

WEBVTT

NOTE duration: "00:42:33.640"

NOTE Confidence: 0.8707527

00:00:02.879 --> 00:00:03.379 K.

NOTE Confidence: 0.9920045

00:00:03.760 --> 00:00:05.600 Good afternoon, everyone. Welcome to

NOTE Confidence: 0.9920045

00:00:05.600 --> 00:00:07.120 this month's section faculty and

NOTE Confidence: 0.9920045

00:00:07.120 --> 00:00:08.420 staff meeting. Hello to

NOTE Confidence: 0.9758785

00:00:08.960 --> 00:00:10.320 the thirty plus people out

NOTE Confidence: 0.9758785

00:00:10.320 --> 00:00:11.599 in the, whatever the number

NOTE Confidence: 0.9758785

00:00:11.599 --> 00:00:12.400 is out there on the

NOTE Confidence: 0.9758785

00:00:12.400 --> 00:00:13.975 Internet. You're missing a great

NOTE Confidence: 0.9758785

00:00:13.975 --> 00:00:14.475 lunch.

NOTE Confidence: 0.98882425

00:00:14.935 --> 00:00:16.775 But, here's our agenda for

NOTE Confidence: 0.98882425

00:00:16.775 --> 00:00:17.655 today. We have a pretty

NOTE Confidence: 0.98882425

00:00:17.655 --> 00:00:19.575 packed agenda, so we'll hop

NOTE Confidence: 0.98882425

00:00:19.575 --> 00:00:20.875 right into it here.

NOTE Confidence: 0.99912673

00:00:21.575 --> 00:00:22.075 So

NOTE Confidence: 0.9970027

00:00:23.015 --> 00:00:24.135 that means I have to
NOTE Confidence: 0.9970027

00:00:24.135 --> 00:00:25.195 switch the slides.
NOTE Confidence: 0.99641687

00:00:27.494 --> 00:00:28.314 I'm not sure.
NOTE Confidence: 0.98902154

00:00:29.630 --> 00:00:31.310 Oh, there we go. So
NOTE Confidence: 0.98902154

00:00:31.310 --> 00:00:33.010 next week, December eighteenth,
NOTE Confidence: 0.97334456

00:00:34.030 --> 00:00:34.670 we have,
NOTE Confidence: 0.86500156

00:00:35.150 --> 00:00:36.350 our grand rounds at seven
NOTE Confidence: 0.86500156

00:00:36.350 --> 00:00:38.050 thirty, Nasima and Merchant,
NOTE Confidence: 0.88030136

00:00:38.430 --> 00:00:39.950 and William Hines will be
NOTE Confidence: 0.88030136

00:00:39.950 --> 00:00:41.070 giving a present M and
NOTE Confidence: 0.88030136

00:00:41.070 --> 00:00:42.750 M presentation on inpatient care
NOTE Confidence: 0.88030136

00:00:42.750 --> 00:00:43.729 transition pitfalls,
NOTE Confidence: 0.997774

00:00:44.275 --> 00:00:45.975 delayed recognition of iatrogenic
NOTE Confidence: 0.9679612

00:00:46.755 --> 00:00:48.695 brachial artery senior pseudoaneurysm.
NOTE Confidence: 0.98030746

00:00:49.875 --> 00:00:51.315 And our noontime talk will
NOTE Confidence: 0.98030746

00:00:51.315 --> 00:00:52.675 be Christopher Kai. He's a

NOTE Confidence: 0.98030746
00:00:52.675 --> 00:00:53.955 research fellow at,
NOTE Confidence: 0.93895364
00:00:54.995 --> 00:00:56.675 Brigham and Women's, and Harvard
NOTE Confidence: 0.93895364
00:00:56.675 --> 00:00:58.055 Medical School. He's also,
NOTE Confidence: 0.98809046
00:00:58.750 --> 00:00:59.870 coming to visit us to
NOTE Confidence: 0.98809046
00:00:59.870 --> 00:01:01.150 look at a research faculty
NOTE Confidence: 0.98809046
00:01:01.150 --> 00:01:01.650 position.
NOTE Confidence: 0.93730557
00:01:02.590 --> 00:01:03.390 The title of this talk
NOTE Confidence: 0.93730557
00:01:03.390 --> 00:01:04.830 is changes in medication use
NOTE Confidence: 0.93730557
00:01:04.830 --> 00:01:07.250 after the inflation reduction act,
NOTE Confidence: 0.93730557
00:01:07.310 --> 00:01:09.170 a difference in differences analysis.
NOTE Confidence: 0.9536417
00:01:09.709 --> 00:01:11.150 So that's next week at,
NOTE Confidence: 0.97861505
00:01:12.265 --> 00:01:13.384 seven thirty and,
NOTE Confidence: 0.97139454
00:01:14.024 --> 00:01:15.965 at noon. Also, don't forget
NOTE Confidence: 0.97139454
00:01:16.024 --> 00:01:17.625 this Friday evening is the,
NOTE Confidence: 0.97139454
00:01:18.024 --> 00:01:18.524 section
NOTE Confidence: 0.9968238

00:01:18.905 --> 00:01:19.965 holiday event.
NOTE Confidence: 0.98504525

00:01:20.584 --> 00:01:22.104 If you've signed up, thank
NOTE Confidence: 0.98504525

00:01:22.104 --> 00:01:23.865 you for being fastidious about
NOTE Confidence: 0.98504525

00:01:23.865 --> 00:01:25.225 signing up. If you haven't
NOTE Confidence: 0.98504525

00:01:25.225 --> 00:01:26.909 signed up but still would
NOTE Confidence: 0.98504525

00:01:26.909 --> 00:01:28.350 like to attend, shoot me
NOTE Confidence: 0.98504525

00:01:28.350 --> 00:01:29.010 an email.
NOTE Confidence: 0.9229814

00:01:29.630 --> 00:01:31.729 Remember, families are invited.
NOTE Confidence: 0.9963799

00:01:33.950 --> 00:01:35.630 We just had our research
NOTE Confidence: 0.9963799

00:01:35.630 --> 00:01:37.550 and scholarship retreat. It was
NOTE Confidence: 0.9963799

00:01:37.550 --> 00:01:38.050 great.
NOTE Confidence: 0.9180241

00:01:39.104 --> 00:01:40.704 Thank you to Carrie Gross
NOTE Confidence: 0.9180241

00:01:40.704 --> 00:01:41.984 and Jeanette Tetreault for pulling
NOTE Confidence: 0.9180241

00:01:41.984 --> 00:01:42.645 it together.
NOTE Confidence: 0.9870905

00:01:43.265 --> 00:01:44.465 He had they put together
NOTE Confidence: 0.9870905

00:01:44.465 --> 00:01:45.284 some wonderful,

NOTE Confidence: 0.9415042

00:01:45.984 --> 00:01:47.604 plenary sessions. We had abstract

NOTE Confidence: 0.9886782

00:01:48.384 --> 00:01:49.664 rehearsals. We had all kinds

NOTE Confidence: 0.9886782

00:01:49.664 --> 00:01:49.985 of,

NOTE Confidence: 0.9793124

00:01:50.784 --> 00:01:52.225 grant feedback sessions. It was

NOTE Confidence: 0.9793124

00:01:52.225 --> 00:01:53.685 terrific. So thank you for

NOTE Confidence: 0.95404005

00:01:54.120 --> 00:01:55.160 that. And then our next

NOTE Confidence: 0.95404005

00:01:55.160 --> 00:01:56.680 retreat will be led by

NOTE Confidence: 0.95404005

00:01:56.680 --> 00:01:58.360 Abba Black, the professional development

NOTE Confidence: 0.95404005

00:01:58.360 --> 00:02:00.040 treat that's retreat that's February

NOTE Confidence: 0.95404005

00:02:00.040 --> 00:02:00.540 sixth.

NOTE Confidence: 0.98219466

00:02:00.840 --> 00:02:02.120 It'll come up quicker than

NOTE Confidence: 0.98219466

00:02:02.120 --> 00:02:03.320 you think. And then our

NOTE Confidence: 0.98219466

00:02:03.320 --> 00:02:04.600 education retreat will be in

NOTE Confidence: 0.98219466

00:02:04.600 --> 00:02:05.100 May.

NOTE Confidence: 0.9712205

00:02:06.665 --> 00:02:08.605 As a reminder, it's FDAC

NOTE Confidence: 0.9712205

00:02:08.825 --> 00:02:10.425 season, so we're in step
NOTE Confidence: 0.9712205

00:02:10.425 --> 00:02:12.185 one right now to complete
NOTE Confidence: 0.9712205

00:02:12.185 --> 00:02:14.185 your FDAC and upload the
NOTE Confidence: 0.9712205

00:02:14.185 --> 00:02:16.205 documents. Deadline, February second.
NOTE Confidence: 0.9986729

00:02:16.905 --> 00:02:18.185 And then so I'll just
NOTE Confidence: 0.9986729

00:02:18.185 --> 00:02:19.305 focus on step one for
NOTE Confidence: 0.9986729

00:02:19.305 --> 00:02:20.285 the sake of time.
NOTE Confidence: 0.9707476

00:02:20.940 --> 00:02:22.300 The other steps will follow
NOTE Confidence: 0.9707476

00:02:22.300 --> 00:02:23.340 after step one. So get
NOTE Confidence: 0.9707476

00:02:23.340 --> 00:02:24.940 that material in. I've I've
NOTE Confidence: 0.9707476

00:02:24.940 --> 00:02:25.660 seen a number of them
NOTE Confidence: 0.9707476

00:02:25.660 --> 00:02:26.940 already, so it's great that
NOTE Confidence: 0.9707476

00:02:26.940 --> 00:02:28.060 people are on top of
NOTE Confidence: 0.9707476

00:02:28.060 --> 00:02:28.560 it.
NOTE Confidence: 0.8520303

00:02:30.139 --> 00:02:31.520 Okay. And I'm gonna
NOTE Confidence: 0.9182352

00:02:31.900 --> 00:02:33.020 pass the baton over to

NOTE Confidence: 0.9182352
00:02:33.020 --> 00:02:34.300 doctor Doolittle, who's gonna talk
NOTE Confidence: 0.9182352
00:02:34.300 --> 00:02:35.500 about the new med piece
NOTE Confidence: 0.9182352
00:02:35.500 --> 00:02:36.000 clinic.
NOTE Confidence: 0.9781181
00:02:36.745 --> 00:02:37.645 Hello, everybody.
NOTE Confidence: 0.99414754
00:02:38.105 --> 00:02:38.925 Good cheer.
NOTE Confidence: 0.9991013
00:02:39.225 --> 00:02:39.965 Good cheer.
NOTE Confidence: 0.9585086
00:02:42.185 --> 00:02:43.805 So here's the scoop,
NOTE Confidence: 0.9891672
00:02:44.264 --> 00:02:44.764 people.
NOTE Confidence: 0.94102824
00:02:45.065 --> 00:02:46.285 There have been some changes
NOTE Confidence: 0.96367264
00:02:46.905 --> 00:02:47.725 in the MedPeds
NOTE Confidence: 0.9799149
00:02:48.264 --> 00:02:48.764 practice.
NOTE Confidence: 0.9997465
00:02:49.790 --> 00:02:50.610 We are now
NOTE Confidence: 0.86587876
00:02:51.310 --> 00:02:52.290 in Fair Haven
NOTE Confidence: 0.9831464
00:02:52.590 --> 00:02:54.210 on three seventy four
NOTE Confidence: 0.9685777
00:02:54.510 --> 00:02:55.010 b
NOTE Confidence: 0.8708421

00:02:55.790 --> 00:02:56.690 Grand Avenue.
NOTE Confidence: 0.9722104

00:02:57.150 --> 00:02:58.430 And that's a picture of
NOTE Confidence: 0.9722104

00:02:58.430 --> 00:02:59.970 the interns outside
NOTE Confidence: 0.99716663

00:03:00.270 --> 00:03:00.930 the front,
NOTE Confidence: 0.9903636

00:03:01.630 --> 00:03:02.750 the front door of the
NOTE Confidence: 0.9903636

00:03:02.750 --> 00:03:03.950 new building. So here's the
NOTE Confidence: 0.9903636

00:03:03.950 --> 00:03:05.575 scoop. There are people in
NOTE Confidence: 0.9903636

00:03:05.575 --> 00:03:06.235 this room
NOTE Confidence: 0.99684507

00:03:06.855 --> 00:03:08.795 who had their continuity clinic
NOTE Confidence: 0.9990414

00:03:09.495 --> 00:03:09.995 in
NOTE Confidence: 0.9829157

00:03:10.615 --> 00:03:12.315 downtown Waterbury, Connecticut.
NOTE Confidence: 0.9996677

00:03:13.175 --> 00:03:15.095 So the program was founded
NOTE Confidence: 0.9996677

00:03:15.095 --> 00:03:16.235 in nineteen ninety
NOTE Confidence: 0.8041514

00:03:16.535 --> 00:03:17.035 eight.
NOTE Confidence: 0.99772173

00:03:17.780 --> 00:03:19.700 And since that time, we
NOTE Confidence: 0.99772173

00:03:19.700 --> 00:03:20.520 were in,

NOTE Confidence: 0.9309147
00:03:20.980 --> 00:03:22.980 Waterbury, Connecticut, connected to Saint
NOTE Confidence: 0.9309147
00:03:22.980 --> 00:03:23.800 Mary's Hospital.
NOTE Confidence: 0.9996034
00:03:24.180 --> 00:03:25.240 Back in the day,
NOTE Confidence: 0.89992505
00:03:25.700 --> 00:03:26.440 there were,
NOTE Confidence: 0.9561154
00:03:26.900 --> 00:03:28.580 the Yale primary care program
NOTE Confidence: 0.9561154
00:03:28.580 --> 00:03:29.639 was based
NOTE Confidence: 0.99976593
00:03:29.940 --> 00:03:30.440 in
NOTE Confidence: 0.8930891
00:03:30.885 --> 00:03:32.825 Waterbury at Saint Mary's Hospital
NOTE Confidence: 0.98266315
00:03:33.205 --> 00:03:35.045 and Waterbury Hospital. So people
NOTE Confidence: 0.98266315
00:03:35.205 --> 00:03:36.105 a lot of people
NOTE Confidence: 0.9848566
00:03:36.805 --> 00:03:38.165 on the faculty got their
NOTE Confidence: 0.9848566
00:03:38.165 --> 00:03:39.465 start there.
NOTE Confidence: 0.99782866
00:03:40.165 --> 00:03:41.285 And so that's a picture
NOTE Confidence: 0.99782866
00:03:41.285 --> 00:03:41.945 of us
NOTE Confidence: 0.9921422
00:03:42.405 --> 00:03:43.705 outside Saint Mary's
NOTE Confidence: 0.8210789

00:03:44.005 --> 00:03:44.505 Hospital,
NOTE Confidence: 0.9228715

00:03:46.340 --> 00:03:47.720 getting a quality award.
NOTE Confidence: 0.118346736

00:03:48.420 --> 00:03:48.920 Since
NOTE Confidence: 0.9460575

00:03:49.380 --> 00:03:50.440 nineteen ninety eight.
NOTE Confidence: 0.95773697

00:03:52.020 --> 00:03:53.400 I know. Well,
NOTE Confidence: 0.9634513

00:03:54.900 --> 00:03:55.960 couple more wrinkles.
NOTE Confidence: 0.9668329

00:03:57.060 --> 00:03:58.420 Anyway and then this place
NOTE Confidence: 0.9668329

00:03:58.420 --> 00:04:00.025 is probably familiar. On on
NOTE Confidence: 0.9668329

00:04:00.025 --> 00:04:01.385 the left there was the
NOTE Confidence: 0.9668329

00:04:01.385 --> 00:04:01.625 founding,
NOTE Confidence: 0.9656184

00:04:02.745 --> 00:04:04.365 storefront of the Fairhaven
NOTE Confidence: 0.9614641

00:04:05.145 --> 00:04:06.285 Community Health Center.
NOTE Confidence: 0.990745

00:04:07.145 --> 00:04:09.065 It was on Grand Avenue,
NOTE Confidence: 0.990745

00:04:09.065 --> 00:04:10.425 and it was started by
NOTE Confidence: 0.990745

00:04:10.425 --> 00:04:12.825 community activists that wanted access
NOTE Confidence: 0.990745

00:04:12.825 --> 00:04:13.565 to doctors

NOTE Confidence: 0.9668138
00:04:14.490 --> 00:04:15.470 in their community.
NOTE Confidence: 0.99665236
00:04:16.570 --> 00:04:17.610 And then the photo in
NOTE Confidence: 0.99665236
00:04:17.610 --> 00:04:18.730 the middle will be familiar
NOTE Confidence: 0.99665236
00:04:18.730 --> 00:04:19.470 to everyone.
NOTE Confidence: 0.97462195
00:04:21.050 --> 00:04:22.330 One floor is the Cornell
NOTE Confidence: 0.97462195
00:04:22.330 --> 00:04:25.050 Scott internal medicine side, and
NOTE Confidence: 0.97462195
00:04:25.050 --> 00:04:26.170 then the other floor is
NOTE Confidence: 0.97462195
00:04:26.170 --> 00:04:26.670 the
NOTE Confidence: 0.9345917
00:04:27.445 --> 00:04:29.605 pediatric side run by the
NOTE Confidence: 0.9345917
00:04:29.605 --> 00:04:30.105 Fairhaven,
NOTE Confidence: 0.95881826
00:04:30.725 --> 00:04:32.245 community health center. So that
NOTE Confidence: 0.95881826
00:04:32.245 --> 00:04:33.865 happened in in twenty twenty.
NOTE Confidence: 0.9979345
00:04:34.965 --> 00:04:35.865 And then in
NOTE Confidence: 0.99981576
00:04:36.325 --> 00:04:36.825 January
NOTE Confidence: 0.9993116
00:04:37.445 --> 00:04:38.904 of twenty twenty
NOTE Confidence: 0.99884707

00:04:39.765 --> 00:04:40.265 four,
NOTE Confidence: 0.998719
00:04:40.979 --> 00:04:41.720 Ben Oldfield,
NOTE Confidence: 0.9331329
00:04:45.380 --> 00:04:46.199 an NCSP
NOTE Confidence: 0.97310174
00:04:46.819 --> 00:04:48.580 graduate from this program. He
NOTE Confidence: 0.97310174
00:04:48.580 --> 00:04:50.120 was the chief medical officer.
NOTE Confidence: 0.99955857
00:04:50.500 --> 00:04:51.620 He invited me to have
NOTE Confidence: 0.99955857
00:04:51.620 --> 00:04:52.520 a cup of coffee
NOTE Confidence: 0.9611172
00:04:53.014 --> 00:04:53.975 in the atrium of the
NOTE Confidence: 0.9611172
00:04:53.975 --> 00:04:55.355 hospital. And he said
NOTE Confidence: 0.91168576
00:04:55.895 --> 00:04:57.575 they were thinking of pulling
NOTE Confidence: 0.91168576
00:04:57.575 --> 00:04:59.014 some funds together to build
NOTE Confidence: 0.91168576
00:04:59.014 --> 00:04:59.975 a new building and with
NOTE Confidence: 0.91168576
00:04:59.975 --> 00:05:01.115 the med peds practice
NOTE Confidence: 0.93337995
00:05:01.895 --> 00:05:02.875 be at all interested
NOTE Confidence: 0.98811185
00:05:03.654 --> 00:05:05.195 in in coming down.
NOTE Confidence: 0.85564554
00:05:06.100 --> 00:05:07.640 And so the answer is,

NOTE Confidence: 0.85564554
00:05:07.860 --> 00:05:08.660 of of course, you would
NOTE Confidence: 0.85564554
00:05:08.660 --> 00:05:10.260 because the med pedes gang,
NOTE Confidence: 0.85564554
00:05:10.260 --> 00:05:10.920 the residents,
NOTE Confidence: 0.92261523
00:05:11.700 --> 00:05:13.640 they're Yale residents. They spend
NOTE Confidence: 0.9855669
00:05:14.339 --> 00:05:15.720 eighty percent of their time,
NOTE Confidence: 0.9744005
00:05:17.140 --> 00:05:18.420 at Yale New Haven Hospital,
NOTE Confidence: 0.9744005
00:05:18.420 --> 00:05:19.380 and they were driving up
NOTE Confidence: 0.9744005
00:05:19.380 --> 00:05:20.040 to Waterbury.
NOTE Confidence: 0.9596842
00:05:21.285 --> 00:05:22.265 And so,
NOTE Confidence: 0.97985595
00:05:24.085 --> 00:05:25.525 one breath, we just had
NOTE Confidence: 0.97985595
00:05:25.525 --> 00:05:27.045 this great deep affection and
NOTE Confidence: 0.97985595
00:05:27.045 --> 00:05:28.904 fondness and deep roots
NOTE Confidence: 0.9820579
00:05:29.205 --> 00:05:29.705 in,
NOTE Confidence: 0.96059924
00:05:30.485 --> 00:05:32.005 the city of Waterbury and
NOTE Confidence: 0.96059924
00:05:32.005 --> 00:05:33.464 really loved being there.
NOTE Confidence: 0.99166673

