

WEBVTT

NOTE duration: "00:08:35.640"

NOTE Confidence: 0.9421699

00:00:00.000 --> 00:00:01.280 My name is Tracy Rabin.

NOTE Confidence: 0.9421699

00:00:01.280 --> 00:00:02.000 I'm the director of the

NOTE Confidence: 0.9421699

00:00:02.000 --> 00:00:03.199 Office of Global Health in

NOTE Confidence: 0.9421699

00:00:03.199 --> 00:00:04.480 the Department of Medicine here

NOTE Confidence: 0.9421699

00:00:04.480 --> 00:00:05.140 at Yale,

NOTE Confidence: 0.9554838

00:00:05.600 --> 00:00:06.960 and I'm the Yale side

NOTE Confidence: 0.9554838

00:00:06.960 --> 00:00:08.080 co director of the Global

NOTE Confidence: 0.9554838

00:00:08.080 --> 00:00:09.380 Health Scholars Program.

NOTE Confidence: 0.99928844

00:00:09.840 --> 00:00:11.360 I'm really excited to have

NOTE Confidence: 0.99928844

00:00:11.360 --> 00:00:12.900 you all here this evening,

NOTE Confidence: 0.9873645

00:00:13.360 --> 00:00:14.719 and to have to welcome

NOTE Confidence: 0.9873645

00:00:14.719 --> 00:00:15.105 back,

NOTE Confidence: 0.98472023

00:00:15.745 --> 00:00:16.945 our so many of our

NOTE Confidence: 0.98472023

00:00:16.945 --> 00:00:18.465 returning scholars and then also

NOTE Confidence: 0.98472023

00:00:18.465 --> 00:00:19.364 our site directors,  
NOTE Confidence: 0.9916982

00:00:19.985 --> 00:00:21.265 to be able to share,  
NOTE Confidence: 0.9916982

00:00:21.585 --> 00:00:23.664 information with you about, the  
NOTE Confidence: 0.9916982

00:00:23.664 --> 00:00:24.164 possible,  
NOTE Confidence: 0.9998554

00:00:24.864 --> 00:00:26.064 experiences that you might be  
NOTE Confidence: 0.9998554

00:00:26.064 --> 00:00:27.044 having next year.  
NOTE Confidence: 0.97347194

00:00:27.570 --> 00:00:29.330 We're gonna start off with  
NOTE Confidence: 0.97347194

00:00:29.330 --> 00:00:29.990 a few  
NOTE Confidence: 0.9462141

00:00:30.290 --> 00:00:31.730 kind of background slides. So  
NOTE Confidence: 0.9462141

00:00:31.730 --> 00:00:32.950 let me just share those.  
NOTE Confidence: 0.9871401

00:00:33.409 --> 00:00:33.909 And  
NOTE Confidence: 0.976559

00:00:34.930 --> 00:00:36.550 alright. Laura, can you see  
NOTE Confidence: 0.89664817

00:00:36.930 --> 00:00:38.210 the slides? They look good?  
NOTE Confidence: 0.89664817

00:00:38.210 --> 00:00:38.710 Okay.  
NOTE Confidence: 0.9533227

00:00:39.885 --> 00:00:41.805 So welcome to our Yale  
NOTE Confidence: 0.9533227

00:00:41.805 --> 00:00:43.184 Global Health Scholars Program,

NOTE Confidence: 0.9976666

00:00:43.485 --> 00:00:43.985 presentation.

NOTE Confidence: 0.89647746

00:00:45.485 --> 00:00:46.765 So this is the office

NOTE Confidence: 0.89647746

00:00:46.765 --> 00:00:48.204 of global health leadership team.

NOTE Confidence: 0.89647746

00:00:48.204 --> 00:00:49.104 So it's myself,

NOTE Confidence: 0.939165

00:00:49.644 --> 00:00:51.405 Sheila Shenoy is the associate

NOTE Confidence: 0.939165

00:00:51.405 --> 00:00:53.164 director of the office as

NOTE Confidence: 0.939165

00:00:53.164 --> 00:00:54.960 well as, associate director on

NOTE Confidence: 0.939165

00:00:54.960 --> 00:00:55.839 the Yale side of the

NOTE Confidence: 0.939165

00:00:55.839 --> 00:00:57.519 Global Health Scholars Program. And

NOTE Confidence: 0.939165

00:00:57.519 --> 00:00:59.280 then Laura Crawford is our

NOTE Confidence: 0.939165

00:00:59.280 --> 00:01:00.339 sort of chief administrator,

NOTE Confidence: 0.9963151

00:01:00.960 --> 00:01:01.839 on the Yale side for

NOTE Confidence: 0.9963151

00:01:01.839 --> 00:01:03.460 the Global Health Scholars Program.

