

WEBVTT

NOTE duration: "00:46:20.970"

NOTE Confidence: 0.9810102

00:00:00.160 --> 00:00:01.439 I think we'll start with,

NOTE Confidence: 0.9810102

00:00:01.760 --> 00:00:03.300 just introducing everybody.

NOTE Confidence: 0.92528665

00:00:04.480 --> 00:00:05.519 So like I said, I'm

NOTE Confidence: 0.92528665

00:00:05.519 --> 00:00:06.799 Sarah Schafer, I'm the program

NOTE Confidence: 0.92528665

00:00:06.799 --> 00:00:08.020 director for the residency.

NOTE Confidence: 0.9670197

00:00:09.519 --> 00:00:10.019 And,

NOTE Confidence: 0.957509

00:00:10.639 --> 00:00:12.000 I took over the program

NOTE Confidence: 0.957509

00:00:12.000 --> 00:00:13.759 from Jeremy Mueller, who's here

NOTE Confidence: 0.957509

00:00:13.759 --> 00:00:14.820 as well. He

NOTE Confidence: 0.9561581

00:00:15.224 --> 00:00:16.345 is the vice chair of

NOTE Confidence: 0.9561581

00:00:16.345 --> 00:00:17.805 education for the department.

NOTE Confidence: 0.9813477

00:00:18.585 --> 00:00:19.965 I have been the associate

NOTE Confidence: 0.9813477

00:00:20.025 --> 00:00:22.204 program director since twenty eighteen,

NOTE Confidence: 0.8363453

00:00:22.985 --> 00:00:23.485 and,

NOTE Confidence: 0.9988445

00:00:24.105 --> 00:00:24.845 have been
NOTE Confidence: 0.98765814
00:00:25.305 --> 00:00:27.404 deeply involved in the residency,
NOTE Confidence: 0.95589525
00:00:28.185 --> 00:00:29.704 as a chief resident as
NOTE Confidence: 0.95589525
00:00:29.704 --> 00:00:30.204 well,
NOTE Confidence: 0.9996731
00:00:30.505 --> 00:00:30.870 back
NOTE Confidence: 0.9480133
00:00:31.750 --> 00:00:33.290 in, twenty sixteen,
NOTE Confidence: 0.9922031
00:00:33.830 --> 00:00:35.590 twenty fifteen, twenty sixteen, and
NOTE Confidence: 0.9922031
00:00:35.590 --> 00:00:37.750 then, as the APD from
NOTE Confidence: 0.9922031
00:00:37.750 --> 00:00:39.190 twenty eighteen to twenty twenty
NOTE Confidence: 0.9922031
00:00:39.190 --> 00:00:40.010 five. So
NOTE Confidence: 0.9920042
00:00:40.550 --> 00:00:41.610 I'm so excited,
NOTE Confidence: 0.8142614
00:00:42.310 --> 00:00:42.810 for,
NOTE Confidence: 0.9940049
00:00:43.204 --> 00:00:44.585 this recruitment season.
NOTE Confidence: 0.99628174
00:00:45.204 --> 00:00:45.704 And,
NOTE Confidence: 0.98730826
00:00:46.484 --> 00:00:48.004 Jeremy, since I mentioned you,
NOTE Confidence: 0.98730826
00:00:48.004 --> 00:00:49.445 you wanna introduce yourself as

NOTE Confidence: 0.98730826
00:00:49.445 --> 00:00:50.664 the vice chair?
NOTE Confidence: 0.9683286
00:00:51.844 --> 00:00:53.524 Love to introduce myself. This
NOTE Confidence: 0.9683286
00:00:53.524 --> 00:00:55.580 is great. This season comes
NOTE Confidence: 0.9683286
00:00:55.580 --> 00:00:57.020 faster and faster every year.
NOTE Confidence: 0.9683286
00:00:57.020 --> 00:00:57.520 So,
NOTE Confidence: 0.90033346
00:00:58.300 --> 00:01:00.300 as Sarah mentioned, doctor Schafer
NOTE Confidence: 0.90033346
00:01:00.300 --> 00:01:00.800 mentioned,
NOTE Confidence: 0.96774596
00:01:01.180 --> 00:01:03.260 I, am a recovering residency
NOTE Confidence: 0.96774596
00:01:03.260 --> 00:01:04.800 director, but still very involved,
NOTE Confidence: 0.96774596
00:01:05.100 --> 00:01:06.380 in the residency. I gave
NOTE Confidence: 0.96774596
00:01:06.380 --> 00:01:07.200 noon conference,
NOTE Confidence: 0.97220033
00:01:07.819 --> 00:01:09.260 on Monday, for example.
NOTE Confidence: 0.9172609
00:01:09.660 --> 00:01:10.700 Then I'll actually be in
NOTE Confidence: 0.9172609
00:01:10.700 --> 00:01:10.995 the
NOTE Confidence: 0.9417798
00:01:11.635 --> 00:01:12.135 resident,
NOTE Confidence: 0.9361785

00:01:12.675 --> 00:01:13.875 epilepsy clinic I think I'm
NOTE Confidence: 0.9361785

00:01:13.875 --> 00:01:15.795 covering, in the first seizure
NOTE Confidence: 0.9361785

00:01:15.795 --> 00:01:17.635 clinic on Thursday morning, and
NOTE Confidence: 0.9361785

00:01:17.635 --> 00:01:18.675 I just came off service
NOTE Confidence: 0.9361785

00:01:18.675 --> 00:01:20.435 with, with Rachel, who you
NOTE Confidence: 0.9361785

00:01:20.435 --> 00:01:20.935 see,
NOTE Confidence: 0.81274384

00:01:21.875 --> 00:01:23.655 in the the group president,
NOTE Confidence: 0.96803236

00:01:24.035 --> 00:01:25.335 thing, in July.
NOTE Confidence: 0.8936225

00:01:25.680 --> 00:01:26.180 And,
NOTE Confidence: 0.96138805

00:01:27.280 --> 00:01:28.640 now I'm the associate dean
NOTE Confidence: 0.96138805

00:01:28.640 --> 00:01:29.760 for the MD curriculum, so
NOTE Confidence: 0.96138805

00:01:29.760 --> 00:01:30.900 I've moved to the undergraduate,
NOTE Confidence: 0.93460935

00:01:32.000 --> 00:01:34.240 area, area, but still very
NOTE Confidence: 0.93460935

00:01:34.240 --> 00:01:36.819 involved in, the residency. And
NOTE Confidence: 0.93460935

00:01:36.880 --> 00:01:38.000 it's so close to my
NOTE Confidence: 0.93460935

00:01:38.000 --> 00:01:39.459 heart, and it's in outstanding

NOTE Confidence: 0.93460935

00:01:39.600 --> 00:01:40.980 hands with doctor Schaeffer.

NOTE Confidence: 0.97363764

00:01:42.575 --> 00:01:43.935 Doctor Schafer and I meet,

NOTE Confidence: 0.97363764

00:01:44.175 --> 00:01:45.875 periodically to go over residency

NOTE Confidence: 0.97363764

00:01:45.935 --> 00:01:48.175 issues and challenges and for

NOTE Confidence: 0.97363764

00:01:48.175 --> 00:01:49.615 me to try to explain

NOTE Confidence: 0.97363764

00:01:49.615 --> 00:01:50.115 myself,

NOTE Confidence: 0.9637867

00:01:50.495 --> 00:01:51.375 by some of the things

NOTE Confidence: 0.9637867

00:01:51.375 --> 00:01:52.575 that I left, for her

NOTE Confidence: 0.9637867

00:01:52.575 --> 00:01:53.920 to take care of. And,

NOTE Confidence: 0.9637867

00:01:54.159 --> 00:01:55.280 I told doctor Shay for

NOTE Confidence: 0.9637867

00:01:55.280 --> 00:01:56.179 the last time,

NOTE Confidence: 0.9367919

00:01:56.640 --> 00:01:58.799 that I I'm also I'm

NOTE Confidence: 0.9367919

00:01:58.799 --> 00:01:59.920 starting to feel a little

NOTE Confidence: 0.9367919

00:01:59.920 --> 00:02:01.439 useless in that role. She

NOTE Confidence: 0.9367919

00:02:01.439 --> 00:02:02.320 said I have this problem

NOTE Confidence: 0.9367919

00:02:02.320 --> 00:02:03.039 and this is what I
NOTE Confidence: 0.9367919

00:02:03.039 --> 00:02:03.679 wanna do, and I have
NOTE Confidence: 0.9367919

00:02:03.679 --> 00:02:04.479 this problem and this is
NOTE Confidence: 0.9367919

00:02:04.479 --> 00:02:05.280 what I wanna do, and
NOTE Confidence: 0.9367919

00:02:05.280 --> 00:02:06.319 I have this idea. And
NOTE Confidence: 0.9367919

00:02:06.319 --> 00:02:07.280 I said that all sounds
NOTE Confidence: 0.9367919

00:02:07.280 --> 00:02:07.695 good.
NOTE Confidence: 0.9587475

00:02:08.175 --> 00:02:09.455 I I have nothing no
NOTE Confidence: 0.9587475

00:02:09.455 --> 00:02:10.815 notes as the kids say.
NOTE Confidence: 0.9587475

00:02:10.815 --> 00:02:11.315 So,
NOTE Confidence: 0.955741

00:02:11.935 --> 00:02:12.835 and I'm delighted,
NOTE Confidence: 0.9782522

00:02:13.615 --> 00:02:14.415 to meet you all. I
NOTE Confidence: 0.9782522

00:02:14.415 --> 00:02:15.535 hope we'll be able to
NOTE Confidence: 0.9782522

00:02:15.535 --> 00:02:17.375 interview many of you, during
NOTE Confidence: 0.9782522

00:02:17.375 --> 00:02:17.935 the season.
NOTE Confidence: 0.99644566

00:02:18.255 --> 00:02:19.555 Thanks for joining us.

NOTE Confidence: 0.99417144

00:02:20.919 --> 00:02:22.280 And I see that our

NOTE Confidence: 0.99417144

00:02:22.280 --> 00:02:22.780 chair

NOTE Confidence: 0.962972

00:02:23.080 --> 00:02:24.520 has also joined us, and

NOTE Confidence: 0.962972

00:02:24.520 --> 00:02:25.340 I don't know,

NOTE Confidence: 0.9812153

00:02:25.720 --> 00:02:27.180 doctor Khatri, if you

NOTE Confidence: 0.9926952

00:02:27.560 --> 00:02:28.919 are in a position to

NOTE Confidence: 0.9926952

00:02:28.919 --> 00:02:30.060 introduce yourself.

NOTE Confidence: 0.9955689

00:02:31.080 --> 00:02:32.360 I'm very happy to do

NOTE Confidence: 0.9955689

00:02:32.360 --> 00:02:33.240 that. So,

NOTE Confidence: 0.91760296

00:02:33.825 --> 00:02:35.745 Puja Khatri, I became the

NOTE Confidence: 0.91760296

00:02:35.745 --> 00:02:36.805 new chair of neurology

NOTE Confidence: 0.9779825

00:02:37.264 --> 00:02:39.044 on April first, and,

NOTE Confidence: 0.9884718

00:02:39.504 --> 00:02:40.944 it's been wonderful. I am

NOTE Confidence: 0.9884718

00:02:40.944 --> 00:02:42.544 just so excited to be

NOTE Confidence: 0.9884718

00:02:42.544 --> 00:02:43.764 part of this department.

NOTE Confidence: 0.96867496

00:02:44.705 --> 00:02:46.144 So many wonderful things going
NOTE Confidence: 0.96867496

00:02:46.144 --> 00:02:46.965 on, and
NOTE Confidence: 0.9806999

00:02:47.560 --> 00:02:49.419 the residency and the educational
NOTE Confidence: 0.9806999

00:02:49.639 --> 00:02:51.560 program is one of it
NOTE Confidence: 0.9806999

00:02:51.560 --> 00:02:53.099 really one of the stars.
NOTE Confidence: 0.9806999

00:02:53.159 --> 00:02:53.980 And so,
NOTE Confidence: 0.92858547

00:02:55.079 --> 00:02:56.519 like I told Jeremy and
NOTE Confidence: 0.92858547

00:02:56.519 --> 00:02:57.799 Sarah before I came, the
NOTE Confidence: 0.92858547

00:02:57.799 --> 00:02:59.799 reputation has completed it. And,
NOTE Confidence: 0.9787323

00:03:00.280 --> 00:03:01.480 and I'm I'm so pleased
NOTE Confidence: 0.9787323

00:03:01.480 --> 00:03:02.454 to see the next batch
NOTE Confidence: 0.9787323

00:03:02.454 --> 00:03:04.534 of potential residents. So so
NOTE Confidence: 0.9787323

00:03:04.534 --> 00:03:05.834 thanks for being here, everybody.
NOTE Confidence: 0.9920958

00:03:08.055 --> 00:03:08.555 Alright.
NOTE Confidence: 0.9639482

00:03:09.734 --> 00:03:10.234 Steph,
NOTE Confidence: 0.9884941

00:03:11.094 --> 00:03:12.875 you wanna introduce yourself?

NOTE Confidence: 0.8783911

00:03:13.415 --> 00:03:15.355 Hey, guys. I'm Stephanie Capucci.

NOTE Confidence: 0.9763341

00:03:15.980 --> 00:03:17.660 I'm the new associate program

NOTE Confidence: 0.9763341

00:03:17.660 --> 00:03:18.160 director,

NOTE Confidence: 0.9905805

00:03:18.940 --> 00:03:20.700 filling some very big shoes,

NOTE Confidence: 0.9905805

00:03:20.940 --> 00:03:21.680 for Sarah.

NOTE Confidence: 0.99097025

00:03:22.860 --> 00:03:24.080 I am also a neurointensivist,

NOTE Confidence: 0.963432

00:03:24.460 --> 00:03:25.500 so I spend most of

NOTE Confidence: 0.963432

00:03:25.500 --> 00:03:26.620 my clinical time in the

NOTE Confidence: 0.963432

00:03:26.620 --> 00:03:27.520 neuro ICU,

NOTE Confidence: 0.9399437

00:03:28.224 --> 00:03:29.504 but I'm very involved in

NOTE Confidence: 0.9399437

00:03:29.504 --> 00:03:31.044 both resident and fellow education.

NOTE Confidence: 0.9892641

00:03:31.504 --> 00:03:32.625 This will be my first

NOTE Confidence: 0.9892641

00:03:32.625 --> 00:03:33.125 season,

NOTE Confidence: 0.9945163

00:03:33.584 --> 00:03:34.705 as part of program leadership,

NOTE Confidence: 0.9945163

00:03:34.705 --> 00:03:35.905 and I'm really excited to

NOTE Confidence: 0.9945163

00:03:35.905 --> 00:03:36.565 kind of,
NOTE Confidence: 0.9692806

00:03:37.025 --> 00:03:38.065 go through the whole length
NOTE Confidence: 0.9692806

00:03:38.065 --> 00:03:39.985 of things, although I, interviewed
NOTE Confidence: 0.9692806

00:03:39.985 --> 00:03:40.485 folks
NOTE Confidence: 0.97753876

00:03:41.510 --> 00:03:42.329 in the past.
NOTE Confidence: 0.99231595

00:03:43.269 --> 00:03:44.569 And, you know, I think,
NOTE Confidence: 0.9369839

00:03:44.950 --> 00:03:45.909 we're all just I think
NOTE Confidence: 0.9369839

00:03:45.909 --> 00:03:46.629 there's a lot of new
NOTE Confidence: 0.9369839

00:03:46.629 --> 00:03:47.129 faces.
NOTE Confidence: 0.92671674

00:03:47.989 --> 00:03:49.189 Kind of everyone's like, oh,
NOTE Confidence: 0.92671674

00:03:49.189 --> 00:03:50.150 I'm new this, new that,
NOTE Confidence: 0.92671674

00:03:50.150 --> 00:03:50.629 but I,
NOTE Confidence: 0.9827393

00:03:51.269 --> 00:03:52.069 I think it's been a
NOTE Confidence: 0.9827393

00:03:52.069 --> 00:03:53.450 really sort of exciting
NOTE Confidence: 0.7420612

00:03:54.635 --> 00:03:55.535 and we're we're,
NOTE Confidence: 0.96831506

00:03:56.075 --> 00:03:57.595 thrilled to have Jeremy still

NOTE Confidence: 0.96831506
00:03:57.595 --> 00:03:58.635 so involved in kind of
NOTE Confidence: 0.96831506
00:03:58.635 --> 00:04:00.175 carrying things forward. So,
NOTE Confidence: 0.97948277
00:04:00.475 --> 00:04:01.755 it's been an exciting couple
NOTE Confidence: 0.97948277
00:04:01.755 --> 00:04:03.275 of months as I, have
NOTE Confidence: 0.97948277
00:04:03.275 --> 00:04:04.395 just started, but,
NOTE Confidence: 0.9783553
00:04:04.715 --> 00:04:05.515 I think a lot of
NOTE Confidence: 0.9783553
00:04:05.515 --> 00:04:06.415 great things ahead.
NOTE Confidence: 0.8325933
00:04:08.030 --> 00:04:09.090 And Jeff?
NOTE Confidence: 0.98738605
00:04:10.190 --> 00:04:11.310 Hey, everybody. I'm the only
NOTE Confidence: 0.98738605
00:04:11.310 --> 00:04:12.430 one here without a new
NOTE Confidence: 0.98738605
00:04:12.430 --> 00:04:13.790 job. My name is Jeff
NOTE Confidence: 0.98738605
00:04:13.790 --> 00:04:15.470 Dewey. I am the other
NOTE Confidence: 0.98738605
00:04:15.470 --> 00:04:17.410 associate program director. I also
NOTE Confidence: 0.98738605
00:04:17.710 --> 00:04:19.390 really focus on, residency and
NOTE Confidence: 0.98738605
00:04:19.390 --> 00:04:20.850 fellow resident fellow well-being.
NOTE Confidence: 0.9486696

00:04:21.285 --> 00:04:22.725 I also direct the clerkships,
NOTE Confidence: 0.9486696

00:04:22.725 --> 00:04:23.785 so I wear two educational
NOTE Confidence: 0.94705886

00:04:24.085 --> 00:04:25.845 hats. And I'm a alum
NOTE Confidence: 0.94705886

00:04:25.845 --> 00:04:27.285 from twenty seventeen of the
NOTE Confidence: 0.94705886

00:04:27.285 --> 00:04:27.785 residency.
NOTE Confidence: 0.92648077

00:04:28.245 --> 00:04:29.865 I did my intermuscular fellowship
NOTE Confidence: 0.96126765

00:04:30.325 --> 00:04:31.205 the year after at Yale
NOTE Confidence: 0.96126765

00:04:31.205 --> 00:04:32.005 and then have been around
NOTE Confidence: 0.96126765

00:04:32.005 --> 00:04:32.745 ever since,
NOTE Confidence: 0.9924844

00:04:33.285 --> 00:04:34.245 and really love it here.
NOTE Confidence: 0.9924844

00:04:34.245 --> 00:04:35.205 So I'm excited to talk
NOTE Confidence: 0.9924844

00:04:35.205 --> 00:04:35.925 more about it with all
NOTE Confidence: 0.9924844

00:04:35.925 --> 00:04:36.665 of you tonight.
NOTE Confidence: 0.980364

00:04:38.169 --> 00:04:39.370 I should say I also
NOTE Confidence: 0.980364

00:04:39.450 --> 00:04:40.490 I'm a graduate of the
NOTE Confidence: 0.980364

00:04:40.490 --> 00:04:42.250 residency and the movement disorders

NOTE Confidence: 0.980364
00:04:42.250 --> 00:04:43.790 fellowship and run the fellowship
NOTE Confidence: 0.980364
00:04:43.850 --> 00:04:44.430 as well.
NOTE Confidence: 0.94768834
00:04:45.050 --> 00:04:47.130 Steph is external as is,
NOTE Confidence: 0.94768834
00:04:47.290 --> 00:04:49.210 doctor Khatri. So we have
NOTE Confidence: 0.94768834
00:04:49.210 --> 00:04:49.930 both in,
NOTE Confidence: 0.98335624
00:04:50.330 --> 00:04:52.350 inside scoop people and
NOTE Confidence: 0.58947444
00:04:52.675 --> 00:04:52.915 ex,
NOTE Confidence: 0.9970795
00:04:53.555 --> 00:04:54.675 external people,
NOTE Confidence: 0.991713
00:04:55.075 --> 00:04:56.115 to round it out, which
NOTE Confidence: 0.991713
00:04:56.115 --> 00:04:57.715 is really, I think, of
NOTE Confidence: 0.991713
00:04:57.715 --> 00:04:59.415 benefit to this program.
NOTE Confidence: 0.9915835
00:05:00.675 --> 00:05:02.455 I don't think Vanessa is
NOTE Confidence: 0.9915835
00:05:02.515 --> 00:05:03.015 here.
NOTE Confidence: 0.99601877
00:05:04.035 --> 00:05:05.095 So let's
NOTE Confidence: 0.9201522
00:05:05.795 --> 00:05:07.555 oh, and a Canadian. Thank
NOTE Confidence: 0.9201522

00:05:07.555 --> 00:05:07.830 you.
NOTE Confidence: 0.80596614
00:05:09.909 --> 00:05:10.229 You.
NOTE Confidence: 0.95998114
00:05:11.509 --> 00:05:13.210 I don't think Vanessa's here.
NOTE Confidence: 0.97547483
00:05:13.669 --> 00:05:14.629 I'll talk a little bit
NOTE Confidence: 0.97547483
00:05:14.629 --> 00:05:16.330 about her in my presentation,
NOTE Confidence: 0.97547483
00:05:16.389 --> 00:05:17.050 and then,
NOTE Confidence: 0.9793346
00:05:17.589 --> 00:05:18.789 we have a bunch of
NOTE Confidence: 0.9793346
00:05:18.789 --> 00:05:20.229 residents. Do you wanna start
NOTE Confidence: 0.9793346
00:05:20.229 --> 00:05:21.930 with the the group residents
NOTE Confidence: 0.9793346
00:05:22.095 --> 00:05:22.975 and then we can do
NOTE Confidence: 0.9793346
00:05:22.975 --> 00:05:23.714 the individuals?
NOTE Confidence: 0.9878396
00:05:24.575 --> 00:05:25.955 Why don't you introduce yourselves?
NOTE Confidence: 0.9905386
00:05:26.575 --> 00:05:27.235 Hi, everybody.
NOTE Confidence: 0.9993888
00:05:27.775 --> 00:05:29.535 We're all really excited to
NOTE Confidence: 0.9993888
00:05:29.535 --> 00:05:30.495 meet with you and talk
NOTE Confidence: 0.9993888
00:05:30.495 --> 00:05:31.315 with you tonight.