00:05:34.099 --> 00:05:34.599 But
NOTE Confidence: 0.9663451
00:05:37.779 --> 00:05:39.319 there are practicality forces
NOTE Confidence: 0.99420947
00:05:39.699 --> 00:05:40.099 that,
NOTE Confidence: 0.7991682
00:05:40.660 --> 00:05:41.400 led us
NOTE Confidence: 0.987536
00:05:41.940 --> 00:05:43.460 to see Fairhaven and New
NOTE Confidence: 0.987536
00:05:43.460 --> 00:05:44.580 Haven as the right place
NOTE Confidence: 0.987536
00:05:44.580 --> 00:05:45.460 for our gang for our
NOTE Confidence: 0.987536
00:05:45.460 --> 00:05:46.279 training program.
NOTE Confidence: 0.9908409
00:05:46.885 --> 00:05:47.705 And so
NOTE Confidence: 0.9789426
00:05:48.325 --> 00:05:49.285 the photo on the right
NOTE Confidence: 0.9789426
00:05:49.285 --> 00:05:50.505 is July first,
NOTE Confidence: 0.96576244
00:05:52.325 --> 00:05:53.845 twenty twenty five. They built
NOTE Confidence: 0.96576244
00:05:53.845 --> 00:05:54.585 this building,
NOTE Confidence: 0.9665057
00:05:55.285 --> 00:05:56.645 and it's at three seventy
NOTE Confidence: 0.9665057
00:05:56.645 --> 00:05:57.464 four grand,
NOTE Confidence: 0.91343933
00:05:58.325 --> 00:05:59.605 and it cost,

NOTE Confidence: 0.9942167
00:06:00.085 --> 00:06:01.625 thirty eight million dollars.
NOTE Confidence: 0.9389991
00:06:02.130 --> 00:06:03.110 So that's a picture.
NOTE Confidence: 0.9442533
00:06:03.490 --> 00:06:04.930 That's Doug Olson. He's the
NOTE Confidence: 0.9442533
00:06:04.930 --> 00:06:07.090 chief medical officer now, graduate
NOTE Confidence: 0.9442533
00:06:07.090 --> 00:06:08.210 of the Yale Primary Care
NOTE Confidence: 0.9442533
00:06:08.210 --> 00:06:08.710 program.
NOTE Confidence: 0.85745704
00:06:09.090 --> 00:06:10.370 That's Sue Legard, who is
NOTE Confidence: 0.85745704
00:06:10.370 --> 00:06:11.110 a gastroenterologist,
NOTE Confidence: 0.9882272
00:06:12.930 --> 00:06:14.530 in town, and now she's
NOTE Confidence: 0.9882272
00:06:14.530 --> 00:06:15.350 the CEO.
NOTE Confidence: 0.91860837
00:06:15.730 --> 00:06:17.670 That's Marissa Bond. She's the,
NOTE Confidence: 0.97541803
00:06:19.134 --> 00:06:20.735 the director of public health
NOTE Confidence: 0.97541803
00:06:20.735 --> 00:06:21.535 for the city of New
NOTE Confidence: 0.97541803
00:06:21.535 --> 00:06:23.134 Haven. Put that photo on
NOTE Confidence: 0.97541803
00:06:23.134 --> 00:06:24.495 there is that on the
NOTE Confidence: 0.97541803

00:06:24.495 --> 00:06:26.354 opening day of this building,
NOTE Confidence: 0.9995928

00:06:26.895 --> 00:06:28.195 everybody was there.
NOTE Confidence: 0.94943196

00:06:28.654 --> 00:06:29.294 It it was
NOTE Confidence: 0.85194796

00:06:29.870 --> 00:06:31.230 the mayor was there. All
NOTE Confidence: 0.85194796

00:06:31.230 --> 00:06:33.150 the Young Haven Hospital leadership
NOTE Confidence: 0.85194796

00:06:33.150 --> 00:06:33.810 was there.
NOTE Confidence: 0.97730064

00:06:34.510 --> 00:06:35.010 State,
NOTE Confidence: 0.9575995

00:06:35.790 --> 00:06:36.690 Rosa DeLauro
NOTE Confidence: 0.9961751

00:06:37.310 --> 00:06:39.010 beamed in a video there.
NOTE Confidence: 0.97093296

00:06:39.550 --> 00:06:41.470 Everybody was there. And it
NOTE Confidence: 0.97093296

00:06:41.470 --> 00:06:42.210 was a great
NOTE Confidence: 0.99804384

00:06:42.555 --> 00:06:44.495 experience to to to feel
NOTE Confidence: 0.9860287

00:06:45.275 --> 00:06:47.355 the community support for this
NOTE Confidence: 0.9860287

00:06:47.355 --> 00:06:48.095 good place.
NOTE Confidence: 0.981914

00:06:48.555 --> 00:06:49.755 So some of you might
NOTE Confidence: 0.981914

00:06:49.755 --> 00:06:51.275 not know where Fairhaven is,

NOTE Confidence: 0.981914

00:06:51.275 --> 00:06:52.714 so I'll show you. When

NOTE Confidence: 0.981914

00:06:52.714 --> 00:06:53.595 you walk in the new

NOTE Confidence: 0.981914

00:06:53.595 --> 00:06:55.375 building, there's this mural.

NOTE Confidence: 0.85885596

00:06:57.490 --> 00:06:59.170 And so so this was

NOTE Confidence: 0.85885596

00:06:59.170 --> 00:06:59.670 Fairhaven.

NOTE Confidence: 0.9570833

00:07:01.250 --> 00:07:03.089 There's the Fairhaven Community Health

NOTE Confidence: 0.9570833

00:07:03.089 --> 00:07:03.589 Center.

NOTE Confidence: 0.98930734

00:07:04.529 --> 00:07:05.270 This is,

NOTE Confidence: 0.9906649

00:07:06.290 --> 00:07:08.690 Grand Avenue. This is State

NOTE Confidence: 0.9906649

00:07:08.690 --> 00:07:09.190 Street.

NOTE Confidence: 0.87542623

00:07:09.935 --> 00:07:11.455 The New Haven Green is

NOTE Confidence: 0.87542623

00:07:11.455 --> 00:07:13.135 over here, and that means

NOTE Confidence: 0.87542623

00:07:13.135 --> 00:07:14.415 the El Nohim and Hopfills

NOTE Confidence: 0.87542623

00:07:14.415 --> 00:07:15.855 over here. And so Fair

NOTE Confidence: 0.87542623

00:07:15.855 --> 00:07:17.295 Haven is this interesting place

NOTE Confidence: 0.87542623

00:07:17.295 --> 00:07:17.795 because
NOTE Confidence: 0.99904925

00:07:19.055 --> 00:07:20.035 you wouldn't necessarily
NOTE Confidence: 0.9614979

00:07:20.975 --> 00:07:22.515 drive through Fair Haven,
NOTE Confidence: 0.97961587

00:07:23.600 --> 00:07:24.560 on the way to somewhere
NOTE Confidence: 0.97961587

00:07:24.560 --> 00:07:25.600 else, the way you might
NOTE Confidence: 0.97961587

00:07:25.600 --> 00:07:27.220 drive through Dixwell Avenue
NOTE Confidence: 0.90504307

00:07:27.600 --> 00:07:29.360 or El Agresso Boulevard or
NOTE Confidence: 0.90504307

00:07:29.360 --> 00:07:30.720 one of these places. It's
NOTE Confidence: 0.90504307

00:07:30.720 --> 00:07:31.780 a it's its own
NOTE Confidence: 0.9899678

00:07:32.560 --> 00:07:33.620 contained place.
NOTE Confidence: 0.934651

00:07:35.280 --> 00:07:35.780 So,
NOTE Confidence: 0.99592054

00:07:37.845 --> 00:07:39.465 it's the most diverse neighborhood
NOTE Confidence: 0.9598244

00:07:39.925 --> 00:07:40.825 in New Haven.
NOTE Confidence: 0.9799648

00:07:41.765 --> 00:07:43.205 And so this is, what
NOTE Confidence: 0.9799648

00:07:43.205 --> 00:07:44.565 we got now. So it's
NOTE Confidence: 0.9799648

00:07:44.565 --> 00:07:45.945 this big, beautiful

NOTE Confidence: 0.9548178
00:07:46.645 --> 00:07:48.085 thirty five thousand square foot
NOTE Confidence: 0.9548178
00:07:48.085 --> 00:07:48.585 building.
NOTE Confidence: 0.9951638
00:07:49.310 --> 00:07:50.930 We're on the second floor.
NOTE Confidence: 0.95246464
00:07:51.630 --> 00:07:53.150 It's a med peds practice,
NOTE Confidence: 0.95246464
00:07:53.150 --> 00:07:54.270 so we see adults and
NOTE Confidence: 0.95246464
00:07:54.270 --> 00:07:54.770 kids.
NOTE Confidence: 0.99341065
00:07:56.670 --> 00:07:57.870 And it has all the
NOTE Confidence: 0.99341065
00:07:57.870 --> 00:07:59.090 stuff that you'd want.
NOTE Confidence: 0.98222435
00:07:59.790 --> 00:08:00.770 So labs,
NOTE Confidence: 0.9472523
00:08:01.875 --> 00:08:03.395 a case manager sits there
NOTE Confidence: 0.9472523
00:08:03.395 --> 00:08:04.215 in the pod.
NOTE Confidence: 0.9989769
00:08:05.315 --> 00:08:06.215 There are these
NOTE Confidence: 0.99943525
00:08:06.595 --> 00:08:07.815 diabetes educators,
NOTE Confidence: 0.96657974
00:08:08.514 --> 00:08:09.014 nutritionists.
NOTE Confidence: 0.9349181
00:08:10.115 --> 00:08:11.794 There's this really cool program
NOTE Confidence: 0.9349181

00:08:11.794 --> 00:08:12.935 of food as pharmacy.
NOTE Confidence: 0.9986151

00:08:13.794 --> 00:08:14.615 So there are
NOTE Confidence: 0.9381147

00:08:15.070 --> 00:08:16.990 dietitians, nutritionists who are working
NOTE Confidence: 0.9381147

00:08:16.990 --> 00:08:18.110 with patients and they come
NOTE Confidence: 0.9381147

00:08:18.110 --> 00:08:19.070 in and then they go
NOTE Confidence: 0.9381147

00:08:19.070 --> 00:08:20.190 upstairs and they meet with
NOTE Confidence: 0.9381147

00:08:20.190 --> 00:08:22.030 the nutritionist and then head
NOTE Confidence: 0.9381147

00:08:22.030 --> 00:08:22.770 back down.
NOTE Confidence: 0.9427847

00:08:24.430 --> 00:08:27.150 Behavioral health, Fairhaven owns their
NOTE Confidence: 0.9427847

00:08:27.150 --> 00:08:28.050 own laboratory
NOTE Confidence: 0.9376467

00:08:28.895 --> 00:08:30.255 and or or their, their
NOTE Confidence: 0.9376467

00:08:30.255 --> 00:08:31.075 own pharmacy.
NOTE Confidence: 0.99656093

00:08:31.775 --> 00:08:33.054 And so it's very easy
NOTE Confidence: 0.99656093

00:08:33.054 --> 00:08:34.675 to communicate with the pharmacist
NOTE Confidence: 0.99656093

00:08:34.815 --> 00:08:36.115 around, you know,
NOTE Confidence: 0.9892397

00:08:36.415 --> 00:08:37.795 folks who don't have insurance

NOTE Confidence: 0.9892397
00:08:37.855 --> 00:08:39.855 and how much medications cost
NOTE Confidence: 0.9892397
00:08:39.855 --> 00:08:41.075 and all that.
NOTE Confidence: 0.99823296
00:08:41.535 --> 00:08:42.035 So
NOTE Confidence: 0.9982201
00:08:43.020 --> 00:08:44.460 it's been a great it's
NOTE Confidence: 0.9982201
00:08:44.460 --> 00:08:45.740 been a great move for
NOTE Confidence: 0.9982201
00:08:45.740 --> 00:08:46.240 us.
NOTE Confidence: 0.994038
00:08:46.860 --> 00:08:47.820 Oh, and we even have
NOTE Confidence: 0.994038
00:08:47.820 --> 00:08:48.400 a labyrinth.
NOTE Confidence: 0.9850667
00:08:51.980 --> 00:08:53.420 The other cool thing about
NOTE Confidence: 0.9850667
00:08:53.420 --> 00:08:53.900 Fairhaven
NOTE Confidence: 0.96891534
00:08:55.985 --> 00:08:56.785 and so I've been a
NOTE Confidence: 0.96891534
00:08:56.785 --> 00:08:58.225 pastor in the in that
NOTE Confidence: 0.96891534
00:08:58.225 --> 00:08:59.665 community off and on since
NOTE Confidence: 0.96891534
00:08:59.665 --> 00:09:01.425 nineteen ninety one, used to
NOTE Confidence: 0.96891534
00:09:01.425 --> 00:09:02.085 be called
NOTE Confidence: 0.72072506

00:09:02.625 --> 00:09:03.125 Dragon.
NOTE Confidence: 0.99388915
00:09:04.545 --> 00:09:05.045 Dragon.
NOTE Confidence: 0.99944484
00:09:05.425 --> 00:09:05.925 Why?
NOTE Confidence: 0.9860547
00:09:06.385 --> 00:09:07.745 Because they used to have
NOTE Confidence: 0.9860547
00:09:07.745 --> 00:09:08.245 seals,
NOTE Confidence: 0.9547251
00:09:09.280 --> 00:09:10.640 not like a stamp, but
NOTE Confidence: 0.9547251
00:09:10.640 --> 00:09:12.480 like the animal seals would,
NOTE Confidence: 0.9547251
00:09:12.480 --> 00:09:13.440 like, swim up and down
NOTE Confidence: 0.9547251
00:09:13.440 --> 00:09:14.720 the Quinnipiac River. So they
NOTE Confidence: 0.9547251
00:09:14.720 --> 00:09:16.100 called it dragon.
NOTE Confidence: 0.99786854
00:09:16.720 --> 00:09:17.220 Also,
NOTE Confidence: 0.9910824
00:09:17.920 --> 00:09:19.620 it was the oyster capital
NOTE Confidence: 0.9910824
00:09:19.920 --> 00:09:20.960 of the world. And when
NOTE Confidence: 0.9910824
00:09:20.960 --> 00:09:22.000 you get when you go
NOTE Confidence: 0.9910824
00:09:22.000 --> 00:09:22.820 into Fairhaven
NOTE Confidence: 0.89265513
00:09:23.520 --> 00:09:24.915 and you'll see these

NOTE Confidence: 0.99938047

00:09:25.375 --> 00:09:26.275 the brackish

NOTE Confidence: 0.9790041

00:09:26.975 --> 00:09:27.475 tidal

NOTE Confidence: 0.89900905

00:09:29.295 --> 00:09:31.075 river was a perfect place

NOTE Confidence: 0.9487355

00:09:31.455 --> 00:09:33.455 for oysters for generations and

NOTE Confidence: 0.9487355

00:09:33.455 --> 00:09:35.135 generations and generations. So was

NOTE Confidence: 0.9487355

00:09:35.135 --> 00:09:35.635 this

NOTE Confidence: 0.9834504

00:09:36.815 --> 00:09:38.115 many of the homes,

NOTE Confidence: 0.94817114

00:09:39.160 --> 00:09:39.980 these clapboard

NOTE Confidence: 0.6038503

00:09:40.360 --> 00:09:40.860 simple

NOTE Confidence: 0.910931

00:09:41.240 --> 00:09:43.160 homes, were the homes of

NOTE Confidence: 0.910931

00:09:43.160 --> 00:09:45.000 the of the oyster cap

NOTE Confidence: 0.910931

00:09:45.240 --> 00:09:46.440 captains. And so that was,

NOTE Confidence: 0.910931

00:09:46.440 --> 00:09:46.940 like,

NOTE Confidence: 0.9992763

00:09:47.559 --> 00:09:48.300 how the

NOTE Confidence: 0.99459

00:09:48.920 --> 00:09:50.300 the village grew.

NOTE Confidence: 0.9898186

00:09:51.160 --> 00:09:53.020 Just down the street from,
NOTE Confidence: 0.9101058

00:09:54.345 --> 00:09:55.565 the community health center,
NOTE Confidence: 0.8377204

00:09:56.105 --> 00:09:57.565 is Crisciulo Park.
NOTE Confidence: 0.96808124

00:09:58.425 --> 00:09:59.804 And this place was notable
NOTE Confidence: 0.96808124

00:09:59.865 --> 00:10:01.324 because this was the home
NOTE Confidence: 0.96808124

00:10:01.385 --> 00:10:03.404 of the twenty ninth regiment
NOTE Confidence: 0.96808124

00:10:03.464 --> 00:10:04.605 of the civil war,
NOTE Confidence: 0.9985061

00:10:05.464 --> 00:10:06.764 which was the first
NOTE Confidence: 0.9925459

00:10:07.225 --> 00:10:07.725 black
NOTE Confidence: 0.97702813

00:10:08.640 --> 00:10:10.880 regiment of Connecticut. The first
NOTE Confidence: 0.97702813

00:10:10.880 --> 00:10:12.320 black regiment in the civil
NOTE Confidence: 0.97702813

00:10:12.320 --> 00:10:13.540 war was up in Massachusetts,
NOTE Confidence: 0.88575494

00:10:14.080 --> 00:10:14.740 of course.
NOTE Confidence: 0.96448654

00:10:16.160 --> 00:10:18.320 But Cresciello Park was the
NOTE Confidence: 0.96448654

00:10:18.320 --> 00:10:20.000 place where the twenty ninth
NOTE Confidence: 0.96448654

00:10:20.000 --> 00:10:20.500 regiment

NOTE Confidence: 0.8746726
00:10:21.120 --> 00:10:21.620 mustered.
NOTE Confidence: 0.96058637
00:10:22.675 --> 00:10:24.275 And, so you can go
NOTE Confidence: 0.96058637
00:10:24.275 --> 00:10:25.395 down there, and they have
NOTE Confidence: 0.96058637
00:10:25.395 --> 00:10:26.455 obelisks. And,
NOTE Confidence: 0.98638165
00:10:27.075 --> 00:10:28.595 it's on the tour that
NOTE Confidence: 0.98638165
00:10:28.595 --> 00:10:29.795 we have the residents go
NOTE Confidence: 0.98638165
00:10:29.795 --> 00:10:30.835 on to learn about this
NOTE Confidence: 0.98638165
00:10:30.835 --> 00:10:31.815 neighborhood. So,
NOTE Confidence: 0.85204566
00:10:32.434 --> 00:10:32.934 folks,
NOTE Confidence: 0.99957746
00:10:33.235 --> 00:10:33.975 that's it.
NOTE Confidence: 0.9996958
00:10:34.790 --> 00:10:35.929 That's our new home.
NOTE Confidence: 0.9992382
00:10:36.550 --> 00:10:38.410 That's where we are. Thanks.
NOTE Confidence: 0.87480295
00:10:42.630 --> 00:10:44.150 Thanks, Ben. Of course, we
NOTE Confidence: 0.87480295
00:10:44.150 --> 00:10:45.690 know you have residents there.
NOTE Confidence: 0.92397624
00:10:46.070 --> 00:10:47.510 Are are students rotating there
NOTE Confidence: 0.92397624

00:10:47.510 --> 00:10:48.170 as well?
NOTE Confidence: 0.9223403

00:10:50.304 --> 00:10:51.745 About that. You and I
NOTE Confidence: 0.9223403

00:10:51.745 --> 00:10:52.645 talked about that.
NOTE Confidence: 0.916281

00:10:55.825 --> 00:10:57.205 There's a hesitation
NOTE Confidence: 0.8290652

00:10:58.385 --> 00:11:00.005 on the part of the.
NOTE Confidence: 0.9066349

00:11:05.050 --> 00:11:05.550 So
NOTE Confidence: 0.96872646

00:11:06.730 --> 00:11:08.570 yeah. Work in progress. Work
NOTE Confidence: 0.96872646

00:11:08.570 --> 00:11:10.350 in progress. Speaking of Peter,
NOTE Confidence: 0.98841286

00:11:10.970 --> 00:11:12.330 Peter's up next. He's gonna
NOTE Confidence: 0.98841286

00:11:12.330 --> 00:11:13.550 talk to us about the,
NOTE Confidence: 0.75188863

00:11:14.090 --> 00:11:14.670 a position
NOTE Confidence: 0.9768316

00:11:15.130 --> 00:11:16.670 that's about to become available
NOTE Confidence: 0.9768316

00:11:16.730 --> 00:11:18.750 for interested faculty, co director
NOTE Confidence: 0.994991

00:11:19.275 --> 00:11:21.055 of the primary care psychiatry
NOTE Confidence: 0.67580086

00:11:22.155 --> 00:11:23.055 clerkship. Peter.
NOTE Confidence: 0.8655888

00:11:30.405 --> 00:11:30.905 Meetings.