NOTE Confidence: 0.985708

00:01:05.975 --> 00:01:07.015 Now we have been this

NOTE Confidence: 0.985708

00:01:07.015 --> 00:01:08.694 is technically the Yale Stanford

NOTE Confidence: 0.985708

00:01:08.694 --> 00:01:10.295 Global Health Scholars Program. We

NOTE Confidence: 0.985708

00:01:10.295 --> 00:01:10.935 have been,

NOTE Confidence: 0.995825

00:01:11.655 --> 00:01:13.414 working well, this program has

NOTE Confidence: 0.995825

00:01:13.414 --> 00:01:14.234 been around,

NOTE Confidence: 0.98123336

00:01:15.255 --> 00:01:16.854 for a number of years.

NOTE Confidence: 0.98123336

00:01:16.854 --> 00:01:17.354 Actually,

NOTE Confidence: 0.9453031

00:01:17.895 --> 00:01:18.875 this is the oldest,

NOTE Confidence: 0.98063725

00:01:19.380 --> 00:01:20.740 program in the country that

NOTE Confidence: 0.98063725

00:01:20.740 --> 00:01:22.900 sends residents abroad to do

NOTE Confidence: 0.98063725

00:01:22.900 --> 00:01:25.780 clinical rotations at, partner sites,

NOTE Confidence: 0.98063725

00:01:26.100 --> 00:01:26.920 around the world,

NOTE Confidence: 0.9802806

00:01:27.380 --> 00:01:28.660 started in nineteen eighty one.

NOTE Confidence: 0.9802806

00:01:28.660 --> 00:01:29.400 But the,

NOTE Confidence: 0.9924859

00:01:29.940 --> 00:01:31.880 this iteration of the program,

NOTE Confidence: 0.9860672

00:01:32.500 --> 00:01:34.120 started in two thousand one,

NOTE Confidence: 0.99645984

00:01:34.715 --> 00:01:35.755 when we had started to

NOTE Confidence: 0.99645984

00:01:35.755 --> 00:01:37.034 get funding from the Johnson

NOTE Confidence: 0.99645984

00:01:37.034 --> 00:01:38.475 and Johnson Foundation, which we

NOTE Confidence: 0.99645984

00:01:38.475 --> 00:01:39.774 had for about twenty years.

NOTE Confidence: 0.9862045

00:01:40.155 --> 00:01:41.914 Doctor Michelle Berry, who is

NOTE Confidence: 0.9862045

00:01:41.914 --> 00:01:43.935 the, sort of senior associate

NOTE Confidence: 0.9862045

00:01:43.994 --> 00:01:45.194 dean for global health at

NOTE Confidence: 0.9862045

00:01:45.194 --> 00:01:47.034 Stanford now, had been here

NOTE Confidence: 0.9862045

00:01:47.034 --> 00:01:47.914 at Yale and was one

NOTE Confidence: 0.9862045

00:01:47.914 --> 00:01:49.230 of the founders. So when

NOTE Confidence: 0.9862045

00:01:49.230 --> 00:01:50.450 she moved to Stanford,

NOTE Confidence: 0.98651314

00:01:50.750 --> 00:01:52.190 the program expanded a bit,

NOTE Confidence: 0.98651314

00:01:52.190 --> 00:01:53.070 and so now we work

NOTE Confidence: 0.98651314

00:01:53.070 --> 00:01:54.910 collaboratively as two institutions to

NOTE Confidence: 0.98651314

00:01:54.910 --> 00:01:55.730 run the program.

NOTE Confidence: 0.99483985

00:01:57.229 --> 00:01:58.750 As I mentioned before, so

NOTE Confidence: 0.99483985

00:01:58.750 --> 00:02:00.510 the rotations are six weeks  
NOTE Confidence: 0.99483985

00:02:00.510 --> 00:02:01.010 long.  
NOTE Confidence: 0.92061734

00:02:01.555 --> 00:02:02.594 So this is a bit  
NOTE Confidence: 0.92061734

00:02:02.594 --> 00:02:03.795 of a commitment of elective  
NOTE Confidence: 0.92061734

00:02:03.795 --> 00:02:04.695 time for residents.  
NOTE Confidence: 0.9521678

00:02:05.634 --> 00:02:06.695 And we provide,  
NOTE Confidence: 0.88160616

00:02:07.075 --> 00:02:08.375 pre departure training,  
NOTE Confidence: 0.98943645

