

WEBVTT

NOTE duration: "00:59:48.720"

NOTE Confidence: 0.9608537

00:00:00.080 --> 00:00:00.740 In medicine.

NOTE Confidence: 0.98031133

00:00:01.360 --> 00:00:02.560 My name is Anna Reisman.

NOTE Confidence: 0.98031133

00:00:02.560 --> 00:00:03.360 I'm the director of the

NOTE Confidence: 0.98031133

00:00:03.360 --> 00:00:03.860 program,

NOTE Confidence: 0.99849415

00:00:04.319 --> 00:00:05.779 and I'm thrilled

NOTE Confidence: 0.999794

00:00:06.080 --> 00:00:07.200 that so many people are

NOTE Confidence: 0.999794

00:00:07.200 --> 00:00:08.500 here. This is great.

NOTE Confidence: 0.9487994

00:00:09.280 --> 00:00:10.559 So I wanna welcome you

NOTE Confidence: 0.9487994

00:00:10.559 --> 00:00:12.975 to the doctor Dillard Morris

NOTE Confidence: 0.9487994

00:00:12.975 --> 00:00:13.875 Dillard lecture.

NOTE Confidence: 0.9919187

00:00:14.415 --> 00:00:15.615 Doctor Dillard was part of

NOTE Confidence: 0.9919187

00:00:15.615 --> 00:00:17.635 the general internal medicine faculty,

NOTE Confidence: 0.9919187

00:00:17.855 --> 00:00:19.295 and he created the Wednesday

NOTE Confidence: 0.9919187

00:00:19.295 --> 00:00:20.114 evening clinic.

NOTE Confidence: 0.9911766

00:00:20.575 --> 00:00:21.075 And,
NOTE Confidence: 0.96436274

00:00:23.775 --> 00:00:25.454 I've invited Kathleen White, who
NOTE Confidence: 0.96436274

00:00:25.454 --> 00:00:26.494 was also the director of
NOTE Confidence: 0.96436274

00:00:26.494 --> 00:00:27.870 the Wednesday evening clinic,
NOTE Confidence: 0.99658287

00:00:28.430 --> 00:00:29.470 for quite a few years
NOTE Confidence: 0.99658287

00:00:29.470 --> 00:00:30.430 to say a couple of
NOTE Confidence: 0.99658287

00:00:30.430 --> 00:00:31.870 words about doctor Dillard, and
NOTE Confidence: 0.99658287

00:00:31.870 --> 00:00:33.490 then I'll introduce our speakers.
NOTE Confidence: 0.97244173

00:00:38.270 --> 00:00:39.550 Hi. I'm wondering if any
NOTE Confidence: 0.97244173

00:00:39.550 --> 00:00:41.010 of you are MD PhD
NOTE Confidence: 0.97244173

00:00:41.070 --> 00:00:41.570 students.
NOTE Confidence: 0.9807898

00:00:42.305 --> 00:00:44.225 So then you have doctor
NOTE Confidence: 0.9807898

00:00:44.225 --> 00:00:45.344 Dillard to thank for the
NOTE Confidence: 0.9807898

00:00:45.344 --> 00:00:46.784 Wednesday evening clinic, which are
NOTE Confidence: 0.9807898

00:00:46.784 --> 00:00:48.085 you familiar with it?
NOTE Confidence: 0.975063

00:00:48.864 --> 00:00:50.725 You're in it. Okay. Wonderful.

NOTE Confidence: 0.975063
00:00:50.945 --> 00:00:51.445 Okay.
NOTE Confidence: 0.9925486
00:00:51.985 --> 00:00:52.385 So,
NOTE Confidence: 0.9600484
00:00:52.864 --> 00:00:53.504 I was a,
NOTE Confidence: 0.9934596
00:00:54.305 --> 00:00:55.504 I was in the I
NOTE Confidence: 0.9934596
00:00:55.504 --> 00:00:56.864 was working in the primary
NOTE Confidence: 0.9934596
00:00:56.864 --> 00:00:58.540 care center where it no
NOTE Confidence: 0.9934596
00:00:58.540 --> 00:00:59.360 longer is,
NOTE Confidence: 0.9665093
00:00:59.980 --> 00:01:01.420 on Wednesday evenings when I
NOTE Confidence: 0.9665093
00:01:01.420 --> 00:01:02.160 was a resident.
NOTE Confidence: 0.9947508
00:01:02.620 --> 00:01:03.120 And
NOTE Confidence: 0.9737675
00:01:04.060 --> 00:01:05.260 medical students used to come
NOTE Confidence: 0.9737675
00:01:05.260 --> 00:01:06.240 in with food.
NOTE Confidence: 0.9876424
00:01:06.700 --> 00:01:08.220 And then this very nice
NOTE Confidence: 0.9876424
00:01:08.220 --> 00:01:09.580 gentleman with white hair came
NOTE Confidence: 0.9876424
00:01:09.580 --> 00:01:10.540 in, and I got to
NOTE Confidence: 0.9876424

00:01:10.540 --> 00:01:11.270 know them. And I,
NOTE Confidence: 0.9731299

00:01:13.194 --> 00:01:14.795 I was finishing my residency,
NOTE Confidence: 0.9731299

00:01:14.795 --> 00:01:16.174 and doctor Dillard was
NOTE Confidence: 0.95774007

00:01:16.795 --> 00:01:18.634 retiring, and I asked if
NOTE Confidence: 0.95774007

00:01:18.634 --> 00:01:19.515 I could take over the
NOTE Confidence: 0.95774007

00:01:19.515 --> 00:01:20.715 one saving clinic. So I
NOTE Confidence: 0.95774007

00:01:20.715 --> 00:01:21.994 did for the next seventeen
NOTE Confidence: 0.95774007

00:01:21.994 --> 00:01:23.354 years, and we became really
NOTE Confidence: 0.95774007

00:01:23.354 --> 00:01:24.095 great friends.
NOTE Confidence: 0.98721933

00:01:24.555 --> 00:01:25.354 Doctor Dillard,
NOTE Confidence: 0.93714124

00:01:25.834 --> 00:01:27.915 graduated with MD PhD from
NOTE Confidence: 0.93714124

00:01:27.915 --> 00:01:28.415 Emory
NOTE Confidence: 0.9754146

00:01:28.950 --> 00:01:30.470 and, was recruited to the
NOTE Confidence: 0.9754146

00:01:30.470 --> 00:01:31.369 primary care,
NOTE Confidence: 0.9905494

00:01:32.150 --> 00:01:33.670 program here at yale, which
NOTE Confidence: 0.9905494

00:01:33.670 --> 00:01:34.950 was internal medicine at the

NOTE Confidence: 0.9905494
00:01:34.950 --> 00:01:36.390 time, not primary care. But,
NOTE Confidence: 0.9957341
00:01:37.190 --> 00:01:38.970 he did research in endocrinology
NOTE Confidence: 0.9954299
00:01:39.510 --> 00:01:40.010 and
NOTE Confidence: 0.99923074
00:01:41.325 --> 00:01:42.065 was very
NOTE Confidence: 0.903246
00:01:42.525 --> 00:01:44.845 close to and great educator
NOTE Confidence: 0.903246
00:01:44.845 --> 00:01:46.625 for medical students. So one
NOTE Confidence: 0.903246
00:01:46.685 --> 00:01:47.585 time, they
NOTE Confidence: 0.9760496
00:01:48.525 --> 00:01:50.065 the medical students who were
NOTE Confidence: 0.9760496
00:01:50.125 --> 00:01:51.725 leaving the the clinic or
NOTE Confidence: 0.9760496
00:01:51.725 --> 00:01:52.925 leaving medicine to go in
NOTE Confidence: 0.9760496
00:01:52.925 --> 00:01:54.205 the lab for as many
NOTE Confidence: 0.9760496
00:01:54.205 --> 00:01:55.345 years as you are,
NOTE Confidence: 0.9806059
00:01:56.130 --> 00:01:57.250 asked if there was some
NOTE Confidence: 0.9806059
00:01:57.250 --> 00:01:58.210 way that they could keep
NOTE Confidence: 0.9806059
00:01:58.210 --> 00:01:59.830 involved in patient care.
NOTE Confidence: 0.99173385

00:02:00.130 --> 00:02:01.410 So the medical students and
NOTE Confidence: 0.99173385

00:02:01.410 --> 00:02:03.170 doctor Dillard went to see
NOTE Confidence: 0.99173385

00:02:03.170 --> 00:02:04.530 doctor Gifford, who was the
NOTE Confidence: 0.99173385

00:02:04.530 --> 00:02:05.910 dean at the time, and
NOTE Confidence: 0.99173385

00:02:06.130 --> 00:02:07.330 set up the Wednesday evening
NOTE Confidence: 0.99173385

00:02:07.330 --> 00:02:07.830 clinic.
NOTE Confidence: 0.93165314

00:02:08.530 --> 00:02:09.590 So he,
NOTE Confidence: 0.8793771

00:02:10.875 --> 00:02:12.095 it and he also
NOTE Confidence: 0.9871837

00:02:13.114 --> 00:02:14.474 wanted us always to do
NOTE Confidence: 0.9871837

00:02:14.474 --> 00:02:16.075 research. So we even did
NOTE Confidence: 0.9871837

00:02:16.075 --> 00:02:17.275 a little study once on
NOTE Confidence: 0.9871837

00:02:17.275 --> 00:02:17.355 the
NOTE Confidence: 0.98985785

00:02:18.155 --> 00:02:20.095 on whether we could encourage
NOTE Confidence: 0.98985785

00:02:20.235 --> 00:02:21.915 women of childbearing years to
NOTE Confidence: 0.98985785

00:02:21.915 --> 00:02:22.650 take folic
NOTE Confidence: 0.97908866

00:02:23.049 --> 00:02:24.489 acid. This was way back

NOTE Confidence: 0.97908866
00:02:24.489 --> 00:02:25.610 when we weren't so sure
NOTE Confidence: 0.97908866
00:02:25.610 --> 00:02:27.230 that it was important nor
NOTE Confidence: 0.97908866
00:02:27.370 --> 00:02:28.669 nor were we sure that
NOTE Confidence: 0.9448449
00:02:29.450 --> 00:02:30.750 we had enough.
NOTE Confidence: 0.99578357
00:02:31.930 --> 00:02:33.310 Was it was it worthwhile
NOTE Confidence: 0.99578357
00:02:33.370 --> 00:02:34.489 for medical students to do
NOTE Confidence: 0.99578357
00:02:34.489 --> 00:02:35.875 that? So that was just
NOTE Confidence: 0.99578357
00:02:35.875 --> 00:02:37.155 one little study that we
NOTE Confidence: 0.99578357
00:02:37.155 --> 00:02:37.655 did.
NOTE Confidence: 0.9327798
00:02:39.794 --> 00:02:40.294 Then,
NOTE Confidence: 0.98427755
00:02:42.114 --> 00:02:43.155 I want what I wanted
NOTE Confidence: 0.98427755
00:02:43.155 --> 00:02:44.194 to say was that doctor
NOTE Confidence: 0.98427755
00:02:44.194 --> 00:02:45.635 Dillard did retire, and I
NOTE Confidence: 0.98427755
00:02:45.635 --> 00:02:47.334 did take over the directorship
NOTE Confidence: 0.98427755
00:02:47.555 --> 00:02:48.915 for seventeen years, but he
NOTE Confidence: 0.98427755

00:02:48.915 --> 00:02:50.930 came every single Wednesday.
NOTE Confidence: 0.9265079

00:02:51.629 --> 00:02:52.849 Sometimes he cooked.
NOTE Confidence: 0.9828006

00:02:53.230 --> 00:02:55.090 Every Christmas, he had a
NOTE Confidence: 0.9909794

00:02:55.550 --> 00:02:56.830 Christmas party for all the
NOTE Confidence: 0.9909794

00:02:56.830 --> 00:02:58.590 medical students at his beautiful
NOTE Confidence: 0.9909794

00:02:58.590 --> 00:02:59.730 colonial home
NOTE Confidence: 0.87795615

00:03:00.190 --> 00:03:01.889 furnished with wonderful
NOTE Confidence: 0.811825

00:03:02.349 --> 00:03:03.169 period antiques.
NOTE Confidence: 0.75871897

00:03:03.985 --> 00:03:04.485 And,
NOTE Confidence: 0.8089132

00:03:05.185 --> 00:03:06.944 his life was really very
NOTE Confidence: 0.8089132

00:03:06.944 --> 00:03:08.864 devoted to students teaching in
NOTE Confidence: 0.8089132

00:03:08.864 --> 00:03:09.584 the Winston A. M. D.
NOTE Confidence: 0.8089132

00:03:09.584 --> 00:03:10.084 Clinic.
NOTE Confidence: 0.94149464

00:03:10.625 --> 00:03:11.665 And one more thing to
NOTE Confidence: 0.94149464

00:03:11.665 --> 00:03:12.465 tell you is that he
NOTE Confidence: 0.94149464

00:03:12.465 --> 00:03:13.845 was on the admissions committee

NOTE Confidence: 0.94149464

00:03:14.144 --> 00:03:15.584 and interviewed my son who

NOTE Confidence: 0.94149464

00:03:15.584 --> 00:03:16.785 then got into the medical

NOTE Confidence: 0.94149464

00:03:16.785 --> 00:03:18.544 school. So I'm also grateful

NOTE Confidence: 0.94149464

00:03:18.544 --> 00:03:19.364 to him for that.

NOTE Confidence: 0.937201

00:03:19.960 --> 00:03:21.639 So, anyway, that just we're

NOTE Confidence: 0.937201

00:03:21.880 --> 00:03:23.720 also in two thousand, we

NOTE Confidence: 0.937201

00:03:23.720 --> 00:03:24.700 decided that

NOTE Confidence: 0.98218274

00:03:25.160 --> 00:03:26.520 he had done so much

NOTE Confidence: 0.98218274

00:03:26.520 --> 00:03:27.880 for the medical school for

NOTE Confidence: 0.98218274

00:03:27.880 --> 00:03:29.160 the for the students, for

NOTE Confidence: 0.98218274

00:03:29.160 --> 00:03:31.000 the admissions committee, but mostly

NOTE Confidence: 0.98218274

00:03:31.000 --> 00:03:32.280 for the Wednesday evening clinic

NOTE Confidence: 0.98218274

00:03:32.280 --> 00:03:32.780 that

NOTE Confidence: 0.9298524

00:03:33.485 --> 00:03:34.605 the students who were in

NOTE Confidence: 0.9298524

00:03:34.605 --> 00:03:35.805 the clinic at the time

NOTE Confidence: 0.9298524

00:03:35.805 --> 00:03:37.105 and I and,
NOTE Confidence: 0.97088724

00:03:38.605 --> 00:03:40.045 we we wrote letters to
NOTE Confidence: 0.97088724

00:03:40.045 --> 00:03:41.084 all the people who'd ever
NOTE Confidence: 0.97088724

00:03:41.084 --> 00:03:42.284 been in the Wednesday evening
NOTE Confidence: 0.97088724

00:03:42.284 --> 00:03:43.724 clinic, and we we raised
NOTE Confidence: 0.97088724

00:03:43.724 --> 00:03:45.004 enough money to pay for
NOTE Confidence: 0.97088724

00:03:45.004 --> 00:03:45.665 this lectureship,
NOTE Confidence: 0.9986407

00:03:45.965 --> 00:03:47.004 which is to honor him
NOTE Confidence: 0.9986407

00:03:47.004 --> 00:03:48.125 today. So thank you for
NOTE Confidence: 0.9986407

00:03:48.125 --> 00:03:48.864 being here.
NOTE Confidence: 0.9875296

00:03:53.450 --> 00:03:54.510 Thank you, Kathleen.
NOTE Confidence: 0.97307956

00:03:55.050 --> 00:03:56.810 Okay. I will very briefly
NOTE Confidence: 0.97307956

00:03:56.810 --> 00:03:58.650 introduce Susanna and Randy and
NOTE Confidence: 0.97307956

00:03:58.650 --> 00:04:00.010 then turn it over. So
NOTE Confidence: 0.97307956

00:04:00.010 --> 00:04:01.370 Susanna Cahalan is the best
NOTE Confidence: 0.97307956

00:04:01.370 --> 00:04:02.490 selling author of Brain on

NOTE Confidence: 0.97307956

00:04:02.490 --> 00:04:03.610 Fire, which has sold over

NOTE Confidence: 0.97307956

00:04:03.610 --> 00:04:04.590 a million copies

NOTE Confidence: 0.9855096

00:04:04.890 --> 00:04:06.084 and and been translated into

NOTE Confidence: 0.9855096

00:04:06.084 --> 00:04:07.305 more than twenty languages

NOTE Confidence: 0.97828597

00:04:07.685 --> 00:04:08.965 in which she chronicled her

NOTE Confidence: 0.97828597

00:04:08.965 --> 00:04:10.425 own struggles with being misdiagnosed

NOTE Confidence: 0.97828597

00:04:10.644 --> 00:04:12.004 to the serious mental illness

NOTE Confidence: 0.97828597

00:04:12.004 --> 00:04:13.224 that turned out to be

NOTE Confidence: 0.97828597

00:04:13.285 --> 00:04:14.584 an autoimmune disease.

NOTE Confidence: 0.946246

00:04:15.045 --> 00:04:16.725 That book inspired a Netflix

NOTE Confidence: 0.946246

00:04:16.725 --> 00:04:17.925 drama twenty sixteen,

NOTE Confidence: 0.99489003

00:04:18.449 --> 00:04:19.990 by the same name, and

NOTE Confidence: 0.99489003

00:04:20.050 --> 00:04:21.490 her experience contending with the

NOTE Confidence: 0.99489003

00:04:21.490 --> 00:04:22.690 mental health system has led

NOTE Confidence: 0.99489003

00:04:22.690 --> 00:04:23.650 her to become a leading

NOTE Confidence: 0.99489003

00:04:23.650 --> 00:04:24.529 voice on the treatment of
NOTE Confidence: 0.99489003

00:04:24.529 --> 00:04:25.729 mental illness in the United
NOTE Confidence: 0.99489003

00:04:25.729 --> 00:04:26.229 States.
NOTE Confidence: 0.9866503

00:04:28.210 --> 00:04:29.490 The second book I don't
NOTE Confidence: 0.9866503

00:04:29.490 --> 00:04:30.449 wanna take away from what
NOTE Confidence: 0.9866503

00:04:30.449 --> 00:04:31.589 you're gonna say, but
NOTE Confidence: 0.92059433

00:04:31.895 --> 00:04:33.095 her second book, okay, The
NOTE Confidence: 0.92059433

00:04:33.095 --> 00:04:34.855 Great Pretender was shortlisted for
NOTE Confidence: 0.92059433

00:04:34.855 --> 00:04:36.455 the Royal Society's twenty twenty
NOTE Confidence: 0.92059433

00:04:36.455 --> 00:04:37.435 Science Book Prize.
NOTE Confidence: 0.98558044

00:04:37.895 --> 00:04:39.975 It investigates the influential pseudo
NOTE Confidence: 0.98558044

00:04:39.975 --> 00:04:41.975 patient experiment conducted by David
NOTE Confidence: 0.98558044

00:04:41.975 --> 00:04:43.575 Rosenhan in the nineteen seventies
NOTE Confidence: 0.98558044

00:04:43.575 --> 00:04:44.375 and its place in the
NOTE Confidence: 0.98558044

00:04:44.375 --> 00:04:45.595 modern history of psychiatry.
NOTE Confidence: 0.9724929

00:04:46.730 --> 00:04:47.850 And her third book, The

NOTE Confidence: 0.9724929

00:04:47.850 --> 00:04:48.670 Acid Queen,

NOTE Confidence: 0.99892044

00:04:49.210 --> 00:04:51.050 will be described in great

NOTE Confidence: 0.99892044

00:04:51.050 --> 00:04:52.029 detail momentarily.

NOTE Confidence: 0.9406413

00:04:52.650 --> 00:04:53.850 Cahalan has also written for

NOTE Confidence: 0.9406413

00:04:53.850 --> 00:04:54.810 The New York Times, The

NOTE Confidence: 0.9406413

00:04:54.810 --> 00:04:55.550 New York Post,

NOTE Confidence: 0.8713305

00:04:55.850 --> 00:04:57.230 l, The New Scientist,

NOTE Confidence: 0.9682651

00:04:57.850 --> 00:04:59.930 and academic journals, including The

NOTE Confidence: 0.9682651

00:04:59.930 --> 00:05:01.950 Lancet and Biologic Psychiatry.

NOTE Confidence: 0.95010924

00:05:03.385 --> 00:05:04.925 So welcome. Welcome back.

NOTE Confidence: 0.88756067

00:05:05.785 --> 00:05:07.625 And Randi Hutter Epstein is

NOTE Confidence: 0.88756067

00:05:07.625 --> 00:05:09.145 the program for humanities and

NOTE Confidence: 0.88756067

00:05:09.145 --> 00:05:11.305 medicines writer in residence, and

NOTE Confidence: 0.88756067

00:05:11.305 --> 00:05:12.845 she is also leading

NOTE Confidence: 0.97958577

00:05:13.545 --> 00:05:14.905 the track in writing for

NOTE Confidence: 0.97958577

00:05:14.905 --> 00:05:16.605 the public in the new
NOTE Confidence: 0.97958577

00:05:16.900 --> 00:05:18.279 medical humanities concentration.
NOTE Confidence: 0.9979582

00:05:18.979 --> 00:05:19.479 And
NOTE Confidence: 0.99907416

00:05:20.500 --> 00:05:21.479 she is a
NOTE Confidence: 0.99989694

00:05:21.940 --> 00:05:22.919 beloved interviewer
NOTE Confidence: 0.9751101

00:05:23.940 --> 00:05:25.639 of of writer guests.
NOTE Confidence: 0.99071693

00:05:26.180 --> 00:05:27.560 So thank you both.
NOTE Confidence: 0.9498896

00:05:32.675 --> 00:05:33.635 Oh, and if you want
NOTE Confidence: 0.9498896

00:05:33.635 --> 00:05:34.855 this texting code,
NOTE Confidence: 0.9933245

00:05:35.714 --> 00:05:37.154 I'm about to get rid
NOTE Confidence: 0.9933245

00:05:37.154 --> 00:05:37.895 of it. So
NOTE Confidence: 0.949306

00:05:39.235 --> 00:05:40.595 And I'll just add one
NOTE Confidence: 0.949306

00:05:40.595 --> 00:05:42.615 more thing to doctor Dillard.
NOTE Confidence: 0.949306

00:05:42.755 --> 00:05:43.875 He was such a kind
NOTE Confidence: 0.949306

00:05:43.875 --> 00:05:45.475 person, so it's wonderful that
NOTE Confidence: 0.949306

00:05:45.475 --> 00:05:46.640 you're here as such a

NOTE Confidence: 0.949306
00:05:46.640 --> 00:05:47.680 kind person and so is
NOTE Confidence: 0.949306
00:05:47.680 --> 00:05:48.180 he.
NOTE Confidence: 0.9460394
00:05:48.480 --> 00:05:48.720 And,
NOTE Confidence: 0.99761707
00:05:49.600 --> 00:05:50.740 maybe I shouldn't
NOTE Confidence: 0.8814365
00:05:51.120 --> 00:05:52.800 say this, but in this
NOTE Confidence: 0.8814365
00:05:52.800 --> 00:05:53.300 audience.
NOTE Confidence: 0.99692947
00:05:54.080 --> 00:05:55.279 But when I got my
NOTE Confidence: 0.99692947
00:05:55.279 --> 00:05:56.260 Yale interview,
NOTE Confidence: 0.99295586
00:05:57.279 --> 00:05:58.400 I said to all my
NOTE Confidence: 0.99295586
00:05:58.400 --> 00:05:58.900 friends,
NOTE Confidence: 0.96712714
00:05:59.254 --> 00:06:00.455 I'm not gonna go there.
NOTE Confidence: 0.96712714
00:06:00.455 --> 00:06:01.914 The people are so stuffy.
NOTE Confidence: 0.96712714
00:06:01.974 --> 00:06:03.095 It's a lead. I just
NOTE Confidence: 0.96712714
00:06:03.095 --> 00:06:05.194 had these for whatever reason,
NOTE Confidence: 0.8964264
00:06:05.574 --> 00:06:06.854 one can have, who would
NOTE Confidence: 0.8964264

00:06:06.854 --> 00:06:07.514 have thought?
NOTE Confidence: 0.98104435

00:06:07.974 --> 00:06:09.495 And doctor Dillard was the
NOTE Confidence: 0.98104435

00:06:09.495 --> 00:06:11.354 person that interviewed me.
NOTE Confidence: 0.91910535

00:06:11.860 --> 00:06:13.380 And I just thought I
NOTE Confidence: 0.91910535

00:06:13.380 --> 00:06:14.180 don't know. I just thought
NOTE Confidence: 0.91910535

00:06:14.180 --> 00:06:15.540 a Yale Medical School interview
NOTE Confidence: 0.91910535

00:06:15.540 --> 00:06:16.760 would be, like, this
NOTE Confidence: 0.9942105

00:06:17.700 --> 00:06:18.200 really
NOTE Confidence: 0.9995655

00:06:19.060 --> 00:06:19.560 condescending
NOTE Confidence: 0.99400723

00:06:19.940 --> 00:06:20.740 I don't know what I
NOTE Confidence: 0.99400723

00:06:20.740 --> 00:06:21.480 was thinking.
NOTE Confidence: 0.998128

00:06:21.940 --> 00:06:23.140 And then I get this
NOTE Confidence: 0.998128

00:06:23.140 --> 00:06:23.640 lovely
NOTE Confidence: 0.9597864

00:06:24.020 --> 00:06:24.520 person.
NOTE Confidence: 0.9307228

00:06:25.315 --> 00:06:27.875 He's was so warm and
NOTE Confidence: 0.9307228

00:06:27.875 --> 00:06:29.235 kind. I left the interview

NOTE Confidence: 0.9307228

00:06:29.235 --> 00:06:30.115 going, this is the only

NOTE Confidence: 0.9307228

00:06:30.115 --> 00:06:31.075 place where this is the

NOTE Confidence: 0.9307228

00:06:31.075 --> 00:06:31.955 only place I wanna go

NOTE Confidence: 0.9307228

00:06:31.955 --> 00:06:33.475 to medical school. He was

NOTE Confidence: 0.9307228

00:06:33.475 --> 00:06:35.555 just a warm, wonderful person,

NOTE Confidence: 0.9307228

00:06:35.555 --> 00:06:36.355 and I wish I could

NOTE Confidence: 0.9307228

00:06:36.355 --> 00:06:38.535 imitate the southern accent just

NOTE Confidence: 0.9307228

00:06:38.755 --> 00:06:40.730 really do it. But so

NOTE Confidence: 0.9307228

00:06:40.730 --> 00:06:42.250 it's wonderful that you and

NOTE Confidence: 0.9307228

00:06:42.250 --> 00:06:43.690 all your research and your

NOTE Confidence: 0.9307228

00:06:43.690 --> 00:06:45.770 kindness, he'd be thrilled to

NOTE Confidence: 0.9307228

00:06:45.770 --> 00:06:46.510 do that. That's

NOTE Confidence: 0.9182563

00:06:47.290 --> 00:06:48.570 fun. So I was just

NOTE Confidence: 0.9182563

00:06:48.570 --> 00:06:49.930 gonna add a few little

NOTE Confidence: 0.9182563

00:06:49.930 --> 00:06:51.529 tidbits to your bio. If

NOTE Confidence: 0.9182563

00:06:51.529 --> 00:06:52.490 you haven't read her first
NOTE Confidence: 0.9182563

00:06:52.490 --> 00:06:54.089 book, Anna just explained what
NOTE Confidence: 0.9182563

00:06:54.089 --> 00:06:55.390 Rain on Fire was.
NOTE Confidence: 0.9447652

00:06:55.904 --> 00:06:56.865 And I also think one
NOTE Confidence: 0.9447652

00:06:56.865 --> 00:06:58.065 of the takeaways of that
NOTE Confidence: 0.9447652

00:06:58.065 --> 00:06:59.185 book, if you haven't read
NOTE Confidence: 0.9447652

00:06:59.185 --> 00:06:59.845 it, read
NOTE Confidence: 0.9806399

00:07:00.145 --> 00:07:00.305 it.
NOTE Confidence: 0.87529606

00:07:01.025 --> 00:07:02.464 Is it Oh, no. Is
NOTE Confidence: 0.87529606

00:07:02.464 --> 00:07:03.665 this the lights aren't oh,
NOTE Confidence: 0.87529606

00:07:03.665 --> 00:07:04.485 there. No.
NOTE Confidence: 0.8869337

00:07:05.745 --> 00:07:07.505 Is there Yep. Oh, it
NOTE Confidence: 0.8869337

00:07:07.505 --> 00:07:09.025 keeps going off. When you
NOTE Confidence: 0.8869337

00:07:09.025 --> 00:07:09.525 speak.
NOTE Confidence: 0.949633

00:07:10.050 --> 00:07:11.590 Oh, thank you. Okay. Mhmm.
NOTE Confidence: 0.7609506

00:07:11.970 --> 00:07:13.169 It doesn't sound a little

NOTE Confidence: 0.7609506
00:07:13.330 --> 00:07:15.030 it's on mute, but it's.
NOTE Confidence: 0.7609506
00:07:15.330 --> 00:07:16.370 Yeah. It could be. Yeah.
NOTE Confidence: 0.7609506
00:07:16.370 --> 00:07:17.669 It's, like, on and off.
NOTE Confidence: 0.7911564
00:07:23.010 --> 00:07:23.889 Oh, here now it's
NOTE Confidence: 0.89992756
00:07:25.945 --> 00:07:27.465 okay. This seems a bit
NOTE Confidence: 0.89992756
00:07:27.465 --> 00:07:27.965 better.
NOTE Confidence: 0.6983551
00:07:29.065 --> 00:07:30.345 Oh, hold on. I think
NOTE Confidence: 0.6983551
00:07:30.425 --> 00:07:31.645 Thanks. Hello.
NOTE Confidence: 0.93698424
00:07:33.945 --> 00:07:35.785 Your whole experience, in addition
NOTE Confidence: 0.93698424
00:07:35.785 --> 00:07:36.285 to
NOTE Confidence: 0.975001
00:07:36.905 --> 00:07:37.405 autoimmune
NOTE Confidence: 0.9925551
00:07:37.865 --> 00:07:39.225 and everything else you went
NOTE Confidence: 0.9925551
00:07:39.225 --> 00:07:40.925 through, also shows that
NOTE Confidence: 0.9076784
00:07:41.500 --> 00:07:43.340 your boyfriend, now husband, and
NOTE Confidence: 0.9076784
00:07:43.340 --> 00:07:44.160 your parents,
NOTE Confidence: 0.95970464

00:07:45.660 --> 00:07:47.360 doctors are important, but those

NOTE Confidence: 0.95970464

00:07:47.419 --> 00:07:49.260 advocates in the hospital are

NOTE Confidence: 0.95970464

00:07:49.260 --> 00:07:51.340 really important too. You had

NOTE Confidence: 0.95970464

00:07:51.340 --> 00:07:52.620 that. And then Then I

NOTE Confidence: 0.95970464

00:07:52.620 --> 00:07:53.919 had my own doctor Dillard.

NOTE Confidence: 0.95970464

00:07:54.085 --> 00:07:56.485 Yes. Basically, essentially. Yeah. And

NOTE Confidence: 0.95970464

00:07:56.485 --> 00:07:57.444 so you and you had

NOTE Confidence: 0.95970464

00:07:57.444 --> 00:07:58.805 a doctor who really listened

NOTE Confidence: 0.95970464

00:07:58.805 --> 00:07:59.544 to you.

NOTE Confidence: 0.6068729

00:08:02.164 --> 00:08:02.664 Exactly.

NOTE Confidence: 0.87034833

00:08:04.324 --> 00:08:04.965 To get

NOTE Confidence: 0.9297969

00:08:05.845 --> 00:08:06.824 Oh, it's not.

NOTE Confidence: 0.9985268

00:08:10.340 --> 00:08:11.620 Well, I'm gonna hand you

NOTE Confidence: 0.9985268

00:08:11.620 --> 00:08:13.000 this mic right now.