NOTE Confidence: 0.9990223
00:11:32.070 --> 00:11:32.570 Okay.
NOTE Confidence: 0.96241033
00:11:33.270 --> 00:11:34.490 Just click on it.
NOTE Confidence: 0.9908061
00:11:34.870 --> 00:11:35.370 Okay.
NOTE Confidence: 0.79489774
00:11:35.990 --> 00:11:38.010 Yeah. Keyboard. On the arrow.
NOTE Confidence: 0.79489774
00:11:38.070 --> 00:11:39.030 Just the down arrow. To
NOTE Confidence: 0.79489774
00:11:39.030 --> 00:11:39.610 the right.
NOTE Confidence: 0.80793417
00:11:40.230 --> 00:11:41.830 Here. Yeah. Try that. Go
NOTE Confidence: 0.80793417
00:11:41.830 --> 00:11:43.530 to the right. Yeah. Beautiful.
NOTE Confidence: 0.80793417
00:11:43.670 --> 00:11:44.170 Okay.
NOTE Confidence: 0.96596134
00:11:45.035 --> 00:11:47.135 Greetings, everybody, here and elsewhere.
NOTE Confidence: 0.96596134
00:11:47.355 --> 00:11:49.195 I'm Peter Ellis. I'm the
NOTE Confidence: 0.96596134
00:11:49.195 --> 00:11:50.395 co director of the primary
NOTE Confidence: 0.96596134
00:11:50.395 --> 00:11:51.215 care clerkship.
NOTE Confidence: 0.9667922
00:11:51.835 --> 00:11:52.335 And,
NOTE Confidence: 0.98186904
00:11:53.195 --> 00:11:54.795 with bittersweet news, I've been
NOTE Confidence: 0.98186904

00:11:54.795 --> 00:11:56.235 in this direct position for
NOTE Confidence: 0.98186904

00:11:56.235 --> 00:11:56.895 ten years,
NOTE Confidence: 0.99826705

00:11:58.320 --> 00:11:59.440 and the time is right
NOTE Confidence: 0.99826705

00:11:59.440 --> 00:12:00.640 for new leadership. So I'm
NOTE Confidence: 0.99826705

00:12:00.640 --> 00:12:01.600 here to announce that I
NOTE Confidence: 0.99826705

00:12:01.600 --> 00:12:02.640 will be stepping down in
NOTE Confidence: 0.99826705

00:12:02.640 --> 00:12:04.179 June of twenty twenty six.
NOTE Confidence: 0.99688834

00:12:05.360 --> 00:12:05.860 Coincidentally,
NOTE Confidence: 0.9704088

00:12:06.240 --> 00:12:07.760 the person who developed this
NOTE Confidence: 0.9704088

00:12:07.760 --> 00:12:09.620 clerkship back in nineteen ninety
NOTE Confidence: 0.9704088

00:12:09.855 --> 00:12:11.875 two or three, and, Ben,
NOTE Confidence: 0.9704088

00:12:11.934 --> 00:12:13.795 doctor Doolittle, thank you for
NOTE Confidence: 0.9704088

00:12:13.855 --> 00:12:15.154 setting the tone of history,
NOTE Confidence: 0.9704088

00:12:15.214 --> 00:12:16.095 is here in the room
NOTE Confidence: 0.9704088

00:12:16.095 --> 00:12:16.595 today.
NOTE Confidence: 0.9949357

00:12:17.054 --> 00:12:18.894 So this clerkship was really

NOTE Confidence: 0.9949357

00:12:18.894 --> 00:12:20.035 started and innovated,

NOTE Confidence: 0.9706067

00:12:20.735 --> 00:12:22.334 fantastically by our own doctor

NOTE Confidence: 0.9706067

00:12:22.334 --> 00:12:23.875 Walter Kernan, who's here.

NOTE Confidence: 0.9991929

00:12:24.574 --> 00:12:25.074 So

NOTE Confidence: 0.97257787

00:12:25.660 --> 00:12:26.880 I was still in kindergarten

NOTE Confidence: 0.97257787

00:12:26.940 --> 00:12:28.059 back in nineteen ninety two

NOTE Confidence: 0.97257787

00:12:28.059 --> 00:12:28.559 and,

NOTE Confidence: 0.95638657

00:12:29.020 --> 00:12:30.380 no, not really. But Walter

NOTE Confidence: 0.95638657

00:12:30.380 --> 00:12:31.740 really set the standard as

NOTE Confidence: 0.95638657

00:12:31.740 --> 00:12:32.940 an innovator and,

NOTE Confidence: 0.9191651

00:12:33.340 --> 00:12:35.020 recruiting community faculty. So I'm

NOTE Confidence: 0.9191651

00:12:35.020 --> 00:12:35.580 gonna tell you a little

NOTE Confidence: 0.9191651

00:12:35.580 --> 00:12:36.700 bit about the clerkship briefly

NOTE Confidence: 0.9191651

00:12:36.700 --> 00:12:37.420 and that we have a

NOTE Confidence: 0.9191651

00:12:37.420 --> 00:12:38.240 packed agenda.

NOTE Confidence: 0.9876471

00:12:39.404 --> 00:12:40.684 But what a wonderful tradition

NOTE Confidence: 0.9876471

00:12:40.684 --> 00:12:42.684 Walter started, and, I hope

NOTE Confidence: 0.9876471

00:12:42.684 --> 00:12:43.804 I've tried to live up

NOTE Confidence: 0.9876471

00:12:43.804 --> 00:12:45.005 to that. I think the

NOTE Confidence: 0.9876471

00:12:45.005 --> 00:12:46.205 state of the clerkship is

NOTE Confidence: 0.9876471

00:12:46.205 --> 00:12:46.705 strong.

NOTE Confidence: 0.9887709

00:12:47.085 --> 00:12:48.525 It's in good shape, and

NOTE Confidence: 0.9887709

00:12:48.525 --> 00:12:49.965 it will also benefit from

NOTE Confidence: 0.9887709

00:12:49.965 --> 00:12:51.420 new leadership and innovation. So,

NOTE Confidence: 0.9682382

00:12:52.459 --> 00:12:53.500 I wanted to thank Walter

NOTE Confidence: 0.9682382

00:12:53.500 --> 00:12:55.019 for all his fantastic work,

NOTE Confidence: 0.9682382

00:12:55.019 --> 00:12:56.639 particularly the faculty development,

NOTE Confidence: 0.9851363

00:12:56.940 --> 00:12:57.980 which is a tradition we

NOTE Confidence: 0.9851363

00:12:57.980 --> 00:12:59.339 do every year with dinners

NOTE Confidence: 0.9851363

00:12:59.339 --> 00:13:01.260 and, celebrate our community faculty.

NOTE Confidence: 0.9851363

00:13:01.260 --> 00:13:01.760 So,

NOTE Confidence: 0.9862977

00:13:02.540 --> 00:13:03.420 I'm gonna get to this,

NOTE Confidence: 0.9862977

00:13:03.420 --> 00:13:04.639 but it's a great opportunity

NOTE Confidence: 0.9862977

00:13:04.700 --> 00:13:05.980 for anybody who is interested

NOTE Confidence: 0.9862977

00:13:05.980 --> 00:13:06.480 in,

NOTE Confidence: 0.93592733

00:13:07.125 --> 00:13:08.965 engaging with our faculty, community

NOTE Confidence: 0.93592733

00:13:08.965 --> 00:13:09.465 faculty,

NOTE Confidence: 0.99213916

00:13:10.245 --> 00:13:11.125 who still take care of

NOTE Confidence: 0.99213916

00:13:11.125 --> 00:13:12.165 the majority of the patients

NOTE Confidence: 0.99213916

00:13:12.165 --> 00:13:12.985 in our community.

NOTE Confidence: 0.99948186

00:13:13.605 --> 00:13:15.205 And I do think that

NOTE Confidence: 0.99948186

00:13:15.205 --> 00:13:17.065 having students in the community

NOTE Confidence: 0.99905115

00:13:17.765 --> 00:13:18.265 elevates

NOTE Confidence: 0.95078206

00:13:18.910 --> 00:13:20.030 the quality of practice. I

NOTE Confidence: 0.95078206

00:13:20.030 --> 00:13:21.309 say that speaking personally when

NOTE Confidence: 0.95078206

00:13:21.309 --> 00:13:22.429 I have students makes me

NOTE Confidence: 0.95078206

00:13:22.429 --> 00:13:23.170 on my game,
NOTE Confidence: 0.97082555

00:13:23.630 --> 00:13:24.670 and I think it helps
NOTE Confidence: 0.97082555

00:13:24.670 --> 00:13:25.330 all practices,
NOTE Confidence: 0.9659999

00:13:25.790 --> 00:13:27.410 maybe even Fairhaven
NOTE Confidence: 0.86290663

00:13:27.790 --> 00:13:29.309 if they'll have them. So,
NOTE Confidence: 0.97234106

00:13:30.750 --> 00:13:32.110 this position will be available
NOTE Confidence: 0.97234106

00:13:32.110 --> 00:13:33.150 on July of twenty twenty
NOTE Confidence: 0.97234106

00:13:33.150 --> 00:13:33.945 six, and there'll be an
NOTE Confidence: 0.97234106

00:13:33.945 --> 00:13:35.545 announcement coming out very shortly.
NOTE Confidence: 0.97234106

00:13:35.545 --> 00:13:36.525 Check your emails.
NOTE Confidence: 0.99205923

00:13:37.305 --> 00:13:38.745 We absolutely hope that the
NOTE Confidence: 0.99205923

00:13:38.745 --> 00:13:40.105 next leader will come from
NOTE Confidence: 0.99205923

00:13:40.105 --> 00:13:41.865 our section and maintain that
NOTE Confidence: 0.99205923

00:13:41.865 --> 00:13:43.305 tradition. However, it's open to
NOTE Confidence: 0.99205923

00:13:43.305 --> 00:13:43.805 any,
NOTE Confidence: 0.95212

00:13:44.985 --> 00:13:46.345 section in the department of

NOTE Confidence: 0.95212

00:13:46.345 --> 00:13:46.845 medicine.

NOTE Confidence: 0.97268814

00:13:47.920 --> 00:13:49.199 Anybody in the latter faculty

NOTE Confidence: 0.97268814

00:13:49.199 --> 00:13:50.420 is welcome to apply.

NOTE Confidence: 0.93597317

00:13:52.800 --> 00:13:53.300 So

NOTE Confidence: 0.9504351

00:13:53.759 --> 00:13:55.279 so just to quickly review,

NOTE Confidence: 0.9504351

00:13:55.279 --> 00:13:56.639 there are four core clerkships

NOTE Confidence: 0.9504351

00:13:56.639 --> 00:13:57.380 at Yale.

NOTE Confidence: 0.9681017

00:13:58.079 --> 00:13:59.600 And, in the new iteration

NOTE Confidence: 0.9681017

00:13:59.600 --> 00:14:00.895 several years ago, they're defined

NOTE Confidence: 0.9681017

00:14:00.895 --> 00:14:01.934 as follows. Number one is

NOTE Confidence: 0.9681017

00:14:01.934 --> 00:14:02.895 a surgical approach to the

NOTE Confidence: 0.9681017

00:14:02.895 --> 00:14:04.675 patient. These are twelve week

NOTE Confidence: 0.9681017

00:14:04.815 --> 00:14:06.335 clerkships that are mandatory. So

NOTE Confidence: 0.9681017

00:14:06.335 --> 00:14:07.934 students start in January of

NOTE Confidence: 0.9681017

00:14:07.934 --> 00:14:09.214 their second year, about eighteen

NOTE Confidence: 0.9681017

00:14:09.214 --> 00:14:10.815 months in, which is typical
NOTE Confidence: 0.9681017

00:14:10.815 --> 00:14:12.434 of most medical schools now.
NOTE Confidence: 0.9681017

00:14:12.575 --> 00:14:13.695 The medical approach to the
NOTE Confidence: 0.9681017

00:14:13.695 --> 00:14:14.195 patient,
NOTE Confidence: 0.8785312

00:14:14.769 --> 00:14:15.570 well, by the way, Felix
NOTE Confidence: 0.8785312

00:14:15.570 --> 00:14:16.290 Louie is head of the
NOTE Confidence: 0.8785312

00:14:16.290 --> 00:14:17.730 surgical medical. It's Angie Kang.
NOTE Confidence: 0.8785312

00:14:17.730 --> 00:14:18.529 I don't know if Angie's
NOTE Confidence: 0.8785312

00:14:18.529 --> 00:14:20.209 out there. Pediatrics and OB
NOTE Confidence: 0.8785312

00:14:20.209 --> 00:14:21.890 GYN in our clerkship to
NOTE Confidence: 0.8785312

00:14:21.890 --> 00:14:22.390 biopsychosocial
NOTE Confidence: 0.99905664

00:14:22.930 --> 00:14:23.430 approach
NOTE Confidence: 0.9720664

00:14:23.810 --> 00:14:24.630 to the patient.
NOTE Confidence: 0.9026448

00:14:25.170 --> 00:14:25.890 Thank you, by the way,
NOTE Confidence: 0.9026448

00:14:25.890 --> 00:14:26.790 for these slides,
NOTE Confidence: 0.962287

00:14:27.649 --> 00:14:28.690 very much for putting them

NOTE Confidence: 0.962287
00:14:28.690 --> 00:14:29.190 together,
NOTE Confidence: 0.9334933
00:14:30.705 --> 00:14:33.025 which is, a combined internal
NOTE Confidence: 0.9334933
00:14:33.025 --> 00:14:34.325 medicine and,
NOTE Confidence: 0.8149571
00:14:34.865 --> 00:14:35.685 in pediatrics.
NOTE Confidence: 0.90580404
00:14:36.705 --> 00:14:37.745 We call that primary care
NOTE Confidence: 0.90580404
00:14:37.745 --> 00:14:38.625 because we don't yet have
NOTE Confidence: 0.90580404
00:14:38.625 --> 00:14:39.825 a department of family medicine
NOTE Confidence: 0.90580404
00:14:39.825 --> 00:14:41.205 at Yale. That may change.
NOTE Confidence: 0.9614148
00:14:41.880 --> 00:14:43.400 And, we we pair it
NOTE Confidence: 0.9614148
00:14:43.400 --> 00:14:44.760 with psychiatry, which we think
NOTE Confidence: 0.9614148
00:14:44.760 --> 00:14:45.800 for many reasons is a
NOTE Confidence: 0.9614148
00:14:45.880 --> 00:14:47.260 is an apt pairing.
NOTE Confidence: 0.9116493
00:14:49.400 --> 00:14:50.860 Job description. Just briefly.
NOTE Confidence: 0.96285754
00:14:51.160 --> 00:14:52.120 The major part of this
NOTE Confidence: 0.96285754
00:14:52.120 --> 00:14:54.440 job is, basically supervising the
NOTE Confidence: 0.96285754

00:14:54.440 --> 00:14:55.884 training of Yale students in
NOTE Confidence: 0.96285754

00:14:55.884 --> 00:14:57.404 the in our community sites
NOTE Confidence: 0.96285754

00:14:57.404 --> 00:14:59.584 and in hospital practices. So
NOTE Confidence: 0.96285754

00:14:59.805 --> 00:15:00.764 big portion of my time
NOTE Confidence: 0.96285754

00:15:00.764 --> 00:15:02.065 is making sure these sites
NOTE Confidence: 0.96285754

00:15:02.365 --> 00:15:02.764 are,
NOTE Confidence: 0.9695644

00:15:03.245 --> 00:15:04.605 functioning well, and I get
NOTE Confidence: 0.9695644

00:15:04.605 --> 00:15:05.805 to do site visits and
NOTE Confidence: 0.9695644

00:15:05.805 --> 00:15:06.925 meet all of these great
NOTE Confidence: 0.9695644

00:15:06.925 --> 00:15:07.805 faculty. So I go to
NOTE Confidence: 0.9695644

00:15:07.805 --> 00:15:08.464 the VA.
NOTE Confidence: 0.96388024

00:15:08.845 --> 00:15:10.285 So who's at the VA?
NOTE Confidence: 0.96388024

00:15:10.285 --> 00:15:10.845 We have,
NOTE Confidence: 0.91633403

00:15:11.780 --> 00:15:13.300 wonderful training. If you were
NOTE Confidence: 0.91633403

00:15:13.300 --> 00:15:14.180 here, I was gonna call
NOTE Confidence: 0.91633403

00:15:14.180 --> 00:15:14.900 you up in name, but

NOTE Confidence: 0.91633403

00:15:14.900 --> 00:15:15.800 maybe I won't.

NOTE Confidence: 0.89869153

00:15:16.180 --> 00:15:17.940 Cornell Scott, for sure, mission

NOTE Confidence: 0.89869153

00:15:17.940 --> 00:15:20.020 driven center, New Haven Primary

NOTE Confidence: 0.89869153

00:15:20.020 --> 00:15:21.540 Care Consortium, where many of

NOTE Confidence: 0.89869153

00:15:21.540 --> 00:15:22.280 us teach

NOTE Confidence: 0.9260275

00:15:23.060 --> 00:15:25.395 with residents, Wednesday evening clinic,

NOTE Confidence: 0.88335663

00:15:26.195 --> 00:15:27.555 of course, Yima, my faculty

NOTE Confidence: 0.88335663

00:15:27.555 --> 00:15:29.095 practice, Bridgeport, Greenwich,

NOTE Confidence: 0.9658622

00:15:29.475 --> 00:15:31.715 fantastic sites. Northeast Medical Group

NOTE Confidence: 0.9658622

00:15:31.715 --> 00:15:33.235 and community based practices are

NOTE Confidence: 0.9658622

00:15:33.235 --> 00:15:33.735 still,

NOTE Confidence: 0.96743226

00:15:34.195 --> 00:15:35.475 probably the bulk of our

NOTE Confidence: 0.96743226

00:15:35.475 --> 00:15:36.775 sites. So we have,

NOTE Confidence: 0.94344836

00:15:38.580 --> 00:15:40.920 maybe twenty sites in total.

NOTE Confidence: 0.99298865

00:15:41.380 --> 00:15:41.860 And,

NOTE Confidence: 0.9144931

00:15:42.180 --> 00:15:43.220 Jen Rockfeld, for any of
NOTE Confidence: 0.9144931

00:15:43.220 --> 00:15:44.580 you, did a fantastic job.
NOTE Confidence: 0.9144931

00:15:44.580 --> 00:15:46.740 So we've recruited these community
NOTE Confidence: 0.9144931

00:15:46.740 --> 00:15:48.100 faculty. Many even been trained
NOTE Confidence: 0.9144931

00:15:48.100 --> 00:15:49.540 with Dana Dunn in the
NOTE Confidence: 0.9144931

00:15:49.540 --> 00:15:51.400 Stanford faculty development model.
NOTE Confidence: 0.9977139

00:15:51.780 --> 00:15:53.160 So they're excellent teachers.
NOTE Confidence: 0.99475074

00:15:53.825 --> 00:15:54.565 And then,
NOTE Confidence: 0.9533663

00:15:55.265 --> 00:15:56.464 anyone wanna travel, you get
NOTE Confidence: 0.9533663

00:15:56.464 --> 00:15:57.345 to go to San Francisco
NOTE Confidence: 0.9533663

00:15:57.345 --> 00:15:58.545 and Tennessee and check out
NOTE Confidence: 0.9533663

00:15:58.545 --> 00:16:00.865 our beloved sites, San Francisco
NOTE Confidence: 0.9533663

00:16:00.865 --> 00:16:01.445 in particular,
NOTE Confidence: 0.98423135

00:16:01.985 --> 00:16:03.345 from two alums of Yale
NOTE Confidence: 0.98423135

00:16:03.345 --> 00:16:04.945 who have, pretty much endowed
NOTE Confidence: 0.98423135

00:16:04.945 --> 00:16:06.625 that place. And we typically

NOTE Confidence: 0.98423135

00:16:06.625 --> 00:16:08.500 send ten or more students

NOTE Confidence: 0.98423135

00:16:08.640 --> 00:16:09.940 every year to San Francisco,

NOTE Confidence: 0.98423135

00:16:10.000 --> 00:16:11.040 and they have a fantastic

NOTE Confidence: 0.98423135

00:16:11.040 --> 00:16:11.780 time there.

