:01.150 --> 00:55:01.890 yeah, thank
NOTE Confidence: 0.9119714

00:55:02.350 --> 00:55:03.790 you. Maybe we could think
NOTE Confidence: 0.9119714

00:55:03.790 --> 00:55:04.910 of a child study center
NOTE Confidence: 0.9119714

00:55:04.910 --> 00:55:06.510 fellow at MoMA too. Or
NOTE Confidence: 0.9119714

00:55:06.590 --> 00:55:07.469 no. No. I thought about
NOTE Confidence: 0.9119714

00:55:07.469 --> 00:55:08.530 it. Okay. Anyway
NOTE Confidence: 0.8225886

00:55:09.150 --> 00:55:10.510 Well, I suppose it's love.
NOTE Confidence: 0.8225886

00:55:10.510 --> 00:55:11.550 That would be a waste.

NOTE Confidence: 0.8225886
00:55:11.550 --> 00:55:13.489 Any other questions or comments?
NOTE Confidence: 0.8225886
00:55:13.575 --> 00:55:14.454 I I can't see who
NOTE Confidence: 0.8225886
00:55:14.454 --> 00:55:15.515 else is. Yeah. Online?
NOTE Confidence: 0.9674815
00:55:17.655 --> 00:55:18.855 Nope. I have a question.
NOTE Confidence: 0.9674815
00:55:18.855 --> 00:55:20.535 Oh, hi, Bridget. Hi, guys.
NOTE Confidence: 0.9674815
00:55:20.535 --> 00:55:22.055 Hello. Hi. Thank you so
NOTE Confidence: 0.9674815
00:55:22.055 --> 00:55:23.494 much for this discussion. My
NOTE Confidence: 0.9674815
00:55:23.494 --> 00:55:24.614 name is Bridget Torres. I'm
NOTE Confidence: 0.9674815
00:55:24.614 --> 00:55:26.055 a clinician and supervisor at
NOTE Confidence: 0.9674815
00:55:26.055 --> 00:55:27.195 the Child Study Center.
NOTE Confidence: 0.95132107
00:55:28.290 --> 00:55:30.130 I was wondering because I
NOTE Confidence: 0.95132107
00:55:30.130 --> 00:55:32.130 think a program like what
NOTE Confidence: 0.95132107
00:55:32.130 --> 00:55:33.489 you guys provide at MoMA
NOTE Confidence: 0.95132107
00:55:33.489 --> 00:55:34.550 would be so
NOTE Confidence: 0.9329427
00:55:35.250 --> 00:55:36.870 so beneficial to the communities
NOTE Confidence: 0.9329427

00:55:36.930 --> 00:55:38.070 that we serve here.
NOTE Confidence: 0.97457886

00:55:38.850 --> 00:55:40.130 And one of the things
NOTE Confidence: 0.97457886

00:55:40.130 --> 00:55:41.250 that I think comes up
NOTE Confidence: 0.97457886

00:55:41.250 --> 00:55:42.555 as kind of a barrier
NOTE Confidence: 0.97457886

00:55:42.635 --> 00:55:43.675 can feel like a barrier
NOTE Confidence: 0.97457886

00:55:43.675 --> 00:55:44.815 is that there's this,
NOTE Confidence: 0.99012977

00:55:46.395 --> 00:55:48.015 sometimes feels like a distinction
NOTE Confidence: 0.99012977

00:55:48.075 --> 00:55:49.594 between the Yale community and
NOTE Confidence: 0.99012977

00:55:49.594 --> 00:55:51.135 the New Haven community
NOTE Confidence: 0.95912004

00:55:52.474 --> 00:55:53.435 and the level of kind
NOTE Confidence: 0.95912004

00:55:53.435 --> 00:55:54.630 of trust with our,
NOTE Confidence: 0.9980294

00:55:55.190 --> 00:55:56.469 institutions. And so I was
NOTE Confidence: 0.9980294