NOTE Confidence: 0.40962803

00:08:15.460 --> 00:08:16.199 You must.

NOTE Confidence: 0.97592187

00:08:18.900 --> 00:08:20.419 One of the things I'm

NOTE Confidence: 0.97592187

00:08:20.419 --> 00:08:21.460 just gonna tell you the

NOTE Confidence: 0.97592187

00:08:21.460 --> 00:08:23.560 punchline of this whole interview

NOTE Confidence: 0.9997014

00:08:24.634 --> 00:08:25.375 is that

NOTE Confidence: 0.99701566

00:08:26.074 --> 00:08:27.294 you do incredible

NOTE Confidence: 0.9837763

00:08:27.595 --> 00:08:28.895 amounts of research.

NOTE Confidence: 0.99001116

00:08:29.675 --> 00:08:30.794 And if you haven't read

NOTE Confidence: 0.99001116

00:08:30.794 --> 00:08:32.395 the book yet, just notice

NOTE Confidence: 0.99001116

00:08:32.395 --> 00:08:33.595 it when you're reading it.

NOTE Confidence: 0.99001116

00:08:33.595 --> 00:08:35.434 Every detail was well researched,

NOTE Confidence: 0.99001116

00:08:35.434 --> 00:08:36.554 and you're also such a

NOTE Confidence: 0.99001116

00:08:36.554 --> 00:08:38.415 beautiful writer. So

NOTE Confidence: 0.9506903

00:08:38.960 --> 00:08:40.000 I already told you this.

NOTE Confidence: 0.9506903

00:08:40.000 --> 00:08:41.120 I want you to read

NOTE Confidence: 0.9506903

00:08:41.120 --> 00:08:42.080 just so for those who

NOTE Confidence: 0.9506903

00:08:42.080 --> 00:08:42.960 haven't read the book and

NOTE Confidence: 0.9506903

00:08:42.960 --> 00:08:44.020 even if you had,
NOTE Confidence: 0.99296343

00:08:44.400 --> 00:08:46.240 just maybe I'm just this
NOTE Confidence: 0.99296343

00:08:46.240 --> 00:08:47.460 is just from the middle.
NOTE Confidence: 0.8451807

00:08:48.720 --> 00:08:49.760 Should I just I'd like
NOTE Confidence: 0.8451807

00:08:49.760 --> 00:08:50.720 to see. Should I do
NOTE Confidence: 0.8451807

00:08:50.960 --> 00:08:52.000 I'll I'll I can give
NOTE Confidence: 0.8451807

00:08:52.000 --> 00:08:53.380 some context here. Right?
NOTE Confidence: 0.9256933

00:08:54.635 --> 00:08:55.515 Well So I've never read
NOTE Confidence: 0.9256933

00:08:55.515 --> 00:08:56.715 this part. This is fun
NOTE Confidence: 0.9256933

00:08:56.715 --> 00:08:58.315 to read aloud. I'm excited.
NOTE Confidence: 0.9256933

00:08:58.315 --> 00:08:59.355 This is written so beautiful.
NOTE Confidence: 0.9256933

00:08:59.355 --> 00:09:00.554 Thank you. Okay. I'm I'm
NOTE Confidence: 0.9256933

00:09:00.554 --> 00:09:01.855 gonna give some context.
NOTE Confidence: 0.9428339

00:09:02.315 --> 00:09:03.275 So this book is about
NOTE Confidence: 0.9428339

00:09:03.275 --> 00:09:04.554 a woman named Rosemary Woodruff
NOTE Confidence: 0.9428339

00:09:04.554 --> 00:09:05.054 Leary

NOTE Confidence: 0.9607483

00:09:05.595 --> 00:09:07.149 who, we'll get into it

NOTE Confidence: 0.9607483

00:09:07.149 --> 00:09:07.950 in more detail, but she

NOTE Confidence: 0.9607483

00:09:07.950 --> 00:09:09.149 was born in nineteen thirty

NOTE Confidence: 0.9607483

00:09:09.149 --> 00:09:10.350 five. She was born in

NOTE Confidence: 0.9607483

00:09:10.350 --> 00:09:11.089 St. Louis.

NOTE Confidence: 0.98075783

00:09:11.550 --> 00:09:12.510 She dropped out of high

NOTE Confidence: 0.98075783

00:09:12.510 --> 00:09:14.130 school, got married very young.

NOTE Confidence: 0.98075783

00:09:14.270 --> 00:09:15.649 It was an abusive relationship.

NOTE Confidence: 0.9744389

00:09:15.950 --> 00:09:16.450 She,

NOTE Confidence: 0.98757344

00:09:17.149 --> 00:09:18.429 left her husband at age

NOTE Confidence: 0.98757344

00:09:18.429 --> 00:09:19.470 seventeen and went to New

NOTE Confidence: 0.98757344

00:09:19.470 --> 00:09:20.510 York and became a model

NOTE Confidence: 0.98757344

00:09:20.510 --> 00:09:22.209 and did various odd jobs.

NOTE Confidence: 0.9996586

00:09:22.695 --> 00:09:23.195 Married

NOTE Confidence: 0.97148275

00:09:23.655 --> 00:09:25.434 again to a jazz accordionist,

NOTE Confidence: 0.8990748

00:09:25.735 --> 00:09:27.015 which, like, is a thing.
NOTE Confidence: 0.8990748

00:09:27.015 --> 00:09:28.475 I I who knew?
NOTE Confidence: 0.99700534

00:09:29.175 --> 00:09:29.995 And she
NOTE Confidence: 0.98469114

00:09:30.295 --> 00:09:31.495 got in with a crowd
NOTE Confidence: 0.98469114

00:09:31.495 --> 00:09:32.235 of beatniks
NOTE Confidence: 0.9781168

00:09:32.615 --> 00:09:33.995 and jazz musicians,
NOTE Confidence: 0.9752358

00:09:35.175 --> 00:09:36.554 part of the beat generation
NOTE Confidence: 0.9752358

00:09:36.615 --> 00:09:37.675 prior to the hippies.
NOTE Confidence: 0.9776392

00:09:38.399 --> 00:09:38.899 And,
NOTE Confidence: 0.9711467

00:09:39.679 --> 00:09:41.040 she was rubbing shoulders with,
NOTE Confidence: 0.9711467

00:09:41.040 --> 00:09:42.639 like, the Jack Kerouacs of
NOTE Confidence: 0.9711467

00:09:42.639 --> 00:09:44.259 the world, literally Jack Kerouac,
NOTE Confidence: 0.9943402

00:09:44.559 --> 00:09:45.040 and,
NOTE Confidence: 0.9436981

00:09:45.600 --> 00:09:47.220 you know, with Miles Davis
NOTE Confidence: 0.9436981

00:09:47.279 --> 00:09:49.199 and very interesting lifestyle, but
NOTE Confidence: 0.9436981

00:09:49.199 --> 00:09:50.559 that too, she had married

NOTE Confidence: 0.9436981
00:09:50.559 --> 00:09:52.175 a man who was probably
NOTE Confidence: 0.9436981
00:09:52.175 --> 00:09:53.215 not worthy of her in
NOTE Confidence: 0.9436981
00:09:53.215 --> 00:09:55.635 many ways and divorced again,
NOTE Confidence: 0.9414652
00:09:56.335 --> 00:09:58.434 and finds her way into
NOTE Confidence: 0.9414652
00:09:58.655 --> 00:10:00.095 a man named Timothy Leary's
NOTE Confidence: 0.9414652
00:10:00.095 --> 00:10:00.895 life. Now I have to
NOTE Confidence: 0.9414652
00:10:00.895 --> 00:10:02.275 ask because of the age
NOTE Confidence: 0.8950227
00:10:02.655 --> 00:10:03.155 here.
NOTE Confidence: 0.9246488
00:10:03.750 --> 00:10:04.710 And I and when I
NOTE Confidence: 0.9246488
00:10:04.710 --> 00:10:05.830 did my talks in Cape
NOTE Confidence: 0.9246488
00:10:05.830 --> 00:10:07.110 Cod where people were above
NOTE Confidence: 0.9246488
00:10:07.110 --> 00:10:08.070 a certain age, I did
NOTE Confidence: 0.9246488
00:10:08.070 --> 00:10:08.790 not have to ask this
NOTE Confidence: 0.9246488
00:10:08.790 --> 00:10:09.750 question. And when I did,
NOTE Confidence: 0.9246488
00:10:09.750 --> 00:10:10.790 people looked at me, like,
NOTE Confidence: 0.9246488

00:10:10.790 --> 00:10:11.990 I was, you know, had
NOTE Confidence: 0.9246488

00:10:11.990 --> 00:10:13.270 two heads, but who here
NOTE Confidence: 0.9246488

00:10:13.270 --> 00:10:15.050 knows who Timothy Leary is?
NOTE Confidence: 0.88859934

00:10:16.230 --> 00:10:17.530 Right. It's what I suspected.
NOTE Confidence: 0.88859934

00:10:17.590 --> 00:10:18.090 Yeah.
NOTE Confidence: 0.94212115

00:10:18.425 --> 00:10:19.804 So Timothy Leary was,
NOTE Confidence: 0.93055546

00:10:20.345 --> 00:10:21.545 he's best known as a
NOTE Confidence: 0.93055546

00:10:21.545 --> 00:10:22.605 Harvard professor.
NOTE Confidence: 0.9232607

00:10:23.225 --> 00:10:24.345 He before that, he was
NOTE Confidence: 0.9232607

00:10:24.345 --> 00:10:26.264 a psychologist at Kaiser in
NOTE Confidence: 0.9232607

00:10:26.264 --> 00:10:26.764 California.
NOTE Confidence: 0.95237577

00:10:27.384 --> 00:10:29.144 And before being involved in
NOTE Confidence: 0.95237577

00:10:29.144 --> 00:10:31.339 psychedelics at all, he was
NOTE Confidence: 0.95237577

00:10:31.480 --> 00:10:33.160 doing research kind of on
NOTE Confidence: 0.95237577

00:10:33.160 --> 00:10:34.300 person interpersonal
NOTE Confidence: 0.9740589

00:10:35.320 --> 00:10:35.820 personality

NOTE Confidence: 0.8416837

00:10:36.760 --> 00:10:37.260 relationships.

NOTE Confidence: 0.92315894

00:10:38.200 --> 00:10:39.320 He did something called the

NOTE Confidence: 0.92315894

00:10:39.320 --> 00:10:40.839 Leary Circle which apparently is

NOTE Confidence: 0.92315894

00:10:40.839 --> 00:10:41.959 still used which is used

NOTE Confidence: 0.92315894

00:10:41.959 --> 00:10:42.920 by kind of people who

NOTE Confidence: 0.92315894

00:10:42.920 --> 00:10:44.519 are in positions of employing

NOTE Confidence: 0.92315894

00:10:44.519 --> 00:10:45.735 people to see if like

NOTE Confidence: 0.92315894

00:10:45.975 --> 00:10:47.995 how you behave in certain

NOTE Confidence: 0.7847813

00:10:48.454 --> 00:10:49.675 dyads and certain

NOTE Confidence: 0.85380423

00:10:50.054 --> 00:10:50.554 relationships.

NOTE Confidence: 0.96357256

00:10:52.214 --> 00:10:53.495 And that's where he started.

NOTE Confidence: 0.96357256

00:10:53.495 --> 00:10:54.375 And then he went to

NOTE Confidence: 0.96357256

00:10:54.454 --> 00:10:56.235 had a kind of profound

NOTE Confidence: 0.96357256

00:10:56.375 --> 00:10:57.654 experience with mushrooms and ended

NOTE Confidence: 0.96357256

00:10:57.654 --> 00:10:59.960 up studying psychedelics at Harvard,

NOTE Confidence: 0.96908015

00:11:00.420 --> 00:11:01.940 lost his job for various
NOTE Confidence: 0.96908015

00:11:01.940 --> 00:11:03.540 reasons, including the subject of
NOTE Confidence: 0.96908015

00:11:03.540 --> 00:11:04.520 which he was studying,
NOTE Confidence: 0.97897005

00:11:05.140 --> 00:11:07.300 and left that and opened
NOTE Confidence: 0.97897005

00:11:07.300 --> 00:11:08.260 up something called,
NOTE Confidence: 0.9526186

00:11:08.900 --> 00:11:10.660 the Hitchcock Estate in Millbrook,
NOTE Confidence: 0.9526186

00:11:10.660 --> 00:11:11.700 New York. And that's where
NOTE Confidence: 0.9526186

00:11:11.700 --> 00:11:12.760 Rosemary and Timothy
NOTE Confidence: 0.9710361

00:11:13.074 --> 00:11:14.274 start to really have a
NOTE Confidence: 0.9710361

00:11:14.274 --> 00:11:15.795 love affair, and this is
NOTE Confidence: 0.9710361

00:11:15.795 --> 00:11:17.714 where this is, at the
NOTE Confidence: 0.9710361

00:11:17.714 --> 00:11:19.074 Millbrook estate. In the Millbrook
NOTE Confidence: 0.9710361

00:11:19.074 --> 00:11:20.535 estate, just for some context,
NOTE Confidence: 0.9710361

00:11:20.755 --> 00:11:21.795 Millbrook I don't know if
NOTE Confidence: 0.9710361

00:11:21.795 --> 00:11:23.315 anyone's familiar with Millbrook, New
NOTE Confidence: 0.9710361

00:11:23.315 --> 00:11:25.095 York, but it's a very

NOTE Confidence: 0.9712963
00:11:25.920 --> 00:11:27.220 kind of quiet,
NOTE Confidence: 0.9933505
00:11:27.760 --> 00:11:28.260 stately,
NOTE Confidence: 0.9995534
00:11:29.120 --> 00:11:29.620 fancy
NOTE Confidence: 0.99066865
00:11:30.080 --> 00:11:30.580 suburb,
NOTE Confidence: 0.98103285
00:11:31.360 --> 00:11:32.899 in upstate New York
NOTE Confidence: 0.9434198
00:11:33.279 --> 00:11:34.820 where lots of old money
NOTE Confidence: 0.974378
00:11:35.440 --> 00:11:36.660 and lots of estates.
NOTE Confidence: 0.982949
00:11:37.360 --> 00:11:37.860 And,
NOTE Confidence: 0.99809957
00:11:38.720 --> 00:11:39.700 Leary managed
NOTE Confidence: 0.9779232
00:11:40.005 --> 00:11:41.045 through a woman named Peggy
NOTE Confidence: 0.9779232
00:11:41.045 --> 00:11:41.845 Hitchcock, who I could go
NOTE Confidence: 0.9779232
00:11:41.845 --> 00:11:43.205 into, but very fascinating woman
NOTE Confidence: 0.9779232
00:11:43.205 --> 00:11:43.605 who was
NOTE Confidence: 0.97469974
00:11:44.325 --> 00:11:46.085 her family was had money
NOTE Confidence: 0.97469974
00:11:46.085 --> 00:11:47.205 from various means, but oil
NOTE Confidence: 0.97469974

00:11:47.205 --> 00:11:48.025 money mostly.
NOTE Confidence: 0.9351468

00:11:48.645 --> 00:11:50.645 She convinced her brothers who
NOTE Confidence: 0.9351468

00:11:50.645 --> 00:11:52.804 owned this this cattle farm
NOTE Confidence: 0.9351468

00:11:52.804 --> 00:11:54.470 estate called the Hitchcock Estate
NOTE Confidence: 0.9351468

00:11:54.470 --> 00:11:56.070 in Millbrook to rent it
NOTE Confidence: 0.9351468

00:11:56.070 --> 00:11:57.929 to Timothy Leary and his
NOTE Confidence: 0.9351468

00:11:58.230 --> 00:11:59.529 ex Harvard compatriots
NOTE Confidence: 0.9710895

00:12:00.230 --> 00:12:01.690 for a dollar a year.
NOTE Confidence: 0.9683612

00:12:02.309 --> 00:12:04.149 And they lived some in
NOTE Confidence: 0.9683612

00:12:04.149 --> 00:12:05.110 some place called the big
NOTE Confidence: 0.9683612

00:12:05.110 --> 00:12:06.230 house, and this is where
NOTE Confidence: 0.9683612

00:12:06.230 --> 00:12:07.429 I'm going to describe what
NOTE Confidence: 0.9683612

00:12:07.429 --> 00:12:08.390 was going on at the
NOTE Confidence: 0.9683612

00:12:08.390 --> 00:12:09.130 big house.
NOTE Confidence: 0.800198

00:12:10.285 --> 00:12:11.005 I don't know. I'm aware
NOTE Confidence: 0.800198

00:12:11.005 --> 00:12:12.145 of that. No.

NOTE Confidence: 0.9702324

00:12:13.565 --> 00:12:14.845 In the kitchen, the heart

NOTE Confidence: 0.9702324

00:12:14.845 --> 00:12:16.305 of the big house, strangers

NOTE Confidence: 0.9702324

00:12:16.365 --> 00:12:17.805 searched the cupboards or boiled

NOTE Confidence: 0.9702324

00:12:17.805 --> 00:12:19.085 water, or for those not

NOTE Confidence: 0.9702324

00:12:19.085 --> 00:12:20.125 following the diet, which was

NOTE Confidence: 0.9702324

00:12:20.125 --> 00:12:21.505 mostly vegan at the time,

NOTE Confidence: 0.9702324

00:12:21.565 --> 00:12:22.765 fried up bacon at all

NOTE Confidence: 0.9702324

00:12:22.765 --> 00:12:23.265 hours.

NOTE Confidence: 0.98406184

00:12:23.630 --> 00:12:25.010 Children jumped on the trampoline

NOTE Confidence: 0.98406184

00:12:25.070 --> 00:12:26.029 set up outside on the

NOTE Confidence: 0.98406184

00:12:26.029 --> 00:12:26.529 porch.

NOTE Confidence: 0.9617022

00:12:26.830 --> 00:12:28.670 Women, most a generation younger

NOTE Confidence: 0.9617022

00:12:28.670 --> 00:12:29.410 than Rosemary,

NOTE Confidence: 0.95618397

00:12:29.790 --> 00:12:31.230 sauntered by in bikinis or

NOTE Confidence: 0.95618397

00:12:31.230 --> 00:12:32.670 with their tops off, perky

NOTE Confidence: 0.95618397

00:12:32.670 --> 00:12:34.029 breasts bouncing as they headed
NOTE Confidence: 0.95618397

00:12:34.029 --> 00:12:34.769 to the waterfall.
NOTE Confidence: 0.96509874

00:12:35.470 --> 00:12:36.910 Most hailed from the white
NOTE Confidence: 0.96509874

00:12:36.910 --> 00:12:37.649 upper class,
NOTE Confidence: 0.9700235

00:12:38.190 --> 00:12:40.175 upper middle class. Children given
NOTE Confidence: 0.9700235

00:12:40.175 --> 00:12:41.635 enough rope to feel comfortable
NOTE Confidence: 0.9700235

00:12:41.695 --> 00:12:42.735 throwing all the way the
NOTE Confidence: 0.9700235

00:12:42.735 --> 00:12:44.495 bourgeois trappings that their parents
NOTE Confidence: 0.9700235

00:12:44.495 --> 00:12:45.535 had worked so hard to
NOTE Confidence: 0.9700235

00:12:45.535 --> 00:12:46.035 attain.
NOTE Confidence: 0.9974569

00:12:46.895 --> 00:12:48.495 As always, Timothy danced in
NOTE Confidence: 0.9974569

00:12:48.495 --> 00:12:49.475 the eye of the hurricane,
NOTE Confidence: 0.99476093

00:12:49.855 --> 00:12:51.135 holding court with his shirt
NOTE Confidence: 0.99476093

00:12:51.135 --> 00:12:52.095 off on the porch in
NOTE Confidence: 0.99476093

00:12:52.095 --> 00:12:53.635 between puffs of his cigarettes.
NOTE Confidence: 0.9827152

00:12:54.389 --> 00:12:56.009 Though he publicly called himself

NOTE Confidence: 0.9827152

00:12:56.069 --> 00:12:57.829 priest and prophet, he warned

NOTE Confidence: 0.9827152

00:12:57.829 --> 00:12:59.350 others about falling for power

NOTE Confidence: 0.9827152

00:12:59.350 --> 00:13:00.410 trips and gurus.

NOTE Confidence: 0.9751091

00:13:00.790 --> 00:13:01.910 Yet when he told his

NOTE Confidence: 0.9751091

00:13:01.910 --> 00:13:03.350 acolytes to remove all the

NOTE Confidence: 0.9751091

00:13:03.350 --> 00:13:04.569 pavement on the property,

NOTE Confidence: 0.99916965

00:13:04.870 --> 00:13:06.389 they jumped up to break

NOTE Confidence: 0.99916965

00:13:06.389 --> 00:13:07.129 up the gravel.

NOTE Confidence: 0.9912993

00:13:07.785 --> 00:13:08.825 When he asked them to

NOTE Confidence: 0.9912993

00:13:08.825 --> 00:13:09.865 gather all the metal in

NOTE Confidence: 0.9912993

00:13:09.865 --> 00:13:11.145 the house and bury it,

NOTE Confidence: 0.9912993

00:13:11.145 --> 00:13:12.605 they acted without question.

NOTE Confidence: 0.91210806

00:13:13.545 --> 00:13:15.464 Still, it was quote, truly

NOTE Confidence: 0.91210806

00:13:15.464 --> 00:13:18.105 beautiful, truly communal. Communal, said

NOTE Confidence: 0.91210806

00:13:18.105 --> 00:13:19.625 the light show artist Rudy

NOTE Confidence: 0.91210806

00:13:19.625 --> 00:13:21.330 Stern, also in residence, who
NOTE Confidence: 0.91210806

00:13:21.330 --> 00:13:23.010 helped design the psychedelic theater
NOTE Confidence: 0.91210806

00:13:23.010 --> 00:13:23.510 shows.
NOTE Confidence: 0.9309741

00:13:24.130 --> 00:13:25.730 Charlie Mingus playing piano in
NOTE Confidence: 0.9309741

00:13:25.730 --> 00:13:27.190 the living room, Marsh McLuhan
NOTE Confidence: 0.9309741

00:13:27.330 --> 00:13:28.530 would be there for breakfast,
NOTE Confidence: 0.9309741

00:13:28.530 --> 00:13:29.410 the Beatles were on the
NOTE Confidence: 0.9309741

00:13:29.410 --> 00:13:30.550 telephone, end quote.
NOTE Confidence: 0.9888509

00:13:31.090 --> 00:13:32.470 Tripping together intensified,
NOTE Confidence: 0.96123666

00:13:32.850 --> 00:13:34.470 even synchronized, their visions.
NOTE Confidence: 0.97723883

00:13:35.035 --> 00:13:37.455 Groups reported receiving collective prophecies,
NOTE Confidence: 0.97723883

00:13:37.515 --> 00:13:39.295 as the Aztecs once did.
NOTE Confidence: 0.9940566

00:13:39.755 --> 00:13:41.035 Someone would ask a question
NOTE Confidence: 0.9940566

00:13:41.035 --> 00:13:42.235 in their mind and the
NOTE Confidence: 0.9940566

00:13:42.235 --> 00:13:43.434 person next to them would
NOTE Confidence: 0.9940566

00:13:43.434 --> 00:13:44.495 receive the answer.

NOTE Confidence: 0.99873775
00:13:45.035 --> 00:13:46.415 There was a shared dedication
NOTE Confidence: 0.99873775
00:13:46.475 --> 00:13:47.855 to cognitive openness,
NOTE Confidence: 0.92642826
00:13:48.475 --> 00:13:49.775 magic, and cohesion.
NOTE Confidence: 0.96934867
00:13:50.360 --> 00:13:51.400 It felt at times like
NOTE Confidence: 0.96934867
00:13:51.400 --> 00:13:52.840 being stranded together on the
NOTE Confidence: 0.96934867
00:13:52.840 --> 00:13:55.000 most exciting desert island with
NOTE Confidence: 0.96934867
00:13:55.000 --> 00:13:56.200 more than enough food in
NOTE Confidence: 0.96934867
00:13:56.200 --> 00:13:57.500 all of your favorite records.
NOTE Confidence: 0.9948002
00:13:58.200 --> 00:13:59.560 The world clamored for more
NOTE Confidence: 0.9948002
00:13:59.560 --> 00:14:01.160 Timothy Leary. He was in
NOTE Confidence: 0.9948002
00:14:01.160 --> 00:14:02.540 high demand as a lecturer,
NOTE Confidence: 0.9948002
00:14:02.600 --> 00:14:03.100 provocateur,
NOTE Confidence: 0.9907017
00:14:03.954 --> 00:14:05.714 a fairly respectable guest on
NOTE Confidence: 0.9907017
00:14:05.714 --> 00:14:07.394 talk shows to explain behaviors
NOTE Confidence: 0.9907017
00:14:07.394 --> 00:14:08.535 of the youth generation,
NOTE Confidence: 0.9435365

00:14:08.995 --> 00:14:10.514 a reliable source for a
NOTE Confidence: 0.9435365

00:14:10.514 --> 00:14:12.755 perfect sound bite. He embodied
NOTE Confidence: 0.9435365

00:14:12.755 --> 00:14:14.035 the many flavors of the
NOTE Confidence: 0.9435365

00:14:14.035 --> 00:14:14.774 new counterculture,
NOTE Confidence: 0.95020527

00:14:15.315 --> 00:14:17.075 the youthful but not young
NOTE Confidence: 0.95020527

00:14:17.075 --> 00:14:18.750 rebel generation older than the
NOTE Confidence: 0.95020527

00:14:18.750 --> 00:14:19.490 baby boomers,
NOTE Confidence: 0.9511164

00:14:20.029 --> 00:14:22.430 eccentric professor, jailed prophet, and
NOTE Confidence: 0.9511164

00:14:22.430 --> 00:14:23.649 psychedelic superstar.
NOTE Confidence: 0.9746906

00:14:24.110 --> 00:14:25.970 But fame doesn't equal money.
NOTE Confidence: 0.9746906

00:14:26.269 --> 00:14:27.970 Millbrook required funds.
NOTE Confidence: 0.96798563

00:14:28.589 --> 00:14:30.209 As popular as the celebrations
NOTE Confidence: 0.96798563

00:14:30.269 --> 00:14:32.130 were, these were, theater shows.
NOTE Confidence: 0.9744393

00:14:32.925 --> 00:14:35.005 Accounts still bled red. Someone
NOTE Confidence: 0.9744393

00:14:35.005 --> 00:14:35.885 needed to pay for the
NOTE Confidence: 0.9744393

00:14:35.885 --> 00:14:37.985 unending rolls of toilet paper,

NOTE Confidence: 0.9744393

00:14:38.285 --> 00:14:40.925 heat, food, electricity, and even

NOTE Confidence: 0.9744393

00:14:40.925 --> 00:14:42.925 medical bills. Luckily, there was

NOTE Confidence: 0.9744393

00:14:42.925 --> 00:14:43.825 money in academia.

NOTE Confidence: 0.9450073

00:14:44.285 --> 00:14:45.725 Timothy charged at least a

NOTE Confidence: 0.9450073

00:14:45.725 --> 00:14:47.165 thousand per one hour college

NOTE Confidence: 0.9450073

00:14:47.165 --> 00:14:48.990 lecture, almost ten thousand dollars

NOTE Confidence: 0.9450073

00:14:48.990 --> 00:14:49.490 today,

NOTE Confidence: 0.95621586

00:14:49.870 --> 00:14:51.790 and performed his celebrations traveling

NOTE Confidence: 0.95621586

00:14:51.790 --> 00:14:52.990 with rosemary and a half

NOTE Confidence: 0.95621586

00:14:52.990 --> 00:14:54.050 a ton of equipment.

NOTE Confidence: 0.9788118

00:14:54.670 --> 00:14:56.029 In nineteen sixty seven, the

NOTE Confidence: 0.9788118

00:14:56.029 --> 00:14:57.250 year Timothy entertained

NOTE Confidence: 0.99106985

00:14:57.709 --> 00:14:59.230 vast swaths of college students

NOTE Confidence: 0.99106985

00:14:59.230 --> 00:15:00.130 around the country,

NOTE Confidence: 0.9902487

00:15:00.510 --> 00:15:01.870 more than eighty five percent

NOTE Confidence: 0.9902487

00:15:01.870 --> 00:15:03.170 of freshmen had listed
NOTE Confidence: 0.9861102

00:15:03.495 --> 00:15:05.415 developing a meaningful philosophy of
NOTE Confidence: 0.9861102

00:15:05.415 --> 00:15:07.175 life as a, quote, very
NOTE Confidence: 0.9861102

00:15:07.175 --> 00:15:09.415 important or essential personal life
NOTE Confidence: 0.9861102

00:15:09.415 --> 00:15:09.915 goal.
NOTE Confidence: 0.9673186

00:15:11.415 --> 00:15:12.455 I also think at one
NOTE Confidence: 0.9673186

00:15:12.455 --> 00:15:13.175 point, I thought it was
NOTE Confidence: 0.9673186

00:15:13.175 --> 00:15:14.135 in there when you called
NOTE Confidence: 0.9673186

00:15:14.135 --> 00:15:15.755 him a spiritual narcissist,
NOTE Confidence: 0.997956

00:15:16.250 --> 00:15:17.149 which I loved.
NOTE Confidence: 0.9889719

00:15:17.610 --> 00:15:18.329 And I know the book
NOTE Confidence: 0.9889719

00:15:18.329 --> 00:15:19.610 is about Rosemary, but I
NOTE Confidence: 0.9889719

00:15:19.610 --> 00:15:20.730 wanted you to read that
NOTE Confidence: 0.9889719

00:15:20.730 --> 00:15:22.510 section because I think it's
NOTE Confidence: 0.99762803

00:15:22.970 --> 00:15:24.649 emblematic of the way you
NOTE Confidence: 0.99762803

00:15:24.649 --> 00:15:26.170 write, which I think is

NOTE Confidence: 0.99762803

00:15:26.170 --> 00:15:27.209 a tricky thing to do.

NOTE Confidence: 0.99762803

00:15:27.209 --> 00:15:29.389 You've immersed yourself with Rosemary

NOTE Confidence: 0.8248102

00:15:30.490 --> 00:15:31.630 Woodruff Leary,

NOTE Confidence: 0.9687192

00:15:32.545 --> 00:15:33.905 And yet, you're very clear

NOTE Confidence: 0.9687192

00:15:33.905 --> 00:15:35.445 eyed the whole time.