NOTE Confidence: 0.9498351

00:05:31.935 --> 00:05:33.455 I we're all bunch of

NOTE Confidence: 0.9498351

00:05:33.455 --> 00:05:35.535 PGY fours. We are also

NOTE Confidence: 0.9498351

00:05:35.535 --> 00:05:36.575 all good friends, so we're

NOTE Confidence: 0.9498351

00:05:36.575 --> 00:05:37.380 excited to be,

NOTE Confidence: 0.97401744

00:05:38.100 --> 00:05:40.120 coming into you live, altogether

NOTE Confidence: 0.97401744

00:05:40.180 --> 00:05:41.620 here. We have some baked

NOTE Confidence: 0.97401744

00:05:41.620 --> 00:05:42.339 goods. We have a lot

NOTE Confidence: 0.97401744

00:05:42.339 --> 00:05:43.300 of really good bakers in

NOTE Confidence: 0.97401744

00:05:43.300 --> 00:05:44.580 our program, not to not

NOTE Confidence: 0.97401744

00:05:44.580 --> 00:05:45.700 to brag. So we we

NOTE Confidence: 0.97401744

00:05:45.700 --> 00:05:46.920 can send some pictures,

NOTE Confidence: 0.96768034

00:05:47.300 --> 00:05:47.800 later,

NOTE Confidence: 0.9455724

00:05:48.420 --> 00:05:49.700 if any sweet tooth people

NOTE Confidence: 0.9455724

00:05:49.700 --> 00:05:51.220 are around. I'm James. I'm

NOTE Confidence: 0.9455724

00:05:51.220 --> 00:05:52.660 a PGY fours. I'll be

NOTE Confidence: 0.9455724

00:05:52.660 --> 00:05:53.755 staying here next year for
NOTE Confidence: 0.9455724

00:05:53.755 --> 00:05:54.255 neuroimmunology
NOTE Confidence: 0.99976826

00:05:54.635 --> 00:05:55.135 fellowship.
NOTE Confidence: 0.9604079

00:05:55.995 --> 00:05:56.875 And he's one of the
NOTE Confidence: 0.9604079

00:05:56.875 --> 00:05:57.935 recruitment chiefs?
NOTE Confidence: 0.74394053

00:05:58.235 --> 00:05:59.375 Yes. As yeah.
NOTE Confidence: 0.87202966

00:05:59.835 --> 00:06:01.115 I'm Emily. I'm the other
NOTE Confidence: 0.87202966

00:06:01.115 --> 00:06:02.555 recruitment chief this year, also
NOTE Confidence: 0.87202966

00:06:02.555 --> 00:06:04.235 a PGY four. Next year,
NOTE Confidence: 0.87202966

00:06:04.235 --> 00:06:05.595 I'll be doing Metro College
NOTE Confidence: 0.87202966

00:06:05.595 --> 00:06:06.495 at Beth Israel.
NOTE Confidence: 0.99615127

00:06:08.930 --> 00:06:09.589 I'm Rachel.
NOTE Confidence: 0.9629805

00:06:10.050 --> 00:06:11.250 I'm not a recruitment chief.
NOTE Confidence: 0.9629805

00:06:11.250 --> 00:06:12.310 I'm a wellness chief.
NOTE Confidence: 0.8680947

00:06:12.770 --> 00:06:14.210 I will be doing a
NOTE Confidence: 0.8680947

00:06:14.210 --> 00:06:15.490 headache fellowship at Mass General

NOTE Confidence: 0.8680947

00:06:15.490 --> 00:06:15.990 next

NOTE Confidence: 0.9958476

00:06:17.169 --> 00:06:18.789 year. Hi, everyone. I'm Vanessa.

NOTE Confidence: 0.9928085

00:06:20.050 --> 00:06:21.490 I'm also one of the,

NOTE Confidence: 0.9673861

00:06:21.935 --> 00:06:24.015 chiefs. I'm education chief along

NOTE Confidence: 0.9673861

00:06:24.015 --> 00:06:25.235 with, Akash.

NOTE Confidence: 0.9495373

00:06:26.175 --> 00:06:27.935 And I I'm currently applying

NOTE Confidence: 0.9495373

00:06:27.935 --> 00:06:28.595 to neurophthalmology,

NOTE Confidence: 0.9482349

00:06:28.895 --> 00:06:30.255 so don't know where I'll

NOTE Confidence: 0.9482349

00:06:30.255 --> 00:06:31.775 end up, but guess we'll

NOTE Confidence: 0.9482349

00:06:31.775 --> 00:06:32.275 see.

NOTE Confidence: 0.9841094

00:06:33.455 --> 00:06:34.435 Hey. I'm Patrick.

NOTE Confidence: 0.92947936

00:06:35.135 --> 00:06:36.335 Another one of the PGY

NOTE Confidence: 0.92947936

00:06:36.335 --> 00:06:36.835 fours.

NOTE Confidence: 0.95506674

00:06:37.220 --> 00:06:38.820 I'm, staying at Yale for

NOTE Confidence: 0.95506674

00:06:38.820 --> 00:06:40.740 stroke fellowship next year. And

NOTE Confidence: 0.95506674

00:06:40.740 --> 00:06:41.700 I'll I'll add that. As
NOTE Confidence: 0.95506674

00:06:41.700 --> 00:06:42.420 you could see, we're all
NOTE Confidence: 0.95506674

00:06:42.420 --> 00:06:43.400 doing different fellowships.
NOTE Confidence: 0.79090655

00:06:43.740 --> 00:06:44.240 There's
NOTE Confidence: 0.8977835

00:06:44.580 --> 00:06:45.300 pretty wide,
NOTE Confidence: 0.9870253

00:06:45.620 --> 00:06:46.980 variability with what people do,
NOTE Confidence: 0.9870253

00:06:46.980 --> 00:06:48.180 and there's great access to
NOTE Confidence: 0.9870253

00:06:48.180 --> 00:06:49.480 all of the different subspecialties.
NOTE Confidence: 0.97187495

00:06:49.860 --> 00:06:51.465 And, we're pretty diverse in
NOTE Confidence: 0.97187495

00:06:51.465 --> 00:06:53.305 that sense. And, next year,
NOTE Confidence: 0.97187495

00:06:53.305 --> 00:06:54.345 five of us are staying,
NOTE Confidence: 0.97187495

00:06:54.505 --> 00:06:55.545 here at Yale for for
NOTE Confidence: 0.97187495

00:06:55.545 --> 00:06:56.665 fellowship, which is really exciting,
NOTE Confidence: 0.97187495

00:06:56.665 --> 00:06:57.705 and I think goes to
NOTE Confidence: 0.97187495

00:06:57.705 --> 00:06:58.825 show how much we, like
NOTE Confidence: 0.97187495

00:06:58.825 --> 00:06:59.865 the department and and like

NOTE Confidence: 0.97187495

00:06:59.865 --> 00:07:01.325 the, the training here.

NOTE Confidence: 0.97652

00:07:02.665 --> 00:07:04.905 Alright. Ahmed, I see you

NOTE Confidence: 0.97652

00:07:04.905 --> 00:07:05.405 on.

NOTE Confidence: 0.9961734

00:07:06.270 --> 00:07:06.930 Hi, everyone. My name

NOTE Confidence: 0.94371295

00:07:07.230 --> 00:07:08.589 is Ahmed. I'm, one of

NOTE Confidence: 0.94371295

00:07:08.589 --> 00:07:09.730 the PGY threes.

NOTE Confidence: 0.94762105

00:07:11.150 --> 00:07:11.650 Well

NOTE Confidence: 0.9881179

00:07:15.630 --> 00:07:16.130 Alright.

NOTE Confidence: 0.9981483

00:07:17.389 --> 00:07:18.050 I saw

NOTE Confidence: 0.9555013

00:07:18.590 --> 00:07:19.490 Rafaela's name.

NOTE Confidence: 0.9942268

00:07:19.870 --> 00:07:20.510 Are you

NOTE Confidence: 0.9497202

00:07:21.150 --> 00:07:22.485 I'm trying to there's so

NOTE Confidence: 0.9497202

00:07:22.485 --> 00:07:23.845 many people on this list.

NOTE Confidence: 0.9497202

00:07:24.085 --> 00:07:25.785 Rafaela, you wanna introduce yourself?

NOTE Confidence: 0.9305772

00:07:26.245 --> 00:07:28.265 Sure. Hi, everyone. I'm Rafaela,

NOTE Confidence: 0.9305772

00:07:28.485 --> 00:07:29.605 one of the PTOI ones
NOTE Confidence: 0.9305772

00:07:29.605 --> 00:07:30.105 here.
NOTE Confidence: 0.9986345

00:07:31.525 --> 00:07:32.645 Okay. I think I'm gonna
NOTE Confidence: 0.9986345

00:07:32.645 --> 00:07:33.765 have to rely on the
NOTE Confidence: 0.9986345

00:07:33.765 --> 00:07:36.265 residents to make themselves known.
NOTE Confidence: 0.99901634

00:07:38.060 --> 00:07:38.960 Are there others
NOTE Confidence: 0.9884837

00:07:39.980 --> 00:07:40.480 individually
NOTE Confidence: 0.9986522

00:07:41.020 --> 00:07:41.520 on?
NOTE Confidence: 0.9313544

00:07:42.220 --> 00:07:43.420 I am on. I'm Cara.
NOTE Confidence: 0.9313544

00:07:43.420 --> 00:07:44.080 I'm a PGYG.
NOTE Confidence: 0.9674338

00:07:45.020 --> 00:07:45.820 Sorry. I don't have my
NOTE Confidence: 0.9674338

00:07:45.820 --> 00:07:47.020 camera on. I'm having some
NOTE Confidence: 0.9674338

00:07:47.020 --> 00:07:48.300 camera issues, but,
NOTE Confidence: 0.9974896

00:07:49.260 --> 00:07:50.560 I'm a third year resident.
NOTE Confidence: 0.98976827

00:07:50.860 --> 00:07:52.460 I'm in the research track
NOTE Confidence: 0.98976827

00:07:52.460 --> 00:07:54.025 within the program, and I'm

NOTE Confidence: 0.98976827

00:07:54.025 --> 00:07:55.245 interested in neuromuscular.

NOTE Confidence: 0.9984056

00:07:57.625 --> 00:07:58.665 Oh, and I see that

NOTE Confidence: 0.9984056

00:07:58.665 --> 00:08:00.185 Vanessa has now joined us.

NOTE Confidence: 0.9984056

00:08:00.185 --> 00:08:02.045 Vanessa, you wanna introduce yourself?

NOTE Confidence: 0.9955775

00:08:04.425 --> 00:08:05.485 Yeah. Hi, everyone.

NOTE Confidence: 0.98222655

00:08:05.945 --> 00:08:07.485 My name is Vanessa Cooper.

NOTE Confidence: 0.98222655

00:08:07.545 --> 00:08:09.320 I am the associate director

NOTE Confidence: 0.98222655

00:08:09.320 --> 00:08:11.320 of collaborative excellence. So I'm

NOTE Confidence: 0.98222655

00:08:11.320 --> 00:08:12.760 part of the recruitment team,

NOTE Confidence: 0.9851577

00:08:13.320 --> 00:08:14.520 helping to make sure that

NOTE Confidence: 0.9851577

00:08:14.520 --> 00:08:15.980 we have a inclusive,

NOTE Confidence: 0.9997723

00:08:16.520 --> 00:08:17.740 residency representation.

NOTE Confidence: 0.9966621

00:08:18.919 --> 00:08:20.360 I also did residency here

NOTE Confidence: 0.9966621

00:08:20.360 --> 00:08:21.340 many years ago.

NOTE Confidence: 0.9660379

00:08:23.965 --> 00:08:25.565 I'll just add Elizabeth Deerhake

NOTE Confidence: 0.9660379

00:08:25.565 --> 00:08:26.604 is gonna be hopping on
NOTE Confidence: 0.9660379

00:08:26.604 --> 00:08:27.724 soon. And I mentioned that
NOTE Confidence: 0.9660379

00:08:27.724 --> 00:08:28.685 she's one of our PGY
NOTE Confidence: 0.9660379

00:08:28.685 --> 00:08:30.544 fours and is, the research
NOTE Confidence: 0.9660379

00:08:30.685 --> 00:08:32.045 chief. So if anyone is
NOTE Confidence: 0.9660379

00:08:32.045 --> 00:08:33.165 interested in the research track,
NOTE Confidence: 0.9660379

00:08:33.165 --> 00:08:34.365 any of that, we can
NOTE Confidence: 0.9660379

00:08:34.365 --> 00:08:35.645 hook you up with some
NOTE Confidence: 0.9660379

00:08:35.645 --> 00:08:36.145 information.
NOTE Confidence: 0.99923676

00:08:37.770 --> 00:08:39.470 Alright. Did I miss anybody?
NOTE Confidence: 0.97504914

00:08:42.090 --> 00:08:43.529 Speak now or forever hold
NOTE Confidence: 0.97504914

00:08:43.529 --> 00:08:44.190 your peace.
NOTE Confidence: 0.7536621

00:08:45.050 --> 00:08:45.550 No.
NOTE Confidence: 0.9994393

00:08:46.090 --> 00:08:47.929 Okay. So this is going
NOTE Confidence: 0.9994393

00:08:47.929 --> 00:08:49.450 to be how it's gonna
NOTE Confidence: 0.9994393

00:08:49.450 --> 00:08:49.950 go.

NOTE Confidence: 0.9562551
00:08:51.725 --> 00:08:52.845 I'm gonna give you a
NOTE Confidence: 0.9562551
00:08:52.845 --> 00:08:53.985 little bit of a presentation
NOTE Confidence: 0.9562551
00:08:54.205 --> 00:08:55.485 about what the program's all
NOTE Confidence: 0.9562551
00:08:55.485 --> 00:08:56.525 about and,
NOTE Confidence: 0.9854361
00:08:56.925 --> 00:08:58.285 what kinds of things we're
NOTE Confidence: 0.9854361
00:08:58.285 --> 00:08:59.905 excited about here at Yale.
NOTE Confidence: 0.97624743
00:09:00.605 --> 00:09:01.965 And then you'll have an
NOTE Confidence: 0.97624743
00:09:01.965 --> 00:09:03.805 opportunity to ask me some
NOTE Confidence: 0.97624743
00:09:03.805 --> 00:09:04.305 questions,
NOTE Confidence: 0.99871826
00:09:05.085 --> 00:09:05.825 and hopefully
NOTE Confidence: 0.9648799
00:09:06.250 --> 00:09:07.690 all of that won't take
NOTE Confidence: 0.9648799
00:09:07.690 --> 00:09:09.210 more than the next twenty
NOTE Confidence: 0.9648799
00:09:09.210 --> 00:09:10.590 minutes. And then we're gonna
NOTE Confidence: 0.9648799
00:09:10.890 --> 00:09:12.170 allow you to go into
NOTE Confidence: 0.9648799
00:09:12.170 --> 00:09:14.010 some breakout groups with our
NOTE Confidence: 0.9648799

00:09:14.010 --> 00:09:14.510 residents.
NOTE Confidence: 0.98267454

00:09:15.610 --> 00:09:16.970 And we're gonna give you
NOTE Confidence: 0.98267454

00:09:16.970 --> 00:09:18.730 about ten minutes to ask,
NOTE Confidence: 0.98267454

00:09:19.050 --> 00:09:20.430 questions of the residents
NOTE Confidence: 0.9908176

00:09:21.215 --> 00:09:23.375 themselves without program leadership in
NOTE Confidence: 0.9908176

00:09:23.375 --> 00:09:24.035 the room.
NOTE Confidence: 0.9738366

00:09:24.575 --> 00:09:26.255 And then after that, program
NOTE Confidence: 0.9738366

00:09:26.255 --> 00:09:27.315 leadership will,
NOTE Confidence: 0.9811592

00:09:27.934 --> 00:09:29.215 divvy up into the rooms
NOTE Confidence: 0.9811592

00:09:29.215 --> 00:09:30.655 for further questions, and then
NOTE Confidence: 0.9811592

00:09:30.655 --> 00:09:32.335 we'll come back together, and
NOTE Confidence: 0.9811592

00:09:32.335 --> 00:09:33.695 that will be the end.
NOTE Confidence: 0.9811592

00:09:33.934 --> 00:09:34.434 So
NOTE Confidence: 0.9949402

00:09:34.920 --> 00:09:36.040 any questions about that? It's
NOTE Confidence: 0.9949402

00:09:36.040 --> 00:09:37.480 a little complicated. Hopefully, we
NOTE Confidence: 0.9949402

00:09:37.480 --> 00:09:38.520 can get all the breakout

NOTE Confidence: 0.9949402

00:09:38.520 --> 00:09:40.440 rooms figured out. James is

NOTE Confidence: 0.9949402

00:09:40.440 --> 00:09:41.660 on it over there.

NOTE Confidence: 0.99733996

00:09:45.160 --> 00:09:46.380 Okay. So

NOTE Confidence: 0.98943615

00:09:47.240 --> 00:09:49.260 I'm gonna share my screen.

NOTE Confidence: 0.9838433

00:09:50.545 --> 00:09:53.205 Welcome to Yale Neurology Residency.

NOTE Confidence: 0.9838433

00:09:53.345 --> 00:09:55.285 We're so excited to see,

NOTE Confidence: 0.99762404

00:09:56.304 --> 00:09:57.985 so many people here interested

NOTE Confidence: 0.99762404

00:09:57.985 --> 00:09:58.885 in our program.

NOTE Confidence: 0.9962904

00:09:59.825 --> 00:10:01.425 This is from the welcome

NOTE Confidence: 0.9962904

00:10:01.425 --> 00:10:01.925 picnic

NOTE Confidence: 0.99969906

00:10:02.240 --> 00:10:03.360 at the beginning of this

NOTE Confidence: 0.99969906

00:10:03.360 --> 00:10:03.860 year

NOTE Confidence: 0.979609

00:10:04.240 --> 00:10:05.139 in my backyard.

NOTE Confidence: 0.8206883

00:10:05.759 --> 00:10:06.500 You can

NOTE Confidence: 0.99778694

00:10:06.879 --> 00:10:08.480 see my broken down swing

NOTE Confidence: 0.99778694

00:10:08.480 --> 00:10:08.980 set
NOTE Confidence: 0.97741574

00:10:10.000 --> 00:10:11.279 there and a lot of
NOTE Confidence: 0.97741574

00:10:11.279 --> 00:10:12.399 smiling faces. It was a
NOTE Confidence: 0.97741574

00:10:12.399 --> 00:10:13.759 beautiful day. There were a
NOTE Confidence: 0.97741574

00:10:13.759 --> 00:10:15.040 lot of yard games. There
NOTE Confidence: 0.97741574

00:10:15.040 --> 00:10:16.079 was a food truck. It
NOTE Confidence: 0.97741574

00:10:16.079 --> 00:10:17.139 was a good time.
NOTE Confidence: 0.97476715

00:10:18.955 --> 00:10:20.075 So just so you know
NOTE Confidence: 0.97476715

00:10:20.075 --> 00:10:21.115 how to get in touch
NOTE Confidence: 0.97476715

00:10:21.115 --> 00:10:21.775 with us,
NOTE Confidence: 0.9984544

00:10:22.235 --> 00:10:23.615 we are active
NOTE Confidence: 0.9366382

00:10:23.915 --> 00:10:26.015 on X, on Instagram.
NOTE Confidence: 0.9471347

00:10:27.355 --> 00:10:29.675 There is a webpage also
NOTE Confidence: 0.9471347

00:10:29.675 --> 00:10:31.135 that you can see here.
NOTE Confidence: 0.94633794

00:10:31.559 --> 00:10:33.480 We have a couple of
NOTE Confidence: 0.94633794

00:10:33.480 --> 00:10:35.160 podcasts that we're involved in,

NOTE Confidence: 0.94633794
00:10:35.320 --> 00:10:37.420 the Neurology Exam Prep Podcast.
NOTE Confidence: 0.9982867
00:10:38.200 --> 00:10:39.740 Some of you may have
NOTE Confidence: 0.90008175
00:10:40.440 --> 00:10:41.640 listened to over the years.
NOTE Confidence: 0.90008175
00:10:41.640 --> 00:10:43.340 There's a medical student series,
NOTE Confidence: 0.9282762
00:10:44.120 --> 00:10:45.400 and then My Baby, the
NOTE Confidence: 0.9282762
00:10:45.400 --> 00:10:46.995 Neurology Nuts and Bolts Podcast,
NOTE Confidence: 0.9282762
00:10:47.075 --> 00:10:48.434 which is a very career
NOTE Confidence: 0.9282762
00:10:48.434 --> 00:10:49.654 oriented podcast.
NOTE Confidence: 0.9772048
00:10:50.515 --> 00:10:51.735 And those are the names
NOTE Confidence: 0.9772048
00:10:51.795 --> 00:10:54.355 and contact information of, the
NOTE Confidence: 0.9772048
00:10:54.355 --> 00:10:56.035 program leadership as well as
NOTE Confidence: 0.9772048
00:10:56.035 --> 00:10:57.735 our fabulous program coordinator,
NOTE Confidence: 0.98114675
00:10:58.115 --> 00:10:59.015 Gina Magnotti.
NOTE Confidence: 0.9675859
00:11:01.160 --> 00:11:02.679 It is an advanced program
NOTE Confidence: 0.9675859
00:11:02.679 --> 00:11:04.440 with twelve positions starting at
NOTE Confidence: 0.9675859

00:11:04.440 --> 00:11:04.940 PGY2.