00:55:56.469 --> 00:55:57.670 wondering what it has been
NOTE Confidence: 0.9980294

00:55:57.670 --> 00:55:59.130 like to help people
NOTE Confidence: 0.95735025

00:55:59.829 --> 00:56:01.130 from the New York community
NOTE Confidence: 0.95735025

00:56:01.190 --> 00:56:02.549 come into MoMA, a place

NOTE Confidence: 0.95735025

00:56:02.549 --> 00:56:03.589 that could maybe feel not

NOTE Confidence: 0.95735025

00:56:03.589 --> 00:56:05.349 comfortable for everybody and have

NOTE Confidence: 0.95735025

00:56:05.349 --> 00:56:07.515 them feel like both that

NOTE Confidence: 0.9801495

00:56:07.815 --> 00:56:08.935 they are comfortable there, but

NOTE Confidence: 0.9801495

00:56:08.935 --> 00:56:10.055 also that they belong and

NOTE Confidence: 0.9801495

00:56:10.055 --> 00:56:10.695 that they can,

NOTE Confidence: 0.9713135

00:56:11.335 --> 00:56:12.155 create art.

NOTE Confidence: 0.95359296

00:56:13.175 --> 00:56:14.614 Francesca, before you answer, I

NOTE Confidence: 0.95359296

00:56:14.614 --> 00:56:15.575 just wanna say I see

NOTE Confidence: 0.95359296

00:56:15.575 --> 00:56:16.475 Linda Friedlander

NOTE Confidence: 0.9321707

00:56:17.015 --> 00:56:18.535 online. So, Linda, if you're

NOTE Confidence: 0.9321707

00:56:18.535 --> 00:56:20.215 comfortable, you'll go next. Okay?

NOTE Confidence: 0.9321707

00:56:20.215 --> 00:56:21.415 Because I I really wanna

NOTE Confidence: 0.9321707

00:56:21.415 --> 00:56:22.560 know what you're thinking about

NOTE Confidence: 0.9321707

00:56:22.719 --> 00:56:23.680 and to share about New

NOTE Confidence: 0.9321707

00:56:23.680 --> 00:56:25.200 Haven. So, Francesca, please, we're

NOTE Confidence: 0.9321707

00:56:25.200 --> 00:56:26.719 just gonna Thank you, Bridget,

NOTE Confidence: 0.9321707

00:56:26.719 --> 00:56:27.200 for that,

NOTE Confidence: 0.95874023

00:56:27.680 --> 00:56:28.180 very,

NOTE Confidence: 0.9996745

00:56:28.560 --> 00:56:29.940 very important question.

NOTE Confidence: 0.99902344

00:56:30.560 --> 00:56:32.880 We we absolutely have the

NOTE Confidence: 0.99902344

00:56:32.880 --> 00:56:33.380 same

NOTE Confidence: 0.9995117

00:56:34.000 --> 00:56:34.500 challenges.

NOTE Confidence: 0.9937529

00:56:35.244 --> 00:56:36.765 I feel like MoMA can

NOTE Confidence: 0.9937529

00:56:36.765 --> 00:56:38.605 be a very off putting

NOTE Confidence: 0.9937529

00:56:38.605 --> 00:56:39.965 place if it's not somewhere

NOTE Confidence: 0.9937529

00:56:39.965 --> 00:56:40.705 that you,

NOTE Confidence: 0.9880371

00:56:41.244 --> 00:56:42.844 you know, grew up going

NOTE Confidence: 0.9880371

00:56:42.844 --> 00:56:43.344 to.