NOTE Confidence: 0.93548596

00:15:35.985 --> 00:15:38.145 And it's not this, Oh,

NOTE Confidence: 0.93548596

00:15:38.145 --> 00:15:39.665 they're wonderful. Like, it's How

NOTE Confidence: 0.93548596

00:15:39.665 --> 00:15:41.285 did you not just, like

NOTE Confidence: 0.9299873

00:15:42.145 --> 00:15:43.585 You do sympathize with her,

NOTE Confidence: 0.9299873

00:15:43.585 --> 00:15:44.945 -but you also stand back,

NOTE Confidence: 0.9299873

00:15:44.945 --> 00:15:45.745 and we see a lot

NOTE Confidence: 0.9299873

00:15:45.745 --> 00:15:47.810 of dumb mistakes she made,

NOTE Confidence: 0.9299873

00:15:47.810 --> 00:15:48.930 and a lot of bad

NOTE Confidence: 0.9299873

00:15:48.930 --> 00:15:50.209 stuff. And and even when

NOTE Confidence: 0.9299873

00:15:50.209 --> 00:15:51.269 it comes to psychedelics,

NOTE Confidence: 0.9990508

00:15:52.050 --> 00:15:52.790 you're not
NOTE Confidence: 0.9577458

00:15:53.410 --> 00:15:54.769 Most of the books out
NOTE Confidence: 0.9577458

00:15:54.769 --> 00:15:56.550 are They're either the greatest
NOTE Confidence: 0.9577458

00:15:56.610 --> 00:15:57.810 thing in the world, and
NOTE Confidence: 0.9577458

00:15:57.810 --> 00:15:59.570 we're repeating history because they
NOTE Confidence: 0.9577458

00:15:59.570 --> 00:16:00.375 don't the people that are
NOTE Confidence: 0.9577458

00:16:00.375 --> 00:16:01.495 saying this haven't read the
NOTE Confidence: 0.9577458

00:16:01.495 --> 00:16:02.695 whole history, but they're like,
NOTE Confidence: 0.9577458

00:16:02.695 --> 00:16:04.695 Woah, whoever knew that you
NOTE Confidence: 0.9577458

00:16:04.695 --> 00:16:05.975 could get to this other
NOTE Confidence: 0.9577458

00:16:05.975 --> 00:16:07.415 spiritual level and everyone should
NOTE Confidence: 0.9577458

00:16:07.415 --> 00:16:09.095 do it? Or they're anti
NOTE Confidence: 0.9577458

00:16:09.095 --> 00:16:10.395 psychedelics and somehow
NOTE Confidence: 0.8519764

00:16:10.775 --> 00:16:12.215 you maintain this balance. So
NOTE Confidence: 0.8519764

00:16:12.375 --> 00:16:14.235 That is so Thank you.
NOTE Confidence: 0.92355996

00:16:14.660 --> 00:16:16.020 It was really important to

NOTE Confidence: 0.92355996
00:16:16.020 --> 00:16:17.080 me. How did
NOTE Confidence: 0.9523931
00:16:17.540 --> 00:16:19.460 you sort of Okay. Keep
NOTE Confidence: 0.9523931
00:16:19.460 --> 00:16:20.980 your distance, but yet There
NOTE Confidence: 0.9523931
00:16:20.980 --> 00:16:22.820 were practical ways. Mhmm. First
NOTE Confidence: 0.9523931
00:16:22.820 --> 00:16:23.620 of all, was I did
NOTE Confidence: 0.9523931
00:16:23.620 --> 00:16:25.140 not take psychedelics when I
NOTE Confidence: 0.9523931
00:16:25.140 --> 00:16:26.660 was used doing, you know,
NOTE Confidence: 0.9523931
00:16:26.660 --> 00:16:27.700 writing this book, which was
NOTE Confidence: 0.9523931
00:16:27.700 --> 00:16:29.685 a decision. Because during the
NOTE Confidence: 0.9523931
00:16:29.685 --> 00:16:30.965 course of writing this book,
NOTE Confidence: 0.9523931
00:16:30.965 --> 00:16:32.165 lots of people tried to
NOTE Confidence: 0.9523931
00:16:32.165 --> 00:16:33.205 get me to do it.
NOTE Confidence: 0.9523931
00:16:33.205 --> 00:16:34.245 I was interviewing a lot
NOTE Confidence: 0.9523931
00:16:34.245 --> 00:16:35.285 of people who were still
NOTE Confidence: 0.9523931
00:16:35.285 --> 00:16:37.545 deeply into that hippie ethos,
NOTE Confidence: 0.92675525

00:16:38.805 --> 00:16:40.905 and actually one time interviewed

NOTE Confidence: 0.92675525

00:16:41.045 --> 00:16:42.085 a a man who is

NOTE Confidence: 0.92675525

00:16:42.085 --> 00:16:42.745 a facilitator

NOTE Confidence: 0.93286836

00:16:43.045 --> 00:16:44.260 now as as I'm I'm

NOTE Confidence: 0.93286836

00:16:44.260 --> 00:16:45.380 not sure how familiar people

NOTE Confidence: 0.93286836

00:16:45.380 --> 00:16:46.760 are, but and he said,

NOTE Confidence: 0.9340154

00:16:47.220 --> 00:16:48.360 you should come to

NOTE Confidence: 0.9303724

00:16:48.899 --> 00:16:49.720 he said this.

NOTE Confidence: 0.9827477

00:16:50.100 --> 00:16:51.140 You should come to see

NOTE Confidence: 0.9827477

00:16:51.140 --> 00:16:51.880 me in Vermont,

NOTE Confidence: 0.98658854

00:16:52.579 --> 00:16:53.860 and we can I can

NOTE Confidence: 0.98658854

00:16:53.860 --> 00:16:54.760 be your facilitator,

NOTE Confidence: 0.7419529

00:16:55.459 --> 00:16:55.959 quote,

NOTE Confidence: 0.9426002

00:16:56.465 --> 00:16:57.985 it's when you basically trip

NOTE Confidence: 0.9426002

00:16:57.985 --> 00:16:59.665 guide, your guide during a

NOTE Confidence: 0.9426002

00:16:59.665 --> 00:17:01.285 trip? And he said,

NOTE Confidence: 0.9780124

00:17:02.305 --> 00:17:03.605 no sexual stuff.

NOTE Confidence: 0.9432543

00:17:05.425 --> 00:17:06.385 I was like, if we

NOTE Confidence: 0.9432543

00:17:06.385 --> 00:17:07.825 have to say that, there's

NOTE Confidence: 0.9432543

00:17:07.825 --> 00:17:09.525 a real a real problem

NOTE Confidence: 0.9432543

00:17:09.585 --> 00:17:10.914 here in this. So I

NOTE Confidence: 0.9432543

00:17:10.914 --> 00:17:12.258 I anyway, so, like, not

NOTE Confidence: 0.9432543

00:17:12.258 --> 00:17:13.170 doing the drugs that I

NOTE Confidence: 0.9432543

00:17:13.170 --> 00:17:15.250 wrote about probably was part

NOTE Confidence: 0.9432543

00:17:15.250 --> 00:17:16.369 of it, but then also

NOTE Confidence: 0.9432543

00:17:16.369 --> 00:17:18.210 being sympathetic and very interested

NOTE Confidence: 0.9432543

00:17:18.210 --> 00:17:19.570 in the drugs themselves, taking

NOTE Confidence: 0.9432543

00:17:19.570 --> 00:17:20.470 them very seriously.

NOTE Confidence: 0.98369455

00:17:21.650 --> 00:17:23.090 You know, taking the experience

NOTE Confidence: 0.98369455

00:17:23.090 --> 00:17:24.505 of people I was writing

NOTE Confidence: 0.98369455

00:17:24.505 --> 00:17:25.945 about seriously, taking my own

NOTE Confidence: 0.98369455

00:17:25.945 --> 00:17:27.085 experience prior
NOTE Confidence: 0.9596289

00:17:27.385 --> 00:17:29.385 to my, you know, experience
NOTE Confidence: 0.9596289

00:17:29.385 --> 00:17:30.905 with autoimmune encephalitis, that I've
NOTE Confidence: 0.9596289

00:17:30.905 --> 00:17:33.065 had psychedelic experiences that were
NOTE Confidence: 0.9596289

00:17:33.065 --> 00:17:33.565 profound,
NOTE Confidence: 0.9505701

00:17:34.105 --> 00:17:35.304 incorporating that. And so it
NOTE Confidence: 0.9505701

00:17:35.304 --> 00:17:36.505 was seeing that these kind
NOTE Confidence: 0.9505701

00:17:36.505 --> 00:17:38.210 of, both of these ideas
NOTE Confidence: 0.9505701

00:17:38.210 --> 00:17:39.650 can exist at once. And
NOTE Confidence: 0.9505701

00:17:39.650 --> 00:17:40.930 and trying to keep that
NOTE Confidence: 0.9505701

00:17:40.930 --> 00:17:42.450 balance for me was the
NOTE Confidence: 0.9505701

00:17:42.450 --> 00:17:44.390 real challenge of the book.
NOTE Confidence: 0.9505701

00:17:44.450 --> 00:17:45.050 And it was it was
NOTE Confidence: 0.9505701

00:17:45.050 --> 00:17:46.290 a challenge with Rosemary too
NOTE Confidence: 0.9505701

00:17:46.290 --> 00:17:47.250 because like you said, she
NOTE Confidence: 0.9505701

00:17:47.250 --> 00:17:48.310 made some mistakes

NOTE Confidence: 0.97276866
00:17:48.930 --> 00:17:50.130 and some decisions that were
NOTE Confidence: 0.97276866
00:17:50.130 --> 00:17:51.490 not mistakes that were real.
NOTE Confidence: 0.97276866
00:17:51.490 --> 00:17:53.355 Like, she was very steadfast
NOTE Confidence: 0.97276866
00:17:53.355 --> 00:17:54.575 that I thought were ridiculous.
NOTE Confidence: 0.97276866
00:17:54.635 --> 00:17:56.234 And she behaved in ways
NOTE Confidence: 0.97276866
00:17:56.234 --> 00:17:57.035 that were some of it
NOTE Confidence: 0.97276866
00:17:57.035 --> 00:17:57.835 was a part of her
NOTE Confidence: 0.97276866
00:17:57.915 --> 00:17:59.295 the context of her time.
NOTE Confidence: 0.9597526
00:17:59.835 --> 00:18:01.035 And some of it was
NOTE Confidence: 0.9597526
00:18:01.035 --> 00:18:03.675 just plain, just bad, bad
NOTE Confidence: 0.9597526
00:18:03.675 --> 00:18:05.275 decisions. And to still kind
NOTE Confidence: 0.9597526
00:18:05.275 --> 00:18:06.899 of be with her and
NOTE Confidence: 0.9597526
00:18:06.899 --> 00:18:08.019 allow her to do that
NOTE Confidence: 0.9597526
00:18:08.019 --> 00:18:08.760 on the page
NOTE Confidence: 0.982476
00:18:09.299 --> 00:18:09.799 without
NOTE Confidence: 0.8679811

00:18:11.059 --> 00:18:12.279 condemning her
NOTE Confidence: 0.96924084

00:18:12.820 --> 00:18:14.179 was something that was important
NOTE Confidence: 0.96924084

00:18:14.179 --> 00:18:15.059 to me. So thank you
NOTE Confidence: 0.96924084

00:18:15.059 --> 00:18:16.679 for saying that. And
NOTE Confidence: 0.88614905

00:18:17.380 --> 00:18:19.619 so if someone did wanna
NOTE Confidence: 0.88614905

00:18:19.619 --> 00:18:20.359 say, well,
NOTE Confidence: 0.9423096

00:18:21.034 --> 00:18:21.994 what did you think I
NOTE Confidence: 0.9423096

00:18:21.994 --> 00:18:23.275 mean, you you embody her.
NOTE Confidence: 0.9423096

00:18:23.275 --> 00:18:24.154 You feel like you really
NOTE Confidence: 0.9423096

00:18:24.154 --> 00:18:25.835 know her, and you quote
NOTE Confidence: 0.9423096

00:18:25.835 --> 00:18:27.215 her family as saying
NOTE Confidence: 0.97214854

00:18:27.595 --> 00:18:29.054 she was a lost soul.
NOTE Confidence: 0.99947184

00:18:29.914 --> 00:18:31.135 Do you think she was?
NOTE Confidence: 0.98164546

00:18:31.595 --> 00:18:32.794 Oh, that's a good question.
NOTE Confidence: 0.98164546

00:18:32.794 --> 00:18:33.615 So Rosemary
NOTE Confidence: 0.9953111

00:18:34.075 --> 00:18:34.734 was a

NOTE Confidence: 0.90870357
00:18:35.059 --> 00:18:36.600 searcher and a seeker,
NOTE Confidence: 0.98179513
00:18:36.900 --> 00:18:38.500 and she was someone looking
NOTE Confidence: 0.98179513
00:18:38.500 --> 00:18:40.119 for meaning in her life.
NOTE Confidence: 0.96276414
00:18:40.900 --> 00:18:41.400 And,
NOTE Confidence: 0.9862634
00:18:42.740 --> 00:18:44.100 I think that she thought
NOTE Confidence: 0.9862634
00:18:44.100 --> 00:18:45.380 maybe she'd find that meaning
NOTE Confidence: 0.9862634
00:18:45.380 --> 00:18:46.440 in having a family,
NOTE Confidence: 0.9745256
00:18:46.740 --> 00:18:48.119 but she couldn't have children.
NOTE Confidence: 0.99699146
00:18:48.885 --> 00:18:50.005 And so the loss of
NOTE Confidence: 0.99699146
00:18:50.005 --> 00:18:50.984 that was
NOTE Confidence: 0.93003887
00:18:51.445 --> 00:18:52.484 something there she had to
NOTE Confidence: 0.93003887
00:18:52.484 --> 00:18:53.845 reassess what that meaning was,
NOTE Confidence: 0.93003887
00:18:53.845 --> 00:18:55.125 but even before that, even
NOTE Confidence: 0.93003887
00:18:55.125 --> 00:18:56.425 before when she didn't
NOTE Confidence: 0.92222565
00:18:57.285 --> 00:18:58.265 have that realization,
NOTE Confidence: 0.99081737

00:18:58.725 --> 00:19:00.665 she was always looking for
NOTE Confidence: 0.99081737

00:19:00.725 --> 00:19:01.225 some
NOTE Confidence: 0.5947636

00:19:01.605 --> 00:19:02.105 something
NOTE Confidence: 0.9995105

00:19:03.090 --> 00:19:03.590 outside
NOTE Confidence: 0.9747434

00:19:04.049 --> 00:19:05.809 of the material plane, something
NOTE Confidence: 0.9747434

00:19:05.809 --> 00:19:07.170 that we couldn't see, feel,
NOTE Confidence: 0.9747434

00:19:07.170 --> 00:19:08.609 or touch. You could call
NOTE Confidence: 0.9747434

00:19:08.609 --> 00:19:09.650 it, like, almost like a
NOTE Confidence: 0.9747434

00:19:09.650 --> 00:19:10.150 religious
NOTE Confidence: 0.9248272

00:19:11.170 --> 00:19:12.609 yearning, though sh that wasn't
NOTE Confidence: 0.9248272

00:19:12.609 --> 00:19:13.570 what she was looking for
NOTE Confidence: 0.9248272

00:19:13.570 --> 00:19:14.070 specifically.
NOTE Confidence: 0.95230657

00:19:14.609 --> 00:19:15.490 And she and she really
NOTE Confidence: 0.95230657

00:19:15.570 --> 00:19:16.929 she herself credits it with
NOTE Confidence: 0.95230657

00:19:16.929 --> 00:19:18.210 the experience she had when
NOTE Confidence: 0.95230657

00:19:18.210 --> 00:19:19.325 she was seven years

NOTE Confidence: 0.9621848
00:19:19.625 --> 00:19:20.505 old, and she was in
NOTE Confidence: 0.9621848
00:19:20.505 --> 00:19:21.865 St. Louis, and she was
NOTE Confidence: 0.9621848
00:19:21.865 --> 00:19:23.164 walking in her neighborhood,
NOTE Confidence: 0.99912596
00:19:23.544 --> 00:19:24.904 and she was hit with
NOTE Confidence: 0.99912596
00:19:24.904 --> 00:19:25.645 this sudden
NOTE Confidence: 0.99922395
00:19:26.345 --> 00:19:26.845 feeling
NOTE Confidence: 0.99710965
00:19:27.145 --> 00:19:29.005 that everything was connected.
NOTE Confidence: 0.9788615
00:19:29.465 --> 00:19:30.424 She felt like she had
NOTE Confidence: 0.9788615
00:19:30.424 --> 00:19:31.885 been plugged into an electrical
NOTE Confidence: 0.9788615
00:19:32.024 --> 00:19:33.750 grid, that the whole world
NOTE Confidence: 0.9788615
00:19:33.750 --> 00:19:34.730 kind of vibrated
NOTE Confidence: 0.96121395
00:19:35.190 --> 00:19:36.630 in front of her. And,
NOTE Confidence: 0.96121395
00:19:36.630 --> 00:19:37.770 you know, it's a spontaneous,
NOTE Confidence: 0.96121395
00:19:37.830 --> 00:19:39.830 mystical experience. And a lot
NOTE Confidence: 0.96121395
00:19:39.830 --> 00:19:40.570 of people
NOTE Confidence: 0.9711315

00:19:40.950 --> 00:19:42.790 who become religious figures or
NOTE Confidence: 0.9711315

00:19:42.790 --> 00:19:43.690 become shamans
NOTE Confidence: 0.93919015

00:19:44.790 --> 00:19:46.150 report having that experience. And
NOTE Confidence: 0.93919015

00:19:46.150 --> 00:19:46.869 I think a lot of
NOTE Confidence: 0.93919015

00:19:46.869 --> 00:19:48.825 peep people as children have
NOTE Confidence: 0.93919015

00:19:48.825 --> 00:19:50.744 those experiences in general. We
NOTE Confidence: 0.93919015

00:19:50.744 --> 00:19:52.045 forget them perhaps,
NOTE Confidence: 0.96305496

00:19:53.385 --> 00:19:54.345 maybe we can explain them
NOTE Confidence: 0.96305496

00:19:54.345 --> 00:19:55.945 away, but I can remember
NOTE Confidence: 0.96305496

00:19:55.945 --> 00:19:57.065 moments in my life where
NOTE Confidence: 0.96305496

00:19:57.065 --> 00:19:59.065 I'm filled with some kind
NOTE Confidence: 0.96305496

00:19:59.065 --> 00:20:00.685 of otherness that is,
NOTE Confidence: 0.99870986

00:20:01.225 --> 00:20:01.965 that feels
NOTE Confidence: 0.8778544

00:20:03.019 --> 00:20:04.779 like profound. And for lack
NOTE Confidence: 0.8778544

00:20:04.779 --> 00:20:05.419 of you know, you can't
NOTE Confidence: 0.8778544

00:20:05.419 --> 00:20:06.220 describe it. You try to

NOTE Confidence: 0.8778544

00:20:06.220 --> 00:20:07.899 describe it, you fail. And

NOTE Confidence: 0.8778544

00:20:07.899 --> 00:20:08.859 the children I think are

NOTE Confidence: 0.8778544

00:20:08.859 --> 00:20:09.659 open to that. And she

NOTE Confidence: 0.8778544

00:20:09.659 --> 00:20:11.100 had that. And that that

NOTE Confidence: 0.8778544

00:20:11.100 --> 00:20:11.600 experience

NOTE Confidence: 0.98044854

00:20:11.980 --> 00:20:13.039 never left her.

NOTE Confidence: 0.96893877

00:20:13.419 --> 00:20:14.480 And I think did

NOTE Confidence: 0.9644034

00:20:15.019 --> 00:20:16.460 kind of shift the whole

NOTE Confidence: 0.9644034

00:20:16.460 --> 00:20:17.440 course of her life.

NOTE Confidence: 0.9285475

00:20:18.325 --> 00:20:19.285 So, yeah, she was seeking

NOTE Confidence: 0.9285475

00:20:19.285 --> 00:20:20.405 that. Yes. And And was

NOTE Confidence: 0.9285475

00:20:20.405 --> 00:20:21.205 a little lost because of

NOTE Confidence: 0.9285475

00:20:21.205 --> 00:20:22.244 it. So it's interesting. So

NOTE Confidence: 0.9285475

00:20:22.244 --> 00:20:22.984 in some ways,

NOTE Confidence: 0.93184966

00:20:23.445 --> 00:20:24.725 it seems like you admire

NOTE Confidence: 0.93184966

00:20:24.725 --> 00:20:26.325 that part of her. And
NOTE Confidence: 0.93184966

00:20:26.325 --> 00:20:27.525 then, yet she made some
NOTE Confidence: 0.93184966

00:20:27.525 --> 00:20:29.305 bad mistakes along the way.
NOTE Confidence: 0.952606

00:20:30.180 --> 00:20:31.380 Absolutely. And I know people
NOTE Confidence: 0.952606

00:20:31.380 --> 00:20:32.500 are gonna have questions about
NOTE Confidence: 0.952606

00:20:32.500 --> 00:20:33.700 the content, but also the
NOTE Confidence: 0.952606

00:20:33.700 --> 00:20:35.220 writing process. But I'm gonna
NOTE Confidence: 0.952606

00:20:35.220 --> 00:20:36.180 ask you also about the
NOTE Confidence: 0.952606

00:20:36.180 --> 00:20:38.040 writing process speaking of Rosemary,
NOTE Confidence: 0.952606

00:20:38.180 --> 00:20:38.680 because
NOTE Confidence: 0.8873293

00:20:39.619 --> 00:20:40.440 in some ways,
NOTE Confidence: 0.95839894

00:20:41.460 --> 00:20:42.615 if you didn't like, you
NOTE Confidence: 0.95839894

00:20:42.615 --> 00:20:43.815 tie things together in this
NOTE Confidence: 0.95839894

00:20:43.815 --> 00:20:45.415 wonderful narrative arc, but her
NOTE Confidence: 0.95839894

00:20:45.415 --> 00:20:46.855 life is kind of all
NOTE Confidence: 0.95839894

00:20:46.855 --> 00:20:47.935 over the place, sort of.

NOTE Confidence: 0.95839894
00:20:47.935 --> 00:20:48.855 -MUSIC -MUSIC: Yes. -MUSIC:
NOTE Confidence: 0.981541
00:20:49.815 --> 00:20:50.695 and I'm gonna ask a
NOTE Confidence: 0.981541
00:20:50.695 --> 00:20:51.595 very specific
NOTE Confidence: 0.96899414
00:20:51.895 --> 00:20:53.335 question, because right in the
NOTE Confidence: 0.96899414
00:20:53.335 --> 00:20:54.375 beginning of the book, you
NOTE Confidence: 0.96899414
00:20:54.375 --> 00:20:56.054 give this lovely anecdote. And
NOTE Confidence: 0.96899414
00:20:56.054 --> 00:20:57.015 for those who haven't read
NOTE Confidence: 0.96899414
00:20:57.015 --> 00:20:57.755 it yet,
NOTE Confidence: 0.9639484
00:20:58.220 --> 00:20:59.340 and you sort of tie,
NOTE Confidence: 0.9639484
00:20:59.340 --> 00:21:01.200 like, this is what her
NOTE Confidence: 0.9639484
00:21:01.260 --> 00:21:03.020 family life was like in
NOTE Confidence: 0.9639484
00:21:03.020 --> 00:21:04.720 Saint Louis, and this
NOTE Confidence: 0.9611265
00:21:05.100 --> 00:21:06.140 is what she's going to
NOTE Confidence: 0.9611265
00:21:06.140 --> 00:21:07.660 be, this myth maker. And
NOTE Confidence: 0.9611265
00:21:07.660 --> 00:21:08.720 so can you just
NOTE Confidence: 0.93644786

00:21:09.180 --> 00:21:10.060 tell us the it's not
NOTE Confidence: 0.93644786

00:21:10.060 --> 00:21:11.180 a spoiler alert. It's on
NOTE Confidence: 0.93644786

00:21:11.180 --> 00:21:12.140 page one. Yeah.
NOTE Confidence: 0.99182737

00:21:12.859 --> 00:21:13.359 But
NOTE Confidence: 0.9685374

00:21:15.135 --> 00:21:16.495 what was your thought process
NOTE Confidence: 0.9685374

00:21:16.495 --> 00:21:17.615 in terms of starting the
NOTE Confidence: 0.9685374

00:21:17.615 --> 00:21:18.655 book? Like, did you hear
NOTE Confidence: 0.9685374

00:21:18.655 --> 00:21:19.695 about that? Tell us about
NOTE Confidence: 0.9685374

00:21:19.695 --> 00:21:20.335 it. And then I want
NOTE Confidence: 0.9685374

00:21:20.335 --> 00:21:21.215 to be like, oh, that's
NOTE Confidence: 0.9685374

00:21:21.215 --> 00:21:22.095 gonna be the start of
NOTE Confidence: 0.9685374

00:21:22.095 --> 00:21:22.895 my book. Or did you
NOTE Confidence: 0.9685374

00:21:22.895 --> 00:21:24.575 think, okay, the essence of
NOTE Confidence: 0.9685374

00:21:24.575 --> 00:21:26.175 her is she's a myth
NOTE Confidence: 0.9685374

00:21:26.175 --> 00:21:27.455 maker about herself, and I
NOTE Confidence: 0.9685374

00:21:27.455 --> 00:21:28.435 need an anecdote

NOTE Confidence: 0.89137316

00:21:29.055 --> 00:21:30.030 to start with. Oh, that's

NOTE Confidence: 0.89137316

00:21:30.030 --> 00:21:31.310 great. I so the the

NOTE Confidence: 0.89137316

00:21:31.310 --> 00:21:32.750 the anecdote the anecdote in

NOTE Confidence: 0.89137316

00:21:32.750 --> 00:21:34.530 question. So her father,

NOTE Confidence: 0.8895648

00:21:34.830 --> 00:21:36.990 Rosemary's father, worked, on the

NOTE Confidence: 0.8895648

00:21:36.990 --> 00:21:38.610 railroad and the levees.

NOTE Confidence: 0.98291683

00:21:38.990 --> 00:21:39.490 And,

NOTE Confidence: 0.8849665

00:21:40.750 --> 00:21:41.869 Rose and but on the

NOTE Confidence: 0.8849665

00:21:41.869 --> 00:21:42.830 on the side, he was

NOTE Confidence: 0.8849665

00:21:42.830 --> 00:21:44.050 an amateur magician.

NOTE Confidence: 0.9502381

00:21:45.044 --> 00:21:46.164 And, in fact, she wrote,

NOTE Confidence: 0.9502381

00:21:46.404 --> 00:21:47.284 a memoir that she was

NOTE Confidence: 0.9502381

00:21:47.284 --> 00:21:48.244 working on in progress called

NOTE Confidence: 0.9502381

00:21:48.244 --> 00:21:50.085 The Magician's Daughter. So clearly

NOTE Confidence: 0.9502381

00:21:50.085 --> 00:21:51.125 very important to her that

NOTE Confidence: 0.9502381

00:21:51.125 --> 00:21:52.264 her father was a magician.
NOTE Confidence: 0.96665007

00:21:52.725 --> 00:21:54.085 And Timothy Leary, in many
NOTE Confidence: 0.96665007

00:21:54.085 --> 00:21:55.125 ways, was a magician as
NOTE Confidence: 0.96665007

00:21:55.125 --> 00:21:55.625 well.
NOTE Confidence: 0.88638675

00:21:56.085 --> 00:21:56.585 So,
NOTE Confidence: 0.7585411

00:21:57.010 --> 00:21:58.929 magician's daughter. So she would
NOTE Confidence: 0.7585411

00:21:58.929 --> 00:21:59.429 oftentimes
NOTE Confidence: 0.90087867

00:22:00.049 --> 00:22:02.070 accompany her her father,
NOTE Confidence: 0.81896895

00:22:02.530 --> 00:22:03.510 almost said husband,
NOTE Confidence: 0.8925216

00:22:05.170 --> 00:22:06.929 father to bars and where
NOTE Confidence: 0.8925216

00:22:06.929 --> 00:22:08.625 he would do his tricks
NOTE Confidence: 0.8925216

00:22:08.625 --> 00:22:09.585 with, you know, what kind
NOTE Confidence: 0.8925216

00:22:09.585 --> 00:22:10.244 of like,
NOTE Confidence: 0.9844295

00:22:10.545 --> 00:22:11.825 kind of close hand magic
NOTE Confidence: 0.9844295

00:22:11.825 --> 00:22:12.565 with cards
NOTE Confidence: 0.9299639

00:22:13.105 --> 00:22:14.725 and she would tap dance

NOTE Confidence: 0.9978824
00:22:15.265 --> 00:22:16.244 on the bar
NOTE Confidence: 0.91990054
00:22:16.705 --> 00:22:18.225 kicking away the suds and
NOTE Confidence: 0.91990054
00:22:18.225 --> 00:22:19.025 a beautiful I mean, she
NOTE Confidence: 0.91990054
00:22:19.025 --> 00:22:20.465 was a beautiful woman but
NOTE Confidence: 0.91990054
00:22:20.465 --> 00:22:21.425 as a child she looked
NOTE Confidence: 0.91990054
00:22:21.425 --> 00:22:22.385 like a kind of brown
NOTE Confidence: 0.91990054
00:22:22.385 --> 00:22:23.525 haired Shirley Temple
NOTE Confidence: 0.9509408
00:22:24.899 --> 00:22:26.019 And the men were looking
NOTE Confidence: 0.9509408
00:22:26.019 --> 00:22:26.980 at her then when she
NOTE Confidence: 0.9509408
00:22:26.980 --> 00:22:28.179 was a child, and she
NOTE Confidence: 0.9509408
00:22:28.179 --> 00:22:29.960 had command over a room
NOTE Confidence: 0.9418003
00:22:30.260 --> 00:22:31.220 based on the way she
NOTE Confidence: 0.9418003
00:22:31.220 --> 00:22:33.220 looked just in just at
NOTE Confidence: 0.9418003
00:22:33.220 --> 00:22:34.419 that, you know, when she
NOTE Confidence: 0.9418003
00:22:34.419 --> 00:22:35.639 was five years old.
NOTE Confidence: 0.9380027

00:22:36.034 --> 00:22:37.875 So to me, that is
NOTE Confidence: 0.9380027

00:22:37.875 --> 00:22:38.994 amazing. And then the reason
NOTE Confidence: 0.9380027

00:22:38.994 --> 00:22:40.455 why I started there,
NOTE Confidence: 0.9064117

00:22:41.075 --> 00:22:41.794 and this is kind of
NOTE Confidence: 0.9064117

00:22:41.794 --> 00:22:43.234 a spoiler alert, but it's
NOTE Confidence: 0.9064117

00:22:43.234 --> 00:22:44.914 I it's not because it's
NOTE Confidence: 0.9064117

00:22:44.914 --> 00:22:45.414 not.
NOTE Confidence: 0.9824147

00:22:45.715 --> 00:22:46.215 But,
NOTE Confidence: 0.97329634

00:22:47.075 --> 00:22:48.775 she writes about her father
NOTE Confidence: 0.97329634

00:22:49.075 --> 00:22:50.994 in her unpublished book, which
NOTE Confidence: 0.97329634

00:22:50.994 --> 00:22:52.169 I use, which was a
NOTE Confidence: 0.97329634

00:22:52.169 --> 00:22:54.409 key text, kind of, Rosetta
NOTE Confidence: 0.97329634

00:22:54.409 --> 00:22:55.529 Stone, if you will, for
NOTE Confidence: 0.97329634

00:22:55.529 --> 00:22:56.570 me with the book. But
NOTE Confidence: 0.97329634

00:22:56.570 --> 00:22:57.769 there was a lot that
NOTE Confidence: 0.97329634

00:22:57.769 --> 00:22:59.309 I had to triple source

NOTE Confidence: 0.9418695
00:22:59.690 --> 00:23:01.210 and question because she was
NOTE Confidence: 0.9418695
00:23:01.210 --> 00:23:02.190 a self mythologizer,
NOTE Confidence: 0.9864282
00:23:02.649 --> 00:23:04.190 as well as a mythologizer
NOTE Confidence: 0.9864282
00:23:04.409 --> 00:23:05.629 of Timothy Leary.
NOTE Confidence: 0.97449374
00:23:06.265 --> 00:23:07.625 And there was a wonderful
NOTE Confidence: 0.97449374
00:23:07.625 --> 00:23:08.984 scene that she describes of
NOTE Confidence: 0.97449374
00:23:08.984 --> 00:23:10.105 her father in a top
NOTE Confidence: 0.97449374
00:23:10.105 --> 00:23:11.544 hat and tails doing his
NOTE Confidence: 0.97449374
00:23:11.544 --> 00:23:12.044 magic.
NOTE Confidence: 0.93909895
00:23:12.905 --> 00:23:14.505 And, I had I found
NOTE Confidence: 0.93909895
00:23:14.505 --> 00:23:16.025 the picture, and it was
NOTE Confidence: 0.93909895
00:23:16.025 --> 00:23:17.145 amazing that he was in
NOTE Confidence: 0.93909895
00:23:17.145 --> 00:23:17.865 a top hat and tail,
NOTE Confidence: 0.93909895
00:23:17.865 --> 00:23:18.585 and there was, like, a
NOTE Confidence: 0.93909895
00:23:18.585 --> 00:23:19.785 gun that he was pointing
NOTE Confidence: 0.93909895

00:23:19.785 --> 00:23:20.924 at some target.
NOTE Confidence: 0.99861205

00:23:21.720 --> 00:23:22.220 And
NOTE Confidence: 0.81574327

00:23:22.520 --> 00:23:23.020 I,
NOTE Confidence: 0.9651757

00:23:23.960 --> 00:23:25.740 found a letter from nineteen
NOTE Confidence: 0.9651757

00:23:25.880 --> 00:23:27.720 seventy one. This was long
NOTE Confidence: 0.9651757

00:23:27.720 --> 00:23:28.679 before she had finished the
NOTE Confidence: 0.9651757

00:23:28.679 --> 00:23:29.640 book, but when she was
NOTE Confidence: 0.9651757

00:23:29.640 --> 00:23:30.760 starting the book, and she
NOTE Confidence: 0.9651757

00:23:30.760 --> 00:23:31.720 started the book with with
NOTE Confidence: 0.9651757

00:23:31.720 --> 00:23:32.760 the anecdote of her father
NOTE Confidence: 0.9651757

00:23:32.760 --> 00:23:33.559 and the top hat and
NOTE Confidence: 0.9651757

00:23:33.559 --> 00:23:35.160 tails doing magic. And she
NOTE Confidence: 0.9651757

00:23:35.160 --> 00:23:36.299 sent it to her mother,
NOTE Confidence: 0.9985284

00:23:36.925 --> 00:23:37.905 And her mother
NOTE Confidence: 0.9588503

00:23:38.605 --> 00:23:39.405 read it and said, oh,
NOTE Confidence: 0.9588503

00:23:39.405 --> 00:23:40.925 it's beautifully written, but you've

NOTE Confidence: 0.9588503

00:23:40.925 --> 00:23:42.125 gotten a key part of

NOTE Confidence: 0.9588503

00:23:42.125 --> 00:23:42.785 it wrong.