NOTE Confidence: 0.99890006

00:11:06.520 --> 00:11:07.900 But there are guaranteed

NOTE Confidence: 0.9829975

00:11:08.280 --> 00:11:10.120 preliminary medicine slots for all

NOTE Confidence: 0.9829975

00:11:10.120 --> 00:11:11.820 twelve residents. So, we literally

NOTE Confidence: 0.9829975

00:11:11.960 --> 00:11:13.595 match up our rank list

NOTE Confidence: 0.9829975

00:11:13.595 --> 00:11:15.355 with the internal medicine program

NOTE Confidence: 0.9829975

00:11:15.355 --> 00:11:16.895 to guarantee these slots.

NOTE Confidence: 0.9877204

00:11:17.434 --> 00:11:18.475 If you decide that you

NOTE Confidence: 0.9877204

00:11:18.475 --> 00:11:19.755 wanna come here as a

NOTE Confidence: 0.9877204

00:11:19.755 --> 00:11:21.115 prelim and you match into

NOTE Confidence: 0.9877204

00:11:21.115 --> 00:11:22.795 our neurology program, you will

NOTE Confidence: 0.9877204

00:11:22.795 --> 00:11:24.975 match into the preliminary program.

NOTE Confidence: 0.9877204

00:11:25.190 --> 00:11:26.390 But if you decide that

NOTE Confidence: 0.9877204

00:11:26.390 --> 00:11:27.269 you want to do your

NOTE Confidence: 0.9877204

00:11:27.269 --> 00:11:29.429 preliminary year elsewhere, for example,

NOTE Confidence: 0.9877204

00:11:29.429 --> 00:11:30.250 you have

NOTE Confidence: 0.97986406
00:11:31.190 --> 00:11:32.870 a partner who's finishing up
NOTE Confidence: 0.97986406
00:11:32.870 --> 00:11:34.309 medical school or some other
NOTE Confidence: 0.97986406
00:11:34.309 --> 00:11:35.769 compelling reason to,
NOTE Confidence: 0.99428624
00:11:36.230 --> 00:11:37.429 be somewhere else for a
NOTE Confidence: 0.99428624
00:11:37.429 --> 00:11:37.929 year,
NOTE Confidence: 0.99887455
00:11:38.390 --> 00:11:40.170 then you can do that.
NOTE Confidence: 0.99654704
00:11:40.695 --> 00:11:41.815 If you do decide to
NOTE Confidence: 0.99654704
00:11:41.815 --> 00:11:43.255 do PGY one year with
NOTE Confidence: 0.99654704
00:11:43.255 --> 00:11:45.175 us, you will do some
NOTE Confidence: 0.99654704
00:11:45.175 --> 00:11:45.675 neurology
NOTE Confidence: 0.953659
00:11:46.054 --> 00:11:46.934 to kind of get your
NOTE Confidence: 0.953659
00:11:46.934 --> 00:11:48.054 feet wet, make sure that
NOTE Confidence: 0.953659
00:11:48.054 --> 00:11:48.554 you're,
NOTE Confidence: 0.9944089
00:11:49.015 --> 00:11:51.335 engaged with, our residents and
NOTE Confidence: 0.9944089
00:11:51.335 --> 00:11:52.075 our faculty,
NOTE Confidence: 0.9934333

00:11:53.415 --> 00:11:55.195 and prepared for your PGY
NOTE Confidence: 0.9934333

00:11:55.255 --> 00:11:56.550 two years. So that includes
NOTE Confidence: 0.9934333

00:11:56.550 --> 00:11:57.990 four weeks of stroke, two
NOTE Confidence: 0.9934333

00:11:57.990 --> 00:11:59.510 weeks of neuro ICU, and
NOTE Confidence: 0.9934333

00:11:59.510 --> 00:12:01.510 two weeks of epilepsy and
NOTE Confidence: 0.9934333

00:12:01.510 --> 00:12:02.010 EEG.
NOTE Confidence: 0.9955486

00:12:03.429 --> 00:12:05.350 For prelim, you do not
NOTE Confidence: 0.9955486

00:12:05.350 --> 00:12:06.730 need to do a separate
NOTE Confidence: 0.9955486

00:12:06.790 --> 00:12:08.550 interview, but you do need
NOTE Confidence: 0.9955486

00:12:08.550 --> 00:12:09.290 to apply.
NOTE Confidence: 0.9350538

00:12:10.095 --> 00:12:10.595 So,
NOTE Confidence: 0.99860656

00:12:11.215 --> 00:12:12.655 your interview day with us
NOTE Confidence: 0.99860656

00:12:12.655 --> 00:12:14.175 counts as your interview day
NOTE Confidence: 0.99860656

00:12:14.175 --> 00:12:15.955 for the preliminary program.
NOTE Confidence: 0.96381074

00:12:16.895 --> 00:12:18.175 Most of our residents do
NOTE Confidence: 0.96381074

00:12:18.175 --> 00:12:19.855 pursue fellowships and there's a

NOTE Confidence: 0.96381074
00:12:19.855 --> 00:12:21.215 pretty big mix, as you
NOTE Confidence: 0.96381074
00:12:21.215 --> 00:12:22.355 heard from our PGY4
NOTE Confidence: 0.9588525
00:12:23.375 --> 00:12:25.170 residents, a mix of inpatient,
NOTE Confidence: 0.9588525
00:12:25.390 --> 00:12:27.550 outpatient, and all kinds of
NOTE Confidence: 0.9588525
00:12:27.550 --> 00:12:28.050 subspecialties.
NOTE Confidence: 0.959057
00:12:29.070 --> 00:12:30.670 And on average, fifty to
NOTE Confidence: 0.959057
00:12:30.670 --> 00:12:32.450 sixty percent of our residents
NOTE Confidence: 0.959057
00:12:32.590 --> 00:12:34.050 stay at Yale for fellowship
NOTE Confidence: 0.959057
00:12:34.110 --> 00:12:35.710 and many stay on as
NOTE Confidence: 0.959057
00:12:35.710 --> 00:12:36.210 faculty.
NOTE Confidence: 0.96901226
00:12:36.934 --> 00:12:38.615 Some go do fellowship elsewhere
NOTE Confidence: 0.96901226
00:12:38.615 --> 00:12:39.915 and come back as faculty.
NOTE Confidence: 0.96901226
00:12:39.975 --> 00:12:40.554 We have,
NOTE Confidence: 0.9988479
00:12:40.934 --> 00:12:42.295 a lot of retention in
NOTE Confidence: 0.9988479
00:12:42.295 --> 00:12:42.955 the department.
NOTE Confidence: 0.9867805

00:12:45.335 --> 00:12:46.855 For the application, you need

NOTE Confidence: 0.9867805

00:12:46.855 --> 00:12:48.155 three reference letters,

NOTE Confidence: 0.8816708

00:12:48.615 --> 00:12:50.375 at least, a maximum of

NOTE Confidence: 0.8816708

00:12:50.375 --> 00:12:50.875 four.

NOTE Confidence: 0.9813722

00:12:51.480 --> 00:12:52.679 We really want at least

NOTE Confidence: 0.9813722

00:12:52.679 --> 00:12:54.200 one to focus on clinical

NOTE Confidence: 0.9813722

00:12:54.200 --> 00:12:55.400 neurology. It's great if you

NOTE Confidence: 0.9813722

00:12:55.400 --> 00:12:57.000 have some research mentors that

NOTE Confidence: 0.9813722

00:12:57.000 --> 00:12:57.880 want to write letters for

NOTE Confidence: 0.9813722

00:12:57.880 --> 00:12:58.920 you, but that's not all

NOTE Confidence: 0.9813722

00:12:58.920 --> 00:12:59.800 that we want to know

NOTE Confidence: 0.9813722

00:12:59.800 --> 00:13:01.000 about you. We also want

NOTE Confidence: 0.9813722

00:13:01.000 --> 00:13:01.800 to make sure that you're

NOTE Confidence: 0.9813722

00:13:01.800 --> 00:13:02.700 going to be,

NOTE Confidence: 0.9369924

00:13:03.080 --> 00:13:03.980 able to,

NOTE Confidence: 0.91593397

00:13:04.679 --> 00:13:05.420 you know,

NOTE Confidence: 0.9871653

00:13:08.035 --> 00:13:09.154 hit the ground running in

NOTE Confidence: 0.9871653

00:13:09.154 --> 00:13:10.775 terms of your clinical neurology

NOTE Confidence: 0.9871653

00:13:10.915 --> 00:13:11.415 here.

NOTE Confidence: 0.9852823

00:13:12.355 --> 00:13:13.875 Most applicants do include at

NOTE Confidence: 0.9852823

00:13:13.875 --> 00:13:16.035 least one, internal medicine letter,

NOTE Confidence: 0.9852823

00:13:16.035 --> 00:13:17.075 and it doesn't have to

NOTE Confidence: 0.9852823

00:13:17.075 --> 00:13:18.295 be one of those form

NOTE Confidence: 0.9852823

00:13:18.355 --> 00:13:19.335 department letters.

NOTE Confidence: 0.9770343

00:13:20.300 --> 00:13:21.899 And we do understand that

NOTE Confidence: 0.9770343

00:13:21.899 --> 00:13:23.899 everybody's coming from different backgrounds

NOTE Confidence: 0.9770343

00:13:23.899 --> 00:13:25.740 with different experiences and different

NOTE Confidence: 0.9770343

00:13:25.740 --> 00:13:27.260 access to letter writers, and

NOTE Confidence: 0.9770343

00:13:27.260 --> 00:13:28.860 so that is taken into

NOTE Confidence: 0.9770343

00:13:28.860 --> 00:13:29.360 consideration.

NOTE Confidence: 0.97267735

00:13:30.059 --> 00:13:31.740 We plan on interviewing about

NOTE Confidence: 0.97267735

00:13:31.740 --> 00:13:32.959 a hundred thirty applicants,
NOTE Confidence: 0.99548936

00:13:33.820 --> 00:13:34.959 with twelve applicants
NOTE Confidence: 0.9980156

00:13:35.274 --> 00:13:35.855 per interview
NOTE Confidence: 0.9783523

00:13:36.235 --> 00:13:37.834 day. The interview days, I
NOTE Confidence: 0.9783523

00:13:37.834 --> 00:13:38.795 didn't list them here, but
NOTE Confidence: 0.9783523

00:13:38.795 --> 00:13:39.755 they are listed on the
NOTE Confidence: 0.9783523

00:13:39.755 --> 00:13:41.434 website. And we do two
NOTE Confidence: 0.9783523

00:13:41.434 --> 00:13:43.274 half day sessions, a morning
NOTE Confidence: 0.9783523

00:13:43.274 --> 00:13:45.035 session and an afternoon session
NOTE Confidence: 0.9783523

00:13:45.035 --> 00:13:47.195 with the case conference from
NOTE Confidence: 0.9783523

00:13:47.195 --> 00:13:48.955 noon to one overlapping between
NOTE Confidence: 0.9783523

00:13:48.955 --> 00:13:49.855 the two groups.
NOTE Confidence: 0.9272156

00:13:50.309 --> 00:13:51.670 And this is to accommodate
NOTE Confidence: 0.9272156

00:13:51.670 --> 00:13:52.550 different schedules.
NOTE Confidence: 0.97395027

00:13:53.429 --> 00:13:54.470 We would like to keep
NOTE Confidence: 0.97395027

00:13:54.470 --> 00:13:55.990 it, you know, a a

NOTE Confidence: 0.97395027

00:13:55.990 --> 00:13:57.910 tight, four hours for you

NOTE Confidence: 0.97395027

00:13:57.910 --> 00:13:59.590 so that it's not overly

NOTE Confidence: 0.97395027

00:13:59.590 --> 00:14:01.510 cumbersome. And, also, we don't

NOTE Confidence: 0.97395027

00:14:01.510 --> 00:14:03.684 want our, West Coast contingent

NOTE Confidence: 0.97395027

00:14:03.684 --> 00:14:04.485 to have to wake up

NOTE Confidence: 0.97395027

00:14:04.485 --> 00:14:05.524 at five o'clock in the

NOTE Confidence: 0.97395027

00:14:05.524 --> 00:14:06.885 morning in order to interview

NOTE Confidence: 0.97395027

00:14:06.885 --> 00:14:07.545 with us.

NOTE Confidence: 0.98517996

00:14:08.165 --> 00:14:09.285 So this has been a

NOTE Confidence: 0.98517996

00:14:09.285 --> 00:14:11.524 really, nice way to do

NOTE Confidence: 0.98517996

00:14:11.524 --> 00:14:12.024 that.

NOTE Confidence: 0.99485785

00:14:12.804 --> 00:14:14.804 All applications are reviewed. There's

NOTE Confidence: 0.99485785

00:14:14.804 --> 00:14:16.024 a holistic review,

NOTE Confidence: 0.7668369

00:14:17.125 --> 00:14:17.445 by,

NOTE Confidence: 0.9553134

00:14:18.380 --> 00:14:20.880 multiple reviewers, and all reviewers

NOTE Confidence: 0.9553134

00:14:21.020 --> 00:14:22.940 are educated on sources of
NOTE Confidence: 0.9553134

00:14:22.940 --> 00:14:24.080 bias in applications.
NOTE Confidence: 0.9910907

00:14:24.940 --> 00:14:26.720 There is no strict USMLE
NOTE Confidence: 0.9910907

00:14:26.940 --> 00:14:28.700 cutoff score. It's not like
NOTE Confidence: 0.9910907

00:14:28.700 --> 00:14:29.580 if you get below a
NOTE Confidence: 0.9910907

00:14:29.580 --> 00:14:31.020 certain score, we won't review
NOTE Confidence: 0.9910907

00:14:31.020 --> 00:14:31.760 your application.
NOTE Confidence: 0.9951698

00:14:32.815 --> 00:14:34.654 We do interview and match
NOTE Confidence: 0.9951698

00:14:34.654 --> 00:14:35.154 IMGs.
NOTE Confidence: 0.8903447

00:14:36.014 --> 00:14:37.774 Rafael is here as one
NOTE Confidence: 0.8903447

00:14:37.774 --> 00:14:38.274 example,
NOTE Confidence: 0.9619509

00:14:38.654 --> 00:14:40.574 Vanessa as well, as you
NOTE Confidence: 0.9619509

00:14:40.574 --> 00:14:41.315 can see.
NOTE Confidence: 0.99582267

00:14:42.255 --> 00:14:43.074 We do
NOTE Confidence: 0.7525024

00:14:43.855 --> 00:14:44.355 prefer,
NOTE Confidence: 0.9534953

00:14:45.214 --> 00:14:47.640 US direct care experience with

NOTE Confidence: 0.9534953
00:14:47.640 --> 00:14:48.940 a letter of recommendation.
NOTE Confidence: 0.9555905
00:14:50.200 --> 00:14:50.700 And,
NOTE Confidence: 0.92422736
00:14:51.920 --> 00:14:53.340 and ideally, that would be
NOTE Confidence: 0.9709456
00:14:53.720 --> 00:14:55.400 an actual care experience and
NOTE Confidence: 0.9709456
00:14:55.400 --> 00:14:56.700 not just an observership,
NOTE Confidence: 0.99797696
00:14:57.480 --> 00:14:59.340 and scholarly work is preferred.
NOTE Confidence: 0.99386525
00:15:00.360 --> 00:15:01.420 And we
NOTE Confidence: 0.95226634
00:15:01.795 --> 00:15:04.695 have a policy that we,
NOTE Confidence: 0.9873583
00:15:05.795 --> 00:15:07.415 that you should have graduated
NOTE Confidence: 0.9873583
00:15:07.475 --> 00:15:08.835 from medical school within the
NOTE Confidence: 0.9873583
00:15:08.835 --> 00:15:10.675 last five years with very,
NOTE Confidence: 0.9873583
00:15:10.675 --> 00:15:12.855 very rare exceptions to that.
NOTE Confidence: 0.9626324
00:15:13.555 --> 00:15:15.075 We do offer visas, j
NOTE Confidence: 0.9626324
00:15:15.075 --> 00:15:16.115 one and h one b
NOTE Confidence: 0.9626324
00:15:16.115 --> 00:15:16.855 as well,
NOTE Confidence: 0.9698625

00:15:17.339 --> 00:15:19.500 depending on circumstances. And, of
NOTE Confidence: 0.9698625

00:15:19.500 --> 00:15:21.360 course, there are different, criteria
NOTE Confidence: 0.9698625

00:15:21.579 --> 00:15:23.360 for getting those different visas.
NOTE Confidence: 0.98757136

00:15:25.420 --> 00:15:26.540 So when we look at
NOTE Confidence: 0.98757136

00:15:26.540 --> 00:15:28.140 the applications, we look at
NOTE Confidence: 0.98757136

00:15:28.140 --> 00:15:30.320 grades, of course, the MSPE,
NOTE Confidence: 0.8743454

00:15:30.779 --> 00:15:32.240 including all the comments,
NOTE Confidence: 0.9870524

00:15:33.125 --> 00:15:34.905 research and scholarly work,
NOTE Confidence: 0.9935952

00:15:35.365 --> 00:15:37.365 your leadership and engagement with
NOTE Confidence: 0.9935952

00:15:37.365 --> 00:15:38.105 your community,
NOTE Confidence: 0.9884615

00:15:38.885 --> 00:15:40.725 including your medical school community
NOTE Confidence: 0.9884615

00:15:40.725 --> 00:15:42.505 and and the greater community.
NOTE Confidence: 0.9139707

00:15:43.205 --> 00:15:44.245 And also we look at
NOTE Confidence: 0.9139707

00:15:44.245 --> 00:15:46.505 something called distance traveled,
NOTE Confidence: 0.93023556

00:15:47.205 --> 00:15:48.185 which is really,
NOTE Confidence: 0.99803066

00:15:48.700 --> 00:15:49.519 thinking about,

NOTE Confidence: 0.9821598

00:15:50.380 --> 00:15:51.500 you know, what kinds of

NOTE Confidence: 0.9821598

00:15:51.500 --> 00:15:53.180 opportunities you may have had

NOTE Confidence: 0.9821598

00:15:53.180 --> 00:15:54.380 growing up and in your

NOTE Confidence: 0.9821598

00:15:54.380 --> 00:15:56.459 education and and whether you

NOTE Confidence: 0.9821598

00:15:56.459 --> 00:15:58.380 took full advantage of those

NOTE Confidence: 0.9821598

00:15:58.380 --> 00:16:00.060 opportunities that were given to

NOTE Confidence: 0.9821598

00:16:00.060 --> 00:16:02.415 you rather than thinking about

NOTE Confidence: 0.9821598

00:16:02.415 --> 00:16:04.015 everybody as having the same

NOTE Confidence: 0.9821598

00:16:04.015 --> 00:16:04.515 opportunities.

NOTE Confidence: 0.9815851

00:16:05.535 --> 00:16:06.815 In the interview, we look

NOTE Confidence: 0.9815851

00:16:06.815 --> 00:16:08.495 at clinical skills, we look

NOTE Confidence: 0.9815851

00:16:08.495 --> 00:16:10.675 at academic and scholarship potential,

NOTE Confidence: 0.9815851

00:16:10.815 --> 00:16:12.495 we look at citizenship and

NOTE Confidence: 0.9815851

00:16:12.495 --> 00:16:12.995 leadership

NOTE Confidence: 0.9895375

00:16:14.029 --> 00:16:14.529 potential.