NOTE Confidence: 0.9160156

00:56:44.525 --> 00:56:45.025 There

NOTE Confidence: 0.96983755

00:56:45.724 --> 00:56:46.925 it may not feel like

NOTE Confidence: 0.96983755
00:56:46.925 --> 00:56:49.200 it's for you. And, there's
NOTE Confidence: 0.96983755
00:56:49.200 --> 00:56:49.700 certainly
NOTE Confidence: 0.9995117
00:56:50.320 --> 00:56:51.460 economic barriers
NOTE Confidence: 0.9975586
00:56:51.840 --> 00:56:52.340 to,
NOTE Confidence: 0.99853516
00:56:52.880 --> 00:56:53.540 to visiting
NOTE Confidence: 0.9872559
00:56:53.920 --> 00:56:56.160 for some people and a
NOTE Confidence: 0.9872559
00:56:56.160 --> 00:56:58.020 whole host of reasons why,
NOTE Confidence: 0.9760298
00:56:58.800 --> 00:57:00.635 you wouldn't step foot in
NOTE Confidence: 0.9760298
00:57:00.635 --> 00:57:02.395 the museum. And so, yes,
NOTE Confidence: 0.9760298
00:57:02.395 --> 00:57:02.895 we,
NOTE Confidence: 0.99853516
00:57:04.395 --> 00:57:05.055 we do
NOTE Confidence: 0.9995117
00:57:05.355 --> 00:57:06.494 a lot of outreach.
NOTE Confidence: 0.9991319
00:57:07.114 --> 00:57:08.815 We do a lot of
NOTE Confidence: 0.9991319
00:57:08.875 --> 00:57:10.494 work in the community
NOTE Confidence: 0.5180664
00:57:11.275 --> 00:57:11.775 talking
NOTE Confidence: 1

00:57:12.075 --> 00:57:12.575 with,
NOTE Confidence: 1

00:57:13.355 --> 00:57:14.815 you know, with coordinators
NOTE Confidence: 0.9453125

00:57:15.719 --> 00:57:16.120 from,
NOTE Confidence: 0.9543457

00:57:16.520 --> 00:57:17.020 teachers,
NOTE Confidence: 0.95681155

00:57:17.960 --> 00:57:19.480 health care professionals, you know,
NOTE Confidence: 0.95681155

00:57:19.480 --> 00:57:20.780 sort of the point people
NOTE Confidence: 0.9871216

00:57:21.160 --> 00:57:22.780 from the outside communities,
NOTE Confidence: 0.9980469

00:57:23.400 --> 00:57:23.900 and
NOTE Confidence: 0.9932251

00:57:24.520 --> 00:57:26.780 really asking them what,
NOTE Confidence: 1

00:57:27.320 --> 00:57:28.060 what their
NOTE Confidence: 0.99243164

00:57:28.845 --> 00:57:30.365 clients, what their students,
NOTE Confidence: 0.97314453

00:57:31.484 --> 00:57:33.165 want. What and and what
NOTE Confidence: 0.97314453

00:57:33.165 --> 00:57:34.065 are they doing
NOTE Confidence: 1

00:57:34.845 --> 00:57:36.145 in those classrooms
NOTE Confidence: 0.9951172

00:57:36.445 --> 00:57:38.385 and in the community centers
NOTE Confidence: 0.9951172

