

DO YOU HAVE A CHILD WITH INTELLECTUAL DISABILITY?

The McPartland Lab at the Yale School of Medicine is seeking **children ages 6-17** on the **autism spectrum and/or with intellectual disability** to participate in our study and help us learn about brain development.

Participants will receive a clinical evaluation and report, as well as up to \$300 compensation.

Scan the code or contact our team at
203-737-3439 or autism@yale.edu