NOTE Confidence: 0.98508084

00:23:43.244 --> 00:23:44.145 Your father

NOTE Confidence: 0.9151077

00:23:44.525 --> 00:23:45.744 wasn't the magician,

NOTE Confidence: 0.992877

00:23:46.605 --> 00:23:48.225 he was the magician's assistant.

NOTE Confidence: 0.91660327

00:23:49.500 --> 00:23:50.940 And that, to me, she

NOTE Confidence: 0.91660327

00:23:50.940 --> 00:23:51.980 never changed it. She kept

NOTE Confidence: 0.91660327

00:23:51.980 --> 00:23:53.040 that he was a magician

NOTE Confidence: 0.91660327

00:23:53.260 --> 00:23:54.300 in her book, and I

NOTE Confidence: 0.91660327

00:23:54.300 --> 00:23:54.800 thought,

NOTE Confidence: 0.8764448

00:23:55.500 --> 00:23:57.500 that's amazing. And what I

NOTE Confidence: 0.8764448

00:23:57.500 --> 00:23:58.960 think in many ways Rosemary

NOTE Confidence: 0.8764448

00:23:59.020 --> 00:23:59.920 was the magician

NOTE Confidence: 0.90834695

00:24:00.859 --> 00:24:02.080 too, but also

NOTE Confidence: 0.97680265

00:24:02.494 --> 00:24:03.855 she presented as the magician's

NOTE Confidence: 0.97680265

00:24:03.855 --> 00:24:04.895 assistant. She was kind of
NOTE Confidence: 0.97680265

00:24:04.895 --> 00:24:05.395 both.
NOTE Confidence: 0.96025217

00:24:05.695 --> 00:24:06.975 And isn't that the most
NOTE Confidence: 0.96025217

00:24:06.975 --> 00:24:08.335 magical, the kind of person
NOTE Confidence: 0.96025217

00:24:08.335 --> 00:24:09.615 who can make you think
NOTE Confidence: 0.96025217

00:24:09.615 --> 00:24:10.994 that they're behind the scenes,
NOTE Confidence: 0.96025217

00:24:11.055 --> 00:24:12.175 that they're the only doing
NOTE Confidence: 0.96025217

00:24:12.175 --> 00:24:13.615 the things helping the magician,
NOTE Confidence: 0.96025217

00:24:13.615 --> 00:24:15.090 but really they're the ones,
NOTE Confidence: 0.96025217

00:24:15.409 --> 00:24:16.850 They're the thing they're behind
NOTE Confidence: 0.96025217

00:24:16.850 --> 00:24:18.130 the scenes. They're turning the
NOTE Confidence: 0.96025217

00:24:18.130 --> 00:24:19.570 pages. They're doing the magic
NOTE Confidence: 0.96025217

00:24:19.570 --> 00:24:21.090 that you can't see. That
NOTE Confidence: 0.96025217

00:24:21.090 --> 00:24:22.070 to me is magical.
NOTE Confidence: 0.9541112

00:24:22.450 --> 00:24:23.570 So that's why I started
NOTE Confidence: 0.9541112

00:24:23.570 --> 00:24:24.690 there because I thought when

NOTE Confidence: 0.9541112
00:24:24.690 --> 00:24:25.890 I found that note, it
NOTE Confidence: 0.9541112
00:24:25.890 --> 00:24:26.710 was just
NOTE Confidence: 0.8806076
00:24:27.010 --> 00:24:28.309 amazing. And also,
NOTE Confidence: 0.92731106
00:24:28.770 --> 00:24:30.369 I love when things are
NOTE Confidence: 0.92731106
00:24:30.369 --> 00:24:30.945 a little
NOTE Confidence: 0.8567286
00:24:31.424 --> 00:24:32.804 that I I I love
NOTE Confidence: 0.8567286
00:24:33.024 --> 00:24:34.085 the idea of
NOTE Confidence: 0.9388252
00:24:34.625 --> 00:24:35.984 of people's narratives and how
NOTE Confidence: 0.9388252
00:24:35.984 --> 00:24:37.264 we rewrite the past and
NOTE Confidence: 0.9388252
00:24:37.264 --> 00:24:38.804 what we choose to remember
NOTE Confidence: 0.9388252
00:24:39.024 --> 00:24:40.144 and what we don't and
NOTE Confidence: 0.9388252
00:24:40.144 --> 00:24:41.664 how Rosemary in many ways
NOTE Confidence: 0.9388252
00:24:41.664 --> 00:24:43.445 was chosen. The the society,
NOTE Confidence: 0.9388252
00:24:43.585 --> 00:24:44.945 the culture chose not to
NOTE Confidence: 0.9388252
00:24:44.945 --> 00:24:46.619 remember her and I'm there's
NOTE Confidence: 0.9388252

00:24:46.619 --> 00:24:47.740 something just very interesting there,
NOTE Confidence: 0.9388252

00:24:47.740 --> 00:24:48.940 so that's why I started
NOTE Confidence: 0.9388252

00:24:48.940 --> 00:24:49.440 there.
NOTE Confidence: 0.9288688

00:24:50.220 --> 00:24:51.180 That's what I was gonna
NOTE Confidence: 0.9288688

00:24:51.180 --> 00:24:52.880 ask about next two things.
NOTE Confidence: 0.9940291

00:24:53.900 --> 00:24:55.500 You love to write about
NOTE Confidence: 0.9940291

00:24:55.500 --> 00:24:57.900 people that society chooses not
NOTE Confidence: 0.9940291

00:24:57.900 --> 00:24:58.640 to remember.
NOTE Confidence: 0.96128446

00:24:59.404 --> 00:25:01.005 There we go. And so
NOTE Confidence: 0.96128446

00:25:01.164 --> 00:25:03.085 Yes. Is it because she's
NOTE Confidence: 0.96128446

00:25:03.085 --> 00:25:04.125 a woman? Is it because
NOTE Confidence: 0.96128446

00:25:04.125 --> 00:25:05.005 you feel that there are
NOTE Confidence: 0.96128446

00:25:05.005 --> 00:25:06.445 things that I think you
NOTE Confidence: 0.96128446

00:25:06.445 --> 00:25:07.725 called it a footnote in
NOTE Confidence: 0.96128446

00:25:07.725 --> 00:25:08.225 history
NOTE Confidence: 0.91884375

00:25:09.404 --> 00:25:11.244 that shouldn't be footnotes? Like,

NOTE Confidence: 0.91884375
00:25:11.244 --> 00:25:12.365 is there something that goes
NOTE Confidence: 0.91884375
00:25:12.365 --> 00:25:13.325 off in you going, this
NOTE Confidence: 0.91884375
00:25:13.325 --> 00:25:14.280 shouldn't be a a footnote
NOTE Confidence: 0.91884375
00:25:14.280 --> 00:25:15.560 in history. This should be
NOTE Confidence: 0.91884375
00:25:15.560 --> 00:25:16.440 a book. Yeah.
NOTE Confidence: 0.9640648
00:25:16.840 --> 00:25:17.880 So I wanna know about
NOTE Confidence: 0.9640648
00:25:17.880 --> 00:25:18.780 that process.
NOTE Confidence: 0.9993661
00:25:19.640 --> 00:25:20.140 And
NOTE Confidence: 0.9151695
00:25:21.320 --> 00:25:22.600 and then I'll slide into
NOTE Confidence: 0.9151695
00:25:22.600 --> 00:25:24.440 this question too, because I
NOTE Confidence: 0.9151695
00:25:24.440 --> 00:25:25.100 might forgot,
NOTE Confidence: 0.96862805
00:25:25.480 --> 00:25:26.680 that you just talked about
NOTE Confidence: 0.96862805
00:25:26.680 --> 00:25:27.660 being the assistant.
NOTE Confidence: 0.9922108
00:25:28.200 --> 00:25:29.500 How you think
NOTE Confidence: 0.9958003
00:25:30.335 --> 00:25:31.234 Timothy Leary
NOTE Confidence: 0.9472223

00:25:31.775 --> 00:25:32.895 might have things might have

NOTE Confidence: 0.9472223

00:25:32.895 --> 00:25:34.255 gone different for him if

NOTE Confidence: 0.9472223

00:25:34.255 --> 00:25:35.615 it weren't for her. Oh,

NOTE Confidence: 0.9472223

00:25:35.615 --> 00:25:36.515 okay. Okay.

NOTE Confidence: 0.8750914

00:25:36.815 --> 00:25:38.095 So I will So footnote.

NOTE Confidence: 0.8750914

00:25:38.095 --> 00:25:39.555 Okay. Footnote. So

NOTE Confidence: 0.9514205

00:25:40.175 --> 00:25:41.635 there's a kind of practical

NOTE Confidence: 0.9514205

00:25:41.775 --> 00:25:43.315 answer to the question where

NOTE Confidence: 0.9823046

00:25:43.775 --> 00:25:44.515 my, like,

NOTE Confidence: 0.9291483

00:25:44.850 --> 00:25:47.010 journalistic spidey senses go off

NOTE Confidence: 0.9291483

00:25:47.010 --> 00:25:47.970 when I see a story

NOTE Confidence: 0.9291483

00:25:47.970 --> 00:25:49.010 that doesn't have a Wikipedia

NOTE Confidence: 0.9291483

00:25:49.170 --> 00:25:50.049 she didn't have a Wikipedia.

NOTE Confidence: 0.9291483

00:25:50.049 --> 00:25:50.929 Now she does, I heard,

NOTE Confidence: 0.9291483

00:25:50.929 --> 00:25:52.070 which I'm so happy.

NOTE Confidence: 0.9193731

00:25:52.450 --> 00:25:53.170 But she didn't have a

NOTE Confidence: 0.9193731
00:25:53.170 --> 00:25:55.250 Wikipedia page, and no one
NOTE Confidence: 0.9193731
00:25:55.250 --> 00:25:57.010 knew her, and her story
NOTE Confidence: 0.9193731
00:25:57.010 --> 00:25:58.130 hadn't been told. And to
NOTE Confidence: 0.9193731
00:25:58.130 --> 00:25:59.965 me, that just, like, journalist
NOTE Confidence: 0.9193731
00:26:00.105 --> 00:26:01.225 that that kind of like
NOTE Confidence: 0.9193731
00:26:01.225 --> 00:26:02.185 I gotta get the story
NOTE Confidence: 0.9193731
00:26:02.185 --> 00:26:03.145 side of me which I've
NOTE Confidence: 0.9193731
00:26:03.145 --> 00:26:04.685 never fully let go of.
NOTE Confidence: 0.9409349
00:26:05.065 --> 00:26:06.585 That's something kind of
NOTE Confidence: 0.71123654
00:26:07.065 --> 00:26:08.425 oh this, you know, that's
NOTE Confidence: 0.71123654
00:26:08.425 --> 00:26:09.165 very exciting.
NOTE Confidence: 0.97753125
00:26:09.625 --> 00:26:10.445 But I think
NOTE Confidence: 0.9543996
00:26:11.225 --> 00:26:12.125 on a more
NOTE Confidence: 0.93125695
00:26:12.425 --> 00:26:14.310 a deeper level I think
NOTE Confidence: 0.93125695
00:26:14.710 --> 00:26:15.590 like in many you could
NOTE Confidence: 0.93125695

00:26:15.590 --> 00:26:17.110 make the argument that I
NOTE Confidence: 0.93125695

00:26:17.110 --> 00:26:17.910 could have been one of
NOTE Confidence: 0.93125695

00:26:17.910 --> 00:26:19.290 those people very easily
NOTE Confidence: 0.98364526

00:26:20.070 --> 00:26:21.910 because I was very close
NOTE Confidence: 0.98364526

00:26:21.910 --> 00:26:22.650 to a misdiagnosis
NOTE Confidence: 0.9386003

00:26:23.190 --> 00:26:25.110 that would have most likely
NOTE Confidence: 0.9386003

00:26:25.110 --> 00:26:26.150 siloed me in a way
NOTE Confidence: 0.9386003

00:26:26.150 --> 00:26:27.270 that I wouldn't have gotten
NOTE Confidence: 0.9386003

00:26:27.270 --> 00:26:28.825 a diagnosis I talk about
NOTE Confidence: 0.9386003

00:26:28.825 --> 00:26:30.765 autoimmune encephalitis. I was misdiagnosed
NOTE Confidence: 0.9924193

00:26:31.065 --> 00:26:31.805 with schizoaffective
NOTE Confidence: 0.7783526

00:26:32.105 --> 00:26:32.605 disorder.
NOTE Confidence: 0.9629235

00:26:34.345 --> 00:26:36.425 Very easily could have fallen
NOTE Confidence: 0.9629235

00:26:36.425 --> 00:26:37.465 through the cracks. There's a
NOTE Confidence: 0.9629235

00:26:37.465 --> 00:26:38.665 story of a woman the
NOTE Confidence: 0.9629235

00:26:38.665 --> 00:26:39.785 same time that I was

NOTE Confidence: 0.9629235

00:26:39.785 --> 00:26:40.825 sick just up the road

NOTE Confidence: 0.9629235

00:26:40.825 --> 00:26:42.025 from me at another institution,

NOTE Confidence: 0.9629235

00:26:42.025 --> 00:26:43.244 a very storied institution,

NOTE Confidence: 0.9702667

00:26:43.990 --> 00:26:44.490 that,

NOTE Confidence: 0.9472243

00:26:45.029 --> 00:26:46.630 was misdiagnosed for two years

NOTE Confidence: 0.9472243

00:26:46.630 --> 00:26:48.789 and cognitively impaired and would

NOTE Confidence: 0.9472243

00:26:48.789 --> 00:26:50.150 not be writing books. I

NOTE Confidence: 0.9472243

00:26:50.309 --> 00:26:51.130 you know, so

NOTE Confidence: 0.9260397

00:26:51.590 --> 00:26:52.789 I easily could have been

NOTE Confidence: 0.9260397

00:26:52.789 --> 00:26:54.150 that person. So I think

NOTE Confidence: 0.9260397

00:26:54.150 --> 00:26:55.510 there I think it has

NOTE Confidence: 0.9260397

00:26:55.510 --> 00:26:57.289 to I never really consciously

NOTE Confidence: 0.96715754

00:26:57.590 --> 00:26:59.325 think that, but I'm I

NOTE Confidence: 0.96715754

00:26:59.325 --> 00:27:00.524 think that that has to

NOTE Confidence: 0.96715754

00:27:00.524 --> 00:27:01.024 be

NOTE Confidence: 0.9571653

00:27:01.804 --> 00:27:02.924 part of it. And I
NOTE Confidence: 0.9571653

00:27:02.924 --> 00:27:04.065 really do think, like,
NOTE Confidence: 0.96623963

00:27:04.845 --> 00:27:06.765 everything that I'm right, everything
NOTE Confidence: 0.96623963

00:27:06.765 --> 00:27:08.205 that I do comes from
NOTE Confidence: 0.96623963

00:27:08.205 --> 00:27:09.164 Brain on Fire. Like, it
NOTE Confidence: 0.96623963

00:27:09.164 --> 00:27:10.465 comes from my experience.
NOTE Confidence: 0.9289781

00:27:11.510 --> 00:27:12.790 It all starts there. They're
NOTE Confidence: 0.9289781

00:27:12.790 --> 00:27:13.830 all relate they all kind
NOTE Confidence: 0.9289781

00:27:13.830 --> 00:27:15.830 of orbit that experience whether
NOTE Confidence: 0.9289781

00:27:15.830 --> 00:27:16.890 directly or indirectly.
NOTE Confidence: 0.96359015

00:27:17.430 --> 00:27:18.630 So then to answer your
NOTE Confidence: 0.96359015

00:27:18.630 --> 00:27:19.850 question about Leary,
NOTE Confidence: 0.97873026

00:27:21.190 --> 00:27:21.990 what would he have been
NOTE Confidence: 0.97873026

00:27:21.990 --> 00:27:22.890 without Rosemary?
NOTE Confidence: 0.93309796

00:27:23.590 --> 00:27:25.130 I think he would have,
NOTE Confidence: 0.96426296

00:27:26.505 --> 00:27:27.785 had less of effect an

NOTE Confidence: 0.96426296
00:27:27.785 --> 00:27:28.845 effect on the culture.
NOTE Confidence: 0.95685095
00:27:29.465 --> 00:27:31.145 She helped him figure out
NOTE Confidence: 0.95685095
00:27:31.145 --> 00:27:32.185 not only his image, she
NOTE Confidence: 0.95685095
00:27:32.185 --> 00:27:33.865 actually sewed his clothing. So
NOTE Confidence: 0.95685095
00:27:33.865 --> 00:27:35.244 at some point before
NOTE Confidence: 0.9405624
00:27:35.625 --> 00:27:36.925 he was when he was
NOTE Confidence: 0.9405624
00:27:36.984 --> 00:27:37.645 at Harvard,
NOTE Confidence: 0.95593834
00:27:37.945 --> 00:27:38.760 he was he wore the
NOTE Confidence: 0.95593834
00:27:38.760 --> 00:27:40.440 tweeds and the elbow patches,
NOTE Confidence: 0.95593834
00:27:40.440 --> 00:27:41.480 and he was very kind
NOTE Confidence: 0.95593834
00:27:41.480 --> 00:27:42.140 of professorial.
NOTE Confidence: 0.98999476
00:27:43.080 --> 00:27:44.760 And it was Rosemary who
NOTE Confidence: 0.98999476
00:27:44.760 --> 00:27:46.359 had him wearing the kind
NOTE Confidence: 0.98999476
00:27:46.359 --> 00:27:47.740 of flowing linens
NOTE Confidence: 0.9752207
00:27:48.040 --> 00:27:49.400 and the bare feet and
NOTE Confidence: 0.9752207

00:27:49.400 --> 00:27:50.440 the open you know, the
NOTE Confidence: 0.9752207

00:27:50.440 --> 00:27:51.400 no shirt or the open
NOTE Confidence: 0.9752207

00:27:51.400 --> 00:27:52.920 shirt, and she designed that
NOTE Confidence: 0.9752207

00:27:52.920 --> 00:27:53.580 for him.
NOTE Confidence: 0.9426893

00:27:54.165 --> 00:27:55.125 And then along with Marcia
NOTE Confidence: 0.9426893

00:27:55.125 --> 00:27:56.165 McCloughan who told him to
NOTE Confidence: 0.9426893

00:27:56.165 --> 00:27:57.445 smile all the time like
NOTE Confidence: 0.9426893

00:27:57.445 --> 00:27:58.645 he was selling Coca Cola
NOTE Confidence: 0.9426893

00:27:58.645 --> 00:28:00.325 that was Marcia McCloughan but
NOTE Confidence: 0.97135407

00:28:00.805 --> 00:28:02.165 but Rosemary helped I think
NOTE Confidence: 0.97135407

00:28:02.165 --> 00:28:04.425 that image was very important
NOTE Confidence: 0.97135407

00:28:04.485 --> 00:28:05.525 to getting the kind of
NOTE Confidence: 0.97135407

00:28:05.525 --> 00:28:06.885 youth generation behind him because
NOTE Confidence: 0.97135407

00:28:06.885 --> 00:28:07.545 he was
NOTE Confidence: 0.96051383

00:28:08.040 --> 00:28:09.320 considerably older than the baby
NOTE Confidence: 0.96051383

00:28:09.320 --> 00:28:10.600 boomers he was born in

NOTE Confidence: 0.96051383

00:28:10.600 --> 00:28:11.500 nineteen twenty

NOTE Confidence: 0.9553936

00:28:12.360 --> 00:28:13.900 so he was you know

NOTE Confidence: 0.960163

00:28:14.360 --> 00:28:15.640 even at the start of

NOTE Confidence: 0.960163

00:28:15.640 --> 00:28:16.840 the movement an older man

NOTE Confidence: 0.960163

00:28:16.840 --> 00:28:18.200 in the movement and she

NOTE Confidence: 0.960163

00:28:18.200 --> 00:28:19.640 was considerably she was fifteen

NOTE Confidence: 0.960163

00:28:19.640 --> 00:28:20.655 years younger than him she

NOTE Confidence: 0.960163

00:28:20.655 --> 00:28:21.535 also was not a baby

NOTE Confidence: 0.960163

00:28:21.535 --> 00:28:23.055 boomer but represented this kind

NOTE Confidence: 0.960163

00:28:23.055 --> 00:28:24.275 of feminine ideal,

NOTE Confidence: 0.99485207

00:28:25.935 --> 00:28:26.835 of that time

NOTE Confidence: 0.8357973

00:28:27.535 --> 00:28:28.015 and,

NOTE Confidence: 0.9985366

00:28:28.575 --> 00:28:29.075 together

NOTE Confidence: 0.9719673

00:28:29.535 --> 00:28:30.734 I think they were able

NOTE Confidence: 0.9719673

00:28:30.734 --> 00:28:31.234 to

NOTE Confidence: 0.9077511

00:28:31.535 --> 00:28:33.455 really get eyeballs and really

NOTE Confidence: 0.9077511

00:28:33.455 --> 00:28:35.215 shift the culture and in

NOTE Confidence: 0.9077511

00:28:35.215 --> 00:28:36.035 addition to

NOTE Confidence: 0.97794616

00:28:36.400 --> 00:28:38.080 helping design him, she also

NOTE Confidence: 0.97794616

00:28:38.080 --> 00:28:39.280 wrote some of his best

NOTE Confidence: 0.97794616

00:28:39.280 --> 00:28:40.400 work, some of his most

NOTE Confidence: 0.97794616

00:28:40.400 --> 00:28:40.900 cited

NOTE Confidence: 0.9276757

00:28:41.520 --> 00:28:43.300 books she edited. So

NOTE Confidence: 0.98980343

00:28:43.840 --> 00:28:45.280 I'm I think that maybe

NOTE Confidence: 0.98980343

00:28:45.280 --> 00:28:46.000 he would have been more

NOTE Confidence: 0.98980343

00:28:46.000 --> 00:28:47.040 of a footnote in history

NOTE Confidence: 0.98980343

00:28:47.040 --> 00:28:47.860 without her.

NOTE Confidence: 0.96196544

00:28:48.934 --> 00:28:50.535 So I'm gonna ask one

NOTE Confidence: 0.96196544

00:28:50.535 --> 00:28:51.335 more question, because I think

NOTE Confidence: 0.96196544

00:28:51.335 --> 00:28:52.135 there's gonna be a lot

NOTE Confidence: 0.96196544

00:28:52.135 --> 00:28:53.575 of questions in the audience.

NOTE Confidence: 0.96196544
00:28:53.575 --> 00:28:54.455 And then if there's not,
NOTE Confidence: 0.96196544
00:28:54.455 --> 00:28:55.675 I'm just gonna keep going.
NOTE Confidence: 0.96196544
00:28:55.815 --> 00:28:57.755 But my one more question
NOTE Confidence: 0.96196544
00:28:57.895 --> 00:28:58.395 is,
NOTE Confidence: 0.93699425
00:28:59.415 --> 00:29:00.455 you read this book. It's
NOTE Confidence: 0.93699425
00:29:00.455 --> 00:29:01.195 about Rosemary,
NOTE Confidence: 0.90067756
00:29:01.575 --> 00:29:02.934 but you get a really
NOTE Confidence: 0.90067756
00:29:02.934 --> 00:29:04.470 wonderful sense about the history
NOTE Confidence: 0.67254925
00:29:05.590 --> 00:29:06.490 of psychedelics.
NOTE Confidence: 0.8752009
00:29:07.350 --> 00:29:08.010 For those who think it
NOTE Confidence: 0.8752009
00:29:08.070 --> 00:29:08.549 was a nineteen sixties thing,
NOTE Confidence: 0.8752009
00:29:08.549 --> 00:29:09.409 you're wrong. Read the book
NOTE Confidence: 0.8752009
00:29:09.409 --> 00:29:09.830 to find out when it
NOTE Confidence: 0.8752009
00:29:09.830 --> 00:29:10.330 started.
NOTE Confidence: 0.95325416
00:29:11.669 --> 00:29:13.049 But you also
NOTE Confidence: 0.8910378

00:29:13.590 --> 00:29:14.409 weave in
NOTE Confidence: 0.9314905

00:29:14.870 --> 00:29:15.909 in ways that if we
NOTE Confidence: 0.9314905

00:29:15.909 --> 00:29:17.110 weren't good friends, I'd probably
NOTE Confidence: 0.9314905

00:29:17.110 --> 00:29:18.010 be really jealous.
NOTE Confidence: 0.9691161

00:29:19.144 --> 00:29:20.424 That you just weave in
NOTE Confidence: 0.9691161

00:29:20.424 --> 00:29:21.245 this history,
NOTE Confidence: 0.98932415

00:29:22.345 --> 00:29:24.345 without getting too pedantic and
NOTE Confidence: 0.98932415

00:29:24.345 --> 00:29:25.784 going on so long. And
NOTE Confidence: 0.98932415

00:29:25.784 --> 00:29:26.284 maybe
NOTE Confidence: 0.9587261

00:29:26.745 --> 00:29:28.504 for all the medical writers
NOTE Confidence: 0.9587261

00:29:28.504 --> 00:29:29.784 out here that wanna be
NOTE Confidence: 0.9587261

00:29:29.784 --> 00:29:31.865 great storytellers yet weave in
NOTE Confidence: 0.9587261

00:29:31.865 --> 00:29:33.705 information, whether it's history of
NOTE Confidence: 0.9587261

00:29:33.705 --> 00:29:35.700 medicine or the science.
NOTE Confidence: 0.94203156

00:29:36.960 --> 00:29:38.320 Like, you make these nods
NOTE Confidence: 0.94203156

00:29:38.320 --> 00:29:39.280 to things in the history

NOTE Confidence: 0.94203156

00:29:39.280 --> 00:29:41.040 of psychedelics without going on

NOTE Confidence: 0.94203156

00:29:41.040 --> 00:29:42.320 way too long. You even

NOTE Confidence: 0.94203156

00:29:42.320 --> 00:29:43.200 make a nod to in

NOTE Confidence: 0.94203156

00:29:43.200 --> 00:29:43.920 what you read, like, oh,

NOTE Confidence: 0.94203156

00:29:43.920 --> 00:29:45.120 and they, you know, they

NOTE Confidence: 0.94203156

00:29:45.120 --> 00:29:45.840 were on the phone with

NOTE Confidence: 0.94203156

00:29:45.840 --> 00:29:46.880 The Beatles. So then we're

NOTE Confidence: 0.94203156

00:29:46.880 --> 00:29:48.055 like, oh, right. They were

NOTE Confidence: 0.94203156

00:29:48.055 --> 00:29:50.235 that famous, Timothy Leary. Without

NOTE Confidence: 0.94203156

00:29:50.455 --> 00:29:51.415 going on and on to

NOTE Confidence: 0.94203156

00:29:51.415 --> 00:29:52.555 say they were this famous.

NOTE Confidence: 0.9756651

00:29:53.255 --> 00:29:54.635 So did this come through

NOTE Confidence: 0.85896724

00:29:55.015 --> 00:29:56.295 because it just flows or

NOTE Confidence: 0.85896724

00:29:56.295 --> 00:29:57.675 even drafts? No.

NOTE Confidence: 0.83521724

00:29:58.455 --> 00:29:58.935 I am,

NOTE Confidence: 0.9796564

00:29:59.335 --> 00:30:00.875 like a fifty draft writer.
NOTE Confidence: 0.95570916

00:30:01.590 --> 00:30:02.230 I mean, I have a
NOTE Confidence: 0.95570916

00:30:02.309 --> 00:30:03.350 I mean, I start with
NOTE Confidence: 0.95570916

00:30:03.350 --> 00:30:04.870 an outline that's probably twice
NOTE Confidence: 0.95570916

00:30:04.870 --> 00:30:05.929 as long as the book,
NOTE Confidence: 0.94256324

00:30:06.309 --> 00:30:07.510 and then the book is
NOTE Confidence: 0.94256324

00:30:07.510 --> 00:30:09.510 bloated about forty thousand words
NOTE Confidence: 0.94256324

00:30:09.510 --> 00:30:10.710 more than it eventually. And
NOTE Confidence: 0.94256324

00:30:10.710 --> 00:30:12.730 then cutting, cutting, cutting, cutting,
NOTE Confidence: 0.9717062

00:30:13.030 --> 00:30:14.790 getting great editorial eyes on
NOTE Confidence: 0.9717062

00:30:14.790 --> 00:30:15.290 it.
NOTE Confidence: 0.9662522

00:30:15.865 --> 00:30:17.385 Really being aware of what
NOTE Confidence: 0.9662522

00:30:17.385 --> 00:30:19.304 makes me bored. Like when
NOTE Confidence: 0.9662522

00:30:19.304 --> 00:30:20.345 I'm reading something and my
NOTE Confidence: 0.9662522

00:30:20.345 --> 00:30:21.485 eyes glaze over,
NOTE Confidence: 0.9115983

00:30:24.025 --> 00:30:25.304 I definitely mark that. And

NOTE Confidence: 0.9115983
00:30:25.304 --> 00:30:26.825 I try I fail a
NOTE Confidence: 0.9115983
00:30:26.825 --> 00:30:27.565 lot of times.
NOTE Confidence: 0.80184543
00:30:28.110 --> 00:30:28.990 Look at my good readers
NOTE Confidence: 0.80184543
00:30:28.990 --> 00:30:30.190 reviews on The Great Pretender
NOTE Confidence: 0.80184543
00:30:30.190 --> 00:30:31.150 in particular. But,
NOTE Confidence: 0.9846957
00:30:31.710 --> 00:30:32.670 I really fell in love
NOTE Confidence: 0.9846957
00:30:32.670 --> 00:30:33.390 with the research on that
NOTE Confidence: 0.9846957
00:30:33.390 --> 00:30:34.030 book. But,
NOTE Confidence: 0.88410854
00:30:34.670 --> 00:30:36.110 but I did and this
NOTE Confidence: 0.88410854
00:30:36.110 --> 00:30:38.130 one especially was very aware
NOTE Confidence: 0.94455785
00:30:39.070 --> 00:30:40.605 of trying not to bore
NOTE Confidence: 0.94455785
00:30:40.605 --> 00:30:42.205 myself. And if I'm boring
NOTE Confidence: 0.94455785
00:30:42.205 --> 00:30:43.085 myself and I love this,
NOTE Confidence: 0.94455785
00:30:43.085 --> 00:30:44.125 I'm definitely gonna bore the
NOTE Confidence: 0.94455785
00:30:44.125 --> 00:30:44.625 reader.
NOTE Confidence: 0.9485177

00:30:45.085 --> 00:30:46.285 And trying to just cut
NOTE Confidence: 0.9485177

00:30:46.285 --> 00:30:47.325 it down to the bone
NOTE Confidence: 0.9485177

00:30:47.325 --> 00:30:48.285 to get to the essence.
NOTE Confidence: 0.9485177

00:30:48.285 --> 00:30:49.325 And clearly, I didn't. It's
NOTE Confidence: 0.9485177

00:30:49.325 --> 00:30:50.705 still a long book. But,
NOTE Confidence: 0.94529784

00:30:51.085 --> 00:30:51.965 you know, there's like the
NOTE Confidence: 0.94529784

00:30:51.965 --> 00:30:54.150 Elmore Leonard kind of school
NOTE Confidence: 0.94529784

00:30:54.150 --> 00:30:55.670 of writing, which I'm behind,
NOTE Confidence: 0.94529784

00:30:55.670 --> 00:30:56.550 which is like to be
NOTE Confidence: 0.94529784

00:30:56.550 --> 00:30:57.210 as concise
NOTE Confidence: 0.9793196

00:30:57.670 --> 00:30:58.710 as possible to get to
NOTE Confidence: 0.9793196

00:30:58.710 --> 00:30:59.930 the truth. And
NOTE Confidence: 0.95444095

00:31:00.310 --> 00:31:01.510 I tried to do that.
NOTE Confidence: 0.95444095

00:31:01.510 --> 00:31:02.550 And, you know, the weaving
NOTE Confidence: 0.95444095

00:31:02.550 --> 00:31:04.310 in thank you for saying
NOTE Confidence: 0.95444095

00:31:04.310 --> 00:31:05.590 about that. I mean, that's

NOTE Confidence: 0.95444095

00:31:05.590 --> 00:31:06.550 my favorite thing to do

NOTE Confidence: 0.95444095

00:31:06.550 --> 00:31:07.430 is to try to find

NOTE Confidence: 0.95444095

00:31:07.430 --> 00:31:08.815 the right places to drop

NOTE Confidence: 0.95444095

00:31:08.815 --> 00:31:10.755 in just something that contextualizes,

NOTE Confidence: 0.94723064

00:31:11.055 --> 00:31:12.175 you know, you think about

NOTE Confidence: 0.94723064

00:31:12.175 --> 00:31:13.455 like a movie and they

NOTE Confidence: 0.94723064

00:31:13.455 --> 00:31:14.415 have, you know, this is

NOTE Confidence: 0.94723064

00:31:14.415 --> 00:31:15.535 kind of a cliché and

NOTE Confidence: 0.94723064

00:31:15.535 --> 00:31:16.655 it's overdone, but there's something

NOTE Confidence: 0.94723064

00:31:16.655 --> 00:31:18.095 on the TV. There's like,

NOTE Confidence: 0.94723064

00:31:18.095 --> 00:31:19.455 you know, the Challenger explosion

NOTE Confidence: 0.94723064

00:31:19.455 --> 00:31:20.335 on the TV and then

NOTE Confidence: 0.94723064

00:31:20.335 --> 00:31:21.475 you know where you are.