00:02:08.915 --> 00:02:10.275 both in terms of general  
NOTE Confidence: 0.98943645

00:02:10.275 --> 00:02:12.114 global health ethics and other  
NOTE Confidence: 0.98943645

00:02:12.114 --> 00:02:12.834 types of,  
NOTE Confidence: 0.9912357

00:02:13.235 --> 00:02:14.215 sort of considerations  
NOTE Confidence: 0.94472057

00:02:14.754 --> 00:02:16.035 as people prepare for their  
NOTE Confidence: 0.94472057

00:02:16.035 --> 00:02:17.340 trips. We also,  
NOTE Confidence: 0.97329944

00:02:17.800 --> 00:02:19.340 engage in post trip,  
NOTE Confidence: 0.8805784

00:02:19.720 --> 00:02:20.220 debriefing,  
NOTE Confidence: 0.9995984

00:02:21.560 --> 00:02:22.220 as well.

NOTE Confidence: 0.984071

00:02:22.919 --> 00:02:24.680 In general, we prefer to

NOTE Confidence: 0.984071

00:02:24.680 --> 00:02:26.600 send folks as third year

NOTE Confidence: 0.984071

00:02:26.600 --> 00:02:28.520 residents or final year residents

NOTE Confidence: 0.984071

00:02:28.520 --> 00:02:30.600 depending on which discipline you're

NOTE Confidence: 0.984071

00:02:30.600 --> 00:02:31.275 training in.

NOTE Confidence: 0.9909983

00:02:31.834 --> 00:02:33.355 And that is primarily because

NOTE Confidence: 0.9909983

00:02:33.355 --> 00:02:35.514 we're looking to send you

NOTE Confidence: 0.9909983

00:02:35.514 --> 00:02:37.294 when you have the most,

NOTE Confidence: 0.9964273

00:02:37.674 --> 00:02:38.875 amount of skills to be

NOTE Confidence: 0.9964273

00:02:38.875 --> 00:02:39.694 able to offer,

NOTE Confidence: 0.99896973

00:02:40.155 --> 00:02:41.114 when you're working at our

NOTE Confidence: 0.99896973

00:02:41.114 --> 00:02:41.935 partner sites.

NOTE Confidence: 0.9938294

00:02:42.474 --> 00:02:43.435 But that said, we know

NOTE Confidence: 0.9938294

00:02:43.435 --> 00:02:44.314 that there are some of

NOTE Confidence: 0.9938294

00:02:44.314 --> 00:02:45.355 you who have had a

NOTE Confidence: 0.9938294

00:02:45.355 --> 00:02:46.780 deep commitment to global health  
NOTE Confidence: 0.9938294

00:02:46.780 --> 00:02:48.300 and are very interested and  
NOTE Confidence: 0.9938294

00:02:48.300 --> 00:02:49.260 and may see this as  
NOTE Confidence: 0.9938294

00:02:49.260 --> 00:02:50.540 part of your future career  
NOTE Confidence: 0.9938294

00:02:50.540 --> 00:02:51.740 path. And so there are,  
NOTE Confidence: 0.9976278

00:02:52.139 --> 00:02:53.740 there are opportunities for people  
NOTE Confidence: 0.9976278

00:02:53.740 --> 00:02:54.860 to go earlier on in  
NOTE Confidence: 0.9976278

00:02:54.860 --> 00:02:55.360 training,  
NOTE Confidence: 0.9550021

00:02:55.820 --> 00:02:57.100 if this fits in in  
NOTE Confidence: 0.9550021

00:02:57.100 --> 00:02:57.980 a in a more,  
NOTE Confidence: 0.959788

00:02:59.660 --> 00:03:01.144 I guess, serious way to  
NOTE Confidence: 0.959788

00:03:01.144 --> 00:03:02.425 your sort of career trajectory  
NOTE Confidence: 0.959788

00:03:02.425 --> 00:03:03.965 and development while you're here.  
NOTE Confidence: 0.99982

00:03:04.905 --> 00:03:05.405 Importantly,  
NOTE Confidence: 0.99009115

00:03:06.185 --> 00:03:07.544 one feature that has been  
NOTE Confidence: 0.99009115