00:57:38.445 --> 00:57:38.945 that,

NOTE Confidence: 0.9493103

00:57:39.484 --> 00:57:40.865 that we can build upon

NOTE Confidence: 0.9493103

00:57:41.085 --> 00:57:42.605 using art? And,

NOTE Confidence: 0.9881999

00:57:43.700 --> 00:57:45.140 we follow a model of

NOTE Confidence: 0.9881999

00:57:45.140 --> 00:57:45.640 cocreation

NOTE Confidence: 0.953125

00:57:46.099 --> 00:57:46.920 where we're

NOTE Confidence: 0.99975586

00:57:47.220 --> 00:57:48.119 trying to,

NOTE Confidence: 0.9964933

00:57:48.500 --> 00:57:50.500 you know, bring whoever it

NOTE Confidence: 0.9964933

00:57:50.500 --> 00:57:52.099 is in as a real

NOTE Confidence: 0.9964933

00:57:52.099 --> 00:57:52.599 partner

NOTE Confidence: 0.983963

00:57:53.220 --> 00:57:54.660 to work together to make

NOTE Confidence: 0.983963

00:57:54.660 --> 00:57:55.859 sure that we're what we're

NOTE Confidence: 0.983963

00:57:55.859 --> 00:57:57.720 going to offer the audience

NOTE Confidence: 0.983963

00:57:57.779 --> 00:57:58.279 is,

NOTE Confidence: 0.9940918

00:57:59.115 --> 00:58:01.135 is of interest, is fitting,

NOTE Confidence: 0.82006836

00:58:01.515 --> 00:58:02.015 is,

NOTE Confidence: 0.990544

00:58:03.195 --> 00:58:04.635 is is the right thing.
NOTE Confidence: 0.990544

00:58:04.635 --> 00:58:06.395 And so and sometimes, you
NOTE Confidence: 0.990544

00:58:06.395 --> 00:58:07.595 know, we'll do a program
NOTE Confidence: 0.990544

00:58:07.595 --> 00:58:08.795 and, you know, parts of
NOTE Confidence: 0.990544

00:58:08.795 --> 00:58:10.075 it were wonderful, but parts
NOTE Confidence: 0.990544

00:58:10.075 --> 00:58:10.795 of it need to be
NOTE Confidence: 0.990544

00:58:10.795 --> 00:58:12.540 improved on. And we are
NOTE Confidence: 0.990544

00:58:12.540 --> 00:58:14.300 always, you know, surveying and
NOTE Confidence: 0.990544

00:58:14.300 --> 00:58:14.800 assessing
NOTE Confidence: 0.9519043

00:58:15.100 --> 00:58:15.580 and,
NOTE Confidence: 1

00:58:15.900 --> 00:58:16.400 learning
NOTE Confidence: 0.98272705

00:58:17.180 --> 00:58:18.540 from from what we do.
NOTE Confidence: 0.98272705

00:58:18.540 --> 00:58:19.740 We see the museum as
NOTE Confidence: 0.98272705

00:58:19.740 --> 00:58:20.320 a lab,
NOTE Confidence: 0.9995117

00:58:20.860 --> 00:58:21.520 our own
NOTE Confidence: 0.91854656

00:58:22.140 --> 00:58:23.820 not a you know, different

NOTE Confidence: 0.91854656
00:58:23.820 --> 00:58:25.440 than a science lab, but
NOTE Confidence: 0.91854656
00:58:25.674 --> 00:58:26.414 in many ways, the same,
NOTE Confidence: 0.99678546
00:58:27.434 --> 00:58:29.055 where we're trying things out
NOTE Confidence: 0.99678546
00:58:29.194 --> 00:58:29.674 and,
NOTE Confidence: 0.8580322
00:58:30.075 --> 00:58:30.734 and learning.
NOTE Confidence: 0.97214645
00:58:31.035 --> 00:58:32.714 Always learning. And maybe one
NOTE Confidence: 0.97214645
00:58:32.714 --> 00:58:34.635 last comment. And Linda has
NOTE Confidence: 0.97214645
00:58:34.635 --> 00:58:35.434 run a lab here in
NOTE Confidence: 0.97214645
00:58:35.434 --> 00:58:36.635 New Haven for many years.
NOTE Confidence: 0.97214645
00:58:36.635 --> 00:58:37.914 It's incredibly special. Linda, do
NOTE Confidence: 0.97214645
00:58:37.914 --> 00:58:39.194 you wanna comment on your
NOTE Confidence: 0.97214645
00:58:39.194 --> 00:58:40.255 lab and your thoughts?
NOTE Confidence: 0.9562897
00:58:41.230 --> 00:58:43.410 Yes. Thank you for Franchesca
NOTE Confidence: 0.9562897
00:58:43.550 --> 00:58:45.090 for the wonderful presentation,
NOTE Confidence: 0.99991125
00:58:46.110 --> 00:58:47.150 for the work that you
NOTE Confidence: 0.99991125

00:58:47.150 --> 00:58:48.290 and all of your colleagues
NOTE Confidence: 0.99991125