NOTE Confidence: 0.975163

00:31:22.020 --> 00:31:24.340 Having those moments that there's

NOTE Confidence: 0.975163

00:31:24.340 --> 00:31:25.000 a shorthand

NOTE Confidence: 0.99806523

00:31:25.380 --> 00:31:26.120 that brings
NOTE Confidence: 0.9418869

00:31:27.060 --> 00:31:28.740 the reader up to date
NOTE Confidence: 0.9418869

00:31:28.740 --> 00:31:30.500 gives some it's so this
NOTE Confidence: 0.9418869

00:31:30.500 --> 00:31:31.780 book is all about context
NOTE Confidence: 0.9418869

00:31:31.780 --> 00:31:32.740 because so much of the
NOTE Confidence: 0.9418869

00:31:32.740 --> 00:31:34.020 behavior just would not fly
NOTE Confidence: 0.9418869

00:31:34.020 --> 00:31:35.085 today, and it's just
NOTE Confidence: 0.9786081

00:31:35.645 --> 00:31:36.765 very much of its time.
NOTE Confidence: 0.9786081

00:31:36.765 --> 00:31:37.885 And I so I wanted
NOTE Confidence: 0.9786081

00:31:37.885 --> 00:31:38.845 to be mindful of the
NOTE Confidence: 0.9786081

00:31:38.845 --> 00:31:39.885 fact that I am writing
NOTE Confidence: 0.9786081

00:31:39.885 --> 00:31:41.105 about this history, and,
NOTE Confidence: 0.97920245

00:31:41.565 --> 00:31:42.845 it's important to have to
NOTE Confidence: 0.97920245

00:31:42.845 --> 00:31:44.365 provide that those those kind
NOTE Confidence: 0.97920245

00:31:44.365 --> 00:31:45.904 of context clues throughout.
NOTE Confidence: 0.9936514

00:31:48.050 --> 00:31:49.410 Okay. I'm gonna open this

NOTE Confidence: 0.9936514

00:31:49.410 --> 00:31:51.010 up to questions now to

NOTE Confidence: 0.9936514

00:31:51.010 --> 00:31:51.510 see.

NOTE Confidence: 0.92028373

00:31:53.410 --> 00:31:54.450 You can ask me anything.

NOTE Confidence: 0.92028373

00:31:54.450 --> 00:31:55.670 I'm Yeah.

NOTE Confidence: 0.9352914

00:31:56.450 --> 00:31:58.050 Oh, and just introduce yourself

NOTE Confidence: 0.9352914

00:31:58.050 --> 00:31:59.270 and what year you're in.

NOTE Confidence: 0.8793392

00:32:06.775 --> 00:32:08.315 Hello. My name is Mandy.

NOTE Confidence: 0.96013683

00:32:09.015 --> 00:32:09.895 I'm a fourth year medical

NOTE Confidence: 0.96013683

00:32:09.895 --> 00:32:10.775 student, but I do not

NOTE Confidence: 0.96013683

00:32:10.775 --> 00:32:11.575 go to Yale. I go

NOTE Confidence: 0.96013683

00:32:11.575 --> 00:32:12.625 to UC School of Medicine,

NOTE Confidence: 0.96013683

00:32:12.625 --> 00:32:13.890 and And I was actually

NOTE Confidence: 0.96013683

00:32:13.890 --> 00:32:15.730 very interested in your, presentation.

NOTE Confidence: 0.96013683

00:32:15.730 --> 00:32:16.610 So I wanna say thank

NOTE Confidence: 0.96013683

00:32:16.610 --> 00:32:17.890 you. Thank you for coming.

NOTE Confidence: 0.96013683

00:32:18.130 --> 00:32:19.090 I do have a question.
NOTE Confidence: 0.96013683

00:32:19.090 --> 00:32:19.970 This is more about a
NOTE Confidence: 0.96013683

00:32:19.970 --> 00:32:21.650 psychedelic question. And I know
NOTE Confidence: 0.96013683

00:32:21.650 --> 00:32:23.270 there's been studies about psychedelics
NOTE Confidence: 0.96013683

00:32:23.410 --> 00:32:24.370 being used for,
NOTE Confidence: 0.93447995

00:32:25.425 --> 00:32:26.645 psychiatry for,
NOTE Confidence: 0.8726947

00:32:27.425 --> 00:32:28.885 alcohol and addiction patients.
NOTE Confidence: 0.97938085

00:32:29.345 --> 00:32:30.545 But I kind of was
NOTE Confidence: 0.97938085

00:32:30.545 --> 00:32:32.305 curious your take on the
NOTE Confidence: 0.97938085

00:32:32.305 --> 00:32:33.285 use of psychedelics
NOTE Confidence: 0.99924684

00:32:33.745 --> 00:32:34.245 within
NOTE Confidence: 0.9994307

00:32:35.185 --> 00:32:35.685 the
NOTE Confidence: 0.9059733

00:32:36.225 --> 00:32:37.125 medical community.
NOTE Confidence: 0.98253554

00:32:37.585 --> 00:32:39.025 For example, in a psych
NOTE Confidence: 0.98253554

00:32:39.025 --> 00:32:39.525 team,
NOTE Confidence: 0.9859144

00:32:40.030 --> 00:32:41.730 you have your residents, your

NOTE Confidence: 0.9859144

00:32:41.870 --> 00:32:43.550 attendings, and your students as

NOTE Confidence: 0.9859144

00:32:43.550 --> 00:32:44.910 a way of connecting in

NOTE Confidence: 0.9859144

00:32:44.910 --> 00:32:47.250 in an empathetic way of

NOTE Confidence: 0.99911124

00:32:47.870 --> 00:32:49.010 finding a way to

NOTE Confidence: 0.9991729

00:32:49.950 --> 00:32:51.070 create a community in a

NOTE Confidence: 0.9991729

00:32:51.070 --> 00:32:51.570 different

NOTE Confidence: 0.9889077

00:32:52.695 --> 00:32:53.975 manner. So I'm curious what

NOTE Confidence: 0.9889077

00:32:53.975 --> 00:32:55.115 your take on that is.

NOTE Confidence: 0.25054964

00:32:56.495 --> 00:32:56.995 If

NOTE Confidence: 0.56802624

00:32:58.455 --> 00:32:59.495 do you mean? I don't

NOTE Confidence: 0.46091458

00:33:00.375 --> 00:33:01.274 Okay. I try.

NOTE Confidence: 0.7154429

00:33:02.695 --> 00:33:03.195 So

NOTE Confidence: 0.6589874

00:33:04.215 --> 00:33:04.615 I want

NOTE Confidence: 0.79591113

00:33:06.630 --> 00:33:08.410 So if I understand your

NOTE Confidence: 0.8737793

00:33:09.030 --> 00:33:10.730 question correctly, the question is

NOTE Confidence: 0.8737793

00:33:10.790 --> 00:33:12.170 the actual use of psychedelics
NOTE Confidence: 0.78325975

00:33:12.550 --> 00:33:13.050 Yes.
NOTE Confidence: 0.81909394

00:33:14.150 --> 00:33:16.150 Inflammation. Yes. Okay. That is
NOTE Confidence: 0.81909394

00:33:16.150 --> 00:33:16.650 something.
NOTE Confidence: 0.9317484

00:33:19.384 --> 00:33:20.264 I think there's something really
NOTE Confidence: 0.9317484

00:33:20.264 --> 00:33:22.184 interesting there. I think that,
NOTE Confidence: 0.99304104

00:33:23.705 --> 00:33:24.845 there is an empathy
NOTE Confidence: 0.9941797

00:33:25.544 --> 00:33:26.044 component
NOTE Confidence: 0.7295734

00:33:26.345 --> 00:33:27.325 that I've stuck it up.
NOTE Confidence: 0.7295734

00:33:27.544 --> 00:33:29.065 Oh. Anyway, can you hear
NOTE Confidence: 0.7295734

00:33:29.065 --> 00:33:30.745 me? That is okay. On
NOTE Confidence: 0.7295734

00:33:30.745 --> 00:33:32.184 the Zoom. It's very Oh.
NOTE Confidence: 0.7295734

00:33:32.184 --> 00:33:32.553 I should have come. Yeah.
NOTE Confidence: 0.7295734

00:33:32.553 --> 00:33:33.245 I should have come.
NOTE Confidence: 0.92992926

00:33:35.090 --> 00:33:36.210 Mom, this is the best
NOTE Confidence: 0.92992926

00:33:36.210 --> 00:33:37.910 answer, and you're missing it.

NOTE Confidence: 0.9732147

00:33:40.130 --> 00:33:41.170 I think that's really interesting.

NOTE Confidence: 0.9732147

00:33:41.170 --> 00:33:42.130 I I don't know any

NOTE Confidence: 0.9732147

00:33:42.130 --> 00:33:43.650 studies about this. I do

NOTE Confidence: 0.9732147

00:33:43.650 --> 00:33:44.930 know that there have been

NOTE Confidence: 0.9732147

00:33:44.930 --> 00:33:46.050 a bunch of studies about

NOTE Confidence: 0.9732147

00:33:46.050 --> 00:33:46.550 facilitators

NOTE Confidence: 0.87916476

00:33:47.170 --> 00:33:48.275 that we've talked about before

NOTE Confidence: 0.87916476

00:33:48.335 --> 00:33:49.235 using psychedelics.

NOTE Confidence: 0.7628694

00:33:49.855 --> 00:33:51.375 And actually, Rich Donald was

NOTE Confidence: 0.7628694

00:33:51.375 --> 00:33:52.595 kind of the face of

NOTE Confidence: 0.7628694

00:33:52.655 --> 00:33:54.175 psychedelic movement, of head of

NOTE Confidence: 0.7628694

00:33:54.175 --> 00:33:54.675 MAPS,

NOTE Confidence: 0.96100783

00:33:55.375 --> 00:33:56.915 has been very vocal about

NOTE Confidence: 0.96100783

00:33:57.135 --> 00:33:58.815 insisting that his facilitators take

NOTE Confidence: 0.96100783

00:33:58.815 --> 00:34:00.335 psychedelics themselves so they know

NOTE Confidence: 0.96100783

00:34:00.335 --> 00:34:01.315 what they're experiencing.
NOTE Confidence: 0.9117755

00:34:02.470 --> 00:34:03.610 You know, I'm
NOTE Confidence: 0.99927735

00:34:04.150 --> 00:34:05.210 always hesitant
NOTE Confidence: 0.99304265

00:34:06.070 --> 00:34:07.350 to attribute too much to
NOTE Confidence: 0.99304265

00:34:07.350 --> 00:34:09.750 the actual molecules themselves and
NOTE Confidence: 0.99304265

00:34:09.750 --> 00:34:10.790 more to the people who
NOTE Confidence: 0.99304265

00:34:10.790 --> 00:34:11.690 are using them.
NOTE Confidence: 0.9646058

00:34:12.390 --> 00:34:13.670 In some cases, I think
NOTE Confidence: 0.9646058

00:34:13.670 --> 00:34:15.690 that psychedelics can increase empathy
NOTE Confidence: 0.9646058

00:34:15.910 --> 00:34:16.650 for sure,
NOTE Confidence: 0.9762396

00:34:17.005 --> 00:34:18.045 but in some cases, it
NOTE Confidence: 0.9762396

00:34:18.045 --> 00:34:19.645 doesn't. And in the case
NOTE Confidence: 0.9762396

00:34:19.645 --> 00:34:21.325 of Timothy Leary and some
NOTE Confidence: 0.9762396

00:34:21.325 --> 00:34:22.385 of his brethren,
NOTE Confidence: 0.9913201

00:34:22.844 --> 00:34:23.724 it did not. I mean,
NOTE Confidence: 0.9913201

00:34:23.724 --> 00:34:24.844 ego inflation was a big

NOTE Confidence: 0.9913201

00:34:24.844 --> 00:34:25.344 thing.

NOTE Confidence: 0.9431387

00:34:25.724 --> 00:34:26.844 So I I do think

NOTE Confidence: 0.9431387

00:34:26.844 --> 00:34:27.885 you have to think about,

NOTE Confidence: 0.9431387

00:34:27.885 --> 00:34:28.785 like, the individual

NOTE Confidence: 0.9015999

00:34:29.100 --> 00:34:30.220 in the practice of using

NOTE Confidence: 0.9015999

00:34:30.220 --> 00:34:32.220 psychedelics, because the concept of

NOTE Confidence: 0.9015999

00:34:32.220 --> 00:34:34.060 set and setting, which Timothy

NOTE Confidence: 0.9015999

00:34:34.060 --> 00:34:36.620 Leary popularized and Rosemary embodied

NOTE Confidence: 0.9015999

00:34:36.620 --> 00:34:37.660 in the idea of set

NOTE Confidence: 0.9015999

00:34:37.660 --> 00:34:39.180 and setting is the idea

NOTE Confidence: 0.9015999

00:34:39.180 --> 00:34:40.460 of the mindset that you

NOTE Confidence: 0.9015999

00:34:40.460 --> 00:34:41.260 bring into a trip, but

NOTE Confidence: 0.9015999

00:34:41.260 --> 00:34:42.560 that can be your neurobiology

NOTE Confidence: 0.49862587

00:34:43.580 --> 00:34:44.080 too.

NOTE Confidence: 0.96764696

00:34:44.885 --> 00:34:45.925 And then the setting, which

NOTE Confidence: 0.96764696

00:34:45.925 --> 00:34:47.364 is the environment around which

NOTE Confidence: 0.96764696

00:34:47.364 --> 00:34:48.344 you're doing psychedelics.

NOTE Confidence: 0.9935001

00:34:48.645 --> 00:34:49.625 That set

NOTE Confidence: 0.9962082

00:34:49.925 --> 00:34:50.984 is so variable.

NOTE Confidence: 0.94045585

00:34:51.525 --> 00:34:53.045 So I think I'm always

NOTE Confidence: 0.94045585

00:34:53.045 --> 00:34:53.545 very,

NOTE Confidence: 0.92520124

00:34:54.885 --> 00:34:56.325 when something as diffuse as

NOTE Confidence: 0.92520124

00:34:56.325 --> 00:34:58.244 empathy building or like team

NOTE Confidence: 0.92520124

00:34:58.244 --> 00:35:00.039 building and cohesion, like I'm

NOTE Confidence: 0.92520124

00:35:00.039 --> 00:35:01.900 always a little suspect. But

NOTE Confidence: 0.92520124

00:35:01.960 --> 00:35:02.779 that said,

NOTE Confidence: 0.9630514

00:35:03.719 --> 00:35:04.760 I think that if you

NOTE Confidence: 0.9630514

00:35:04.760 --> 00:35:05.799 look at if you talk

NOTE Confidence: 0.9630514

00:35:05.799 --> 00:35:06.839 to people who do retreats,

NOTE Confidence: 0.9630514

00:35:06.839 --> 00:35:07.799 these are no. This is

NOTE Confidence: 0.9630514

00:35:07.799 --> 00:35:09.319 not, like, official. This would

NOTE Confidence: 0.9630514

00:35:09.319 --> 00:35:11.079 be underground psychedelic work that

NOTE Confidence: 0.9630514

00:35:11.079 --> 00:35:12.700 had been going on for

NOTE Confidence: 0.9736664

00:35:13.000 --> 00:35:13.500 decades.

NOTE Confidence: 0.9545695

00:35:14.135 --> 00:35:15.255 They would say you would

NOTE Confidence: 0.9545695

00:35:15.255 --> 00:35:16.775 definitely see team building and

NOTE Confidence: 0.9545695

00:35:16.775 --> 00:35:18.855 empathy, you know, an increase

NOTE Confidence: 0.9545695

00:35:18.855 --> 00:35:20.315 in empathy. You would have

NOTE Confidence: 0.9545695

00:35:20.454 --> 00:35:22.135 connection among the people because

NOTE Confidence: 0.9545695

00:35:22.135 --> 00:35:24.155 you're going through a challenging

NOTE Confidence: 0.9545695

00:35:24.454 --> 00:35:26.214 experience, because it's challenging even

NOTE Confidence: 0.9545695

00:35:26.214 --> 00:35:27.114 in the best sense,

NOTE Confidence: 0.98144245

00:35:27.690 --> 00:35:29.290 together. And typically, when you

NOTE Confidence: 0.98144245

00:35:29.290 --> 00:35:30.730 go through a challenging experience

NOTE Confidence: 0.98144245

00:35:30.730 --> 00:35:31.849 with other people I mean,

NOTE Confidence: 0.98144245

00:35:31.849 --> 00:35:32.650 go to summer camp for

NOTE Confidence: 0.98144245

00:35:32.650 --> 00:35:34.250 eight weeks. You become you
NOTE Confidence: 0.98144245

00:35:34.250 --> 00:35:35.369 grow into a group. So
NOTE Confidence: 0.98144245

00:35:35.369 --> 00:35:36.730 that kind of truncates a
NOTE Confidence: 0.98144245

00:35:36.730 --> 00:35:38.170 challenging experience into an eight
NOTE Confidence: 0.98144245

00:35:38.170 --> 00:35:39.210 hour session if you're doing
NOTE Confidence: 0.98144245

00:35:39.210 --> 00:35:40.170 LSD or a four hour
NOTE Confidence: 0.98144245

00:35:40.170 --> 00:35:41.550 session if you're doing psilocybin.
NOTE Confidence: 0.95604277

00:35:42.335 --> 00:35:43.375 So I think there's something
NOTE Confidence: 0.95604277

00:35:43.375 --> 00:35:44.775 to that. Interesting. I thought
NOTE Confidence: 0.95604277

00:35:44.894 --> 00:35:45.535 I I just think it's
NOTE Confidence: 0.95604277

00:35:45.535 --> 00:35:46.575 a fascinating question. Thank you
NOTE Confidence: 0.95604277

00:35:46.575 --> 00:35:47.295 for that. I I don't
NOTE Confidence: 0.95604277

00:35:47.295 --> 00:35:48.015 know if that made any
NOTE Confidence: 0.95604277

00:35:48.015 --> 00:35:49.134 sense, but I think it's
NOTE Confidence: 0.95604277

00:35:49.295 --> 00:35:50.335 that's a great question. Thank
NOTE Confidence: 0.95604277

00:35:50.335 --> 00:35:50.835 you.

NOTE Confidence: 0.98317206

00:35:55.520 --> 00:35:56.800 Hi. I'm Natalie. I'm an,

NOTE Confidence: 0.98317206

00:35:57.119 --> 00:35:58.420 addiction medicine fellow.

NOTE Confidence: 0.9891439

00:35:59.280 --> 00:36:00.719 I'm really curious to know,

NOTE Confidence: 0.9891439

00:36:00.719 --> 00:36:01.940 like, based on your discussions

NOTE Confidence: 0.9891439

00:36:02.160 --> 00:36:03.300 with, Rosemary,

NOTE Confidence: 0.98738784

00:36:04.000 --> 00:36:05.520 whether, like, looking back, she

NOTE Confidence: 0.98738784

00:36:05.520 --> 00:36:06.820 feels like her and Timothy

NOTE Confidence: 0.98738784

00:36:07.055 --> 00:36:07.555 Leary

NOTE Confidence: 0.94076794

00:36:08.095 --> 00:36:10.815 moved psychedelic research forward or

NOTE Confidence: 0.94076794

00:36:10.815 --> 00:36:12.255 if they if looking back,

NOTE Confidence: 0.94076794

00:36:12.255 --> 00:36:13.395 she feels like, actually,

NOTE Confidence: 0.9489775

00:36:13.695 --> 00:36:14.495 it might have had the

NOTE Confidence: 0.9489775

00:36:14.495 --> 00:36:16.975 opposite effect. Fantastic question. And,

NOTE Confidence: 0.9489775

00:36:17.375 --> 00:36:18.835 I never spoke to her.

NOTE Confidence: 0.9489775

00:36:18.895 --> 00:36:20.015 She died in two thousand

NOTE Confidence: 0.9489775

00:36:20.015 --> 00:36:21.960 two. Died very young. She
NOTE Confidence: 0.9489775

00:36:22.100 --> 00:36:23.300 she lived twenty five years
NOTE Confidence: 0.9489775

00:36:23.300 --> 00:36:25.380 on underground. She helped getting
NOTE Confidence: 0.9489775

00:36:25.380 --> 00:36:26.340 some stuff away from the
NOTE Confidence: 0.9489775

00:36:26.340 --> 00:36:27.800 book of still read it.
NOTE Confidence: 0.9489775

00:36:28.020 --> 00:36:29.540 She helped Timothy Leary escape
NOTE Confidence: 0.9489775

00:36:29.540 --> 00:36:30.040 prison
NOTE Confidence: 0.9664814

00:36:30.340 --> 00:36:31.780 and then lived for twenty
NOTE Confidence: 0.9664814

00:36:31.780 --> 00:36:34.244 five years underground in, South
NOTE Confidence: 0.9664814

00:36:34.244 --> 00:36:35.924 and Central America in Europe,
NOTE Confidence: 0.9664814

00:36:35.924 --> 00:36:37.045 South and Central America. And
NOTE Confidence: 0.9664814

00:36:37.045 --> 00:36:38.484 then in nineteen seventy six,
NOTE Confidence: 0.9664814

00:36:38.484 --> 00:36:39.444 came back to the country
NOTE Confidence: 0.9664814

00:36:39.444 --> 00:36:40.884 and lived under an assumed
NOTE Confidence: 0.9664814

00:36:40.884 --> 00:36:42.664 name in on Cape Cod.
NOTE Confidence: 0.95446205

00:36:43.285 --> 00:36:43.765 So,

NOTE Confidence: 0.9751335

00:36:44.085 --> 00:36:45.125 and running a a bed

NOTE Confidence: 0.9751335

00:36:45.125 --> 00:36:46.724 and breakfast, which is very

NOTE Confidence: 0.9751335

00:36:46.724 --> 00:36:48.085 kind of baby boomer end

NOTE Confidence: 0.9751335

00:36:48.085 --> 00:36:49.140 to her life. But

NOTE Confidence: 0.9778949

00:36:50.420 --> 00:36:51.940 but, anyway, she, I so

NOTE Confidence: 0.9778949

00:36:51.940 --> 00:36:52.660 I never got to ask

NOTE Confidence: 0.9778949

00:36:52.660 --> 00:36:54.180 her that question, but she

NOTE Confidence: 0.9778949

00:36:54.180 --> 00:36:55.619 did talk a lot about

NOTE Confidence: 0.9778949

00:36:55.619 --> 00:36:56.119 contributing

NOTE Confidence: 0.92714614

00:36:56.900 --> 00:36:58.339 to the myth of Timothy

NOTE Confidence: 0.92714614

00:36:58.339 --> 00:36:59.859 Leary. Timothy and Rosemary, she

NOTE Confidence: 0.92714614

00:36:59.859 --> 00:37:01.059 would sometimes say her Timothy

NOTE Confidence: 0.92714614

00:37:01.059 --> 00:37:01.559 Leary.

NOTE Confidence: 0.99784863

00:37:01.985 --> 00:37:03.105 And there are indications,

NOTE Confidence: 0.99384964

00:37:04.625 --> 00:37:06.325 especially during her time underground

NOTE Confidence: 0.92799634

00:37:06.625 --> 00:37:08.805 where she really regretted contributing

NOTE Confidence: 0.96405655

00:37:09.185 --> 00:37:10.065 to what would you know,

NOTE Confidence: 0.96405655

00:37:10.065 --> 00:37:11.665 and she was someone who

NOTE Confidence: 0.96405655

00:37:11.665 --> 00:37:12.885 never felt comfortable

NOTE Confidence: 0.99852985

00:37:13.265 --> 00:37:14.165 with the evangelical

NOTE Confidence: 0.9705916

00:37:15.390 --> 00:37:16.930 overly kind of democratized

NOTE Confidence: 0.97516215

00:37:17.309 --> 00:37:19.469 view of psychedelic use. She

NOTE Confidence: 0.97516215

00:37:19.469 --> 00:37:20.670 never felt comfortable with that.

NOTE Confidence: 0.97516215

00:37:20.670 --> 00:37:21.789 In fact, she described it

NOTE Confidence: 0.97516215

00:37:21.789 --> 00:37:23.250 as Frodo with the ring,

NOTE Confidence: 0.97516215

00:37:23.549 --> 00:37:24.510 and that was too much

NOTE Confidence: 0.97516215

00:37:24.510 --> 00:37:25.789 responsibility for her to turn

NOTE Confidence: 0.97516215

00:37:25.789 --> 00:37:26.910 on other people to to,

NOTE Confidence: 0.97516215

00:37:26.910 --> 00:37:28.029 you know, drop acid with

NOTE Confidence: 0.97516215

00:37:28.029 --> 00:37:28.989 other people for the first

NOTE Confidence: 0.97516215

00:37:28.989 --> 00:37:30.575 time. And she felt that

NOTE Confidence: 0.97516215

00:37:30.575 --> 00:37:31.934 that was a major decision

NOTE Confidence: 0.97516215

00:37:31.934 --> 00:37:32.674 and responsibility

NOTE Confidence: 0.98070794

00:37:33.295 --> 00:37:35.055 and that she did not

NOTE Confidence: 0.98070794

00:37:35.055 --> 00:37:36.734 feel comfortable pushing people towards

NOTE Confidence: 0.98070794

00:37:36.734 --> 00:37:37.234 that.

NOTE Confidence: 0.9043539

00:37:37.535 --> 00:37:39.055 Later in life, and then

NOTE Confidence: 0.9043539

00:37:39.055 --> 00:37:40.015 I'm getting this all through

NOTE Confidence: 0.9043539

00:37:40.015 --> 00:37:41.315 kind of secondhand sources,

NOTE Confidence: 0.9536564

00:37:42.000 --> 00:37:43.200 She did she when she

NOTE Confidence: 0.9536564

00:37:43.200 --> 00:37:44.719 came back above ground for

NOTE Confidence: 0.9536564

00:37:44.719 --> 00:37:46.080 a few years after Timothy

NOTE Confidence: 0.9536564

00:37:46.080 --> 00:37:46.980 Leary's death,

NOTE Confidence: 0.9989946

00:37:47.360 --> 00:37:48.480 she did go to a

NOTE Confidence: 0.9989946

00:37:48.480 --> 00:37:48.980 class

NOTE Confidence: 0.9532405

00:37:49.440 --> 00:37:50.480 at I think it was

NOTE Confidence: 0.9532405

00:37:50.480 --> 00:37:51.940 at UC Santa Cruz,
NOTE Confidence: 0.9987715

00:37:52.480 --> 00:37:53.840 and she spoke about her
NOTE Confidence: 0.9987715

00:37:53.840 --> 00:37:54.340 life
NOTE Confidence: 0.93887717

00:37:54.785 --> 00:37:56.785 and she talked her main
NOTE Confidence: 0.93887717

00:37:56.785 --> 00:37:58.145 points of this talk was
NOTE Confidence: 0.93887717

00:37:58.145 --> 00:38:00.005 to counsel the undergraduates
NOTE Confidence: 0.99523646

00:38:00.625 --> 00:38:02.225 to be very careful with
NOTE Confidence: 0.99523646

00:38:02.225 --> 00:38:02.725 psychedelics
NOTE Confidence: 0.9514858

00:38:03.185 --> 00:38:04.465 and that there's a shadow
NOTE Confidence: 0.9514858

00:38:04.465 --> 00:38:05.985 side and that there's there
NOTE Confidence: 0.9514858

00:38:05.985 --> 00:38:07.344 are risks involved and that
NOTE Confidence: 0.9514858

00:38:07.344 --> 00:38:08.305 you should not go in
NOTE Confidence: 0.9514858

00:38:08.305 --> 00:38:09.445 just kind of blithely.
NOTE Confidence: 0.9614793

00:38:10.280 --> 00:38:11.880 So I think that if
NOTE Confidence: 0.9614793

00:38:11.960 --> 00:38:12.840 I mean, I can tell
NOTE Confidence: 0.9614793

00:38:12.840 --> 00:38:14.200 you what I think because

NOTE Confidence: 0.9614793

00:38:14.200 --> 00:38:15.420 I can't read her mind.