00:03:07.544 --> 00:03:09.144 embedded into our program is

NOTE Confidence: 0.99009115

00:03:09.144 --> 00:03:10.905 that your salaries and your

NOTE Confidence: 0.99009115

00:03:10.905 --> 00:03:12.745 benefits continue to be paid,

NOTE Confidence: 0.99849737

00:03:13.400 --> 00:03:15.160 while you are away on

NOTE Confidence: 0.99849737

00:03:15.160 --> 00:03:16.280 your rotation. And I would

NOTE Confidence: 0.99849737

00:03:16.280 --> 00:03:16.780 say,

NOTE Confidence: 0.9920574

00:03:17.240 --> 00:03:18.060 you know, having,

NOTE Confidence: 0.97110665

00:03:18.760 --> 00:03:19.960 engaged in this work for

NOTE Confidence: 0.97110665

00:03:19.960 --> 00:03:21.080 a number of years and

NOTE Confidence: 0.97110665

00:03:21.080 --> 00:03:22.360 talked with people at many

NOTE Confidence: 0.97110665

00:03:22.360 --> 00:03:23.720 other institutions that this is

NOTE Confidence: 0.97110665

00:03:23.720 --> 00:03:24.610 actually not a,

NOTE Confidence: 0.97878826

00:03:25.655 --> 00:03:26.855 given, that there are a

NOTE Confidence: 0.97878826

00:03:26.855 --> 00:03:28.135 number of institutions that will

NOTE Confidence: 0.97878826

00:03:28.135 --> 00:03:29.175 say, well, you know, you're

NOTE Confidence: 0.97878826

00:03:29.175 --> 00:03:30.475 not working at our hospital.

NOTE Confidence: 0.96993196

00:03:31.335 --> 00:03:33.335 Medicare pays for resident salaries.

NOTE Confidence: 0.96993196

00:03:33.335 --> 00:03:34.635 And so while you're not

NOTE Confidence: 0.9940516

00:03:34.935 --> 00:03:36.215 providing care here, we're not

NOTE Confidence: 0.9940516

00:03:36.215 --> 00:03:37.575 gonna provide your salaries and

NOTE Confidence: 0.9940516

00:03:37.575 --> 00:03:38.615 benefits. But I think the

NOTE Confidence: 0.9940516

00:03:38.615 --> 00:03:39.915 important thing to remember,

NOTE Confidence: 0.9983767

00:03:40.590 --> 00:03:41.550 is that for folks who

NOTE Confidence: 0.9983767

00:03:41.550 --> 00:03:42.530 are in our program,

NOTE Confidence: 0.91268694

00:03:43.070 --> 00:03:44.110 this is not something that

NOTE Confidence: 0.91268694

00:03:44.110 --> 00:03:45.070 you need to worry about.

NOTE Confidence: 0.91268694

00:03:45.070 --> 00:03:46.770 Because, certainly, we recognize

NOTE Confidence: 0.9884284

00:03:47.150 --> 00:03:48.130 that your rent,

NOTE Confidence: 0.9912865

00:03:48.590 --> 00:03:50.110 at your home institution, your

NOTE Confidence: 0.9912865

00:03:50.110 --> 00:03:51.150 rent at home still needs

NOTE Confidence: 0.9912865

00:03:51.150 --> 00:03:52.270 to be paid even if

NOTE Confidence: 0.9912865

00:03:52.270 --> 00:03:53.150 you are off doing a

NOTE Confidence: 0.9912865

00:03:53.150 --> 00:03:54.210 rotation elsewhere.

NOTE Confidence: 0.95280045

00:03:55.945 --> 00:03:57.545 As you'll see tonight, we

NOTE Confidence: 0.95280045

00:03:57.545 --> 00:03:59.145 have a variety of clinical

NOTE Confidence: 0.95280045

00:03:59.145 --> 00:04:00.685 sites that we engage in,

NOTE Confidence: 0.98372275

00:04:01.145 --> 00:04:02.265 and we try to have

NOTE Confidence: 0.98372275

00:04:02.265 --> 00:04:03.945 a diversity of sites, because

NOTE Confidence: 0.98372275

00:04:03.945 --> 00:04:05.385 we realize that not everybody

NOTE Confidence: 0.98372275

00:04:05.385 --> 00:04:06.505 is looking for the same

NOTE Confidence: 0.98372275

00:04:06.505 --> 00:04:08.205 type of global health education

NOTE Confidence: 0.98372275

00:04:08.345 --> 00:04:08.845 experience.