00:58:48.350 --> 00:58:48.850 do
NOTE Confidence: 0.8343099

00:58:49.230 --> 00:58:50.290 and for everybody
NOTE Confidence: 0.9998047

00:58:51.150 --> 00:58:52.770 in the audience who supports
NOTE Confidence: 0.99609375

00:58:53.310 --> 00:58:53.810 helping
NOTE Confidence: 0.7993164

00:58:54.270 --> 00:58:54.770 individuals,
NOTE Confidence: 0.984654

00:58:56.615 --> 00:58:57.494 no matter what we are
NOTE Confidence: 0.984654

00:58:57.494 --> 00:58:59.194 doing with them. I think
NOTE Confidence: 0.984654

00:58:59.335 --> 00:59:00.474 the issue of loneliness,
NOTE Confidence: 0.9998047

00:59:01.575 --> 00:59:03.035 is a really big one.
NOTE Confidence: 0.9966634

00:59:03.494 --> 00:59:04.535 It is one that is
NOTE Confidence: 0.9966634

00:59:04.535 --> 00:59:05.035 becoming
NOTE Confidence: 0.999163

00:59:05.494 --> 00:59:07.095 more and more significant in
NOTE Confidence: 0.999163

00:59:07.095 --> 00:59:07.914 the autism
NOTE Confidence: 1

00:59:08.214 --> 00:59:08.714 community.
NOTE Confidence: 0.9470215

00:59:09.815 --> 00:59:10.775 There've been a lot of

NOTE Confidence: 0.9470215
00:59:10.775 --> 00:59:12.980 studies done and when,
NOTE Confidence: 0.99450684
00:59:13.600 --> 00:59:14.820 individuals on,
NOTE Confidence: 0.9983724
00:59:16.160 --> 00:59:17.220 that are autistic
NOTE Confidence: 0.87768555
00:59:17.520 --> 00:59:18.340 reach their,
NOTE Confidence: 0.7709554
00:59:20.320 --> 00:59:21.619 age, their, their,
NOTE Confidence: 0.9522298
00:59:23.119 --> 00:59:25.040 late teens, early twenties, that
NOTE Confidence: 0.9522298
00:59:25.040 --> 00:59:26.180 the issue of loneliness,
NOTE Confidence: 0.98841274
00:59:27.435 --> 00:59:29.275 really does set in. There's
NOTE Confidence: 0.98841274
00:59:29.275 --> 00:59:30.395 been a lot of very
NOTE Confidence: 0.98841274
00:59:30.395 --> 00:59:31.775 interesting studies done,
NOTE Confidence: 0.97717285
00:59:33.915 --> 00:59:34.735 in Europe,
NOTE Confidence: 0.9676921
00:59:35.675 --> 00:59:36.895 tracking their feelings,
NOTE Confidence: 0.9365845
00:59:37.995 --> 00:59:39.915 having them recorded on some
NOTE Confidence: 0.9365845
00:59:39.915 --> 00:59:41.355 kind of a super duper
NOTE Confidence: 0.9365845
00:59:41.355 --> 00:59:42.415 gadget watch,
NOTE Confidence: 0.97216797

00:59:42.930 --> 00:59:43.750 where they,
NOTE Confidence: 0.8737522

00:59:44.450 --> 00:59:45.970 keep track of when the
NOTE Confidence: 0.8737522

00:59:45.970 --> 00:59:47.750 cells are feeling lonely.
NOTE Confidence: 0.9956868

00:59:48.450 --> 00:59:49.270 And I think,
NOTE Confidence: 0.99243164

00:59:49.810 --> 00:59:51.170 you're so right in terms
NOTE Confidence: 0.99243164

00:59:51.170 --> 00:59:52.230 of both ends
NOTE Confidence: 0.9465332

00:59:52.609 --> 00:59:54.050 of the spectrum in terms
NOTE Confidence: 0.9465332