NOTE Confidence: 0.96468383

00:16:15.230 --> 00:16:17.170 We we're evaluating your interpersonal
NOTE Confidence: 0.96468383

00:16:17.310 --> 00:16:18.769 skills, as you can imagine.
NOTE Confidence: 0.9393365

00:16:19.149 --> 00:16:20.430 And we do in our,
NOTE Confidence: 0.8648361

00:16:21.069 --> 00:16:21.709 in our,
NOTE Confidence: 0.9681616

00:16:22.509 --> 00:16:24.509 interviews, ask some behavioral based
NOTE Confidence: 0.9681616

00:16:24.509 --> 00:16:26.689 questions, which are structured questions,
NOTE Confidence: 0.9436078

00:16:27.635 --> 00:16:29.715 in different domains such as
NOTE Confidence: 0.9436078

00:16:29.715 --> 00:16:30.215 resilience,
NOTE Confidence: 0.97104794

00:16:31.635 --> 00:16:33.555 that where, we're really just
NOTE Confidence: 0.97104794

00:16:33.555 --> 00:16:35.075 trying to get an idea
NOTE Confidence: 0.97104794

00:16:35.075 --> 00:16:35.575 of,
NOTE Confidence: 0.9966617

00:16:36.515 --> 00:16:38.135 fairness across interviews,
NOTE Confidence: 0.9955145

00:16:38.755 --> 00:16:41.415 asking similar questions across interviews.
NOTE Confidence: 0.99802005

00:16:45.020 --> 00:16:45.520 Okay.
NOTE Confidence: 0.9984964

00:16:46.460 --> 00:16:48.560 So for the interview experience,
NOTE Confidence: 0.97000587

00:16:49.260 --> 00:16:50.860 the the night before, you'll

NOTE Confidence: 0.97000587
00:16:50.860 --> 00:16:51.920 meet with the residents,
NOTE Confidence: 0.9416766
00:16:53.100 --> 00:16:54.460 virtually, and that,
NOTE Confidence: 0.9825524
00:16:54.860 --> 00:16:56.300 is usually a a panel
NOTE Confidence: 0.9825524
00:16:56.300 --> 00:16:57.760 discussion with introductions.
NOTE Confidence: 0.9579493
00:16:58.140 --> 00:16:59.504 Sometimes they come up
NOTE Confidence: 0.98740864
00:16:59.805 --> 00:17:01.345 with small games or icebreakers
NOTE Confidence: 0.98740864
00:17:01.564 --> 00:17:02.685 and things like that that
NOTE Confidence: 0.98740864
00:17:02.685 --> 00:17:03.345 are fun.
NOTE Confidence: 0.94323605
00:17:03.964 --> 00:17:05.184 And then there are opportunities
NOTE Confidence: 0.977786
00:17:06.044 --> 00:17:07.645 for smaller group or one
NOTE Confidence: 0.977786
00:17:07.645 --> 00:17:09.164 on one discussions with residents
NOTE Confidence: 0.977786
00:17:09.164 --> 00:17:10.044 so you can get your
NOTE Confidence: 0.977786
00:17:10.044 --> 00:17:11.184 questions answered.
NOTE Confidence: 0.9768719
00:17:11.490 --> 00:17:13.010 And then on interview day,
NOTE Confidence: 0.9768719
00:17:13.010 --> 00:17:14.290 I'll I'll do an overview
NOTE Confidence: 0.9768719

00:17:14.290 --> 00:17:15.170 of the program, let you
NOTE Confidence: 0.9768719

00:17:15.170 --> 00:17:16.450 know all of the kind
NOTE Confidence: 0.9768719

00:17:16.450 --> 00:17:17.410 of nuts and bolts of
NOTE Confidence: 0.9768719

00:17:17.410 --> 00:17:18.070 the program.
NOTE Confidence: 0.9997681

00:17:18.369 --> 00:17:19.730 You'll have a number of
NOTE Confidence: 0.9997681

00:17:19.730 --> 00:17:21.170 interviews with a mix of
NOTE Confidence: 0.9997681

00:17:21.170 --> 00:17:21.670 faculty
NOTE Confidence: 0.93441916

00:17:22.050 --> 00:17:22.950 and residents,
NOTE Confidence: 0.9879626

00:17:23.330 --> 00:17:24.050 so you can get a
NOTE Confidence: 0.9879626

00:17:24.050 --> 00:17:25.030 range of experiences,
NOTE Confidence: 0.95511764

00:17:26.044 --> 00:17:27.405 the case discussion, as I
NOTE Confidence: 0.95511764

00:17:27.405 --> 00:17:27.905 mentioned.
NOTE Confidence: 0.99237233

00:17:28.445 --> 00:17:30.044 And again, there's no separate
NOTE Confidence: 0.99237233

00:17:30.044 --> 00:17:30.544 preliminary
NOTE Confidence: 0.99837625

00:17:30.845 --> 00:17:33.025 internal medicine interview that's required.
NOTE Confidence: 0.95467

00:17:34.684 --> 00:17:36.205 A couple of additional things.

NOTE Confidence: 0.95467

00:17:36.205 --> 00:17:37.085 We do have an X

NOTE Confidence: 0.95467

00:17:37.085 --> 00:17:38.525 plus Y or five plus

NOTE Confidence: 0.95467

00:17:38.525 --> 00:17:40.544 one or clinic block format,

NOTE Confidence: 0.95467

00:17:40.684 --> 00:17:41.700 however you might

NOTE Confidence: 0.99524015

00:17:42.419 --> 00:17:43.700 call it. We were one

NOTE Confidence: 0.99524015

00:17:43.700 --> 00:17:44.659 of the first to do

NOTE Confidence: 0.99524015

00:17:44.659 --> 00:17:46.580 this, back in twenty eighteen,

NOTE Confidence: 0.99524015

00:17:46.580 --> 00:17:48.039 and it's been a really

NOTE Confidence: 0.99524015

00:17:48.100 --> 00:17:49.799 wonderful thing for our residents,

NOTE Confidence: 0.9793108

00:17:50.740 --> 00:17:51.859 to get this,

NOTE Confidence: 0.99940634

00:17:52.340 --> 00:17:52.840 dedicated

NOTE Confidence: 0.99922544

00:17:53.220 --> 00:17:55.639 outpatient experience every six weeks.

NOTE Confidence: 0.9880276

00:17:56.345 --> 00:17:57.865 They can look forward to

NOTE Confidence: 0.9880276

00:17:57.865 --> 00:17:59.225 that if, you know, if

NOTE Confidence: 0.9880276

00:17:59.225 --> 00:18:00.605 they're having some,

NOTE Confidence: 0.97904444

00:18:01.065 --> 00:18:03.405 harder rotations or busier rotations.
NOTE Confidence: 0.99031144

00:18:04.425 --> 00:18:06.105 And it also gives them
NOTE Confidence: 0.99031144

00:18:06.105 --> 00:18:08.265 opportunities throughout the three years
NOTE Confidence: 0.99031144

00:18:08.265 --> 00:18:09.785 of their neurology training to
NOTE Confidence: 0.99031144

00:18:09.785 --> 00:18:10.710 get both,
NOTE Confidence: 0.84000754

00:18:12.230 --> 00:18:12.890 general outpatient
NOTE Confidence: 0.9568282

00:18:13.270 --> 00:18:15.910 neurology experience and subspecialty outpatient
NOTE Confidence: 0.9568282

00:18:15.910 --> 00:18:17.049 neurology experience.
NOTE Confidence: 0.9299063

00:18:19.270 --> 00:18:20.950 We have continuity clinics at
NOTE Confidence: 0.9299063

00:18:20.950 --> 00:18:23.190 multiple locations, including at Yale,
NOTE Confidence: 0.9299063

00:18:23.190 --> 00:18:25.455 at the VA, Veterans Association
NOTE Confidence: 0.9299063

00:18:25.695 --> 00:18:27.455 Hospital in West Haven, and
NOTE Confidence: 0.9299063

00:18:27.455 --> 00:18:29.234 also at a community hospital
NOTE Confidence: 0.9299063

00:18:29.294 --> 00:18:30.434 called Hill Health,
NOTE Confidence: 0.9495397

00:18:30.894 --> 00:18:31.635 that sees,
NOTE Confidence: 0.99640286

00:18:32.015 --> 00:18:32.994 very underserved

NOTE Confidence: 0.9988163

00:18:33.375 --> 00:18:34.755 populations of patients.

NOTE Confidence: 0.9715363

00:18:36.015 --> 00:18:37.950 There's no in house twenty

NOTE Confidence: 0.9715363

00:18:37.950 --> 00:18:39.869 eight hour call since twenty

NOTE Confidence: 0.9715363

00:18:39.869 --> 00:18:41.630 seventeen. We, moved at that

NOTE Confidence: 0.9715363

00:18:41.630 --> 00:18:42.830 time to a night float

NOTE Confidence: 0.9715363

00:18:42.830 --> 00:18:43.330 system.

NOTE Confidence: 0.9878199

00:18:44.510 --> 00:18:44.990 And,

NOTE Confidence: 0.99203664

00:18:45.470 --> 00:18:46.830 we do have early exposure

NOTE Confidence: 0.99203664

00:18:46.830 --> 00:18:48.990 to outpatient specialties during clinic

NOTE Confidence: 0.99203664

00:18:48.990 --> 00:18:49.490 block.

NOTE Confidence: 0.952192

00:18:50.414 --> 00:18:52.335 And, you know, I'm a

NOTE Confidence: 0.952192

00:18:52.335 --> 00:18:54.414 movement disorder specialist. Jeff is

NOTE Confidence: 0.952192

00:18:54.414 --> 00:18:55.554 a neuromuscular

NOTE Confidence: 0.9737824

00:18:55.934 --> 00:18:56.434 specialist.

NOTE Confidence: 0.9692235

00:18:56.894 --> 00:18:58.575 Vanessa is a headache specialist.

NOTE Confidence: 0.9692235

00:18:58.575 --> 00:18:59.774 So we really care a
NOTE Confidence: 0.9692235

00:18:59.774 --> 00:19:01.455 lot about your outpatient experience.
NOTE Confidence: 0.9692235

00:19:01.455 --> 00:19:03.580 And I spent many hours
NOTE Confidence: 0.84820443

00:19:03.960 --> 00:19:05.000 every six months,
NOTE Confidence: 0.97791564

00:19:05.400 --> 00:19:07.340 going through what your preferences
NOTE Confidence: 0.97791564

00:19:07.560 --> 00:19:09.020 are for, outpatient
NOTE Confidence: 0.9402252

00:19:09.320 --> 00:19:09.820 subspecialty
NOTE Confidence: 0.91667306

00:19:10.200 --> 00:19:12.140 experiences and make, individualized
NOTE Confidence: 0.9996872

00:19:12.440 --> 00:19:13.900 schedules for each resident.
NOTE Confidence: 0.9774669

00:19:15.585 --> 00:19:16.405 We have,
NOTE Confidence: 0.9485268

00:19:17.185 --> 00:19:17.825 a lot of,
NOTE Confidence: 0.99976754

00:19:18.625 --> 00:19:19.984 different ways that you can
NOTE Confidence: 0.99976754

00:19:19.984 --> 00:19:22.005 explore your career opportunities
NOTE Confidence: 0.9981443

00:19:22.465 --> 00:19:23.525 during your residency.
NOTE Confidence: 0.9793691

00:19:24.225 --> 00:19:25.765 So there's a very popular
NOTE Confidence: 0.9793691

00:19:25.905 --> 00:19:28.945 clinician educator distinction pathway, which

NOTE Confidence: 0.9793691

00:19:28.945 --> 00:19:29.750 has had,

NOTE Confidence: 0.9723916

00:19:30.290 --> 00:19:31.990 a lot of graduates, seventeen

NOTE Confidence: 0.9723916

00:19:32.050 --> 00:19:33.730 grads since twenty sixteen, and

NOTE Confidence: 0.9723916

00:19:33.730 --> 00:19:34.850 there are ten currently in

NOTE Confidence: 0.9723916

00:19:34.850 --> 00:19:36.369 the track. And this is

NOTE Confidence: 0.9723916

00:19:36.369 --> 00:19:37.970 a nice longitudinal way to

NOTE Confidence: 0.9723916

00:19:37.970 --> 00:19:38.850 get a lot of,

NOTE Confidence: 0.97438794

00:19:39.490 --> 00:19:41.430 experience as a clinician educator

NOTE Confidence: 0.97438794

00:19:41.490 --> 00:19:43.490 and some, exposure to a

NOTE Confidence: 0.97438794

00:19:43.490 --> 00:19:45.575 scholarly project in medical education.

NOTE Confidence: 0.9350958

00:19:46.515 --> 00:19:48.054 There is a global neurology

NOTE Confidence: 0.9350958

00:19:48.275 --> 00:19:48.775 distinction,

NOTE Confidence: 0.868735

00:19:51.635 --> 00:19:52.375 where residents

NOTE Confidence: 0.94899213

00:19:52.994 --> 00:19:54.934 spend some time in Uganda,

NOTE Confidence: 0.9289097

00:19:56.994 --> 00:19:57.734 and also

NOTE Confidence: 0.98074925

00:19:58.115 --> 00:20:00.080 have some global neurology
NOTE Confidence: 0.96143687

00:20:01.179 --> 00:20:02.859 coursework. And this has had
NOTE Confidence: 0.96143687

00:20:02.859 --> 00:20:04.799 four graduates since twenty seventeen.
NOTE Confidence: 0.92643213

00:20:05.500 --> 00:20:06.559 And then we have,
NOTE Confidence: 0.93584764

00:20:07.100 --> 00:20:08.700 what's called a health equity
NOTE Confidence: 0.93584764

00:20:08.700 --> 00:20:10.480 patient safety and quality improvement
NOTE Confidence: 0.93584764

00:20:10.619 --> 00:20:11.119 pathway,
NOTE Confidence: 0.9649376

00:20:11.855 --> 00:20:13.475 which, is exactly,
NOTE Confidence: 0.9257535

00:20:14.175 --> 00:20:15.295 the things that it says
NOTE Confidence: 0.9257535

00:20:15.295 --> 00:20:15.955 that exist.
NOTE Confidence: 0.9403908

00:20:17.535 --> 00:20:19.215 And, I think they actually
NOTE Confidence: 0.9403908

00:20:19.215 --> 00:20:20.915 renamed it from HEPSCUII
NOTE Confidence: 0.9370078

00:20:22.095 --> 00:20:23.935 to health equity, quality improvement,
NOTE Confidence: 0.9370078

00:20:23.935 --> 00:20:25.715 and patient safety because HEPSCUII
NOTE Confidence: 0.9370078

00:20:25.775 --> 00:20:27.330 is such a silly acronym.
NOTE Confidence: 0.97664773

00:20:27.630 --> 00:20:28.450 But anyway,

NOTE Confidence: 0.94106364
00:20:28.990 --> 00:20:29.630 this is,
NOTE Confidence: 0.96518886
00:20:30.109 --> 00:20:31.090 focusing on,
NOTE Confidence: 0.8441578
00:20:31.710 --> 00:20:32.690 healthcare administration,
NOTE Confidence: 0.9916316
00:20:33.230 --> 00:20:35.070 quality improvement, and those types
NOTE Confidence: 0.9916316
00:20:35.070 --> 00:20:35.730 of things.
NOTE Confidence: 0.97486126
00:20:36.669 --> 00:20:37.490 We have,
NOTE Confidence: 0.9908516
00:20:38.029 --> 00:20:39.710 a research track as well.
NOTE Confidence: 0.9908516
00:20:39.710 --> 00:20:40.210 So,
NOTE Confidence: 0.99804825
00:20:41.149 --> 00:20:43.065 we have three current residents
NOTE Confidence: 0.99804825
00:20:43.125 --> 00:20:44.425 in this track who
NOTE Confidence: 0.908443
00:20:44.725 --> 00:20:45.225 are,
NOTE Confidence: 0.9776861
00:20:45.925 --> 00:20:47.465 very engaged in,
NOTE Confidence: 0.9993355
00:20:48.085 --> 00:20:48.585 translational
NOTE Confidence: 0.997849
00:20:49.125 --> 00:20:49.625 research,
NOTE Confidence: 0.987342
00:20:50.085 --> 00:20:52.345 clinical research, basic science research,
NOTE Confidence: 0.9834186

00:20:53.045 --> 00:20:54.885 and, some of whom have
NOTE Confidence: 0.9834186

00:20:54.885 --> 00:20:57.065 pursued the UE5 or R25
NOTE Confidence: 0.880915

00:20:58.830 --> 00:20:59.330 grant
NOTE Confidence: 0.9866759

00:20:59.630 --> 00:21:01.390 through the NIH. And then
NOTE Confidence: 0.9866759

00:21:01.390 --> 00:21:02.609 there's also just
NOTE Confidence: 0.99952763

00:21:03.070 --> 00:21:04.850 an enormous amount of other
NOTE Confidence: 0.80397666

00:21:05.470 --> 00:21:05.970 scholarship,
NOTE Confidence: 0.82175136

00:21:07.309 --> 00:21:07.809 and
NOTE Confidence: 0.98652875

00:21:08.670 --> 00:21:09.890 engagement with
NOTE Confidence: 0.97088945

00:21:10.215 --> 00:21:12.375 national and international organizations that
NOTE Confidence: 0.97088945

00:21:12.375 --> 00:21:14.294 our residents do. They're on
NOTE Confidence: 0.97088945

00:21:14.294 --> 00:21:14.794 leadership,
NOTE Confidence: 0.94998616

00:21:16.695 --> 00:21:18.794 editorial boards at the AEN,
NOTE Confidence: 0.9883195

00:21:19.815 --> 00:21:21.674 the NRMP, the ACGME,
NOTE Confidence: 0.99800414

00:21:22.855 --> 00:21:24.775 and really take advantage of
NOTE Confidence: 0.99800414

00:21:24.775 --> 00:21:25.674 a lot of

NOTE Confidence: 0.99844867

00:21:26.250 --> 00:21:28.030 wonderful programs and opportunities.

NOTE Confidence: 0.98733974

00:21:28.650 --> 00:21:29.770 We're very proud of our

NOTE Confidence: 0.98733974

00:21:29.770 --> 00:21:30.270 residents.

NOTE Confidence: 0.8937119

00:21:31.609 --> 00:21:33.130 So Vanessa is here with

NOTE Confidence: 0.8937119

00:21:33.130 --> 00:21:33.790 us today.

NOTE Confidence: 0.9645587

00:21:34.330 --> 00:21:36.090 So in terms of our

NOTE Confidence: 0.9645587

00:21:36.090 --> 00:21:37.230 commitment to diversity

NOTE Confidence: 0.984021

00:21:37.690 --> 00:21:38.350 and inclusion,

NOTE Confidence: 0.7913484

00:21:39.383 --> 00:21:39.450 Vanessa serves as the associate

NOTE Confidence: 0.7913484

00:21:39.450 --> 00:21:39.516 director for this in education,

NOTE Confidence: 0.7913484

00:21:39.530 --> 00:21:39.780 and,

NOTE Confidence: 0.6407023

00:21:41.744 --> 00:21:42.244 department

NOTE Confidence: 0.93654597

00:21:46.785 --> 00:21:47.285 level,

NOTE Confidence: 0.8899093

00:21:50.305 --> 00:21:52.385 there is also, the director

NOTE Confidence: 0.8899093

00:21:52.385 --> 00:21:54.545 of collaborative excellences, Doctor. Reshma

NOTE Confidence: 0.8899093

00:21:54.545 --> 00:21:55.045 Narula.
NOTE Confidence: 0.9986032

00:21:56.190 --> 00:21:57.230 As I mentioned, we have
NOTE Confidence: 0.9986032

00:21:57.230 --> 00:21:58.529 a holistic application
NOTE Confidence: 0.96615356

00:21:58.909 --> 00:22:00.510 review by a trained group,
NOTE Confidence: 0.96615356

00:22:00.510 --> 00:22:01.010 including,
NOTE Confidence: 0.8043583

00:22:02.669 --> 00:22:03.169 training,
NOTE Confidence: 0.97058576

00:22:03.789 --> 00:22:05.490 against bias in applications.
NOTE Confidence: 0.97492653

00:22:06.429 --> 00:22:08.190 And there's mandatory anti bias
NOTE Confidence: 0.97492653

00:22:08.190 --> 00:22:09.470 training for all residents, as
NOTE Confidence: 0.97492653

00:22:09.470 --> 00:22:11.169 well as bystander training,
NOTE Confidence: 0.9799609

00:22:12.305 --> 00:22:14.325 for faculty, for all faculty
NOTE Confidence: 0.9799609

00:22:14.385 --> 00:22:15.905 at our faculty retreats in
NOTE Confidence: 0.9799609

00:22:15.905 --> 00:22:16.645 order to,
NOTE Confidence: 0.9971461

00:22:17.025 --> 00:22:18.305 give them the tools to
NOTE Confidence: 0.9971461

00:22:18.305 --> 00:22:19.365 respond to microaggressions
NOTE Confidence: 0.98575634

00:22:19.905 --> 00:22:20.725 that may be,

NOTE Confidence: 0.9594876
00:22:22.625 --> 00:22:24.545 targeted towards them or towards

NOTE Confidence: 0.9594876
00:22:24.545 --> 00:22:25.045 trainees,

NOTE Confidence: 0.95119345
00:22:26.060 --> 00:22:26.780 that are,

NOTE Confidence: 0.9979034
00:22:27.180 --> 00:22:28.240 working with them.

NOTE Confidence: 0.9700713
00:22:28.940 --> 00:22:31.200 We have clinical grand rounds

NOTE Confidence: 0.9700713
00:22:31.260 --> 00:22:33.359 and patient safety quality improvement

NOTE Confidence: 0.9700713
00:22:33.420 --> 00:22:34.880 conferences that are dedicated

NOTE Confidence: 0.99920243
00:22:35.180 --> 00:22:35.680 to

NOTE Confidence: 0.92196774
00:22:36.060 --> 00:22:37.119 looking at,

NOTE Confidence: 0.9216307
00:22:37.500 --> 00:22:39.500 diversity, equity and inclusion and

NOTE Confidence: 0.9216307
00:22:39.500 --> 00:22:41.045 gaps in health access and

NOTE Confidence: 0.9216307
00:22:41.045 --> 00:22:41.545 outcomes

NOTE Confidence: 0.94898707
00:22:41.925 --> 00:22:44.185 and multiple community outreach opportunities.

NOTE Confidence: 0.94898707
00:22:44.244 --> 00:22:45.045 So you can see in

NOTE Confidence: 0.94898707
00:22:45.045 --> 00:22:47.205 this picture, this is, Rachel

NOTE Confidence: 0.94898707

00:22:47.205 --> 00:22:48.805 Foreman on the right and
NOTE Confidence: 0.94898707

00:22:48.805 --> 00:22:49.305 Jasmine,
NOTE Confidence: 0.9596784

00:22:49.685 --> 00:22:51.545 who's one of our, residents
NOTE Confidence: 0.9596784

00:22:51.605 --> 00:22:52.325 on the left,
NOTE Confidence: 0.9637124

00:22:52.980 --> 00:22:54.340 doing Stamp Out Stroke, which
NOTE Confidence: 0.9637124

00:22:54.340 --> 00:22:55.800 is a community engagement
NOTE Confidence: 0.8985575

00:22:56.179 --> 00:22:57.720 through the stroke department.
NOTE Confidence: 0.835088

00:23:00.179 --> 00:23:01.160 So for the next
NOTE Confidence: 0.92274445

00:23:02.179 --> 00:23:03.460 Our vision for the future,
NOTE Confidence: 0.92274445

00:23:03.460 --> 00:23:04.900 everybody always asks this, right?
NOTE Confidence: 0.92274445

00:23:04.900 --> 00:23:06.119 So we're going to just
NOTE Confidence: 0.98506474

00:23:06.420 --> 00:23:07.460 nip this in the bud
NOTE Confidence: 0.98506474

00:23:07.460 --> 00:23:08.420 and tell you what our
NOTE Confidence: 0.98506474

00:23:08.420 --> 00:23:09.595 vision is right off the
NOTE Confidence: 0.98506474

00:23:09.595 --> 00:23:11.515 bat. So in terms of
NOTE Confidence: 0.98506474

00:23:11.515 --> 00:23:12.255 our vision,

NOTE Confidence: 0.9395783

00:23:12.635 --> 00:23:13.674 we have a lot of

NOTE Confidence: 0.9395783

00:23:13.674 --> 00:23:15.595 new neurology leadership, as you

NOTE Confidence: 0.9395783

00:23:15.595 --> 00:23:17.775 can see, with Doctor. Khatri

NOTE Confidence: 0.9395783

00:23:17.914 --> 00:23:19.455 and myself and

NOTE Confidence: 0.829072

00:23:19.755 --> 00:23:21.294 Stephanie stepping into

NOTE Confidence: 0.984849

00:23:21.755 --> 00:23:22.494 these roles.