NOTE Confidence: 0.87797546

00:04:10.800 --> 00:04:12.500 When necessary, we provide,

NOTE Confidence: 0.99953663

00:04:13.040 --> 00:04:13.540 opportunities

NOTE Confidence: 0.97058505

00:04:13.840 --> 00:04:16.240 for translation services on-site. We

NOTE Confidence: 0.97058505

00:04:16.240 --> 00:04:17.040 do provide,

NOTE Confidence: 0.95910597

00:04:17.440 --> 00:04:19.919 information and support, financial support

NOTE Confidence: 0.95910597

00:04:19.919 --> 00:04:20.580 for housing.  
NOTE Confidence: 0.9874424

00:04:21.200 --> 00:04:22.400 And we work closely with  
NOTE Confidence: 0.9874424

00:04:22.400 --> 00:04:24.080 our partners to ensure that  
NOTE Confidence: 0.9874424

00:04:24.080 --> 00:04:25.220 there is mentorship,  
NOTE Confidence: 0.99922544

00:04:25.694 --> 00:04:26.914 and clinical supervision  
NOTE Confidence: 0.97103786

00:04:27.534 --> 00:04:29.474 for you on-site. Although recognizing  
NOTE Confidence: 0.97103786

00:04:29.694 --> 00:04:31.854 that clinical supervision may look  
NOTE Confidence: 0.97103786

00:04:31.854 --> 00:04:33.214 differently depending on where you're  
NOTE Confidence: 0.97103786

00:04:33.214 --> 00:04:34.254 working. And that's something that  
NOTE Confidence: 0.97103786

00:04:34.254 --> 00:04:35.534 we talk about during our  
NOTE Confidence: 0.97103786

00:04:35.534 --> 00:04:36.675 pre departure orientation.  
NOTE Confidence: 0.9982791

00:04:38.350 --> 00:04:39.870 The other important piece is  
NOTE Confidence: 0.9982791

00:04:39.870 --> 00:04:40.350 that,  
NOTE Confidence: 0.99688053

00:04:40.910 --> 00:04:42.190 sort of embedded in the  
NOTE Confidence: 0.99688053

00:04:42.190 --> 00:04:44.029 relationships that we have with  
NOTE Confidence: 0.99688053

00:04:44.029 --> 00:04:45.790 the various sites where we

NOTE Confidence: 0.99688053  
00:04:45.790 --> 00:04:46.290 partner,  
NOTE Confidence: 0.9922248  
00:04:47.070 --> 00:04:48.589 is a commitment to sort  
NOTE Confidence: 0.9922248  
00:04:48.589 --> 00:04:49.250 of bilateral  
NOTE Confidence: 0.9829456  
00:04:49.870 --> 00:04:51.884 capacity building and exchange. So  
NOTE Confidence: 0.9829456  
00:04:51.884 --> 00:04:53.485 whether that's bringing learners or  
NOTE Confidence: 0.9829456  
00:04:53.485 --> 00:04:55.324 faculty from those sites here  
NOTE Confidence: 0.9829456  
00:04:55.324 --> 00:04:57.085 to Yale for training in  
NOTE Confidence: 0.9829456  
00:04:57.085 --> 00:04:58.845 exchange for sending our learners  
NOTE Confidence: 0.9829456  
00:04:58.845 --> 00:04:59.964 to to work with their  
NOTE Confidence: 0.9829456  
00:04:59.964 --> 00:05:00.464 faculty,  
NOTE Confidence: 0.98428845  
00:05:01.324 --> 00:05:03.004 or other, you know, other  
NOTE Confidence: 0.98428845  
00:05:03.004 --> 00:05:04.500 priorities that they may have,  
NOTE Confidence: 0.98428845  
00:05:04.660 --> 00:05:06.180 in terms of capacity building.  
NOTE Confidence: 0.98428845  
00:05:06.180 --> 00:05:06.980 That is something that we  
NOTE Confidence: 0.98428845  
00:05:06.980 --> 00:05:08.360 feel very strongly about.  
NOTE Confidence: 0.9733619

00:05:09.460 --> 00:05:10.740 You probably have already seen  
NOTE Confidence: 0.9733619

00:05:10.740 --> 00:05:11.860 this, but we do have  
NOTE Confidence: 0.9733619

00:05:11.860 --> 00:05:13.380 a specific website for the  
NOTE Confidence: 0.9733619

00:05:13.380 --> 00:05:14.980 Global Health Scholars Program. The  
NOTE Confidence: 0.9733619

00:05:14.980 --> 00:05:16.935 URL is listed here. But  
NOTE Confidence: 0.9733619

00:05:16.935 --> 00:05:18.495 if you Google Yale Global  
NOTE Confidence: 0.9733619

00:05:18.495 --> 00:05:19.935 Health Scholars Program, you will  
NOTE Confidence: 0.9733619

00:05:19.935 --> 00:05:21.055 find our website and you  
NOTE Confidence: 0.9733619