NOTE Confidence: 0.98368764

00:16:13.440 --> 00:16:14.880 Faculty recruitment and development is

NOTE Confidence: 0.98368764

00:16:14.880 --> 00:16:15.760 a big part. It's an

NOTE Confidence: 0.98368764

00:16:15.760 --> 00:16:17.200 opportunity to meet our faculty

NOTE Confidence: 0.98368764

00:16:17.200 --> 00:16:18.160 out in the community, as

NOTE Confidence: 0.98368764

00:16:18.160 --> 00:16:19.360 I said. We have teaching

NOTE Confidence: 0.98368764

00:16:19.360 --> 00:16:20.740 awards, which they love.

NOTE Confidence: 0.9755942

00:16:21.315 --> 00:16:23.335 Didactic program remains really important.

NOTE Confidence: 0.9755942

00:16:23.395 --> 00:16:24.515 So many of you teach.

NOTE Confidence: 0.9755942

00:16:24.515 --> 00:16:25.875 I think, Tracy Rabin, if

NOTE Confidence: 0.9755942

00:16:25.875 --> 00:16:26.675 you're out there, thank you

NOTE Confidence: 0.9755942

00:16:26.675 --> 00:16:28.835 for teaching diabetes. Ben Gallagher

NOTE Confidence: 0.9755942

00:16:28.835 --> 00:16:29.815 teaches hypertension.
NOTE Confidence: 0.96916306

00:16:30.595 --> 00:16:32.235 Jorge Moreno, obesity. I do
NOTE Confidence: 0.96916306

00:16:32.235 --> 00:16:33.950 a topic on screening. We
NOTE Confidence: 0.96916306

00:16:33.950 --> 00:16:35.470 have interviewing skills that remain
NOTE Confidence: 0.96916306

00:16:35.470 --> 00:16:37.330 really important in our clerkship,
NOTE Confidence: 0.9869542

00:16:37.870 --> 00:16:38.610 really foundational.
NOTE Confidence: 0.9089846

00:16:39.070 --> 00:16:41.490 So Susan Kashoff, Delia Alcantara,
NOTE Confidence: 0.9089846

00:16:41.550 --> 00:16:42.750 do some interviewing skills in
NOTE Confidence: 0.9089846

00:16:42.750 --> 00:16:44.670 our problem focused workshop, physical
NOTE Confidence: 0.9089846

00:16:44.670 --> 00:16:45.650 exam and orthopedics.
NOTE Confidence: 0.99253374

00:16:46.475 --> 00:16:47.295 Thank you to,
NOTE Confidence: 0.9401042

00:16:47.675 --> 00:16:49.535 Steve Holt and Joe Donrow.
NOTE Confidence: 0.9037512

00:16:50.475 --> 00:16:52.255 Yes. Student grading is important.
NOTE Confidence: 0.9037512

00:16:52.475 --> 00:16:53.995 And then this person will
NOTE Confidence: 0.9037512

00:16:53.995 --> 00:16:55.355 interact with the clerkship director.
NOTE Confidence: 0.9037512

00:16:55.355 --> 00:16:56.475 Should I meet surgery, OB

NOTE Confidence: 0.9037512

00:16:56.475 --> 00:16:58.075 GYN? It's helpful if you

NOTE Confidence: 0.9037512

00:16:58.075 --> 00:16:59.115 ever need letters from other

NOTE Confidence: 0.9037512

00:16:59.115 --> 00:17:00.910 department heads. Why I enjoy

NOTE Confidence: 0.9037512

00:17:00.910 --> 00:17:02.030 being served for director, and

NOTE Confidence: 0.9037512

00:17:02.030 --> 00:17:02.750 I'm gonna end with a

NOTE Confidence: 0.9037512

00:17:02.750 --> 00:17:03.570 couple of pictures.

NOTE Confidence: 0.9417619

00:17:03.870 --> 00:17:05.390 Many reasons. For all of

NOTE Confidence: 0.9417619

00:17:05.390 --> 00:17:06.590 us, we love working with

NOTE Confidence: 0.9417619

00:17:06.590 --> 00:17:07.710 the EL students. They're bright.

NOTE Confidence: 0.9417619

00:17:07.710 --> 00:17:09.070 They're idealistic. I think they

NOTE Confidence: 0.9417619

00:17:09.070 --> 00:17:10.210 keep them on our game.

NOTE Confidence: 0.8580054

00:17:10.910 --> 00:17:11.150 The,

NOTE Confidence: 0.99345094

00:17:12.315 --> 00:17:14.075 in my opinion, this clerkship

NOTE Confidence: 0.99345094

00:17:14.075 --> 00:17:16.075 teaches the foundational skills of

NOTE Confidence: 0.99345094

00:17:16.075 --> 00:17:16.575 doctoring,

NOTE Confidence: 0.9946721

00:17:16.955 --> 00:17:19.215 which is interviewing skills, relationship

NOTE Confidence: 0.9946721

00:17:19.274 --> 00:17:19.774 skills.

NOTE Confidence: 0.9926121

00:17:20.075 --> 00:17:20.955 They don't get it to

NOTE Confidence: 0.9926121

00:17:20.955 --> 00:17:22.475 the same degree, in my

NOTE Confidence: 0.9926121

00:17:22.475 --> 00:17:23.994 opinion, in other clerkships. Why?

NOTE Confidence: 0.9926121

00:17:23.994 --> 00:17:24.894 Because it's longitudinal.

NOTE Confidence: 0.9933057

00:17:25.434 --> 00:17:26.794 They get to see practice

NOTE Confidence: 0.9875349

00:17:27.420 --> 00:17:28.460 practitioners who've been at it

NOTE Confidence: 0.9875349

00:17:28.460 --> 00:17:30.640 for twenty, thirty, forty years,

NOTE Confidence: 0.9674465

00:17:31.180 --> 00:17:32.160 that role modeling.

NOTE Confidence: 0.9902172

00:17:32.860 --> 00:17:33.980 And I think the benefits,

NOTE Confidence: 0.9902172

00:17:33.980 --> 00:17:35.200 as I mentioned, are bidirectional.

NOTE Confidence: 0.9569326

00:17:36.700 --> 00:17:37.900 You get to connect with

NOTE Confidence: 0.9569326

00:17:37.900 --> 00:17:39.760 these community physicians. And

NOTE Confidence: 0.955158

00:17:41.135 --> 00:17:42.175 when you see how hard

NOTE Confidence: 0.955158

00:17:42.175 --> 00:17:43.375 they work, you say, wow.

NOTE Confidence: 0.955158

00:17:43.375 --> 00:17:44.415 Our life isn't so bad

NOTE Confidence: 0.955158

00:17:44.415 --> 00:17:44.915 here.

NOTE Confidence: 0.9628709

00:17:46.415 --> 00:17:47.535 It's well supported. We have

NOTE Confidence: 0.9628709

00:17:47.535 --> 00:17:49.475 a full time clerkship administrator,

NOTE Confidence: 0.9687986

00:17:50.335 --> 00:17:51.455 and you get to collaborate

NOTE Confidence: 0.9687986

00:17:51.455 --> 00:17:52.575 with some great people. There's

NOTE Confidence: 0.9687986

00:17:52.575 --> 00:17:53.615 a new energy and buzz,

NOTE Confidence: 0.9687986

00:17:53.615 --> 00:17:54.740 I would say, in medical

NOTE Confidence: 0.9687986

00:17:54.740 --> 00:17:57.059 education with, Jess Saluzzi, Jeremy

NOTE Confidence: 0.9687986

00:17:57.059 --> 00:17:58.200 Butler, John Francis,

NOTE Confidence: 0.9042996

00:17:58.580 --> 00:17:59.399 Bill Rando,

NOTE Confidence: 0.90428895

00:18:00.100 --> 00:18:02.119 big focus on pedagogy now.

NOTE Confidence: 0.91946054

00:18:02.740 --> 00:18:04.659 So I'm leadership, of course,

NOTE Confidence: 0.91946054

00:18:04.659 --> 00:18:06.119 is there, Dana, Vinny.

NOTE Confidence: 0.9895105

00:18:06.500 --> 00:18:07.779 And then clinical skills and

NOTE Confidence: 0.9895105

00:18:07.779 --> 00:18:08.279 assessment,
NOTE Confidence: 0.97695285

00:18:08.905 --> 00:18:10.505 this position can certainly, and
NOTE Confidence: 0.97695285

00:18:10.505 --> 00:18:12.265 I encourage this, interact with
NOTE Confidence: 0.97695285

00:18:12.265 --> 00:18:13.545 the first and second year
NOTE Confidence: 0.97695285

00:18:13.545 --> 00:18:14.045 educators,
NOTE Confidence: 0.90362215

00:18:15.065 --> 00:18:17.465 Jaydeep, Michael, and colleagues, Barry
NOTE Confidence: 0.90362215

00:18:17.465 --> 00:18:19.484 Wu. Who's Barry? Thank you.
NOTE Confidence: 0.96434444

00:18:21.160 --> 00:18:23.340 Rachel, Jen Rockfield, Matthew Ellman.
NOTE Confidence: 0.96434444

00:18:23.560 --> 00:18:24.680 And you'll meet other clerkship
NOTE Confidence: 0.96434444

00:18:24.680 --> 00:18:26.119 directors as I alluded to.
NOTE Confidence: 0.96434444

00:18:26.119 --> 00:18:27.160 So just to show a
NOTE Confidence: 0.96434444

00:18:27.160 --> 00:18:28.440 few pictures, this is Yale
NOTE Confidence: 0.96434444

00:18:28.440 --> 00:18:29.400 Health. We have a student
NOTE Confidence: 0.96434444

00:18:29.400 --> 00:18:30.359 every month out there, John
NOTE Confidence: 0.96434444

00:18:30.359 --> 00:18:31.800 Toksoy, if you're listening. Thank
NOTE Confidence: 0.96434444

00:18:31.800 --> 00:18:33.020 you for taking our students.

NOTE Confidence: 0.9668717

00:18:33.615 --> 00:18:34.655 This looks like a Frank

NOTE Confidence: 0.9668717

00:18:34.655 --> 00:18:36.175 Gehry building. Does it not?

NOTE Confidence: 0.9668717

00:18:36.175 --> 00:18:36.895 But I don't think it

NOTE Confidence: 0.9668717

00:18:36.895 --> 00:18:39.055 is. The famous architect who

NOTE Confidence: 0.9668717

00:18:39.055 --> 00:18:40.035 just passed away.

NOTE Confidence: 0.9659178

00:18:40.815 --> 00:18:42.195 The consortium, of course.

NOTE Confidence: 0.953649

00:18:42.895 --> 00:18:44.335 And this is our final

NOTE Confidence: 0.953649

00:18:44.335 --> 00:18:45.535 slide just showing a really

NOTE Confidence: 0.953649

00:18:45.535 --> 00:18:48.030 happy community physician, David Antonetti,

NOTE Confidence: 0.953649

00:18:48.170 --> 00:18:48.970 who won the teacher of

NOTE Confidence: 0.953649

00:18:48.970 --> 00:18:50.010 the year award last year,

NOTE Confidence: 0.953649

00:18:50.010 --> 00:18:51.309 works out at Long Wharf,

NOTE Confidence: 0.953649

00:18:51.450 --> 00:18:52.490 and is a happy Yale

NOTE Confidence: 0.953649

00:18:52.490 --> 00:18:52.990 student.

NOTE Confidence: 0.9993018

00:18:53.930 --> 00:18:54.750 So that's

NOTE Confidence: 0.9996217

00:18:55.050 --> 00:18:57.230 that's my announcement. Any questions?

NOTE Confidence: 0.83198035

00:18:59.050 --> 00:19:00.490 No. How much should support

NOTE Confidence: 0.83198035

00:19:00.490 --> 00:19:01.775 GED for this role? There's,

NOTE Confidence: 0.83198035

00:19:01.934 --> 00:19:03.955 currently twenty seven point five,

NOTE Confidence: 0.9617905

00:19:04.734 --> 00:19:06.575 FTE for all clerkship directors

NOTE Confidence: 0.9617905

00:19:06.575 --> 00:19:08.355 that's been standardized. So twenty

NOTE Confidence: 0.9617905

00:19:08.414 --> 00:19:09.875 point two seven five.

NOTE Confidence: 0.72759706

00:19:10.975 --> 00:19:11.475 Yeah.

NOTE Confidence: 0.99863446

00:19:12.095 --> 00:19:12.835 Thank you,

NOTE Confidence: 0.88578165

00:19:13.135 --> 00:19:14.034 Peter, and

NOTE Confidence: 0.9179154

00:19:15.210 --> 00:19:17.049 thank you, Walter, prior to

NOTE Confidence: 0.9179154

00:19:17.049 --> 00:19:18.330 Peter for helping me create

NOTE Confidence: 0.9179154

00:19:18.330 --> 00:19:19.789 this clerkship. It's a wonderful,

NOTE Confidence: 0.9790789

00:19:20.570 --> 00:19:21.070 wonderful,

NOTE Confidence: 0.9993432

00:19:21.850 --> 00:19:23.710 educational experience for our students.

NOTE Confidence: 0.97910196

00:19:24.570 --> 00:19:25.950 Next, Jeremy Schwartz,

NOTE Confidence: 0.9728472

00:19:26.650 --> 00:19:28.169 is representing us on the

NOTE Confidence: 0.9728472

00:19:28.169 --> 00:19:30.270 faculty advisory council. Jeremy.

NOTE Confidence: 0.9844078

00:19:31.105 --> 00:19:32.884 Yep. Take it away. Thanks.

NOTE Confidence: 0.95329595

00:19:33.345 --> 00:19:34.544 Thanks, everybody. So,

NOTE Confidence: 0.94985014

00:19:35.585 --> 00:19:36.945 I've been serving this role

NOTE Confidence: 0.94985014

00:19:36.945 --> 00:19:38.465 now for about two or

NOTE Confidence: 0.94985014

00:19:38.465 --> 00:19:39.205 three months,

NOTE Confidence: 0.9922107

00:19:40.304 --> 00:19:41.924 and I was privileged to,

NOTE Confidence: 0.9174646

00:19:42.304 --> 00:19:43.505 take the torch from Lisa

NOTE Confidence: 0.9174646

00:19:43.505 --> 00:19:44.625 Pugliese, who held that, I

NOTE Confidence: 0.9174646

00:19:44.625 --> 00:19:46.144 think, first two terms, six

NOTE Confidence: 0.9174646

00:19:46.144 --> 00:19:46.644 years.

NOTE Confidence: 0.89944774

00:19:47.380 --> 00:19:48.760 And so my,

NOTE Confidence: 0.9724042

00:19:49.460 --> 00:19:50.760 plan is to,

NOTE Confidence: 0.98521155

00:19:51.859 --> 00:19:53.400 have something called fact feedback.

NOTE Confidence: 0.9728641

00:19:53.859 --> 00:19:54.900 We'll do this three times
NOTE Confidence: 0.9728641

00:19:54.900 --> 00:19:55.700 a year. We'll do it
NOTE Confidence: 0.9728641

00:19:55.700 --> 00:19:57.140 at this section meeting and
NOTE Confidence: 0.9728641

00:19:57.140 --> 00:19:58.179 then follow it up with
NOTE Confidence: 0.9728641

00:19:58.179 --> 00:19:59.540 a little blurb in the
NOTE Confidence: 0.9728641

00:19:59.540 --> 00:20:00.040 newsletter.
NOTE Confidence: 0.8577007

00:20:02.184 --> 00:20:02.684 And,
NOTE Confidence: 0.9689229

00:20:03.705 --> 00:20:04.984 let's just go through this.
NOTE Confidence: 0.9689229

00:20:04.984 --> 00:20:06.345 So what's the fact? Just
NOTE Confidence: 0.9689229

00:20:06.345 --> 00:20:07.784 an overview. And I guess
NOTE Confidence: 0.9689229

00:20:07.784 --> 00:20:08.825 the big picture here for
NOTE Confidence: 0.9689229

00:20:08.904 --> 00:20:09.865 the reason I wanna do
NOTE Confidence: 0.9689229

00:20:09.865 --> 00:20:10.825 this fact feedback is to
NOTE Confidence: 0.9689229

00:20:10.825 --> 00:20:12.184 just increase the transparency and
NOTE Confidence: 0.9689229

00:20:12.184 --> 00:20:12.684 awareness
NOTE Confidence: 0.973561

00:20:13.060 --> 00:20:14.020 among folks in the section

NOTE Confidence: 0.973561

00:20:14.020 --> 00:20:14.980 of what's going on at

NOTE Confidence: 0.973561

00:20:14.980 --> 00:20:16.500 fact, tell give you some

NOTE Confidence: 0.973561

00:20:16.500 --> 00:20:17.859 some highlights of what the

NOTE Confidence: 0.973561

00:20:17.859 --> 00:20:19.060 discussions have been over the

NOTE Confidence: 0.973561

00:20:19.060 --> 00:20:20.280 preceding couple of months,

NOTE Confidence: 0.9402996

00:20:20.740 --> 00:20:21.780 and as we'll get to

NOTE Confidence: 0.9402996

00:20:21.780 --> 00:20:23.400 towards the end, just establish

NOTE Confidence: 0.9402996

00:20:23.460 --> 00:20:25.060 an, a venue or an

NOTE Confidence: 0.9402996

00:20:25.060 --> 00:20:26.760 avenue for, ongoing,

NOTE Confidence: 0.9772781

00:20:28.355 --> 00:20:30.275 communication anonymous communication with me

NOTE Confidence: 0.9772781

00:20:30.275 --> 00:20:31.234 about issues that you wanna

NOTE Confidence: 0.9772781

00:20:31.234 --> 00:20:32.355 bring up. So the purpose

NOTE Confidence: 0.9772781

00:20:32.355 --> 00:20:33.234 of the FAQ is to

NOTE Confidence: 0.9772781

00:20:33.234 --> 00:20:35.175 provide a forum for representatives,

NOTE Confidence: 0.99552965

00:20:36.115 --> 00:20:38.035 which I represent GIM, to

NOTE Confidence: 0.99552965

00:20:38.035 --> 00:20:39.315 bring new ideas and concerns

NOTE Confidence: 0.99552965

00:20:39.315 --> 00:20:40.195 from a broad range of

NOTE Confidence: 0.99552965

00:20:40.195 --> 00:20:41.255 faculty perspectives

NOTE Confidence: 0.9658671

00:20:41.710 --> 00:20:43.090 directly to the dean's office.

NOTE Confidence: 0.9658671

00:20:43.230 --> 00:20:44.590 So we're appointed for from

NOTE Confidence: 0.9658671

00:20:44.590 --> 00:20:45.950 each department for three year

NOTE Confidence: 0.9658671

00:20:45.950 --> 00:20:47.070 terms. You can repeat, as

NOTE Confidence: 0.9658671

00:20:47.070 --> 00:20:48.110 I told you, Lisa did

NOTE Confidence: 0.9658671

00:20:48.110 --> 00:20:49.250 for six years max.

NOTE Confidence: 0.99424756

00:20:49.869 --> 00:20:51.230 And then in addition to

NOTE Confidence: 0.99424756

00:20:51.230 --> 00:20:52.670 those members, there are three

NOTE Confidence: 0.99424756

00:20:52.670 --> 00:20:54.210 representatives for ARS,

NOTE Confidence: 0.96998554

00:20:55.125 --> 00:20:56.744 one rep for Moore,

NOTE Confidence: 0.9827491

00:20:57.125 --> 00:20:59.145 and, one rep from SWIM.