00:59:54.050 --> 00:59:55.030 of age groups.
NOTE Confidence: 0.9986328

00:59:56.050 --> 00:59:57.750 And we all know what
NOTE Confidence: 0.999662

00:59:58.555 --> 00:59:59.835 many things that are changing
NOTE Confidence: 0.999662

00:59:59.835 --> 01:00:01.435 within our society are doing
NOTE Confidence: 0.999662

01:00:01.435 --> 01:00:02.815 to younger people.
NOTE Confidence: 0.9593099

01:00:03.675 --> 01:00:04.895 I I think,
NOTE Confidence: 0.98833007

01:00:06.555 --> 01:00:07.595 you know, I I just
NOTE Confidence: 0.96397984

01:00:10.980 --> 01:00:12.180 the, the issue of getting
NOTE Confidence: 0.96397984

01:00:12.180 --> 01:00:14.200 people into the museum is

NOTE Confidence: 0.96397984
01:00:14.260 --> 01:00:15.400 one of trust.
NOTE Confidence: 0.9986084
01:00:16.420 --> 01:00:17.540 I have been working for
NOTE Confidence: 0.9986084
01:00:17.540 --> 01:00:19.000 a very long time now.
NOTE Confidence: 0.8998481
01:00:19.460 --> 01:00:20.420 I work at the Yale
NOTE Confidence: 0.8998481
01:00:20.420 --> 01:00:21.640 Center for British Art,
NOTE Confidence: 0.9534579
01:00:22.340 --> 01:00:24.180 and did a symposium in
NOTE Confidence: 0.9534579
01:00:24.180 --> 01:00:25.380 the fall just to help
NOTE Confidence: 0.9534579
01:00:25.380 --> 01:00:25.880 raise
NOTE Confidence: 0.7492676
01:00:26.225 --> 01:00:26.725 awareness.
NOTE Confidence: 1
01:00:27.265 --> 01:00:28.565 We did multiple
NOTE Confidence: 0.9992676
01:00:28.865 --> 01:00:30.565 audits of our space
NOTE Confidence: 0.9879802
01:00:31.265 --> 01:00:33.585 by different age groups of,
NOTE Confidence: 0.9879802
01:00:33.905 --> 01:00:36.065 people on the spectrum and
NOTE Confidence: 0.9879802
01:00:36.065 --> 01:00:37.905 what worked for them within
NOTE Confidence: 0.9879802
01:00:37.905 --> 01:00:39.205 the space and what didn't.
NOTE Confidence: 0.98327637

01:00:39.585 --> 01:00:40.965 I think that our,
NOTE Confidence: 0.97802734

01:00:41.820 --> 01:00:42.480 art institutions
NOTE Confidence: 0.9998047

01:00:43.260 --> 01:00:44.560 need to have a commitment
NOTE Confidence: 0.9992676

01:00:45.020 --> 01:00:46.160 to making the changes
NOTE Confidence: 0.99921876

01:00:46.780 --> 01:00:48.720 that make people feel safe
NOTE Confidence: 0.9970703

01:00:49.020 --> 01:00:49.760 and wanted
NOTE Confidence: 0.9855957

01:00:50.060 --> 01:00:50.880 and welcomed,
NOTE Confidence: 0.9991862

01:00:51.660 --> 01:00:52.720 in our spaces.
NOTE Confidence: 0.9998047

01:00:53.100 --> 01:00:55.005 I think the idea of
NOTE Confidence: 0.98791504

01:00:55.644 --> 01:00:56.545 looking at,
NOTE Confidence: 0.92402345

01:00:57.565 --> 01:00:59.585 art no matter what nationality
NOTE Confidence: 0.94399416

01:01:00.125 --> 01:01:02.464 or formation it is, is,
NOTE Confidence: 0.99768066