00:05:21.055 --> 00:05:22.115 can learn more  
NOTE Confidence: 0.9885455

00:05:22.735 --> 00:05:23.235 there.  
NOTE Confidence: 0.98061293

00:05:24.415 --> 00:05:25.555 Just to give an overview  
NOTE Confidence: 0.98061293

00:05:25.695 --> 00:05:27.055 about the sites that we  
NOTE Confidence: 0.98061293

00:05:27.055 --> 00:05:29.135 will be, working with in  
NOTE Confidence: 0.98061293

00:05:29.135 --> 00:05:30.815 the next academic year.  
NOTE Confidence: 0.9796918

00:05:31.215 --> 00:05:32.729 So our three,  
NOTE Confidence: 0.9926233

00:05:33.449 --> 00:05:35.210 main sites on the African

NOTE Confidence: 0.9926233

00:05:35.210 --> 00:05:37.289 continent will continue to be,

NOTE Confidence: 0.9937857

00:05:37.690 --> 00:05:38.810 will continue to be sites

NOTE Confidence: 0.9937857

00:05:38.810 --> 00:05:40.009 for the program. So these

NOTE Confidence: 0.9937857

00:05:40.009 --> 00:05:40.509 are,

NOTE Confidence: 0.9277057

00:05:40.810 --> 00:05:42.490 the University Teaching Hospital of

NOTE Confidence: 0.9277057

00:05:42.490 --> 00:05:43.949 Kigali in Rwanda,

NOTE Confidence: 0.94550186

00:05:44.835 --> 00:05:46.755 the Makerere University College of

NOTE Confidence: 0.94550186

00:05:46.755 --> 00:05:48.595 Health Sciences and Mulago Hospital

NOTE Confidence: 0.94550186

00:05:48.595 --> 00:05:49.815 in Kampala, Uganda,

NOTE Confidence: 0.9716734

00:05:50.675 --> 00:05:52.035 and then Church of Scotland

NOTE Confidence: 0.9716734

00:05:52.035 --> 00:05:52.535 Hospital

NOTE Confidence: 0.8774928

00:05:53.075 --> 00:05:53.815 in Tugilafeni,

NOTE Confidence: 0.99980164

00:05:54.115 --> 00:05:54.855 South Africa.

NOTE Confidence: 0.97076744

00:05:55.955 --> 00:05:58.375 We additionally have two, domestic

NOTE Confidence: 0.97076744

00:05:58.435 --> 00:05:59.714 sites that you'll hear more

NOTE Confidence: 0.97076744

00:05:59.714 --> 00:06:00.089 about.  
NOTE Confidence: 0.94097286

00:06:00.570 --> 00:06:01.770 One with the Indian Health  
NOTE Confidence: 0.94097286

00:06:01.770 --> 00:06:03.310 Service in Chinle, Arizona,  
NOTE Confidence: 0.9726157

00:06:04.410 --> 00:06:05.850 as well as the Bershba  
NOTE Confidence: 0.9726157

00:06:05.850 --> 00:06:07.449 Springs Medical Clinic in Grundy  
NOTE Confidence: 0.9726157

00:06:07.449 --> 00:06:08.270 County, Tennessee.  
NOTE Confidence: 0.9897658

00:06:09.290 --> 00:06:10.490 And then a new site  
NOTE Confidence: 0.9897658

00:06:10.490 --> 00:06:11.770 that is coming online that  
NOTE Confidence: 0.9897658

00:06:11.770 --> 00:06:13.449 we're really excited to share  
NOTE Confidence: 0.9897658

00:06:13.449 --> 00:06:14.110 with you,  
NOTE Confidence: 0.9713407

00:06:14.810 --> 00:06:16.425 this evening is a site  
NOTE Confidence: 0.9713407

00:06:16.425 --> 00:06:18.585 in Bogota, Colombia working with,  
NOTE Confidence: 0.9713407

00:06:18.904 --> 00:06:20.585 colleagues at the Fundacion Santa  
NOTE Confidence: 0.9713407

00:06:20.585 --> 00:06:21.485 Fe de Bogota.  
NOTE Confidence: 0.9802097

00:06:21.865 --> 00:06:22.365 So,  
NOTE Confidence: 0.98636186

00:06:23.064 --> 00:06:24.664 without oh, I also sorry.