NOTE Confidence: 0.9700954

00:23:23.220 --> 00:23:25.419 And I'm, you know, every

NOTE Confidence: 0.9700954

00:23:25.419 --> 00:23:27.252 time I meet with Doctor.

NOTE Confidence: 0.9700954

00:23:27.252 --> 00:23:29.085 Khatri, I just leave energized

NOTE Confidence: 0.9700954

00:23:29.085 --> 00:23:30.919 because I feel like we're

NOTE Confidence: 0.9700954

00:23:30.919 --> 00:23:33.118 so aligned in, our priorities

NOTE Confidence: 0.9700954

00:23:33.118 --> 00:23:34.951 for the educational mission of

NOTE Confidence: 0.9700954

00:23:34.951 --> 00:23:35.685 this department.

NOTE Confidence: 0.9969412

00:23:36.645 --> 00:23:38.485 We are actively recruiting for

NOTE Confidence: 0.9969412

00:23:38.485 --> 00:23:39.385 a new neurohospitalist

NOTE Confidence: 0.87203443

00:23:39.925 --> 00:23:40.425 service,
NOTE Confidence: 0.9357726

00:23:41.365 --> 00:23:42.665 and a neurohospitalist
NOTE Confidence: 0.8816049

00:23:43.205 --> 00:23:43.705 division.
NOTE Confidence: 0.97154456

00:23:44.325 --> 00:23:46.265 And we're actually just expanding
NOTE Confidence: 0.97154456

00:23:46.485 --> 00:23:48.725 basically every division in this
NOTE Confidence: 0.97154456

00:23:48.725 --> 00:23:50.025 department, including,
NOTE Confidence: 0.9997409

00:23:51.450 --> 00:23:52.669 a very robust
NOTE Confidence: 0.8290914

00:23:53.049 --> 00:23:54.030 focus on
NOTE Confidence: 0.90525913

00:23:54.409 --> 00:23:55.950 expanding general neurology.
NOTE Confidence: 0.8311968

00:23:57.130 --> 00:23:57.630 And,
NOTE Confidence: 0.99509394

00:23:58.090 --> 00:23:59.210 one of the reasons that
NOTE Confidence: 0.99509394

00:23:59.210 --> 00:24:01.230 we're moving towards a neurohospitalist
NOTE Confidence: 0.972033

00:24:01.770 --> 00:24:03.369 service is because in twenty
NOTE Confidence: 0.972033

00:24:03.369 --> 00:24:04.925 twenty seven, there will be
NOTE Confidence: 0.972033

00:24:04.925 --> 00:24:06.645 a new neuroscience tower in
NOTE Confidence: 0.972033

00:24:06.645 --> 00:24:08.405 downtown New Haven at the

NOTE Confidence: 0.972033

00:24:08.405 --> 00:24:09.765 site of the St. Raphael's

NOTE Confidence: 0.972033

00:24:09.765 --> 00:24:11.125 campus of Yale New Haven

NOTE Confidence: 0.972033

00:24:11.125 --> 00:24:11.625 Hospital.

NOTE Confidence: 0.92798567

00:24:12.165 --> 00:24:13.545 And this is gonna be

NOTE Confidence: 0.92798567

00:24:13.684 --> 00:24:15.205 a big, beautiful state of

NOTE Confidence: 0.92798567

00:24:15.205 --> 00:24:15.865 the art,

NOTE Confidence: 0.98089516

00:24:16.690 --> 00:24:17.510 place where,

NOTE Confidence: 0.9965704

00:24:17.970 --> 00:24:19.430 our inpatient teams

NOTE Confidence: 0.97949094

00:24:19.810 --> 00:24:20.869 are going to be moving,

NOTE Confidence: 0.99397224

00:24:21.410 --> 00:24:22.530 a lot of our neuro

NOTE Confidence: 0.99397224

00:24:22.530 --> 00:24:23.030 ICU,

NOTE Confidence: 0.99471796

00:24:23.330 --> 00:24:24.130 our stroke,

NOTE Confidence: 0.98771155

00:24:24.450 --> 00:24:25.750 and our general neurology,

NOTE Confidence: 0.99316937

00:24:26.930 --> 00:24:28.369 and EMU teams are going

NOTE Confidence: 0.99316937

00:24:28.369 --> 00:24:29.410 to be moving over there.

NOTE Confidence: 0.99316937

00:24:29.410 --> 00:24:30.850 So we're really excited about
NOTE Confidence: 0.99316937

00:24:30.850 --> 00:24:31.350 that.
NOTE Confidence: 0.9866619

00:24:32.115 --> 00:24:34.035 And then we're constantly looking
NOTE Confidence: 0.9866619

00:24:34.035 --> 00:24:36.535 at expanding resident career opportunities.
NOTE Confidence: 0.9866619

00:24:36.755 --> 00:24:37.795 So you heard about some
NOTE Confidence: 0.9866619

00:24:37.795 --> 00:24:39.234 of the opportunities that there
NOTE Confidence: 0.9866619

00:24:39.234 --> 00:24:40.695 are in research,
NOTE Confidence: 0.94314957

00:24:40.994 --> 00:24:43.015 in global health, in education,
NOTE Confidence: 0.94314957

00:24:43.234 --> 00:24:44.994 in patient safety and quality
NOTE Confidence: 0.94314957

00:24:44.994 --> 00:24:45.494 improvement.
NOTE Confidence: 0.99274886

00:24:46.039 --> 00:24:47.500 And I'm also really passionate
NOTE Confidence: 0.99274886

00:24:47.559 --> 00:24:48.539 about advocacy,
NOTE Confidence: 0.9070315

00:24:48.919 --> 00:24:50.440 outreach, and leadership. And I
NOTE Confidence: 0.9070315

00:24:50.440 --> 00:24:50.940 think,
NOTE Confidence: 0.98771733

00:24:51.320 --> 00:24:52.600 that these are some things
NOTE Confidence: 0.98771733

00:24:52.600 --> 00:24:53.879 that I am going to

NOTE Confidence: 0.98771733

00:24:53.879 --> 00:24:55.260 be focusing on,

NOTE Confidence: 0.9874377

00:24:55.640 --> 00:24:57.340 in the coming years.

NOTE Confidence: 0.99593914

00:24:58.520 --> 00:25:00.940 We are innovators in education.

NOTE Confidence: 0.97215164

00:25:01.320 --> 00:25:02.575 We have been under the

NOTE Confidence: 0.97215164

00:25:02.575 --> 00:25:04.415 leadership of Doctor. Moller, and,

NOTE Confidence: 0.97215164

00:25:04.735 --> 00:25:06.015 that continues to be a

NOTE Confidence: 0.97215164

00:25:06.015 --> 00:25:07.535 passion of both him and

NOTE Confidence: 0.97215164

00:25:07.535 --> 00:25:08.015 me.

NOTE Confidence: 0.9498703

00:25:09.055 --> 00:25:11.715 Doctor. Capucci is, doing a

NOTE Confidence: 0.9498703

00:25:11.935 --> 00:25:12.435 longitudinal

NOTE Confidence: 0.99940807

00:25:12.815 --> 00:25:13.715 medical education

NOTE Confidence: 0.9817491

00:25:14.490 --> 00:25:15.869 fellowship this year.

NOTE Confidence: 0.9328131

00:25:16.170 --> 00:25:17.850 Doctor. Dewey did the master's

NOTE Confidence: 0.9328131

00:25:17.850 --> 00:25:19.609 degree in medical education as

NOTE Confidence: 0.9328131

00:25:19.609 --> 00:25:21.369 I did. So we all

NOTE Confidence: 0.9328131

00:25:21.369 --> 00:25:21.770 have,

NOTE Confidence: 0.9454913

00:25:22.170 --> 00:25:24.330 sought additional training in medical

NOTE Confidence: 0.9454913

00:25:24.330 --> 00:25:26.170 education and it's really something

NOTE Confidence: 0.9454913

00:25:26.170 --> 00:25:27.850 we feel very passionately about.

NOTE Confidence: 0.9454913

00:25:27.850 --> 00:25:30.105 And I particularly love curriculum

NOTE Confidence: 0.9454913

00:25:30.165 --> 00:25:30.665 development.

NOTE Confidence: 0.97017545

00:25:31.605 --> 00:25:32.805 And all of this happens

NOTE Confidence: 0.97017545

00:25:32.805 --> 00:25:34.505 with resident input. So,

NOTE Confidence: 0.9267102

00:25:35.445 --> 00:25:37.205 we have education chiefs as

NOTE Confidence: 0.9267102

00:25:37.205 --> 00:25:38.725 you heard, and they're really

NOTE Confidence: 0.9267102

00:25:38.725 --> 00:25:39.045 just,

NOTE Confidence: 0.936748

00:25:40.165 --> 00:25:41.445 helpful to make all kinds

NOTE Confidence: 0.936748

00:25:41.445 --> 00:25:42.105 of changes.

NOTE Confidence: 0.9148087

00:25:42.450 --> 00:25:43.649 And then there's a really

NOTE Confidence: 0.9148087

00:25:43.649 --> 00:25:45.409 robust mentorship structure. And one

NOTE Confidence: 0.9148087

00:25:45.409 --> 00:25:46.450 thing that I've been working

NOTE Confidence: 0.9148087
00:25:46.450 --> 00:25:47.649 on with the residents over
NOTE Confidence: 0.9148087
00:25:47.649 --> 00:25:48.609 the past couple of years
NOTE Confidence: 0.9148087
00:25:48.609 --> 00:25:50.690 is developing a curriculum in
NOTE Confidence: 0.9148087
00:25:50.690 --> 00:25:52.710 transition to practice, which is
NOTE Confidence: 0.9148087
00:25:52.850 --> 00:25:55.090 under the umbrella of my
NOTE Confidence: 0.9148087
00:25:55.090 --> 00:25:56.218 podcast that I do, but
NOTE Confidence: 0.9148087
00:25:56.218 --> 00:25:56.263 also direct lectures about things
NOTE Confidence: 0.9148087
00:25:56.263 --> 00:25:56.950 like billing. New Haven,
NOTE Confidence: 0.7699994
00:25:58.135 --> 00:25:59.434 about things like billing.
NOTE Confidence: 0.8769702
00:26:01.174 --> 00:26:01.915 New Haven,
NOTE Confidence: 0.992334
00:26:02.375 --> 00:26:04.135 is a wonderful place to
NOTE Confidence: 0.992334
00:26:04.135 --> 00:26:06.054 live. I didn't know anything
NOTE Confidence: 0.992334
00:26:06.054 --> 00:26:07.335 about it when I moved
NOTE Confidence: 0.992334
00:26:07.335 --> 00:26:09.115 here and have been pleasantly
NOTE Confidence: 0.992334
00:26:09.255 --> 00:26:10.234 surprised. It's
NOTE Confidence: 0.89558464

00:26:10.615 --> 00:26:12.795 actually very similar demographically

NOTE Confidence: 0.999156

00:26:13.174 --> 00:26:13.674 to

NOTE Confidence: 0.9924723

00:26:14.190 --> 00:26:15.630 the rest of America. As

NOTE Confidence: 0.9924723

00:26:15.630 --> 00:26:16.669 you can see here, it's

NOTE Confidence: 0.9924723

00:26:16.669 --> 00:26:17.549 at the top of the

NOTE Confidence: 0.9924723

00:26:17.549 --> 00:26:18.049 list.

NOTE Confidence: 0.9887715

00:26:18.510 --> 00:26:20.109 It's a beautiful campus. If

NOTE Confidence: 0.9887715

00:26:20.109 --> 00:26:21.390 you've never been here, even

NOTE Confidence: 0.9887715

00:26:21.390 --> 00:26:22.270 if you don't end up

NOTE Confidence: 0.9887715

00:26:22.270 --> 00:26:23.869 here for residency, I recommend

NOTE Confidence: 0.9887715

00:26:23.869 --> 00:26:24.690 you visit.

NOTE Confidence: 0.9620978

00:26:25.390 --> 00:26:27.309 This, top right, for example,

NOTE Confidence: 0.9620978

00:26:27.309 --> 00:26:28.130 is the Cushing's

NOTE Confidence: 0.9130122

00:26:29.234 --> 00:26:30.675 center, which has all of,

NOTE Confidence: 0.9130122

00:26:30.915 --> 00:26:31.734 the biomedical

NOTE Confidence: 0.99829674

00:26:32.195 --> 00:26:34.355 specimens of Harvey Cushing in

NOTE Confidence: 0.99829674
00:26:34.355 --> 00:26:35.575 a beautiful display.
NOTE Confidence: 0.97303635
00:26:36.835 --> 00:26:38.195 There's a lot of art
NOTE Confidence: 0.97303635
00:26:38.195 --> 00:26:40.035 as a former theater nerd
NOTE Confidence: 0.97303635
00:26:40.035 --> 00:26:40.915 in high school.
NOTE Confidence: 0.91425294
00:26:41.234 --> 00:26:42.994 I can say that, going
NOTE Confidence: 0.91425294
00:26:42.994 --> 00:26:43.494 to,
NOTE Confidence: 0.9624284
00:26:44.450 --> 00:26:45.890 all of the the art
NOTE Confidence: 0.9624284
00:26:45.890 --> 00:26:46.930 and the theater and the
NOTE Confidence: 0.9624284
00:26:46.930 --> 00:26:47.830 music here,
NOTE Confidence: 0.9773649
00:26:48.369 --> 00:26:49.010 has been,
NOTE Confidence: 0.98645705
00:26:49.330 --> 00:26:50.230 just a wonderful,
NOTE Confidence: 0.9452468
00:26:51.650 --> 00:26:53.490 a compliment to my life
NOTE Confidence: 0.9452468
00:26:53.490 --> 00:26:55.010 in New Haven. And I've
NOTE Confidence: 0.9452468
00:26:55.010 --> 00:26:56.130 been part of a choir
NOTE Confidence: 0.9452468
00:26:56.130 --> 00:26:57.830 for many years, for example.
NOTE Confidence: 0.95647395

00:26:59.145 --> 00:26:59.625 And,
NOTE Confidence: 0.98821867
00:26:59.945 --> 00:27:01.145 it's just a cool place
NOTE Confidence: 0.98821867
00:27:01.145 --> 00:27:02.745 to live. And it's you
NOTE Confidence: 0.98821867
00:27:02.745 --> 00:27:03.785 know, people hear about New
NOTE Confidence: 0.98821867
00:27:03.785 --> 00:27:04.985 Haven pizza, but there's a
NOTE Confidence: 0.98821867
00:27:04.985 --> 00:27:06.105 lot more to New Haven
NOTE Confidence: 0.98821867
00:27:06.105 --> 00:27:06.765 than that.
NOTE Confidence: 0.9655264
00:27:08.265 --> 00:27:10.105 And if you're itching to
NOTE Confidence: 0.9655264
00:27:10.105 --> 00:27:11.490 get out and about, it's
NOTE Confidence: 0.9655264
00:27:11.570 --> 00:27:13.170 easy to take the metro
NOTE Confidence: 0.9655264
00:27:13.170 --> 00:27:14.290 north down to New York
NOTE Confidence: 0.9655264
00:27:14.290 --> 00:27:15.170 for an hour and a
NOTE Confidence: 0.9655264
00:27:15.170 --> 00:27:16.609 half and then, you know,
NOTE Confidence: 0.9655264
00:27:16.609 --> 00:27:17.330 come back,
NOTE Confidence: 0.9924832
00:27:17.809 --> 00:27:18.869 to your quiet,
NOTE Confidence: 0.9997532
00:27:19.330 --> 00:27:19.830 house

NOTE Confidence: 0.9979558

00:27:20.530 --> 00:27:21.429 in New Haven.

NOTE Confidence: 0.98156613

00:27:22.290 --> 00:27:23.330 You can go to the

NOTE Confidence: 0.98156613

00:27:23.330 --> 00:27:24.609 beach. The beach is five

NOTE Confidence: 0.98156613

00:27:24.609 --> 00:27:25.890 minutes away from my house.

NOTE Confidence: 0.98156613

00:27:25.890 --> 00:27:26.850 You can go skiing in

NOTE Confidence: 0.98156613

00:27:26.850 --> 00:27:28.424 Vermont. It's two hours away.

NOTE Confidence: 0.98156613

00:27:28.424 --> 00:27:30.184 There's wonderful hiking. This is

NOTE Confidence: 0.98156613

00:27:30.184 --> 00:27:31.705 my husband and my son

NOTE Confidence: 0.98156613

00:27:31.705 --> 00:27:33.145 apple picking at the orchard

NOTE Confidence: 0.98156613

00:27:33.145 --> 00:27:34.525 down the street from me.

NOTE Confidence: 0.99904084

00:27:35.865 --> 00:27:37.164 And we are just

NOTE Confidence: 0.97935724

00:27:37.465 --> 00:27:37.965 happy,

NOTE Confidence: 0.9912243

00:27:38.345 --> 00:27:40.105 people who like each other.

NOTE Confidence: 0.9912243

00:27:40.105 --> 00:27:41.460 So, you know, there's that.

NOTE Confidence: 0.96334046

00:27:42.020 --> 00:27:43.480 You want a place where

NOTE Confidence: 0.96334046

00:27:43.619 --> 00:27:44.520 where everybody,
NOTE Confidence: 0.9769144

00:27:45.059 --> 00:27:46.340 you know, likes hanging out
NOTE Confidence: 0.9769144

00:27:46.340 --> 00:27:48.340 in the workroom. They like,
NOTE Confidence: 0.961298

00:27:49.299 --> 00:27:50.659 running into each other on
NOTE Confidence: 0.961298

00:27:50.659 --> 00:27:51.619 the elevator. And,
NOTE Confidence: 0.99737597

00:27:52.340 --> 00:27:53.720 and at the same time,
NOTE Confidence: 0.99737597

00:27:53.859 --> 00:27:55.940 we're constantly being inspired by
NOTE Confidence: 0.99737597

00:27:55.940 --> 00:27:56.600 each other.
NOTE Confidence: 0.99102867

00:27:57.335 --> 00:27:57.835 So,
NOTE Confidence: 0.9780892

00:27:58.295 --> 00:27:59.175 I hope that gave you
NOTE Confidence: 0.9780892

00:27:59.175 --> 00:28:00.215 a little bit of an
NOTE Confidence: 0.9780892

00:28:00.215 --> 00:28:02.395 idea of what Yale Neurology
NOTE Confidence: 0.9780892

00:28:02.455 --> 00:28:03.435 is all about.
NOTE Confidence: 0.99154115

00:28:04.375 --> 00:28:05.515 And I know it's
NOTE Confidence: 0.98928213

00:28:05.815 --> 00:28:07.494 I'm of course, I took
NOTE Confidence: 0.98928213

00:28:07.494 --> 00:28:08.855 too long, but, I would

NOTE Confidence: 0.98928213
00:28:08.855 --> 00:28:10.455 welcome any questions before we
NOTE Confidence: 0.98928213
00:28:10.455 --> 00:28:12.315 go into the breakout rooms.
NOTE Confidence: 0.60111
00:28:24.750 --> 00:28:25.250 So,
NOTE Confidence: 0.99067324
00:28:26.465 --> 00:28:28.465 that is a so we
NOTE Confidence: 0.99067324
00:28:28.465 --> 00:28:29.984 do not have any twenty
NOTE Confidence: 0.99067324
00:28:29.984 --> 00:28:31.845 twenty six PGY two positions
NOTE Confidence: 0.99067324
00:28:31.984 --> 00:28:32.484 open.
NOTE Confidence: 0.98694897
00:28:33.665 --> 00:28:34.885 So that is,
NOTE Confidence: 0.9869113
00:28:35.425 --> 00:28:36.565 a relic,
NOTE Confidence: 0.99478674
00:28:37.825 --> 00:28:39.605 to answer your question, Anna.
NOTE Confidence: 0.9915161
00:28:45.260 --> 00:28:46.779 So we're we're only so
NOTE Confidence: 0.9915161
00:28:46.779 --> 00:28:47.820 the question in the chat
NOTE Confidence: 0.9915161
00:28:47.820 --> 00:28:48.960 is about signals,
NOTE Confidence: 0.9990659
00:28:49.500 --> 00:28:51.039 and geographic preferences.
NOTE Confidence: 0.999123
00:28:52.059 --> 00:28:53.179 I think signals are much
NOTE Confidence: 0.999123

00:28:53.179 --> 00:28:55.200 more important than geographic preferences.

NOTE Confidence: 0.986235

00:28:56.125 --> 00:28:58.205 It's helpful to you know,

NOTE Confidence: 0.986235

00:28:58.205 --> 00:28:59.725 if you are from California

NOTE Confidence: 0.986235

00:28:59.725 --> 00:29:00.945 and you've been in California

NOTE Confidence: 0.986235

00:29:01.085 --> 00:29:02.205 for your whole life and

NOTE Confidence: 0.986235

00:29:02.205 --> 00:29:04.044 you've never left California and

NOTE Confidence: 0.986235

00:29:04.044 --> 00:29:05.424 you signal New England,

NOTE Confidence: 0.9423075

00:29:05.804 --> 00:29:07.085 you know, then that might

NOTE Confidence: 0.9423075

00:29:07.085 --> 00:29:07.985 be helpful,

NOTE Confidence: 0.9066221

00:29:08.525 --> 00:29:10.010 to understand that you're actually

NOTE Confidence: 0.9066221

00:29:10.010 --> 00:29:11.710 maybe willing to leave California.