NOTE Confidence: 0.95086646

00:38:15.960 --> 00:38:17.480 I think that Timothy Leary

NOTE Confidence: 0.95086646

00:38:17.480 --> 00:38:18.460 did set back,

NOTE Confidence: 0.96973085

00:38:19.480 --> 00:38:20.840 the research into psychedelics. I

NOTE Confidence: 0.96973085

00:38:20.840 --> 00:38:22.380 think that that that setback

NOTE Confidence: 0.9660957

00:38:22.680 --> 00:38:24.280 was happening before Leary. If

NOTE Confidence: 0.9660957

00:38:24.280 --> 00:38:25.400 you look at the history

NOTE Confidence: 0.9660957

00:38:25.400 --> 00:38:26.975 of kind of psychedelic science,

NOTE Confidence: 0.9660957

00:38:26.975 --> 00:38:28.094 which started in the nineteen

NOTE Confidence: 0.9660957

00:38:28.094 --> 00:38:28.594 fifties,

NOTE Confidence: 0.9915772

00:38:29.295 --> 00:38:30.655 you notice that towards the

NOTE Confidence: 0.9915772

00:38:30.655 --> 00:38:31.775 end of the nineteen fifties

NOTE Confidence: 0.9915772

00:38:31.775 --> 00:38:32.975 and into the early nineteen

NOTE Confidence: 0.9915772

00:38:32.975 --> 00:38:35.055 sixties, the researchers were using

NOTE Confidence: 0.9915772

00:38:35.055 --> 00:38:36.094 the drugs too much. They

NOTE Confidence: 0.9915772

00:38:36.094 --> 00:38:37.135 were using them with the
NOTE Confidence: 0.9915772

00:38:37.135 --> 00:38:37.635 patients.
NOTE Confidence: 0.9826022

00:38:37.950 --> 00:38:39.469 The studies were flawed. You
NOTE Confidence: 0.9826022

00:38:39.469 --> 00:38:41.390 had people in psychiatry, very
NOTE Confidence: 0.9826022

00:38:41.390 --> 00:38:42.430 kind of big names in
NOTE Confidence: 0.9826022

00:38:42.430 --> 00:38:44.510 psychiatry, starting to talk about
NOTE Confidence: 0.9826022

00:38:44.510 --> 00:38:46.109 this and to really start
NOTE Confidence: 0.9826022

00:38:46.109 --> 00:38:47.469 to react against some of
NOTE Confidence: 0.9826022

00:38:47.469 --> 00:38:48.830 these studies and calling them
NOTE Confidence: 0.9826022

00:38:48.830 --> 00:38:50.670 out for having some serious
NOTE Confidence: 0.9826022

00:38:50.670 --> 00:38:51.170 ethical
NOTE Confidence: 0.95548373

00:38:52.065 --> 00:38:53.505 problems, and also the data
NOTE Confidence: 0.95548373

00:38:53.505 --> 00:38:54.724 was flawed as well. So,
NOTE Confidence: 0.96531945

00:38:55.425 --> 00:38:56.785 I think that it maybe
NOTE Confidence: 0.96531945

00:38:56.785 --> 00:38:57.825 was a reckoning that was
NOTE Confidence: 0.96531945

00:38:57.825 --> 00:38:59.585 going to slowly happen, but

NOTE Confidence: 0.96531945
00:38:59.585 --> 00:39:00.545 not to the degree that
NOTE Confidence: 0.96531945
00:39:00.545 --> 00:39:02.065 it became a schedule one
NOTE Confidence: 0.96531945
00:39:02.065 --> 00:39:03.760 drug and then had no
NOTE Confidence: 0.96531945
00:39:03.760 --> 00:39:04.739 use whatsoever
NOTE Confidence: 0.97226954
00:39:05.040 --> 00:39:06.640 for any sort of research
NOTE Confidence: 0.97226954
00:39:06.640 --> 00:39:07.840 and all the research went
NOTE Confidence: 0.97226954
00:39:07.840 --> 00:39:08.960 underground. I mean, I think
NOTE Confidence: 0.97226954
00:39:08.960 --> 00:39:10.739 that that extreme reaction
NOTE Confidence: 0.93522084
00:39:11.120 --> 00:39:12.320 was a result of Timothy
NOTE Confidence: 0.93522084
00:39:12.320 --> 00:39:13.840 Leary going around saying turn
NOTE Confidence: 0.93522084
00:39:13.840 --> 00:39:15.380 on, tune in, drop out,
NOTE Confidence: 0.8821835
00:39:16.045 --> 00:39:17.405 and counseling and then really
NOTE Confidence: 0.8821835
00:39:17.405 --> 00:39:18.525 directing that to the kind
NOTE Confidence: 0.8821835
00:39:18.525 --> 00:39:20.205 of youth generation, which really
NOTE Confidence: 0.8821835
00:39:20.205 --> 00:39:21.485 scared a a generation of
NOTE Confidence: 0.8821835

00:39:21.485 --> 00:39:22.685 parents. So I I am
NOTE Confidence: 0.8821835

00:39:22.685 --> 00:39:23.185 lawmakers
NOTE Confidence: 0.9198525

00:39:23.805 --> 00:39:25.645 and Nixon. So anyway, so
NOTE Confidence: 0.9198525

00:39:25.645 --> 00:39:26.925 I yes. That's a long
NOTE Confidence: 0.9198525

00:39:26.925 --> 00:39:28.285 answer to your question. I'm
NOTE Confidence: 0.9198525

00:39:28.285 --> 00:39:29.185 sorry. Yeah.
NOTE Confidence: 0.98161817

00:39:34.200 --> 00:39:35.320 Hi. Thank you so much
NOTE Confidence: 0.98161817

00:39:35.320 --> 00:39:37.320 for your very thoughtful answers.
NOTE Confidence: 0.98161817

00:39:37.320 --> 00:39:38.680 I'm Carolyn Hirsch. I'm a
NOTE Confidence: 0.98161817

00:39:38.680 --> 00:39:39.960 second year master of public
NOTE Confidence: 0.98161817

00:39:39.960 --> 00:39:41.800 health student, and I studied
NOTE Confidence: 0.98161817

00:39:41.800 --> 00:39:43.020 anthropology undergrad.
NOTE Confidence: 0.99790543

00:39:43.655 --> 00:39:45.255 I'm very interested in how,
NOTE Confidence: 0.99790543

00:39:45.255 --> 00:39:46.775 you know, you use the
NOTE Confidence: 0.99790543

00:39:46.775 --> 00:39:47.994 archive and navigate
NOTE Confidence: 0.988027

00:39:48.295 --> 00:39:48.795 that.

NOTE Confidence: 0.962729
00:39:49.255 --> 00:39:50.695 Can you talk about an
NOTE Confidence: 0.962729
00:39:50.695 --> 00:39:51.195 experience,
NOTE Confidence: 0.96425
00:39:52.135 --> 00:39:54.135 like, and your integrity? So,
NOTE Confidence: 0.96425
00:39:54.135 --> 00:39:55.435 like, you have to verify
NOTE Confidence: 0.96425
00:39:55.494 --> 00:39:56.790 sources. Do you have
NOTE Confidence: 0.970305
00:39:57.110 --> 00:39:58.950 anything that you, like, haven't
NOTE Confidence: 0.970305
00:39:58.950 --> 00:40:00.310 been able to include to,
NOTE Confidence: 0.970305
00:40:00.310 --> 00:40:02.090 like, to keep your integrity?
NOTE Confidence: 0.970305
00:40:02.230 --> 00:40:03.110 Are you able to talk
NOTE Confidence: 0.970305
00:40:03.110 --> 00:40:04.650 about that? Oh, yeah. Absolutely.
NOTE Confidence: 0.970305
00:40:04.710 --> 00:40:05.910 So there's a whole part
NOTE Confidence: 0.970305
00:40:05.910 --> 00:40:07.210 of Rosemary's life
NOTE Confidence: 0.9437447
00:40:07.670 --> 00:40:08.870 that was when she was
NOTE Confidence: 0.9437447
00:40:08.870 --> 00:40:10.630 underground where I have one
NOTE Confidence: 0.9437447
00:40:10.630 --> 00:40:12.045 source. I have what she
NOTE Confidence: 0.9437447

00:40:12.045 --> 00:40:13.484 wrote about it, and then
NOTE Confidence: 0.9437447

00:40:13.484 --> 00:40:14.205 I have a man
NOTE Confidence: 0.7968256

00:40:14.685 --> 00:40:15.744 this is what recorded.
NOTE Confidence: 0.54273564

00:40:16.685 --> 00:40:17.185 Funniest.
NOTE Confidence: 0.9424565

00:40:17.964 --> 00:40:18.464 Okay.
NOTE Confidence: 0.8494366

00:40:19.724 --> 00:40:21.425 A person a wonderful person
NOTE Confidence: 0.95521194

00:40:21.805 --> 00:40:22.305 who
NOTE Confidence: 0.8660108

00:40:22.765 --> 00:40:24.224 who actually was one source.
NOTE Confidence: 0.9777026

00:40:24.849 --> 00:40:25.670 So how do
NOTE Confidence: 0.79680854

00:40:26.690 --> 00:40:27.349 I you know
NOTE Confidence: 0.92171

00:40:27.810 --> 00:40:29.089 I can't verify what he
NOTE Confidence: 0.92171

00:40:29.089 --> 00:40:29.890 said and a lot of
NOTE Confidence: 0.92171

00:40:29.890 --> 00:40:31.030 it's extreme and
NOTE Confidence: 0.85041106

00:40:31.569 --> 00:40:32.069 wild,
NOTE Confidence: 0.9130829

00:40:32.690 --> 00:40:34.050 but I with one source
NOTE Confidence: 0.9130829

00:40:34.050 --> 00:40:35.489 and none of Rosemary's like

NOTE Confidence: 0.9130829
00:40:35.489 --> 00:40:37.410 I could use Rosemary's writing
NOTE Confidence: 0.9130829
00:40:37.410 --> 00:40:37.910 corroborating
NOTE Confidence: 0.94839644
00:40:38.369 --> 00:40:40.094 what he said, but other
NOTE Confidence: 0.94839644
00:40:40.094 --> 00:40:41.455 things that were said I
NOTE Confidence: 0.94839644
00:40:41.455 --> 00:40:42.495 I and if you notice
NOTE Confidence: 0.94839644
00:40:42.495 --> 00:40:43.295 the way that I got
NOTE Confidence: 0.94839644
00:40:43.295 --> 00:40:44.755 around that in the book
NOTE Confidence: 0.94839644
00:40:44.895 --> 00:40:45.695 was that I wrote it
NOTE Confidence: 0.94839644
00:40:45.695 --> 00:40:47.955 all in in past tense
NOTE Confidence: 0.94839644
00:40:48.094 --> 00:40:48.975 where I was she was
NOTE Confidence: 0.94839644
00:40:49.055 --> 00:40:49.875 it was flashback.
NOTE Confidence: 0.99574274
00:40:50.415 --> 00:40:51.614 So she was already on
NOTE Confidence: 0.99574274
00:40:51.614 --> 00:40:52.435 Cape Cod
NOTE Confidence: 0.95807266
00:40:53.140 --> 00:40:54.440 living as Sarah Woodruff,
NOTE Confidence: 0.96198833
00:40:55.060 --> 00:40:56.580 and then I went back
NOTE Confidence: 0.96198833

00:40:56.580 --> 00:40:57.700 and told the story so
NOTE Confidence: 0.96198833

00:40:57.700 --> 00:40:58.260 I could tell it the
NOTE Confidence: 0.96198833

00:40:58.260 --> 00:40:59.060 way I wanted to tell
NOTE Confidence: 0.96198833

00:40:59.060 --> 00:40:59.859 it. Not the way, like,
NOTE Confidence: 0.96198833

00:40:59.859 --> 00:41:00.500 oh, then they went to
NOTE Confidence: 0.96198833

00:41:00.500 --> 00:41:01.380 this place and that place
NOTE Confidence: 0.96198833

00:41:01.380 --> 00:41:02.180 the way he would have
NOTE Confidence: 0.96198833

00:41:02.180 --> 00:41:03.960 told it. I told it
NOTE Confidence: 0.96198833

00:41:04.100 --> 00:41:05.025 the parts that I could
NOTE Confidence: 0.96198833

00:41:05.184 --> 00:41:06.545 confirm. And then I gestured
NOTE Confidence: 0.96198833

00:41:06.545 --> 00:41:07.684 to allegedly
NOTE Confidence: 0.8995829

00:41:08.065 --> 00:41:08.944 or at he you know,
NOTE Confidence: 0.8995829

00:41:08.944 --> 00:41:10.305 I could say John said
NOTE Confidence: 0.8995829

00:41:10.305 --> 00:41:10.805 etcetera.
NOTE Confidence: 0.9172227

00:41:11.265 --> 00:41:12.224 But, that's the way I
NOTE Confidence: 0.9172227

00:41:12.224 --> 00:41:12.724 handled

NOTE Confidence: 0.8567076

00:41:13.105 --> 00:41:14.385 it. And that's specific. But

NOTE Confidence: 0.8567076

00:41:14.385 --> 00:41:16.005 there were plenty of other

NOTE Confidence: 0.910409

00:41:16.625 --> 00:41:17.505 case. You know, there was

NOTE Confidence: 0.910409

00:41:17.505 --> 00:41:18.625 one that was like that's

NOTE Confidence: 0.910409

00:41:18.625 --> 00:41:19.744 a more tangible thing, which

NOTE Confidence: 0.910409

00:41:19.744 --> 00:41:21.270 was her first trip at

NOTE Confidence: 0.910409

00:41:21.270 --> 00:41:22.489 Millbrook happens,

NOTE Confidence: 0.97114027

00:41:22.870 --> 00:41:24.469 and I could not read

NOTE Confidence: 0.97114027

00:41:24.469 --> 00:41:25.430 her handwriting except for, like,

NOTE Confidence: 0.97114027

00:41:25.430 --> 00:41:26.150 a little bit, which I

NOTE Confidence: 0.97114027

00:41:26.150 --> 00:41:27.430 had included in the book.

NOTE Confidence: 0.97114027

00:41:27.430 --> 00:41:28.150 And so I I got

NOTE Confidence: 0.97114027

00:41:28.230 --> 00:41:29.030 I tried to write a

NOTE Confidence: 0.97114027

00:41:29.030 --> 00:41:29.530 handwriting

NOTE Confidence: 0.923441

00:41:29.910 --> 00:41:31.850 analyst and all that stuff.

NOTE Confidence: 0.923441

00:41:31.910 --> 00:41:33.350 Actually, there was her handwriting
NOTE Confidence: 0.923441

00:41:33.350 --> 00:41:35.105 was she was very high,
NOTE Confidence: 0.923441

00:41:35.325 --> 00:41:36.465 so it made it worse.
NOTE Confidence: 0.923441

00:41:36.605 --> 00:41:37.885 But, so I I couldn't
NOTE Confidence: 0.923441

00:41:37.885 --> 00:41:40.045 use that, obviously, information. I
NOTE Confidence: 0.923441

00:41:40.045 --> 00:41:40.605 mean, I don't know how
NOTE Confidence: 0.923441

00:41:40.605 --> 00:41:41.485 I would have, but,
NOTE Confidence: 0.907026

00:41:41.965 --> 00:41:43.165 but anyway, the I I'd
NOTE Confidence: 0.907026

00:41:43.165 --> 00:41:44.364 say that just the most
NOTE Confidence: 0.907026

00:41:44.364 --> 00:41:46.525 specific example of this happened
NOTE Confidence: 0.907026

00:41:46.525 --> 00:41:47.325 in terms of our time
NOTE Confidence: 0.907026

00:41:47.325 --> 00:41:48.785 underground that I couldn't corroborate.
NOTE Confidence: 0.7793885

00:41:50.400 --> 00:41:51.359 You take one question there,
NOTE Confidence: 0.7793885

00:41:51.359 --> 00:41:52.480 and then we'll jump over
NOTE Confidence: 0.7793885

00:41:52.480 --> 00:41:53.460 here. Yes.
NOTE Confidence: 0.99424964

00:41:54.000 --> 00:41:54.500 Hi.

NOTE Confidence: 0.96524364

00:41:54.880 --> 00:41:55.920 My name is Pasha. I'm

NOTE Confidence: 0.96524364

00:41:55.920 --> 00:41:57.359 an eighth year MD PhD

NOTE Confidence: 0.96524364

00:41:57.359 --> 00:41:58.480 student. I did my PhD.

NOTE Confidence: 0.96524364

00:41:58.480 --> 00:41:59.280 It's my last year, I

NOTE Confidence: 0.96524364

00:41:59.280 --> 00:41:59.780 swear.

NOTE Confidence: 0.95264876

00:42:01.599 --> 00:42:02.640 I did my PhD on

NOTE Confidence: 0.95264876

00:42:02.640 --> 00:42:03.805 psychedelics, so so it was

NOTE Confidence: 0.95264876

00:42:03.805 --> 00:42:04.605 really great to read your

NOTE Confidence: 0.95264876

00:42:04.605 --> 00:42:05.885 book. I was thinking about

NOTE Confidence: 0.95264876

00:42:05.885 --> 00:42:06.685 this. I also read Tripping

NOTE Confidence: 0.95264876

00:42:06.685 --> 00:42:07.805 on Utopia right before this,

NOTE Confidence: 0.95264876

00:42:07.805 --> 00:42:08.844 which was a lot about

NOTE Confidence: 0.95264876

00:42:08.844 --> 00:42:09.965 Margaret Mead. Right? Which is

NOTE Confidence: 0.95264876

00:42:09.965 --> 00:42:10.925 also so this kind of

NOTE Confidence: 0.95264876

00:42:10.925 --> 00:42:11.965 goes back to a conversation

NOTE Confidence: 0.95264876

00:42:11.965 --> 00:42:12.765 that was earlier where you're
NOTE Confidence: 0.95264876

00:42:12.765 --> 00:42:14.205 talking about, like, footnotes and
NOTE Confidence: 0.95264876

00:42:14.205 --> 00:42:15.565 people who are underappreciated because
NOTE Confidence: 0.95264876

00:42:15.565 --> 00:42:16.650 I totally agree with you.
NOTE Confidence: 0.95264876

00:42:16.650 --> 00:42:18.089 Like, Rick Doblin, Robin Carhart
NOTE Confidence: 0.95264876

00:42:18.089 --> 00:42:19.770 Harris, these evangelicals even now.
NOTE Confidence: 0.95264876

00:42:19.770 --> 00:42:20.569 Yes. When we go to
NOTE Confidence: 0.95264876

00:42:20.569 --> 00:42:21.609 conferences, they get a lot
NOTE Confidence: 0.95264876

00:42:21.609 --> 00:42:22.730 of space. So my question
NOTE Confidence: 0.95264876

00:42:22.730 --> 00:42:23.930 is, you know, as someone
NOTE Confidence: 0.95264876

00:42:23.930 --> 00:42:25.210 who's in both basic and
NOTE Confidence: 0.95264876

00:42:25.210 --> 00:42:25.710 clinical,
NOTE Confidence: 0.90622526

00:42:26.329 --> 00:42:27.450 are there people that like,
NOTE Confidence: 0.90622526

00:42:27.450 --> 00:42:28.969 journalists that you read now
NOTE Confidence: 0.90622526

00:42:28.969 --> 00:42:30.410 that you would recommend Yes.
NOTE Confidence: 0.90622526

00:42:30.489 --> 00:42:31.605 For us to, like, read

NOTE Confidence: 0.90622526

00:42:31.605 --> 00:42:32.485 about who you think are

NOTE Confidence: 0.90622526

00:42:32.485 --> 00:42:33.445 doing a good space and

NOTE Confidence: 0.90622526

00:42:33.445 --> 00:42:35.205 exposing these footnotes? Hundred percent

NOTE Confidence: 0.90622526

00:42:35.205 --> 00:42:36.565 there's a few. One is

NOTE Confidence: 0.90622526

00:42:36.565 --> 00:42:37.925 a woman named Shayla Love.

NOTE Confidence: 0.90622526

00:42:37.925 --> 00:42:38.885 Yes. I do like her.

NOTE Confidence: 0.90622526

00:42:38.885 --> 00:42:40.105 She She's great.

NOTE Confidence: 0.94841033

00:42:40.485 --> 00:42:41.445 She's a she's a friend

NOTE Confidence: 0.94841033

00:42:41.445 --> 00:42:42.885 now. I actually wrote a

NOTE Confidence: 0.94841033

00:42:42.885 --> 00:42:44.005 fan letter to her, and

NOTE Confidence: 0.94841033

00:42:44.005 --> 00:42:45.385 that's how we became,

NOTE Confidence: 0.9115547

00:42:45.690 --> 00:42:47.609 yeah. She's an incredible writer

NOTE Confidence: 0.9115547

00:42:47.609 --> 00:42:48.570 and she's she's kind of

NOTE Confidence: 0.9115547

00:42:48.570 --> 00:42:49.530 moved away from the from

NOTE Confidence: 0.9115547

00:42:49.530 --> 00:42:50.489 psychedelics, but she was the

NOTE Confidence: 0.9115547

00:42:50.489 --> 00:42:51.369 person when I was writing

NOTE Confidence: 0.9115547

00:42:51.369 --> 00:42:52.089 this book, I'm like, what

NOTE Confidence: 0.9115547

00:42:52.089 --> 00:42:52.969 does Shayna have to say

NOTE Confidence: 0.9115547

00:42:52.969 --> 00:42:54.570 about this? Because she's so

NOTE Confidence: 0.9115547

00:42:54.570 --> 00:42:55.390 even handed,

NOTE Confidence: 0.80333394

00:42:55.690 --> 00:42:56.730 so smart. So I think

NOTE Confidence: 0.80333394

00:42:56.730 --> 00:42:57.770 she's great. I also think

NOTE Confidence: 0.80333394

00:42:57.770 --> 00:42:59.930 Psychedelic Alpha, which is, do

NOTE Confidence: 0.80333394

00:42:59.930 --> 00:43:00.223 you know what do you

NOTE Confidence: 0.80333394

00:43:00.223 --> 00:43:00.498 know what do you know

NOTE Confidence: 0.80333394

00:43:00.498 --> 00:43:00.525 what do you know what

NOTE Confidence: 0.80333394

00:43:00.530 --> 00:43:00.556 do you know what do

NOTE Confidence: 0.80333394

00:43:00.556 --> 00:43:00.583 you know what do you

NOTE Confidence: 0.80333394

00:43:00.583 --> 00:43:00.609 know what do you know

NOTE Confidence: 0.80333394

00:43:00.609 --> 00:43:00.636 what do you know what

NOTE Confidence: 0.80333394

00:43:00.641 --> 00:43:01.395 do you're familiar with it?

NOTE Confidence: 0.80333394

00:43:01.875 --> 00:43:02.355 Like a newsletter. Right? The

NOTE Confidence: 0.80333394

00:43:02.355 --> 00:43:03.234 newsletter. I think

NOTE Confidence: 0.99467754

00:43:03.635 --> 00:43:05.094 great. And if you

NOTE Confidence: 0.93967587

00:43:05.795 --> 00:43:07.235 no. And then Jules Evans

NOTE Confidence: 0.93967587

00:43:07.235 --> 00:43:07.955 who tends to be on

NOTE Confidence: 0.93967587

00:43:07.955 --> 00:43:09.155 the harsher side of things,

NOTE Confidence: 0.93967587

00:43:09.155 --> 00:43:10.995 but he's fantastic as well.

NOTE Confidence: 0.93967587

00:43:10.995 --> 00:43:12.035 I can't remember the name

NOTE Confidence: 0.93967587

00:43:12.035 --> 00:43:12.614 of his.

NOTE Confidence: 0.8687028

00:43:13.839 --> 00:43:15.040 It's Jules Evans. And he

NOTE Confidence: 0.8687028

00:43:15.040 --> 00:43:15.359 does,

NOTE Confidence: 0.95299816

00:43:15.920 --> 00:43:16.719 he does a lot of

NOTE Confidence: 0.95299816

00:43:16.719 --> 00:43:18.560 research and challenging experiences and

NOTE Confidence: 0.95299816

00:43:18.560 --> 00:43:19.440 was one of the first

NOTE Confidence: 0.95299816

00:43:19.440 --> 00:43:20.560 and only doing that for

NOTE Confidence: 0.95299816

00:43:20.560 --> 00:43:21.440 a while. Now there's been
NOTE Confidence: 0.95299816

00:43:21.440 --> 00:43:22.239 a real sea change with
NOTE Confidence: 0.95299816

00:43:22.239 --> 00:43:23.280 that because the FDA, you
NOTE Confidence: 0.95299816

00:43:23.280 --> 00:43:24.719 know, every everything that happened
NOTE Confidence: 0.95299816

00:43:24.719 --> 00:43:25.920 with the FDA not moving
NOTE Confidence: 0.95299816

00:43:25.920 --> 00:43:27.440 forward with MDMA, which actually
NOTE Confidence: 0.95299816

00:43:27.440 --> 00:43:29.114 I think helps ultimately will
NOTE Confidence: 0.95299816

00:43:29.114 --> 00:43:29.614 help
NOTE Confidence: 0.91613865

00:43:29.995 --> 00:43:31.195 the industry really is what
NOTE Confidence: 0.91613865

00:43:31.195 --> 00:43:31.855 it is.
NOTE Confidence: 0.9717174

00:43:32.795 --> 00:43:33.915 Because it was getting too
NOTE Confidence: 0.9717174

00:43:33.915 --> 00:43:35.355 evangelical. I was just at
NOTE Confidence: 0.9717174

00:43:35.355 --> 00:43:36.415 the MAPS conference
NOTE Confidence: 0.94463986

00:43:36.715 --> 00:43:37.675 and it was a totally
NOTE Confidence: 0.94463986

00:43:37.675 --> 00:43:39.135 different vibe than it was
NOTE Confidence: 0.94463986

00:43:39.195 --> 00:43:41.035 prior to in twenty twenty

NOTE Confidence: 0.94463986
00:43:41.035 --> 00:43:42.560 three before the FDA the
NOTE Confidence: 0.94463986
00:43:42.560 --> 00:43:43.520 FDA decided not to move
NOTE Confidence: 0.94463986
00:43:43.520 --> 00:43:44.340 forward with MDMA
NOTE Confidence: 0.43492734
00:43:45.200 --> 00:43:45.700 and
NOTE Confidence: 0.9990851
00:43:46.000 --> 00:43:46.980 that really
NOTE Confidence: 0.95133436
00:43:47.280 --> 00:43:48.320 set back a lot of
NOTE Confidence: 0.95133436
00:43:48.320 --> 00:43:49.920 the mostly the kind of
NOTE Confidence: 0.95133436
00:43:49.920 --> 00:43:51.060 like big biotech
NOTE Confidence: 0.9989845
00:43:51.360 --> 00:43:52.900 funding that was going on
NOTE Confidence: 0.937849
00:43:53.280 --> 00:43:54.255 and a lot of this
NOTE Confidence: 0.937849
00:43:54.494 --> 00:43:55.934 real exuberance going on in
NOTE Confidence: 0.937849
00:43:55.934 --> 00:43:57.214 the field and it kind
NOTE Confidence: 0.937849
00:43:57.214 --> 00:43:58.174 of got rid of a
NOTE Confidence: 0.937849
00:43:58.174 --> 00:43:59.295 lot of those people and
NOTE Confidence: 0.937849
00:43:59.295 --> 00:44:00.654 so what you've you kind
NOTE Confidence: 0.937849

00:44:00.654 --> 00:44:02.015 of saw a chastened group
NOTE Confidence: 0.937849

00:44:02.015 --> 00:44:03.134 but they were like still
NOTE Confidence: 0.937849

00:44:03.134 --> 00:44:03.634 steadfast
NOTE Confidence: 0.94878715

00:44:04.174 --> 00:44:05.295 and they were smarter with
NOTE Confidence: 0.94878715

00:44:05.295 --> 00:44:05.934 the way that they were
NOTE Confidence: 0.94878715

00:44:05.934 --> 00:44:06.930 talking about things. Some things
NOTE Confidence: 0.94878715

00:44:06.930 --> 00:44:07.770 not, which I could talk
NOTE Confidence: 0.94878715

00:44:07.770 --> 00:44:08.270 about.
NOTE Confidence: 0.9602766

00:44:08.730 --> 00:44:09.850 But overall, I think it
NOTE Confidence: 0.9602766

00:44:09.850 --> 00:44:10.750 was a good
NOTE Confidence: 0.9848669

00:44:11.050 --> 00:44:11.550 moment
NOTE Confidence: 0.95491695

00:44:12.170 --> 00:44:13.210 to kind of have a
NOTE Confidence: 0.95491695

00:44:13.210 --> 00:44:14.410 little bit of humility in
NOTE Confidence: 0.95491695

00:44:14.410 --> 00:44:15.850 that field because it's sometimes
NOTE Confidence: 0.95491695

00:44:15.850 --> 00:44:18.190 lacking as you mentioned. Yeah.
NOTE Confidence: 0.99797815

00:44:22.805 --> 00:44:23.305 Hi.