NOTE Confidence: 0.98636186

00:06:24.664 --> 00:06:25.625 Before we get to that,

NOTE Confidence: 0.9944862

00:06:26.264 --> 00:06:27.625 just to reinforce that,

NOTE Confidence: 0.91207224

00:06:28.620 --> 00:06:29.660 that we do have,

NOTE Confidence: 0.9881546

00:06:30.300 --> 00:06:31.820 you know, the domestic global

NOTE Confidence: 0.9881546

00:06:31.820 --> 00:06:33.420 health electives in in addition

NOTE Confidence: 0.9881546

00:06:33.420 --> 00:06:34.620 to the international sites that

NOTE Confidence: 0.9881546

00:06:34.620 --> 00:06:35.660 I already mentioned. So we

NOTE Confidence: 0.9881546

00:06:35.660 --> 00:06:36.880 do, facilitate

NOTE Confidence: 0.9717066

00:06:37.820 --> 00:06:39.500 more urban global health, local

NOTE Confidence: 0.9717066

00:06:39.500 --> 00:06:41.100 global health elective here in

NOTE Confidence: 0.9717066

00:06:41.100 --> 00:06:41.980 New Haven, Connecticut,

NOTE Confidence: 0.9594475

00:06:43.384 --> 00:06:45.245 and then, and then rural,

NOTE Confidence: 0.9187635

00:06:45.785 --> 00:06:47.384 rural health opportunities, as I

NOTE Confidence: 0.9187635

00:06:47.384 --> 00:06:48.925 mentioned in Grundy County, Tennessee,

NOTE Confidence: 0.97649825

00:06:49.225 --> 00:06:50.285 as well as Chinle.

NOTE Confidence: 0.992423

00:06:50.745 --> 00:06:51.865 We have also been able  
NOTE Confidence: 0.992423

00:06:51.865 --> 00:06:53.145 to send folks to work  
NOTE Confidence: 0.992423

00:06:53.145 --> 00:06:54.425 at Crown Point, New Mexico,  
NOTE Confidence: 0.992423

00:06:54.425 --> 00:06:55.805 which is a different IHS  
NOTE Confidence: 0.992423

00:06:55.865 --> 00:06:56.220 site.  
NOTE Confidence: 0.99737746

00:06:56.779 --> 00:06:57.740 And so we're not sure  
NOTE Confidence: 0.99737746

00:06:57.740 --> 00:06:58.540 yet if that will be  
NOTE Confidence: 0.99737746

00:06:58.540 --> 00:06:59.660 available for the coming year,  
NOTE Confidence: 0.99737746

00:06:59.660 --> 00:07:00.540 but just to know that  
NOTE Confidence: 0.99737746

00:07:00.540 --> 00:07:01.660 that that is a potential  
NOTE Confidence: 0.99737746

00:07:01.660 --> 00:07:02.480 other option.  
NOTE Confidence: 0.9624779

00:07:03.660 --> 00:07:05.180 Okay. So here's our agenda  
NOTE Confidence: 0.9624779

00:07:05.180 --> 00:07:06.380 for the evening. I think  
NOTE Confidence: 0.9624779

00:07:06.380 --> 00:07:08.140 we're gonna be doing just  
NOTE Confidence: 0.9624779

00:07:08.140 --> 00:07:09.585 fine, actually. Our first,  
NOTE Confidence: 0.99461645

00:07:10.145 --> 00:07:11.125 our first speaker,

NOTE Confidence: 0.9579878  
00:07:11.824 --> 00:07:13.905 is Laura Aponte Becerra, who  
NOTE Confidence: 0.9579878  
00:07:13.905 --> 00:07:15.925 just just literally came back,  
NOTE Confidence: 0.9985454  
00:07:16.785 --> 00:07:18.785 Tuesday morning, from her six  
NOTE Confidence: 0.9985454  
00:07:18.785 --> 00:07:20.324 week rotation in Kampala.  
NOTE Confidence: 0.989589  
00:07:21.985 --> 00:07:23.264 We're then gonna hear from  
NOTE Confidence: 0.989589  
00:07:23.264 --> 00:07:23.764 Savannah,  
NOTE Confidence: 0.88146484  
00:07:24.145 --> 00:07:24.384 who,  
NOTE Confidence: 0.9977113  
00:07:25.200 --> 00:07:27.600 went to Kigali, Rwanda in  
NOTE Confidence: 0.9977113  
00:07:27.600 --> 00:07:29.140 spring of twenty twenty four.  
NOTE Confidence: 0.8969587  
00:07:29.680 --> 00:07:31.040 We'll hear from Chelsea who  
NOTE Confidence: 0.8969587  
00:07:31.040 --> 00:07:32.320 was in Tula Ferry, South  
NOTE Confidence: 0.8969587  
00:07:32.320 --> 00:07:32.820 Africa,  
NOTE Confidence: 0.9993659  
00:07:33.200 --> 00:07:33.940 last fall.  
NOTE Confidence: 0.9535116  
00:07:34.560 --> 00:07:35.920 We'll hear from Kartik who  
NOTE Confidence: 0.9535116  
00:07:35.920 --> 00:07:37.380 was in Grundy County, Tennessee  
NOTE Confidence: 0.9535116