NOTE Confidence: 0.9780872

00:29:13.049 --> 00:29:14.970 Signals are going to be,

NOTE Confidence: 0.9780872

00:29:15.289 --> 00:29:16.669 very important. We,

NOTE Confidence: 0.8604319

00:29:16.970 --> 00:29:17.530 we are,

NOTE Confidence: 0.9989391

00:29:18.730 --> 00:29:19.230 just

NOTE Confidence: 0.9564586

00:29:19.770 --> 00:29:21.049 figuring this out. Right? This

NOTE Confidence: 0.9564586
00:29:21.049 --> 00:29:22.250 is only the second year
NOTE Confidence: 0.9564586
00:29:22.250 --> 00:29:23.870 that eight signals are available,
NOTE Confidence: 0.98723423
00:29:24.635 --> 00:29:26.235 to neurology, and so we
NOTE Confidence: 0.98723423
00:29:26.235 --> 00:29:27.755 have one year's worth of
NOTE Confidence: 0.98723423
00:29:27.755 --> 00:29:29.055 experience with this.
NOTE Confidence: 0.99638814
00:29:29.915 --> 00:29:31.515 But, you know, I think
NOTE Confidence: 0.99638814
00:29:31.515 --> 00:29:32.875 that if Yale is not
NOTE Confidence: 0.99638814
00:29:32.875 --> 00:29:34.315 in your top eight of
NOTE Confidence: 0.99638814
00:29:34.315 --> 00:29:34.815 programs,
NOTE Confidence: 0.9844427
00:29:35.995 --> 00:29:36.475 then,
NOTE Confidence: 0.98743
00:29:37.035 --> 00:29:38.955 that's gonna be something that
NOTE Confidence: 0.98743
00:29:38.955 --> 00:29:41.020 I'm gonna take seriously into
NOTE Confidence: 0.98743
00:29:41.020 --> 00:29:41.520 consideration.
NOTE Confidence: 0.99941456
00:29:41.980 --> 00:29:43.680 I do understand that IMGs
NOTE Confidence: 0.99236673
00:29:44.060 --> 00:29:45.740 have a different calculus, and
NOTE Confidence: 0.99236673

00:29:45.740 --> 00:29:47.180 so just be aware that
NOTE Confidence: 0.99236673

00:29:47.180 --> 00:29:48.800 I I do understand that.
NOTE Confidence: 0.9972207

00:29:50.300 --> 00:29:51.360 The next question
NOTE Confidence: 0.90143013

00:29:51.940 --> 00:29:52.960 what oh, dear.
NOTE Confidence: 0.92113173

00:29:57.225 --> 00:29:58.045 How important
NOTE Confidence: 0.9974382

00:29:58.345 --> 00:30:00.105 oh, wait. For IMG, how
NOTE Confidence: 0.9974382

00:30:00.105 --> 00:30:00.605 long
NOTE Confidence: 0.8894763

00:30:01.785 --> 00:30:02.285 USCE
NOTE Confidence: 0.99677515

00:30:02.745 --> 00:30:03.565 is needed?
NOTE Confidence: 0.97940433

00:30:05.545 --> 00:30:06.745 I'm sorry. I don't actually
NOTE Confidence: 0.97940433

00:30:06.745 --> 00:30:08.105 know what that means. Is
NOTE Confidence: 0.97940433

00:30:08.105 --> 00:30:10.205 it US clinical experience, probably?
NOTE Confidence: 0.9197478

00:30:11.590 --> 00:30:13.610 Oh, you oh, US clinical
NOTE Confidence: 0.9197478

00:30:13.669 --> 00:30:14.169 experience.
NOTE Confidence: 0.945954

00:30:17.350 --> 00:30:18.090 I think,
NOTE Confidence: 0.86175096

00:30:19.190 --> 00:30:20.330 the more the better.

NOTE Confidence: 0.9898461
00:30:22.470 --> 00:30:23.750 But, you know, I know
NOTE Confidence: 0.9898461
00:30:23.750 --> 00:30:25.370 that there are some limitations
NOTE Confidence: 0.99654216
00:30:25.750 --> 00:30:26.789 to what can be offered
NOTE Confidence: 0.99654216
00:30:26.789 --> 00:30:27.695 to an IMG.
NOTE Confidence: 0.99344367
00:30:28.955 --> 00:30:30.315 I think at least at
NOTE Confidence: 0.99344367
00:30:30.315 --> 00:30:31.674 least a month of solid
NOTE Confidence: 0.99344367
00:30:31.674 --> 00:30:33.434 clinical experience would be,
NOTE Confidence: 0.9991625
00:30:33.995 --> 00:30:35.375 would be helpful to have.
NOTE Confidence: 0.98388964
00:30:36.794 --> 00:30:38.394 How long important is the
NOTE Confidence: 0.98388964
00:30:38.394 --> 00:30:40.394 internal medicine letter for IMG
NOTE Confidence: 0.98388964
00:30:40.394 --> 00:30:40.894 applicants?
NOTE Confidence: 0.9671421
00:30:41.950 --> 00:30:42.910 Well, you know, I think
NOTE Confidence: 0.9671421
00:30:42.910 --> 00:30:43.230 that,
NOTE Confidence: 0.9093421
00:30:44.350 --> 00:30:45.410 I think that,
NOTE Confidence: 0.99720937
00:30:47.070 --> 00:30:47.570 because
NOTE Confidence: 0.9781312

00:30:48.270 --> 00:30:49.970 we are kind of linked,
NOTE Confidence: 0.9781312

00:30:50.030 --> 00:30:51.250 though we're not categorical
NOTE Confidence: 0.95859396

00:30:51.550 --> 00:30:53.330 with the internal medicine department,
NOTE Confidence: 0.95659053

00:30:53.965 --> 00:30:55.725 that if they're reviewing your
NOTE Confidence: 0.95659053

00:30:55.725 --> 00:30:57.425 applications, then they're gonna,
NOTE Confidence: 0.96638215

00:30:57.965 --> 00:30:59.645 be very interested in seeing
NOTE Confidence: 0.96638215

00:30:59.645 --> 00:31:01.405 the perspective of an internal
NOTE Confidence: 0.96638215

00:31:01.405 --> 00:31:02.685 medicine colleague to make sure
NOTE Confidence: 0.96638215

00:31:02.685 --> 00:31:03.725 that you'll do well in
NOTE Confidence: 0.96638215

00:31:03.725 --> 00:31:04.705 the intern year.
NOTE Confidence: 0.9759141

00:31:05.245 --> 00:31:07.165 Jeremy's had more conversations with
NOTE Confidence: 0.9759141

00:31:07.165 --> 00:31:08.525 Mark Siegel about this, so
NOTE Confidence: 0.9759141

00:31:08.525 --> 00:31:09.630 I wonder if you have
NOTE Confidence: 0.9759141

00:31:09.630 --> 00:31:11.330 any thoughts on that question.
NOTE Confidence: 0.9872608

00:31:13.070 --> 00:31:13.950 Yeah. I think I think
NOTE Confidence: 0.9872608

00:31:13.950 --> 00:31:14.990 it's gonna be hard to

NOTE Confidence: 0.9872608
00:31:14.990 --> 00:31:17.150 answer in a a broad
NOTE Confidence: 0.9872608
00:31:17.150 --> 00:31:18.750 group. Right? We we look
NOTE Confidence: 0.9872608
00:31:18.750 --> 00:31:19.730 at every application,
NOTE Confidence: 0.93877447
00:31:20.670 --> 00:31:21.110 on,
NOTE Confidence: 0.9530813
00:31:21.550 --> 00:31:22.450 on its own.
NOTE Confidence: 0.98065996
00:31:23.230 --> 00:31:24.290 And so,
NOTE Confidence: 0.97984934
00:31:24.815 --> 00:31:26.095 you know, it's it's a
NOTE Confidence: 0.97984934
00:31:26.095 --> 00:31:27.155 holistic review.
NOTE Confidence: 0.9492097
00:31:27.695 --> 00:31:28.755 But in general,
NOTE Confidence: 0.8234192
00:31:30.015 --> 00:31:30.415 the,
NOTE Confidence: 0.96811765
00:31:31.775 --> 00:31:33.054 you know, we we wanna
NOTE Confidence: 0.96811765
00:31:33.054 --> 00:31:34.035 see some significant,
NOTE Confidence: 0.9768805
00:31:36.095 --> 00:31:37.695 clinical experience in in most
NOTE Confidence: 0.9768805
00:31:37.695 --> 00:31:38.895 cases, but we take into
NOTE Confidence: 0.9768805
00:31:38.895 --> 00:31:40.335 account the availability that might
NOTE Confidence: 0.9768805

00:31:40.335 --> 00:31:40.710 be there
NOTE Confidence: 0.990193

00:31:42.789 --> 00:31:43.289 for
NOTE Confidence: 0.99968815

00:31:43.590 --> 00:31:44.090 that.
NOTE Confidence: 0.87881815

00:31:44.630 --> 00:31:45.289 Can you,
NOTE Confidence: 0.9162803

00:31:45.669 --> 00:31:47.029 how much elective or other
NOTE Confidence: 0.9162803

00:31:47.029 --> 00:31:48.230 exposure we might have to
NOTE Confidence: 0.9162803

00:31:48.230 --> 00:31:50.250 subspecialties in PGY two?
NOTE Confidence: 0.98538005

00:31:50.950 --> 00:31:52.789 So the the clinic block
NOTE Confidence: 0.98538005

00:31:52.789 --> 00:31:54.809 system really allows you to,
NOTE Confidence: 0.9940351

00:31:55.190 --> 00:31:56.375 have subspecialty
NOTE Confidence: 0.97230506

00:31:56.675 --> 00:31:57.175 experience,
NOTE Confidence: 0.99177796

00:31:57.875 --> 00:31:59.475 starting from day one of
NOTE Confidence: 0.99177796

00:31:59.475 --> 00:32:00.995 your PGY two. So when
NOTE Confidence: 0.99177796

00:32:00.995 --> 00:32:02.695 you're not in continuity clinics,
NOTE Confidence: 0.99177796

00:32:02.915 --> 00:32:03.875 you can go to your
NOTE Confidence: 0.99177796

00:32:03.875 --> 00:32:04.375 subspecialty

NOTE Confidence: 0.8151138

00:32:04.755 --> 00:32:05.255 clinics,

NOTE Confidence: 0.9466478

00:32:05.795 --> 00:32:06.435 and there is,

NOTE Confidence: 0.99080193

00:32:09.090 --> 00:32:10.690 so there is opportunities for

NOTE Confidence: 0.99080193

00:32:10.690 --> 00:32:11.990 that. Also, we have

NOTE Confidence: 0.9790195

00:32:12.370 --> 00:32:13.890 a lot of outpatient providers

NOTE Confidence: 0.9790195

00:32:13.890 --> 00:32:15.350 that rotate through the inpatient

NOTE Confidence: 0.9790195

00:32:15.410 --> 00:32:18.130 services like myself and, Jeff

NOTE Confidence: 0.9790195

00:32:18.130 --> 00:32:19.570 Dewey. And so I do

NOTE Confidence: 0.9790195

00:32:19.570 --> 00:32:20.789 a lot of movement disorders

NOTE Confidence: 0.9790195

00:32:20.850 --> 00:32:22.049 teaching when I'm on service,

NOTE Confidence: 0.9790195

00:32:22.049 --> 00:32:23.490 even if that has nothing

NOTE Confidence: 0.9790195

00:32:23.490 --> 00:32:24.635 to do with the reason

NOTE Confidence: 0.9790195

00:32:24.635 --> 00:32:26.414 that, that we were consulted

NOTE Confidence: 0.9790195

00:32:26.475 --> 00:32:27.914 on this patient. A lot

NOTE Confidence: 0.9790195

00:32:27.914 --> 00:32:29.355 of people have tremors. Gotta

NOTE Confidence: 0.9790195

00:32:29.355 --> 00:32:29.934 tell you.
NOTE Confidence: 0.9970483

00:32:30.955 --> 00:32:31.995 So I do you can
NOTE Confidence: 0.9970483

00:32:32.154 --> 00:32:33.195 I think you should ask
NOTE Confidence: 0.9970483

00:32:33.195 --> 00:32:34.394 the residents in the breakout
NOTE Confidence: 0.9970483

00:32:34.394 --> 00:32:35.434 rooms if they feel like
NOTE Confidence: 0.9970483

00:32:35.434 --> 00:32:36.875 they had enough experience to
NOTE Confidence: 0.9970483

00:32:36.875 --> 00:32:38.255 make an informed decision?
NOTE Confidence: 0.97892296

00:32:41.289 --> 00:32:42.890 Oh, there's so many questions.
NOTE Confidence: 0.97892296

00:32:42.890 --> 00:32:44.090 Okay. Let's see. Could you
NOTE Confidence: 0.97892296

00:32:44.090 --> 00:32:45.549 expand further on the clerkship
NOTE Confidence: 0.97892296

00:32:45.690 --> 00:32:46.190 demand?
NOTE Confidence: 0.9718708

00:32:47.049 --> 00:32:48.330 I think I kinda answered
NOTE Confidence: 0.9718708

00:32:48.330 --> 00:32:49.690 that question. Could you also
NOTE Confidence: 0.9718708

00:32:49.690 --> 00:32:50.970 expand on what you consider
NOTE Confidence: 0.9718708

00:32:50.970 --> 00:32:52.510 to be the necessary scholarly
NOTE Confidence: 0.9718708

00:32:52.570 --> 00:32:54.595 work? We really think holistically

NOTE Confidence: 0.9718708

00:32:54.735 --> 00:32:56.995 about these applications. So scholarship

NOTE Confidence: 0.9718708

00:32:57.134 --> 00:32:58.894 is, you know, it it

NOTE Confidence: 0.9718708

00:32:58.894 --> 00:33:01.075 doesn't mean bench work research.

NOTE Confidence: 0.9718708

00:33:01.294 --> 00:33:02.815 Right? It can mean bench

NOTE Confidence: 0.9718708

00:33:02.815 --> 00:33:03.315 research,

NOTE Confidence: 0.9949769

00:33:03.615 --> 00:33:05.075 but it could also mean

NOTE Confidence: 0.9949769

00:33:05.320 --> 00:33:06.120 that you're,

NOTE Confidence: 0.9992091

00:33:06.600 --> 00:33:08.140 super engaged in advocacy

NOTE Confidence: 0.9719264

00:33:08.440 --> 00:33:09.980 or you've started a robust

NOTE Confidence: 0.9719264

00:33:10.040 --> 00:33:11.580 community program. And,

NOTE Confidence: 0.9867244

00:33:11.960 --> 00:33:13.320 and so we look at

NOTE Confidence: 0.9867244

00:33:13.320 --> 00:33:13.640 it,

NOTE Confidence: 0.9836517

00:33:14.360 --> 00:33:15.560 not like you have to

NOTE Confidence: 0.9836517

00:33:15.560 --> 00:33:16.680 have a certain number of

NOTE Confidence: 0.9836517

00:33:16.680 --> 00:33:18.680 papers in order to, get

NOTE Confidence: 0.9836517

00:33:18.680 --> 00:33:20.140 an interview here, but,
NOTE Confidence: 0.99247915

00:33:20.735 --> 00:33:21.715 do you have,
NOTE Confidence: 0.98561376

00:33:22.415 --> 00:33:23.615 kind of a passion that
NOTE Confidence: 0.98561376

00:33:23.615 --> 00:33:24.015 you've,
NOTE Confidence: 0.9975159

00:33:24.495 --> 00:33:26.255 followed through on over the
NOTE Confidence: 0.9975159

00:33:26.255 --> 00:33:27.615 course of your training thus
NOTE Confidence: 0.9975159

00:33:27.615 --> 00:33:28.115 far?
NOTE Confidence: 0.94948274

00:33:31.455 --> 00:33:33.135 So I won't be discussing
NOTE Confidence: 0.94948274

00:33:33.135 --> 00:33:34.595 the pediatric neurology
NOTE Confidence: 0.9955044

00:33:34.900 --> 00:33:36.200 training program today.
NOTE Confidence: 0.9520997

00:33:36.820 --> 00:33:38.340 That's a separate program run
NOTE Confidence: 0.9520997

00:33:38.340 --> 00:33:39.640 by Christian Iannida.
NOTE Confidence: 0.99856997

00:33:40.980 --> 00:33:42.580 And I don't actually know
NOTE Confidence: 0.99856997

00:33:42.580 --> 00:33:44.020 if he has an open
NOTE Confidence: 0.99856997

00:33:44.020 --> 00:33:45.940 house that he's planning. Sorry,
NOTE Confidence: 0.99856997

00:33:45.940 --> 00:33:46.440 Michelle.

NOTE Confidence: 0.99901897
00:33:47.380 --> 00:33:48.580 If you email me, I
NOTE Confidence: 0.99901897
00:33:48.580 --> 00:33:50.085 can I can get that
NOTE Confidence: 0.99901897
00:33:50.085 --> 00:33:51.465 information for you?
NOTE Confidence: 0.954755
00:33:53.684 --> 00:33:54.184 So,
NOTE Confidence: 0.96614605
00:33:55.445 --> 00:33:56.645 Jeff, you wanna talk about
NOTE Confidence: 0.96614605
00:33:56.645 --> 00:33:58.025 the free clinic experience?
NOTE Confidence: 0.9284071
00:34:00.005 --> 00:34:01.125 Yeah. I think it's it's
NOTE Confidence: 0.9284071
00:34:01.125 --> 00:34:02.325 in flux for residents, so
NOTE Confidence: 0.9284071
00:34:02.325 --> 00:34:03.605 I'll just kinda say that
NOTE Confidence: 0.9284071
00:34:03.605 --> 00:34:04.200 up front.
NOTE Confidence: 0.9930879
00:34:04.760 --> 00:34:05.720 What I've been doing over
NOTE Confidence: 0.9930879
00:34:05.720 --> 00:34:07.159 the past six to nine
NOTE Confidence: 0.9930879
00:34:07.159 --> 00:34:08.920 months is setting up, what
NOTE Confidence: 0.9930879
00:34:08.920 --> 00:34:09.739 are now regular
NOTE Confidence: 0.99924076
00:34:10.200 --> 00:34:10.700 neurology
NOTE Confidence: 0.9724039

00:34:11.079 --> 00:34:13.020 sessions in our internal medicine
NOTE Confidence: 0.9724039

00:34:13.079 --> 00:34:14.540 free clinic, which is called
NOTE Confidence: 0.9724039

00:34:14.599 --> 00:34:15.900 Haven. And it's a little
NOTE Confidence: 0.9724039

00:34:16.040 --> 00:34:17.160 confusing because there's also a
NOTE Confidence: 0.9724039

00:34:17.160 --> 00:34:18.300 Fairhaven clinic,
NOTE Confidence: 0.97923124

00:34:18.839 --> 00:34:20.075 which is different. But this
NOTE Confidence: 0.97923124

00:34:20.075 --> 00:34:20.954 is the student run free
NOTE Confidence: 0.97923124

00:34:20.954 --> 00:34:21.454 clinic.
NOTE Confidence: 0.97039163

00:34:21.914 --> 00:34:22.875 I've been working with the
NOTE Confidence: 0.97039163

00:34:22.875 --> 00:34:23.755 the right now, there aren't
NOTE Confidence: 0.97039163

00:34:23.755 --> 00:34:24.875 any residents in that clinic,
NOTE Confidence: 0.97039163

00:34:24.875 --> 00:34:26.555 internal medicine or neurology. So
NOTE Confidence: 0.97039163

00:34:26.555 --> 00:34:27.674 that's the holdup. We're trying
NOTE Confidence: 0.97039163

00:34:27.674 --> 00:34:29.434 to figure out how residents
NOTE Confidence: 0.97039163

00:34:29.434 --> 00:34:30.154 might fit in, but I
NOTE Confidence: 0.97039163

00:34:30.154 --> 00:34:30.795 see it as a good

NOTE Confidence: 0.97039163

00:34:30.795 --> 00:34:31.295 opportunity.

NOTE Confidence: 0.99342644

00:34:31.755 --> 00:34:33.214 If you're interested in

NOTE Confidence: 0.9794123

00:34:33.670 --> 00:34:35.030 caring for patients who are

NOTE Confidence: 0.9794123

00:34:35.030 --> 00:34:36.969 uninsured, sliding scale, underinsured,

NOTE Confidence: 0.9810784

00:34:37.670 --> 00:34:39.030 our residents do also rotate

NOTE Confidence: 0.9810784

00:34:39.030 --> 00:34:40.550 at the Cornell Scott Hill

NOTE Confidence: 0.9810784

00:34:40.550 --> 00:34:41.850 Health Center in New Haven,

NOTE Confidence: 0.9810784

00:34:41.910 --> 00:34:43.270 which is an independent, non

NOTE Confidence: 0.9810784

00:34:43.270 --> 00:34:44.090 Yale affiliated,

NOTE Confidence: 0.9987908

00:34:44.550 --> 00:34:46.010 federally qualified clinic

NOTE Confidence: 0.98365986

00:34:46.335 --> 00:34:47.935 that, contracts with us to

NOTE Confidence: 0.98365986

00:34:47.935 --> 00:34:49.775 provide neurology. So we are

NOTE Confidence: 0.98365986

00:34:49.775 --> 00:34:51.135 the only neurologists in the

NOTE Confidence: 0.98365986

00:34:51.135 --> 00:34:52.895 entire clinic system. It's actually

NOTE Confidence: 0.98365986

00:34:52.895 --> 00:34:54.655 a great outpatient neurology experience

NOTE Confidence: 0.98365986

00:34:54.655 --> 00:34:56.195 because it's true general neurology.