NOTE Confidence: 0.90957767
00:44:24.005 --> 00:44:25.685 I'm Howard Zonana. I'm a
NOTE Confidence: 0.90957767
00:44:25.685 --> 00:44:26.185 psychiatrist,
NOTE Confidence: 0.9972174
00:44:27.125 --> 00:44:28.405 and I just wanted to
NOTE Confidence: 0.9972174
00:44:28.405 --> 00:44:29.685 add a few things that
NOTE Confidence: 0.9972174
00:44:29.685 --> 00:44:31.285 we've been discussing this in
NOTE Confidence: 0.9972174
00:44:31.285 --> 00:44:32.744 our professional organizations
NOTE Confidence: 0.95898235
00:44:33.690 --> 00:44:35.070 because there's a resurgence
NOTE Confidence: 0.91472286
00:44:35.849 --> 00:44:37.530 of, obviously, of interest has
NOTE Confidence: 0.91472286
00:44:37.530 --> 00:44:39.050 been more research, although the
NOTE Confidence: 0.91472286
00:44:39.050 --> 00:44:39.550 research
NOTE Confidence: 0.96838444
00:44:40.250 --> 00:44:42.250 has been very problematic in
NOTE Confidence: 0.96838444
00:44:42.250 --> 00:44:43.630 the sense most studies
NOTE Confidence: 0.93038666
00:44:44.890 --> 00:44:45.710 most studies,
NOTE Confidence: 0.9997689
00:44:46.969 --> 00:44:47.790 don't take
NOTE Confidence: 0.93270105
00:44:48.585 --> 00:44:50.605 anyone with a psychotic history
NOTE Confidence: 0.93270105

00:44:50.665 --> 00:44:52.585 or family history, so you
NOTE Confidence: 0.93270105

00:44:52.585 --> 00:44:53.565 have to be care
NOTE Confidence: 0.98372805

00:44:53.945 --> 00:44:55.224 careful about that and what
NOTE Confidence: 0.98372805

00:44:55.224 --> 00:44:55.885 we know.
NOTE Confidence: 0.99692374

00:44:56.265 --> 00:44:57.945 In addition, some states have
NOTE Confidence: 0.99692374

00:44:57.945 --> 00:44:58.844 now decriminalized
NOTE Confidence: 0.8324963

00:44:59.305 --> 00:44:59.805 it,
NOTE Confidence: 0.98879844

00:45:00.185 --> 00:45:01.385 and so it leaves it
NOTE Confidence: 0.98879844

00:45:01.385 --> 00:45:02.825 a little wider open about
NOTE Confidence: 0.98879844

00:45:02.825 --> 00:45:03.965 what's gonna happen.
NOTE Confidence: 0.99841595

00:45:04.530 --> 00:45:06.390 What's the practice of it?
NOTE Confidence: 0.9921247

00:45:07.489 --> 00:45:09.090 People have to sit for
NOTE Confidence: 0.9921247

00:45:09.090 --> 00:45:10.390 five or six hours.
NOTE Confidence: 0.99949485

00:45:11.330 --> 00:45:12.770 Is that something you should
NOTE Confidence: 0.99949485

00:45:12.770 --> 00:45:13.750 charge for?
NOTE Confidence: 0.92911214

00:45:14.130 --> 00:45:16.050 Is are insurance gonna pay

NOTE Confidence: 0.92911214
00:45:16.050 --> 00:45:16.790 for that?
NOTE Confidence: 0.9050705
00:45:17.090 --> 00:45:18.390 And what do you do?
NOTE Confidence: 0.8953573
00:45:19.905 --> 00:45:21.685 What we do as psychiatrists
NOTE Confidence: 0.93070835
00:45:22.145 --> 00:45:23.364 are trained generally
NOTE Confidence: 0.9733921
00:45:24.545 --> 00:45:25.844 not to touch patients.
NOTE Confidence: 0.9811116
00:45:27.665 --> 00:45:29.025 And here, there's a lot
NOTE Confidence: 0.9811116
00:45:29.025 --> 00:45:29.844 of cuddling
NOTE Confidence: 0.9984806
00:45:30.145 --> 00:45:30.645 described
NOTE Confidence: 0.9838845
00:45:30.945 --> 00:45:31.985 and a lot of other
NOTE Confidence: 0.9838845
00:45:31.985 --> 00:45:32.485 things
NOTE Confidence: 0.99652463
00:45:33.339 --> 00:45:35.200 that make that very problematic.
NOTE Confidence: 0.9990331
00:45:35.500 --> 00:45:36.000 So
NOTE Confidence: 0.99141395
00:45:36.380 --> 00:45:37.900 as a profession, we are
NOTE Confidence: 0.99141395
00:45:37.900 --> 00:45:40.160 trying to develop some guidelines
NOTE Confidence: 0.9852298
00:45:41.020 --> 00:45:42.300 and to begin to think
NOTE Confidence: 0.9852298

00:45:42.300 --> 00:45:44.060 through how to approach this,
NOTE Confidence: 0.9852298

00:45:44.060 --> 00:45:44.719 which is
NOTE Confidence: 0.958992

00:45:45.395 --> 00:45:47.795 complicated but interesting, but it's
NOTE Confidence: 0.958992

00:45:47.795 --> 00:45:48.915 very hard to know how
NOTE Confidence: 0.958992

00:45:48.915 --> 00:45:49.875 to get into in a
NOTE Confidence: 0.958992

00:45:49.875 --> 00:45:50.855 reasonable way.
NOTE Confidence: 0.8957898

00:45:51.155 --> 00:45:52.435 I mean, you you hit
NOTE Confidence: 0.8957898

00:45:52.435 --> 00:45:53.234 the nail on the head
NOTE Confidence: 0.8957898

00:45:53.234 --> 00:45:54.515 in terms of the issues
NOTE Confidence: 0.8957898

00:45:54.515 --> 00:45:55.795 facing and why the FDA
NOTE Confidence: 0.8957898

00:45:55.954 --> 00:45:56.515 part of part of the
NOTE Confidence: 0.8957898

00:45:56.515 --> 00:45:57.489 reason why the FDA didn't
NOTE Confidence: 0.8957898

00:45:57.489 --> 00:45:58.070 move forward.
NOTE Confidence: 0.9529006

00:45:58.690 --> 00:45:59.410 And, you know, like, you
NOTE Confidence: 0.9529006

00:45:59.410 --> 00:46:00.450 know, even just the amount
NOTE Confidence: 0.9529006

00:46:00.450 --> 00:46:01.890 of therapy that's that's you

NOTE Confidence: 0.9529006
00:46:01.890 --> 00:46:02.850 know, we're we're doing these
NOTE Confidence: 0.9529006
00:46:02.850 --> 00:46:04.290 studies, but the therapy can
NOTE Confidence: 0.9529006
00:46:04.290 --> 00:46:06.130 be, like, gestalt therapy or
NOTE Confidence: 0.9529006
00:46:06.130 --> 00:46:07.270 it could be, you know,
NOTE Confidence: 0.9081158
00:46:07.650 --> 00:46:08.150 CBT.
NOTE Confidence: 0.95621455
00:46:08.450 --> 00:46:09.890 It's it's everything in between.
NOTE Confidence: 0.95621455
00:46:09.890 --> 00:46:11.175 And so, well, that's not
NOTE Confidence: 0.95621455
00:46:11.175 --> 00:46:12.695 that doesn't seem very uniform.
NOTE Confidence: 0.95621455
00:46:12.695 --> 00:46:13.735 If we believe that therapy
NOTE Confidence: 0.95621455
00:46:13.735 --> 00:46:14.614 has any effect on a
NOTE Confidence: 0.95621455
00:46:14.614 --> 00:46:15.114 patient,
NOTE Confidence: 0.9988964
00:46:15.415 --> 00:46:16.315 then that's ridiculous.
NOTE Confidence: 0.95311785
00:46:16.855 --> 00:46:17.975 And what was interest what's
NOTE Confidence: 0.95311785
00:46:17.975 --> 00:46:19.175 interesting too, which I think
NOTE Confidence: 0.95311785
00:46:19.175 --> 00:46:20.535 is being overlooked a bit
NOTE Confidence: 0.95311785

00:46:20.535 --> 00:46:21.815 about these studies and again,
NOTE Confidence: 0.95311785

00:46:21.815 --> 00:46:23.175 I'm not someone who's against,
NOTE Confidence: 0.95311785

00:46:23.175 --> 00:46:24.135 but I will say I
NOTE Confidence: 0.95311785

00:46:24.215 --> 00:46:25.015 if we're gonna go through
NOTE Confidence: 0.95311785

00:46:25.015 --> 00:46:25.995 the medical model,
NOTE Confidence: 0.97695714

00:46:26.750 --> 00:46:27.549 if this is going to
NOTE Confidence: 0.97695714

00:46:27.549 --> 00:46:28.829 go through that path, there
NOTE Confidence: 0.97695714

00:46:28.829 --> 00:46:30.030 are situated you know, we
NOTE Confidence: 0.97695714

00:46:30.030 --> 00:46:31.469 have to examine it from
NOTE Confidence: 0.97695714

00:46:31.469 --> 00:46:33.309 all these angles. Another part
NOTE Confidence: 0.97695714

00:46:33.309 --> 00:46:34.190 of this is that you
NOTE Confidence: 0.97695714

00:46:34.190 --> 00:46:35.170 have this exuberance.
NOTE Confidence: 0.9711867

00:46:36.270 --> 00:46:37.390 People who are involved in
NOTE Confidence: 0.9711867

00:46:37.390 --> 00:46:39.010 the research are very excited
NOTE Confidence: 0.9711867

00:46:39.069 --> 00:46:40.369 about it, and
NOTE Confidence: 0.9759504

00:46:40.844 --> 00:46:42.525 patients or participants in these

NOTE Confidence: 0.9759504

00:46:42.525 --> 00:46:44.525 clinical trials are being treated

NOTE Confidence: 0.9759504

00:46:44.525 --> 00:46:45.805 very well. I mean, they're

NOTE Confidence: 0.9759504

00:46:45.805 --> 00:46:47.085 like these these trials are

NOTE Confidence: 0.9759504

00:46:47.085 --> 00:46:48.445 beautifully run. They get a

NOTE Confidence: 0.9759504

00:46:48.445 --> 00:46:49.344 lot of attention.

NOTE Confidence: 0.9749851

00:46:50.125 --> 00:46:51.325 It's, you know, it's if

NOTE Confidence: 0.9749851

00:46:51.325 --> 00:46:52.364 you're in a kind of

NOTE Confidence: 0.9749851

00:46:52.364 --> 00:46:53.805 dealing with PTSD, for example,

NOTE Confidence: 0.9749851

00:46:53.805 --> 00:46:54.685 you're having a lot of

NOTE Confidence: 0.9749851

00:46:54.685 --> 00:46:56.700 support structures around you that

NOTE Confidence: 0.9749851

00:46:56.700 --> 00:46:58.380 don't really exist in mental

NOTE Confidence: 0.9749851

00:46:58.380 --> 00:46:59.520 health care at large.

NOTE Confidence: 0.997864

00:46:59.900 --> 00:47:01.180 So how much of these

NOTE Confidence: 0.997864

00:47:01.180 --> 00:47:02.700 positive outcomes are due to

NOTE Confidence: 0.997864

00:47:02.700 --> 00:47:03.820 people being in a safe

NOTE Confidence: 0.997864

00:47:03.820 --> 00:47:05.040 and supportive setting?
NOTE Confidence: 0.89962053

00:47:05.660 --> 00:47:06.619 Quite. That's a big question.
NOTE Confidence: 0.89962053

00:47:06.619 --> 00:47:07.420 And in fact, there is
NOTE Confidence: 0.89962053

00:47:07.420 --> 00:47:08.080 an amazing
NOTE Confidence: 0.93565667

00:47:08.585 --> 00:47:09.864 woman who her name is
NOTE Confidence: 0.93565667

00:47:09.944 --> 00:47:11.065 oh my gosh. I'm blanking
NOTE Confidence: 0.93565667

00:47:11.065 --> 00:47:12.204 on her name right now.
NOTE Confidence: 0.8314935

00:47:12.825 --> 00:47:13.484 Ugh. Ugh.
NOTE Confidence: 0.9822206

00:47:13.864 --> 00:47:15.625 I won't remember it. But
NOTE Confidence: 0.9822206

00:47:15.625 --> 00:47:16.505 she did a study. She
NOTE Confidence: 0.9822206

00:47:16.505 --> 00:47:17.144 was gonna do a study
NOTE Confidence: 0.9822206

00:47:17.144 --> 00:47:17.805 with psilocybin
NOTE Confidence: 0.9938553

00:47:18.184 --> 00:47:19.085 out in the Netherlands
NOTE Confidence: 0.9167263

00:47:19.704 --> 00:47:21.545 and COVID happened. And she
NOTE Confidence: 0.9167263

00:47:21.545 --> 00:47:22.664 ended up doing the study
NOTE Confidence: 0.9167263

00:47:22.664 --> 00:47:23.164 anyway

NOTE Confidence: 0.96695995

00:47:24.030 --> 00:47:25.650 via Zoom, I think, still,

NOTE Confidence: 0.96695995

00:47:25.950 --> 00:47:27.810 but offering the same therapeutic

NOTE Confidence: 0.9257049

00:47:28.430 --> 00:47:29.810 model, but no psilocybin.

NOTE Confidence: 0.99817234

00:47:30.270 --> 00:47:31.550 And the results were very

NOTE Confidence: 0.99817234

00:47:31.550 --> 00:47:32.050 similar.

NOTE Confidence: 0.9848732

00:47:32.510 --> 00:47:33.630 So it does raise some

NOTE Confidence: 0.9848732

00:47:33.630 --> 00:47:35.230 questions about, are we just

NOTE Confidence: 0.9848732

00:47:35.230 --> 00:47:37.390 doing therapy correctly? Are we

NOTE Confidence: 0.9848732

00:47:37.390 --> 00:47:38.450 serving patients

NOTE Confidence: 0.9652013

00:47:38.915 --> 00:47:39.474 in the way that we

NOTE Confidence: 0.9652013

00:47:39.474 --> 00:47:40.435 should be doing? And is

NOTE Confidence: 0.9652013

00:47:40.435 --> 00:47:42.214 that part of the amazing

NOTE Confidence: 0.9652013

00:47:42.435 --> 00:47:43.395 results that we're getting, which

NOTE Confidence: 0.9652013

00:47:43.395 --> 00:47:44.355 I think you're you've brought

NOTE Confidence: 0.9652013

00:47:44.355 --> 00:47:45.555 up and I think are

NOTE Confidence: 0.9652013

00:47:45.555 --> 00:47:46.375 valid questions?
NOTE Confidence: 0.9387166

00:47:49.395 --> 00:47:49.895 Right.
NOTE Confidence: 0.9904239

00:47:50.195 --> 00:47:50.994 I mean, part of the
NOTE Confidence: 0.9904239

00:47:50.994 --> 00:47:52.114 clinical trials, there was a
NOTE Confidence: 0.9904239

00:47:52.114 --> 00:47:53.315 huge part that was revealed
NOTE Confidence: 0.9904239

00:47:53.315 --> 00:47:54.620 that there was not just
NOTE Confidence: 0.9904239

00:47:54.620 --> 00:47:55.820 touching. There was, like, a
NOTE Confidence: 0.9904239

00:47:55.820 --> 00:47:58.320 sexual relationship that happened after
NOTE Confidence: 0.9056185

00:47:58.700 --> 00:48:00.080 the clinical trial
NOTE Confidence: 0.93972427

00:48:00.380 --> 00:48:01.660 concluded. They the person moved
NOTE Confidence: 0.93972427

00:48:01.660 --> 00:48:02.719 in with the guy.
NOTE Confidence: 0.96216136

00:48:03.020 --> 00:48:04.380 So, you know, the underground
NOTE Confidence: 0.96216136

00:48:04.380 --> 00:48:06.219 psychedelic world has some problems.
NOTE Confidence: 0.96216136

00:48:06.219 --> 00:48:07.680 It has some issues, and
NOTE Confidence: 0.9918271

00:48:08.085 --> 00:48:10.005 bringing it above ground is
NOTE Confidence: 0.9918271

00:48:10.005 --> 00:48:11.765 not seamless. Let's just say

NOTE Confidence: 0.9918271
00:48:11.765 --> 00:48:13.545 that. And so I am
NOTE Confidence: 0.8558582
00:48:14.565 --> 00:48:15.065 interested,
NOTE Confidence: 0.9904425
00:48:16.085 --> 00:48:16.585 very,
NOTE Confidence: 0.51004434
00:48:17.364 --> 00:48:18.344 gimlet eyed
NOTE Confidence: 0.9528577
00:48:19.045 --> 00:48:20.405 about the medical model for
NOTE Confidence: 0.9528577
00:48:20.405 --> 00:48:20.905 this.
NOTE Confidence: 0.94863683
00:48:21.219 --> 00:48:22.340 And I don't know. I
NOTE Confidence: 0.94863683
00:48:22.340 --> 00:48:23.860 don't know how it looks.
NOTE Confidence: 0.94863683
00:48:23.860 --> 00:48:24.900 Like you said, if we're
NOTE Confidence: 0.94863683
00:48:24.900 --> 00:48:26.020 taking LSC, it's eight hours.
NOTE Confidence: 0.94863683
00:48:26.020 --> 00:48:27.380 Okay. We're psilocybin. It's four.
NOTE Confidence: 0.94863683
00:48:27.380 --> 00:48:28.760 Oh, wait. DMT is fast.
NOTE Confidence: 0.94863683
00:48:28.980 --> 00:48:30.180 Sure. Maybe it's all DMT,
NOTE Confidence: 0.94863683
00:48:30.180 --> 00:48:31.219 but is everyone gonna be
NOTE Confidence: 0.94863683
00:48:31.219 --> 00:48:32.920 taking DMT? That's an extreme
NOTE Confidence: 0.94863683

00:48:33.060 --> 00:48:34.040 experience. So
NOTE Confidence: 0.94593203

00:48:34.355 --> 00:48:35.714 anyway, I'm babbling here, but
NOTE Confidence: 0.94593203

00:48:35.714 --> 00:48:36.515 I I'm with you. I
NOTE Confidence: 0.94593203

00:48:36.515 --> 00:48:37.154 think there are a lot
NOTE Confidence: 0.94593203

00:48:37.154 --> 00:48:38.535 of questions that remain unanswered.
NOTE Confidence: 0.9912908

00:48:41.395 --> 00:48:42.755 You know, I'm I'm here
NOTE Confidence: 0.9912908

00:48:42.755 --> 00:48:44.114 because I'm a fan of
NOTE Confidence: 0.9912908

00:48:44.114 --> 00:48:44.614 your
NOTE Confidence: 0.9587074

00:48:45.075 --> 00:48:46.135 earlier books.
NOTE Confidence: 0.9869867

00:48:47.474 --> 00:48:47.974 But
NOTE Confidence: 0.9990264

00:48:48.900 --> 00:48:49.400 why
NOTE Confidence: 0.99933726

00:48:49.940 --> 00:48:51.059 did you what was it
NOTE Confidence: 0.99933726

00:48:51.059 --> 00:48:52.520 about this person
NOTE Confidence: 0.77604175

00:48:53.460 --> 00:48:54.280 we profiled
NOTE Confidence: 0.998164

00:48:54.819 --> 00:48:57.160 that you thought was important
NOTE Confidence: 0.98118955

00:48:57.540 --> 00:48:59.619 or intriguing? Or why why

NOTE Confidence: 0.98118955

00:48:59.619 --> 00:49:00.579 write a book about her?

NOTE Confidence: 0.98118955

00:49:00.579 --> 00:49:01.460 I mean, what was the

NOTE Confidence: 0.98118955

00:49:01.460 --> 00:49:01.960 hook?

NOTE Confidence: 0.9520984

00:49:02.454 --> 00:49:03.575 Yeah. For me, I knew

NOTE Confidence: 0.9520984

00:49:03.575 --> 00:49:04.454 I wanted to do something

NOTE Confidence: 0.9520984

00:49:04.454 --> 00:49:05.895 about psychedelics for some of

NOTE Confidence: 0.9520984

00:49:05.895 --> 00:49:07.174 these reasons that we are

NOTE Confidence: 0.9520984

00:49:07.174 --> 00:49:08.454 talking about now and how

NOTE Confidence: 0.9520984

00:49:08.454 --> 00:49:09.974 many people I knew were

NOTE Confidence: 0.9520984

00:49:09.974 --> 00:49:11.515 taking psychedelics either,

NOTE Confidence: 0.9724749

00:49:12.055 --> 00:49:13.035 kind of through

NOTE Confidence: 0.9970284

00:49:13.335 --> 00:49:14.234 more medicalized

NOTE Confidence: 0.9339057

00:49:14.855 --> 00:49:16.454 routes or they were disappearing

NOTE Confidence: 0.9339057

00:49:16.454 --> 00:49:17.494 off with a shaman in,

NOTE Confidence: 0.9339057

00:49:17.494 --> 00:49:19.559 like, a parking lot in

NOTE Confidence: 0.9339057

00:49:19.559 --> 00:49:20.219 New Jersey.
NOTE Confidence: 0.9256665

00:49:20.599 --> 00:49:21.559 So, you know, I wanted
NOTE Confidence: 0.9256665

00:49:21.559 --> 00:49:22.359 to know what what was
NOTE Confidence: 0.9256665

00:49:22.359 --> 00:49:23.160 going on here. I was
NOTE Confidence: 0.9256665

00:49:23.160 --> 00:49:25.259 curious myself. I'm I actually
NOTE Confidence: 0.8747301

00:49:25.719 --> 00:49:26.759 actually there's some of some
NOTE Confidence: 0.8747301

00:49:26.759 --> 00:49:28.440 of this happened postpartum after
NOTE Confidence: 0.8747301

00:49:28.440 --> 00:49:29.579 birth of my twins,
NOTE Confidence: 0.95966506

00:49:30.279 --> 00:49:31.455 and I had what would
NOTE Confidence: 0.95966506

00:49:31.535 --> 00:49:32.335 kind of be called the
NOTE Confidence: 0.95966506

00:49:32.335 --> 00:49:34.495 psychedelic experience without psychedelics where
NOTE Confidence: 0.95966506

00:49:34.495 --> 00:49:35.455 I had a kind of
NOTE Confidence: 0.95966506

00:49:35.455 --> 00:49:37.155 unity consciousness experience
NOTE Confidence: 0.9825024

00:49:37.855 --> 00:49:38.735 in the wake of their
NOTE Confidence: 0.9825024

00:49:38.735 --> 00:49:39.235 birth.
NOTE Confidence: 0.9353574

00:49:39.695 --> 00:49:40.815 And I was interested in

NOTE Confidence: 0.9353574

00:49:40.815 --> 00:49:41.935 that, and I wanted to

NOTE Confidence: 0.9353574

00:49:41.935 --> 00:49:44.094 explore that. And so I

NOTE Confidence: 0.9353574

00:49:44.094 --> 00:49:45.535 had written about psychedelics in

NOTE Confidence: 0.9353574

00:49:45.535 --> 00:49:47.239 my two previous books just

NOTE Confidence: 0.9353574

00:49:47.239 --> 00:49:48.200 a little bit. Well, I've

NOTE Confidence: 0.9353574

00:49:48.200 --> 00:49:49.400 wrote about ketamine and Brain

NOTE Confidence: 0.9353574

00:49:49.400 --> 00:49:50.059 on Fire.

NOTE Confidence: 0.9650072

00:49:51.239 --> 00:49:52.359 And I wrote about I

NOTE Confidence: 0.9650072

00:49:52.359 --> 00:49:53.480 think oh my gosh. I

NOTE Confidence: 0.9650072

00:49:53.480 --> 00:49:54.920 forgot that Phil Corlett is

NOTE Confidence: 0.9650072

00:49:54.920 --> 00:49:56.280 here. Oh, I should have

NOTE Confidence: 0.9650072

00:49:56.280 --> 00:49:57.160 emailed I should have emailed

NOTE Confidence: 0.9650072

00:49:57.160 --> 00:49:58.619 him. He's wonderful. Phil,

NOTE Confidence: 0.82259077

00:49:58.960 --> 00:50:00.599 I'm are we familiar with

NOTE Confidence: 0.82259077

00:50:00.599 --> 00:50:01.260 Phil Corlett?

NOTE Confidence: 0.89593625

00:50:01.805 --> 00:50:02.765 Anyone here? He does he's
NOTE Confidence: 0.89593625

00:50:02.765 --> 00:50:03.885 research at Yale, and he
NOTE Confidence: 0.89593625

00:50:03.885 --> 00:50:04.845 does he helped he helped
NOTE Confidence: 0.89593625

00:50:04.845 --> 00:50:05.805 me with all three of
NOTE Confidence: 0.89593625

00:50:05.805 --> 00:50:06.605 my books, and I should
NOTE Confidence: 0.89593625

00:50:06.605 --> 00:50:07.485 have told him about it.
NOTE Confidence: 0.89593625

00:50:07.485 --> 00:50:08.364 So anyway, but he told
NOTE Confidence: 0.89593625

00:50:08.364 --> 00:50:09.245 me about ketamine and the
NOTE Confidence: 0.89593625

00:50:09.245 --> 00:50:10.285 rubber hand illusion. And I
NOTE Confidence: 0.89593625

00:50:10.285 --> 00:50:11.325 actually came here to the
NOTE Confidence: 0.89593625

00:50:11.325 --> 00:50:12.605 lab and I watched him
NOTE Confidence: 0.89593625

00:50:12.605 --> 00:50:13.425 do the ketamine
NOTE Confidence: 0.996556

00:50:14.780 --> 00:50:15.280 studies.
NOTE Confidence: 0.9084575

00:50:15.900 --> 00:50:17.180 Then for my second book,
NOTE Confidence: 0.9084575

00:50:17.180 --> 00:50:17.900 I wrote about,
NOTE Confidence: 0.9507326

00:50:18.380 --> 00:50:19.900 a man named Humphrey Osmond,

NOTE Confidence: 0.9507326

00:50:19.900 --> 00:50:21.739 who was a psychiatrist who

NOTE Confidence: 0.9507326

00:50:21.739 --> 00:50:23.040 coined the term psychedelic

NOTE Confidence: 0.82886434

00:50:23.500 --> 00:50:24.719 with Aldous Huxley.

NOTE Confidence: 0.9804835

00:50:26.060 --> 00:50:27.359 He would give LSD

NOTE Confidence: 0.9988314

00:50:27.900 --> 00:50:29.605 to his architects who would

NOTE Confidence: 0.9988314

00:50:29.605 --> 00:50:30.745 build his asylums

NOTE Confidence: 0.8389758

00:50:31.525 --> 00:50:32.665 because at that point,

NOTE Confidence: 0.9709862

00:50:33.125 --> 00:50:34.405 psychedelics were seen as a

NOTE Confidence: 0.9709862

00:50:34.405 --> 00:50:34.905 psychotomimetic,

NOTE Confidence: 0.98338264

00:50:35.285 --> 00:50:36.985 which meaning mimicking psychosis.

NOTE Confidence: 0.9386794

00:50:37.525 --> 00:50:38.245 So it was a way

NOTE Confidence: 0.9386794

00:50:38.245 --> 00:50:39.945 of understanding the psychotic mind,

NOTE Confidence: 0.93875515

00:50:40.245 --> 00:50:42.185 and that's initially why psychiatrists

NOTE Confidence: 0.93875515

00:50:42.405 --> 00:50:43.125 took it, to try to

NOTE Confidence: 0.93875515

00:50:43.125 --> 00:50:44.265 understand their patients.

NOTE Confidence: 0.952192

00:50:45.110 --> 00:50:46.630 That really interested me and
NOTE Confidence: 0.952192

00:50:46.630 --> 00:50:47.910 several people had actually reached
NOTE Confidence: 0.952192

00:50:47.910 --> 00:50:49.350 out to me asking about
NOTE Confidence: 0.952192

00:50:49.350 --> 00:50:51.110 that very overlap between psychosis
NOTE Confidence: 0.952192

00:50:51.110 --> 00:50:52.230 because I have experience with
NOTE Confidence: 0.952192

00:50:52.230 --> 00:50:52.730 psychosis
NOTE Confidence: 0.9115286

00:50:53.270 --> 00:50:54.090 and psychedelics.
NOTE Confidence: 0.9491081

00:50:54.550 --> 00:50:55.690 That was very intriguing.
NOTE Confidence: 0.93544596

00:50:56.870 --> 00:50:58.005 I started to just go
NOTE Confidence: 0.93544596

00:50:58.005 --> 00:50:59.204 down into the archives of
NOTE Confidence: 0.93544596

00:50:59.204 --> 00:51:00.325 the New York Public Library
NOTE Confidence: 0.93544596

00:51:00.325 --> 00:51:02.664 where Timothy Leary's archives are.
NOTE Confidence: 0.93544596

00:51:02.724 --> 00:51:04.724 And there became aware that
NOTE Confidence: 0.93544596

00:51:04.724 --> 00:51:06.505 there was an ancillary collection
NOTE Confidence: 0.9371747

00:51:07.204 --> 00:51:08.404 that no one ever goes
NOTE Confidence: 0.9371747

00:51:08.404 --> 00:51:10.184 to of twenty five boxes.

NOTE Confidence: 0.9371747

00:51:10.244 --> 00:51:11.525 He he has four hundred

NOTE Confidence: 0.9371747

00:51:11.525 --> 00:51:12.025 boxes.

NOTE Confidence: 0.9305207

00:51:12.420 --> 00:51:13.700 But twenty five little bankers

NOTE Confidence: 0.9305207

00:51:13.700 --> 00:51:15.380 boxes of Rosemary Woodruff, Leary,

NOTE Confidence: 0.9305207

00:51:15.380 --> 00:51:16.420 and I started going through

NOTE Confidence: 0.9305207

00:51:16.420 --> 00:51:17.079 her files.

NOTE Confidence: 0.9629702

00:51:17.380 --> 00:51:18.920 And that's kind of journalistic

NOTE Confidence: 0.9629702

00:51:18.980 --> 00:51:20.260 spidey sense of no one's

NOTE Confidence: 0.9629702

00:51:20.260 --> 00:51:21.559 ever written about her before.

NOTE Confidence: 0.9629702

00:51:21.619 --> 00:51:22.680 She doesn't have a Wikipedia

NOTE Confidence: 0.9629702

00:51:22.819 --> 00:51:24.119 page. She's an unknown.

NOTE Confidence: 0.981714

00:51:24.500 --> 00:51:25.540 It was exciting. But what

NOTE Confidence: 0.981714

00:51:25.540 --> 00:51:26.579 I saw in there was

NOTE Confidence: 0.981714

00:51:26.579 --> 00:51:27.480 this kind of

NOTE Confidence: 0.9898163

00:51:27.795 --> 00:51:29.234 this pursuit, this idea of

NOTE Confidence: 0.9898163

00:51:29.234 --> 00:51:30.535 the seeker, which
NOTE Confidence: 0.9688999

00:51:31.075 --> 00:51:32.214 I relate to.
NOTE Confidence: 0.9520326

00:51:32.994 --> 00:51:34.675 I feel in my life,
NOTE Confidence: 0.9520326

00:51:34.675 --> 00:51:35.474 there's a little bit of
NOTE Confidence: 0.9520326

00:51:35.474 --> 00:51:36.214 that missing,
NOTE Confidence: 0.9647224

00:51:36.515 --> 00:51:37.714 or there's like a almost
NOTE Confidence: 0.9647224

00:51:37.714 --> 00:51:39.315 like a religious shape hole
NOTE Confidence: 0.9647224

00:51:39.315 --> 00:51:40.355 in my life because I
NOTE Confidence: 0.9647224

00:51:40.355 --> 00:51:41.474 was not raised with any
NOTE Confidence: 0.9647224

00:51:41.474 --> 00:51:41.974 religion.
NOTE Confidence: 0.9139306

00:51:42.700 --> 00:51:44.060 And I I could kind
NOTE Confidence: 0.9139306

00:51:44.060 --> 00:51:44.940 of relate to her seek
NOTE Confidence: 0.9139306

00:51:45.100 --> 00:51:46.540 her that seeking side of
NOTE Confidence: 0.9139306

00:51:46.540 --> 00:51:47.040 her.
NOTE Confidence: 0.9618891

00:51:47.420 --> 00:51:49.180 And so that really was
NOTE Confidence: 0.9618891

00:51:49.180 --> 00:51:51.340 exciting to me to look

NOTE Confidence: 0.9618891
00:51:51.340 --> 00:51:52.719 at this lens of psychedelics
NOTE Confidence: 0.9618891
00:51:52.780 --> 00:51:54.060 through this woman who was
NOTE Confidence: 0.9618891
00:51:54.060 --> 00:51:54.560 unknown,
NOTE Confidence: 0.95835495
00:51:54.924 --> 00:51:56.204 but then also as a
NOTE Confidence: 0.95835495
00:51:56.204 --> 00:51:57.244 way to understand this part
NOTE Confidence: 0.95835495
00:51:57.244 --> 00:51:58.605 of American history that I
NOTE Confidence: 0.95835495
00:51:58.605 --> 00:51:59.805 love so much and the
NOTE Confidence: 0.95835495
00:51:59.805 --> 00:52:00.765 music that come out and
NOTE Confidence: 0.95835495
00:52:00.765 --> 00:52:01.644 the art that's come out
NOTE Confidence: 0.95835495
00:52:01.644 --> 00:52:02.545 of it and the movies.
NOTE Confidence: 0.99964505
00:52:02.844 --> 00:52:04.045 And I could shift the
NOTE Confidence: 0.99964505
00:52:04.045 --> 00:52:05.484 lens by taking in this
NOTE Confidence: 0.99964505
00:52:05.484 --> 00:52:06.144 new person
NOTE Confidence: 0.9630481
00:52:06.684 --> 00:52:07.805 that, again, has never been
NOTE Confidence: 0.9630481
00:52:07.805 --> 00:52:09.085 written about, but her stories
NOTE Confidence: 0.9630481

00:52:09.085 --> 00:52:10.204 like hers have never been

NOTE Confidence: 0.9630481

00:52:10.204 --> 00:52:10.704 told.

NOTE Confidence: 0.9454193

00:52:11.060 --> 00:52:12.500 So doing that takes in

NOTE Confidence: 0.9454193

00:52:12.500 --> 00:52:13.780 new information about that time

NOTE Confidence: 0.9454193

00:52:13.780 --> 00:52:15.080 too. So it was kind

NOTE Confidence: 0.99793476

00:52:15.619 --> 00:52:16.980 of amalgamation of all those

NOTE Confidence: 0.99793476

00:52:16.980 --> 00:52:18.280 elements that came together

NOTE Confidence: 0.9769877

00:52:19.060 --> 00:52:20.100 when I became aware of

NOTE Confidence: 0.9769877

00:52:20.100 --> 00:52:20.760 her existence.

NOTE Confidence: 0.9945886

00:52:24.415 --> 00:52:25.234 So you

NOTE Confidence: 0.9656613

00:52:25.535 --> 00:52:26.035 actually,

NOTE Confidence: 0.99825174

00:52:26.655 --> 00:52:27.155 really

NOTE Confidence: 0.96592796

00:52:27.614 --> 00:52:28.895 set me up really well

NOTE Confidence: 0.96592796

00:52:28.895 --> 00:52:30.675 for my question. I'm Cecilia.

NOTE Confidence: 0.96592796

00:52:30.734 --> 00:52:31.934 I'm a third year medical

NOTE Confidence: 0.96592796

00:52:31.934 --> 00:52:32.434 student.

NOTE Confidence: 0.9286496

00:52:33.214 --> 00:52:34.355 I was going to ask

NOTE Confidence: 0.9286496

00:52:34.415 --> 00:52:35.400 in just here you talk

NOTE Confidence: 0.9286496

00:52:35.400 --> 00:52:36.279 about this. I've heard you

NOTE Confidence: 0.9286496

00:52:36.279 --> 00:52:37.719 use the word prophecies. I've

NOTE Confidence: 0.9286496

00:52:37.719 --> 00:52:38.760 heard you use the word

NOTE Confidence: 0.9286496

00:52:38.760 --> 00:52:39.260 evangelical.