00:07:37.600 --> 00:07:38.740 earlier this year.  
NOTE Confidence: 0.92931134

00:07:39.985 --> 00:07:42.005 Welcoming back alumnus Chris Huber,  
NOTE Confidence: 0.92931134

00:07:42.145 --> 00:07:43.265 who will be telling us  
NOTE Confidence: 0.92931134

00:07:43.265 --> 00:07:44.865 about his experience in Chinle,  
NOTE Confidence: 0.92931134

00:07:44.865 --> 00:07:46.245 Arizona last spring.  
NOTE Confidence: 0.9588472

00:07:46.865 --> 00:07:48.385 And then Bernardo Lambo, who  
NOTE Confidence: 0.9588472

00:07:48.385 --> 00:07:49.445 is one of our cardiology  
NOTE Confidence: 0.9588472

00:07:49.665 --> 00:07:50.945 faculty here at Yale and  
NOTE Confidence: 0.9588472

00:07:50.945 --> 00:07:51.445 has,  
NOTE Confidence: 0.95863587

00:07:52.080 --> 00:07:53.040 been part of a long  
NOTE Confidence: 0.95863587

00:07:53.040 --> 00:07:53.780 time relationship  
NOTE Confidence: 0.9932953

00:07:54.160 --> 00:07:54.560 with,  
NOTE Confidence: 0.99452084

00:07:55.040 --> 00:07:56.320 the new site,  
NOTE Confidence: 0.9844706

00:07:56.720 --> 00:07:57.220 in,  
NOTE Confidence: 0.97343826

00:07:57.600 --> 00:07:58.960 in Columbia, will be telling  
NOTE Confidence: 0.97343826

00:07:58.960 --> 00:07:59.840 us a little bit more

NOTE Confidence: 0.97343826

00:07:59.840 --> 00:08:01.460 about work at that site.

NOTE Confidence: 0.9969887

00:08:02.240 --> 00:08:03.680 We also have all of

NOTE Confidence: 0.9969887

00:08:03.680 --> 00:08:04.580 the site directors

NOTE Confidence: 0.9911258

00:08:04.995 --> 00:08:06.195 for for these sites on

NOTE Confidence: 0.9911258

00:08:06.195 --> 00:08:06.995 the line. So if there

NOTE Confidence: 0.9911258

00:08:06.995 --> 00:08:08.115 are questions that come up,

NOTE Confidence: 0.9911258

00:08:08.115 --> 00:08:09.075 we will have time for

NOTE Confidence: 0.9911258

00:08:09.075 --> 00:08:09.955 q and a at the

NOTE Confidence: 0.9911258

00:08:09.955 --> 00:08:10.455 end.

NOTE Confidence: 0.98394555

00:08:12.195 --> 00:08:13.075 And then the other piece

NOTE Confidence: 0.98394555

00:08:13.075 --> 00:08:14.195 I would just say is,

NOTE Confidence: 0.98394555

00:08:14.195 --> 00:08:15.155 you know, here are email

NOTE Confidence: 0.98394555

00:08:15.155 --> 00:08:17.155 addresses for Laura, for Sheila,

NOTE Confidence: 0.98394555

00:08:17.155 --> 00:08:18.195 and myself. So if there

NOTE Confidence: 0.98394555

00:08:18.195 --> 00:08:19.110 are any questions that you

NOTE Confidence: 0.98394555

00:08:19.110 --> 00:08:20.470 have that you want to  
NOTE Confidence: 0.98394555

00:08:20.470 --> 00:08:22.390 sort of raise afterwards, please  
NOTE Confidence: 0.98394555

00:08:22.390 --> 00:08:23.990 don't hesitate to email any  
NOTE Confidence: 0.98394555

00:08:23.990 --> 00:08:24.570 of us,  
NOTE Confidence: 0.9899335

00:08:25.190 --> 00:08:26.230 and we're happy to set  
NOTE Confidence: 0.9899335

00:08:26.230 --> 00:08:27.030 up a time to talk  
NOTE Confidence: 0.9899335

00:08:27.030 --> 00:08:28.070 with you afterwards if that's  
NOTE Confidence: 0.9899335

00:08:28.070 --> 00:08:28.570 helpful.