NOTE Confidence: 0.98365986

00:34:56.494 --> 00:34:57.474 There are no subspecialists

NOTE Confidence: 0.99186397

00:34:57.775 --> 00:34:59.935 filtering out consult questions. We

NOTE Confidence: 0.99186397

00:34:59.935 --> 00:35:00.435 see

NOTE Confidence: 0.99049675

00:35:00.819 --> 00:35:02.339 probably a representative sample of

NOTE Confidence: 0.99049675

00:35:02.339 --> 00:35:03.160 general neurology,

NOTE Confidence: 0.9680641

00:35:03.700 --> 00:35:04.579 and I think is is

NOTE Confidence: 0.9680641

00:35:04.579 --> 00:35:05.780 a really good education experience

NOTE Confidence: 0.9680641

00:35:05.780 --> 00:35:07.299 from that standpoint. So that's

NOTE Confidence: 0.9680641

00:35:07.299 --> 00:35:08.980 built in. The free clinic

NOTE Confidence: 0.9680641

00:35:08.980 --> 00:35:10.020 stuff is in flux and

NOTE Confidence: 0.9680641

00:35:10.020 --> 00:35:11.460 may look very different by

NOTE Confidence: 0.9680641

00:35:11.460 --> 00:35:12.260 the time any of you

NOTE Confidence: 0.9680641

00:35:12.260 --> 00:35:13.380 would start, so I I

NOTE Confidence: 0.9680641

00:35:13.380 --> 00:35:15.079 won't comment too definitively.

NOTE Confidence: 0.9988233

00:35:16.164 --> 00:35:17.765 Okay. I really appreciate all

NOTE Confidence: 0.9988233
00:35:17.765 --> 00:35:18.984 the chat responses
NOTE Confidence: 0.9921559
00:35:19.364 --> 00:35:20.404 that have gone in. So
NOTE Confidence: 0.9921559
00:35:20.404 --> 00:35:21.525 I'm gonna answer the one
NOTE Confidence: 0.9921559
00:35:21.525 --> 00:35:22.644 question that it looks like
NOTE Confidence: 0.9921559
00:35:22.644 --> 00:35:23.924 hasn't been answered, which is
NOTE Confidence: 0.9921559
00:35:23.924 --> 00:35:25.144 on couples matching.
NOTE Confidence: 0.92897075
00:35:26.805 --> 00:35:28.404 So I if your couples
NOTE Confidence: 0.92897075
00:35:28.404 --> 00:35:30.440 matching, just be very,
NOTE Confidence: 0.96943414
00:35:30.900 --> 00:35:32.420 upfront with us at the
NOTE Confidence: 0.96943414
00:35:32.420 --> 00:35:34.020 beginning, you know, and then,
NOTE Confidence: 0.9987548
00:35:35.140 --> 00:35:37.160 there can be some conversations
NOTE Confidence: 0.8959384
00:35:37.619 --> 00:35:39.140 between departments. And,
NOTE Confidence: 0.9434347
00:35:40.660 --> 00:35:40.739 and,
NOTE Confidence: 0.980872
00:35:41.460 --> 00:35:42.739 I understand that's also a
NOTE Confidence: 0.980872
00:35:42.739 --> 00:35:43.880 very stressful experience.
NOTE Confidence: 0.9771065

00:35:45.435 --> 00:35:47.435 But, but, absolutely, just let
NOTE Confidence: 0.9771065

00:35:47.435 --> 00:35:48.635 us know so that so
NOTE Confidence: 0.9771065

00:35:48.635 --> 00:35:49.395 that we can,
NOTE Confidence: 0.88894534

00:35:49.835 --> 00:35:50.495 we can,
NOTE Confidence: 0.99911165

00:35:52.315 --> 00:35:53.295 approach it properly.
NOTE Confidence: 0.9668787

00:35:54.395 --> 00:35:55.455 Okay. Ahmed,
NOTE Confidence: 0.9524234

00:35:55.755 --> 00:35:57.215 you get the last question,
NOTE Confidence: 0.9524234

00:35:57.355 --> 00:35:58.955 and we're going in into
NOTE Confidence: 0.9524234

00:35:58.955 --> 00:35:59.855 breakout rooms.
NOTE Confidence: 0.9905517

00:36:01.650 --> 00:36:02.390 Okay. Hi.
NOTE Confidence: 0.99040836

00:36:02.849 --> 00:36:03.969 I just wanted to ask
NOTE Confidence: 0.99040836

00:36:03.969 --> 00:36:06.630 about the, career enrichment pathways.
NOTE Confidence: 0.99040836

00:36:06.849 --> 00:36:07.489 Mhmm. If you can tell
NOTE Confidence: 0.99040836

00:36:07.489 --> 00:36:08.369 us a little bit more
NOTE Confidence: 0.99040836

00:36:08.369 --> 00:36:10.549 about the, long term,
NOTE Confidence: 0.94705546

00:36:10.930 --> 00:36:12.369 impacts or support that they

NOTE Confidence: 0.94705546

00:36:12.369 --> 00:36:14.309 offer residents after they graduate.

NOTE Confidence: 0.9716733

00:36:15.125 --> 00:36:16.724 I'm interested in the global

NOTE Confidence: 0.9716733

00:36:16.724 --> 00:36:18.005 health one. I read that

NOTE Confidence: 0.9716733

00:36:18.005 --> 00:36:18.984 they're they're

NOTE Confidence: 0.9732391

00:36:19.684 --> 00:36:21.364 enriching the interest of the

NOTE Confidence: 0.9732391

00:36:21.364 --> 00:36:22.565 residents, but how do they

NOTE Confidence: 0.9732391

00:36:22.565 --> 00:36:23.605 affect them on the long

NOTE Confidence: 0.9732391

00:36:23.605 --> 00:36:24.645 term if they were to

NOTE Confidence: 0.9732391

00:36:24.645 --> 00:36:25.844 go down one of the

NOTE Confidence: 0.9732391

00:36:25.844 --> 00:36:26.825 distinction pathways?

NOTE Confidence: 0.9922596

00:36:27.940 --> 00:36:29.780 Well, so the distinction pathways

NOTE Confidence: 0.9922596

00:36:29.780 --> 00:36:31.480 are designed to be completed

NOTE Confidence: 0.9922596

00:36:31.620 --> 00:36:32.660 over the course of your

NOTE Confidence: 0.9922596

00:36:32.660 --> 00:36:34.580 residency training. So for that

NOTE Confidence: 0.9922596

00:36:34.580 --> 00:36:35.940 one in particular, you have

NOTE Confidence: 0.9922596

00:36:35.940 --> 00:36:37.540 the global health experience and

NOTE Confidence: 0.9922596

00:36:37.540 --> 00:36:39.380 other aspects of the of

NOTE Confidence: 0.9922596

00:36:39.380 --> 00:36:40.580 the pathway that you can

NOTE Confidence: 0.9922596

00:36:40.580 --> 00:36:41.640 see on our website.

NOTE Confidence: 0.9286911

00:36:42.225 --> 00:36:43.685 I I would say after

NOTE Confidence: 0.9286911

00:36:43.745 --> 00:36:44.245 graduation,

NOTE Confidence: 0.9792895

00:36:44.705 --> 00:36:45.825 the main thing is that

NOTE Confidence: 0.9792895

00:36:45.825 --> 00:36:47.105 what that's gonna do is

NOTE Confidence: 0.9792895

00:36:47.105 --> 00:36:48.245 give you a lot of,

NOTE Confidence: 0.99878305

00:36:49.345 --> 00:36:50.965 not only just experiences

NOTE Confidence: 0.99234384

00:36:51.265 --> 00:36:53.025 that you can use to

NOTE Confidence: 0.99234384

00:36:53.025 --> 00:36:54.385 inform what you're gonna do

NOTE Confidence: 0.99234384

00:36:54.385 --> 00:36:56.225 next, but also really good

NOTE Confidence: 0.99234384

00:36:56.225 --> 00:36:56.725 mentorship.

NOTE Confidence: 0.9448904

00:36:57.025 --> 00:36:58.530 And and I think for

NOTE Confidence: 0.9448904

00:36:58.530 --> 00:36:59.650 a lot of the of

NOTE Confidence: 0.9448904

00:36:59.650 --> 00:37:01.590 our residents' lifelong mentors,

NOTE Confidence: 0.99085623

00:37:02.610 --> 00:37:04.370 that can, help you with

NOTE Confidence: 0.99085623

00:37:04.370 --> 00:37:05.650 next steps even after you

NOTE Confidence: 0.99085623

00:37:05.650 --> 00:37:07.090 graduate. Just because you graduate

NOTE Confidence: 0.99085623

00:37:07.090 --> 00:37:08.530 from our program doesn't mean

NOTE Confidence: 0.99085623

00:37:08.530 --> 00:37:10.070 we we won't stop mentoring

NOTE Confidence: 0.99085623

00:37:10.130 --> 00:37:10.630 you.

NOTE Confidence: 0.98978084

00:37:11.489 --> 00:37:13.090 Okay. That's good to know.

NOTE Confidence: 0.98978084

00:37:13.090 --> 00:37:15.245 Thank you. Alright. James, you

NOTE Confidence: 0.98978084

00:37:15.245 --> 00:37:16.305 wanna take it away?

NOTE Confidence: 0.96535385

00:37:17.485 --> 00:37:18.925 Yes. Alright. I haven't done

NOTE Confidence: 0.96535385

00:37:18.925 --> 00:37:19.805 a lot of this breakout

NOTE Confidence: 0.96535385

00:37:19.805 --> 00:37:21.165 room stuff, but I think

NOTE Confidence: 0.96535385

00:37:21.165 --> 00:37:22.465 I got it all down.

NOTE Confidence: 0.9990264

00:37:23.805 --> 00:37:25.165 Program leadership is gonna stay

NOTE Confidence: 0.9990264

00:37:25.165 --> 00:37:26.145 in the main room.
NOTE Confidence: 0.9807455

00:37:26.765 --> 00:37:27.885 If you do wanna hop
NOTE Confidence: 0.9807455

00:37:27.885 --> 00:37:28.900 back and ask them a
NOTE Confidence: 0.9807455

00:37:28.900 --> 00:37:30.180 question, they'll be there, but
NOTE Confidence: 0.9807455

00:37:30.180 --> 00:37:31.380 everyone else is gonna be
NOTE Confidence: 0.9807455

00:37:31.380 --> 00:37:33.160 in another room. And then,
NOTE Confidence: 0.98463124

00:37:34.100 --> 00:37:35.940 program leadership will be placed
NOTE Confidence: 0.98463124

00:37:35.940 --> 00:37:37.060 in in about ten minutes
NOTE Confidence: 0.98463124

00:37:37.060 --> 00:37:38.340 for any other additional questions.
NOTE Confidence: 0.98463124

00:37:38.340 --> 00:37:39.540 I'm gonna open the rooms
NOTE Confidence: 0.98463124

00:37:39.540 --> 00:37:40.040 now.
NOTE Confidence: 0.99939483

00:37:40.739 --> 00:37:42.020 I hope you guys had
NOTE Confidence: 0.99939483

00:37:42.020 --> 00:37:43.140 a nice time in your
NOTE Confidence: 0.99939483

00:37:43.140 --> 00:37:44.200 breakout rooms.
NOTE Confidence: 0.9735883

00:37:44.555 --> 00:37:46.555 We have eight minutes left,
NOTE Confidence: 0.9735883

00:37:46.555 --> 00:37:47.055 so

NOTE Confidence: 0.9926814

00:37:47.435 --> 00:37:48.175 we're happy,

NOTE Confidence: 0.9755513

00:37:48.715 --> 00:37:50.795 residents or program leadership to

NOTE Confidence: 0.9755513

00:37:50.795 --> 00:37:51.275 take,

NOTE Confidence: 0.923393

00:37:51.595 --> 00:37:53.055 any additional questions,

NOTE Confidence: 0.9973462

00:37:54.555 --> 00:37:56.075 and, then we'll let you

NOTE Confidence: 0.9973462

00:37:56.075 --> 00:37:57.535 go off into your nights.

NOTE Confidence: 0.9253869

00:37:59.770 --> 00:38:01.530 I'm also gonna put the

NOTE Confidence: 0.9253869

00:38:01.530 --> 00:38:03.530 email addresses for the recruit

NOTE Confidence: 0.9253869

00:38:03.770 --> 00:38:06.109 sorry, recruitment chiefs in the

NOTE Confidence: 0.9253869

00:38:06.250 --> 00:38:07.230 chat. So

NOTE Confidence: 0.99891686

00:38:07.530 --> 00:38:08.569 please reach out if you

NOTE Confidence: 0.99891686

00:38:08.569 --> 00:38:09.849 don't get your questions answered

NOTE Confidence: 0.99891686

00:38:09.849 --> 00:38:10.349 tonight.

NOTE Confidence: 0.99716985

00:38:11.785 --> 00:38:13.565 Oh, Sam's here. Hi, Sam.

NOTE Confidence: 0.9711111

00:38:15.465 --> 00:38:16.825 Do you wanna just super

NOTE Confidence: 0.9711111

00:38:16.825 --> 00:38:18.285 quick say who you are?
NOTE Confidence: 0.94864714

00:38:19.065 --> 00:38:20.425 I I did in my
NOTE Confidence: 0.94864714

00:38:20.585 --> 00:38:21.465 well, I guess, in my
NOTE Confidence: 0.94864714

00:38:21.465 --> 00:38:23.465 break breakout room. I'm Sam
NOTE Confidence: 0.94864714

00:38:23.625 --> 00:38:25.020 y three. So nice to
NOTE Confidence: 0.94864714

00:38:25.020 --> 00:38:26.540 see so many faces from
NOTE Confidence: 0.94864714

00:38:26.540 --> 00:38:27.040 everywhere.
NOTE Confidence: 0.98460513

00:38:27.820 --> 00:38:28.780 We had a nice chat
NOTE Confidence: 0.98460513

00:38:28.780 --> 00:38:29.900 in our breakout room. I
NOTE Confidence: 0.98460513

00:38:29.900 --> 00:38:30.380 don't know,
NOTE Confidence: 0.9962435

00:38:31.420 --> 00:38:32.620 how the other one went.
NOTE Confidence: 0.9962435

00:38:32.620 --> 00:38:32.860 So
NOTE Confidence: 0.44316557

00:38:33.739 --> 00:38:35.040 Ours was just so
NOTE Confidence: 0.8053422

00:38:35.660 --> 00:38:37.040 messed. It's a good competition,
NOTE Confidence: 0.8053422

00:38:37.260 --> 00:38:37.485 Sam.
NOTE Confidence: 0.9358582

00:38:38.685 --> 00:38:39.725 I just wanted to say

NOTE Confidence: 0.9358582

00:38:39.725 --> 00:38:40.285 hi to you.

NOTE Confidence: 0.93935657

00:38:41.085 --> 00:38:41.885 I I was at the

NOTE Confidence: 0.93935657

00:38:41.885 --> 00:38:43.005 in person thing, and then

NOTE Confidence: 0.93935657

00:38:43.005 --> 00:38:43.565 I had to put my

NOTE Confidence: 0.93935657

00:38:43.565 --> 00:38:44.605 baby to sleep. And so

NOTE Confidence: 0.93935657

00:38:44.685 --> 00:38:45.485 but now I'm on I'm

NOTE Confidence: 0.93935657

00:38:45.485 --> 00:38:47.405 Elizabeth. I'm a PGY four,

NOTE Confidence: 0.93935657

00:38:47.405 --> 00:38:48.605 and I'm the research chief.

NOTE Confidence: 0.93935657

00:38:48.605 --> 00:38:50.285 So I'll put my, contact

NOTE Confidence: 0.93935657

00:38:50.285 --> 00:38:51.245 in the group chat. I'm

NOTE Confidence: 0.93935657

00:38:51.245 --> 00:38:52.560 happy to talk more about

NOTE Confidence: 0.93935657

00:38:52.560 --> 00:38:54.160 research and residency if anyone's

NOTE Confidence: 0.93935657

00:38:54.160 --> 00:38:56.180 interested. So how about you?

NOTE Confidence: 0.9589259

00:38:58.080 --> 00:38:59.060 I'm actually curious,

NOTE Confidence: 0.96082336

00:38:59.680 --> 00:39:01.300 in the breakout room maintaining

NOTE Confidence: 0.976686

00:39:01.680 --> 00:39:03.600 anonymity if any questions came
NOTE Confidence: 0.976686

00:39:03.600 --> 00:39:05.200 up that our residents thought
NOTE Confidence: 0.976686

00:39:05.200 --> 00:39:06.500 might be something that,
NOTE Confidence: 0.9133756

00:39:07.065 --> 00:39:08.984 everybody could benefit from hearing.
NOTE Confidence: 0.9133756

00:39:08.984 --> 00:39:10.285 Just curious about that.
NOTE Confidence: 0.9806914

00:39:15.464 --> 00:39:16.425 I'm not trying to, like,
NOTE Confidence: 0.9806914

00:39:16.425 --> 00:39:17.224 end it on a cheese
NOTE Confidence: 0.9806914

00:39:17.224 --> 00:39:18.505 ball note, but someone just
NOTE Confidence: 0.9806914

00:39:18.505 --> 00:39:20.039 asked, like, if we're happy.
NOTE Confidence: 0.9806914

00:39:20.260 --> 00:39:21.859 And I think, you know,
NOTE Confidence: 0.9806914

00:39:21.859 --> 00:39:23.460 I felt very, very strongly
NOTE Confidence: 0.9806914

00:39:23.460 --> 00:39:24.279 that I am
NOTE Confidence: 0.9897278

00:39:25.059 --> 00:39:26.760 I'm gonna mute that. Okay.
NOTE Confidence: 0.9870986

00:39:27.619 --> 00:39:29.140 And, yeah, I just really
NOTE Confidence: 0.9870986

00:39:29.140 --> 00:39:30.420 feel like the program is
NOTE Confidence: 0.9870986

00:39:30.420 --> 00:39:31.880 structured in a way that,

NOTE Confidence: 0.8548613
00:39:32.565 --> 00:39:33.065 you
NOTE Confidence: 0.97009313
00:39:33.444 --> 00:39:35.204 know, you you dive in
NOTE Confidence: 0.97009313
00:39:35.204 --> 00:39:36.724 as a PGY two. There's
NOTE Confidence: 0.97009313
00:39:36.724 --> 00:39:38.085 a lot of support, but
NOTE Confidence: 0.97009313
00:39:38.085 --> 00:39:39.045 you're put in a position
NOTE Confidence: 0.97009313
00:39:39.045 --> 00:39:39.844 where you get to give
NOTE Confidence: 0.97009313
00:39:39.844 --> 00:39:40.724 it your shot and you
NOTE Confidence: 0.97009313
00:39:40.724 --> 00:39:42.085 learn really quickly. And then
NOTE Confidence: 0.97009313
00:39:42.085 --> 00:39:42.964 over the course of the
NOTE Confidence: 0.97009313
00:39:42.964 --> 00:39:44.085 three years of the neurology
NOTE Confidence: 0.97009313
00:39:44.085 --> 00:39:45.925 portion, you transition into a
NOTE Confidence: 0.97009313
00:39:45.925 --> 00:39:47.065 more senior role.
NOTE Confidence: 0.9750923
00:39:48.480 --> 00:39:49.680 And I feel like that's
NOTE Confidence: 0.9750923
00:39:49.680 --> 00:39:51.040 intentionally built that way. And
NOTE Confidence: 0.9750923
00:39:51.040 --> 00:39:51.840 then along the way, you
NOTE Confidence: 0.9750923

00:39:51.840 --> 00:39:52.960 just have these amazing friends

NOTE Confidence: 0.9750923

00:39:52.960 --> 00:39:54.320 and amazing mentors. So I

NOTE Confidence: 0.9750923

00:39:54.320 --> 00:39:55.840 feel really happy coming here

NOTE Confidence: 0.9750923

00:39:55.840 --> 00:39:57.280 to Yale residency, and I

NOTE Confidence: 0.9750923

00:39:57.280 --> 00:39:58.900 really hope you for us.

NOTE Confidence: 0.97864866

00:40:02.094 --> 00:40:04.094 James is asking about not

NOTE Confidence: 0.97864866

00:40:04.094 --> 00:40:06.035 not you, James. Other James,

NOTE Confidence: 0.9963397

00:40:06.494 --> 00:40:08.355 is asking about neuroinfectious

NOTE Confidence: 0.99874437

00:40:08.894 --> 00:40:09.394 disease.