NOTE Confidence: 0.96538854

00:20:59.925 --> 00:21:01.925 And the responsibilities, essentially, we

NOTE Confidence: 0.96538854

00:21:01.925 --> 00:21:03.285 meet twice a month. Every
NOTE Confidence: 0.96538854

00:21:03.285 --> 00:21:04.484 other meeting is just the
NOTE Confidence: 0.96538854

00:21:04.484 --> 00:21:04.984 FACT.
NOTE Confidence: 0.9720667

00:21:05.285 --> 00:21:06.744 Those meetings are not minuted.
NOTE Confidence: 0.9942093

00:21:07.260 --> 00:21:08.460 The meetings with the FAAC
NOTE Confidence: 0.9942093

00:21:08.460 --> 00:21:10.300 plus the dean are minuted,
NOTE Confidence: 0.9942093

00:21:10.300 --> 00:21:11.500 and those minutes are available
NOTE Confidence: 0.9942093

00:21:11.500 --> 00:21:12.300 on the on the FAAC
NOTE Confidence: 0.9942093

00:21:12.300 --> 00:21:12.800 website.
NOTE Confidence: 0.98608065

00:21:13.740 --> 00:21:15.040 So there is that transparency,
NOTE Confidence: 0.98608065

00:21:15.180 --> 00:21:15.680 but,
NOTE Confidence: 0.9911235

00:21:16.140 --> 00:21:17.660 hopefully, we'll increase that with
NOTE Confidence: 0.9911235

00:21:17.660 --> 00:21:19.260 these FAAC feedback sessions. So
NOTE Confidence: 0.9911235

00:21:19.260 --> 00:21:20.060 just to give you a
NOTE Confidence: 0.9911235

00:21:20.060 --> 00:21:21.200 sense of recent
NOTE Confidence: 0.9880195

00:21:21.565 --> 00:21:22.925 goings on within the fact,

NOTE Confidence: 0.9880195
00:21:22.925 --> 00:21:24.625 these actually preceded my,
NOTE Confidence: 0.9833257
00:21:25.005 --> 00:21:26.605 arrival on the, on the
NOTE Confidence: 0.9833257
00:21:26.605 --> 00:21:27.105 council,
NOTE Confidence: 0.9757966
00:21:27.405 --> 00:21:28.625 but there was a conversation
NOTE Confidence: 0.9757966
00:21:28.685 --> 00:21:30.465 about clear guidance on triennial
NOTE Confidence: 0.9757966
00:21:30.525 --> 00:21:31.585 and sabbatical eligibility,
NOTE Confidence: 0.9999435
00:21:33.405 --> 00:21:33.905 revising
NOTE Confidence: 0.99681574
00:21:34.525 --> 00:21:36.145 administrative work workflows
NOTE Confidence: 0.99251014
00:21:36.750 --> 00:21:38.910 around subcontracts and material transfer
NOTE Confidence: 0.99251014
00:21:38.910 --> 00:21:39.410 agreements.
NOTE Confidence: 0.9874288
00:21:40.270 --> 00:21:41.310 There was a meeting that
NOTE Confidence: 0.9874288
00:21:41.310 --> 00:21:43.150 was focused on accountability and
NOTE Confidence: 0.9874288
00:21:43.150 --> 00:21:44.830 data driven insight and oversight
NOTE Confidence: 0.9874288
00:21:44.830 --> 00:21:45.890 of research administration,
NOTE Confidence: 0.98276603
00:21:47.150 --> 00:21:49.230 conversation about institutional implications of
NOTE Confidence: 0.98276603

00:21:49.230 --> 00:21:50.290 part time status,
NOTE Confidence: 0.9985978

00:21:50.984 --> 00:21:51.725 and administrative
NOTE Confidence: 0.94286406

00:21:52.265 --> 00:21:53.945 and responsiveness cross coverage,
NOTE Confidence: 0.92828304

00:21:55.625 --> 00:21:57.645 issues raised by by faculty.
NOTE Confidence: 0.941383

00:21:58.025 --> 00:21:59.545 So in terms of the
NOTE Confidence: 0.941383

00:21:59.545 --> 00:22:00.984 past couple of meetings while
NOTE Confidence: 0.941383

00:22:00.984 --> 00:22:02.045 I've been on the FAQ,
NOTE Confidence: 0.941383

00:22:02.265 --> 00:22:03.225 so we were joined by
NOTE Confidence: 0.941383

00:22:03.225 --> 00:22:04.744 doctor McGovern, who's deputy dean
NOTE Confidence: 0.941383

00:22:04.744 --> 00:22:05.980 of clinical affairs and CEO
NOTE Confidence: 0.941383

00:22:05.980 --> 00:22:07.419 of of Yale Medicine. So
NOTE Confidence: 0.941383

00:22:07.419 --> 00:22:08.700 just some highlights from that
NOTE Confidence: 0.941383

00:22:08.700 --> 00:22:09.200 meeting.
NOTE Confidence: 0.99521846

00:22:10.299 --> 00:22:11.280 We heard about,
NOTE Confidence: 0.99042803

00:22:11.660 --> 00:22:13.419 or talked about this ongoing
NOTE Confidence: 0.99042803

00:22:13.419 --> 00:22:13.919 perception,

NOTE Confidence: 0.9997364
00:22:14.780 --> 00:22:15.679 among faculty
NOTE Confidence: 0.9887304
00:22:16.380 --> 00:22:17.980 that clinical leadership and clinical
NOTE Confidence: 0.9887304
00:22:17.980 --> 00:22:19.515 faculty are brought into the
NOTE Confidence: 0.9887304
00:22:19.675 --> 00:22:21.195 conversation late in the game
NOTE Confidence: 0.9887304
00:22:21.195 --> 00:22:22.335 when it comes to,
NOTE Confidence: 0.9420446
00:22:23.755 --> 00:22:25.675 changes going on within Yale,
NOTE Confidence: 0.9420446
00:22:25.835 --> 00:22:27.035 within Yale New Haven Health
NOTE Confidence: 0.9420446
00:22:27.035 --> 00:22:27.535 System.
NOTE Confidence: 0.964489
00:22:28.795 --> 00:22:30.895 We heard about some ongoing
NOTE Confidence: 0.964489
00:22:30.955 --> 00:22:32.760 conversations around how do we
NOTE Confidence: 0.964489
00:22:32.760 --> 00:22:34.359 as faculty learn about all
NOTE Confidence: 0.964489
00:22:34.359 --> 00:22:35.880 of the resources available to
NOTE Confidence: 0.964489
00:22:35.880 --> 00:22:36.940 us. And so,
NOTE Confidence: 0.9957778
00:22:37.400 --> 00:22:38.859 some thoughts coming from,
NOTE Confidence: 0.9745617
00:22:39.320 --> 00:22:40.680 Yale Medicine around the use
NOTE Confidence: 0.9745617

00:22:40.680 --> 00:22:42.359 of chatbots or text messages
NOTE Confidence: 0.9745617

00:22:42.359 --> 00:22:43.980 to direct content to us.
NOTE Confidence: 0.96277136

00:22:45.734 --> 00:22:47.175 Conversation about how do we
NOTE Confidence: 0.96277136

00:22:47.175 --> 00:22:48.295 operate more efficiently in the
NOTE Confidence: 0.96277136

00:22:48.295 --> 00:22:49.755 current climate and the administrative
NOTE Confidence: 0.96277136

00:22:49.815 --> 00:22:51.095 struggles that many of us,
NOTE Confidence: 0.96277136

00:22:51.335 --> 00:22:52.934 face both in research and
NOTE Confidence: 0.96277136

00:22:52.934 --> 00:22:53.915 clinical spaces.
NOTE Confidence: 0.46307096

00:22:55.255 --> 00:22:55.755 Lack
NOTE Confidence: 0.9665798

00:22:56.215 --> 00:22:57.494 of clinical and lab space.
NOTE Confidence: 0.9665798

00:22:57.494 --> 00:22:58.795 We heard about the YSM
NOTE Confidence: 0.9665798

00:22:59.015 --> 00:23:00.315 master space plan,
NOTE Confidence: 0.92004895

00:23:00.850 --> 00:23:02.149 that is evolving.
NOTE Confidence: 0.9600767

00:23:03.169 --> 00:23:03.669 And,
NOTE Confidence: 0.89047694

00:23:06.929 --> 00:23:07.889 doctor McGovern,
NOTE Confidence: 0.81915134

00:23:08.289 --> 00:23:08.690 mentioned,

NOTE Confidence: 0.99753994

00:23:09.409 --> 00:23:11.169 discussions that are ongoing about

NOTE Confidence: 0.99753994

00:23:11.169 --> 00:23:12.690 moving people back toward more

NOTE Confidence: 0.99753994

00:23:12.690 --> 00:23:13.669 in person work.

NOTE Confidence: 0.90105426

00:23:15.005 --> 00:23:16.765 Just last week, Sam Ball,

NOTE Confidence: 0.90105426

00:23:16.765 --> 00:23:18.284 who's deputy dean of academic

NOTE Confidence: 0.90105426

00:23:18.284 --> 00:23:19.804 affairs, joined the FACC,

NOTE Confidence: 0.9905988

00:23:20.205 --> 00:23:22.225 to go over academic tracks,

NOTE Confidence: 0.99286777

00:23:23.244 --> 00:23:25.244 talked about the continuing evolution

NOTE Confidence: 0.99286777

00:23:25.244 --> 00:23:27.105 of the academic clinician track,

NOTE Confidence: 0.97297573

00:23:27.420 --> 00:23:28.619 some concerns that were shared

NOTE Confidence: 0.97297573

00:23:28.619 --> 00:23:29.760 with him at the meeting.

NOTE Confidence: 0.93210125

00:23:31.260 --> 00:23:33.260 One from especially really heavily

NOTE Confidence: 0.93210125

00:23:33.260 --> 00:23:35.520 clinical departments or representatives

NOTE Confidence: 0.85825396

00:23:35.900 --> 00:23:37.100 rep who are who are

NOTE Confidence: 0.85825396

00:23:37.100 --> 00:23:39.040 whose constituents are heavily clinical

NOTE Confidence: 0.9853046

00:23:39.645 --> 00:23:41.244 about lack of effort for
NOTE Confidence: 0.9853046

00:23:41.244 --> 00:23:43.005 academic pursuits that are required
NOTE Confidence: 0.9853046

00:23:43.005 --> 00:23:43.665 for promotion.
NOTE Confidence: 0.9531247

00:23:44.125 --> 00:23:45.025 And I think there's,
NOTE Confidence: 0.99261415

00:23:45.405 --> 00:23:46.925 you know, we many of
NOTE Confidence: 0.99261415

00:23:46.925 --> 00:23:47.885 us in this section might
NOTE Confidence: 0.99261415

00:23:47.885 --> 00:23:48.865 feel that as well.
NOTE Confidence: 0.9841418

00:23:49.725 --> 00:23:51.244 And concerns were shared about
NOTE Confidence: 0.9841418

00:23:51.244 --> 00:23:52.920 a perception that those who
NOTE Confidence: 0.9841418

00:23:52.920 --> 00:23:54.600 were unsuccessful in being promoted
NOTE Confidence: 0.9841418

00:23:54.600 --> 00:23:56.540 by a clinician, educator, scholar
NOTE Confidence: 0.9772252

00:23:57.000 --> 00:23:58.280 are being encouraged to move
NOTE Confidence: 0.9772252

00:23:58.280 --> 00:23:59.500 to academic clinician.
NOTE Confidence: 0.95096016

00:23:59.880 --> 00:24:01.240 Though according to doctor Ball,
NOTE Confidence: 0.95096016

00:24:01.240 --> 00:24:02.040 that actually is a very
NOTE Confidence: 0.95096016

00:24:02.040 --> 00:24:02.860 rare occurrence,

NOTE Confidence: 0.99921477

00:24:03.720 --> 00:24:04.380 in practice.

NOTE Confidence: 0.94973016

00:24:05.585 --> 00:24:06.865 And then towards the end,

NOTE Confidence: 0.94973016

00:24:06.865 --> 00:24:08.625 a brief conversation about the

NOTE Confidence: 0.94973016

00:24:08.625 --> 00:24:09.744 evolution of the r o

NOTE Confidence: 0.94973016

00:24:09.744 --> 00:24:10.705 one as sort of less

NOTE Confidence: 0.94973016

00:24:10.705 --> 00:24:12.325 of a go quote, unquote

NOTE Confidence: 0.95656013

00:24:12.785 --> 00:24:14.385 golden ticket for the clinician

NOTE Confidence: 0.95656013

00:24:14.385 --> 00:24:14.885 scientist

NOTE Confidence: 0.9859378

00:24:15.345 --> 00:24:16.625 track folks. So as I

NOTE Confidence: 0.9859378

00:24:16.625 --> 00:24:17.905 mentioned before, the minutes of

NOTE Confidence: 0.9859378

00:24:17.905 --> 00:24:19.105 these meetings are available on

NOTE Confidence: 0.9859378

00:24:19.105 --> 00:24:20.220 the website, but I'll bring

NOTE Confidence: 0.9859378

00:24:20.220 --> 00:24:21.900 highlights to this venue every

NOTE Confidence: 0.9859378

00:24:21.900 --> 00:24:22.800 couple of months.

NOTE Confidence: 0.98665553

00:24:24.300 --> 00:24:24.800 So,

NOTE Confidence: 0.9384895

00:24:25.260 --> 00:24:26.380 I already mentioned this. We'll

NOTE Confidence: 0.9384895

00:24:26.380 --> 00:24:27.580 do this FAQ feedback here

NOTE Confidence: 0.9384895

00:24:27.580 --> 00:24:28.380 and in the,

NOTE Confidence: 0.9650502

00:24:28.940 --> 00:24:30.380 newsletter. I'd really want this

NOTE Confidence: 0.9650502

00:24:30.380 --> 00:24:31.740 to be bidirectional, so I'll

NOTE Confidence: 0.9650502

00:24:31.740 --> 00:24:32.859 report out to you, but

NOTE Confidence: 0.9650502

00:24:32.859 --> 00:24:33.740 I also need to hear

NOTE Confidence: 0.9650502

00:24:33.740 --> 00:24:34.700 from you to know what

NOTE Confidence: 0.9650502

00:24:34.700 --> 00:24:36.105 is of importance from the

NOTE Confidence: 0.9650502

00:24:36.105 --> 00:24:36.605 section

NOTE Confidence: 0.9650734

00:24:36.905 --> 00:24:38.265 membership to bring to the

NOTE Confidence: 0.9650734

00:24:38.265 --> 00:24:38.765 FAQ.

NOTE Confidence: 0.9818131

00:24:39.625 --> 00:24:40.744 So we can do that

NOTE Confidence: 0.9818131

00:24:40.744 --> 00:24:42.425 here if people want, you

NOTE Confidence: 0.9818131

00:24:42.425 --> 00:24:43.465 know, after I'm done speaking,

NOTE Confidence: 0.9818131

00:24:43.465 --> 00:24:44.925 but probably because of time,

NOTE Confidence: 0.9983852

00:24:45.545 --> 00:24:46.665 I'll turn you to this.

NOTE Confidence: 0.9983852

00:24:46.665 --> 00:24:48.025 So I put together a

NOTE Confidence: 0.9983852

00:24:48.025 --> 00:24:48.765 very brief

NOTE Confidence: 0.9382432

00:24:50.400 --> 00:24:52.240 back feedback survey. It's gonna

NOTE Confidence: 0.9382432

00:24:52.240 --> 00:24:53.920 remain up throughout the academic

NOTE Confidence: 0.9382432

00:24:53.920 --> 00:24:55.460 year. There is a singular

NOTE Confidence: 0.9382432

00:24:55.680 --> 00:24:57.280 open ended text box that

NOTE Confidence: 0.9382432

00:24:57.280 --> 00:24:58.320 says, here is the concern

NOTE Confidence: 0.9382432

00:24:58.320 --> 00:24:59.119 I would like to raise

NOTE Confidence: 0.9382432

00:24:59.119 --> 00:24:59.859 to the FAQ.

NOTE Confidence: 0.99197364

00:25:01.520 --> 00:25:02.924 And I'd love to know

NOTE Confidence: 0.99197364

00:25:02.924 --> 00:25:03.965 if anybody in the room

NOTE Confidence: 0.99197364

00:25:03.965 --> 00:25:05.164 thinks that something is missing,

NOTE Confidence: 0.99197364

00:25:05.164 --> 00:25:06.365 that you'd you'd want something

NOTE Confidence: 0.99197364

00:25:06.365 --> 00:25:07.825 else in this survey.

NOTE Confidence: 0.9946226

00:25:08.445 --> 00:25:09.744 But I'll just say that,
NOTE Confidence: 0.99336255

00:25:10.524 --> 00:25:12.205 the survey can be anonymous
NOTE Confidence: 0.99336255

00:25:12.205 --> 00:25:13.085 if you don't put your
NOTE Confidence: 0.99336255

00:25:13.085 --> 00:25:14.125 name. But if you wanna
NOTE Confidence: 0.99336255

00:25:14.125 --> 00:25:14.924 talk to me about the
NOTE Confidence: 0.99336255

00:25:14.924 --> 00:25:15.965 issue that you're raising, you
NOTE Confidence: 0.99336255

00:25:15.965 --> 00:25:16.890 need to put your name,
NOTE Confidence: 0.99336255

00:25:17.130 --> 00:25:17.930 so that I can reach
NOTE Confidence: 0.99336255

00:25:17.930 --> 00:25:18.670 out to you.
NOTE Confidence: 0.9988316

00:25:19.369 --> 00:25:20.490 Just I'll just pause for
NOTE Confidence: 0.9988316

00:25:20.490 --> 00:25:22.270 a second. Any thoughts about
NOTE Confidence: 0.9765157

00:25:22.730 --> 00:25:23.770 anything else that you would
NOTE Confidence: 0.9765157

00:25:23.770 --> 00:25:24.810 want in a survey like
NOTE Confidence: 0.9765157

00:25:24.810 --> 00:25:26.090 this, or is a single
NOTE Confidence: 0.9765157

00:25:26.090 --> 00:25:27.550 open ended question sufficient?
NOTE Confidence: 0.9695881

00:25:28.170 --> 00:25:29.450 One quick thought Yeah. That

NOTE Confidence: 0.9695881

00:25:29.450 --> 00:25:31.310 that QR code, we can

NOTE Confidence: 0.9274939

00:25:32.105 --> 00:25:33.385 talk to Vivian, put it

NOTE Confidence: 0.9274939

00:25:33.385 --> 00:25:34.825 in every newsletter so it's

NOTE Confidence: 0.9274939

00:25:34.825 --> 00:25:36.425 there. Every month, you'll get

NOTE Confidence: 0.9274939

00:25:36.425 --> 00:25:38.105 a newsletter, and this will

NOTE Confidence: 0.9274939

00:25:38.105 --> 00:25:38.984 be available for you to

NOTE Confidence: 0.9274939

00:25:39.145 --> 00:25:40.665 Totally fine. Yep. I've I

NOTE Confidence: 0.9274939

00:25:40.665 --> 00:25:41.965 I put the the hyperlink

NOTE Confidence: 0.9274939

00:25:42.185 --> 00:25:44.105 in the, content that'll go

NOTE Confidence: 0.9274939

00:25:44.105 --> 00:25:45.145 out in this month's newsletter,

NOTE Confidence: 0.9274939

00:25:45.145 --> 00:25:46.025 but if you wanna do

NOTE Confidence: 0.9274939

00:25:46.025 --> 00:25:46.984 that, I'd I'd welcome it.

NOTE Confidence: 0.9274939

00:25:46.984 --> 00:25:47.670 Yep. Just to make it

NOTE Confidence: 0.9274939

00:25:47.750 --> 00:25:49.450 accessible. Totally. That's great.

NOTE Confidence: 0.9919064

00:25:50.470 --> 00:25:51.830 And I will close with

NOTE Confidence: 0.9919064

00:25:51.830 --> 00:25:53.030 this. You've gotten, I think,
NOTE Confidence: 0.9919064

00:25:53.030 --> 00:25:54.790 two emails from me so
NOTE Confidence: 0.9919064

00:25:54.790 --> 00:25:55.290 far.
NOTE Confidence: 0.9586688

00:25:55.670 --> 00:25:56.790 This is coming out from
NOTE Confidence: 0.9586688

00:25:56.790 --> 00:25:58.070 the fact. I'm just delivering
NOTE Confidence: 0.9586688

00:25:58.070 --> 00:25:59.510 it to my constituents who
NOTE Confidence: 0.9586688

00:25:59.510 --> 00:26:00.550 are who is who are
NOTE Confidence: 0.9586688

00:26:00.550 --> 00:26:01.050 you.
NOTE Confidence: 0.8873159

00:26:01.845 --> 00:26:03.865 This is a faculty led,
NOTE Confidence: 0.9216299

00:26:04.645 --> 00:26:06.185 survey, anonymous survey,
NOTE Confidence: 0.9935924

00:26:06.725 --> 00:26:08.565 around faculty experiences with career
NOTE Confidence: 0.9935924

00:26:08.565 --> 00:26:09.685 development. So if you haven't
NOTE Confidence: 0.9935924

00:26:09.685 --> 00:26:10.805 done it, either look at
NOTE Confidence: 0.9935924

00:26:10.805 --> 00:26:11.925 your email or scan it
NOTE Confidence: 0.9935924

00:26:11.925 --> 00:26:13.285 now. It should take about
NOTE Confidence: 0.9935924

00:26:13.285 --> 00:26:14.965 ten minutes to complete. And

NOTE Confidence: 0.9935924

00:26:14.965 --> 00:26:16.665 with that, I will end.

