NOTE Confidence: 0.8498788

00:00:00.000 --> 00:00:04.368 Hello, my name is Akiko Yasaki.

NOTE Confidence: 0.8498788

00:00:04.370 --> 00:00:08.080 I'm a professor of immunobiology at the

NOTE Confidence: 0.8498788

00:00:08.080 --> 00:00:10.789 Yale University School of Medicine.

NOTE Confidence: 0.8498788

00:00:10.790 --> 00:00:12.410 It's really great to meet you,

NOTE Confidence: 0.8498788

00:00:12.410 --> 00:00:15.847 and welcome to the Yale Lesson Study.

NOTE Confidence: 0.8498788

00:00:15.850 --> 00:00:17.880 Yellison study is very important

NOTE Confidence: 0.8498788

00:00:17.880 --> 00:00:21.187 because we are going to be linking your

NOTE Confidence: 0.8498788

00:00:21.187 --> 00:00:23.581 symptoms and your health records to

NOTE Confidence: 0.8498788

00:00:23.581 --> 00:00:26.596 the biological parameters that we will

NOTE Confidence: 0.8498788

00:00:26.596 --> 00:00:29.136 be measuring from the participants.

NOTE Confidence: 0.8498788

00:00:29.140 --> 00:00:30.908 So the idea is

NOTE Confidence: 0.91948134

00:00:30.910 --> 00:00:33.340 to enable what different symptoms may

NOTE Confidence: 0.91948134

00:00:33.340 --> 00:00:35.524 be linked to different biological

NOTE Confidence: 0.91948134

00:00:35.524 --> 00:00:37.999 features that we'll be measuring,
NOTE Confidence: 0.91948134

00:00:38.000 --> 00:00:41.060 which includes variety of parameters related
NOTE Confidence: 0.91948134

00:00:41.060 --> 00:00:44.910 to the immune system as well as Physiology.
NOTE Confidence: 0.91948134

00:00:44.910 --> 00:00:47.591 And this type of analysis will enable
NOTE Confidence: 0.91948134

00:00:47.591 --> 00:00:49.778 us to understand the underlying
NOTE Confidence: 0.91948134

00:00:49.778 --> 00:00:52.670 pathogenesis of long COVID and the
NOTE Confidence: 0.91948134

00:00:52.670 --> 00:00:55.413 possible treatment that we can come up
NOTE Confidence: 0.91948134

00:00:55.413 --> 00:00:58.008 with together to improve the lives of
NOTE Confidence: 0.91948134

00:00:58.008 --> 00:01:01.116 people who are suffering from long COVID
NOTE Confidence: 0.91948134

00:01:01.116 --> 00:01:04.637 as well as post vaccine health issues.
NOTE Confidence: 0.91948134

00:01:04.640 --> 00:01:06.831 So I really encourage you all to
NOTE Confidence: 0.91948134

00:01:06.831 --> 00:01:09.520 fill out the symptom surveys and the
NOTE Confidence: 0.91948134

00:01:09.520 --> 00:01:12.028 health surveys from the lesson study
NOTE Confidence: 0.91948134

00:01:12.102 --> 00:01:14.064 and to link your medical records
NOTE Confidence: 0.91948134

00:01:14.064 --> 00:01:17.600 so that we can better understand.
NOTE Confidence: 0.91948134

00:01:17.600 --> 00:01:19.680 Whether your existing medical conditions

NOTE Confidence: 0.91948134

00:01:19.680 --> 00:01:22.250 as well as the newly diagnosed

NOTE Confidence: 0.91948134

00:01:22.250 --> 00:01:24.782 medical conditions can also be linked

NOTE Confidence: 0.91948134

00:01:24.782 --> 00:01:27.010 and related to the immunological

NOTE Confidence: 0.91948134

00:01:27.010 --> 00:01:29.668 features that we will be studying.

NOTE Confidence: 0.91948134

00:01:29.670 --> 00:01:33.590 Thank you so much for joining the Yellowstone

NOTE Confidence: 0.91948134

00:01:33.590 --> 00:01:36.615 community and together we are going to

NOTE Confidence: 0.91948134

00:01:36.615 --> 00:01:40.150 find the root cause of LON COVID disease.

NOTE Confidence: 0.91948134

00:01:40.150 --> 00:01:43.075 And to be able to come up with therapies

NOTE Confidence: 0.91948134

00:01:43.075 --> 00:01:46.254 that can actually help the lives of people

NOTE Confidence: 0.91948134

00:01:46.254 --> 00:01:49.022 who are suffering from this long covid

NOTE Confidence: 0.91948134

00:01:49.022 --> 00:01:53.200 as well as post vaccine related issues.

NOTE Confidence: 0.91948134

00:01:53.200 --> 00:01:55.279 So I really look forward to working

NOTE Confidence: 0.91948134

00:01:55.279 --> 00:01:57.951 with all of you and to meeting you

NOTE Confidence: 0.91948134

00:01:57.951 --> 00:02:00.116 in different town hall meetings and

NOTE Confidence: 0.91948134

00:02:00.116 --> 00:02:02.066 other events that we're planning.

NOTE Confidence: 0.91948134

00:02:02.070 --> 00:02:02.750 Thank you.
