

WEBVTT

NOTE duration: "00:01:19.445"

NOTE Confidence: 0.93626523

00:00:03.919 --> 00:00:04.640 I'm James. I'm one of

NOTE Confidence: 0.93626523

00:00:04.640 --> 00:00:06.500 the PGY4 neurology residents.

NOTE Confidence: 0.925896

00:00:06.960 --> 00:00:08.160 One of our clinical sites

NOTE Confidence: 0.925896

00:00:08.160 --> 00:00:09.619 is St. Rayfield's Hospital.

NOTE Confidence: 0.9758058

00:00:10.080 --> 00:00:11.440 It's located down the street

NOTE Confidence: 0.9758058

00:00:11.440 --> 00:00:13.125 from the main Yale Hospital

NOTE Confidence: 0.9758058

00:00:13.125 --> 00:00:14.004 and it's a little bit

NOTE Confidence: 0.9758058

00:00:14.004 --> 00:00:15.385 more of a community hospital

NOTE Confidence: 0.9758058

00:00:15.445 --> 00:00:16.345 type environment.

NOTE Confidence: 0.99576616

00:00:17.204 --> 00:00:18.645 We run a consult service

NOTE Confidence: 0.99576616

00:00:18.645 --> 00:00:19.145 there

NOTE Confidence: 0.97276986

00:00:19.525 --> 00:00:20.025 and

NOTE Confidence: 0.9487891

00:00:20.564 --> 00:00:21.765 you don't cover stroke codes

NOTE Confidence: 0.9487891

00:00:21.765 --> 00:00:23.445 you just cover inpatient consult

NOTE Confidence: 0.9487891

00:00:23.445 --> 00:00:25.364 and ED consult. One really
NOTE Confidence: 0.9487891

00:00:25.364 --> 00:00:27.119 big advantage of this location
NOTE Confidence: 0.9487891

00:00:27.179 --> 00:00:28.240 is that you're working
NOTE Confidence: 0.95613354

00:00:28.779 --> 00:00:29.980 one resident one on one
NOTE Confidence: 0.95613354

00:00:29.980 --> 00:00:31.259 with an attending so there's
NOTE Confidence: 0.95613354

00:00:31.259 --> 00:00:32.720 a lot of opportunity for
NOTE Confidence: 0.95613354

00:00:33.020 --> 00:00:33.840 direct supervision.
NOTE Confidence: 0.9715635

00:00:34.220 --> 00:00:35.340 The attendant can watch you
NOTE Confidence: 0.9715635

00:00:35.340 --> 00:00:36.620 do your physical exam really
NOTE Confidence: 0.9715635

00:00:36.620 --> 00:00:37.120 closely,
NOTE Confidence: 0.97767967

00:00:37.820 --> 00:00:38.860 watch you take a history
NOTE Confidence: 0.97767967

00:00:38.860 --> 00:00:39.600 really closely,
NOTE Confidence: 0.99589264

00:00:40.575 --> 00:00:41.455 and it's a little bit
NOTE Confidence: 0.99589264

00:00:41.455 --> 00:00:42.435 more of a
NOTE Confidence: 0.9825334

00:00:42.895 --> 00:00:44.675 close resident and attending
NOTE Confidence: 0.96854264

00:00:46.175 --> 00:00:47.295 team than you would have

NOTE Confidence: 0.96854264

00:00:47.295 --> 00:00:48.195 on other services.

NOTE Confidence: 0.9593388

00:00:49.775 --> 00:00:51.375 You rotate at SRC as

NOTE Confidence: 0.9593388

00:00:51.375 --> 00:00:53.075 a PGY2 and a PGY3

NOTE Confidence: 0.9593388

00:00:53.375 --> 00:00:54.239 so it's also a really

NOTE Confidence: 0.9593388

00:00:54.239 --> 00:00:54.899 good opportunity

NOTE Confidence: 0.9809638

00:00:56.079 --> 00:00:57.539 to dive in with taking

NOTE Confidence: 0.9809638

00:00:57.600 --> 00:00:59.519 ownership of the consult earlier

NOTE Confidence: 0.9809638

00:00:59.519 --> 00:01:00.339 on in your

NOTE Confidence: 0.9756147

00:01:00.640 --> 00:01:02.500 neurology residency training.

NOTE Confidence: 0.9426698

00:01:03.280 --> 00:01:04.560 At St. Ray Fields again

NOTE Confidence: 0.9426698

00:01:04.560 --> 00:01:06.560 you follow mostly inpatient consults

NOTE Confidence: 0.9426698

00:01:06.560 --> 00:01:07.840 and ED consults and it

NOTE Confidence: 0.9426698

00:01:07.840 --> 00:01:08.720 tends to be some of

NOTE Confidence: 0.9426698

00:01:08.720 --> 00:01:09.705 the more bread and butter

NOTE Confidence: 0.9426698

00:01:09.785 --> 00:01:10.905 neurology so it's a really

NOTE Confidence: 0.9426698

00:01:10.905 --> 00:01:12.584 good opportunity to learn those

NOTE Confidence: 0.9426698

00:01:12.584 --> 00:01:13.944 basic cases earlier on in

NOTE Confidence: 0.9426698

00:01:13.944 --> 00:01:14.685 your training.