NOTE Confidence: 0.92392886

00:26:17.600 --> 00:26:18.720 Questions or any questions or

NOTE Confidence: 0.92392886

00:26:18.720 --> 00:26:20.100 comments? Yeah. Yeah.

NOTE Confidence: 0.95813185

00:26:20.800 --> 00:26:22.160 Could you give examples of

NOTE Confidence: 0.95813185

00:26:22.160 --> 00:26:23.440 what are appropriate things to

NOTE Confidence: 0.95813185

00:26:23.440 --> 00:26:24.880 raise through the fact versus

NOTE Confidence: 0.95813185

00:26:24.880 --> 00:26:26.100 should go through other efforts?

NOTE Confidence: 0.95813185

00:26:26.240 --> 00:26:27.680 Yeah. I mean, I would

NOTE Confidence: 0.95813185

00:26:27.680 --> 00:26:28.880 say as as as was

NOTE Confidence: 0.95813185

00:26:28.880 --> 00:26:29.840 said to us at the

NOTE Confidence: 0.95813185

00:26:29.840 --> 00:26:31.615 first meeting, you know, the

NOTE Confidence: 0.95813185

00:26:31.615 --> 00:26:32.894 things the dean wants to

NOTE Confidence: 0.95813185

00:26:32.894 --> 00:26:34.595 hear from faculty are

NOTE Confidence: 0.992339

00:26:35.135 --> 00:26:36.914 items that are considered actionable,

NOTE Confidence: 0.992339

00:26:37.135 --> 00:26:38.115 right, not just

NOTE Confidence: 0.88224566

00:26:38.654 --> 00:26:40.115 be a venue for complaints.
NOTE Confidence: 0.99919724

00:26:40.894 --> 00:26:42.414 So if you have things
NOTE Confidence: 0.99919724

00:26:42.414 --> 00:26:43.234 that you think
NOTE Confidence: 0.99159205

00:26:43.930 --> 00:26:45.050 you'd like to see change
NOTE Confidence: 0.99159205

00:26:45.050 --> 00:26:46.490 and have ideas for how
NOTE Confidence: 0.99159205

00:26:46.490 --> 00:26:47.470 those might change,
NOTE Confidence: 0.9989026

00:26:48.010 --> 00:26:49.450 those sorts of issues are
NOTE Confidence: 0.9989026

00:26:49.450 --> 00:26:49.950 welcome.
NOTE Confidence: 0.9888002

00:26:51.210 --> 00:26:52.010 I would you know, I'm
NOTE Confidence: 0.9888002

00:26:52.010 --> 00:26:53.369 just I'm new to the
NOTE Confidence: 0.9888002

00:26:53.369 --> 00:26:54.490 role and still learning about
NOTE Confidence: 0.9888002

00:26:54.490 --> 00:26:55.369 it too. So I think
NOTE Confidence: 0.9888002

00:26:55.369 --> 00:26:56.625 for now, I would say
NOTE Confidence: 0.9888002

00:26:56.625 --> 00:26:58.645 anything goes. I might modify
NOTE Confidence: 0.9888002

00:26:58.705 --> 00:26:59.205 that,
NOTE Confidence: 0.9712136

00:26:59.585 --> 00:27:00.865 a couple months hence, but,

NOTE Confidence: 0.9712136
00:27:00.865 --> 00:27:01.665 you know, I don't want
NOTE Confidence: 0.9712136
00:27:01.665 --> 00:27:02.465 it to be a sound
NOTE Confidence: 0.9712136
00:27:02.625 --> 00:27:04.325 just a venue for
NOTE Confidence: 0.6650941
00:27:04.945 --> 00:27:05.445 spilling,
NOTE Confidence: 0.99955153
00:27:06.625 --> 00:27:07.125 complaints.
NOTE Confidence: 0.99958724
00:27:07.905 --> 00:27:09.025 I want them to be,
NOTE Confidence: 0.99958724
00:27:09.025 --> 00:27:09.685 you know,
NOTE Confidence: 0.87093544
00:27:10.690 --> 00:27:12.230 actionable and and,
NOTE Confidence: 0.89229465
00:27:14.130 --> 00:27:15.570 yeah. I'll stop there. I
NOTE Confidence: 0.89229465
00:27:15.570 --> 00:27:16.369 don't know, Patrick, if you
NOTE Confidence: 0.89229465
00:27:16.369 --> 00:27:16.930 have Well,
NOTE Confidence: 0.68887746
00:27:19.090 --> 00:27:21.430 want someone recognized for some
NOTE Confidence: 0.9221915
00:27:21.810 --> 00:27:22.770 thing they're doing that may
NOTE Confidence: 0.9221915
00:27:22.770 --> 00:27:24.130 not be recognized. You could
NOTE Confidence: 0.9221915
00:27:24.130 --> 00:27:25.570 you could write into this
NOTE Confidence: 0.9221915

00:27:25.570 --> 00:27:25.890 and let
NOTE Confidence: 0.99905497
00:27:26.825 --> 00:27:26.984 Sure.
NOTE Confidence: 0.9547177
00:27:27.625 --> 00:27:29.225 Jeremy know that, hey. Did
NOTE Confidence: 0.9547177
00:27:29.225 --> 00:27:30.345 you are you aware that,
NOTE Confidence: 0.9547177
00:27:30.585 --> 00:27:31.565 you know, Chris
NOTE Confidence: 0.9353679
00:27:32.265 --> 00:27:33.305 that you've done this great
NOTE Confidence: 0.9353679
00:27:33.305 --> 00:27:34.345 thing. That sort of stuff
NOTE Confidence: 0.9353679
00:27:34.345 --> 00:27:35.065 is Yeah. That sort of
NOTE Confidence: 0.9353679
00:27:35.065 --> 00:27:35.945 stuff is it would be
NOTE Confidence: 0.9353679
00:27:35.945 --> 00:27:37.065 fine. I would say, you
NOTE Confidence: 0.9353679
00:27:37.065 --> 00:27:37.945 know, what I'll do over
NOTE Confidence: 0.9353679
00:27:37.945 --> 00:27:38.345 the months
NOTE Confidence: 0.9810703
00:27:38.910 --> 00:27:39.790 you know, the the the
NOTE Confidence: 0.9810703
00:27:39.790 --> 00:27:41.230 months between these fact feedback
NOTE Confidence: 0.9810703
00:27:41.230 --> 00:27:42.430 is just see what comes
NOTE Confidence: 0.9810703
00:27:42.430 --> 00:27:44.270 in. Obviously, not everything that

NOTE Confidence: 0.9810703

00:27:44.270 --> 00:27:45.470 comes in is gonna be

NOTE Confidence: 0.9810703

00:27:45.470 --> 00:27:46.590 raised to the level of

NOTE Confidence: 0.9810703

00:27:46.590 --> 00:27:47.869 the dean, but we'll see

NOTE Confidence: 0.9810703

00:27:47.869 --> 00:27:49.170 what what the

NOTE Confidence: 0.98626745

00:27:49.470 --> 00:27:50.990 themes are, and we'll sort

NOTE Confidence: 0.98626745

00:27:50.990 --> 00:27:51.710 of go from there. But

NOTE Confidence: 0.98626745

00:27:51.710 --> 00:27:52.590 I wanted to at least

NOTE Confidence: 0.98626745

00:27:52.590 --> 00:27:54.190 establish an open communication line

NOTE Confidence: 0.98626745

00:27:54.190 --> 00:27:55.865 and see what people wanna

NOTE Confidence: 0.98626745

00:27:56.044 --> 00:27:58.405 share. So it's great. Jeremy,

NOTE Confidence: 0.98626745

00:27:58.405 --> 00:27:59.845 can I add something there?

NOTE Confidence: 0.98626745

00:27:59.845 --> 00:28:01.925 Yeah. Lisa, please. You're already

NOTE Confidence: 0.98626745

00:28:01.925 --> 00:28:03.125 doing amazing stuff.

NOTE Confidence: 0.9874638

00:28:03.605 --> 00:28:04.725 To the question that was

NOTE Confidence: 0.9874638

00:28:04.725 --> 00:28:06.025 asked, my impression

NOTE Confidence: 0.9934767

00:28:06.965 --> 00:28:07.925 it took me a long
NOTE Confidence: 0.9934767

00:28:07.925 --> 00:28:09.385 time to figure out what
NOTE Confidence: 0.95934623

00:28:10.670 --> 00:28:12.190 actually was appropriate for a
NOTE Confidence: 0.95934623

00:28:12.190 --> 00:28:13.390 fact to do. And it's
NOTE Confidence: 0.95934623

00:28:13.390 --> 00:28:13.869 bigger
NOTE Confidence: 0.97764796

00:28:14.270 --> 00:28:15.730 like, the dean is uninterested,
NOTE Confidence: 0.9490617

00:28:17.070 --> 00:28:18.350 in things that relate to
NOTE Confidence: 0.9490617

00:28:18.350 --> 00:28:19.950 a section. She really wants
NOTE Confidence: 0.9490617

00:28:19.950 --> 00:28:21.710 those things to be managed
NOTE Confidence: 0.9490617

00:28:21.710 --> 00:28:22.455 within a section.
NOTE Confidence: 0.8504336

00:28:26.455 --> 00:28:27.335 Impact people across the school
NOTE Confidence: 0.8504336

00:28:27.335 --> 00:28:28.748 of medicine. So those are
NOTE Confidence: 0.8504336

00:28:28.748 --> 00:28:29.274 things like,
NOTE Confidence: 0.9356505

00:28:31.815 --> 00:28:33.335 parental leave, which was an
NOTE Confidence: 0.9356505

00:28:33.335 --> 00:28:33.835 initiative
NOTE Confidence: 0.95690215

00:28:34.135 --> 00:28:35.790 many years ago now as

NOTE Confidence: 0.95690215
00:28:35.790 --> 00:28:37.869 an example to people, research
NOTE Confidence: 0.95690215
00:28:37.869 --> 00:28:38.370 administration,
NOTE Confidence: 0.97614884
00:28:40.670 --> 00:28:42.910 business office things, you know,
NOTE Confidence: 0.97614884
00:28:42.910 --> 00:28:44.670 kind of bigger, broader stuff
NOTE Confidence: 0.97614884
00:28:44.670 --> 00:28:45.410 than just
NOTE Confidence: 0.98253584
00:28:45.870 --> 00:28:47.970 our personal lives, our section
NOTE Confidence: 0.98253584
00:28:48.110 --> 00:28:50.255 stuff, things like that. Great.
NOTE Confidence: 0.98253584
00:28:50.255 --> 00:28:51.615 Lisa, that's super helpful. Thank
NOTE Confidence: 0.98253584
00:28:51.615 --> 00:28:52.115 you.
NOTE Confidence: 0.96437055
00:28:53.855 --> 00:28:55.075 Alright. Thanks, everybody.
NOTE Confidence: 0.9752367
00:28:55.775 --> 00:28:57.615 So I I wanna thank
NOTE Confidence: 0.9752367
00:28:57.615 --> 00:28:59.215 Lisa for her six years
NOTE Confidence: 0.9752367
00:28:59.215 --> 00:29:01.395 of service, which was tremendous,
NOTE Confidence: 0.9752367
00:29:01.455 --> 00:29:02.815 and Jeremy for taking on
NOTE Confidence: 0.9752367
00:29:02.815 --> 00:29:03.480 this role,
NOTE Confidence: 0.99565166

00:29:03.960 --> 00:29:05.080 for at least three years,
NOTE Confidence: 0.99565166

00:29:05.080 --> 00:29:05.980 perhaps six.
NOTE Confidence: 0.9859815

00:29:07.160 --> 00:29:08.760 The the one thing that
NOTE Confidence: 0.9859815

00:29:08.760 --> 00:29:10.120 Jeremy and Lisa have in
NOTE Confidence: 0.9859815

00:29:10.120 --> 00:29:10.620 common,
NOTE Confidence: 0.9926365

00:29:11.320 --> 00:29:13.260 is they're they're very substantially
NOTE Confidence: 0.9926365

00:29:13.480 --> 00:29:14.520 involved in our three core
NOTE Confidence: 0.9926365

00:29:14.520 --> 00:29:16.220 missions. All both of them
NOTE Confidence: 0.9926365

00:29:16.425 --> 00:29:17.625 are very involved in patient
NOTE Confidence: 0.9926365

00:29:17.625 --> 00:29:19.245 care, very involved in education,
NOTE Confidence: 0.9677343

00:29:19.785 --> 00:29:20.505 and both of them have
NOTE Confidence: 0.9677343

00:29:20.505 --> 00:29:22.585 funded research programs. So they
NOTE Confidence: 0.9677343

00:29:22.585 --> 00:29:22.665 have a
NOTE Confidence: 0.95035774

00:29:23.545 --> 00:29:25.705 they're they're they're uniquely positioned
NOTE Confidence: 0.95035774

00:29:25.705 --> 00:29:26.505 to be able to deal
NOTE Confidence: 0.95035774

00:29:26.505 --> 00:29:27.465 with those three issues in

NOTE Confidence: 0.95035774

00:29:27.465 --> 00:29:29.225 a very even handed way.

NOTE Confidence: 0.95035774

00:29:29.225 --> 00:29:29.725 So,

NOTE Confidence: 0.9453844

00:29:30.185 --> 00:29:31.565 again, thanks to Lisa,

NOTE Confidence: 0.99897003

00:29:32.090 --> 00:29:33.390 and thanks to Jeremy.

NOTE Confidence: 0.8906208

00:29:34.170 --> 00:29:36.090 Okay. Next, we're gonna talk

NOTE Confidence: 0.8906208

00:29:36.090 --> 00:29:38.110 about the Yale education scholar,

NOTE Confidence: 0.7669188

00:29:38.410 --> 00:29:39.390 scholar fellowship.

NOTE Confidence: 0.9432004

00:29:40.330 --> 00:29:41.690 And our presenters are Donna.

NOTE Confidence: 0.9432004

00:29:41.690 --> 00:29:42.810 I think Donna's gonna be

NOTE Confidence: 0.9432004

00:29:42.810 --> 00:29:44.410 online. Is that right? I

NOTE Confidence: 0.9432004

00:29:44.410 --> 00:29:45.870 am. I am in line,

NOTE Confidence: 0.9432004

00:29:45.930 --> 00:29:48.175 and, any banging is the

NOTE Confidence: 0.9432004

00:29:48.175 --> 00:29:49.615 finishing up my sump pump.

NOTE Confidence: 0.9432004

00:29:49.615 --> 00:29:50.115 So

NOTE Confidence: 0.9971659

00:29:51.375 --> 00:29:52.355 Okay. Well,

NOTE Confidence: 0.9761512

00:29:52.655 --> 00:29:53.775 Donna, I hope your sump
NOTE Confidence: 0.9761512

00:29:53.775 --> 00:29:55.295 pump goes well, and take
NOTE Confidence: 0.9761512

00:29:55.295 --> 00:29:55.955 it away.
NOTE Confidence: 0.9868746

00:29:56.415 --> 00:29:58.255 Alright. Well, thanks, everyone. Just,
NOTE Confidence: 0.9868746

00:29:58.575 --> 00:29:59.535 this is the time of
NOTE Confidence: 0.9868746

00:29:59.535 --> 00:30:01.235 year where we're looking for
NOTE Confidence: 0.8920055

00:30:02.029 --> 00:30:04.049 applications for our education scholar
NOTE Confidence: 0.8920055

00:30:04.270 --> 00:30:05.169 faculty development
NOTE Confidence: 0.9775721

00:30:05.549 --> 00:30:06.049 program.
NOTE Confidence: 0.8876551

00:30:07.309 --> 00:30:08.529 So we can go ahead.
NOTE Confidence: 0.9179518

00:30:10.190 --> 00:30:11.710 Do I advance slides? How
NOTE Confidence: 0.9179518

00:30:11.710 --> 00:30:12.909 does that work? I I
NOTE Confidence: 0.9179518

00:30:12.909 --> 00:30:14.289 can advance if you'd like.
NOTE Confidence: 0.9179518

00:30:14.429 --> 00:30:14.929 Okay.
NOTE Confidence: 0.9282551

00:30:16.934 --> 00:30:17.975 So this is a one
NOTE Confidence: 0.9282551

00:30:17.975 --> 00:30:19.735 year faculty development course and

NOTE Confidence: 0.9282551
00:30:19.735 --> 00:30:20.955 educational scholarship,
NOTE Confidence: 0.952485
00:30:21.495 --> 00:30:22.775 sponsored by the School of
NOTE Confidence: 0.952485
00:30:22.775 --> 00:30:23.275 Medicine.
NOTE Confidence: 0.9552947
00:30:23.655 --> 00:30:24.955 Some of you might remember
NOTE Confidence: 0.9552947
00:30:25.015 --> 00:30:26.235 we had a predecessor
NOTE Confidence: 0.9651927
00:30:26.535 --> 00:30:28.215 course called ACES, and that
NOTE Confidence: 0.9651927
00:30:28.215 --> 00:30:29.575 was just for our department
NOTE Confidence: 0.9651927
00:30:29.575 --> 00:30:31.174 of medicine that ran for
NOTE Confidence: 0.9651927
00:30:31.174 --> 00:30:31.914 five years.
NOTE Confidence: 0.9608812
00:30:32.720 --> 00:30:33.760 This is the second year
NOTE Confidence: 0.9608812
00:30:33.760 --> 00:30:34.340 where we've
NOTE Confidence: 0.9487173
00:30:34.880 --> 00:30:36.320 brought this into the school
NOTE Confidence: 0.9487173
00:30:36.320 --> 00:30:37.840 of medicine. And, really, the
NOTE Confidence: 0.9487173
00:30:37.840 --> 00:30:39.780 goals are to support personalized
NOTE Confidence: 0.9958954
00:30:40.160 --> 00:30:40.660 educational
NOTE Confidence: 0.98446554

00:30:40.960 --> 00:30:43.040 initiatives of both CES and
NOTE Confidence: 0.98446554

00:30:43.040 --> 00:30:43.940 AC faculty,
NOTE Confidence: 0.9926497

00:30:44.865 --> 00:30:47.185 provide resources to aid folks
NOTE Confidence: 0.9926497

00:30:47.185 --> 00:30:48.545 in the success of their
NOTE Confidence: 0.9926497

00:30:48.545 --> 00:30:50.885 own educational scholarship, and provide
NOTE Confidence: 0.98878324

00:30:51.265 --> 00:30:52.545 mentorship, which we'll talk about
NOTE Confidence: 0.98878324

00:30:52.545 --> 00:30:53.905 in a minute, and career
NOTE Confidence: 0.98878324

00:30:53.905 --> 00:30:54.405 development.
NOTE Confidence: 0.92758083

00:30:55.505 --> 00:30:56.485 You can go ahead.
NOTE Confidence: 0.96441054

00:30:58.260 --> 00:30:59.460 So what we have is
NOTE Confidence: 0.96441054

00:30:59.460 --> 00:31:00.900 a weekly two and a
NOTE Confidence: 0.96441054

00:31:00.900 --> 00:31:02.280 half hour educational,
NOTE Confidence: 0.9921834

00:31:02.980 --> 00:31:04.820 scholarship seminars. We do about
NOTE Confidence: 0.9921834

00:31:04.820 --> 00:31:06.100 thirty during the course of
NOTE Confidence: 0.9921834

00:31:06.100 --> 00:31:07.400 an academic year.
NOTE Confidence: 0.96985376

00:31:08.420 --> 00:31:10.020 What the highlight is is

NOTE Confidence: 0.96985376

00:31:10.020 --> 00:31:11.640 that you get regular mentoring

NOTE Confidence: 0.96985376

00:31:11.780 --> 00:31:13.295 with two mentors, and these

NOTE Confidence: 0.96985376

00:31:13.295 --> 00:31:14.815 mentors could either be within

NOTE Confidence: 0.96985376

00:31:14.815 --> 00:31:16.615 our department or across depart

NOTE Confidence: 0.96985376

00:31:16.735 --> 00:31:19.055 the, different departments depending on

NOTE Confidence: 0.96985376

00:31:19.055 --> 00:31:20.495 what your your project is.

NOTE Confidence: 0.96985376

00:31:20.495 --> 00:31:21.855 And Jackie will talk about

NOTE Confidence: 0.96985376

00:31:21.855 --> 00:31:23.395 hers and her mentors.