NOTE Confidence: 0.9888177

00:40:10.654 --> 00:40:12.594 So we have multiple neuroinfectious

NOTE Confidence: 0.9995552

00:40:12.974 --> 00:40:13.474 disease

NOTE Confidence: 0.9590497

00:40:14.090 --> 00:40:15.370 providers in our,

NOTE Confidence: 0.93058

00:40:16.090 --> 00:40:17.230 department. So

NOTE Confidence: 0.91273135

00:40:17.530 --> 00:40:19.230 Serena Spudich is

NOTE Confidence: 0.96286106

00:40:19.610 --> 00:40:20.730 the head of the neuro

NOTE Confidence: 0.96286106

00:40:20.730 --> 00:40:22.430 ID division. She is

NOTE Confidence: 0.8692422
00:40:22.730 --> 00:40:23.469 a a professor
NOTE Confidence: 0.99955654
00:40:23.850 --> 00:40:25.610 of neurology here. She's been
NOTE Confidence: 0.99955654
00:40:25.610 --> 00:40:26.110 here
NOTE Confidence: 0.9994772
00:40:26.969 --> 00:40:27.469 for
NOTE Confidence: 0.9612808
00:40:29.145 --> 00:40:30.505 a couple of decades. I
NOTE Confidence: 0.9612808
00:40:30.505 --> 00:40:31.625 don't know how long she's
NOTE Confidence: 0.9612808
00:40:31.625 --> 00:40:33.465 been here. But she has
NOTE Confidence: 0.9612808
00:40:33.465 --> 00:40:35.225 a clinic in the Nathan
NOTE Confidence: 0.9612808
00:40:35.225 --> 00:40:35.725 Smith
NOTE Confidence: 0.9565771
00:40:36.025 --> 00:40:38.205 clinic, which is the HIV
NOTE Confidence: 0.9082521
00:40:38.505 --> 00:40:39.005 clinic.
NOTE Confidence: 0.79546916
00:40:40.425 --> 00:40:40.925 And,
NOTE Confidence: 0.97440964
00:40:41.950 --> 00:40:43.330 there's also another,
NOTE Confidence: 0.9805525
00:40:43.950 --> 00:40:44.450 neurologist,
NOTE Confidence: 0.7816519
00:40:44.830 --> 00:40:45.969 Lindsay McAlpine,
NOTE Confidence: 0.9643972

00:40:46.670 --> 00:40:47.890 who did a neuro,
NOTE Confidence: 0.9992361

00:40:48.510 --> 00:40:49.010 immunology
NOTE Confidence: 0.9915189

00:40:49.550 --> 00:40:51.330 fellowship and has a particular
NOTE Confidence: 0.9915189

00:40:51.550 --> 00:40:52.530 interest in
NOTE Confidence: 0.99248856

00:40:52.910 --> 00:40:54.610 COVID related neurological
NOTE Confidence: 0.95586145

00:40:54.910 --> 00:40:56.270 illness. And so she has
NOTE Confidence: 0.95586145

00:40:56.270 --> 00:40:57.755 kind of a cross neuroimmunological,
NOTE Confidence: 0.95762926

00:40:58.694 --> 00:40:59.194 neuroinfectious
NOTE Confidence: 0.7492689

00:40:59.494 --> 00:40:59.994 disease,
NOTE Confidence: 0.9637286

00:41:01.575 --> 00:41:03.015 interest. And she has a
NOTE Confidence: 0.9637286

00:41:03.015 --> 00:41:04.875 dedicated long COVID clinic,
NOTE Confidence: 0.99522763

00:41:05.654 --> 00:41:07.035 that takes place in Guilford.
NOTE Confidence: 0.98326993

00:41:07.414 --> 00:41:08.135 I don't know if any
NOTE Confidence: 0.98326993

00:41:08.135 --> 00:41:09.350 of the residents have been
NOTE Confidence: 0.98326993

00:41:09.350 --> 00:41:10.870 involved in any of those
NOTE Confidence: 0.98326993

00:41:10.870 --> 00:41:11.370 electives

NOTE Confidence: 0.9861849
00:41:12.070 --> 00:41:12.550 or,
NOTE Confidence: 0.9979707
00:41:12.870 --> 00:41:13.930 clinical experiences.
NOTE Confidence: 0.976775
00:41:17.830 --> 00:41:19.430 Oh, I just, put my
NOTE Confidence: 0.976775
00:41:19.430 --> 00:41:21.110 email in the chat if
NOTE Confidence: 0.976775
00:41:21.110 --> 00:41:22.550 anyone wants to email me
NOTE Confidence: 0.976775
00:41:22.550 --> 00:41:23.930 about that. I did some
NOTE Confidence: 0.976775
00:41:24.215 --> 00:41:25.594 stuff with doctor Spudich,
NOTE Confidence: 0.9868803
00:41:26.055 --> 00:41:26.935 so I'm happy to talk
NOTE Confidence: 0.9868803
00:41:26.935 --> 00:41:27.835 about it offline.
NOTE Confidence: 0.9597875
00:41:28.695 --> 00:41:30.055 And I worked with her
NOTE Confidence: 0.9597875
00:41:30.055 --> 00:41:31.015 in the clinic, but I've
NOTE Confidence: 0.9597875
00:41:31.015 --> 00:41:32.135 worked with her on the
NOTE Confidence: 0.9597875
00:41:32.135 --> 00:41:33.415 wards, and she's just a
NOTE Confidence: 0.9597875
00:41:33.415 --> 00:41:35.495 fountain of knowledge about neuro
NOTE Confidence: 0.9597875
00:41:35.495 --> 00:41:36.535 ID. I learned a ton
NOTE Confidence: 0.9597875

00:41:36.535 --> 00:41:37.435 from her. So,
NOTE Confidence: 0.94347507

00:41:38.055 --> 00:41:39.515 yeah, really, really great clinician.
NOTE Confidence: 0.9821086

00:41:41.900 --> 00:41:42.380 And,
NOTE Confidence: 0.854821

00:41:43.099 --> 00:41:44.640 Noor asked about,
NOTE Confidence: 0.94427395

00:41:45.579 --> 00:41:46.880 skills workshops. So,
NOTE Confidence: 0.92551506

00:41:47.900 --> 00:41:48.960 we have,
NOTE Confidence: 0.9699101

00:41:49.260 --> 00:41:51.260 an LP simulator, and you'll
NOTE Confidence: 0.9699101

00:41:51.260 --> 00:41:53.420 do an LP simulator training
NOTE Confidence: 0.9699101

00:41:53.420 --> 00:41:54.755 as part of your orientation.
NOTE Confidence: 0.9699101

00:41:54.815 --> 00:41:55.694 And then you'll do it
NOTE Confidence: 0.9699101

00:41:55.694 --> 00:41:57.295 again later in your PGY
NOTE Confidence: 0.9699101

00:41:57.295 --> 00:41:58.035 two year,
NOTE Confidence: 0.99025995

00:41:59.055 --> 00:42:00.575 to make sure that you,
NOTE Confidence: 0.99979097

00:42:00.974 --> 00:42:01.934 have all the skills that
NOTE Confidence: 0.99979097

00:42:01.934 --> 00:42:03.315 you need to practice independently
NOTE Confidence: 0.99955016

00:42:03.614 --> 00:42:04.674 for lumbar punctures.

NOTE Confidence: 0.9812823

00:42:05.135 --> 00:42:06.194 And then we also,

NOTE Confidence: 0.95973945

00:42:06.895 --> 00:42:08.070 have started having,

NOTE Confidence: 0.9945331

00:42:09.110 --> 00:42:10.390 four times a year, two

NOTE Confidence: 0.9945331

00:42:10.390 --> 00:42:11.190 in the fall and two

NOTE Confidence: 0.9945331

00:42:11.190 --> 00:42:12.230 in the spring, we have

NOTE Confidence: 0.9945331

00:42:12.230 --> 00:42:14.170 Botox workshops with mannequins.

NOTE Confidence: 0.9858901

00:42:15.270 --> 00:42:16.870 And, in the fall, we

NOTE Confidence: 0.9858901

00:42:16.870 --> 00:42:18.950 do cervical dystonia and migraine.

NOTE Confidence: 0.9858901

00:42:18.950 --> 00:42:19.989 And in the spring, we

NOTE Confidence: 0.9858901

00:42:19.989 --> 00:42:21.555 do upper and lower limb

NOTE Confidence: 0.9858901

00:42:21.555 --> 00:42:23.155 spasticity. So those are some

NOTE Confidence: 0.9858901

00:42:23.155 --> 00:42:23.895 of the examples

NOTE Confidence: 0.9832007

00:42:24.594 --> 00:42:25.075 of,

NOTE Confidence: 0.99951345

00:42:25.555 --> 00:42:27.635 the skills training that we

NOTE Confidence: 0.99951345

00:42:27.635 --> 00:42:28.135 do.

NOTE Confidence: 0.87871146

00:42:28.915 --> 00:42:29.815 We've started,
NOTE Confidence: 0.9632094

00:42:31.635 --> 00:42:33.714 during clinic blocks, if somebody's
NOTE Confidence: 0.9632094

00:42:33.714 --> 00:42:35.494 interested in headaches and occipital
NOTE Confidence: 0.9632094

00:42:35.555 --> 00:42:36.675 nerve blocks, I've,
NOTE Confidence: 0.9955985

00:42:37.190 --> 00:42:38.810 I've set up a system
NOTE Confidence: 0.9955985

00:42:38.950 --> 00:42:41.110 where they can contact the
NOTE Confidence: 0.9955985

00:42:41.110 --> 00:42:42.870 nurse who's in charge of
NOTE Confidence: 0.9955985

00:42:42.870 --> 00:42:44.250 the infusion center,
NOTE Confidence: 0.9906336

00:42:44.950 --> 00:42:46.550 where migraine patients come in
NOTE Confidence: 0.9906336

00:42:46.550 --> 00:42:47.450 to get infusions
NOTE Confidence: 0.9263134

00:42:48.310 --> 00:42:49.850 to contact the resident,
NOTE Confidence: 0.90907496

00:42:50.230 --> 00:42:51.190 should there be a nerve
NOTE Confidence: 0.90907496

00:42:51.190 --> 00:42:52.855 block that they can participate
NOTE Confidence: 0.90907496

00:42:52.855 --> 00:42:53.435 in as
NOTE Confidence: 0.9823324

00:42:54.375 --> 00:42:54.875 well.
NOTE Confidence: 0.99003476

00:42:55.815 --> 00:42:56.955 Thank you so much.

NOTE Confidence: 0.9943409
00:43:00.455 --> 00:43:01.575 Do residents get to work
NOTE Confidence: 0.9943409
00:43:01.575 --> 00:43:02.715 with doctor Blumenfeld?
NOTE Confidence: 0.985417
00:43:03.255 --> 00:43:05.730 Doctor Blumenfeld does have, he's
NOTE Confidence: 0.985417
00:43:05.730 --> 00:43:06.390 an epileptologist.
NOTE Confidence: 0.9925743
00:43:07.250 --> 00:43:08.450 So he does have clinics,
NOTE Confidence: 0.9925743
00:43:08.450 --> 00:43:09.650 and then he also spends
NOTE Confidence: 0.9925743
00:43:09.650 --> 00:43:11.270 time on the inpatient services.
NOTE Confidence: 0.9302198
00:43:11.650 --> 00:43:12.930 So yes. Oh, I'll just
NOTE Confidence: 0.9302198
00:43:12.930 --> 00:43:13.570 add that I was at
NOTE Confidence: 0.9302198
00:43:13.570 --> 00:43:15.010 a meeting with some presidents
NOTE Confidence: 0.9302198
00:43:15.010 --> 00:43:16.130 today who helped teach in
NOTE Confidence: 0.9302198
00:43:16.130 --> 00:43:16.790 this course.
NOTE Confidence: 0.99471205
00:43:17.090 --> 00:43:17.969 So if you like to
NOTE Confidence: 0.99471205
00:43:17.969 --> 00:43:18.469 teach,
NOTE Confidence: 0.97411853
00:43:18.864 --> 00:43:20.145 there's an opportunity to do
NOTE Confidence: 0.97411853

00:43:20.145 --> 00:43:21.525 small groups with exclusive
NOTE Confidence: 0.90083694

00:43:22.065 --> 00:43:23.185 bloom and felt content that
NOTE Confidence: 0.90083694

00:43:23.185 --> 00:43:24.305 is not in his book,
NOTE Confidence: 0.90083694

00:43:24.305 --> 00:43:25.364 which is very exciting.
NOTE Confidence: 0.9598751

00:43:26.785 --> 00:43:28.385 Yes. Several of our residents
NOTE Confidence: 0.9598751

00:43:28.385 --> 00:43:29.525 every year do that.
NOTE Confidence: 0.99726915

00:43:29.985 --> 00:43:30.485 Mhmm.
NOTE Confidence: 0.9715569

00:43:31.239 --> 00:43:32.060 And fellows.
NOTE Confidence: 0.93054754

00:43:33.800 --> 00:43:35.000 I don't wanna spend all
NOTE Confidence: 0.93054754

00:43:35.000 --> 00:43:36.040 my time in the chat.
NOTE Confidence: 0.93054754

00:43:36.040 --> 00:43:37.400 Kendall has Sir, I think
NOTE Confidence: 0.93054754

00:43:37.400 --> 00:43:39.160 Kendall has her. Yeah. I
NOTE Confidence: 0.93054754

00:43:39.160 --> 00:43:40.840 would yeah. Kendall has been
NOTE Confidence: 0.93054754

00:43:40.840 --> 00:43:42.360 patiently waiting. So go ahead,
NOTE Confidence: 0.93054754

00:43:42.360 --> 00:43:42.860 Kendall.
NOTE Confidence: 0.9951763

00:43:43.795 --> 00:43:44.535 Hi. Thanks.

NOTE Confidence: 0.95407486

00:43:44.835 --> 00:43:45.875 I was just wondering what

NOTE Confidence: 0.95407486

00:43:45.875 --> 00:43:47.555 way you support your residents

NOTE Confidence: 0.95407486

00:43:47.555 --> 00:43:49.635 during the prelim year, especially

NOTE Confidence: 0.95407486

00:43:49.635 --> 00:43:51.335 in creating your schedule because

NOTE Confidence: 0.95407486

00:43:51.395 --> 00:43:52.455 I know some programs,

NOTE Confidence: 0.9167576

00:43:53.315 --> 00:43:55.235 whenever they're creating their schedules,

NOTE Confidence: 0.9167576

00:43:55.235 --> 00:43:56.755 the internal medicine people get

NOTE Confidence: 0.9167576

00:43:56.755 --> 00:43:57.795 all the first picks and

NOTE Confidence: 0.9167576

00:43:57.795 --> 00:43:59.370 then, you know, all the

NOTE Confidence: 0.9167576

00:43:59.530 --> 00:44:01.050 prelim year transitional year people

NOTE Confidence: 0.9167576

00:44:01.050 --> 00:44:02.270 kinda get what's left.

NOTE Confidence: 0.99664485

00:44:02.890 --> 00:44:04.010 Do you support them in

NOTE Confidence: 0.99664485

00:44:04.010 --> 00:44:05.690 getting some of the electives

NOTE Confidence: 0.99664485

00:44:05.690 --> 00:44:06.810 that maybe they desire that

NOTE Confidence: 0.99664485

00:44:06.810 --> 00:44:07.710 aren't necessarily,

NOTE Confidence: 0.9480828

00:44:09.050 --> 00:44:10.410 like, neurology, or is that
NOTE Confidence: 0.9480828

00:44:10.410 --> 00:44:11.470 something that's offered?
NOTE Confidence: 0.981281

00:44:13.035 --> 00:44:14.555 So I'll be honest with
NOTE Confidence: 0.981281

00:44:14.555 --> 00:44:15.675 you. I don't know how
NOTE Confidence: 0.981281

00:44:15.675 --> 00:44:16.415 the preliminary,
NOTE Confidence: 0.99946964

00:44:18.795 --> 00:44:19.614 the preliminary
NOTE Confidence: 0.99905586

00:44:20.075 --> 00:44:21.214 elective selection
NOTE Confidence: 0.9871777

00:44:21.515 --> 00:44:22.015 works,
NOTE Confidence: 0.98276794

00:44:22.555 --> 00:44:24.795 for interns versus prelims. There
NOTE Confidence: 0.98276794

00:44:24.795 --> 00:44:26.790 is a dedicated associate program
NOTE Confidence: 0.98276794

00:44:26.790 --> 00:44:28.310 director in the internal medicine
NOTE Confidence: 0.98276794

00:44:28.310 --> 00:44:31.290 department, specifically for preliminary residents
NOTE Confidence: 0.95335835

00:44:31.830 --> 00:44:33.110 that I work with very
NOTE Confidence: 0.95335835

00:44:33.110 --> 00:44:33.610 closely.
NOTE Confidence: 0.9992195

00:44:34.710 --> 00:44:35.930 And we collaborate
NOTE Confidence: 0.9935599

00:44:36.230 --> 00:44:37.910 with their scheduling chiefs on

NOTE Confidence: 0.9935599

00:44:37.910 --> 00:44:38.570 the neurology,

NOTE Confidence: 0.91558635

00:44:40.230 --> 00:44:40.890 the neurology,

NOTE Confidence: 0.8980433

00:44:42.444 --> 00:44:44.065 experiences, the stroke and NICU

NOTE Confidence: 0.8980433

00:44:44.125 --> 00:44:45.025 and epilepsy.

NOTE Confidence: 0.9525849

00:44:45.964 --> 00:44:47.165 A lot of the prelims

NOTE Confidence: 0.9525849

00:44:47.165 --> 00:44:48.525 this year have just have

NOTE Confidence: 0.9525849

00:44:48.525 --> 00:44:50.364 opted to do neurology electives

NOTE Confidence: 0.9525849

00:44:50.364 --> 00:44:51.645 actually, and so I've been

NOTE Confidence: 0.9525849

00:44:51.645 --> 00:44:53.105 setting them up with neuroradiology

NOTE Confidence: 0.9625606

00:44:53.565 --> 00:44:55.005 and with outpatient and,

NOTE Confidence: 0.9856172

00:44:55.565 --> 00:44:57.660 neurology experiences in various sub

NOTE Confidence: 0.9856172

00:44:57.819 --> 00:44:59.819 subspecialties, so they're getting their

NOTE Confidence: 0.9856172

00:44:59.819 --> 00:45:01.020 feet wet right off the

NOTE Confidence: 0.9856172

00:45:01.020 --> 00:45:02.000 bat in those.

NOTE Confidence: 0.9652549

00:45:05.180 --> 00:45:06.539 Yeah. So that's that's what

NOTE Confidence: 0.9652549

00:45:06.539 --> 00:45:07.599 I know about that.
NOTE Confidence: 0.94319665

00:45:08.380 --> 00:45:10.415 Well I did my preliminary
NOTE Confidence: 0.94319665

00:45:10.635 --> 00:45:11.995 year here, and I had
NOTE Confidence: 0.94319665

00:45:11.995 --> 00:45:13.375 a fabulous experience.
NOTE Confidence: 0.9548914

00:45:14.475 --> 00:45:15.675 I think I got an
NOTE Confidence: 0.9548914

00:45:15.675 --> 00:45:16.875 elective that I didn't want,
NOTE Confidence: 0.9548914

00:45:16.875 --> 00:45:18.315 which was oncology, and I
NOTE Confidence: 0.9548914

00:45:18.315 --> 00:45:19.915 switched it for neuron or
NOTE Confidence: 0.9548914

00:45:19.915 --> 00:45:21.455 for an infectious disease,
NOTE Confidence: 0.96890277

00:45:22.715 --> 00:45:24.715 elective, and then that was
NOTE Confidence: 0.96890277

00:45:24.715 --> 00:45:25.215 great.
NOTE Confidence: 0.93453056

00:45:26.060 --> 00:45:27.420 So I I think they
NOTE Confidence: 0.93453056

00:45:27.420 --> 00:45:28.940 kind of consider you just
NOTE Confidence: 0.93453056

00:45:28.940 --> 00:45:30.160 another intern resident.
NOTE Confidence: 0.9735789

00:45:30.860 --> 00:45:31.820 When you're an intern, it's
NOTE Confidence: 0.9735789

00:45:31.820 --> 00:45:33.900 very cohesive. So, like, for

NOTE Confidence: 0.9735789

00:45:33.900 --> 00:45:35.660 elective selection, like, it's you're

NOTE Confidence: 0.9735789

00:45:35.660 --> 00:45:37.580 getting the same time to

NOTE Confidence: 0.9735789

00:45:37.580 --> 00:45:38.380 sign up for them as

NOTE Confidence: 0.9735789

00:45:38.380 --> 00:45:39.260 the other folks. So it's

NOTE Confidence: 0.9735789

00:45:39.260 --> 00:45:40.219 not really, like, a separate

NOTE Confidence: 0.9735789

00:45:40.219 --> 00:45:41.344 thing. That's

NOTE Confidence: 0.7333665

00:45:41.724 --> 00:45:42.224 fine.

NOTE Confidence: 0.9812121

00:45:43.244 --> 00:45:43.744 Yeah.

NOTE Confidence: 0.9064238

00:45:46.205 --> 00:45:47.585 Okay. So I think,

NOTE Confidence: 0.981918

00:45:49.005 --> 00:45:50.445 I see there are, of

NOTE Confidence: 0.981918

00:45:50.445 --> 00:45:51.965 course, more questions, but it

NOTE Confidence: 0.981918

00:45:51.965 --> 00:45:53.070 is eight o'clock, and I

NOTE Confidence: 0.981918

00:45:53.150 --> 00:45:55.330 wanna respect everybody's time. So,

NOTE Confidence: 0.9967001

00:45:56.030 --> 00:45:57.650 if you have burning questions,

NOTE Confidence: 0.9738186

00:45:58.110 --> 00:45:59.230 feel free to reach out,

NOTE Confidence: 0.9738186

00:45:59.230 --> 00:45:59.890 of course.
NOTE Confidence: 0.97682035

00:46:00.750 --> 00:46:01.250 And,
NOTE Confidence: 0.9756324

00:46:01.870 --> 00:46:03.150 you know who we all
NOTE Confidence: 0.9756324

00:46:03.150 --> 00:46:04.350 are, so you can reach
NOTE Confidence: 0.9756324

00:46:04.350 --> 00:46:05.550 out to whoever you think
NOTE Confidence: 0.9756324

00:46:05.550 --> 00:46:06.590 would be most able to
NOTE Confidence: 0.9756324

00:46:06.590 --> 00:46:07.645 answer your question. Question. And
NOTE Confidence: 0.9756324

00:46:07.645 --> 00:46:08.525 if not, of course, you
NOTE Confidence: 0.9756324

00:46:08.525 --> 00:46:09.405 can reach out to me,
NOTE Confidence: 0.9756324

00:46:09.405 --> 00:46:10.205 and I can point you
NOTE Confidence: 0.9756324

00:46:10.205 --> 00:46:11.185 in the right direction.
NOTE Confidence: 0.99379015

00:46:12.445 --> 00:46:13.645 And it's been a real
NOTE Confidence: 0.99379015

00:46:13.645 --> 00:46:15.245 pleasure. Thank you for sharing
NOTE Confidence: 0.99379015

00:46:15.245 --> 00:46:16.465 your evening with us,
NOTE Confidence: 0.9582902

00:46:17.565 --> 00:46:18.925 and best of luck with
NOTE Confidence: 0.9582902

00:46:18.925 --> 00:46:20.385 the match. Very exciting.