01:01:03.404 --> 01:01:04.944 something that is ubiquitously
NOTE Confidence: 1

01:01:05.565 --> 01:01:06.065 attractive
NOTE Confidence: 0.9916992

01:01:06.525 --> 01:01:07.184 to people.
NOTE Confidence: 0.9970703

01:01:08.125 --> 01:01:09.744 And I think we

NOTE Confidence: 0.99886066
01:01:10.830 --> 01:01:12.610 would love to have more
NOTE Confidence: 0.99886066
01:01:12.750 --> 01:01:13.250 conversations
NOTE Confidence: 0.9658203
01:01:13.550 --> 01:01:14.050 with,
NOTE Confidence: 0.9267985
01:01:14.990 --> 01:01:16.910 Doctor. Mayes and other folks
NOTE Confidence: 0.9267985
01:01:16.910 --> 01:01:17.230 at,
NOTE Confidence: 0.9119873
01:01:17.870 --> 01:01:19.390 the Child Study Center in
NOTE Confidence: 0.9119873
01:01:19.390 --> 01:01:20.930 terms of how to get,
NOTE Confidence: 0.9788208
01:01:22.030 --> 01:01:23.410 people within the museum,
NOTE Confidence: 0.98095703
01:01:24.335 --> 01:01:25.775 people to get to and
NOTE Confidence: 0.98095703
01:01:25.775 --> 01:01:26.595 in the museum
NOTE Confidence: 0.9803874
01:01:27.135 --> 01:01:29.535 to perhaps have more trust
NOTE Confidence: 0.9803874
01:01:29.535 --> 01:01:30.035 in
NOTE Confidence: 0.95751953
01:01:30.335 --> 01:01:30.835 our,
NOTE Confidence: 0.9902669
01:01:32.654 --> 01:01:34.015 our programming and what it's
NOTE Confidence: 0.9902669
01:01:34.015 --> 01:01:35.375 all about and how we
NOTE Confidence: 0.9902669

01:01:35.375 --> 01:01:37.234 best get the word out.
NOTE Confidence: 0.97249347

01:01:39.010 --> 01:01:39.910 Thank you, Linda.
NOTE Confidence: 0.9995117

01:01:40.610 --> 01:01:41.670 Any last words?
NOTE Confidence: 0.9824524

01:01:42.770 --> 01:01:44.210 Thank you, Linda, for those
NOTE Confidence: 0.9824524

01:01:44.210 --> 01:01:45.650 comments. I agree. It is
NOTE Confidence: 0.9824524

01:01:45.650 --> 01:01:47.430 it is about building trust,
NOTE Confidence: 0.9824524

01:01:47.570 --> 01:01:47.970 and,
NOTE Confidence: 0.9991737

01:01:48.450 --> 01:01:50.050 I hope that that you
NOTE Confidence: 0.9991737

01:01:50.050 --> 01:01:51.650 and I can talk more
NOTE Confidence: 0.9991737

01:01:51.650 --> 01:01:52.790 about this too.
NOTE Confidence: 0.98552597

01:01:53.090 --> 01:01:55.005 We went to the the
NOTE Confidence: 0.98552597

01:01:55.005 --> 01:01:55.825 British Museum,
NOTE Confidence: 0.90771484

01:01:56.684 --> 01:01:58.204 earlier this morning, and,
NOTE Confidence: 0.9958496

01:01:59.244 --> 01:02:00.305 and what a wonderful
NOTE Confidence: 0.951416

01:02:00.765 --> 01:02:02.924 place, an incredible resource for
NOTE Confidence: 0.951416

01:02:02.924 --> 01:02:04.305 the community. So,

NOTE Confidence: 0.98617274

01:02:05.786 --> 01:02:07.627 with that, I thank you

NOTE Confidence: 0.98617274

01:02:07.627 --> 01:02:09.327 all for being here today

NOTE Confidence: 0.98617274

01:02:09.546 --> 01:02:10.046 and,

NOTE Confidence: 0.9892578

01:02:11.147 --> 01:02:12.127 to more conversations

NOTE Confidence: 1

01:02:12.427 --> 01:02:13.167 in the future.