NOTE Confidence: 0.9784436

00:31:24.300 --> 00:31:25.580 And then we would ask

NOTE Confidence: 0.9784436

00:31:25.580 --> 00:31:26.540 that you have a half

NOTE Confidence: 0.9784436

00:31:26.540 --> 00:31:27.680 day a week approximately

NOTE Confidence: 0.99902755

00:31:28.060 --> 00:31:30.160 to work on your scholarship

NOTE Confidence: 0.8626354

00:31:30.700 --> 00:31:32.160 project that you're having.

NOTE Confidence: 0.9861635

00:31:33.020 --> 00:31:34.380 So, again, we started this

NOTE Confidence: 0.9861635

00:31:34.380 --> 00:31:35.580 last year in our first

NOTE Confidence: 0.9861635

00:31:35.580 --> 00:31:37.820 cohort with fifteen participants. I'm

NOTE Confidence: 0.9861635

00:31:37.820 --> 00:31:39.280 not gonna read through all

NOTE Confidence: 0.9951031

00:31:39.605 --> 00:31:40.505 the folks that participated,

NOTE Confidence: 0.95738375

00:31:41.045 --> 00:31:42.245 but you can see from

NOTE Confidence: 0.95738375

00:31:42.245 --> 00:31:43.685 our own internal medicine, we

NOTE Confidence: 0.95738375

00:31:43.685 --> 00:31:45.125 had Ben Cherry from our

NOTE Confidence: 0.95738375

00:31:45.125 --> 00:31:45.625 section

NOTE Confidence: 0.919737

00:31:46.005 --> 00:31:47.785 and from an EMG hospitalist,

NOTE Confidence: 0.919737

00:31:47.925 --> 00:31:49.065 Yamini Krishnan.

NOTE Confidence: 0.9710662

00:31:50.885 --> 00:31:52.725 And I'll note very small

NOTE Confidence: 0.9710662

00:31:52.725 --> 00:31:53.225 number

NOTE Confidence: 0.9616659

00:31:53.525 --> 00:31:55.650 from our section. Okay, Patrick.

NOTE Confidence: 0.9616659

00:31:55.650 --> 00:31:56.150 Go

NOTE Confidence: 0.99973524

00:31:56.690 --> 00:31:57.190 ahead.

NOTE Confidence: 0.9873801

00:31:58.450 --> 00:32:00.290 This year, we only have

NOTE Confidence: 0.9873801

00:32:00.290 --> 00:32:01.650 five from our department of

NOTE Confidence: 0.9873801

00:32:01.650 --> 00:32:03.110 medicine. It's so sad.

NOTE Confidence: 0.9446237

00:32:03.890 --> 00:32:05.250 Wanted to get some more,

NOTE Confidence: 0.9446237

00:32:05.250 --> 00:32:06.630 and we have Patty,

NOTE Confidence: 0.89588773

00:32:07.265 --> 00:32:08.625 Rose who's from our PA

NOTE Confidence: 0.89588773

00:32:08.625 --> 00:32:10.145 program online and then Jackie

NOTE Confidence: 0.89588773

00:32:10.145 --> 00:32:11.185 who's I said is gonna

NOTE Confidence: 0.89588773

00:32:11.185 --> 00:32:11.925 talk about

NOTE Confidence: 0.997588

00:32:12.625 --> 00:32:14.145 her her role and what

NOTE Confidence: 0.997588

00:32:14.145 --> 00:32:15.125 she's been doing.

NOTE Confidence: 0.9962141

00:32:16.225 --> 00:32:17.585 And just so that folks

NOTE Confidence: 0.9962141

00:32:17.585 --> 00:32:19.025 have an idea for that

NOTE Confidence: 0.9962141

00:32:19.025 --> 00:32:19.525 predecessor

NOTE Confidence: 0.92752093

00:32:19.825 --> 00:32:21.845 course, the precursor, the ACES,

NOTE Confidence: 0.98759955

00:32:22.640 --> 00:32:23.840 we had quite a number

NOTE Confidence: 0.98759955

00:32:23.840 --> 00:32:25.460 of people from our section.

NOTE Confidence: 0.98759955

00:32:25.600 --> 00:32:27.200 There was thirty total over
NOTE Confidence: 0.98759955

00:32:27.200 --> 00:32:28.399 the five years through our
NOTE Confidence: 0.98759955

00:32:28.399 --> 00:32:29.760 department, and you can see
NOTE Confidence: 0.98759955

00:32:29.760 --> 00:32:32.159 that a large portion in
NOTE Confidence: 0.98759955

00:32:32.159 --> 00:32:33.360 fact, we were the largest
NOTE Confidence: 0.98759955

00:32:33.360 --> 00:32:34.659 representative section
NOTE Confidence: 0.9686371

00:32:35.120 --> 00:32:36.820 for that program and sending
NOTE Confidence: 0.99955916

00:32:37.120 --> 00:32:37.620 people.
NOTE Confidence: 0.99232554

00:32:40.455 --> 00:32:41.415 So what is it that
NOTE Confidence: 0.99232554

00:32:41.415 --> 00:32:43.335 we actually do? So we
NOTE Confidence: 0.99232554

00:32:43.335 --> 00:32:43.835 have,
NOTE Confidence: 0.98429286

00:32:44.295 --> 00:32:45.995 I think, now over seventeen
NOTE Confidence: 0.98429286

00:32:46.215 --> 00:32:48.455 faculty across and outside of
NOTE Confidence: 0.98429286

00:32:48.455 --> 00:32:49.815 Yale School of Medicine who
NOTE Confidence: 0.98429286

00:32:49.815 --> 00:32:50.635 are experts
NOTE Confidence: 0.97312325

00:32:51.350 --> 00:32:52.410 in their field.

NOTE Confidence: 0.9554197

00:32:53.030 --> 00:32:54.470 And, again, I'm not gonna

NOTE Confidence: 0.9554197

00:32:54.470 --> 00:32:55.510 read through all of the

NOTE Confidence: 0.9554197

00:32:55.510 --> 00:32:57.050 things that we do, but

NOTE Confidence: 0.9438659

00:32:57.350 --> 00:32:59.530 key elements to doing educational

NOTE Confidence: 0.9438659

00:32:59.750 --> 00:33:01.830 scholarship like library research, how

NOTE Confidence: 0.9438659

00:33:01.830 --> 00:33:03.130 do you develop a curriculum?

NOTE Confidence: 0.9741717

00:33:04.125 --> 00:33:05.805 What about the needs assessment?

NOTE Confidence: 0.9741717

00:33:05.805 --> 00:33:07.005 How do you do survey

NOTE Confidence: 0.9741717

00:33:07.005 --> 00:33:08.685 research? Things that were not

NOTE Confidence: 0.9741717

00:33:08.685 --> 00:33:10.525 really taught or taught well

NOTE Confidence: 0.9741717

00:33:10.525 --> 00:33:11.905 or taught at all, qualitative

NOTE Confidence: 0.9741717

00:33:12.125 --> 00:33:12.625 research,

NOTE Confidence: 0.9442037

00:33:13.485 --> 00:33:15.345 focus groups that Abba Black

NOTE Confidence: 0.94122624

00:33:15.645 --> 00:33:16.865 talks with us about,

NOTE Confidence: 0.9570262

00:33:17.620 --> 00:33:19.000 multimedia and technology,

NOTE Confidence: 0.9498904

00:33:19.540 --> 00:33:20.040 EPAs.

NOTE Confidence: 0.9906314

00:33:20.419 --> 00:33:21.700 How do you actually even

NOTE Confidence: 0.9906314

00:33:21.700 --> 00:33:23.940 evaluate your own educational scholarship?

NOTE Confidence: 0.9906314

00:33:23.940 --> 00:33:25.059 So we have we have

NOTE Confidence: 0.9906314

00:33:25.059 --> 00:33:26.360 workshops on statistics.

NOTE Confidence: 0.97276473

00:33:27.140 --> 00:33:28.520 We bring in the IRB

NOTE Confidence: 0.97276473

00:33:28.740 --> 00:33:30.600 to talk about IRB initiatives

NOTE Confidence: 0.97276473

00:33:30.740 --> 00:33:31.700 and how do you do

NOTE Confidence: 0.97276473

00:33:31.700 --> 00:33:32.600 that for educational

NOTE Confidence: 0.6727776

00:33:32.935 --> 00:33:33.435 scholarship.

NOTE Confidence: 0.9975373

00:33:33.815 --> 00:33:34.535 And then how do you

NOTE Confidence: 0.9975373

00:33:34.535 --> 00:33:36.395 go ahead and present these

NOTE Confidence: 0.773946

00:33:37.175 --> 00:33:39.015 at either in abstracts or

NOTE Confidence: 0.773946

00:33:39.015 --> 00:33:39.515 in,

NOTE Confidence: 0.8704976

00:33:40.295 --> 00:33:40.795 publication?

NOTE Confidence: 0.87410516

00:33:42.135 --> 00:33:43.355 Okay. Thank you.

NOTE Confidence: 0.9589642

00:33:44.615 --> 00:33:45.735 I wanna spend a minute

NOTE Confidence: 0.9589642

00:33:45.735 --> 00:33:47.575 talking about the mentoring because

NOTE Confidence: 0.9589642

00:33:47.575 --> 00:33:49.230 this is a new model

NOTE Confidence: 0.9589642

00:33:49.230 --> 00:33:50.590 that I developed for this

NOTE Confidence: 0.9589642

00:33:50.590 --> 00:33:51.090 program,

NOTE Confidence: 0.99907744

00:33:51.710 --> 00:33:53.630 and it's structured mentoring for

NOTE Confidence: 0.99907744

00:33:53.630 --> 00:33:54.530 each participant

NOTE Confidence: 0.93430245

00:33:54.910 --> 00:33:56.690 by by two faculty

NOTE Confidence: 0.99772394

00:33:57.150 --> 00:33:59.650 with educational scholarship training. Ideally,

NOTE Confidence: 0.98034984

00:33:59.950 --> 00:34:01.790 I'm matching one senior with

NOTE Confidence: 0.98034984

00:34:01.790 --> 00:34:03.170 one junior mentor.

NOTE Confidence: 0.9580738

00:34:03.865 --> 00:34:04.985 And the idea is to

NOTE Confidence: 0.9580738

00:34:04.985 --> 00:34:06.265 sort of train up, if

NOTE Confidence: 0.9580738

00:34:06.265 --> 00:34:07.965 you will, these junior mentors.

NOTE Confidence: 0.9580738

00:34:08.025 --> 00:34:09.864 And Ben Gallagher, I believe

NOTE Confidence: 0.9580738

00:34:09.864 --> 00:34:11.864 is there. He's serves as
NOTE Confidence: 0.9580738

00:34:11.864 --> 00:34:13.385 one of our our mentors
NOTE Confidence: 0.9580738

00:34:13.385 --> 00:34:15.385 who's gone through, the ACES
NOTE Confidence: 0.9580738

00:34:15.385 --> 00:34:16.930 program. There's quite a few,
NOTE Confidence: 0.9580738

00:34:17.170 --> 00:34:18.530 who've done that and are
NOTE Confidence: 0.9580738

00:34:18.530 --> 00:34:19.650 now mentors, and I'll get
NOTE Confidence: 0.9580738

00:34:19.650 --> 00:34:20.530 to that slide in a
NOTE Confidence: 0.9580738

00:34:20.530 --> 00:34:21.030 minute.
NOTE Confidence: 0.9981888

00:34:21.570 --> 00:34:22.070 But
NOTE Confidence: 0.99433184

00:34:22.610 --> 00:34:23.730 having done this a couple
NOTE Confidence: 0.99433184

00:34:23.730 --> 00:34:25.250 of years now and being
NOTE Confidence: 0.99433184

00:34:25.250 --> 00:34:26.850 in that senior role, I'm
NOTE Confidence: 0.99433184

00:34:26.850 --> 00:34:28.770 learning from everybody. I'm learning
NOTE Confidence: 0.99433184

00:34:28.770 --> 00:34:29.750 from the participant.
NOTE Confidence: 0.9719296

00:34:30.050 --> 00:34:31.935 I'm learning from my colleague
NOTE Confidence: 0.9719296

00:34:31.935 --> 00:34:34.094 who's the sometimes a junior,

NOTE Confidence: 0.9719296

00:34:34.094 --> 00:34:35.775 but might be my peer

NOTE Confidence: 0.9719296

00:34:35.775 --> 00:34:36.275 mentor.

NOTE Confidence: 0.9984196

00:34:36.895 --> 00:34:38.655 And we do some mentor

NOTE Confidence: 0.9984196

00:34:38.655 --> 00:34:39.155 training,

NOTE Confidence: 0.9124907

00:34:39.775 --> 00:34:41.375 as well. Umma Fatak helps

NOTE Confidence: 0.9124907

00:34:41.375 --> 00:34:42.415 me with that from the

NOTE Confidence: 0.9124907

00:34:42.415 --> 00:34:44.335 department of pediatrics talking about

NOTE Confidence: 0.9124907

00:34:44.335 --> 00:34:45.935 how do we think about

NOTE Confidence: 0.9124907

00:34:45.935 --> 00:34:46.435 mentoring,

NOTE Confidence: 0.9815887

00:34:47.589 --> 00:34:48.410 for projects.

NOTE Confidence: 0.98607314

00:34:51.190 --> 00:34:51.690 And,

NOTE Confidence: 0.99804586

00:34:53.109 --> 00:34:54.170 I actually have

NOTE Confidence: 0.96206665

00:34:54.790 --> 00:34:56.069 this number I forgot to

NOTE Confidence: 0.96206665

00:34:56.069 --> 00:34:57.989 change. I have twenty nine

NOTE Confidence: 0.96206665

00:34:57.989 --> 00:35:00.069 faculty mentors this year, and

NOTE Confidence: 0.96206665

00:35:00.069 --> 00:35:00.969 you can see
NOTE Confidence: 0.94441193

00:35:01.725 --> 00:35:03.645 a large portion of them
NOTE Confidence: 0.94441193

00:35:03.645 --> 00:35:04.925 are from our department of
NOTE Confidence: 0.94441193

00:35:04.925 --> 00:35:06.785 medicine and even more,
NOTE Confidence: 0.9177557

00:35:07.085 --> 00:35:08.364 the majority are from our
NOTE Confidence: 0.9177557

00:35:08.364 --> 00:35:09.085 section. And,
NOTE Confidence: 0.9986295

00:35:11.325 --> 00:35:13.025 this is so critically important
NOTE Confidence: 0.9986295

00:35:13.165 --> 00:35:14.765 to have faculty who can
NOTE Confidence: 0.9986295

00:35:14.765 --> 00:35:15.265 mentor
NOTE Confidence: 0.9733623

00:35:15.890 --> 00:35:17.730 either because they're a content
NOTE Confidence: 0.9733623

00:35:17.730 --> 00:35:19.730 expert in the topic area
NOTE Confidence: 0.9733623

00:35:19.730 --> 00:35:21.330 that the person has or
NOTE Confidence: 0.9733623

00:35:21.330 --> 00:35:22.290 because they have a lot
NOTE Confidence: 0.9733623

00:35:22.290 --> 00:35:23.670 of educational scholarship,
NOTE Confidence: 0.95432425

00:35:24.690 --> 00:35:26.310 training. And again, the mentor
NOTE Confidence: 0.95432425

00:35:26.450 --> 00:35:28.310 mentee pairs may not be

NOTE Confidence: 0.9978558

00:35:29.275 --> 00:35:31.275 section specific or department specific.

NOTE Confidence: 0.9978558

00:35:31.275 --> 00:35:32.395 It's really trying to get

NOTE Confidence: 0.9978558

00:35:32.395 --> 00:35:32.895 good

NOTE Confidence: 0.9968607

00:35:33.355 --> 00:35:35.035 mentoring depending on the person's

NOTE Confidence: 0.9968607

00:35:35.035 --> 00:35:35.535 project.

NOTE Confidence: 0.98174125

00:35:38.875 --> 00:35:39.994 It was I'm not gonna

NOTE Confidence: 0.98174125

00:35:39.994 --> 00:35:41.455 go through the total recruitment,

NOTE Confidence: 0.98174125

00:35:41.515 --> 00:35:42.555 but a lot of this

NOTE Confidence: 0.98174125

00:35:42.555 --> 00:35:44.460 is just word of word-of-mouth

NOTE Confidence: 0.98174125

00:35:44.600 --> 00:35:45.880 and word on the street.

NOTE Confidence: 0.98174125

00:35:45.880 --> 00:35:47.340 I I did some snowball

NOTE Confidence: 0.98174125

00:35:47.400 --> 00:35:49.020 technique to try to gather

NOTE Confidence: 0.9996939

00:35:49.560 --> 00:35:51.100 people from different departments

NOTE Confidence: 0.99721366

00:35:51.400 --> 00:35:52.460 who have educational

NOTE Confidence: 0.97560906

00:35:52.760 --> 00:35:53.900 scholarship skills.

NOTE Confidence: 0.99862146

00:35:54.200 --> 00:35:55.560 And if you wanna use
NOTE Confidence: 0.99862146

00:35:55.560 --> 00:35:55.905 this
NOTE Confidence: 0.9931244

00:35:56.385 --> 00:35:57.905 QR code, this will take
NOTE Confidence: 0.9931244

00:35:57.905 --> 00:35:59.285 you to the OAPD
NOTE Confidence: 0.9335109

00:35:59.585 --> 00:36:01.685 website, which hosts that,
NOTE Confidence: 0.945166

00:36:02.305 --> 00:36:04.625 houses rather the spreadsheet of
NOTE Confidence: 0.945166

00:36:04.625 --> 00:36:05.665 all the people who are,
NOTE Confidence: 0.99309427

00:36:06.385 --> 00:36:08.465 have educational scholarship skills who'd
NOTE Confidence: 0.99309427

00:36:08.465 --> 00:36:10.245 be willing to mentor folks.
NOTE Confidence: 0.9678514

00:36:12.900 --> 00:36:13.700 I just wanted to give
NOTE Confidence: 0.9678514

00:36:13.700 --> 00:36:14.980 you a sense of what
NOTE Confidence: 0.9678514

00:36:14.980 --> 00:36:16.260 are people doing, and this
NOTE Confidence: 0.9678514

00:36:16.260 --> 00:36:18.760 was projects from last year's
NOTE Confidence: 0.9678514

00:36:18.980 --> 00:36:20.520 cohort, our first cohort.
NOTE Confidence: 0.9830983

00:36:21.940 --> 00:36:23.140 Again, not going to read
NOTE Confidence: 0.9830983

00:36:23.140 --> 00:36:25.134 them all, but there's some

NOTE Confidence: 0.9830983

00:36:25.134 --> 00:36:26.335 fun things out there that

NOTE Confidence: 0.9830983

00:36:26.335 --> 00:36:27.394 people are doing.

NOTE Confidence: 0.89447373

00:36:28.575 --> 00:36:29.634 We have from

NOTE Confidence: 0.91217625

00:36:31.055 --> 00:36:33.855 the section of, hospital medicine

NOTE Confidence: 0.91217625

00:36:33.855 --> 00:36:35.795 direct ED care for interns

NOTE Confidence: 0.91217625

00:36:35.934 --> 00:36:37.855 experience in hospital medicine called

NOTE Confidence: 0.91217625

00:36:37.855 --> 00:36:38.355 Define

NOTE Confidence: 0.9769031

00:36:39.549 --> 00:36:41.069 And so Yamini worked on

NOTE Confidence: 0.9769031

00:36:41.069 --> 00:36:42.289 that, and she's,

NOTE Confidence: 0.99985874

00:36:42.829 --> 00:36:43.329 currently

NOTE Confidence: 0.9986669

00:36:43.869 --> 00:36:45.309 looking at the impact of

NOTE Confidence: 0.9986669

00:36:45.309 --> 00:36:46.770 this novel educational

NOTE Confidence: 0.9998105

00:36:47.150 --> 00:36:47.650 curriculum.