NOTE Confidence: 0.99156266

00:52:39.799 --> 00:52:40.920 And you just talked about

NOTE Confidence: 0.99156266

00:52:40.920 --> 00:52:42.279 how you felt, you know,

NOTE Confidence: 0.99156266

00:52:42.279 --> 00:52:43.400 seeking for some sort of

NOTE Confidence: 0.99156266

00:52:43.400 --> 00:52:45.000 religion. I know there's often

NOTE Confidence: 0.99156266

00:52:45.000 --> 00:52:46.520 a lot of spiritual aspects

NOTE Confidence: 0.99156266

00:52:46.520 --> 00:52:48.539 attributed to psychedelic use.

NOTE Confidence: 0.99306077

00:52:48.839 --> 00:52:50.279 And I'm wondering how

NOTE Confidence: 0.95649076

00:52:51.155 --> 00:52:51.954 first of all, how that

NOTE Confidence: 0.95649076

00:52:51.954 --> 00:52:52.755 came up when you were

NOTE Confidence: 0.95649076

00:52:52.755 --> 00:52:53.714 writing the book and also
NOTE Confidence: 0.95649076

00:52:53.714 --> 00:52:55.255 how you approached that because
NOTE Confidence: 0.95649076

00:52:55.315 --> 00:52:56.114 it sounds like a lot
NOTE Confidence: 0.95649076

00:52:56.114 --> 00:52:57.155 of this was approached from
NOTE Confidence: 0.95649076

00:52:57.155 --> 00:52:58.515 a very, you know, trying
NOTE Confidence: 0.95649076

00:52:58.515 --> 00:52:59.474 to be even handed and
NOTE Confidence: 0.95649076

00:52:59.474 --> 00:53:00.755 clinical, but then there's also
NOTE Confidence: 0.95649076

00:53:00.755 --> 00:53:01.875 this aspect of faith and
NOTE Confidence: 0.95649076

00:53:01.875 --> 00:53:03.155 I'm wondering what that was
NOTE Confidence: 0.95649076

00:53:03.155 --> 00:53:04.010 like. Oh, what a great
NOTE Confidence: 0.95649076

00:53:04.010 --> 00:53:04.510 question.
NOTE Confidence: 0.91423094

00:53:04.810 --> 00:53:05.210 I,
NOTE Confidence: 0.90722585

00:53:05.849 --> 00:53:07.050 kind of threw myself into
NOTE Confidence: 0.90722585

00:53:07.050 --> 00:53:07.770 it a bit and and
NOTE Confidence: 0.90722585

00:53:07.770 --> 00:53:09.230 in the spiritual side because,
NOTE Confidence: 0.90722585

00:53:09.369 --> 00:53:10.570 yes, she did have a

NOTE Confidence: 0.90722585

00:53:10.570 --> 00:53:11.690 religion, but it was called

NOTE Confidence: 0.90722585

00:53:11.690 --> 00:53:13.310 the League for Spiritual Discovery

NOTE Confidence: 0.4864664

00:53:14.329 --> 00:53:14.829 LSD.

NOTE Confidence: 0.97047514

00:53:15.690 --> 00:53:16.730 So I don't know how

NOTE Confidence: 0.97047514

00:53:16.730 --> 00:53:17.790 legit it was,

NOTE Confidence: 0.922468

00:53:18.730 --> 00:53:19.575 but you know she was

NOTE Confidence: 0.922468

00:53:19.575 --> 00:53:20.855 definitely someone who was and

NOTE Confidence: 0.922468

00:53:20.855 --> 00:53:21.975 I hear this again it's

NOTE Confidence: 0.922468

00:53:21.975 --> 00:53:23.494 I think people who do

NOTE Confidence: 0.922468

00:53:23.494 --> 00:53:25.594 have profound experiences on psychedelics

NOTE Confidence: 0.922468

00:53:25.655 --> 00:53:27.175 they return again and again

NOTE Confidence: 0.922468

00:53:27.175 --> 00:53:28.555 because it's not

NOTE Confidence: 0.9347745

00:53:29.094 --> 00:53:29.975 you don't get it fully

NOTE Confidence: 0.9347745

00:53:29.975 --> 00:53:30.695 like it's almost like you

NOTE Confidence: 0.9347745

00:53:30.695 --> 00:53:31.469 touch the hem of the

NOTE Confidence: 0.9347745

00:53:31.550 --> 00:53:32.430 garment of what you're looking
NOTE Confidence: 0.9347745

00:53:32.430 --> 00:53:33.550 for and you keep going
NOTE Confidence: 0.9347745

00:53:33.550 --> 00:53:34.590 back and it goes further
NOTE Confidence: 0.9347745

00:53:34.590 --> 00:53:35.489 and further away.
NOTE Confidence: 0.9126352

00:53:36.109 --> 00:53:36.989 And a lot of people
NOTE Confidence: 0.9126352

00:53:36.989 --> 00:53:38.109 like Ram Dass, if anyone
NOTE Confidence: 0.9126352

00:53:38.109 --> 00:53:39.410 knows who Ram Dass is,
NOTE Confidence: 0.9126352

00:53:39.469 --> 00:53:41.150 he started at Harvard with
NOTE Confidence: 0.9126352

00:53:41.150 --> 00:53:42.510 with Leary, who started with
NOTE Confidence: 0.9126352

00:53:42.510 --> 00:53:44.109 Richard Alpert, and was a
NOTE Confidence: 0.9126352

00:53:44.109 --> 00:53:45.869 professor at Harvard as well
NOTE Confidence: 0.9126352

00:53:45.869 --> 00:53:46.690 and was fired.
NOTE Confidence: 0.96395296

00:53:47.015 --> 00:53:48.535 And then he did a
NOTE Confidence: 0.96395296

00:53:48.535 --> 00:53:50.135 lot of psychedelics, probably more
NOTE Confidence: 0.96395296

00:53:50.135 --> 00:53:51.675 than Leary did. And then
NOTE Confidence: 0.96395296

00:53:51.735 --> 00:53:52.695 went to India, gave it

NOTE Confidence: 0.96395296

00:53:52.695 --> 00:53:54.135 up, and kind of had

NOTE Confidence: 0.96395296

00:53:54.135 --> 00:53:55.735 this whole rebirth in terms

NOTE Confidence: 0.96395296

00:53:55.735 --> 00:53:57.655 of his religious outlook. And

NOTE Confidence: 0.96395296

00:53:57.655 --> 00:53:58.935 psychedelics became less of a

NOTE Confidence: 0.96395296

00:53:58.935 --> 00:54:00.239 part of his life. Whereas

NOTE Confidence: 0.96395296

00:54:00.239 --> 00:54:01.440 Leary kind of stayed in

NOTE Confidence: 0.96395296

00:54:01.440 --> 00:54:02.960 that world, and he never

NOTE Confidence: 0.96395296

00:54:02.960 --> 00:54:04.239 kind of moved beyond it.

NOTE Confidence: 0.96395296

00:54:04.239 --> 00:54:05.280 And I noticed that a

NOTE Confidence: 0.96395296

00:54:05.280 --> 00:54:06.320 lot of people who take

NOTE Confidence: 0.96395296

00:54:06.320 --> 00:54:06.820 that

NOTE Confidence: 0.96531135

00:54:07.280 --> 00:54:08.239 kind of fate side of

NOTE Confidence: 0.96531135

00:54:08.239 --> 00:54:10.000 things seriously end up in

NOTE Confidence: 0.96531135

00:54:10.000 --> 00:54:11.040 a space of religion. And

NOTE Confidence: 0.96531135

00:54:11.040 --> 00:54:12.200 that happened again and again

NOTE Confidence: 0.96531135

00:54:12.200 --> 00:54:13.780 in the non famous people
NOTE Confidence: 0.96531135

00:54:14.015 --> 00:54:15.135 I interviewed. There was an
NOTE Confidence: 0.96531135

00:54:15.135 --> 00:54:16.114 amazing man
NOTE Confidence: 0.86738396

00:54:16.575 --> 00:54:18.114 named Odin Fong
NOTE Confidence: 0.7303121

00:54:18.495 --> 00:54:18.995 who,
NOTE Confidence: 0.88541913

00:54:19.295 --> 00:54:21.295 his parents were Benson and
NOTE Confidence: 0.88541913

00:54:21.295 --> 00:54:23.455 Malaya Fong, who were kind
NOTE Confidence: 0.88541913

00:54:23.455 --> 00:54:24.575 of were famous in the
NOTE Confidence: 0.88541913

00:54:24.575 --> 00:54:25.075 1950s
NOTE Confidence: 0.9303554

00:54:25.695 --> 00:54:27.215 as Asian actors, very shortlist
NOTE Confidence: 0.9303554

00:54:27.215 --> 00:54:28.495 of Asian actors, and he
NOTE Confidence: 0.9303554

00:54:28.575 --> 00:54:30.530 they were extremely famous in
NOTE Confidence: 0.9303554

00:54:30.530 --> 00:54:31.570 Hollywood, and he was their
NOTE Confidence: 0.9303554

00:54:31.570 --> 00:54:32.070 son,
NOTE Confidence: 0.95968753

00:54:32.610 --> 00:54:34.130 and dropped out of Hollywood
NOTE Confidence: 0.95968753

00:54:34.130 --> 00:54:35.730 and that lifestyle to join

NOTE Confidence: 0.95968753

00:54:35.730 --> 00:54:37.730 something called the Brotherhood of

NOTE Confidence: 0.95968753

00:54:37.730 --> 00:54:39.410 Eternal Love, which was like

NOTE Confidence: 0.95968753

00:54:39.410 --> 00:54:40.469 a hippie mafia.

NOTE Confidence: 0.94497395

00:54:41.010 --> 00:54:42.370 And he was basically selling

NOTE Confidence: 0.94497395

00:54:42.370 --> 00:54:42.870 LSD.

NOTE Confidence: 0.90418774

00:54:43.215 --> 00:54:44.255 He had long hair and

NOTE Confidence: 0.90418774

00:54:44.255 --> 00:54:44.975 like played a flute, you

NOTE Confidence: 0.90418774

00:54:44.975 --> 00:54:45.475 know.

NOTE Confidence: 0.92941284

00:54:45.775 --> 00:54:47.215 And he was a real,

NOTE Confidence: 0.92941284

00:54:47.215 --> 00:54:48.675 for a variety of reasons,

NOTE Confidence: 0.92941284

00:54:48.735 --> 00:54:50.255 like had a strong death

NOTE Confidence: 0.92941284

00:54:50.255 --> 00:54:52.895 drive and really pushed himself

NOTE Confidence: 0.92941284

00:54:52.895 --> 00:54:54.675 the limits of psychedelic use.

NOTE Confidence: 0.97747064

00:54:54.975 --> 00:54:55.935 At one point, there was

NOTE Confidence: 0.97747064

00:54:55.935 --> 00:54:57.614 a big lollipop with thousands

NOTE Confidence: 0.97747064

00:54:57.614 --> 00:54:58.560 of hits of what's called
NOTE Confidence: 0.97747064

00:54:58.560 --> 00:55:00.000 orange sunshine, which is the
NOTE Confidence: 0.97747064

00:55:00.000 --> 00:55:01.440 strongest form of LSD that
NOTE Confidence: 0.97747064

00:55:01.440 --> 00:55:02.420 they had at the time,
NOTE Confidence: 0.97747064

00:55:02.480 --> 00:55:03.280 and he just took a
NOTE Confidence: 0.97747064

00:55:03.280 --> 00:55:04.160 big bite of it in
NOTE Confidence: 0.97747064

00:55:04.160 --> 00:55:05.700 the middle of Joshua Tree,
NOTE Confidence: 0.98406094

00:55:06.239 --> 00:55:07.440 passed out, got as close
NOTE Confidence: 0.98406094

00:55:07.440 --> 00:55:08.580 as you can to overdosing.
NOTE Confidence: 0.98406094

00:55:08.640 --> 00:55:09.840 You can't really overdose on
NOTE Confidence: 0.98406094

00:55:09.840 --> 00:55:10.800 LSD, but he got as
NOTE Confidence: 0.98406094

00:55:10.800 --> 00:55:11.780 close as you can,
NOTE Confidence: 0.97089976

00:55:12.239 --> 00:55:13.860 and Jesus came to him.
NOTE Confidence: 0.9466775

00:55:14.454 --> 00:55:16.055 And he's a pastor now.
NOTE Confidence: 0.9466775

00:55:16.055 --> 00:55:17.594 He never did LSD again.
NOTE Confidence: 0.9524982

00:55:18.135 --> 00:55:19.415 And I heard that story

NOTE Confidence: 0.9524982

00:55:19.415 --> 00:55:20.454 a lot. A lot of

NOTE Confidence: 0.9524982

00:55:20.454 --> 00:55:21.415 these people were looking for

NOTE Confidence: 0.9524982

00:55:21.415 --> 00:55:22.454 that and they found it

NOTE Confidence: 0.9524982

00:55:22.454 --> 00:55:24.055 in various ways. So in

NOTE Confidence: 0.9524982

00:55:24.055 --> 00:55:25.575 terms of myself, Jesus did

NOTE Confidence: 0.9524982

00:55:25.575 --> 00:55:26.295 not come to me. I

NOTE Confidence: 0.9524982

00:55:26.295 --> 00:55:27.815 didn't have that experience. But

NOTE Confidence: 0.9524982

00:55:27.815 --> 00:55:28.614 what I did do is

NOTE Confidence: 0.9524982

00:55:28.614 --> 00:55:29.275 I did

NOTE Confidence: 0.93283635

00:55:29.600 --> 00:55:31.460 take seriously like her tools

NOTE Confidence: 0.90870965

00:55:32.640 --> 00:55:34.719 of spirituality and divination which

NOTE Confidence: 0.90870965

00:55:34.719 --> 00:55:36.100 were the tarot cards,

NOTE Confidence: 0.9178708

00:55:36.960 --> 00:55:37.540 I Ching.

NOTE Confidence: 0.958783

00:55:38.000 --> 00:55:38.800 She did a lot of

NOTE Confidence: 0.958783

00:55:38.800 --> 00:55:40.000 yoga and breath work and

NOTE Confidence: 0.958783

00:55:40.000 --> 00:55:40.719 I did all that. I
NOTE Confidence: 0.958783

00:55:40.719 --> 00:55:41.680 did all that while I
NOTE Confidence: 0.958783

00:55:41.680 --> 00:55:43.235 was working on this book
NOTE Confidence: 0.958783

00:55:43.235 --> 00:55:44.935 and it was pretty amazing.
NOTE Confidence: 0.9608034

00:55:45.315 --> 00:55:46.435 Opening myself up to that.
NOTE Confidence: 0.9608034

00:55:46.435 --> 00:55:47.895 I'm a very rational person.
NOTE Confidence: 0.97493565

00:55:48.435 --> 00:55:49.315 I don't have a lot
NOTE Confidence: 0.97493565

00:55:49.315 --> 00:55:50.515 of that in my life
NOTE Confidence: 0.97493565

00:55:50.515 --> 00:55:51.795 and I probably wouldn't allow
NOTE Confidence: 0.97493565

00:55:51.795 --> 00:55:52.755 myself to have a lot
NOTE Confidence: 0.97493565

00:55:52.755 --> 00:55:53.555 of that in my life
NOTE Confidence: 0.97493565

00:55:53.555 --> 00:55:54.055 and
NOTE Confidence: 0.9578349

00:55:54.755 --> 00:55:55.779 I I like having it
NOTE Confidence: 0.9578349

00:55:55.779 --> 00:55:56.500 in my life a little
NOTE Confidence: 0.9578349

00:55:56.500 --> 00:55:57.299 bit now. I'm a little
NOTE Confidence: 0.9578349

00:55:57.299 --> 00:55:57.960 woo woo,

NOTE Confidence: 0.9888185

00:55:58.579 --> 00:56:00.440 without, like, you know, compromising

NOTE Confidence: 0.9888185

00:56:00.660 --> 00:56:02.180 my, you know, scruples in

NOTE Confidence: 0.9888185

00:56:02.180 --> 00:56:03.219 terms of my the way

NOTE Confidence: 0.9888185

00:56:03.219 --> 00:56:05.000 I research or, you know,

NOTE Confidence: 0.9723402

00:56:05.460 --> 00:56:06.599 my my,

NOTE Confidence: 0.9979398

00:56:07.460 --> 00:56:08.579 my bar for what I

NOTE Confidence: 0.9979398

00:56:08.579 --> 00:56:09.405 put in the book.

NOTE Confidence: 0.94049305

00:56:09.965 --> 00:56:10.765 I did try to do

NOTE Confidence: 0.94049305

00:56:10.765 --> 00:56:11.905 a little bit of embodiment

NOTE Confidence: 0.94049305

00:56:12.045 --> 00:56:13.085 work with this and I

NOTE Confidence: 0.94049305

00:56:13.085 --> 00:56:14.125 would even just saying that

NOTE Confidence: 0.94049305

00:56:14.125 --> 00:56:16.945 word in words, embodiment work

NOTE Confidence: 0.94049305

00:56:17.085 --> 00:56:17.885 would not have been part

NOTE Confidence: 0.94049305

00:56:17.885 --> 00:56:18.765 of the vocabulary of my

NOTE Confidence: 0.94049305

00:56:18.765 --> 00:56:20.045 two prior books. So it

NOTE Confidence: 0.94049305

00:56:20.045 --> 00:56:20.945 was an interesting,
NOTE Confidence: 0.93446267

00:56:22.730 --> 00:56:23.849 experience to say the least
NOTE Confidence: 0.93446267

00:56:23.849 --> 00:56:24.969 that that that she opened
NOTE Confidence: 0.93446267

00:56:24.969 --> 00:56:26.030 up in me that was
NOTE Confidence: 0.93446267

00:56:26.250 --> 00:56:27.450 specifically for this book and
NOTE Confidence: 0.93446267

00:56:27.450 --> 00:56:28.329 probably would not work for
NOTE Confidence: 0.93446267

00:56:28.329 --> 00:56:28.989 any others.
NOTE Confidence: 0.91168755

00:56:29.369 --> 00:56:30.489 Six o'clock. So we're going
NOTE Confidence: 0.91168755

00:56:30.489 --> 00:56:31.609 to I know we started
NOTE Confidence: 0.91168755

00:56:31.609 --> 00:56:32.489 a few minutes late, so
NOTE Confidence: 0.91168755

00:56:32.489 --> 00:56:33.290 we're going to have one
NOTE Confidence: 0.91168755

00:56:33.290 --> 00:56:35.369 more question. This gentleman here
NOTE Confidence: 0.91168755

00:56:35.369 --> 00:56:36.030 and then,
NOTE Confidence: 0.7476821

00:56:37.875 --> 00:56:39.255 thank you so much. Suzanne
NOTE Confidence: 0.7476821

00:56:39.315 --> 00:56:40.375 on the left hand, Randy.
NOTE Confidence: 0.96435463

00:56:41.315 --> 00:56:42.835 Hi, I'm Benny. I'm actually

NOTE Confidence: 0.96435463

00:56:42.835 --> 00:56:45.015 a sophomore undergraduate at Yale.

NOTE Confidence: 0.9912843

00:56:46.114 --> 00:56:47.495 And I was wondering,

NOTE Confidence: 0.9778503

00:56:48.435 --> 00:56:49.315 as someone who has a

NOTE Confidence: 0.9778503

00:56:49.315 --> 00:56:51.000 lot of knowledge and experience

NOTE Confidence: 0.9778503

00:56:51.000 --> 00:56:52.700 of the history of psychedelic

NOTE Confidence: 0.9778503

00:56:52.840 --> 00:56:54.360 use, and what's gone wrong,

NOTE Confidence: 0.9778503

00:56:54.360 --> 00:56:55.340 what's gone right,

NOTE Confidence: 0.9963459

00:56:56.360 --> 00:56:57.500 how do you envision

NOTE Confidence: 0.954843

00:56:59.080 --> 00:57:01.420 psychedelics becoming more incorporated into

NOTE Confidence: 0.954843

00:57:01.560 --> 00:57:03.020 modern society? Because,

NOTE Confidence: 0.9725347

00:57:03.645 --> 00:57:04.685 of course, there's the medical

NOTE Confidence: 0.9725347

00:57:04.685 --> 00:57:06.364 route that's already starting to

NOTE Confidence: 0.9725347

00:57:06.364 --> 00:57:08.125 take form. But then there

NOTE Confidence: 0.9725347

00:57:08.125 --> 00:57:09.005 are also a bunch of

NOTE Confidence: 0.9725347

00:57:09.005 --> 00:57:10.685 people who don't necessarily have

NOTE Confidence: 0.9725347

00:57:10.685 --> 00:57:11.965 mental illnesses or anything who

NOTE Confidence: 0.9725347

00:57:11.965 --> 00:57:13.745 reap tremendous benefits from psychedelics.

NOTE Confidence: 0.99737

00:57:14.285 --> 00:57:15.485 But you also can't really

NOTE Confidence: 0.99737

00:57:15.485 --> 00:57:16.820 just have LSD

NOTE Confidence: 0.98879814

00:57:17.120 --> 00:57:18.720 at CVS that anyone can

NOTE Confidence: 0.98879814

00:57:18.720 --> 00:57:19.220 buy.

NOTE Confidence: 0.9069337

00:57:20.320 --> 00:57:21.280 I mean, you're I I

NOTE Confidence: 0.9069337

00:57:21.280 --> 00:57:22.400 wish I had a this

NOTE Confidence: 0.9069337

00:57:22.400 --> 00:57:23.440 is, like, for my second

NOTE Confidence: 0.9069337

00:57:23.440 --> 00:57:24.240 book. People are like, so

NOTE Confidence: 0.9069337

00:57:24.240 --> 00:57:24.960 how do we fix the

NOTE Confidence: 0.9069337

00:57:24.960 --> 00:57:26.400 broken mental health care system?

NOTE Confidence: 0.9069337

00:57:26.400 --> 00:57:27.360 I'd be like, I don't

NOTE Confidence: 0.9069337

00:57:27.360 --> 00:57:28.480 know. So I I don't

NOTE Confidence: 0.9069337

00:57:28.480 --> 00:57:29.440 know. And it's really a

NOTE Confidence: 0.9069337

00:57:29.440 --> 00:57:30.480 hard and, like, I mean,

NOTE Confidence: 0.9069337

00:57:30.480 --> 00:57:31.494 it's a valid question. It's

NOTE Confidence: 0.9069337

00:57:31.494 --> 00:57:32.215 a question we should be

NOTE Confidence: 0.9069337

00:57:32.215 --> 00:57:33.415 asking, because I do agree.

NOTE Confidence: 0.9069337

00:57:33.415 --> 00:57:34.695 I think that it can

NOTE Confidence: 0.9069337

00:57:34.695 --> 00:57:36.075 be if you are like

NOTE Confidence: 0.92860335

00:57:36.455 --> 00:57:37.255 and again, this kind of

NOTE Confidence: 0.92860335

00:57:37.255 --> 00:57:38.135 woo woo language, but if,

NOTE Confidence: 0.92860335

00:57:38.135 --> 00:57:39.015 like, you have stable if

NOTE Confidence: 0.92860335

00:57:39.015 --> 00:57:39.815 you have your feet on

NOTE Confidence: 0.92860335

00:57:39.815 --> 00:57:40.875 the ground, you're stable,

NOTE Confidence: 0.9784465

00:57:41.415 --> 00:57:42.375 but you don't really know.

NOTE Confidence: 0.9784465

00:57:42.375 --> 00:57:43.175 You don't know how you're

NOTE Confidence: 0.9784465

00:57:43.175 --> 00:57:44.935 gonna respond to psychedelics. That's

NOTE Confidence: 0.9784465

00:57:44.935 --> 00:57:46.155 the problem. The set

NOTE Confidence: 0.9475126

00:57:46.740 --> 00:57:47.700 are things that you can't

NOTE Confidence: 0.9475126

00:57:47.700 --> 00:57:49.060 see. Right? So I'm always
NOTE Confidence: 0.9475126

00:57:49.060 --> 00:57:49.560 scared
NOTE Confidence: 0.9091403

00:57:51.060 --> 00:57:52.440 to say too much about
NOTE Confidence: 0.9091403

00:57:52.580 --> 00:57:53.820 that, because I do have
NOTE Confidence: 0.9091403

00:57:53.820 --> 00:57:54.500 a lot of community of
NOTE Confidence: 0.9091403

00:57:54.500 --> 00:57:56.100 people who have serious mental
NOTE Confidence: 0.9091403

00:57:56.100 --> 00:57:57.300 illness or had autoimmune disease
NOTE Confidence: 0.9091403

00:57:57.300 --> 00:57:58.100 of the brain who follow
NOTE Confidence: 0.9091403

00:57:58.100 --> 00:57:58.600 me.
NOTE Confidence: 0.99919575

00:57:59.655 --> 00:58:00.535 So I don't have a
NOTE Confidence: 0.99919575

00:58:00.535 --> 00:58:01.035 prescription
NOTE Confidence: 0.9809233

00:58:01.495 --> 00:58:02.455 for how this is going
NOTE Confidence: 0.9809233

00:58:02.455 --> 00:58:03.835 to happen, but I do
NOTE Confidence: 0.9890691

00:58:04.135 --> 00:58:05.975 completely understand what you're saying
NOTE Confidence: 0.9890691

00:58:05.975 --> 00:58:07.035 about, like, maybe
NOTE Confidence: 0.9750165

00:58:07.495 --> 00:58:08.855 this isn't maybe the route

NOTE Confidence: 0.9750165
00:58:08.855 --> 00:58:09.595 isn't medical.
NOTE Confidence: 0.98190236
00:58:10.455 --> 00:58:12.215 Maybe it's another route. I
NOTE Confidence: 0.98190236
00:58:12.215 --> 00:58:13.255 don't know. I mean, like,
NOTE Confidence: 0.98190236
00:58:13.255 --> 00:58:14.155 what would be
NOTE Confidence: 0.908827
00:58:14.455 --> 00:58:15.700 the the kind of like
NOTE Confidence: 0.908827
00:58:15.700 --> 00:58:17.080 the track would be marijuana,
NOTE Confidence: 0.908827
00:58:17.140 --> 00:58:18.600 but that doesn't seem right.
NOTE Confidence: 0.9729747
00:58:19.780 --> 00:58:20.420 And there's a lot of
NOTE Confidence: 0.9729747
00:58:20.420 --> 00:58:21.860 problems with the marijuana track.
NOTE Confidence: 0.9729747
00:58:21.860 --> 00:58:23.140 So like, what is it?
NOTE Confidence: 0.9729747
00:58:23.140 --> 00:58:24.100 I don't know. It seems
NOTE Confidence: 0.9729747
00:58:24.100 --> 00:58:25.240 a little bit unprecedented
NOTE Confidence: 0.8207377
00:58:25.540 --> 00:58:26.360 and especially,
NOTE Confidence: 0.9649651
00:58:26.945 --> 00:58:27.825 you know, in the culture
NOTE Confidence: 0.9649651
00:58:27.825 --> 00:58:29.445 in which we live incorporating
NOTE Confidence: 0.9649651

00:58:29.585 --> 00:58:31.025 psychedelics in a way that's

NOTE Confidence: 0.9649651

00:58:31.025 --> 00:58:31.525 meaningful

NOTE Confidence: 0.9983976

00:58:31.985 --> 00:58:32.885 and safe

NOTE Confidence: 0.90795445

00:58:33.744 --> 00:58:34.965 is really a challenge.

NOTE Confidence: 0.9442132

00:58:35.345 --> 00:58:35.665 And,

NOTE Confidence: 0.9776681

00:58:36.865 --> 00:58:38.065 I don't have the answer

NOTE Confidence: 0.9776681

00:58:38.065 --> 00:58:38.805 for it.

NOTE Confidence: 0.9521585

00:58:39.140 --> 00:58:40.420 Sorry that I that's the

NOTE Confidence: 0.9521585

00:58:40.420 --> 00:58:41.460 lame answer, but I I

NOTE Confidence: 0.9521585

00:58:41.460 --> 00:58:42.500 I don't even wanna pretend

NOTE Confidence: 0.9521585

00:58:42.500 --> 00:58:43.220 like I do. It's a

NOTE Confidence: 0.9521585

00:58:43.220 --> 00:58:44.420 really it's a I think

NOTE Confidence: 0.9521585

00:58:44.420 --> 00:58:45.540 it's gonna be a challenge

NOTE Confidence: 0.9521585

00:58:45.540 --> 00:58:46.660 of maybe some people in

NOTE Confidence: 0.9521585

00:58:46.660 --> 00:58:47.700 this room who will be

NOTE Confidence: 0.9521585

00:58:47.700 --> 00:58:49.000 working with it. It'll be

NOTE Confidence: 0.9521585

00:58:49.060 --> 00:58:50.740 a challenge of lawmakers and

NOTE Confidence: 0.9521585

00:58:50.740 --> 00:58:52.200 the FDA, and

NOTE Confidence: 0.9880063

00:58:52.805 --> 00:58:54.085 it's gonna it's gonna be,

NOTE Confidence: 0.9749527

00:58:54.645 --> 00:58:55.525 there are probably gonna be

NOTE Confidence: 0.9749527

00:58:55.525 --> 00:58:56.485 a lot of mistakes made

NOTE Confidence: 0.9749527

00:58:56.485 --> 00:58:57.765 again from what I can

NOTE Confidence: 0.9749527

00:58:57.765 --> 00:58:58.965 tell in terms of the

NOTE Confidence: 0.9749527

00:58:58.965 --> 00:59:00.505 the world that I've seen

NOTE Confidence: 0.9749527

00:59:00.565 --> 00:59:02.485 of contemporary psychedelics. But if

NOTE Confidence: 0.9749527

00:59:02.485 --> 00:59:04.025 you read her book,

NOTE Confidence: 0.99901825

00:59:04.325 --> 00:59:05.545 you'll have a deeper

NOTE Confidence: 0.97654426

00:59:05.845 --> 00:59:06.345 understanding.

NOTE Confidence: 0.94298184

00:59:06.965 --> 00:59:07.465 So

NOTE Confidence: 0.9900261

00:59:07.780 --> 00:59:09.220 I know everyone here is

NOTE Confidence: 0.9900261

00:59:09.220 --> 00:59:10.660 super busy. That's why you're

NOTE Confidence: 0.9900261

00:59:10.660 --> 00:59:12.120 here in the first place.
NOTE Confidence: 0.95732474

00:59:12.420 --> 00:59:13.860 So thank you everyone for
NOTE Confidence: 0.95732474

00:59:13.860 --> 00:59:14.360 coming.
NOTE Confidence: 0.9450807

00:59:15.540 --> 00:59:17.540 Thank you everyone for coming.
NOTE Confidence: 0.9450807

00:59:17.540 --> 00:59:18.740 Thank you for coming in
NOTE Confidence: 0.9450807

00:59:18.740 --> 00:59:20.500 person. Thanks for anyone that's
NOTE Confidence: 0.9450807

00:59:20.500 --> 00:59:21.540 tuned in. You should have
NOTE Confidence: 0.9450807

00:59:21.540 --> 00:59:22.040 come.
NOTE Confidence: 0.9712313

00:59:24.135 --> 00:59:25.655 And I really appreciate that
NOTE Confidence: 0.9712313

00:59:25.655 --> 00:59:27.015 you came from Rhode Island
NOTE Confidence: 0.9712313

00:59:27.015 --> 00:59:27.895 to be here, and we'll,
NOTE Confidence: 0.9712313

00:59:27.895 --> 00:59:29.015 like, chitchat a little bit
NOTE Confidence: 0.9712313

00:59:29.015 --> 00:59:30.135 if anyone wants to meet
NOTE Confidence: 0.9712313

00:59:30.135 --> 00:59:31.735 Suzanne in person because she's
NOTE Confidence: 0.9712313

00:59:31.735 --> 00:59:32.235 wonderful.
NOTE Confidence: 0.99752706

00:59:33.015 --> 00:59:34.215 And we'll stay tuned for

NOTE Confidence: 0.99752706

00:59:34.215 --> 00:59:35.115 our next event.

NOTE Confidence: 0.9871992

00:59:35.575 --> 00:59:36.075 Thanks.