NOTE Confidence: 0.9770001

00:36:50.670 --> 00:36:52.349 So we're in the process

NOTE Confidence: 0.9770001

00:36:52.349 --> 00:36:53.835 right now. Should have received

NOTE Confidence: 0.9770001

00:36:53.835 --> 00:36:55.435 an email from a second
NOTE Confidence: 0.9770001

00:36:55.435 --> 00:36:56.735 reminder this morning
NOTE Confidence: 0.8996383

00:36:57.275 --> 00:36:58.094 for recruiting.
NOTE Confidence: 0.84883714

00:36:58.555 --> 00:36:59.935 The application deadline
NOTE Confidence: 0.9882359

00:37:00.235 --> 00:37:02.395 is January ninth. So if
NOTE Confidence: 0.9882359

00:37:02.395 --> 00:37:03.835 you know of junior faculty
NOTE Confidence: 0.9882359

00:37:03.835 --> 00:37:05.609 or you yourself have something
NOTE Confidence: 0.9882359

00:37:05.609 --> 00:37:07.289 that you thought you wanted
NOTE Confidence: 0.9882359

00:37:07.289 --> 00:37:08.589 to get some more scholarship
NOTE Confidence: 0.9882359

00:37:08.809 --> 00:37:09.869 help in, please
NOTE Confidence: 0.9990988

00:37:10.170 --> 00:37:10.670 apply.
NOTE Confidence: 0.9868477

00:37:13.609 --> 00:37:15.130 And we have Jackie here
NOTE Confidence: 0.9868477

00:37:15.130 --> 00:37:16.890 who's gonna who's currently enrolled
NOTE Confidence: 0.9868477

00:37:16.890 --> 00:37:18.009 in the program and can
NOTE Confidence: 0.9868477

00:37:18.009 --> 00:37:18.890 tell us a little bit
NOTE Confidence: 0.9868477

00:37:18.890 --> 00:37:19.869 about her experience.

NOTE Confidence: 0.9591797

00:37:27.565 --> 00:37:28.864 Had to lower the mic.

NOTE Confidence: 0.9551363

00:37:30.765 --> 00:37:32.065 Yes. So I'm currently,

NOTE Confidence: 0.9298975

00:37:32.445 --> 00:37:34.225 in the educational scholars fellowship.

NOTE Confidence: 0.9944433

00:37:35.085 --> 00:37:36.739 And, you know, I just

NOTE Confidence: 0.9944433

00:37:36.739 --> 00:37:38.180 wanna thank Donna and Patrick,

NOTE Confidence: 0.99400246

00:37:38.579 --> 00:37:40.020 for all the mentorship thus

NOTE Confidence: 0.99400246

00:37:40.020 --> 00:37:41.140 far and support to be

NOTE Confidence: 0.99400246

00:37:41.140 --> 00:37:42.359 a part of this. So,

NOTE Confidence: 0.9984006

00:37:43.380 --> 00:37:44.359 with my project,

NOTE Confidence: 0.97606486

00:37:44.820 --> 00:37:45.619 it's a little bit of

NOTE Confidence: 0.97606486

00:37:45.619 --> 00:37:46.660 a niche. So I think

NOTE Confidence: 0.97606486

00:37:46.660 --> 00:37:48.260 that if you're something that

NOTE Confidence: 0.97606486

00:37:48.260 --> 00:37:49.380 you're thinking about that you're

NOTE Confidence: 0.97606486

00:37:49.380 --> 00:37:50.420 interested in may not you

NOTE Confidence: 0.97606486

00:37:50.420 --> 00:37:51.855 may not feel like might

NOTE Confidence: 0.97606486

00:37:51.855 --> 00:37:53.695 have a broad impact or
NOTE Confidence: 0.97606486

00:37:53.695 --> 00:37:55.695 maybe something very specific that
NOTE Confidence: 0.97606486

00:37:55.695 --> 00:37:57.455 you're interested in, I would
NOTE Confidence: 0.97606486

00:37:57.455 --> 00:37:58.735 encourage you to just reach
NOTE Confidence: 0.97606486

00:37:58.735 --> 00:38:00.415 out to Donna and float
NOTE Confidence: 0.97606486

00:38:00.415 --> 00:38:01.635 the idea out there,
NOTE Confidence: 0.9978018

00:38:02.094 --> 00:38:03.455 and get some feedback on
NOTE Confidence: 0.9978018

00:38:03.455 --> 00:38:05.150 it. So I'm interested,
NOTE Confidence: 0.99156934

00:38:05.690 --> 00:38:07.630 in disaster preparedness and emergency
NOTE Confidence: 0.99156934

00:38:07.690 --> 00:38:08.890 management and trying to build
NOTE Confidence: 0.99156934

00:38:08.890 --> 00:38:09.950 up a knowledge base,
NOTE Confidence: 0.99703425

00:38:10.329 --> 00:38:12.270 within internal medicine for that,
NOTE Confidence: 0.99445647

00:38:13.049 --> 00:38:14.510 which is something that really,
NOTE Confidence: 0.992989

00:38:15.049 --> 00:38:16.845 isn't touched upon much, but
NOTE Confidence: 0.992989

00:38:16.845 --> 00:38:18.165 it's something that I personally
NOTE Confidence: 0.992989

00:38:18.165 --> 00:38:18.965 have a lot of interest

NOTE Confidence: 0.992989
00:38:18.965 --> 00:38:20.105 in. And so,
NOTE Confidence: 0.9844218
00:38:20.725 --> 00:38:21.465 it was,
NOTE Confidence: 0.987627
00:38:22.085 --> 00:38:23.145 very well supported,
NOTE Confidence: 0.9938684
00:38:23.925 --> 00:38:25.364 and is currently the focus
NOTE Confidence: 0.9938684
00:38:25.364 --> 00:38:27.125 of my project in in
NOTE Confidence: 0.9938684
00:38:27.125 --> 00:38:27.864 this fellowship.
NOTE Confidence: 0.96711725
00:38:29.100 --> 00:38:30.460 With that, Donna did an
NOTE Confidence: 0.96711725
00:38:30.460 --> 00:38:32.060 excellent job with my pairing.
NOTE Confidence: 0.96711725
00:38:32.060 --> 00:38:33.420 And so I have an
NOTE Confidence: 0.96711725
00:38:33.420 --> 00:38:35.840 emergency medicine physician, Jeremy Renzetti,
NOTE Confidence: 0.96711725
00:38:35.980 --> 00:38:37.520 who also has educational,
NOTE Confidence: 0.9356655
00:38:38.060 --> 00:38:38.560 scholarship,
NOTE Confidence: 0.95683885
00:38:39.260 --> 00:38:39.760 background.
NOTE Confidence: 0.9888449
00:38:40.620 --> 00:38:41.660 And then I also am
NOTE Confidence: 0.9888449
00:38:41.660 --> 00:38:43.420 paired with Rob Fogarty, who
NOTE Confidence: 0.9888449

00:38:43.420 --> 00:38:44.320 actually sits
NOTE Confidence: 0.9998692

00:38:44.735 --> 00:38:45.235 on
NOTE Confidence: 0.829669

00:38:45.615 --> 00:38:46.115 our,
NOTE Confidence: 0.83926374

00:38:46.895 --> 00:38:48.594 emergency management council,
NOTE Confidence: 0.9739614

00:38:49.215 --> 00:38:50.975 who for the hospital system.
NOTE Confidence: 0.9739614

00:38:51.215 --> 00:38:52.675 And so between those two,
NOTE Confidence: 0.9739614

00:38:52.735 --> 00:38:54.015 I'm not only getting the
NOTE Confidence: 0.9739614

00:38:54.015 --> 00:38:55.935 hospital perspective, but also the
NOTE Confidence: 0.9739614

00:38:55.935 --> 00:38:57.695 emergency medicine perspective as well
NOTE Confidence: 0.9739614

00:38:57.695 --> 00:38:58.895 as the background for the
NOTE Confidence: 0.9739614

00:38:58.895 --> 00:38:59.955 clinical skills.
NOTE Confidence: 0.96643025

00:39:00.549 --> 00:39:01.510 And so all of that
NOTE Confidence: 0.96643025

00:39:01.510 --> 00:39:02.869 has been excellent for my
NOTE Confidence: 0.96643025

00:39:02.869 --> 00:39:03.989 project, but for my own
NOTE Confidence: 0.96643025

00:39:03.989 --> 00:39:06.329 personal growth and professional development,
NOTE Confidence: 0.96643025

00:39:06.549 --> 00:39:08.410 it really helped me reframe

NOTE Confidence: 0.96643025

00:39:08.630 --> 00:39:10.549 how I approach educational scholarship,

NOTE Confidence: 0.96643025

00:39:10.549 --> 00:39:11.910 but I'm only halfway through

NOTE Confidence: 0.96643025

00:39:11.910 --> 00:39:12.809 at this time.

NOTE Confidence: 0.9837025

00:39:13.535 --> 00:39:14.575 And so I'm I can't

NOTE Confidence: 0.9837025

00:39:14.575 --> 00:39:15.455 wait to see what else

NOTE Confidence: 0.9837025

00:39:15.455 --> 00:39:16.415 that we have going on

NOTE Confidence: 0.9837025

00:39:16.415 --> 00:39:17.695 and and what the outcomes

NOTE Confidence: 0.9837025

00:39:17.695 --> 00:39:19.715 are, but everything's very practical

NOTE Confidence: 0.9837025

00:39:19.775 --> 00:39:21.295 based and really focused on

NOTE Confidence: 0.9837025

00:39:21.295 --> 00:39:22.275 having a deliverable,

NOTE Confidence: 0.98802286

00:39:23.295 --> 00:39:24.735 that you can affect change

NOTE Confidence: 0.98802286

00:39:24.735 --> 00:39:26.175 with. And so that's what

NOTE Confidence: 0.98802286

00:39:26.175 --> 00:39:27.780 makes this scholarship

NOTE Confidence: 0.99880135

00:39:28.080 --> 00:39:29.860 and the fellowship really exciting.

NOTE Confidence: 0.9239384

00:39:31.120 --> 00:39:32.960 Any questions for Jackie or

NOTE Confidence: 0.9876056

00:39:36.720 --> 00:39:38.400 Does this program require ten
NOTE Confidence: 0.9876056

00:39:38.400 --> 00:39:40.000 percent support to work on
NOTE Confidence: 0.9876056

00:39:40.000 --> 00:39:40.740 your project?
NOTE Confidence: 0.9907627

00:39:43.475 --> 00:39:44.435 Yeah. I mean, that's a
NOTE Confidence: 0.9907627

00:39:44.435 --> 00:39:45.255 great question.
NOTE Confidence: 0.9819479

00:39:46.435 --> 00:39:47.575 Yes and no.
NOTE Confidence: 0.9987639

00:39:48.515 --> 00:39:49.495 Not additional
NOTE Confidence: 0.97644335

00:39:49.795 --> 00:39:51.875 time, but through the AC
NOTE Confidence: 0.97644335

00:39:51.875 --> 00:39:53.555 track and the CES track,
NOTE Confidence: 0.97644335

00:39:53.555 --> 00:39:55.575 you're supposed to have protected
NOTE Confidence: 0.97644335

00:39:55.715 --> 00:39:56.829 time, and we can get
NOTE Confidence: 0.97644335

00:39:56.829 --> 00:39:58.750 into long deliberations of whether
NOTE Confidence: 0.97644335

00:39:58.750 --> 00:40:00.190 that happens or not. I
NOTE Confidence: 0.97644335

00:40:00.190 --> 00:40:01.230 don't know, Jackie. How are
NOTE Confidence: 0.97644335

00:40:01.230 --> 00:40:02.770 you managing your time?
NOTE Confidence: 0.9110838

00:40:03.790 --> 00:40:04.690 Yeah. Between,

NOTE Confidence: 0.9422854

00:40:05.150 --> 00:40:07.010 Patrick and my, direct departmental

NOTE Confidence: 0.9422854

00:40:07.230 --> 00:40:08.589 clinical leaders, I've I've had

NOTE Confidence: 0.9422854

00:40:08.589 --> 00:40:10.349 protected time, set aside not

NOTE Confidence: 0.9422854

00:40:10.349 --> 00:40:11.810 only for the, scholarship

NOTE Confidence: 0.98784274

00:40:12.135 --> 00:40:13.335 activities, but also to make

NOTE Confidence: 0.98784274

00:40:13.335 --> 00:40:14.535 sure that I have time

NOTE Confidence: 0.98784274

00:40:14.535 --> 00:40:15.755 to get the project done.

NOTE Confidence: 0.93626606

00:40:16.935 --> 00:40:17.895 Yeah. We've we've made it

NOTE Confidence: 0.93626606

00:40:17.895 --> 00:40:19.175 a priority in general medicine

NOTE Confidence: 0.93626606

00:40:19.175 --> 00:40:20.475 to be sure we coordinate

NOTE Confidence: 0.93626606

00:40:20.535 --> 00:40:21.275 with the

NOTE Confidence: 0.91289794

00:40:21.975 --> 00:40:23.575 faculty members in the program

NOTE Confidence: 0.91289794

00:40:23.575 --> 00:40:25.670 and whoever their clinical education

NOTE Confidence: 0.91289794

00:40:25.670 --> 00:40:26.950 leadership is, should that time

NOTE Confidence: 0.91289794

00:40:26.950 --> 00:40:28.230 is protected. I'm not sure

NOTE Confidence: 0.91289794

00:40:28.230 --> 00:40:28.950 how it works in other
NOTE Confidence: 0.91289794

00:40:28.950 --> 00:40:30.390 sections of the departments, but
NOTE Confidence: 0.91289794

00:40:30.390 --> 00:40:31.989 I think we've been reasonably
NOTE Confidence: 0.91289794

00:40:31.989 --> 00:40:33.369 successful at doing that.
NOTE Confidence: 0.99957347

00:40:33.670 --> 00:40:35.529 Patrick has been the
NOTE Confidence: 0.99944496

00:40:36.150 --> 00:40:38.650 strong supporter and the consistent
NOTE Confidence: 0.9869373

00:40:39.465 --> 00:40:41.065 financial supporter of folks who
NOTE Confidence: 0.9869373

00:40:41.065 --> 00:40:42.025 wanna do this. So I
NOTE Confidence: 0.9869373

00:40:42.025 --> 00:40:44.345 really appreciate Patrick's doing that.
NOTE Confidence: 0.9869373

00:40:44.345 --> 00:40:45.965 It's not consistent across
NOTE Confidence: 0.99115086

00:40:46.425 --> 00:40:48.345 sections or departments, but it's
NOTE Confidence: 0.99115086

00:40:48.345 --> 00:40:48.845 critical
NOTE Confidence: 0.991213

00:40:49.385 --> 00:40:50.665 to get your work done
NOTE Confidence: 0.991213

00:40:50.665 --> 00:40:52.364 to have that protected time.
NOTE Confidence: 0.9421149

00:40:53.719 --> 00:40:54.920 So with that said, I
NOTE Confidence: 0.9421149

00:40:54.920 --> 00:40:56.279 wanna, again, remind people the

NOTE Confidence: 0.9421149
00:40:56.279 --> 00:40:58.059 January ninth due date
NOTE Confidence: 0.93424606
00:40:58.440 --> 00:40:59.480 for the application. I don't
NOTE Confidence: 0.93424606
00:40:59.480 --> 00:41:00.940 think the application is particularly
NOTE Confidence: 0.93424606
00:41:01.000 --> 00:41:01.799 burdensome, so,
NOTE Confidence: 0.9808291
00:41:02.440 --> 00:41:03.239 I would get to it
NOTE Confidence: 0.9808291
00:41:03.239 --> 00:41:04.200 and try to get in
NOTE Confidence: 0.9808291
00:41:04.200 --> 00:41:05.480 before the holidays would be
NOTE Confidence: 0.9808291
00:41:05.480 --> 00:41:06.140 my suggestion.
NOTE Confidence: 0.9608609
00:41:07.114 --> 00:41:08.395 To me, it's important. I
NOTE Confidence: 0.9608609
00:41:08.395 --> 00:41:09.135 really wanna,
NOTE Confidence: 0.97509706
00:41:10.234 --> 00:41:11.835 see at least one member
NOTE Confidence: 0.97509706
00:41:11.835 --> 00:41:13.114 of our section participate in
NOTE Confidence: 0.97509706
00:41:13.114 --> 00:41:14.795 this program every year. I
NOTE Confidence: 0.97509706
00:41:14.795 --> 00:41:16.175 think the skills it provides,
NOTE Confidence: 0.97138643
00:41:16.954 --> 00:41:18.555 can really help move your
NOTE Confidence: 0.97138643

00:41:18.555 --> 00:41:20.335 careers forward, whether you're academic

NOTE Confidence: 0.97138643

00:41:20.395 --> 00:41:22.710 clinician track or CES track.

NOTE Confidence: 0.97138643

00:41:22.710 --> 00:41:23.750 I I think these skills

NOTE Confidence: 0.97138643

00:41:23.750 --> 00:41:24.650 are really important

NOTE Confidence: 0.9918788

00:41:25.030 --> 00:41:26.310 in this environment. So I

NOTE Confidence: 0.9918788

00:41:26.310 --> 00:41:27.590 really and if we have

NOTE Confidence: 0.9918788

00:41:27.590 --> 00:41:28.630 more than one person from

NOTE Confidence: 0.9918788

00:41:28.630 --> 00:41:30.150 general medicine doing it next

NOTE Confidence: 0.9918788

00:41:30.150 --> 00:41:31.610 year, that's great too. So

NOTE Confidence: 0.6509261

00:41:32.150 --> 00:41:32.650 applications

NOTE Confidence: 0.993181

00:41:32.950 --> 00:41:33.450 encouraged.

NOTE Confidence: 0.9884743

00:41:34.685 --> 00:41:35.885 Yeah. And and I'll just

NOTE Confidence: 0.9884743

00:41:35.885 --> 00:41:36.525 add that,

NOTE Confidence: 0.99135226

00:41:36.925 --> 00:41:38.685 I've I'm only almost here

NOTE Confidence: 0.99135226

00:41:38.685 --> 00:41:40.205 for two years. And so

NOTE Confidence: 0.99135226

00:41:40.205 --> 00:41:41.165 even if you're a very

NOTE Confidence: 0.99135226
00:41:41.165 --> 00:41:42.685 early faculty member who's just
NOTE Confidence: 0.99135226
00:41:42.685 --> 00:41:44.364 getting started, I wouldn't wait,
NOTE Confidence: 0.99135226
00:41:44.685 --> 00:41:45.805 because this is something that'll
NOTE Confidence: 0.99135226
00:41:45.805 --> 00:41:46.545 be foundational.
NOTE Confidence: 0.9132534
00:41:49.200 --> 00:41:50.400 Okay. Thank you, Don and
NOTE Confidence: 0.9132534
00:41:50.400 --> 00:41:52.000 Jackie. Jackie, quick question. Do
NOTE Confidence: 0.9132534
00:41:52.000 --> 00:41:53.500 you have enough time? Or
NOTE Confidence: 0.90836257
00:41:55.440 --> 00:41:56.400 I think I could use
NOTE Confidence: 0.90836257
00:41:56.400 --> 00:41:56.900 more.
NOTE Confidence: 0.98690856
00:41:58.400 --> 00:42:00.080 So, we're gonna put off
NOTE Confidence: 0.98690856
00:42:00.080 --> 00:42:01.200 the last item on our
NOTE Confidence: 0.98690856
00:42:01.200 --> 00:42:02.800 agenda to the first item
NOTE Confidence: 0.98690856
00:42:02.800 --> 00:42:04.320 on our January meeting agenda
NOTE Confidence: 0.98690856
00:42:04.320 --> 00:42:04.935 because of,
NOTE Confidence: 0.99931586
00:42:05.655 --> 00:42:06.155 time.
NOTE Confidence: 0.98041314

00:42:07.415 --> 00:42:08.935 Thank you all for being
NOTE Confidence: 0.98041314

00:42:08.935 --> 00:42:09.835 here today.
NOTE Confidence: 0.94412565

00:42:10.455 --> 00:42:11.435 And, again,
NOTE Confidence: 0.9269488

00:42:12.055 --> 00:42:13.015 January ninth is the due
NOTE Confidence: 0.9269488

00:42:13.015 --> 00:42:14.155 date on this application.
NOTE Confidence: 0.9991455

00:42:15.175 --> 00:42:16.215 I look forward to seeing
NOTE Confidence: 0.9991455

00:42:16.215 --> 00:42:17.255 as many of you as
NOTE Confidence: 0.9991455

00:42:17.255 --> 00:42:18.135 can make it to the
NOTE Confidence: 0.9991455

00:42:18.135 --> 00:42:20.219 holiday event tomorrow night. The
NOTE Confidence: 0.9991455

00:42:20.219 --> 00:42:21.280 ultrasounds are
NOTE Confidence: 0.9694925

00:42:21.820 --> 00:42:23.900 working hard rehearsing their set
NOTE Confidence: 0.9694925

00:42:23.900 --> 00:42:24.400 list,
NOTE Confidence: 0.9804461

00:42:25.260 --> 00:42:26.700 for the party. So, they'll
NOTE Confidence: 0.9804461

00:42:26.700 --> 00:42:27.739 be there and ready to
NOTE Confidence: 0.9804461

00:42:27.739 --> 00:42:28.219 go. So,
NOTE Confidence: 0.9928136

00:42:28.940 --> 00:42:30.700 thank you all, and enjoy

NOTE Confidence: 0.9928136

00:42:30.700 --> 00:42:31.840 the rest of the day.
